

## The Beloved 28

### Chapter 28: Starry Love

When Chu Liyuan woke up, it was already past 6 a.m. the next morning. Li Jing was still lying on the other couch. There was a warm breakfast on the coffee table, but Jian Dan was nowhere to be seen.

Only when he sat up did he notice the note Jian Dan had left on the table: "Uncle, I bought breakfast for you. Eat it while it's hot after you wake up! It's the weekend today, so I don't have to go to work. I'll go home first."

"PS: Although work is very important, the body is the capital to revolution. Therefore, you have to take care of your body while working hard. Eat on time and rest on time. Only by balancing work and rest well can you achieve twice the results with half the effort!"

Li Jing was also awakened by the fragrance of breakfast. He grabbed a bun and stuffed it into his mouth. "Wow, it's delicious. Mr. Chu, eat it too!" He stuffed another bun into his mouth.

"Design?" Chu Liyuan was still thinking about the design for the main exhibition.

If he could not finish the designs today, it would definitely delay the release of the new line of Qin Jewelry.

Li Jing pulled Chu Liyuan back to the couch. "Eat your breakfast in peace! It's all settled." He handed the design plan to Chu Liyuan.

Chu Liyuan took a look at it. "This is..." A hint of surprise appeared in Chu Liyuan's eyes as he looked at Li Jing...

Chu Liyuan looked at the small flower added to his original design and felt that it looked just perfect.

"Don't look at me. I don't have any talent in this area. It was drawn by your young lady. She said that this is Baby's Breath; to complement the diamond. Not only will the addition of Baby's Breath not steal the limelight of the diamond, but it will also make the diamond appear less jarring. Furthermore, with it as a

complement, it will accentuate the beauty of the diamond." Li Jing told Chu Liyuan everything that Jian Dan had said last night.

"Jian Jian did it?" Chu Liyuan did not expect that it was Jian Jian who had helped him draw the design. He had always felt that something was missing from the previous design, but he did not know what it was. Now, it was not as jarring and had a hint of gentleness.

"Let's start production with this!"

"Okay, no problem... What about the name?"

Baby's breath??

Chu Liyuan smiled and wrote something on the blueprint...

Li Jing read the name on the blueprint—Starry Love.

"Alright, I'll leave the rest to you."

"Mr. Chu, where are you going?"

"Jian Jian has already settled the matter for me. Of course, I have to go home and rest now," Chu Liyuan said matter-of-factly.

Before leaving, he even said to Li Jing, "I'll give you a day off today. You can knock off after you've arranged everything!"

Upon hearing Chu Liyuan's words, Li Jing was so touched that tears welled up in his eyes. Mr. Chu was so humane now.

He was really touched!

The first thing Chu Liyuan did when he got home was to return to the bedroom, but Jian Dan was not in the bedroom...

After asking Uncle Zhang, he found out that the lass had gone to the back garden. When he came to the garden, he immediately saw a red checkered cloth on the grass. It was filled with delicious food and there was a person lying on it.

One would start to feel sleepy after eating and drinking one's fill. Jian Dan lay comfortably on the grass and closed her eyes, enjoying the warm sunlight. Her hand circled her stomach. "I'm so full."

"Jian Jian, have you heard of the saying, 'When one is full and warm, one will think about lust'..." Jian Dan was shocked by the sudden voice.

When she opened her eyes, she saw Chu Liyuan's deep and charming eyes. "Uncle, why are you back?" Jian Dan was pleasantly surprised.

"You've done all my work, so of course I'm back," Chu Liyuan said as he stroked her head dotingly.

Hearing his words, Jian Dan's smile became even sweeter.

Chu Liyuan's hand was on Jian Dan's head. When he saw this, he moved his hand to the back of her head and kissed her.

Then, he carried Jian Dan and returned to the bedroom very quickly.

After returning to the bedroom, Chu Liyuan pinned Jian Dan under him... "Uncle, what are you doing?"

"To continue what we didn't finish last night, of course," Chu Liyuan said in a delphic tone as he bit Jian Dan's ear.

"It's still daytime. Besides, it's the weekend. The weather is so good, and it's rare that Uncle doesn't have to work. Can we go on a date?"

Jian Dan pressed her hands against Chu Liyuan's chest and asked. No, I mustn't let Uncle get his way.

"Alright, it's decided! Uncle, go take a shower. I'll get changed first." With that said, Jian Dan escaped Chu Liyuan's restraint and ran to get changed.

Chu Liyuan looked at Jian Dan's back and smiled. He got up and went to the bathroom...
