

The Beloved 291

Chapter 291: This Was Not Just Jealousy!

Looking at the field over there, the two of them were chasing each other on their horses. It felt like watching a martial arts movie. Since Wei Qianyi's horsemanship was so good, she was able to hold her own against Chu Liyuan.

It felt like they were evenly matched...

When a person was very formidable, he would want to meet an opponent who could hold their own against him and enjoy the feeling of exchanging blows with an expert.

In the past, she had never seen such an expression on Chu Liyuan's face. It was an expression of respect for his opponent and seriousness...

It seemed that Uncle really treated Wei Qianyi differently from others!

Wei Qianyi could ride side by side with Chu Liyuan, but she could only slowly circle around the periphery of the racecourse. Wasn't the difference a little too big...

At this moment, she deeply understood that there was another kind of romance in horse riding!

The more she watched the interaction between the two of them, the more uncomfortable she felt...

Uncle had already said that he and Wei Qianyi are only comrades in arms and friends! Jian Dan, can you stop being so petty? You're really too narrow-minded!

They're just having a horse race. Why are you overthinking it?

She shifted her gaze elsewhere, as if she would not feel uncomfortable this way...

However, burying her head in the sand was useless; it was only deceiving herself.

When she couldn't help but turn around again, she realized that the two of them were no longer in her line of sight. She looked around but could not see them at all...

She suddenly felt a little flustered. Where had they gone? Why had they disappeared?

"Where are they?"

"Our racecourse is very big. They've probably gone to the other end!"

"The other end?"

Where was that? Why did it sound so far away?

"Is it very far?"

"It'll take about half an hour to ride there!"

What? Half an hour? If it took half an hour for them when they were so fast... Wouldn't it take a long time for her to go over?

But she could not just sit around and do nothing!

"Um, can I go over too?"

"It is filled with very good riders over there. It'll be very dangerous if you go over, so..."

"Don't I have you to protect me?"

“There are more people over there. If something unexpected happens, it will be disastrous!”

After saying so much, does he mean that he won't bring me along?

Faced with this stubborn person, it seemed that she could only find another way.

However, it could only be said that even God could not stand it anymore, so He created an opportunity for her.

There was a girl not far behind her. She should be a newbie too. For some reason, her horse was suddenly spooked, and there was no coach beside her. The coach who was holding the reins of Jian Dan's horse was the closest to her, so he said, “Hold on tight and steady yourself. I'll be back soon!”

He handed Jian Dan the reins and quickly ran in the direction of the girl...

Seeing that the coach was getting increasingly further away from her, her chance came...

Taking advantage of this opportunity, she slapped the horse's butt hard. The horse felt the command.

It quickened its pace.

As she had no experience, she could only hold the reins tightly and try her best to maintain her balance.

By the time her coach noticed her, she was already far away...

He immediately mounted his horse and chased after her. In order not to let him catch up, she slapped the horse's butt again!

The horse ran increasingly faster. She felt like her body was floating in the air, as if she might get flung out the next moment.

However, now that things had come to this, she did not know how to make the horse stop. She could only burn her boat and hold the reins tightly, waiting for the horse to slow down.

She had no sense of direction to begin with, and she did not know how to control the direction of the horse. Hence, where she went depended entirely on Miss Horse's mood.. Hence, she unknowingly deviated from the path...

Chapter 292: Coincidental Encounter with a Mysterious Person

When Jian Dan realized that something was wrong, it was already too late. She had no idea where she was. There was no one around. It was really scary to see no one on such an empty grassland!

"Horsey, horsey, where did you bring me?" She touched the horse's mane and asked.

"Horsey, do you know the way back? Do you know which way to go?"

"Horsey? Missy? Sister?" She was completely alone!

Oh no, what should I do now?

She did not know when Chu Liyuan would realize that she was gone.

What Jian Dan did not know was that Chu Liyuan already knew that she had run away on her horse and was searching high and low for her!

Jian Jian, Jian Jian! How do you always lose your way?Chu Liyuan felt that the thing he did the most every day was to search high and low for Jian Dan. It seemed like he had to tie her to his belt in the future so that he would not keep losing her!

Jian Dan rode her horse and slowly made her way back. This time, she did not dare to make the horse run so fast again. Otherwise, she would probably have to spend the night in the racecourse.

However, her surroundings were too unfamiliar. She really did not know which direction to go. The most depressing thing was that she did not know how to distinguish north, south, east, and west. She did not even know which direction she had come from.

The sky gradually darkened, and her heart became increasingly uncertain. If she did not find the way before dark, it would be even harder to find her way at night. There was not even a street lamp here!

Even if Chu Liyuan came looking for her, the difficulty of finding her would increase!

She was really an expert at causing trouble! It was as if she would feel uncomfortable if she did not cause any trouble for a few days.

It really does seem like it! But... you can't blame me for all of this! I'm like this now because Uncle dotes on me! I got bolder because of his pampering!

"No, no, no. I'm not shirking responsibility. I'm telling the truth!"

Suddenly, she heard a sound. Her entire body tensed up and she looked around vigilantly...

Don't tell me there are some strange animals lurking around out here?!

She was so nervous that she stopped in place and did not dare to move. Just then, someone appeared behind her. That person was riding a maroon horse.

When she saw that it was a person, her nervousness dissipated a little.

"Lost?"

She nodded like a rattle. “Yes, yes! I got lost. Can you tell me which way I should go to get back?”

It was as if she had grabbed onto a lifeline.

“Go that way and you’ll see a pine tree with a red rope tied to it. Turn left and ride about 50 meters. Then turn left and...”

“Hold on, hold on. Can you repeat what you just said?!”

“Turn...”

Seeing Jian Dan’s dumbfounded and helpless expression...

“I’ll send you back! Follow me!”

“Really? Thank you so much!”

Jian Dan had been waiting for him to say that! Hehe!

However, he did not send her back. Instead, he looked at the lights from afar and left. Before he left, he even said to Jian Dan, “Don’t tell anyone that you saw me!”

After saying this, he left...

Chapter 293: From Now On, You’re Not Allowed to Leave My Line of Sight Beyond Three Meters

Why was this person so weird...

Jian Dan's gaze was still in the direction that the person had left.

"Jian Jian!"

Hearing a familiar voice, she turned around and saw a familiar face, a familiar person.

"Uncle!" The smile on her face was a little awkward!

"When will you stop making me worry?"

"When have I made you worry?"

"You tell me."

"Hehe, I just like playing hide-and-seek!"

"You like to play hide-and-seek? Then let me hide next time, okay?"

"Uncle, I was wrong. I won't play again!"

"I don't believe you anymore. From now on, you're not allowed to leave my line of sight beyond three meters!"

"Huh? Uncle, are you joking? I need personal space at times!"

"From now on, you don't have it!"

How can Uncle be so domineering? I'm not his puppy!

“But it’s because of you every time! You can’t just put the blame on me alone! Just like today! If it weren’t for the fact that I was looking for you, how could I have gotten lost?!” Turning the tables on Chu Liyuan!

“Don’t worry, I won’t leave your line of sight beyond three meters either!”

Unde, you can’t do this!

“Then when you are off to work, I still have to go to school!”

“Apart from work!”

“What if I go out to eat and shop with my friends?”

“When you go out, keep your cell phone on at all times.”

“What if I forget to charge it?”

“You’re not allowed to forget!”

“Uncle, you’re so domineering!”

“Well, you forced me into it!”

“I...” She knew that she was in the wrong. Although she did not say anything, she still pouted to express her resentment.

Hmph!Chu Liyuan ignored her and pretended not to see that. “Let’s go! It’s time for dinner!”

After carrying Jian Dan off the horse, they went to the changing room to get changed...

Wei Qianyi saw how Liyuan treated Jian Dan. The two of them had known each other for more than 10 years and were very familiar with each other. Hence, she could tell at a glance the place Jian Dan occupied in Liyuan's heart...

She was even more important than Chu Liyuan himself. When he could not find her just now, he could not hide his anxiety. Although he reprimanded her after he found her, there was a hint of possessiveness in his words!

It seemed like Liyuan had really met his Waterloo this time.

Jian Dan and Wei Qianyi returned to the changing room together...

"Jian, can I call you that?"

Huh? She did not seem to be very familiar with her. It seemed a little strange to suddenly call her that. Besides, only her good friends would call her that.

"Because Liyuan definitely doesn't like me to call you Jian Jian like him, so..."

"Oh... Sure!" Although it was awkward, she had already said it. How could she reject her? After all, she was Chu Liyuan's comrade in arms!

"Jian, don't you think that Liyuan is so much older than you? Do you have anything in common?"

What do you mean? Are you trying to show off to me? I don't have anything in common with Uncle, but you two have something in common, is it?

"I beg to differ! Uncle and I have endless things to talk about every day." She was not going to put on a losing front.

“But the two of you have such a huge age gap. Your values would be different!”

Launch a series of attacks, aren't you?! Hmph! I'm not afraid of you!

“I think values may be related to age, but it's not big a deal. I think if I like someone, I'll like everything he likes. That way, there won't be a problem of different values!”

“Then...”

“Um, I'm ready. I'll go out first. I'm afraid to keep Uncle waiting for too long alone. It's fine if you take your time!”

The most powerful move of the 36 strategems was to run away. However, she was not afraid. She was just too lazy to listen to people she did not like.

When she came out, Chu Liyuan had already gotten changed and was waiting at the reception...

Chapter 294: Watch How I Kill You!

“Uncle.”

“Where's Qianyi?” He asked when he saw that Jian Dan was alone.

Uncle is quite concerned about her, huh?

“I was afraid that you would be very bored alone, so I got changed quickly to come out and accompany you!” He was a little confused by Jian Dan's sudden obedience.

About 10 minutes later, Wei Qianyi came out...

“Sorry to keep you waiting!”

“No worries!”

“Let’s go!”

He got up from the couch—held Jian Dan’s hand—and walked out...

In the car...

“Do you have any particular craving?” Chu Liyuan asked.

“I’m fine with anything. Let’s see what Qianyi likes to eat!”

“Qianyi, what do you want to eat?” As the mistress of the house, she had to behave like a woman. When it came to eating, she had to prioritize the taste of the guests.

“I’m fine with anything! Why don’t we go to the place with the delicious Chaozhou cuisine we used to frequent?”

Oh, I see... Are you playing the game of reminiscing about the past with me? If I’m not wrong, she would definitely chat with Uncle about their past during dinner.

“Okay!”

Soon, the three of them arrived at the Chaozhou restaurant that Wei Qianyi had mentioned.

“Liyuan, I didn’t expect that this place is still the same although we haven’t been here for so long!”

Aha! See! Was I right or what?

“Yes! It’s still the same as before!”

“I wonder if the taste is still the same as before though!”

“You’ll know if it’s different after eating it. Don’t stand at the door. Hurry up and go in!”

Jian Dan interrupted Wei Qianyi.

After entering the private room and taking their seats, the three of them flipped open the menu and looked at it...

“Let’s have the Chaozhou East red crab, mushroom with mustard vegetable, bamboo with abalone slices, stewed eel soup, and shredded duck with assorted vegetables.

“I remember that these are all Liyuan’s favorite dishes!”

“Jian, I don’t know what you like to eat. Is there anything you want to eat?”

What a good move to turn the tables! She turned the tables on me so quickly.

No sweat!

“Uncle, I don’t know much about Chaozhou cuisine. You know my taste. Help me order!”

As an experienced foodie, how could I not have eaten Chaozhou cuisine before? But I want Uncle to order for me. Bite me!

After placing the order, the food was served very promptly...

“They are still so prompt in serving the food, just like before!”

Looks like you want to take this walk down memory lane to the end...

“Ow!”

“What’s wrong, Jian Jian?”

“I got pricked by the crab!”

“Why are you always so careless?”

“It’s all your fault. If you hadn’t helped me pick out the crab meat every time I ate crabs, I wouldn’t have become so clumsy!”

“Alright, my bad! I’ll get you whatever you want to eat!”

“That...” She pointed at a crab and looked at Wei Qianyi provocatively.

She ate the crab meat that Chu Liyuan had brought to her mouth. “Mmm!

Delicious! It’s even more delicious when you feed me!”

“Jian Jian, Qianyi is here!”

“So what? Qianyi is one of us. It doesn’t matter! Qianyi, don’t you think so?”

“Ahem, that’s right! Liyuan, you’re treating me like an outsider. We’ve been friends for more than 10 years!”

Didn’t you want to go all out to reminisce about the past? Let’s see if Ill be defeated by you first, or if you’ll be killed by me first...

“See! Qianyi said so too.”

“Uncle, I want to eat that!”

“Uncle, my hand hurts. Will you feed me?”

Chu Liyuan did not say anything and brought the food to Jian Dan’s mouth again.

“Mmm! So delicious. Qianyi, you’re really good at ordering. It’s really yummy!”

“It’s alright. It’s mainly because Liyuan and I used to come here often to eat, so...”

“Oh! So it’s all thanks to Uncle? Uncle, your taste is not bad! I like it!”

Hmph! I won’t even give you a chance to show off.. Let’s see how you do it!

Chapter 295: Transforming into a Little Warrior!

During the meal, the two of them went back and forth. Jian Dan did not let her take advantage of her at all. It was as if she had transformed into a brave little warrior. Of course, her happiness had to be fought for and protected by herself. Therefore, she had to firmly hold on and not take a step back even if she was bleeding!bender

Although the two of them did not openly show their rivalry, who was Chu Liyuan?! How could he not tell that the two of them had been secretly pitting against each other throughout this meal?!

However, Jian Dan was jealous over him and that made him very happy! Especially when he saw her transform into a little warrior for him, he really could not take his eyes off her!

Jian Dan had never been the kind of person who liked to charge into battle. She would only fight someone head-on when they provoked her first. This was the first time she had taken the initiative to attack. And it was over him. This made Chu Liyuan very happy.

By the time they finished eating, it was already past 7 p.m.

Under normal circumstances, they should send Qianyi home, but... "Uncle, let's send Qianyi home first!"

"Qianyi does not need for anyone to send her home. If anyone dares to mess with her, that person will definitely be the unlucky one!"

In Chu Liyuan's eyes, Wei Qianyi was a female warrior. Did such a female warrior need someone to escort her? It was unnecessary!

"That's right! I'm fine. I'm very formidable!" Although she said that, a trace of coldness flashed across her face. Jian Dan caught that keenly.

It seemed that she was definitely a difficult opponent, and also the first real opponent. After all, Chu Liyuan would not even look at the girls who surrounded him previously. However, Wei Qianyi was different. She and Chu Liyuan had been comrades for more than 10 years. Moreover, the relationship between comrades was a level higher than ordinary friendship. In the military, they faced each other day and night. Every day, they trained hard and experienced life and death together. No matter how hard she tried, she could not catch up.

Wei Qianyi! Jian Dan had truly underestimated her opponent!

The enemy was very formidable, so she could not let her guard down at all. Otherwise, a small mistake might cause a shocking change in the final outcome.

Therefore... this was a tough battle! She had to guarantee a 100% victory in this battle!

On the way back...

After the intense battle, Jian Dan was exhausted. After all, she was not the kind of person who liked psychological warfare because that entailed her having to guess what the other party was thinking and coming up with countermeasures before the other party attacked. This was the only way to ensure victory. However, it was too tiring. It was even more tiring than making her run three kilometers.

She was spent, but this war had only just begun... Oh my God, somebody save me!

Looking at Jian Dan's sad expression, the corners of Chu Liyuan's lips slowly curled up...

"Weren't you very energetic when you were trying to outdo Qianyi just now? Why are you like a wilted eggplant now?!"

"Uncle, you can tell?" Her dim eyes suddenly lit up.

"Duh!"

On second thoughts, who was Uncle?! How could their little tricks escape his eyes?

When she first met Chu Liyuan, she had felt that nothing in this world could escape his eyes. This was because every time she looked into his eyes, she felt like a naked child that he could see clear as day!

"That's true! There aren't many things in this world that can be hidden from you."

"So there's nothing that you're hiding from me?"

“Of course not! I’m not tired of living!”

This lass really has no scruples in front of me! But... she’s still very cute!

“Since you can tell, did you already know that Wei Qianyi likes you?”

“How can Qianyi like me? We’ve known each other for more than 10 years, but we don’t have any feelings for each other!”

“Uncle, don’t deny it. It’s clear as day that she likes you. Her behavior just now was so obvious. It was written all over her face. She was just short of confessing her love to you directly.”

“It’s all in your mind. Qianyi just doesn’t like to admit defeat!”

“Besides, if there’s really something going on between us, do you think there’ll still be you now?”

That made sense. After all, the two of them had known each other for more than 10 years. However, she could tell from Wei Qianyi’s eyes that she definitely viewed Chu Liyuan as more than just as a comrade..

Chapter 296: Ice Or Fire

Since Uncle had said so, he must have his reasons. Was it really all in her head? It seemed that she had to observe for a few more days before making a decision!

When they returned to Li Garden, they realized that Lu Ting and Sizhe were about to leave...

Ever since the two of them expressed their feelings to Zi Yan, there seemed to be no progress.

The two of them greeted them and turned to leave Li Garden.

“Hang on, I have something to tell you!” Jian Dan stopped them.

Zi Yan had returned to her room by now.

The four of them sat in the living room...

“Lu Ting, Sizhe, you’ve been wooing Zi Yan for so long, but there’s no progress at all. Have you thought of the reason?”

The two of them looked at each other in confusion...

That’s right! They had been wooing Zi Yan for almost two months. Although it had not been long, they had always been in the same place. The progress was really very slow.

Forget about Lu Ting. Sizhe was once an expert in love! How many women had fallen for him? Two months was enough for him to change many girlfriends!

When they heard Jian Dan’s words, they realized that two months had passed.

“There’s a way to woo a girl. You can’t woo a girl by pestering her!”

Jian Dan’s words hit the nail on the head...

“It’s useless for the two of you to buzz around Zi Yan every day. Moreover, everyone needs their own personal space. By doing that, not only will you not have your own personal space, but Zi Yan will also lose her own personal space. This will make things backfire instead.”

Jian Dan's words enlightened Lu Ting and Sizhe.

"You've agreed on a fair competition, but you don't have to appear at the same time every time. It's more like the two of you are a couple and are inseparable every day! You have to put in effort to woo a girl! The two of you should go back and think about it!"

Although she did not know much about relationships, she was also a girl. So she expressed her feelings from a girl's perspective.

After the two of them left...

"Uncle, do you think Lu Ting's personality is more suitable for Zi Yan?"

Jian Dan voiced out her thoughts.

"It looks like Lu Ting and Zi Yan seem to be a better match in terms of personality and life experiences!"

"Looks like? Seem to be?" Jian Dan caught the keywords.

"Jian Jian, there's no way to warm each other when two pieces of ice are placed together. If you want to melt a piece of ice, you need fire."

As soon as Chu Liyuan said this, she seemed to have caught on...

This principle was like a moth flying into a flame. It knew that it would die, but it still rushed towards the flame without hesitation.

Because of her childhood experiences, Zi Yan's personality had become exceptionally cold. Lu Ting's personality was a little cold. When such two people were together, they might freeze each other to death. However, Sizhe was different. He was like a ball of fire that could melt the ice on Zi Yan.

“So you think that Sizhe is a better match for Zi Yan?”

“I didn’t say that. Only Zi Yan knows who is a better match!”

That’s true! In the end, Zi Yan would be the one to decide who to be with!

However, she hoped that the three of them could obtain their own happiness no matter what the outcome was!

On the way back, the two of them kept thinking about what Jian Dan had just said...

It seemed like it was true. Ever since they confessed their feelings to Zi Yan, the two of them had been reporting to Li Garden every day!

This would really put a lot of pressure on Zi Yan and not even give her a chance to catch her breath. They even wanted to force Zi Yan to make a choice as soon as possible.bender

It seemed that after today, they had to take a good look at themselves and change.

Sizhe was even more dejected.. Why did he suddenly become a primary school student in front of Zi Yan?

Chapter 297: A Vixen’s Tail That Can’t Be Hidden!

She did not expect the vixen to reveal her tail so soon...

Jian Dan was still skeptical when Chu Liyuan said that he and Wei Qianyi were comrades. It had only been a day, but she was 100% sure that this woman definitely carried a torch for Chu Liyuan.

They had just gone to the racecourse yesterday and had dinner at night. Today, she asked Chu Liyuan to go to the shooting range... It felt like she was getting a little impatient.

How could she give the two of them a chance to be alone?

"Uncle, can I go too?"

"We're going to the shooting range today. Are you sure you want to go?"

"I haven't been there before."

"Okay!"

It seemed that Jian Dan was worried about him going out alone with Wei Qianyi but was stubborn and refused to admit it. He was very happy that Jian Dan cared so much about him.

Obviously, Wei Qianyi did not expect Jian Dan to come along. When she saw Jian Dan and Liyuan arriving together, she was noticeably stunned for a moment. However, she immediately returned to normal and greeted them with a smile. "Jian, you're here too!"

"Yeah! Uncle said that he wanted to teach me how to shoot. Right, Uncle?" She made the first move on Wei Qianyi.

"Yes!" He had no choice but to pamper his lass!

Seeing how intimate the two of them were, Wei Qianyi gritted her teeth in hatred. However, she still had to maintain her poker face.

However... Jian Dan saw the changes in the muscles on her face due to anger...

For some reason, when she was facing Wei Qianyi, she seemed to be able to see many things very clearly.

Just as Chu Liyuan was teaching her how to shoot and how to put the safety on, she glanced at Wei Qianyi from the corner of her eye. It was also this glance that allowed Jian Dan to confirm that Wei Qianyi definitely liked Chu Liyuan because Jian Dan saw Wei Qianyi's eyes brimming with hatred and resentment as she looked at her.

That look was like a poisonous snake's look when facing its prey. Before attacking, it would first observe its weakness and then kill it with a single strike, turning it into its food.

But so what? Would I be afraid of you?

Although she came along because she did not want Chu Liyuan to have a chance to be alone with her, she was not going to just sit around since she had come to the shooting range! She had to shoot a few rounds as a show.

Jian Dan had thought that they would be the kind of toy guns she played with when she was young. However, she realized that they were all life-sized replicas. The trigger was very hard and she could not pull it with one hand at all. Even with two hands, it took a lot of effort for her to fire the first shot. After the first shot was fired, she realized that was not all; there was also a very strong recoil that numbed her palms. Moreover, the sound was so loud that it was no different from a real gun.

However, she could not show her fear in front of that woman even though her legs and hands were already trembling. "I didn't expect shooting to be so interesting. I'll practice more in the future. Perhaps I can become a sharpshooter? Right, Uncle?"

Initially, she thought that she could save her face with these words. But she did not expect that after hearing her words, the corners of Wei Qianyi's mouth revealed a sneer... Of course, this sneer was only for Jian Dan to see.

Then, she casually picked up the pistol in front of her. With one hand holding the gun and the other supporting the hand holding the gun, she bent her legs slightly and fired five shots at the target in front of her. Every shot hit the bull's-eye.

Jian Dan finally understood what that sneer meant. So she was waiting for this?

Just as Jian Dan was about to say something, Chu Liyuan hugged Jian Dan's shoulder. "Qianyi is famous for her marksmanship in the army!"

It seemed that Chu Liyuan could tell that she was unconvinced, so he said that.

"How would I dare to call myself a sharpshooter in front of you? Do you still remember back then? No matter how hard I tried, I couldn't surpass you! You're the real sharpshooter!" Wei Qianyi looked at Chu Liyuan with a smile.

Its happening again, isn't it? Don't you have any other move other than reminisce about the past?

Good moves can be reused countless time as long as they were useful.

Moreover, you wouldn't even have the chance to interrupt like this!

It seemed that Wei Qianyi was going all out today. She had used all the moves Jian Dan had used to deal with her yesterday back on herself.

She was plainly declaring war on her!

However, it was not easy to fight this war because there was a huge gap between her and Wei Qianyi. Take yesterday's horse racing and today's shooting for example! Jian Dan knew nothing about these at all, but Wei Qianyi could chat with Chu Liyuan and have friendly competitions with him while Jian Dan could only stand obediently at the side.

Hence, the most important thing now... was to upgrade herself!

Chapter 298: Meeting Again

It seemed like Chu Liyuan had not been to the shooting range for a very long time because she could see a trace of excitement in his eyes.

Perhaps those who had been in the military would be a little fascinated by firearms, especially after leaving the military. The chances of touching a gun would definitely be very low, so they would feel the itch over time.

Therefore, although she really did not like Chu Liyuan and Wei Qianyi being alone together, she decided to endure it for a while in order to let Chu Liyuan have more fun. "Uncle, I'm a little tired. I'm going to rest for a while!"

"I'll go with you!"

"It's okay, go ahead and enjoy yourself! I'll be back after resting for a while!"

Before she left, she looked back worriedly and saw the two of them standing side by side, shooting with both hands.

This scene was really an eyesore, but she gritted her teeth and left for Chu Liyuan's sake...

She did not know where she was going, so she wandered around the shooting range.

As she strolled around, she saw someone she never thought she would see again. When she saw that person...

She met him here again? The person who had helped her in the racecourse.

He stood alone in front of the target... Bang! Bang! Bang! He fired a few shots consecutively.

When Jian Dan saw the target, her mouth turned into an "O". What marksmanship! Not only did he hit the bull's-eye with every shot, but every shot hit the same exact spot. If she did not know how many shots he had fired, she would have thought he had only fired once or only hit the target once.

He could hold a candle to Uncle! Who would have thought that there would be someone in this world who could hold a candle to Uncle?? She couldn't believe it!

Perhaps sensing Jian Dan's gaze, he inadvertently turned back to look at her...

When she met the man's eyes, she had a very strange feeling. She felt that there was something in his eyes, but she did not know what it was.

"Lost again?" It seemed that he still remembered her.

"No, no, no! Not this time!" There was an awkward smile on her face.

Did she look like the kind of person who would easily get lost?

"You're awesome!" She pointed at the target he had just shot and said with a hint of admiration.

"You want to learn?"

Eh... Sure! If I can learn it, I can join Uncle and lift my chin in front of Wei Qianyi. I don't have to live in her shadow!

Moreover, someone had taken the initiative to be her coach. Why not? From the looks of it, he was probably not a bad person.

"Sure! Then can you teach me?"

It would be great if he agreed. Not only did he have superb marksmanship, but he also seemed to be quite good at riding at the racecourse yesterday. Then perhaps she could get to learn both skills together from one coach. It was definitely a great bargain.

She watched as the man gave her the once-over but did not say anything. She felt a little scared. It was really scary when she did not know what he was thinking.

She waved her hand in front of his eyes. "Hello!"

"Let me see you fire a shot!" He held the gun in front of her with one hand.

Embarrassed, she took the gun. The instant she did... God... That's so heavy. It felt a lot heavier than the one she has used earlier.

Her wrist strength was very weak to begin with; she had almost never won in arm wrestling. She was having difficulty raising this gun. How could she even pull the trigger?!

She raised the gun with difficulty and aimed it at the target in front of her. She used all her might to pull the trigger...

A gunshot rang in the air... Looking closely, there was nothing on the target. Did she miss the target entirely? So embarrassing! At the very least, she had hit the target just now! Would he still teach her like this?

"Hehe, a little... bl-blunder," she said weakly.

"Looks like teaching you is a big project!"

"Yes, yes!... What? Do you mean that you've agreed to teach me?" At first, she did not catch it. When she did, she asked in disbelief.

He did not answer directly, but from the expression on his face, it was obvious that he had agreed.

“Then... add me on WeChat!” She whipped out her cell phone—launched the WeChat QR code—and showed it to him.

She maintained this posture for about five minutes...

“Sir, this posture is very tiring!” She waved the cell phone in her hand.

After seeing him take out his cell phone and scan the QR code on her phone, a relieved smile appeared on her face.

“Then it’s settled!

“Bye!”

She seemed to have left for a long time, so it was time to go back.. She could not let Wei Qianyi be so smug!

Chapter 299: Jian Dan’s Best Comrade

“Uncle... Uncle! I’m back! I came to take a look at your results.”

The first thing she did when she returned was to hug Chu Liyuan’s arm.

“Where did you go?”

“I just walked around. This place is quite big! I was afraid of getting lost, so I didn’t dare to walk too far. Hehe!”

“You’re such a scatterbrain!”

“That’s why I need your protection!”

Wei Qianyi had been so smug for a long time. Of course, she had to lower her morale and not let her become too arrogant.

“Uncle, Grandpa called me just now. He said that Granny prepared a lot of food and asked us to go back to the family residence for dinner.”

“Granny? Liyuan, Grandpa remarried?” Wei Qianyi asked in surprise.

Haha, I’ve finally found something you can’t butt in!

“Uh...”

“Yup! Grandpa also needs someone to accompany him!” Not gonna let you in on the inside story!

“Uncle, let’s go back quickly! Don’t make them wait.”

“Liyuan, I haven’t seen Grandpa in a long time. I really want to visit him too. Since I have nothing to do later, can I go to the family residence with you guys?”

What a smooth move! Going along with this.

Seeing that Chu Liyuan did not say anything, she changed her target to Jian Dan.

“Jian, is that okay?”

It was obvious that she wanted to work on Grandpa! Especially since she had not seen Granny before... She must want to go and curry favor, but... it was hard to say if it would be a blessing or a disaster.

“Of course, it’ll be more lively with more people!”

Seeing that Jian Dan had agreed, the corners of her mouth curled up into a wicked smile.

The three of them returned to the family residence...

Don’t worry, I won’t let you have your way today.

On the way, she sent a message to Mo Qingqin in advance and roughly explained the matter to get Mo Qingqin to back her up. As for Grandpa? He would definitely listen to Granny!

So, Wei Qianyi, get ready for this!

“Granny, Grandpa, we’re back!” The moment she stepped into the house, she ran to Mo Qingqin and Chu Zhiyuan to greet them. She even hugged Mo Qingqin’s arm.

Seeing how close Jian Dan and Mo Qingqin were, Wei Qianyi felt very upset because it would take even more effort to win over Mo Qingqin.

She had a very official smile on her face, and there was no trace of emotion in her eyes... “Grandpa, I’ve come to visit you. You’re still so young, and you’re still so hale and hearty!” Her words were also very official.

“Qianyi, you’re here! You haven’t visited me in a long time.”

From what Grandpa said, Wei Qianyi must have been very good at winning his favor.

That was true! After spending a few days together, she could tell that she was very scheming.

“Yes! I’ve been overseas previously, so I didn’t have time to visit you. Now that I’m back, I’ll definitely visit you often. These are some gifts I bought for you.” “I’m happy that you’re here. Why did you bring gifts? I don’t lack anything!” “This must be Granny? Hello, I’m Liyuan’s comrade in arms. My name is Wei Qianyi!”

“This is something I bought for you. I hope you will like it!”

“Thank you.” Mo Qingqin replied indifferently. Because Jian Dan had already given her the heads up, so...

“Granny, you’re so beautiful and young! You look like you’re only in your forties or fifties!”

“I just turned 4.0 this year.” Granny said bluntly.

When Mo Qingqin said this, the atmosphere became extremely awkward! Only Jian Dan covered her mouth and secretly laughed...

Granny was definitely her best comrade. She was definitely the formidable kind.

Chu Liyuan cast a meaningful look at Jian Dan... He finally knew who Jian Dan took after.

Of course, the most awkward one was Wei Qianyi. “Oh... No... I’m sorry...”

Wei Qianyi never expected Chu Zhiyuan to find a woman so much younger than him. She had even deliberately gave Mo Qingqin a younger age, but she did not expect...bender

“You took it seriously? I was just joking with you. I’m already 78 years old this year.”

“Oh! Haha!” She laughed awkwardly.

"I was just joking. You don't mind, do you?"

Jian Dan had already praised Mo Qingqin countless times in her heart. Mo Qingqin was obviously so much more formidable than Jian Dan herself! As expected of Mo Qingqin—the woman who had charmed a legend in the corporate world.

"Of course not." Wei Qianyi was clearly embarrassed, but she could not show it on her face. She minded it a lot, but she had to show her graciousness.

This feeling of wanting to go up but only being able to go down was very uncomfortable, but this was the outcome Jian Dan wanted! Otherwise, it would be a waste for her to make this trip..

Chapter 300: This Was Purposely Targeted!

"I like to joke around. I'm a little mischievous!"

"No wonder you're so young. People with good mentalities are very young!" "That's right, that's right! We should be happy and think more about happy things, especially young people like you. Otherwise, you'll age quickly!"

These words stabbed another arrow into Wei Qianyi's heart.

"Alright, alright. Come and eat first! We'll talk while eating! Otherwise, it won't taste good when it gets cold."

I'll give you a break first. We'll continue later...

At the dining table... Of course, Wei Qianyi wanted to sit next to Liyuan, but... how could Jian Dan give her this chance? Not only did she not sit near Chu Liyuan, but she was also a little far away.

"Tuck in! Try my cooking!" Mo Qingqin said politely to Wei Qianyi.

"It looks delicious!" Even if she did not like Mo Qingqin very much, she had to praise her.

"Don't just look. Try it!"

"Yes! It's delicious!" She picked up a shrimp ball and took a small bite.

The way she ate was extremely pretentious.

"If it's delicious, why do you only eat so little?" Jian Dan added.

"This is the way to eat delicious food!" Jian Dan picked up a shrimp ball and ate it in one bite. Her mouth was slightly bulging as it moved up and down.

Wei Qianyi looked at Jian Dan's unladylike way of eating and frowned slightly. However, the corners of her mouth curled up slightly. How was such a girl worthy of being Mrs. Chu? How was she worthy of standing beside Liyuan?

However, she saw the expression on Liyuan's face when he looked at Jian Dan eating—that expression was filled with doting and did not have the slightest bit of disdain.

Seeing this expression, Wei Qianyi had already torn Jian Dan into pieces in her heart.

"Qianyi, why aren't you eating? Do you think my cooking is bad?"

"No, no! It's really delicious!"

"Then eat more!"

"I've always been a light eater!"

“Don’t tell me you ate so little to lose weight?! You young people nowadays always diet to lose weight. Health is very important. Just look Dan Dan... She has never been on a diet!”bender

“However, Liyuan still loves her a lot.”

“If a man likes a woman, he won’t care if she’s fat or thin!”

“Heh! No, it’s not because I’m on a diet. It’s just that my appetite is small!”

Even a fool could tell that Mo Qingqin was definitely targeting her on purpose. However, even though Wei Qianyi knew that she was deliberately picking on her, she could only endure it.

She secretly cast a sharp glance at Jian Dan. She did not expect Jian Dan to look in her direction with her eyes brimming with provocation.

Didn’t you come to the family residence for a purpose? Why is it that you’re allowed to make a move, but I can’t? It’s not my style to be at the mercy of others, let alone Granny’s style!

It was a very awkward meal. Everyone could tell that Mo Qingqin had a certain hostility towards Wei Qianyi, but who dared to help her? Chu Zhiyuan did not dare to utter a word!

After dinner...

“Qianyi! Liyuan can’t drive because he consumed alcohol. I’ll call you a cab to send you home!” Mo Qingqin said bluntly.

Granny was definitely a stumbling block for her to marry into the Chu family! It seemed that if she wanted to marry into the Chu family, she had to spend some effort to take care of her first!

Soon, the cab arrived. Mo Qingqin sent Wei Qianyi out. “Come often when you have time! You’re like my granddaughter!”

Before sending her off, Mo Qingqin gave her another blow..
