

The Beloved and Pampered Girl

C 3

Married an Uncle

“1982-12-22”

“1982?” Jian Dan exclaimed.

Oh my god! 18 years?

She actually married an uncle who was 18 years older than her.

18 years?

“What’s wrong? Do you think I’m old?” Chu Liyuan said coldly, his tone laced with displeasure.

This lass actually regarded him scornfully for being old?

Although this was the truth...

But why did it sound so unpleasant to his ears?!

Jian Dan felt as if she was instantly frozen. The pressure made her hair stand on end!

“No! How is that possible?” Jian Dan said ingratiatingly in a bid to save her skin!

This uncle was too domineering.

18 years? In ancient times, he might have already been the father of several children!

“Uncle, you’re so handsome and tall. Your figure is impeccable. How can I find you old when you’re so outstanding?” Jian Dan sang Chu Liyuan’s praises non-stop.

However, she had to admit that although this uncle was a little old, he definitely had a gorgeous face. Coupled with his excellent figure, he was simply tempting!

Wait a minute... No wonder she had jumped his bones last night. Now it seemed that this uncle had to bear half of the responsibility.

“What did you call me just now?” Just as Jian Dan thought that he could let it go after she praised him like this, Chu Liyuan threw out this sentence.

As soon as he said this, Jian Dan realized that she had just called him “uncle”.

She must be tired of living!

How could she do such a stupid thing when she had an IQ of 140?

Just as Jian Dan was still worrying about how to smooth things over, Chu Liyuan spoke first, “It’s too late now!” As he spoke, he waved the small red booklet in his hand.

In fact, even Chu Liyuan himself did not expect this. He could tell that this woman was young, but he did not expect her to turn 20 today!

However, this was not a problem. Grandpa wanted him to get married and sent him different women every day. But, he only felt disgust for those women...

Nonetheless, Grandpa was still tirelessly thinking of all kinds of ways...

It just so happened that this woman had appeared, and he actually did not dislike this woman at all. Instead...

If he had to get married, this woman was the most suitable candidate.

“Get in the car!” The two of them did not speak along the way until the car stopped at the entrance of J University. Jian Dan got out of the car and was about to go in when Chu Liyuan stopped her.

“Move tonight!” Chu Liyuan got out of the car and came over to Jian Dan.

“What? Move to... where?” Jian Dan asked in confusion.

“To... our... home, of course!” Chu Liyuan whispered in her ear in a delphic tone.

Jian Dan felt the hot breath in her ear. She shrunk her neck and dodged to the side. She lost her balance and was about to fall...

Chu Liyuan grabbed Jian Dan by the waist and saved her. Their bodies were pressed together and they were so close that they could hear each other's breathing distinctly.

Jian Dan's face instantly turned red. She immediately removed Chu Liyuan's arm from her waist and distanced herself from him. She lowered her head slightly as her chest heaved up and down.

“Your husband is a normal man; I have no intention of living separately for the time being!” There was a devilish smile on his face, but his tone brooked no objection.

“I'll send someone to pick you up tonight. I'm going on a business trip these few days. Wait for me at home!” After saying that, he got into the car and left...

Jian Dan watched as the car gradually drove away. Jian Dan felt as if she had overturned the condiments rack and her emotions were a mixture of sour, sweet, bitter, spicy, and salty. She could not describe how she felt.

Had she been too impulsive? No matter what, she should not have gotten married so rashly, right?

What would happen if Granny knew that Jian Dan had gotten married just like that?

“Ah!” Jian Dan fiddled with her hair.

The next second, she looked at her long hair and walked into the hair salon near the school as if she had made up her mind...
