

## **The Beloved 311**

### Chapter 311: "Simple" Birthday Dinner

After that day, life returned to normal...

The training continued...

She was getting better in the training and she learned many skills. Her confidence also increased and she felt that she was very awesome now. She was no longer the nerdy Jian Dan who was clumsy at anything athletic. Now, she was the smart and athletic Jian Dan.

In order to thank Master Spirit, she cooked today and prepared a feast for him to celebrate his birthday...

As for why she knew that today was his birthday? It was because she happened to see a photograph by chance. The back of the photograph happened to indicate it was his birthday. Hence...

She was going to secretly celebrate for him.

It was good that his kitchen was separated from the house; she could prepare delicious food for him in the kitchen without him knowing.

Her capabilities in the kitchen were well known. However, it seemed to be just enough. One cake and one bowl of noodles!

She baked the cake first. Just as she was about to make the noodles, she realized that there did not seem to have an induction cooker in his kitchen...

Use the stove?? She had psychological trauma about it! What if she burned down her coach's kitchen too?

However, she was already at the last step. She could not give up! Hence, she could only brace herself and do it.

Moreover, there was not even a gas stove with automatic ignition in the kitchen. There was only a simple gas stove that needed to be manually lit.

This was too much of a test for her! This was completely out of her expectations! She had no idea where to start.

Frowning, she stood where she was and tried to think of a solution...

She scanned every corner of the kitchen, hoping to find something that she could use. Suddenly, something attracted her gaze—the electric kettle!

She brought the electric kettle over... “This can be used to cook noodles!” She muttered to herself in the kitchen.

After coming up with the solution, a smile finally appeared on her face.

After settling the noodles, she was only short of the sauce... But what could she do about the sauce?

It seemed like she still needed a gas stove!

She had no choice but to... She picked up the lighter on the refrigerator and went to the gas stove. She lit the lighter and turned on the gas valve. She slowly approached the gas stove.

“Ow!” Her fingers were burned, but she still did not manage to light the gas stove, so she could only endure the pain and close the gas valve first.

He was sitting in the house when he suddenly heard a woman’s cry from the kitchen. He frowned. How could someone discover such a hidden place?

He picked up the pistol under the table and went to the kitchen...

He was already prepared to shoot the intruder, But before he could raise his gun, he saw the person in the kitchen... "What are you doing?"

Hearing a voice behind her, she did not need to guess to know that it was her coach.

She turned around awkwardly and forced a smile at the coach...

She watched as he walked towards her and hid her injured hand behind her back. "Hehe... I just want to make fried sauce noodles for you, but I'm having some technical issues!"

"Cook noodles?" He gave Jian Dan the once-over with a scrutinizing expression.

"Yeah! Isn't it your birthday today? You have to eat longevity noodles! But... even if you need to eat something else, I can't cook it because I only know how to make fried sauce noodles!"

"How do you know..."

"I saw it written on the back of a photo."

"You have taught me so many things. Of course, I have to thank you! Moreover, we have known each other for some time now. It shouldn't be just the relationship between teacher and student! We should be friends!" Jian Dan gave a smile that was without any impurities as she looked at him innocently.

Seeing Jian Dan's smile and gaze, Malicious Spirit felt as if his heart had been knocked by something.

"Master Spirit, since you're here, help me light the gas stove. I just need to stir-fry some sauce." Jian Dan looked at her coach expectantly.

By right, going by Malicious Spirit's personality, he would not help her. However, for some reason, he went to the gas stove and lit it.

"Master Spirit, stand at the back first. I'll..." Although the shape of the required ingredients that she had cut was a little ugly, it was still edible!

Five minutes later...

The fragrant fried sauce was out of the pot... She scooped the noodles into a bowl—scooped a spoonful of sauce on it—and added some strips of cucumber and carrot. The reason why they were strips? It was because she cut them a tad too thick!

"Master Spirit, my culinary skills are only so-so. On account of my hard work, try it!"

He looked at the bowl in Jian Dan's hand. The food in the bowl was really a little rough on the edges. But for some reason, he could not reject it. He reached out to take it—mixed it—and ate it. The taste was indeed so-so, but he cleaned the bowl nonetheless...

There was a strange feeling in his heart as he ate the noodles..

Chapter 312: Warm Birthday

"You're so kind! You finished everything?" She was very happy when she saw the empty bowl.

"Thank you!"

"No worries! I also baked you a cake! Gimme a sec!" She opened the refrigerator and took out the cake she had made earlier.

She put a candle on the cake—lit it with a lighter—and brought it to him. "Master Spirit, make a wish and blow out the candle!"

This girl was the first person to celebrate his birthday. He did not know how to describe this feeling.

nJ 11

“Close your eyes and make a wish. You can’t say your wish out loud. It won’t come true if you say it out loud!”

“Master Spirit, hurry up. I’ve already carried it for so long. I don’t want to do weight training today!”

He took the cake from Jian Dan... and accidentally touched her fingers.

“Hiss...”

This hiss made him sense that something was amiss! He pulled Jian Dan’s hand to his eyes and saw her red fingers from the burn. His heart felt as if it had been stabbed by something. It was very uncomfortable!

“I accidentally burned myself when I lit the fire just now. It’s fine. I’ll go home and apply some medicine.”

“Come here.” He held the cake in one hand and led Jian Dan into the house with the other...

He took the first aid kit on the table and began to treat Jian Dan’s wound.

When he was treating it, he felt inexplicably frustrated. Why was this girl so stubborn? She did not even tell him that she was injured.

Just as the cotton swab touched her fingers, she subconsciously wanted to pull her hand back because it really hurt!

“Don’t move!”

Why was he so serious?! It seemed like she had to improve the atmosphere.

“Master Spirit, you’ve always said that you know first aid. I didn’t have the chance to see it before, but I’ve finally seen it today. You’re really awesome!” She had wanted to improve the atmosphere, but for some reason, the atmosphere seemed to have become even worse...

“Then do you want to break your legs too? That way, you can see it even better!” His cold tone brimmed with anger.

What was wrong with him? Why was he suddenly angry?

“Master, no thanks. I still need my legs for the training.”

“Let me know the moment you get injured in the future!”

“Okay!” Seeing that he seemed to be really angry, she stopped joking and answered in all seriousness.

After he was done, he carefully bandaged the wound.

“Master, you did such a beautiful job with the bandage!”

After she said this, his face was still very long. Hence, she tactfully changed the topic. “Master, you haven’t made a wish yet.”

His gaze returned to the cake again and he whispered a wish in his heart. Then, he blew out the candle. The moment he blew out the candle, Jian Dan used her uninjured hand to get a piece of cake and smeared it on his face.

The moment she smeared it on his face, his expression was so cold that Jian Dan felt a little awkward. She did not know if he was angry again. He got angry for the strangest reason.

However, a smile appeared on that cold face half a minute later.

She had known him for about three months, but she had never seen a second expression on his face. She actually saw him smile today??

“Master Spirit, has anyone told you that you look very handsome when you smile?”

Although he was really handsome, he always had a glacial face that gave people the feeling of being distant.

But she saw another side of him today.

The smile on his face disappeared. “No!”

“Master, are you shy?”

“No! It’s getting late. You should go back!”

“Okay! I think it’s time for me to go.”

!”

“I’ll send you off.”

“Thank you!”

Malicious Spirit sent Jian Dan to the spot that he always sent her to every time and left...

## Chapter 313: Don't Forget Your Original Goal

Not long after he rode off, he stopped and turned to look at Jian Dan's back. His eyes—which were hidden under his helmet—revealed some strange emotions.

His heart had been behaving very strangely. When he saw her, his heart would inexplicably beat faster. When he saw her hurt, his heart would inexplicably become very frustrated. He did not know why he suddenly had such emotions.

He suddenly realized a terrifying thing. During the three months he had been with her, she had been training and learning every day. He seemed to have forgotten why he had gotten close to her back then.

After Jian Dan disappeared from his sight, he started the motorcycle and returned home. When he got home, he went straight to boxing... He did not wear any boxing gloves. He punched the sandbag with his bare fists non-stop, wanting to relieve his chaotic mood. However, his hands were bleeding, but his emotions were not relieved. Such uncontrollable emotions made him feel very uneasy.

It was as if only the pain in his hands could ease the feeling in his heart. He kept hitting until he had no strength to punch anymore. He lay on the ground with his arms spread out. His clothes were already drenched in sweat, and his chest was heaving very heavily. His hands were bloody. Because too much blood was oozing out, it was impossible to see how badly his hands were injured. Blood dripped from his hands to the ground...

As if he did not feel any pain, he let his blood flow without taking any measures. His empty and emotionless eyes already had impurities.

Malicious Spirit, don't forget your original goal. Don't forget everything you've suffered. Jian Dan is Just a tool to you. You must not have any feelings for her. You must not forget that you're here to seek revenge!

Jian Dan had wanted to go home, but she suddenly went to Qin Corporation on a whim. How long had it been since she went to Qin Corporation? If she did not show her face, would Wei Qianyi think that she had given her silent consent to let her do anything she wanted?

Hence, she had to show her face occasionally at Qin Corporation to stake her claim.

She took a cab to Qin Corporation and took the elevator to the 33rd floor...

She did not know if she was lucky or unlucky. As soon as she stepped out of the elevator, she bumped into Wei Qianyi who was about to go to Chu Liyuan's office with a document.

The moment Wei Qianyi saw her, her face fell. She looked at her as if she was her enemy. Although strictly speaking, Jian Dan was not her enemy, she was still a rival!

Looking at the way Wei Qianyi looked at her, she raised her chin high, as if she did not give two hoots about her.

I'm already an expert with all kinds of skills. Why should I be afraid of you?

She only took one look at her before walking out of the elevator towards Chu Liyuan's office. Just as she was about to open the door and enter...

"I'm sorry, but you can't disturb Liyuan while he's working."

"You mean you can go in but I can't?"

"That's right! You're with Liyuan. Don't you know Liyuan's habit when he's working?" Wei Qianyi looked at Jian Dan smugly as if she knew Chu Liyuan very well.

"Hmph! Looks like you're the one who doesn't know Uncle. I'll show you his habit now!" She walked past Wei Qianyi and opened the door to enter.

Wei Qianyi followed behind, looking like she was ready to watch a good show. Ever since she joined the CEO's office, she had been told to remember to knock on the door before she entered. Otherwise, the consequences would be very tragic. She had also tried it before. Perhaps she felt that she had a good relationship with Chu Liyuan, so she did not knock on the door once and just entered. She was coldly chased out by Chu Liyuan. She was not allowed to step foot in the CEO's office for a few days after that, so she was traumatized from then on. She definitely did not dare to open this door without knocking again.

He did not hear the knock on the door, but heard the sound of the door opening. Ever since he punished Wei Qianyi for not knocking the last time, no one dared to enter his office without knocking. Hence, the only person in this world who dared to enter without knocking was his lass. There was no one else.

He looked up. Indeed, he saw Jian Dan who had a sweet smile on her face.

Wei Qianyi—who was waiting to watch a good show—saw that not only was Chu Liyuan not angry, but there was also a smile on his face.

“Jian Jian!” He got up and walked over to her, gazing at her...

Chapter 314: See that? This Is Uncle's Habit!

She opened her arms and hugged Chu Liyuan's waist. She rested her chin on Chu Liyuan's chest and said, “I'm here to pick you up from work!” Here, choke on some PDA!

“Why are you so good today?” He caressed Jian Dan's head and gazed at her dotingly.

“If you like it, shall I come and pick you up from work when I have time in the future?”

“Okay!”

“Hehe!”

“I still have some work to finish up. Give me a minute!”

“Okay! I’ll go get a glass of fruit juice. Uncle, go ahead!”

“Okay!”

After watching Jian Dan leave, Chu Liyuan returned to his desk to work.

After leaving the office...

“See that? This is Uncle’s habit!” She turned around and went to the pantry.

Wei Qianyi cast a vicious look at Jian Dan...

She gritted her teeth and muttered fiercely to herself, “Jian Dan, I will definitely let you know that I am the one who can stand beside Liyuan, and you...” A faint murderous intent surfaced on her face.

Jian Dan went to the pantry and brought two glasses of fruit juice back to Chu Liyuan’s office. She did not disturb him and sat in the rest area with two glasses of fruit juice. She sat on the couch and drank the fruit juice while admiring Chu Liyuan’s perfect side profile.

To be able to enjoy such a perfect side profile... She would not feel bored even if she sat here for an entire day!

How could there be such a handsome man in this world? And such a handsome and perfect man was her hubby. He belonged to her and her only.

At the thought that she would have this man to herself in the future, she could no longer hide her happiness and her face brimmed with a blissful smile.

Chu Liyuan—who had been hard at work—felt Jian Dan’s burning gaze. He looked up and met her eyes. In an instant, sparks appeared in his eyes, forming a magnetic field that no one could approach.

He had not been intimate with Jian Dan for six months, and had been suppressing it. Yesterday, he had finally survived the last day of the six months. When he saw Jian Dan gazing at him like this, he felt his throat tighten...

This lass was teasing him...

Jian Dan was shouting that she was wronged! I swear that I was really just admiring him. I definitely didn't have any intention of teasing him.

When he felt that his desire was about to explode, he decisively shifted his gaze away from Jian Dan and continued working...

But his thoughts were: Watch how I deal with you tonight. I have to get back what you owed me for the past six months.

Jian Dan did not know what Chu Liyuan was thinking because she had not noticed that six months had already passed so quickly. She came here today on a whim and did not expect that it was the first day after the six-month hiatus.

However, Chu Liyuan did not think that way because he did not believe in coincidences! Hence, to him, this was an invitation...

Although he was working now, his mind was already starting to wander, especially to that time when Jian Dan danced in sexy lingerie to spice things up.

He hurriedly wrapped things up. Although it was not time to get off work yet, he left the office early with Jian Dan...

Perhaps because it was not time to get off work yet, there were not many cars on the road. Soon, they returned to Li Garden...

She walked in front of Chu Liyuan, wanting to quickly go in and get Mrs. Jin to cook... However, before she could walk into the house and speak to Mrs. Jin, Chu Liyuan carried her princess style all the way upstairs to the bedroom.

“Uncle!” Because she did not realize that it had been six months, she did not know what Chu Liyuan wanted to do.

However, how could Chu Liyuan give Jian Dan a chance to speak? He sealed her red lips. As the kiss deepened, his hands started to wander...

He no longer needed to suppress his desires anymore...

Chapter 315: Famished

“Mmm... Uncle... It has been six months?”

“Yesterday was the last day.”

“You remember it so clearly?” She did not expect him to remember it so clearly; he even remembered the date.

So I took the initiative to throw myself at him today? At the thought of this, her face turned red...

Seeing that Chu Liyuan was about to continue, she pushed his chest with both arms. “Uncle, I haven’t eaten yet. I’m famished!”

“I’ve been famished for far too long...” He took Jian Dan’s hands off his chest and captured her lips again. This time, he did not give Jian Dan a chance to escape. He got it on with Jian Dan right on the floor.

However, this was just a small appetizer... Just as he was about to continue, he heard Jian Dan's stomach growl. Hence, he could only endure it and go downstairs with her to have dinner first. After dinner... it was another night of passion...

In the end, he only let Jian Dan go because she was so exhausted that she fell asleep...

When she woke up the next day, she realized that the room was in a mess. Some embarrassing scenes flashed in her mind. She covered her face and shook her head. Through the gaps between her fingers, she saw that it was already past 9 a.m...

Oh my God! I'm late. She forced herself to get changed and went out without even having time to eat breakfast...

When she arrived at the spot where she had agreed to meet her coach, it was already 9:40 a.m. She panted and apologized, "Master Spirit, I'm sorry for being late!" She had only used less than 10 minutes to run from Li Garden to here. It was already very fast.

"You..." Just as he was about to say something, he noticed the hickeys on Jian Dan's neck. His eyes instantly darkened and there was even a flash of danger.

"Master Spirit, what happened to your hands?" After she caught her breath, she saw that his hands were bandaged in gauze, and blood was seeping out of the dressing.

He was fine when she left yesterday. Why was he suddenly injured?

When he was on the way, he had already mentally prepared himself in advance. He told himself that he had to remember his goal and definitely not waver from it again.

When he got here, Jian Dan was late... He hated people who were not punctual. Then, he saw the hickeys on Jian Dan's neck and felt very unhappy. Although he was unhappy, he was very relieved. This way, he would not waver anymore. However, after all his psychological construction, he was wavering again because of Jian Dan's concern...

This made him feel an unprecedented sense of danger. He really must not let himself go on like this anymore, so he had to school his emotions. Hence... "I wanted to tell you today that I have to go away for a while, so your training will be delayed."

"When will you be back?"

"Not sure yet!"

"Looks like you'll be gone for a long time!"

"I don't know!"

"Okay! When will you leave?"

"Now."

"You're leaving now?"

"Yes!" Seeing that he was about to start the motorcycle and leave...

"Master Spirit, wait for me here!" She ran to the other side of the road.

About 10 minutes later, she returned with a small plastic bag.

"Master Spirit, come here!" Jian Dan led him to sit on the steps by the roadside and took out the gauze she had just bought from the bag.

"What for?"

"Your dressing is already dyed red with blood, and you're about to leave, so I'll help you change it!"

She gently removed his dressing. When she saw the wound on his hands, she gasped. "Why are your hands so seriously injured? How did it happen?"

Seeing that he had looked away, she disinfected his wounds with iodine. Just as the iodine touched his hands, Jian Dan's facial features twisted together. "Does it hurt?"

He still had that indifferent expression on his face...

He shook his head. He only knew how to put on a brave front. It would definitely hurt like hell if she was injured like this.

As she disinfected his wounds, she blew on the wounds to help ease the pain.

Looking at Jian Dan who was applying medicine on his hands earnestly, ripples kept lashing in his heart...

If this continued, he might really fall for her.

After disinfecting the wounds, she gently applied the anti-inflammatory ointment and bandaged his hand with gauze.

Soon, both hands were done...

"How is it? Master Spirit, my skills are not bad, right?"

"It's alright!" He suppressed the strange emotions in his heart.

"That's because my coach is awesome! This is called a like teacher, like student!"

She had to suck up to him before he left.

“Master Spirit, you have to come back early! Remember to tell me when you come back. I can go to your place in advance to air your place.”

“Bye!” If he did not leave now, he might really not be able to leave...

He started the motorcycle and rode away without looking back. After riding for a distance, he heard Jian Dan shouting to him from behind, “Master Spirit, be careful and come back early!”

He forcefully controlled his desire to turn back and sped away...

Chapter 316: Looks Like I Didn't Teach You A Good Enough Lesson!

Mengjiao's belly was getting increasingly bigger and her due date was getting closer. As the days passed, the anticipation became more obvious...

Would Mengjiao's baby be a boy or a girl? Would it resemble the mother or the father? How heavy would it be?

Jian Dan's favorite thing to do now was to lie on Mengjiao's belly and feel the baby's movements.

Every time she leaned against Mengjiao's belly to listen to the baby's movements, Li Jing would say jealously, “You make it look like you're the baby's father.”

“I'm really not bragging to you. But if I were a man, do you think you still stand a chance?” Jian Dan retorted.

Li Jing was speechless...

Mengjiao looked at the two of them with a smile.

“Since you like babies so much, hurry up and have one with Mr. Chu!”

“Do you think I don’t want to? But it’s not like I have control over such matters!”

This kind of thing could not be forced! Mengjiao and Li Jing hit the jackpot at the first strike, but she had been married to Chu Liyuan for more than a year now. They did not take any protective measures, but there was still no news. Hence, she could only let nature take its course...

“Hurry up and go to work!” Why didn’t she realize that he was so talkative before?

“Alright, I’ll go to work first. Call me immediately if there’s anything!”

“Don’t worry!”

After Li Jing went to work, Jian Dan helped Mengjiao to take a walk in the courtyard. The doctor said that taking more walks would help with the delivery!

As they walked, Mengjiao’s cell phone rang...

It was a call from the school. They said that there was an urgent document that Mengjiao needed to sign at the school, and she had to go over today.

She had no choice but to accompany Mengjiao...

Zi Yan was free today, so Jian Dan gave Zi Yan a call and asked her to send the two of them over because she had absolute confidence in Zi Yan’s driving skills.

Zi Yan quickly drove to the family residence to pick them up. In order to protect Mengjiao, Jian Dan and Mengjiao sat in the back.

On the way...

Her gossipy self was acting up again.

“Zi Yan? How are things with Lu Ting and Sizhe recently?”

“Not much!”

“Then who exactly do you like?”

“Jian, Zi Yan will be embarrassed if you ask so directly!” Mengjiao said.

“Okay! Then I’ll be more tactful. Who does Zi Yan favor more?”

Zi Yan shook her head without saying anything...

Zi Yan’s progress with Sizhe and Lu Ting was too slow. However, Zi Yan’s personality was indeed slow to warm up. There was no way to force such a thing, so they could only let nature take its course.

Soon, the three of them arrived at campus. Jian Dan and Mengjiao went to the Academic Affairs Office together while Zi Yan waited for them in the car.

It was only a signature, so it did not take long and they left the Academic Affairs Office...

Pregnant women peed a lot, so they went to the washroom. Jian Dan waited for Mengjiao at the door. Now, she did not dare to leave Mengjiao alone.

The two of them had just stepped out of the washroom when they bumped into the person they least wanted to bump into. J University was not small either! Why did they always bump into one another? They had not been on campus for a long time, but they bumped into her the moment they arrived. What bad luck!

Shen Jiaqi looked at the two of them with a scrutinizing expression, especially when she saw Mengjiao's belly. Her face brimmed with disdain. "Oh! No wonder you dropped out of school. So you got knocked up?"

Hearing Shen Jiaqi use such a sarcastic tone to describe Mengjiao and her pregnancy, how could Jian Dan tolerate it?!

"Looks like you've forgotten the lesson the other time," Jian Dan said coldly.

"I'm just stating the facts. Why? Can't I even tell the truth?"

"Mengjiao only got pregnant after getting married! Do you think everyone is like you who sleeps around?" Jian Dan said bluntly.

She must not show Shen Jiaqi any respect.. She was a classic example of bullying the weak and fearing the strong!

Chapter 317: Looks Like You Really Think Your Life Is Too Comfortable!

"Jian, why are you wasting your breath on her? Let's go!" Mengjiao obviously did not want to have anything to do with her.

"Okay!" She helped Mengjiao and turned to leave.

However, some people just liked to court death and find trouble for no reason.

Shen Jiaqi was adamant in getting in their way. As they pushed each other out of the way, Mengjiao accidentally crashed into the wall. "Ow! My tummy" "Mengjiao, how are you?"

"Jian, my tummy hurts!" Mengjiao clutched her belly. Beads of sweat covered her forehead. It was obvious how much pain Mengjiao was in.

“Oh my God! This is...” There was a lot of water flowing out from Mengjiao’s lower body. Jian Dan was at a loss for what to do.

“Jian, my water broke.”

“Your water broke? Is the baby coming?” She had checked online previously—it seemed that when the water broke, it meant that the baby was coming.

Mengjiao was in so much pain that she could not speak.

“But it’s not the due date yet. Why did it suddenly break?” She did not know what to do in this sudden situation. In her moment of desperation, she could only think of one thing and that was to call Chu Liyuan.

“Hello, Uncle!”

When Chu Liyuan heard Jian Dan’s slightly crying voice from the other end of the call, he frowned.

“What’s the matter?”

“Uncle, something happened to Mengjiao. Her water broke. I don’t know what to do. What should I do? What should I do to help Mengjiao?” She was completely flustered.

“Jian Jian, don’t be anxious. I’ll take care of it!”

“Uncle! Boohoo...”

After hanging up, Chu Liyuan called Zi Yan and told her to pick up a doctor from the nearest hospital from J University. He had already made the arrangements.

Jian Dan said that Mengjiao's amniotic fluid had already broken; she might not be able to wait until they get to the hospital, so he asked the doctor to rush over.

After everything was arranged, he put aside his work and called Li Jing. The two of them rushed to J University together.

When Li Jing heard the news of Mengjiao's accident, he was very anxious. Along the way, his palms were sweating non-stop, and his heart was in his mouth...

"Mengjiao, you must hang in there. Everything will be fine!" Tears flowed uncontrollably from Jian Dan's eyes...

Shen Jiaqi was also taken aback. She did not expect things to turn out like this.

"Shen Jiaqi, it seems like you really feel that your life is too comfortable!"

Resentment flashed in Jian Dan's eyes.

"Jian..." She heard Mengjiao's weak voice.

Jian Dan held Mengjiao's hand tightly. "Mengjiao, I'm here! Hang in there. The doctor will be here soon."

"My... baby!"

"Jian!" Zi Yan walked in with a few doctors in white coats.

"Zi Yan!" Zi Yan was like an angel. Jian Dan finally saw her savior. "Doctors, hurry up and take a look at her. Please save her. You can't let anything happen to her, okay?" She was really terrified. Her whole body was trembling.

“Don’t worry, we’ll do our best!”

Not only did Chu Liyuan get the doctors, but he also arranged an infirmary on campus to be a temporary delivery room. They carried Mengjiao to that infirmary... Then, Zi Yan and herself were invited out. The doctors stayed inside to deliver Mengjiao’s baby...

Waiting outside was definitely a very torturous thing. She did not know how Mengjiao or the baby was doing. She was worried sick.

It broke her heart to hear Mengjiao’s heart-wrenching screams from the room but she could not help at all. She could only stay here and worry!

Just then, Chu Liyuan and Li Jing finally rushed over...

“Where’s Mengjiao? Is she alright?” Li Jing rushed up to Jian Dan and asked anxiously.

“She’s still in there!”

Li Jing rushed to the door and looked around, trying to find a way to see what was going on inside.

“Jian Jian, it’s okay!” Chu Liyuan hugged her tightly.

“Uncle! Boohoo...” She burst into tears in Chu Liyuan’s arms..

Chapter 318: Promoted to Godmother

“When I left this morning, Mengjiao was still fine. Why did her water suddenly break?”

Li Jing suddenly asked.

Jian Dan had also recovered a little. When she came out of Chu Liyuan's arms, her eyes were filled with coldness. She was really too kind to Shen Jiaqi.

"Mengjiao was pushed against the wall. That's why her water broke!"

"Who did it?" It was the first time she saw ruthlessness in Li Jing's eyes.

How could he let go of the person who dared to hurt Mengjiao? He had to make that person pay!

"Shen Jiaqi! I won't let her off this time."

"This time?" Chu Liyuan heard this keyword. "Did she cause trouble for you guys in the past?"

She took a deep breath and did not speak. But from her expression, it was obvious that this was not the first time.

He did not expect that there would be someone in school who would find trouble with Jian Dan.

Since she dared to cause trouble for Jian Dan, this person must be very bold. Moreover, he had hurt Jian Dan's friend and dared to make Jian Dan cry. He could not even bear to let Jian Dan cry. This person was really bold!

While waiting, Chu Liyuan had already done a deep dive on Shen Jiaqi.

If he had not investigated, he would not have known that they had known each other since they were young. Furthermore, she had started to find trouble with Jian Dan since they were young. It was also because of her that Jian Dan was despondent for a year. When they met again now, she kept finding trouble with Jian Dan.

Jian Dan was kind to let her off again and again, but he was not so kind. He would not let off anyone who hurt Jian Dan.

An hour had passed... Finally, the sound of a baby crying could be heard from the infirmary...

The moment she heard the baby's cries, the tears that had already stopped burst out again. "The baby's here! Uncle, the baby's here!" These were tears of joy.

Li Jing rushed forward...

The infirmary door was slowly opened and a doctor walked out with a baby in his arms.  
"Congratulations, it's a boy!"

"How is Mengjiao?"

Li Jing's reaction made her very happy. It seemed that the man Mengjiao chose was really not bad. He ignored the baby in the doctor's arms and asked about Mengjiao first! Such a man was husband material.

"Don't worry! Mom is fine. She's just exhausted! Let's transfer the two of them to the hospital now!"

Li Jing carried the baby from the doctor...

Chu Liyuan and Jian Dan also stepped forward... "Wow, so cute!"

The baby in Li Jing's arms was so small. His skin was fair, his eyes were big, and his eyeballs were black. His nose was high, and his mouth was curled up. However, all his facial features were small and very cute. The moment she saw him, she felt that her whole heart was about to melt.

"Uncle, look at him. He's so cute!"

He had thought that Jian Dan was still a kid, but when he saw her emitting a motherly aura, it seemed that she would be a very good mother in the future. "Yes! He's very cute!"

The hospital sent an ambulance to take Mengjiao and Li Jing to the hospital.

Chu Liyuan and Zi Yan went on their own...

Before going to the hospital, she had to deal with Shen Jiaqi first...

Since his lass wanted to take care of it herself, he was happy to see it happen. He only needed to stand behind Jian Dan and be her backing. THIS CHAPTER IS UPDATE BY NovelFire.net

The three of them went straight to Shen Jiaqi's dormitory...

She did not go upstairs. Instead, she contacted her dormitory through the telephone downstairs. "Shen Jiaqi, I'll give you one minute to come downstairs. Otherwise, I can't guarantee the consequences." She hung up without waiting for Shen Jiaqi to answer.

Shen Jiaqi appeared in front of the dormitory building within a minute.

"What do you want?"

"What do you think I want? You have to pay for what you did!"

"I... but I really didn't do it on purpose!"

In fact, she had never been ruthless to Shen Jiaqi because she knew that she was a person who looked strong on the outside but was weak on the inside.

"You didn't do it on purpose? If something had happened to Mengjiao and the baby today, would you be able to resolve it just by saying that you didn't do it on purpose?"

"Then... what do you want?"

“Don’t worry, I won’t do anything to you, but others can. I’ve already called the police, and you’ll be punished accordingly.”

“I hope that after this incident, you can finally change your personality and stop doing things that harm others without benefiting yourself!”

Looking at Shen Jiaqi—who was taken away by the police—and thinking about the good times the three of them had in the past, Jian Dan really felt as if a lifetime had passed. She hoped that from this moment onwards, things between them could really come to an end..

Chapter 319: Harmonious Relationship Between Mother- in-law and Daughter-in-law!

After taking care of Shen Jiaqi, the three of them rushed to the hospital. When they arrived, Mengjiao was already awake...

Li Jing’s parents and Mengjiao’s mother, brother and Granny Xia had also rushed over...

In the ward...

Mengjiao had yet to recover her strength, so she was lying weakly on the hospital bed. There was a bassinet beside her bed, but the baby was not in the bassinet at the moment. Instead, he was in Granny Xia’s arms!

“Jian, it’s all thanks to you today. I owe you one again,” Xia Zijie said to Jian Dan.

“What owe me one? Mengjiao is my best friend and this is my godson. This is what I should do! If you talk about owing me again, I’ll fall out with you!”

She went over to Granny Xia and looked at the baby in her arms. He had two big black eyes and a small nose. As he did not have teeth in his mouth, Jian Dan could see his little tongue when he smiled. His two small hands were waving around non-stop. He looked extremely cute.

“Little Dan, do you want to carry him?” Granny Xia asked Jian Dan.

“Can I?”

“Of course!”

“But I’ve never carried a baby before. I don’t know how to carry him.”

“Carry him like this. Support the baby’s neck with one hand and the baby’s butt with the other!”

Under Granny Xia’s guidance, she carried the baby into her arms. The moment she touched the baby, she forgot to breathe...

The baby was so small and soft. The feeling of carrying him was very strange. There was an indescribable feeling in her heart.

“Uncle, look. He’s so cute!” She carried him and walked over to Chu Liyuan.

Seeing how happy Jian Dan was... It seemed that it was really necessary to speed up this agenda posthaste.

After carrying him for a while, she handed the baby to Granny Xia...

She sat beside Mengjiao’s bed. “Mengjiao, you’re so great!”

“You can do it in the future too!”

“Me? I hope so!”

“Erm...”

“You want to ask about Shen Jiaqi?” Judging from Mengjiao’s expression, she knew what Mengjiao wanted to say.

Mengjiao nodded.

“I called the police! What she did this time was too much. We can’t let her off anymore. We’ve already let her off too many times.”

Fortunately, Mengjiao and the baby were fine. Otherwise, Jian Dan he would definitely live in regret.

“Mengjiao, don’t worry about it. This is the price she should pay!” Li Jing pulled Mengjiao into her arms and said angrily.

Fortunately, Mengjiao and the baby were fine. Otherwise, why would he hand her over to the police so simply?

“That’s right! Mengjiao, don’t think about it anymore. The most important thing for you now is to recuperate!”

“Alright! I’ll listen to you guys!”

“That’s good!”

Because Mengjiao’s mother was not in good health, Li Jing’s mother took the initiative to stop her from taking care of Mengjiao during her confinement period... From this, it could be seen that Li Jing was really a husband worth marrying. Since his family was so good to her, it would definitely be the happiest family if the mother-in-law and daughter-in-law could get along well.

In order to let Mengjiao rest, Jian Dan, Chu Liyuan, and Zi Yan only stayed for a short while before leaving...

The moment Zi Yan stepped foot into the hospital, she had already been abducted by Sizhe. Hence, Jian Dan was alone with Chu Liyuan on the way back.

“Mengjiao is so happy! I’m so glad to see her so happy!”

“Really?”

“Yeah! I didn’t expect Li Jing’s mother and father to be such good people. What women are most afraid of when they get married is the poor relationship between mother-in-law and daughter-in-law. But from the looks of it today, it seems like that won’t happen!” Not everyone would take care of their daughter-in-law during her confinement, so...

From the corner of her eye, she saw that Chu Liyuan’s expression was a little... Was Uncle even jealous of such a thing?!

“But... Mengjiao can only be ranked second because you’ve already firmly occupied the first place!”

Although he could tell that Jian Dan’s words were very spontaneous, it was like music to his ears!

Chapter 320: Shopping With Best Friends!

It had been a month since Mengjiao gave birth. During this month, she often went to visit her and the baby. She even bought a lot of very cute clothes and shoes for the baby.

Mengjiao’s confinement period was finally over today. She had stayed at home for an entire month and felt that she was about to grow moldy. Hence, she could not wait to ask Jian Dan out after her confinement...

She was indeed Jian Dan's best friend! She could not stand being at home for so long either!

Of course, Jian Dan was elated to receive Mengjiao's invitation! Ever since Mengjiao got pregnant, she had not gone shopping with her. She had to do it today...

"Uncle, I want to go shopping with Mengjiao today!" She skipped over to Chu Liyuan excitedly.

"You're going to abandon me?"

"Uncle... Mengjiao's confinement is over today. I haven't gone shopping with her for a long time. Uncle, can we change our plans to tomorrow?"

She was supposed to go on a date with Chu Liyuan today, but...

She saw that Chu Liyuan's face had turned very dark.

She immediately hugged Chu Liyuan's arm and kept shaking it. "Uncle, Uncle! You're the best. Please? Why don't you make a request? I'll do it 100%, okay? Pretty please, Uncle?" She blinked her big eyes like a child and looked at Chu Liyuan pitifully.

Seeing Jian Dan's expression, his heart had long melted. How could he reject her?/However... he could give the request that she was willing to fulfill 100% some serious consideration though.

"Okay!"

"I knew it—Uncle, you are the best! Muack!" She wrapped her arms around Chu Liyuan's neck and kissed him hard on the cheek.

Then, she skipped upstairs to choose clothes...

Very quickly, she changed into a simple white T-shirt and a pair of jeans and was on her way out. On the way downstairs, she passed by Zi Yan's room and saw that it was not closed.

After thinking for a while, she gently knocked on Zi Yan's door. "Zi Yan!"

"Looking for me?"

"What are you doing today?"

"Nothing!"

"Then come shopping with Mengjiao and me! It's so boring for you to stay at home every day!"

"Oh! Hurry up! Get changed!" Without giving Zi Yan a chance to refuse, she pulled Zi Yan up from the chair.

Just like that, Zi Yan reluctantly got changed and went out with Jian Dan.

Seeing that Zi Yan was going with Jian Dan and Mengjiao, Chu Liyuan was very supportive. With Zi Yan around, he did not have to worry about Jian Dan's safety...

The three of them arranged to meet at Times Square.

When Jian Dan and Zi Yan arrived, Mengjiao had already arrived. "Mengjiao, you're really very bored at home, huh? Why are you here so early?"

"Exactly. I'm finally free! Zi Yan, you're here too!"

“Then let’s relax today!”

“Let’s go!” The three of them walked towards the shopping mall. Of course, best friends have to hold hands when they went shopping together! She and Mengjiao held hands. Just as they were about to hold Zi Yan’s hand, they realized that Zi Yan had already walked off...

It seemed that Zi Yan was still not used to the feeling of being with friends. It seemed that she had to ask Zi Yan out more often to shop in the future.

The two of them quickly caught up to Zi Yan and held her arm without saying a word.

Jian Dan’s sudden action stunned Zi Yan on the spot. She looked at Jian Dan doubtfully.

“What? This is the standard gesture for best friends when shopping!” She looked at Zi Yan and said with a smile.

“Let’s go!”

The three of them held each other’s arms and walked towards the mall...

Zi Yan felt very awkward being held like this, but she did not resist in her heart. Instead, she was a little happy! It felt so good to have friends!

Because the three of them had not had lunch yet, their first stop was to eat.

The three of them came to a kebab place. As Chu Liyuan usually did not allow Jian Dan to eat such heavy-tasting food, she could finally satisfy her cravings today when Chu Liyuan was not around!

“Wow! It smells so good!” She took a skewer—took a bite—and chewed with contentment...

“It’s so yummy. I’ve been eating very light food for the past month. Now, I finally get to eat delicious food again!” Mengjiao had a look of contentment as well.

On the other hand, it was Zi Yan’s first time eating this kind of food and she did not know how to start. But when she saw Jian Dan and Mengjiao eating happily, she reached out for a skewer and took a bite slowly... She felt her taste buds instantly blossom, and then she could not stop...

“Zi Yan, is it good?” Mengjiao asked when she saw Zi Yan’s appetite.

“Yes!”

Another otherworldly person had been corrupted by them...
