

## **The Beloved 331**

Chapter 331: We Have to Be Together Forever and Ever!

After taking her shower, Jian Dan went to Zi Yans room while Chu Liyuan was showering

She sat on the bed and looked straight at Zi Yan, wanting to see something from her face.

Zi Yan was a little scared at being stared at like this. Jian, what are you doing?

Zi Yan, were you charmed by Sizhes handsome actions today? Since Zi Yan had already asked her, she did not want to beat around the bush.

What are you talking about? Zi Yan said, avoiding Jian Dans eyes.

Looking into Zi Yans eyes, she knew that Zi Yan must have been charmed. Otherwise, why wouldnt she dare to look into her eyes and say it?

Youre still denying it? I saw it very clearly!

What did you see?

Seeing Zi Yans embarrassed expression, she snickered and said, Of course I saw everything!

When Sizhe was saving that boys life The way you looked at him! His actions! His expressions!

I didnt! Zi Yan denied again.

Forget it. This was Zi Yan's first time understanding relationships, and there were two of them at once. It was understandable for Zi Yan. To be honest, Sizhe was really an outstanding guy, but Lu Ting was not bad either! It was really a difficult choice!

It was better to leave such a difficult choice to Zi Yan!

When Jian Dan returned to her room, she did not see Chu Liyuan in the room and there was no sound in the bathroom. Where did Uncle go? Could he

Just as she was thinking about it, somebody suddenly appeared behind her and hugged her. He pressed his mouth to her ear and asked softly, Where did you go?

Her ears itched and she felt half of her body go numb. She shrank her neck. I went to Zi Yan's room just now!

To do what?

Just a chat!

What did you chat about?

This is a secret between girls! I can't tell you!

Up to you. Have you forgotten that there's one more thing you haven't done?

Huh? What is it?

A devilish smile appeared on Chu Liyuan's face as he carried Jian Dan princess style. Make a baby!

Hmm? Mmm

She looked at Chu Liyuans handsome face every day, but she was still stunned every day.

The first thing she saw when she opened her eyes was such a handsome face. She was really very blissful. Looking at Chu Liyuans sleeping face, she gently planted a kiss on his cheek. Then, she gently removed the arm that was resting on her body and tiptoed to the bathroom to wash up.

When she came out, Chu Liyuan had not woken up yet. This was the first time she had seen Chu Liyuan sleeping so soundly. Looking at the corners of Chu Liyuans lips curling up slightly Was Uncle dreaming? From the looks of it, it was probably a sweet dream! She wondered if she was in the dream.

At the thought of this, a smile appeared on her face.

She got changed and went downstairs.

Before she reached downstairs, she had already caught the fragrance of the food from the stairs. Mrs. Jin, what are we having today? It smells so good. I can smell it even from here.

Its wontons!bender

Wontons?! No wonder it smells so good.

She quickened her pace downstairs and looked at the steaming bowl of wontons. Her stomach started kicking up a fuss.

Such delicious wontons They would definitely taste even better eating with Uncle. Mrs. Jin, Ill go get Uncle. She got up and was about to go upstairs. But as soon as she got up, she seemed to have thought of something. She turned around and looked at the wontons on the table. The corners of her lips curled up slightly. Mrs. Jin, get me a small bowl!

Mrs. Jin took a small bowl from the kitchen and handed it to Jian Dan. What are you doing with that small bowl?

Wake Uncle up, of course! She scooped a few wontons from the big bowl into the small bowl. Then, she carried the small bowl upstairs.

She gently opened the door and saw that Chu Liyuan was still asleep. She carefully walked to the side of the bed and brought the wontons near Chu Liyuan, blowing the fragrance of the wontons towards him

Seeing Chu Liyuan slowly open his eyes, a sweet smile appeared on her face. Sure enough, no one can resist the charm of food!

You naughty lass You interrupted my sweet dream just like that!

Uncle, you were really dreaming just now? What were you dreaming about? I saw you smiling very happily just now!

I dreamed that you gave birth to a soccer team for me!

What?!

Haha!

Uncle, get up quickly! Otherwise, the wontons will be cold!

Looking at Jian Dans back view as she ran away, Chu Liyuan smiled.

He was indeed dreaming just now, but it was not what he had just said. Instead, he dreamed that his and Jian Dans hair had already turned white, but they were still holding hands and hugging each other on the bench to watch the sunset every day.

Being able to grow old with Jian Dan would be the happiest thing in his life

If there was really a next life, he definitely would not drink Granny Mengs soup because he did not want to forget everything with Jian Dan. Moreover, she wanted to be with Jian Dan in his next life and be together forever and ever..

Chapter 332: Its Better If You Dont Harm Others!

She returned downstairs and sat at the dining table, waiting for Chu Liyuan to come downstairs and eat with her

Why havent you started? Chu Liyuan came downstairs and saw that Jian Dan had not eaten.

I want to wait for you!

Why are you so good today?

Uncle, do you mean that I was not good in the past?

What do you think?

I After thinking about it, it seemed to be true So the words that were about to come out of her mouth were forcefully swallowed back.

I want to eat wontons!

Looking at Jian Dan eating the wontons with her head lowered, he smiled and patted her head.

As Jian Dan ate, she scrolled through her cell phone Suddenly, a piece of news barged into Jian Dans sight, making her swallow a wonton without chewing. If not for the fact that this wonton was relatively small, she would have definitely choked on it.

Although she did not choke, she still felt a little uncomfortable and coughed

Eat slowly. No one is going to steal it from you! Seeing that she had choked, Chu Liyuan reached out and caressed her back.

No! Uncle, read this! She handed her cell phone to Chu Liyuan.

Chu Liyuan frowned when he read the news

The news was: The four men they sent to the police station yesterday were all killed on the way to the police station last night. Moreover, all the entertainment venues that the man owned had been set on fire last night. Of course, there were no casualties at the scene.

However, this matter was so coincidental that Jian Dan did not believe that there was nothing fishy about it!

Uncle, did you She said worriedly.

No!

No? Then who could it be?

Is there anyone else in this world who treats me so well other than you?

How do you know that it must be related to you?

Its very normal for people like them who are in the underworld to get into trouble!

But this is too much of a coincidence! He just had a conflict with me yesterday, and all these happened?

Maybe its really just a coincidence?

No! I think someone might be secretly in love with me. They saw that I was aggrieved, so they wanted to help me seek revenge! She spouted nonsense in all seriousness. After saying that, she even stole a glance at Chu Liyuan.

Do you have some misunderstanding about yourself?!

Uncle, what do you mean by this?

Other than me, who else in this world would take a shine to you? You're not very pretty, and you're always getting into trouble!

Uncle, you think that no one will take a shine to me, right?

I just think that it's better if you don't harm others; just harm me alone!

Uncle, am I like this in your heart?

I just think that you're really good at causing trouble. Moreover, you always manage to get yourself injured. There's probably no other man in this world who has a strong heart like me and can take it.

Therefore, you should just stay by my side obediently!

Uncle, are you praising me or mocking me?

It doesn't matter either way! Because I like you no matter what!

Uncle, why did you start spouting sweet nothings so suddenly? Your heart is strong enough, but mine isn't. I can't take it. Can you please let me know in advance next time?

Im afraid not! Because I dont feel that they are sweet nothings; they are my heartfelt words, So you might have to learn to get used to them.

Uncles moves were really getting progressively better. He was really getting progressively proficient at flirting with girls. It was so early in the morning, but he was already making her blush and her heart beat faster with just a few words!

Get used to them? How do I get used to them?!

Forgetit, HI eat wontons!bender

She lowered her head and started eating the wontons

Looking at Jian Danwho was eating wontons with her head lowereda smile appeared on his face again.. However, when he saw the news on Jian Dans phone, he frowned slightly because he did not believe that this was a coincidence!

Chapter 333: The Return of the Best Actress

She did not take this morning's episode to heart and quickly forgot about it. However, Chu Liyuan took this matter to heart but he did not find any clues after investigating for a long time.

In the end, he could only let it go...

One day, Jian Dan suddenly received a call from Yujin. "Hello, Yujin. How does a busy bee like you have the time to call me?" She had not received a call from Yujin for a long time, let alone meet her. This was because Yujin had been very busy recently; her schedule was even more packed than Fang He's.

Hence, it was easier to get a date with the President than to see her!

"I just got back from France!"

“I know! You went to receive an award! For Best Actress!”

“I’ve been globe-trotting for the past few months and up to my eyes in work. I’m finally going to start shooting a new movie. Do you want to come over and visit me on set?”

“Visit you on set? Sure! I haven’t seen you for so long. I miss you so much!”

“Then I’ll prepare delicious food and wait for you!”

“Okay!”

It had been a long time since she last saw Yujin. She had only heard about her from the news.

Ever since Yujin became famous, her popularity soared by the day, so she became progressively busy. She was so busy that they did not even have time to shop and eat together.

Hence, she was very happy when she received Yujin’s invitation. She got changed and left...

She took a cab to the address that Yujin had sent her.

When she arrived, she saw that the venue was surrounded by a group of fans. How could she enter?/However, for this long-awaited meet-up, she could only...

She finally squeezed her way to the front with all her might. When she reached the front, she realized that the area was cordoned off. She was instantly speechless.

Just then, she saw someone. She had seen this woman on the news before—she was Yujin’s assistant. “Hey you! Over here!” She did not know her name, so she could only call out rather rudely.

“You called me?” The woman asked with a look of displeasure.

“Yes! I’m Yujin’s friend. Can you bring me in?”

“Hmph! Everyone here says that they’re Yujin’s friends. How can Yujin have so many friends?! If you want to see Yujin, just say it. Why make up such a lousy excuse?!”

“I’m really Yujin’s friend. She asked me to come over!” She said patiently.

If not for the fact that you’re Yujin’s assistant, would I still talk to you so nicely with my bad temper?

“Hmph!” She sneered and left.

This attitude made Jian Dan really angry. However, there were so many people, so she held it in... Initially, she did not want Yujin to come out. But, it seemed unrealistic now.

Helpless, she could only call Yujin. “Hello, Yujin. I’m already here, but I can’t go in!”

“Oh! I’ll get my assistant to bring you in!”

“Please don’t! I bumped into her just now and was taunted by her! You’d better get your manager to bring me in! I know her!”

Jian Dan had met her once during the handover.

“Okay, I understand.”

After about three minutes, Jian Dan saw a familiar figure running towards her. “Jian Dan, I’m sorry! Come in! This is Yujin’s friend. Let her in.” She informed the security guard before the security guard let her in.

“Yujin’s popularity is really high now! Look at these fans!”

These fans were really impressive. How did they know that Yujin was here? If Yujin had not given her the location, she would not have been able to find it.

“Yes! Yujin is getting increasingly popular now. It’s all thanks to the foundation you built previously that Yujin is where she is today!”

“That’s not it. Yujin has to work hard herself. Plus, she has your help! Actually, I didn’t do much! I’m not a professional manager, so I don’t know much about many things.”

“Don’t be so humble!” They arrived at Yujin’s filming location.

The moment Yujin saw Jian Dan, she ran over quickly and gave Jian Dan a big hug. “Jian, we haven’t seen each other for so long. I missed you so much!”

“I miss you too!”

Jian Dan did not expect that the elegant Yujin would give her a bear hug.

However, this was to my liking... Hehe!

Chapter 334: We’ll Fire You If We Want. Why Do We Need a Reason?

“Yujin, you’re up next!” Someone came to inform Yujin.

“Yujin, go ahead! I’ll take a walk around.”

“Alright! I’m off to work!”

After Yujin left, she walked around...

She was very familiar with film sets. After all, she used to visit them often in the past! Therefore, she knew her way around quite well. However, she bumped into the snobbish assistant from just now. She had not wanted to talk to her, but the other party couldn’t help but cause trouble for herself!

Chu Liyuan always said that she liked to cause trouble. But the truth was, trouble came to find her most of the time!

“You’re really persistent, aren’t you? I didn’t expect you to really sneak in. However, you’re unlucky to have met me. Do you want to leave on your own? Or do you want me to call security?”

This woman was throwing her weight around. Why was she such an eyesore? Those who did not know better would think that she was some big shot celebrity.

Jian Dan would not be polite to such a person who did not even know how to be a decent human being. If such a person stayed by Yujin’s side, she would be a time bomb. Since that was the case, why not take this opportunity to remove this tumor?

“Hmph! What makes you think that you can be so arrogant? As the assistant of a humble artiste, you’re even more arrogant than your own artiste!”

“I think you’re the one who hasn’t got things straight! You don’t have any say here. Just a word from me and you’ll be thrown out. Capiisce?”

“One has to learn to accept reality!”

“I think I should be the one to say this to you!”

“So you want to do this the hard way? I’ll have to call security then!”

“Hmph! I hope you can still laugh later!” She turned around and left.

That assistant thought that she must be afraid and did not want to wait for security to come and make things so ugly, so she chose to leave.

She revealed a smug smile and returned to Yujin’s rest area...

However, she did not expect to be told by her manager that she had been fired the moment she returned. This surprised her because she had not done anything wrong. Why was she suddenly fired?

Moreover, she had been with Yujin for so long. She knew Yujin’s personality very well; she was very gentle and had a good personality. She would definitely not fire a person for no reason. What was going on?

It was not easy to meet an artiste who was easy to serve in this industry. Hence, she did not want to lose her job just like that.

She quickly stepped forward and grabbed Yujin’s hand. “Yujin, did I do something wrong? Tell me and I’ll definitely change. Can you not fire me?” She tried her best to look pitiful in her pleading tone and expression. With Yujin’s character, her heart would definitely soften.

However, she did not expect Yujin to be so determined this time.

“But what did I do wrong? How can you just fire me so casually?!” Knowing that there was no room for negotiation, she stopped pretending.

“We’ll fire you if we want. Why do we need a reason?!” A cold voice came from behind.

She turned around and frowned slightly. “Why are you still here?”

“What do you think?” A smug smile.

“You...”

“Now, it seems like it’s you who should not be here!”

“Do you want to leave on your own? Or do you want me to call security?”

Jian Dan had a Trollface mien.

“Who is she?” The assistant asked in disbelief.

“Jian is my good friend and my former manager!”

As soon as she heard Jian Dan’s identity, she instantly understood why she was fired today. It turned out that she had offended someone she should not have.

“That’s abuse of power to get even for a personal grudge!”

“Hmph! A person like you isn’t worthy of me doing this. But even if I am, what are you gonna do about it?”

Jian Dan would not be polite to such a person who abused her power to throw her weight around.

“I’ll remember you!” She spat as she pointed at Jian Dan.

“Being remembered by you seems to be a rather disgusting thing!”

“Hmph!” She left angrily...

After that woman left, Jian Dan said to Yujin, “Yujin, where did you find such a character to be your assistant?”

“At that time, I just felt that she was quite pitiful, so...”

“I won’t ask you what made you feel that she’s very pitiful. I’ll only tell you one thing: There must be something hateful about a pitiful person! You’re too soft-hearted. You have to read people more carefully in the future. Otherwise, you’re just gonna end up being treated like a fool and be grateful to people who took advantage of you without you knowing it.”

“Okay! Alright, I’ve ordered a lot of delicious food. Aren’t you hungry?”

“You don’t say. Teaching someone a lesson is quite exhausting. I’m really hungry. Haha! Then without ado... Let’s go eat!”

“When it comes to food, your spirits are immediately lifted!” Yujin covered her mouth and said with a smile.

“Hunger breeds discontentment!”

Looking at Jian Dan’s gluttonous demeanor, Yujin smiled again. It was really difficult to find a girl like Jian Dan now. No wonder Mr. Chu liked her so much..

Chapter 335: Uncontrollable Palpitations When They Met Again!

Yujin knew Jian Dan very well. At the very least, she knew her tastes very well and everything she ordered was what Jian Dan liked to eat, so Jian Dan enjoyed this meal very much.

During the meal, the two of them chatted a lot and updated each other on their recent happenings. Jian Dan even mentioned the news about her and Shang Simiao.

Jian, you know what? When I saw the news, I was stunned for a moment, but I didn't take it to heart at all because I knew that it was definitely fake. Because who in this world would dare to steal Chu Liyuans woman? Isn't that signing their own death warrant?

Yujin, you make it sound like Uncle is very scary. He's not like that, okay?

That's only in front of you. If it were anyone else, it's a different story.

It can't be helped. I'm too outstanding, so you know! She pretended to be smug.

Do you have to be so smug?

I want to keep a low profile too! But my talent doesn't allow it.

Would I be beaten up for saying this? No worries. Anyway, there are so many people protecting me. Hehe!

As Yujin was busy filming, Jian Dan left after lunch in order not to get in her work

Jian Dan had just left the set when she saw a very familiar figure

When she saw that figure, a big smile instantly bloomed on her face. She quickly ran over. Master Spirit, why are you here? When did you come back? Why didn't you tell me?

It has been a long time since the last time she saw Master Spirit. Moreover, he had not even sent her a WeChat message for such a long time and never replied to any of her messages, making her a little worried. She did not know if something had happened to him.

However, now that she saw her coach appear before her safe and sound, she knew that her imagination had run wild. How could anything happen to someone as formidable as Master Spirit? bender

Just got back.

What are you doing here?

I was just passing by and didnt expect to bump into you.

Really? What a coincidence! Does this mean that we have an affinity?

Only she would believe such a lousy reason.

Although he had already seen Jian Dan when he came back, it was from afar. Now that he was looking at her so up close, the throbbing in his heart was like a surging flood

Ill send you back. He shifted his gaze away from Jian Dian and handed the helmet to her.

Okay! After putting on the helmet, she got onto the back seat of his motorcycle.

The motorcycle sped out

Along the way, Malicious Spirit could distinctly feel her two small hands grabbing onto his clothes. Although she was only grabbing onto his clothes, it was causing waves in his heart.

He sent her to the same spot as before

From tomorrow onwards, training will resume.

Oh, okay!

After that, he did not say anything and rode off. Jian Dan stared after his departing figure

Why do I feel that hes a little different after his return? Is it all in my mind?

Malicious Spirit returned home and took off his helmet. He tossed it aside casually and went to the bathroom. Without taking off his clothes, he turned on the showerhead. Cold water flowed from the top of his head to his whole body

He had to calm himself down. From the beginning, all he could think of was Jian Danher expressions of happiness, sadness, or cheekiness kept alternating in his mind like a slideshow.

He felt that he might not be able to leave this girl in the future. He had been poisoned by this girl, and she was the only antidote.. Only by staying by her side could he continue to live

Chapter 336: Had A Weakness From Now On

The next day, Jian Dan waited for her coach at the rendezvous point

When she saw a flashy motorcycle appear in her line of sight, she waved at him.

Why are you here so early? Although the weather was not bad today, the wind was a little strong. Looking at Jian Dans tousled hair, she had probably been here for a while.

I was afraid to keep you waiting. I dont want to be punished by you on the first day I resume training.

But Coach, arent you a little late? It cant just be the student who gets punished. Shouldnt the coach be punished for being late too?

Are you cold?

Duh, after waiting for you for such a long time in such cold and windy weather. If I were your girlfriend, you definitely cant bear to let me wait here for so long, right?

Thats right! I cant bear to see you like this

In the next second, he took off his jacket. He had wanted to put it on Jian Dan, but he was afraid that she would discover his feelings for her, so he could only pretend to be impatient and dump the jacket on her head. Put it on, lest you blame me for getting sick.bender

Coach, cant you be gentler?! She removed the jacket from her head and draped it over herself before getting on the back seat

I havent been here for a few months. Why didnt I notice it before? The scenery here seems to be rather nice. She said after getting off the motorcycle.

Come on up.

He still had that cold expression, giving the vibe that everyone should give him a wide berth.

Be right there!

The two of them had just arrived at the backyard when Master Spirit launched a surprise attack

However, Jian Dan was not bad either. When the coach gave her a kick, she dodged it beautifully. Master Spirit, how could you ambush me like this?

Of course I want to see if youve been slacking off and not practicing in the past few months. He gave another kick.

This kick was a little ruthless. Jian Dan used two arms to block it, but she still ended up colliding heavily into the pillar beside her.

Hiss She let out a painful cry.

When Malicious Spirit saw this, he frowned slightly. He felt as if his heart had been kicked.

Master Spirit, you've just returned and you're already so ruthless?

Then I won't hold back either.

She began to attack him. Her punches and kicks were easily blocked by him.

Ever since Jian Dan started learning from him, she had never won a single time. No, I have to think of a way.

Aha! I've got it

A devious plan had already hatched in Jian Dan's mind

Just as he was about to hit her, she deliberately did not dodge. As his fist landed on her, she fell back

He thought: That's a light punch. How can that be?

There was no time to think about it. He reached out and caught Jian Dan

Jian Dan looked at him with a smug smile. Coach, you lost!

It was only then that he realized that this girl was holding a gun to his chest

It turned out that she had done it on purpose just now. But for him to fall for such a lousy trick, it seemed that he was really

He had never been afraid of anything. He was not afraid of pain or death. But now he finally had a weakness. She was his weakness!

He could no longer use the same attitude as before to teach her. When he saw that she was almost injured just now, he was really afraid

So this is what it feels like to care about someone

Master Spirit, penny for your thoughts? I was just kidding with you earlier! Jian Dan said when she saw him in a daze.

Nothing. He helped Jian Dan up.

Really?

Where did you learn this? Did I teach you how to play dirty?

Hehe Nope. But I just wanted to win against you for once. Its just that I didnt expect you to really fall for it. It seems that you still value me as a student.

He looked up and met Jian Dans eyes

Thats not valuing you! Youre already deeply etched in my heart

Thats all for today. Malicious Spirit said after averting his gaze.

Huh? But weve barely just began.

Whats wrong with him today? Why did it end barely a few minutes into it?

Im not feeling well.

Not feeling well? Coach, where do you feel unwell? Looking at Jian Dans hand that was reaching for his forehead, his heart beat increasingly faster He grabbed Jian Dans hand.

Im fine. Ill walk you out

Whats wrong with Coach today? Hes acting so weird!

On the way back, he did not say anything. When he left, he did not say anything either

Could it be

Is Coach angry about what happened earlier?

Chapter 337: Graduated Just Like That?

She did not know why it was such a coincidenceher convocation fell on the same day as her birthday which was also her and Chu Liyuans wedding anniversary.

However, Chu Liyuan did not seem to have any reaction. Has he forgotten about it?

Should she remind him? If Uncle really forgot, then she

The campus was very lively today. Many students who had not seen each other for a long time had returned to the campus to attend the convocation.

She did not expect to see that person. She thought that she would never see this person again in her life.

After changing into her academic dress, she saw Jiang Rong not far away.

The moment she saw her, her brows furrowed deeply

Although Jian Dan might not have been able to meet Chu Liyuan if it weren't for Jiang Rong, this did not mean that she could forgive Jiang Rong for everything she had done to her.

If I hadn't been lucky back then, who knew what would have happened to me?

If Jiang Rong had not run off back then, how could I have let her off so easily?

Jian Dan did not expect her to come knocking on her door. Since that's the case, don't blame me then. An eye for an eye and a tooth for a tooth!

The distance between the two of them was getting increasingly closer

However, Jiang Rong did not feel guilty at all when she saw Jian Dan. Instead, she had a high and mighty expression on her face. She raised her chin high and looked at Jian Dan with her nose.

Jiang Rong's originally ugly face became even uglier, making Jian Dan feel a little nauseous. She did not know where Jiang Rong got her sense of superiority from. Is it just because she went to America that she feels that she's better than others?

Jian Dan was already very invidious in class, so not many people liked her. In fact, Jian Dan was also aware that the people she knew were basically divided into two extremes; they either liked her very much or hated her very much. There was no sitting on the fence.

However, Jiang Rong was different. She had a high level of social competence. Previously, she pretended to have a good relationship with her, but she did such a thing to her.

Hence, this woman would do anything and betray anyone for her own selfish desires.

Today was the convocation, so there was no lack of flowers. At a glance, almost all the girls in the class had a bouquet in their hands, but Jian Dans hands were empty

Seeing this, those girls wanted to kick her while she was down. Tsk-tsk Isn't this Jian Dan? The top student in the faculty of Computer Science, and the girlfriend of Zhong Tianhao, the popular guy on campus! Why has she become so shabby now? She didn't even receive a bouquet of flowers. A girl said with sarcasm.

Your information is outdated. Zhong Tianhao dumped her a year ago, okay?

Huh? Really? Then I'm really sorry. I didn't know that.

Jian Dan, why aren't you saying anything? Are you not feeling well because it's a sore point?

These people always liked to cause trouble for no reason it was as if they thrived on schadenfreude.

Some people! They always want to take shortcuts through unorthodox methods, but they don't know their place, so it's normal to be dumped! Jiang Rong interjected.

Jiang Rong, you're right. Of course he wanted to dump her after he got tired of her. If not, was she hoping to marry into a rich family? benderREAD LATEST CHAPTERS AT NOVELFIRE.NET

Jian Dan dug her ears impatiently.

It's so tragic. Not only did she not have a boyfriend to send her flowers, but she didn't even have a friend or family in attendance and has to attend the convocation alone. It's really Tsk tsk tsk

Who says that no one came to Jian's convocation?!

Jian Dan looked up and saw Mengjiao and Zijie walking towards them.

Mengjiao, Zijie, why are you here? She walked up to them.

Of course I have to attend your convocation!

Who was the one who said that Jian doesnt have anyone by her side?! Mengjiao said coldly to those people.

The girl who spoke just now opened her mouth and was about to say something.

Jian! A sweet voice rang in the air

Yujin? How did you find the time to come over? Surprise was written all over Jian Dans face when she saw Yujin walking over. Jian Dan had a rough idea of Yujins schedule, so she had never dreamed that Yujin would appear in her school.

Its your convocation. Ill be here no matter how busy I am.

Who doesnt know Yujin now?! Such a big star came to attend jian Dans convocation. Whats going on?

Isnt she a girl who was dumped? How can she command such prestige?!

Chapter 338: Im the Only One Who Can Give Jian Jian Flowers!

Since a superstar was here, who would dare to gossip? Hence, those people tactfully shut their mouths.

Jian, its not just Yujin. Im here too!

Mengmeng? Fang He doesn't have any work today?

Even if there is, we have to cancel it. Today is your convocation. Everything else takes a backseat!

My darling Mengmeng. Mwah! The two of them gave air kisses from afar.

Those who liked Fang He knew Mengmeng as well

It's such a surprise that you two busy people can come. I'm so happy.

Little Dan! A male voice rang in the air. This voice was once very familiar to her, but she had not heard it for a long time. Moreover, there was only one person who called her this Zhong Tianhao!

She turned around and saw Zhong Tianhao walking towards her with a bouquet of champagne roses in his hand

Tianhao? How did you

Today is your convocation and your birthday. I thought I'll definitely be able to catch you here. Happy graduation! Happy birthday! He gave Jian Dan the bouquet.

Looking at the flowers Zhong Tianhao gave her, Jian Dan did not know what to do. She did not know whether to accept them or not.

At the sight of this, Jiang Rong's face fell. Why is this man still so concerned about Jian Dan? Did the two of them get back together again?

She had long known about what happened to Qin Rou. At that time, she was still wondering why Qin Rou was so useless.

Back then, the reason why she agreed to help Qin Rou spike Jian Dans drink was not only because Qin Rou had promised her that she would get her the qualifications to be an exchange student in America, but more importantly she had always been first in primary school and high school. She was the talented girl that everyone talked about and had always been the focus of everyones attention. However, everything had changed from the moment she started college

She had been relegated to second place perpetually. No matter how hard she worked, she could not surpass Jian Dan, especially since Zhong Tianhao whom she had a crush on took a shine to Jian Dan and even became her boyfriend. How could she tolerate this?

Back then, she thought that if she did that, she would definitely be able to ruin Jian Dan and make Zhong Tianhao dump her. Jian Dan could forget about getting the man she couldnt get!

However, she did not expect Qin Rou to be useless and could not even deal with a mere Jian Dan.

Jiang Rongs eyes almost spewed fire when she saw Zhong Tianhao appear here with the flowers

However, this was still a small matter. What happened after that made all the girls present so jealous that they were about to spit fire

Im the only one who can give Jian Jian flowers!

The moment Jian Dan heard this voice, a sweet smile blossomed on her face

Many people also looked in the direction of the voice When they saw who the owner of the voice was, they were instantly mesmerized by the face that looked like a work of art. All the girls had infatuation plastered on their faces.

Just as everyone was still lost in Chu Liyuans stunning beauty, Jian Dan had already run over to him quickly and gave him a bear hug like a koala.

Uncle! Seeing that Chu Liyuan had arrived, her mood instantly became exceptionally good.

This hug completely stunned the girls who were infatuated just now, especially Jiang Rong!

Zhong Tianhao was already enough to make her jealous. Now, there was a man who was several times more handsome than a celebrity. Why is she so blessed?

Jiang Rongs hands were tightly clenched together in hard fists. Her eyes were filled with jealousy and hatred.

For you.

Thank you! She reached out to take the babys breath that Chu Liyuan gave her.

After giving the flowers to Jian Dan, he walked up to Zhong Tianhao. Youve been with Jian Jian for a long time, right? Dont you know that Jian Jian likes babys breath? Chu Liyuan said coldly.

Upon hearing Chu Liyuans words, a trace of suspicion flashed across Zhong Tianhaos eyes. In the next second, he looked at Jian Dan

During the two years he and Jian Dan were together, Jian Dan had liked champagne roses.

Seeing that Tianhao was looking at her in confusion, she smiled awkwardly. I like babys breath.

Hearing Jian Dan say it herself, he had no choice but to believe it.bender

Now that he thought about it, he had never asked Jian Dan what flowers she liked. It was just that the first time he gave Jian Dan flowers, it was champagne roses. Seeing how happy Jian Dan was, he thought that Jian Dan liked champagne roses. It turned out that the person who liked champagne roses had always been Qin Rou!

He laughed self-deprecatingly.

Malicious Spiritwho was standing in a cornersaw Jian Dans smile and felt that his heart was about to melt. So Jian Dan likes babys breath..

## Chapter 339:1 Want Jian Jian's Today to Only Belong to Me!

After taking the graduation photograph, the group went to have a meal together. Of course, Chu Liyuan footed the bill. However, Tianhao did not go with them...

After dinner, Jian Dan wanted to do something else, but...

"For the rest of the day, can Jian Dan and I spend it alone..." Chu Liyuan said to everyone.

"Sure, sure! Then we won't hold you up anymore." Jian Dan did not know that how on earth they moved so fast. In less than a minute, they had already disappeared before her eyes...

"Uncle! Where are we going?"

It seemed that Chu Liyuan had not forgotten that today was her birthday, nor had he forgotten that today was their wedding anniversary.

"Just stay with me."

It turned out that Chu Liyuan had already planned the day.

No one would have imagined that someone like Chu Liyuan would take the initiative to arrange a birthday surprise for a girl or remember his wedding anniversary!

Jian Dan felt as if she had drunk an entire jar of honey. Her mouth and heart were very sweet.

"Okay!"

Chu Liyuan brought her to a small house. Before going in, Chu Liyuan even covered her eyes mysteriously...

“Uncle, what are you up to?”

“Just a sec!”

The moment Chu Liyuan removed his hands that were covering Jian Dan’s eyes, she saw the room... Under the soft light, Jian Dan’s photographs were everywhere...

From when she was still a baby, to when she started learning to walk, to kindergarten, elementary school, middle school, and college... There were photographs of her from all phases of her life. There were also many photographs of her with Chu Liyuan that she had no idea when he took.

“Uncle, why do you have...” She felt tears welling up in her eyes.

“I wasn’t a part of your past, but I hope that I can always be in your future.”

It was definitely not an easy task to find so many photographs of her.

“Jian Jian, I was already an adult when you were born. I looked at the photos of you when you were young and I think if I had met you at that time, I would never have thought that this baby would be my future wife.”

“However, if someone really has such evil thoughts about a baby, they are most probably a pervert!”

“Haha! Uncle!” Why does it feel like Uncle is making a corny joke?!

“Actually, I’m saying this because... I want to tell you that although there’s a huge age gap between us and even vast differences between us, I can’t let go of you. Even if the whole world says that we’re not compatible, I don’t think I’ll let you go!”

“Uncle!” she said in a nasal voice.

“Jian Jian, today is your birthday and our wedding anniversary. I’m very grateful that you came into this world 21 years ago. I’m also very grateful to you for marrying me exactly one year ago today.”

“I’m really grateful to God for sending you to me and allowing me to have my current happiness.”

“I love you! Jian Jian, I love you! I love you!”

Hearing Chu Liyuan’s words, tears welled up in the corners of Jian Dan’s eyes, but a blissful smile appeared on her face as she gazed into Chu Liyuan’s eyes...

She wrapped her arms around Chu Liyuan’s neck—stood on her tiptoes—and pressed her red lips against his.

Mixed with salty and bitter tears, Chu Liyuan pulled her into a tight and warm embrace...

Under the soft light... the two of them fell onto the sofa.

In this moment, he did not want to care about anything else. He only knew that he loved her. He loved her very deeply. He loved her to the core. She had already been etched in the depths of his soul and could never be erased..

Chapter 340: Second Time Joining the CEO’s Office!

The school vacation began after the convocation. She could not waste the vacation. Since she had to find a place for her internship, she had to find a suitable place...

This place must let her learn things and train her abilities. Moreover, if she can also keep an eye on those vixens who are eyeing Uncle covetously, won’t that be perfect?

Hence, Qin Corporation became her only choice. Anyway, Uncle had said that he liked to pull strings for me. Since that's the case, I shall take him on his offer! Otherwise, wouldn't I be letting him down?

At night... she looked at Chu Liyuan—who had already showered and was lying on the bed—and slowly leaned over. “Uncle, Uncle!”

Looking at the longing look on her face as she knelt beside him, Chu Liyuan felt an itch in his heart.

“What is it?”

“I want you to ask you to pull some strings for me.”

“Pull some strings?”

“Yeah! I'm having my vacation now and I want to find a place for my internship... Uncle, can you...”

“Internship? No problem. I'll arrange it for you. Simiao's company seems to be recruiting interns. I'll let him know.”

Smart as Chu Liyuan was, how could he not see through Jian Dan's intentions? However, he wanted to tease her on purpose.

“Huh? Uncle Simiao's company? No, Uncle. Well...”

“If I go to Uncle Simiao's company and see him every day, won't you be jealous?”

“That's true. Simiao might not have given up on you. Then I'll arrange for you to go to Jihao's company.”

Uncle, are you doing this on purpose?! Alright! Since you want to play, I'll play along with you and see who's the first to cave.

"Jihao's company doesn't match my major. Forget it. Actually, Tianhao called me and said that he had recently set up a new game company. He's short on staff now, and it's a great match for my major. I think it's quite a good offer. Uncle, what do you think?"

"No!" Upon hearing Jian Dan's words, Chu Liyuan bolted up from the bed.

When Jian Dan saw Chu Liyuan's reaction, she knew that she had executed this move perfectly.

"Why not? I need an internship and Tianhao happens to have such a suitable internship opportunity. Of course I should accept it."

Of course she had to add fuel to the fire.

"From tomorrow onwards, report for work at Qin Corporation's CEO's Office!" Chu Liyuan ordered with an attitude that brooked no objection.

"Huh? Qin Corporation? I don't think that's very appropriate. Besides, you kept pushing me to other companies just now. Isn't it because Qin Corporation is not hiring?"

"Don't push it!"

It turned out that Chu Liyuan had already seen through her plan.

"Hmph! Uncle, you were the one who started it, okay? Only you are allowed to bait me, but I'm not allowed to beat you at your own game?" She had an expression that read: It's clearly your fault, yet you're still blaming me!

"You're really getting increasingly cunning." Looks like this lass has me eating out of her hand.

“That’s because I learned it from you. You corrupted me—’who keeps company with the wolf will learn to howl’,” she said fearlessly.

“I corrupted you? Watch how I make you howl!”

Chu Liyuan pulled Jian Dan under the blanket and turned off the lights...

“Mmm... Uncle, you ambushed me!”

The feeling of being able to go to work with Uncle is really not bad. Moreover, this was the first time I am accepting the privileges of string-pulling so openly. It feels quite good!

Although I am definitely the kind of person who can rely on my own capability... Hike to rely on my looks. So what?

There were probably not many people who had no qualms about accepting the privileges of string-pulling with such a clear conscience.

It can’t be helped.. Who ask me to be the apple of Uncle’s eye?
