

The Beloved 34

Chapter 34: Why Isn't There Any News?

In the afternoon, she received a call from Chu Liyuan. He said that he was going back to the family residence for dinner tonight... He asked her to wait for him at the entrance after work.

Jian Dan had not yet told Chu Liyuan about working at Qin Corporation. She was not ready to tell him yet for the time being. Hence, Jian Dan took a cab back to Yuanyi as soon as she got off and managed to get there before Chu Liyuan. Jian Dan had barely reached there when Chu Liyuan arrived...

"Uncle." Jian Dan adjusted herself and waved at Chu Liyuan.

"Get in!" Chu Liyuan opened the car door and said to Jian Dan.

"Is there anything special today?"

Something must have happened for him to be suddenly summoned back to the family residence, right?

"Nothing in particular. Grandpa said he missed you and asked me to bring you back."

Grandpa called him this afternoon and asked him to bring Jian Jian back to the family residence for dinner.

Naturally, Chu Liyuan would not reject Grandpa's request.

"I see! Actually, I miss him a lot too."

Did Grandpa want a rematch of the unfinished competition?

Did Grandpa's house also have a lawnmower?

Just thinking about it made her excited...

Grandpa prepared hotpot for dinner...

"Wow! Isn't this too sumptuous?"

The table was filled with food—all kinds of vegetables, meat, seafood, and so on.

"Grandpa, you really get me. I won't stand on ceremony then!" Jian Dan was already drooling at the spread.

"Hurry up and tuck in!"

"Little Jian, how have you been recently? Are you feeling unwell?"

Why was there no news after such a long time? Did this brat try his best?

"Grandpa, I've always been in good health."

Jian Dan answered obediently. Of course, she did not waste any time in attacking the food... Haha.

"Do you feel tired recently?" Chu Zhiyuan asked, unwilling to give up.

Jian Dan thought about it and shook her head. "No!"

Why did Grandpa ask her if she was tired? Did Grandpa know that she was working and was concerned about her?

Jian Dan did not understand what Grandpa was implying. But, how could Chu Liyuan not understand?

"Ahem... Grandpa, you should eat more too."

Chu Liyuan picked up a piece of beef and placed it in Grandpa's bowl.

Chu Zhiyuan glanced at him and naturally understood what he meant—eat more and talk less.

After dinner, Jian Dan went to the kitchen... "What are you doing? Why isn't there any news about Little Jian's belly?"

The moment Jian Dan left, Chu Zhiyuan could not help but ask Chu Liyuan.

Chu Liyuan turned to look at him. Before he could say anything, Jian Dan came back with a plate of apple slices. "Have some fruits!" Jian Dan placed the apples on the table.

When the two of them saw Jian Dan, they naturally did not continue the topic...

After chatting for a while, Chu Liyuan and Jian Dan prepared to leave... Before leaving, Chu Zhiyuan looked at Chu Liyuan meaningfully and said in a very deliberate tone, "Buck up with regards to that matter!"

This brat did not seem to be in a hurry at all. If he did not worry more, he did not know when he would be able to have a great-grandson.

"What's the matter?" Jian Dan went over to Chu Liyuan and asked curiously.

"It's nothing. Let's go!" Chu Liyuan naturally would not tell her about it.

"Oh! Then we'll leave first, Grandpa. I'll visit you another day." Jian Dan turned around and waved at him.

On the way back, Jian Dan kept staring at Chu Liyuan. Because of what Grandpa said before they left, Jian Dan felt that something must have happened, and it had something to do with her. However, Chu Liyuan looked like he did not want to talk about it...

When they got home, he carried Jian Dan back to the bedroom and got it on with her.

Chu Liyuan looked at Jian Dan's sleeping face under the moonlight, and a smile subconsciously appeared on his face. Chu Liyuan realized that he had fallen deeper and deeper for this little girl, and he could not help himself...

He did not know why he was so obsessed with a lass he had just met. He was besotted with her, and he did not want to get away.

Chu Liyuan subconsciously hugged Jian Dan even tighter before falling into a deep sleep...

When Jian Dan woke up, she realized that she was tightly hugged by Chu Liyuan. Her head was leaning against his chest. The scorching heat spread to her body. Jian Dan felt her face heat up. She wanted to get up, but she realized that Chu Liyuan was hugging her too tightly and she could not move at all.

Chu Liyuan felt the movement in his arms and opened his eyes... Jian Dan looked up and met Chu Liyuan's eyes. Instantly, his heart skipped a beat.

"Jian Jian." Chu Liyuan also felt the changes in his body. It turned out that when he was with the person he liked, he would subconsciously want to possess her in every way possible.

"Uncle." Jian Dan blushed as she looked at Chu Liyuan.

Chu Liyuan no longer suppressed himself. He flipped over and pinned Jian Dan under him...
