

The Beloved 37

Chapter 37: Who Is More Handsome?

Basketball machine! This was something that Jian Dan did not even dare to touch in the past. Usually, she would just watch others play.

"Wow! He's so handsome!"

Handsome? Who was handsome? Why didn't he notice? This lass actually said that another guy was handsome right to his face? That was really insulting.

Why did Uncle look like he wanted to kill someone? Wait, was it because of what she had just said...

"Uncle, I just think he's very handsome when he shoots the hoop."

Why hadn't she realized before that Chu Liyuan was such a jealous man?

I'll show you what it means to be handsome today since you haven't seen the world!

Chu Liyuan deposited a token and picked up a basketball with a relaxed expression.

Ready... Start... From the beginning to the end, Jian Dan's mouth had never been closed. She felt that Chu Liyuan was a machine. How could he hit every target? This was so unreal.

Who was the one who said that that guy was handsome just now? Chu Liyuan had shown her what true handsomeness was.

Could that guy just now hold a candle to Chu Liyuan? Could he? Could he? Could he?

The guy who Jian Dan had said was handsome was dumbfounded. There were so many people gathered around the basketball machine that it was the biggest crowd in history.

Jian Dan also felt a sense of danger. A group of girls looked at Chu Liyuan with infatuation, as if they could not wait to devour him.

Is Chu Liyuan someone you mere mortals can hanker after? Look at your love-struck expressions... It's so embarrassing.

You still have the cheek to say other people. Didn't you almost drool just now?

"Uncle, let's go!"

She had to get him out of there as soon as possible. Jian Dan was about to leave with Chu Liyuan under so many envious and jealous gazes.

"Wait a minute!"

He was the famous king of the game. He had broken many of the records here. Today, someone had actually broken his record so easily. If word got out, he would be humiliated.

The two of them turned around and realized that it was the guy from before... "What's the matter?"

Chu Liyuan shielded Jian Dan behind him and spoke coldly.

"I saw that you were very good at shooting hoops just now. I wonder if you're interested in accepting a challenge in shooting?"

What do you mean by "you're good at shooting hoops? Are you interested in accepting a challenge in shooting?" What kind of trick is this?!

The number on the basketball machine exceeded the original record by more than 100 points. It was almost impossible to break it. He was not a fool. How could he challenge him in basketball?

Since he could not win in basketball, he had to regain respect from other places to live up to his title as the king of the game.

Shooting? Hmph! Chu Liyuan snorted coldly in his heart... You probably won't even know how you die later!

Initially, Chu Liyuan did not deign to lower himself to the level of a young boy. However, he had no choice—Jian Jian had said that guy was handsome earlier on.

"Sure!"

The two of them went to the shooting range. Each of them had a gun and chose Resident Evil...

Their match attracted many people to watch. In a short while, almost everyone in Tom Bear had come over, including the staff.

That guy was a regular here. Many people knew him. He was the king of the game here and was great at many games here. His best game was shooting and that was why he chose this as the challenge. He wanted to crush his opponent.

In the beginning, the guy had a relaxed look. But by the middle of the game, he was already nervous because Chu Liyuan was actually an expert.

In the end, not only his face, but even his palms were sweating because he was about to lose. He saw that his energy bar was almost empty, but the other party still had more than half.

If he lost in his best game, it would be extremely humiliating.

He was definitely going to lose face today. The other party was Chu Liyuan, the former God of War. Competing with him in shooting was undoubtedly suicide.

After today, the king of the game had changed names. Jian Dan thought that after today, that boy would probably not have the guts to come to Tom Bear again. It was a crushing defeat!

Chu Liyuan was really cruel. He "killed" the guy until he was covered in wounds!

It could not be helped! Who asked you to act cool for no reason? This lass only had eyes for him.
