

The Beloved 382

Chapter 382: News of Jian Jian!

Ever since Chu Liyuan chose to save Wei Qianyi, he had not received any news about Jian Dan.

He did not know how Jian Dan was doing now.

He wondered if Jian Dan was injured.

He did not know where Jian Dan was.

He did not even know if Jian Dan was still...

He did not dare to think about it...

He had never been so terrified before. Although he tried his best to suppress his fear, Wei Qianyi could still see his trembling hands clearly.

Upon seeing this, she knew that Jian Dan had to die. Otherwise, she would never be able to be with Chu Liyuan for the rest of her life.

“Liyuan, don’t worry. Jian Dan will be fine.” She placed her hand on Chu Liyuan’s shoulder and comforted him gently.

However, she was sneering in her heart... From now on, you’re mine. You only belong to me. No one can take you away from me.

Right now, Chu Liyuan couldn’t take in anything at all. His mind was filled with Jian Dan only.

“Mr. Chu, we’ve found Young Madam!” Li Jing jogged over and said to Chu Liyuan.

“Where is she?”

Upon hearing this news, Chu Liyuan bolted up immediately and grabbed Li Jing’s shoulders tightly. His grip was so strong that even a man like Li Jing found it painful.

However, he was very understanding. Because of Jian Dan, Mr. Chu had been like a deflated balloon without any vitality these past few days.

For the past two days, not only had he not eaten a single grain of rice, but he had also not drunk a single drop of water. His entire mind was in an extremely tense state.

Li Jing gave him an address. Chu Liyuan did not think twice and ran like the wind to the car before speeding like a racecar to the address Li Jing gave him...

Wei Qianyi wanted to go with him, but Chu Liyuan did not give her the chance. By the time she chased after him, the car was already out of the gate like a bat out of hell.

She quickly got into another car and followed after him...

Of course, Li Jing and the others followed immediately...

Chu Liyuan could no longer care about anything else. He only wanted to rush to Jian Dan as soon as possible. He put the pedal to the metal and drove over quick as a flash...

Seeing Chu Liyuan drive the car like a rocket, Li Jing couldn’t help but frown. He had never seen him lose control like this.

In fact, Chu Liyuan was not the only one; Mengjiao was extremely worried as well. That was why Li Jing did not tell her about Jian Dan’s kidnapping.

After Jian Dan fainted, she met a Good Samaritan who sent her to a nearby clinic...

When Chu Liyuan arrived, he saw that Jian Dan's eyes were tightly shut. He wondered if she had fallen asleep or fainted.

"How is she?" He reached Jian Dan's bed in two strides and held her hand.

"She's fine, just a little prostrated."

Hearing that Jian Dan was fine, Chu Liyuan's tense heart relaxed a little.

However, when he saw that Jian Dan's fair arms were covered in purplish-red strangulation marks, his heart constricted again.

Thankfully, Jian Jian's still alive. That person didn't hurt her. Looks like our— Qianyi and me—plan had deceived him, so he let Jian Jian go.

The truth was, before he received news of Jian Dan, he had been wondering if they had managed to pull the wool over his eyes. If we hadn't, would Jian Jian be in danger?

Thankfully... Thankfully, Jian Jian is fine.

Chu Liyuan lowered his head and planted a kiss on Jian Dan's forehead...

Wei Qianyi walked in on this and a trace of coldness flashed across her eyes.

Jian Dan, you're really lucky. You're actually not dead?

Fortunately, she was unconscious now and probably would not have the chance to say anything to Chu Liyuan. Hence, she definitely could not let Jian Dan talk to Chu Liyuan.

It had to be said that Wei Qianyi was really a natural actress. It was a pity that she was not in showbiz.

One second, her face was cold, and the next second, she looked worried.

Wei Qianyi reached Jian Dan's bed and smiled. "I knew Jian Dan would be okay."

She placed her hand on Chu Liyuan's shoulder and comforted him gently...
