

## **The Beloved 383**

### Chapter 383: This Is the Only Way to Keep Her Safe!

Chu Liyuan felt the warmth on his shoulder and avoided it subtly...

When Wei Qianyi sensed Chu Liyuan dodging her, her heart was filled with hatred.

But in order to get this man, she had to put up with it.

Chu Liyuan wanted to carry Jian Dan, but she stopped him. "Liyuan, are you going to bring Jian Dan back?"

"You think?" Being stopped by Wei Qianyi made him inexplicably frustrated.

"You can't take her back like this."

"What did you say?" he said in an extremely cold voice.

"Have you forgotten about Malicious Spirit?"

This name made Chu Liyuan hesitate...

Seeing his expression, she knew that Chu Liyuan was already wavering.

"If you don't want Jian Dan to be hurt, you have to make Malicious Spirit believe that she's not the one you love most."

“What do you mean?”

“From now on, you must not show any feelings for Jian Dan. You must also let the world know that I’m the one you love most.”

“Impossible!”

“Do you want her to die?”

No! Absolutely not!

“What do you have in mind?” Although he was unwilling, he had to do it for Jian Dan.

“Marry me!”

“What?”

“Don’t worry, it’s a sham marriage. Only by announcing to the world I’m your wife can Malicious Spirit truly believe that I’m the one whom you hold dear to your heart.” Seeing that Chu Liyuan was still hesitating, Wei Qianyi pressed on, “This is the only way to keep Jian Dan safe.”

“Moreover, we can also use our wedding to lure Malicious Spirit out. Only by capturing him can you truly rest easy in the future. Only then can you be with Jian Dan in peace!” Wei Qianyi launched an impassioned defense of her suggestion, as if she was doing it all for them.

She’s right. Only by capturing him can this matter be completely resolved.

Looking at Jian Dan who was still unconscious on the bed, a trace of sadness flashed across his eyes because he had already made up his mind...

In order for Jian Dan to be safe and not be sad, he decided to send her overseas during this period. He would send for her after everything was settled.

He knew that if Jian Dan knew about this, she would definitely not agree. She would definitely want to face it with him, but he would not let her be in such danger. Hence, he could only send her away while she was still unconscious and watch as she was conveyed to the plane...

Jian Jian, I know that you will be very angry when you wake up, but I really don't dare to take the slightest risk. So please forgive me. After this is over, I will accept whatever punishment you mete out to me.

Seeing Jian Dan being sent away, the corners of Wei Qianyi's mouth revealed a malicious smirk again...

Light appeared in Jian Dan's eyes again. At first, she was not used to it. After slowly adapting, she opened her eyes completely and found herself in a beautiful but unfamiliar room.

She forced herself to sit up. In order to confirm that she was not dreaming, she pinched the back of her hand...

If it hurts, then I'm not dreaming. If I'm not dreaming, where am I? Why am I here?

Just then, the door was pushed open from the outside and a young girl dressed as a maid walked in. "Madam, you're awake?"

"Where am I?"

"This is your home. I'm here to take care of you. You can call me Xiaoyou."

"My home?" How can I not know what my own home looks like? This is definitely my first time here.

"That's right."

"You say this is my home. Then where is my home?"

“Switzerland.”

“Switzerland?” How can I be in Switzerland?

She clearly remembered that after she left Malicious Spirit’s house, she kept walking. Later on, she passed out. But there was no way she could end up in Switzerland.

What’s going on? Was I sent here while I was unconscious? Then who had sent me here?

“By the way, Madam, this is a letter from Mr. Chu. He said to give it to you when you wake up.” Xiaoyou took out an envelope from her pocket and handed it to her.

Uncle? That means Uncle’s the one who sent me here?

But why would he do that?

Jian Dan reached out to take the envelope from her...
