

## **The Beloved 43**

### Chapter 43: Mr. Chu's Tenderness Has Always Been

#### Towards You Only

Jian Dan looked at the ring on her finger and a blissful smile adorned her face. It turned out that the reason why this ring was not for sale was because Chu Liyuan wanted to reserve it for her.

"Why didn't you tell me that you are working in Qin Corporation?" Chu Liyuan asked during the meal.

"I want to complete the assessment given to me by the company through my own efforts before telling you."

Jian Dan explained, "I don't want you to open a backdoor for me."

"Report to the CEO's Office tomorrow."

"Huh?"

"I'm definitely opening this backdoor for you." Chu Liyuan said in a tone that brooked no argument.

Jian Dan looked at Chu Liyuan's rather domineering demeanor and was actually indescribably happy.

"Okay!"

"By the way, Uncle, Mei Xiaolin is the spokesperson for Qin Jewelry. Is it okay to send her to the police station?" Jian Dan asked worriedly.

"It's just a spokesperson. We'll just change to another one." Chu Liyuan replied casually.

"Since you want to change, I have a candidate!"

She could take this opportunity to make Yujin the spokesperson of Qin Jewelry.

“Who?”

“It’s the girl standing beside me tonight, Shang Yujin!” Jian Dan reminded him.

“Didn’t notice!” Chu Liyuan said nonchalantly.

“She’s the girl standing beside me in a white gown. She’s very beautiful!”

“I only saw you,” Chu Liyuan said bluntly.

Jian Dan was stunned. She bit her lower lip shyly and fiddled with her thumbs, flicking them against each other up and down.

“Her then!” Chu Liyuan suddenly said.

“Huh?” Jian Dan could not react for a moment...

“Oh! Then it’s settled.”

Uncle actually agreed so easily. Uncle was too good to her! If this continued, she would be spoiled.

No one expected Jian Dan to be transferred to the CEO’s Office. After all, Jian Dan was just a newcomer. The woman who lectured Jian Dan on her first day was especially annoyed; she treated Jian Dan as a thorn in her side.

Everyone at the cocktail party yesterday was fired on the same day, so no one in the company knew about what happened yesterday.

This woman's name was Wang Yan. In terms of ability, she was top-notch. Otherwise, she would not have become the only woman in the senior management of the head office.

Of course, her ultimate goal was to climb into Chu Liyuan's bed and become his woman.

"I've been in the company for five years. In terms of qualifications, I should be the one going to the CEO's Office. Why was it Jian Dan's turn?" Wang Yan said indignantly. She clenched her fists tightly, and a trace of ruthlessness flashed across her eyes.

She had already disliked Jian Dan the moment she arrived. Now, she treated Jian Dan as a thorn in her side.

"Mr. Li, please guide me in the future!" Jian Dan said politely to Li Jing.

Now that she was in the CEO's Office, she could see Uncle every day... work together with him everyday... She would definitely be very happy!

"How would I dare to teach you? I should be the one asking you to take good care of me."

Mr. Li was considered Jian Dan's superior, but he was so polite to her?

Please! You're the mistress of Qin Corporation!

"How can I take care of you? I'm a newbie." Jian Dan said self-deprecatingly.

"You're Mr. Chu's darling!" Li Jing said bluntly.

Jian Dan looked at Li Jing in confusion... Li Jing continued, "You should be able to tell how Mr. Chu treats you from what happened yesterday! How tender!" "Uncle has always been very tender!" Jian Dan said innocently.

“Mr. Chu’s tenderness has always been towards you only!” Li Jing said frankly to Jian Dan.

“Li Jing, get me a cup of coffee.” Chu Liyuan’s voice emanated from the phone.

“Yes, Mr. Chu.”

“I’ll go!”

Jian Dan went to the pantry.

“Mr. Chu, your coffee!” Jian Dan placed the cup in front of Chu Liyuan.

Chu Liyuan looked up at Jian Dan and took a sip of coffee... “This isn’t coffee.”

“I heard you coughing, so I made you some monk fruit tea.”

Jian Dan imitated Li Jing’s tone.

This lass actually spoke to him like this?

He got up and approached Jian Dan. He got closer and closer. Just as he was about to kiss Jian Dan, Jian Dan gently pushed him away. “Mr. Chu, I’m going back to work. You should work too!”

Jian Dan smiled and “escaped” Chu Liyuan’s office.

With Li Jing’s help, Jian Dan quickly understood the general situation of the company. Li Jing even personally brought Jian Dan to familiarize herself with various parts of the company. Everyone in the company looked at Jian Dan as if they were looking at an endangered species. For no other reason than

the fact that no one who was in the head office had such treatment; everyone stayed on with their own abilities.

When Wang Yan heard this, she slammed her palm on the table very loudly. It could be seen how hard she slammed her palm!

“Who exactly is she? Li Jing actually personally brought her to familiarize herself with the environment.” Wang Yan was exasperated by now.

“Wait a minute!” Wang Yan suddenly thought of something.

“Recently, there have been rumors that Mr. Chu has a woman. Could it be her?” Wang Yan really didn’t want to believe it.

It was rumored that those who had seen that woman back then had all been fired because they gossiped about it. Hence, there was no way to verify it.

Wang Yan thought about it and shook her head. It couldn’t be her. How could Mr. Chu like a slip of a girl who was just in her early twenties?

Wang Yan had been in the head office for five years, but she rarely had the chance to see the CEO. Even if she saw him, it was from afar during the annual meeting or when there were many people.

She still remembered that when she first came to the head office, she happened to be in time for the company’s new product launch. She saw Chu Liyuan from afar and fell deeply for him. It was love at first sight. She had sacrificed so much to stay in the head office and slowly became the only woman in the senior management of the head office.

She had worked hard for five years. How could Jian Dan join the CEO’s Office in less than a month? That was a place she dreamed of going to because she could see him every day after joining the CEO’s Office..
