

The Beloved and Pampered Girl

C 5

How Is This a House?

When she returned to the dormitory and saw Jiang Rong's empty bed, she naturally knew that she was the one who roofied her!

Jian Dan sat on her bed and spaced out for a while before starting to pack her things. After all, life still had to go on!

Just as she was packing up, her cell phone rang... She picked it up and saw that it was an unknown number! She hung up.

Her cell phone rang again. It was the same number as before!

Jian Dan pressed the answer button... "It's me!"

A husky male voice emanated from the other end of the phone.

"Chu Liyuan?" Jian Dan subconsciously said this name.

"You recognize my voice so quickly?"

On the other end of the line, Chu Liyuan was inexplicably happy.

"Of course! Other than my dear uncle, who else could have such a husky and pleasant voice?" Jian Dan complimented.

Chu Liyuan should have been unhappy when he heard the word "uncle". But for some reason, it became especially pleasant to his ears when the words "my dear" were added.

"Are you done packing? If you're done, go downstairs! The person I sent to pick you up is there!"

"Okay!"

Just as Chu Liyuan was about to say something, Li Jing reminded him, "Mr. Chu, the plane is about to take off."

"Be good and wait for me at home!" Chu Liyuan said and hung up.

Before Jian Dan could react on the other end of the cell phone, she heard a beeping sound.

Be good? Why did it feel like he was talking to a pet?

Meanwhile... There was a faint smile on Chu Liyuan after he ended the call. Li Jing looked at Mr. Chu in front of him and rubbed his eyes in disbelief.

Was this still Mr. Chu? This decisive, resolute, and cold man in the corporate world actually knew how to smile?

This could definitely be listed as one of the top ten wonders in the world!

What was going on now? Could it be... the young girl who suddenly barged into the car last night looked to be in her twenties and had an average appearance and figure.

Could it be that she had actually won Mr. Chu over?

Impossible...

Li Jing's mind could not keep up.

Mr. Chu clearly disliked female creatures to the extreme. The senior Mr. Chu racked his brains and painstakingly sent many beauties to Mr. Chu. They were all sexy and beautiful girls from humble families. They had an intellectual temperament, were gentle, petite and cute. However, he did not like any of them.

How could such a young and naive girl be so capable?

Li Jing did not believe it no matter what.

However, looking at Mr. Chu's current appearance, it was obvious he had the looks of a young boy who had just tasted the forbidden fruit!

Li Jing scratched his head...

Jian Dan took her luggage downstairs and saw a black car. Jian Dan was not familiar with cars, so she did not know what kind of car it was. Beside the car was an old man with a head full of silver hair who stood ramrod straight.

When the old man saw Jian Dan, he came forward and introduced himself. "Young Madam, I'm the butler of Li Garden. You can call me Uncle Yuan!"

Young Madam? What kind of address was that?

"Hello, Uncle Yuan. I'm Jian Dan!"

Jian Dan did not mind and greeted the old man politely.

From the beginning, Jian Dan noticed that this old man had been staring at her.

"Uncle Yuan, is there a problem? Why are you staring at me?"

"Oh! It's nothing! In the photo that Young Master gave me, you have long hair. It is short now."

"Does it look good?"

"Yes! Yes!" When Chu Zhiyuan first saw this girl's photograph, he thought that she was young. Now that she had cut her hair short, she looked like a high school student.

If she stood with Ah Yuan, would she be mistaken as his daughter??

"Right? I think it looks pretty good too."

Of course. Otherwise, why would Liyuan marry you?

When they arrived at Li Garden...

Jian Dan looked at the “humongous building” in front of her in disbelief.

Who exactly am I married to?

How is this a house? It’s practically a castle!

Wouldn’t it be scary to live in such a big house?

Isn’t it exhausting to clean?

Countless questions popped up in her head.

“Hello, Young Madam.”

There were people standing on both sides of the door. When they saw Jian Dan, they greeted her in unison.

Jian Dan was shocked by the sudden voices.

“H-hello.”

Jian Dan greeted them awkwardly.

Under everyone’s gaze, they entered the “castle”.

The interior was even more exaggerated. Even the dining room was larger than a simple home.

There were a total of five floors. The first floor was the kitchen, dining room, living room, and drawing room.

Drawing room? Oh my god, do they need such a place at home?

There were six guest rooms on the second floor.

The third floor was the master bedroom, study, and video conference room.

The gym was on the fourth floor.

Gym? He actually moved the gym to his house? Does he have to be so exaggerated?

The fifth floor was a rooftop with a glass house and many professional astronomical telescopes.

From the rooftop, one could not see the end of the garden below...

There are also farms, pastures and fish ponds specially tended by people.

This "home" was really too exaggerated.

How is this a house?
