

## The Beloved 61

### Chapter 61: Following Xia Zijie

“Jian...”

Jian Dan received a call from Mengjiao.

“Looks like training is easy. You actually have time to call me.”

“I need your help with something.”

Mengjiao really did not know who to ask for help, so she called Jian Dan.

“What happened?”

Hearing Mengjiao’s tone, Jian Dan stopped joking.

“Just now, my mother called me and told me that something was amiss with my brother recently. But when I asked him, he said that he was fine! My mother was worried, so she called me. But I’m in the military camp now and can’t leave.”

“What do you need me to do?”

The previous matter had clearly been settled. Did something else happen again?

“I want you to secretly follow my brother and see what’s up with him.”

Her mother was very worried about her brother, but she could not leave the camp; so she could only ask Jian Dan for help.

“No problem.”

The next morning—before Chu Liyuan woke up—Jian Dan put on a disguise and went out.

In order to facilitate the tracking, Jian Dan booked a ride on a motorcycle. “Sir, please follow the food delivery rider in front. Don’t get too close. Don’t let him discover you.”

Jian Dan could not even ride a bicycle, let alone a motorcycle.

“Alright! Why are you following a food delivery rider for no reason?”

Sir, you’re too nosy!

“Catch him in the act!” Jian Dan said casually.

“Is that your husband?”

Jian Dan rolled her eyes. “Sir, eyes on him. Don’t lose him.”

Jian Dan did not want to waste her breath on him anymore.

“Don’t worry! I won’t lose him.”

She did not notice anything amiss all morning until noon...

Why did this road look so familiar?felt like she had been here before.

Jian Dan was right; Xia Zijie went to that car dealership.

“Ha! You’re punctual! Let me see!”

It was that annoying fatty’s voice.

“I told you to get three pairs of chopsticks, but you got four pairs? So environmentally unfriendly? Looks like I have to give you a bad review today.”

Judging from the fatty’s words, this was not the first time.

He was obviously venting his anger from the previous incident!

Well, well! I let you go out of goodwill, but you are so unrepentant! In that case, you can look forward to some jail time then!

“You still haven’t learned your lesson?”

Jian Dan sauntered over and cast a cold-eyed glare at the fatty.

“Jian Dan? Why are you here? Leave quickly.”

When Xia Zijie saw Jian Dan, his face froze. He did not want to implicate Jian Dan.

“Don’t worry, it’s fine!”

“How dare you come here?”

“Why not?”

“You think you can strut around here just because you have a rich sugar daddy?”

In the fatty's eyes, Jian Dan was at most a mistress kept by a rich man.

"If your sugar daddy finds out that you've got a gigolo on the side, what do you think he'll do to you?"

In the beginning, he wanted to vent his anger on this food delivery rider. He did not expect this woman to come knocking on his door.

Today, he would vent all his anger in one shot.

This fatty contacted Chu Liyuan...

After all—in his opinion—Jian Dan was a kept woman. One could imagine what would happen if the sugar daddy of a kept woman found out that she had a gigolo on the side.

When Chu Liyuan received his call saying that Jian Dan was at the car dealership, he rushed over immediately.

Chu Liyuan had just walked in the door when the fatty went up to him. "Your woman has a gigolo on the side. Did you know that?"

The fatty looked at Jian Dan with a sense of schadenfreude, waiting to see what would happen to her.

"What nonsense are you talking about? We don't have that kind of relationship at all!"

Although Xia Zijie did not know what relationship Jian Dan had with this man, he could not let others slander Jian Dan.

Jian Dan walked over to Chu Liyuan nonchalantly and hugged his arm. "Sorry, I might have to disappoint you. Sugar Daddy, this fatty bullied me."

Jian Dan deliberately wheedled and put on a coquettish act.

This lass was at it again. She was going to make that fatty fall flat on his face!

Since she wanted to do that, he would play along!

“Don’t worry! I’ll avenge you immediately.”

“I helped you to find her gigolo on the side. Instead of thanking me, you...”

This fatty still did not get it.

“Gigolo? So what? I’m loaded. I can keep him as well. It’s not like I can’t afford it.”

Uncle, you’re so cooperative! Haha!

“As for you, if you have anything to say, tell it to the police!”

Jian Dan had already called the police before she came in. The police arrived just in time...

Even when the fatty was taken away by the police, he still did not understand what was going on.

Of course, there was another person who was confused—Xia Zijie.

Jian Dan looked at the confusion on Xia Zijie’s face and burst out laughing.

“Hey! Come back down to Earth!”

Jian Dan nudged Xia Zijie.

“Erm...”

“This is my husband, Chu Liyuan!”
