

The Beloved 68

Chapter 68: Casting Couch

Chu Liyuan had long gone crazy from anxiety. He had lost contact with Jian Dan and Grandpa for more than 40 hours. These were the two most important people to Chu Liyuan!

Chu Liyuan found out that the two of them were last seen stopping at the train station. After that, the two of them disappeared...

Chu Liyuan could no longer bear it and decided to look for them personally...

“Uncle.”

Jian Jian? Chu Liyuan turned around abruptly and saw Grandpa and Jian Dan standing behind him...

“What happened to the two of you? I can’t get through to either of your cell phones!”

Chu Liyuan roared at the two of them with a thunderous face.

“Uncle, don’t be angry! Grandpa and I had our cell phones stolen!”

Jian Dan wheedled.

“The young one is worrisome. The old one is also the same.”

“Liyuan, aren’t we already back safely?! Don’t be angry.”

“That’s right! Uncle, I promise that it won’t happen again. In the future, I’ll definitely bring you along when I go on trips.”

“Oh, you...”

In the past, Grandpa was the only one that Chu Liyuan couldn't do anything to. Now there's Jian Dan too... He was simply asking for it!

“Uncle, look at me.”

Chu Liyuan was too busy throwing a fit to notice her.

“You...”

Only then did Chu Liyuan notice that Jian Jian was wearing a figure-hugging, old-fashioned cheongsam. Although the style was very old, it brought out a different side of Jian Dan and was very beautiful.

“Alright! I'm tired. I'll go back to the family residence first.”

He was also young once. The moment he saw Liyuan's gaze, he knew that this lad... Haha! As a third wheel, he obviously had to leave quickly!

It seemed that it would not be long before he could have his great-grandson.

After Chu Zhiyuan left, Chu Liyuan carried Jian Dan over his shoulder and returned to the bedroom.

When he returned to the bedroom, he threw Jian Dan onto the bed and pinned her down...

“Uncle, what are you doing?”

She had just returned. Did Uncle want to...

“What do you think I want to do?”

She had made him so worried for the past two days. Shouldn't she make it up to him?

"I just came back. I'm worn out! Can you let me rest for a while?"

"No!"

"Uncle."

"When you decided to act on the precept of 'it's easier to ask forgiveness than to get permission', didn't you think of the consequences?"

"But..."

Chu Liyuan did not give Jian Dan a chance to explain.

No matter how much she explained, it was far less practical than actions...

His two days of longing manifested in courses of actions...

The next day, Jian Dan could not even get up from bed. She lay there until noon.

While eating, Jian Dan whipped out the new cell phone that Chu Liyuan had bought for her and scrolled through her WeChat Moments...

She saw a piece of news...

"In order to get to the top, Fang He used the casting couch and dumped his ex, Fang Xiaoning!!!"

What was going on??

Jian Dan immediately clicked on the news. The content was very salacious.

It was reported that in order to become famous, Fang He dumped Fang Xiaoning—who had been through thick and thin with him—and slept with his manager, Xu Mengmeng.

What was going on?Mengmeng and Fang He had known each other since college. Moreover, Mengmeng was the one who had been through thick and thin with Fang He. Who the heck was Fang Xiaoning?

When Jian Dan saw this news, she immediately guessed that Qin Rou was definitely behind this.

She could not get her, so she targeted Mengmeng!

Very well. Since you insist on provoking me, we'll see who gets the last laugh..
