

The Beloved 71

Chapter 71: Uncle, Exigency! Come Posthaste!

But the problem now was that she did not know how to drive.

As they said, it was only when it came to applying knowledge that one regretted not reading more in the past; it was only through experience that one learned hard lessons.

She only knew the theory of driving, but she had never actually done it.

“Jian Dan, you can do it.”

Jian Dan encouraged herself as she opened the car door and sat in the driver’s seat...

After thinking for a long time...

“Hoo hoo hoo... Oh, I can’t do it!”

It was really too terrifying. She really could not do it!

If she was not careful, she might lose her life! She had bragged to them earlier that she had gotten her driver’s license on the first attempt.

Great, now she was going to fall flat on her face!

Wait a minute! If she couldn’t do it, she could get help!

Jian Dan immediately called Chu Liyuan...

Chu Liyuan was reviewing the new proposal that the Planning Department had just submitted. When he saw Jian Dan's call, he was very curious. He thought that this lass would sleep through the entire day!

It seemed that he had been too lenient last night.

"Why? Did you miss me so soon?"

Chu Liyuan teased when he answered the call.

"Uncle, exigency! I'll send you a location. Come posthaste!"

This lass... What happened now? What was the exigency?

Without any hesitation, Chu Liyuan picked up his car keys and went straight to the parking lot. He did not even have time to inform Li Jing.

He was a speed demon as he sped to the location sent by Jian Dan...

It was only after he arrived that he realized she just wanted him to be a driver.

He was just here to be a driver? Did she know how many red lights he ran?

"Uncle, I'm sorry."

Jian Dan pulled her ears, not daring to look at Chu Liyuan...

"Oh, you!"

Why was this lass always meddling in other people's business every other day?

She was really too free. It seemed like there was really a need to have a baby and keep her busy.

“Then...”

Jian Dan slowly handed the car keys to Chu Liyuan.

“Okay! Get in the car!”

When had he not fulfilled his lass’ request before?

Chu Liyuan was about to start the car when Jian Dan put a baseball cap on his head...

“Hehe, disguise.”

How dare she make him—the high and mighty Chu Liyuan—disguise himself as someone else! How preposterous!

Sigh! It couldn’t be helped. She was his lass; he had to pamper her!

As expected, her escape plan worked and successfully lured all the reporters downstairs.

Mengmeng and Fang He got away successfully and drove Chu Liyuan’s car to the Civil Affairs Bureau.

They had been thinking about how they were going to go to the Civil Affairs Bureau after Jian Dan lured the reporters away. They couldn’t possibly take a cab, right?!

Unexpectedly, Jian Dan called and said that she had arranged a car for them in the parking lot.

Chu Liyuan's driving skills were not to be underestimated. He quickly shook off the reporters.

Then, he drove to the Civil Affairs Bureau to meet up with Mengmeng and Fang He.

Jian Dan felt like crying when she witnessed Mengmeng and Fang He getting married.

"I'm so happy! My best friend has finally found her happiness." Jian Dan looked at them enviously.

"Why weren't you so excited when we got married?"

This lass was too much! She wasn't even like this when they got married. But when others got married, she was so excited? What did she take him for?

How was it the same when they got married?

Why did they get married? They knew full well.

However, it was better to keep these thoughts to herself. If Chu Liyuan found out, she would lose her life.

"When you get married, even if you're excited, you can't show it! You have to be more reserved!"

Perfect reasoning..

Chapter 72: Give Her A Taste of Her Own Medicine

After Mengmeng and Fang He registered their marriage, they left the country immediately on Jian Dan's advice...

Jian Dan began the next phase of her plan.

Since it was a counterattack, Jian Dan needed help.

So Jian Dan roped Mengjiao in...

Xia Zijie was recovering very well and basically fine now. In addition, Granny Xia was here now, so Mengjiao was not as swarmed as before.

Since Fang Xiaoning liked to accuse others of using the casting couch, Jian Dan shall let everyone know who was really the one using the casting couch.

Jian Dan and Mengjiao were both top students in the faculty of Computer Science. It was easy for them to hack into Fang Xiaoning's cell phone and install a listening device.

She was shocked beyond words by what she learned from the listening device.

Fang Xiaoning was like a high-end social escort who exploited herself to the extreme... In just three days, they had the audio recordings of seven directors, producers, and investors... The content was very explicit and vulgar beyond words!

What was even more exaggerated was that they even managed to obtain a video recording...

How could there be such a coincidence in this world? Fang Xiaoning happened to place her cell phone in the compartment with a zipper at the back of her bag. The zipper happened to be open, and her cell phone happened to be protruding out of the compartment. The camera happened to be facing the bed.

The content of the video was even more explicit than a porn movie.

"Jian, will we get styes after watching this?"

“Come! Take precautions.”

Jian Dan applied some eye drops and then passed it to Mengjiao.

Such a person actually had the cheek to accuse others? She was shameless beyond redemption.

However, this was not Jian Dan’s only goal. She wanted to use Fang Xiaoning to catch the mastermind.

Qin Rou!!

However, she did not expect Qin Rou to be so careful; Qin Rou did not use her computer or cell phone to contact Fang Xiaoning.

She was probably afraid of leaving evidence behind, so she was very cautious.

However, what goes around comes around. He that touches pitch shall be defiled! They would get her sooner or later.

It only took Jian Dan and Mengjiao five days to collect enough evidence to destroy Fang Xiaoning. The next step was to counterattack.

Mengmeng and Fang He rushed back after receiving Jian Dan’s news.

On the day of Fang Xiaoning’s press conference...

Fang Xiaoning had intended to use the press conference to put on a pitiful show to gain sympathy. But this press conference was destined to become Fang Xiaoning’s own grave—one that she dug herself—instead

At the press conference...

“I’ve sacrificed so much for Fang He, but he dumped me to hook up with Xu Mengmeng in order to get to the top. Boohoo... I was really blind to fall in love with the scumbag Fang He.”

Just as Fang Xiaoning was trying her best to act pitiful, some discordant voices emanated from the speakers behind her.

“Mr. Wang, you said that you would let me be the second female lead in this drama. You must keep your word.”

“Don’t worry. If you service me well, the second female lead will be yours.”

Gasps and moans ensued...

“Mr. Li, when can I start filming for the third female lead you promised me?”

“Of course, I remember my promise to you. You can start filming tomorrow...”

Gasps and moans ensued...

“Who did this?! Turn it off! Turn it off now!”

Fang Xiaoning was pulling the wires of the speakers maniacally...

But no matter how hard she tried, those explicit audio content continued playing.

“All!”

She knew that she was done for. All her efforts were going down the drain... Everyone would stay away from her to cut ties with her. All the roles she had previously obtained would definitely be gone.

Fang Xiaoning looked really pitiful now...

However, Jian Dan was not a saint. She would not pity a venomous snake that was about to die.

After that... Mengmeng and Fang He took the opportunity to announce their marriage.

The online comments about them were all positive...

Fang He had become the symbol of a good man..

Chapter 73: Completed Credits Finally

Jian Dan thought she could finally take a break now that Mengmeng and Fang He's tabloid storm was over.

Unexpectedly, Ling Xiaoyang called soon after.

After answering Ling Xiaoyang's call, Jian Dan rushed back to campus...

"Did you wear the stuff I gave you every day?"

"Of course I did."

Jian Dan pulled her pants up, revealing the sandbags.

"Other than showering and sleeping, I've been wearing them religiously!"

She did not know what this guy was up to. What was the use of letting her wear these four kilograms of sandbags every day?

“That’s good.”

Ling Xiaoyang looked relaxed.

“What do you mean?”

“I’ve made an appointment with the physical education lecturer on your behalf. You’ll take the exam today.”

“What?”

Jian Dan thought that they were going to train today.

Ever since Ling Xiaoyang promised Jian Dan that he would help her pass the physical education class—other than the few days of training at the military camp—there was no other training at all. Now, he actually made an appointment with the lecturer?

“We haven’t even trained. How can I take the exam?”

Jian Dan looked at Ling Xiaoyang in confusion.

“Don’t worry! If I say you will pass, you will.”

?? Cocky, aren’t you?

Jian Dan was about to escape when she saw the lecturer arriving.

It seemed like she would not be able to escape today.

“Remove the sandbags.”

Ling Xiaoyang said to Jian Dan before her examination.

Jian Dan was not in the mood to guess what he was up to. She only thought that she was going to fail the examination again today...

Ling Xiaoyang was very confident in Jian Dan! After wearing the sandbags every day, Jian Dan's leg muscles must have improved. Coupled with the fact that she had removed the sandbags now and relaxed her leg muscles, she could definitely obtain very good results today.

Looking at Ling Xiaoyang's confident face, Jian Dan was really not confident at all...

Forget it, here goes nothing! I'll try my best!

The 50-meter run took 7.8 seconds, and the 800-meter run took 3 minutes and 35 seconds.

Jian Dan could not believe it. Not only did she pass, but she also passed the examination with flying colors.

But she had not done anything. How could that be?

“See? I told you, you will pass!”

Ling Xiaoyang came over to the dumbfounded Jian Dan.

“All! I passed, I really passed!”

Jian Dan hugged Ling Xiaoyang in exhilaration...

A few seconds later, she realized that she had lost her composure and quickly let go. "I'm sorry! I was too worked up."

"It's alright!"

Because of Jian Dan's hug just now, Ling Xiaoyang's heartbeat had definitely soared to 180.

"I'll buy you dinner to thank you."

She finally got the monkey off her back and was over the moon.

Jian Dan took the initiative to ask him out for a meal?

It's just a meal. Do you have to be so excited? Ling Xiaoyang, calm down. Don't embarrass yourself!

"Okay! I want an expensive meal. Mind your wallet!"

"No problem."

Helping me earn the physical education credits is such a huge favor! I'll treat you, no matter how expensive.

"But not today. I have something on tonight."

His parents had just returned from Switzerland and they were going to have dinner together tonight.

"Sure! Then we'll do it another day. You decide when."

"It's a date then."

"Sure!"

Jian Dan turned to leave. Who knew...

"You dropped your student ID!"

Ling Xiaoyang picked up Jian Dan's student ID.

"Thank you."

"You're only 20 years old?"

When Ling Xiaoyang saw the date of birth on Jian Dan's student ID, he realized that Jian Dan was only 20 years old. She was actually younger than him.

"Why?"

Jian Dan grabbed her student ID.

"Why? You're only 20 years old, yet you lied to me and made me call you senior?"

"So what if I'm 20 years old? I can't be your senior because I'm 20 years old? I'm in my final year while you're a freshman. I am your senior!"

"But, I'm your teacher. Anyway, I don't care. You're younger than me. In the future, I'll call you... Little Jian Dan!"

Ling Xiaoyang thought for a moment and said.

“What? How dare you?!”

“Little Jian Dan! Little Jian Dan! Little Jian Dan!” Ling Xiaoyang stuck out his tongue at Jian Dan and ran off..

Chapter 74: “You’re Their Son?” “You’re Uncle Chu’s

Wife?”

Ling Xiaoyang sat at his desk in the dormitory. His right hand was deftly twirling a pen. The corners of his mouth curled up as he stared straight ahead...

His mind was filled with Jian Dan.

He had thought that she was his senior and older than him, but it turned out that she was even younger than him.

“Hey! Look at your lovestruck face. Which girl are you thinking about?”

Han Yi—his roommate—saw Xiaoyang’s lovestruck face the moment he returned.

“The one that will be mine.”

“Hoho, so you already have a target?”

Hearing Xiaoyang’s words, Han Yi immediately perked up.

“Which beauty has bewitched Young Mr. Ling? I sleep in the same room as you every day, yet I don’t know anything about it?”

The two of them were as thick as thieves. Why didn’t he know that this guy had taken a fancy to a girl? Unless...

Wait... Could it be??

“Don’t tell me it’s Jian Dan?”

Han Yi looked at Ling Xiaoyang in disbelief.

Although Ling Xiaoyang did not admit it, the expression on his face was enough to confirm it.

There were so many pretty girls on campus. Why did he fancy her?

Although school had just started a few days ago, Xiaoyang was already very popular in the school. Not only was he handsome, but he was also a straight A student. He even excelled in all the physical education classes.

He had already become the heartthrob of many girls on campus.

The love letters that were sent to him every day gave the dormitory manager a huge headache.

All the girls trying to win him over were prettier than Jian Dan. Was there something wrong with this guy’s eyes?

“There are so many hot chicks surrounding you every day, but you’ve taken a fancy to an older girl.”

“No, no, no! She’s younger than me!”

“What? How is that possible?”

“I only found out today too. She’s only 20 years old.”

“Erm...” She was a genius. No wonder Professor Wang wanted her to be his teaching assistant even though she had not even graduated yet!

However, ancient times also extolled that it was a virtue for a woman to be talentless. It was not a good thing for a woman to be too smart!

“What do you see in her?”

Han Yi—who was also a guy—could not get it.

Even Ling Xiaoyang himself did not know what he liked about Jian Dan.

It was like a magnetic field that fiercely attracted him.

“Alright, I won’t chitchat with you anymore. My parents are back. I’m having dinner with them tonight. I’ll make a move first.”

There were some things that he did not need others to understand. As long as he understood it himself, it was enough.

Jian Dan stayed in the library for the entire afternoon. She was about to go home when she received a call from Chu Liyuan.

“Jian Jian, are you still at campus?”

“Yup! I’m about to go back! Uncle, did you miss me?”

“Jihao and Qianqian are back. Let’s have dinner together tonight!”

“They’re back? Alright!”

“I’ll pick you up at school.”

“Okay!”

“Mom, Dad!”

When Ling Xiaoyang arrived at the restaurant, Jihao and Qianqian were already there.

Xiaoyang sat beside Qianqian...

A mother knew her son best! Qianqian could tell at a glance that something was up with her son.

“Are you dating?”

Ling Xiaoyang looked at his mother in disbelief.

Mom, your eyes are too sharp! You can tell?? Nothing can escape her eyes.

“No!”

“What’s there to hide if you’re dating?!”

“I really am not!”

“Huh?”

“Alright, alright, alright! There’s a girl I like. But, I haven’t started wooing her yet!”

“If you like her, then woo her! What’s there to hesitate about?”

“She’s different from my previous girlfriends. I have to take it slow.”

“Looks like you’re serious this time!”

“Alright, alright, stop talking about me. Why isn’t Uncle Chu here yet?”

“Your Uncle Chu went to pick up his wife. He’ll be here soon.”

“What? When did Uncle Chu get married?”

As Ling Jihao’s son, Ling Xiaoyang knew Chu Liyuan very well too.

‘I had the same reaction as you when I first heard the news.’

They were indeed father and son!

“I wonder who she is to be able to win Uncle Chu—The Devil—over. I’m impressed! I must get to know this heroine later.”

“She’s no heroine. Your Uncle Chu is no longer The Devil in front of her; he’s a little kitten.”

“Noway!”

“You’ll see for yourself later.”

“See what?”

When Jian Dan heard the conversation in the private room, she pushed the door open and entered.

“Qianqian, Jihao, hello.”

When Ling Xiaoyang heard the voice, he turned around to see what Uncle Chu’s wife looked like...

“Why are you here?”

“What are you doing here?”

The two of them said at the same time when they laid eyes on each other.

On the way here, Chu Liyuan had told her that other than Qianqian and Jihao, their son would also be joining them today.

Ling Xiaoyang looked at Chu Liyuan holding Jian Dan’s hand and realized...

“You’re their son?”

“You’re Uncle Chu’s wife?”

The two of them said at the same time as they seemed to realize something at the same time..

Chapter 75: Public Display of Affection

“You two know each other?”

Qianqian was the first to speak!

“Yes! I’m the teaching assistant in Ling Xiaoyang’s class.”

She did not expect Ling Xiaoyang to be Qianqian and Jihao’s son. What a small world!

“What a coincidence.”

Jihao said in disbelief.

“Take a seat first. Let’s talk while eating!”

Qianqian said when she saw that the two of them had not taken their seats.

“Okay!”

Chu Liyuan slowly pulled out a chair for Jian Dan before taking the seat beside her.

From the moment Jian Dan walked in the door until now, Ling Xiaoyang’s gaze had been fixed on her.

How can this be? How is this possible? How can Jian Dan be Uncle Chu’s wife? Impossible! This can’t be true! If not true!

Ling Xiaoyang could not believe it.

Upon the arrival of Jian Dan and Chu Liyuan, Qianqian asked the server to start serving the dishes.

“What a coincidence. I didn’t expect Jian Dan to be the teaching assistant in Xiaoyang’s class.”

“I’m just helping the professor deal with the miscellaneous matters.”

“Did this cheeky lad cause you any trouble?”

Qianqian knew very well what her son was like!

“Of course not! Not only did he not, but he also did me a huge favor.”

Ling Xiaoyang was her benefactor now!

“Favor? What favor did this lad do you?”

Qianqian turned to look at her son.

“Well... I’ve always been very poor in physical education, so I haven’t earned enough credits for it. However under Xiaoyang’s tireless guidance -I finally completed my physical education credits today.”

Jian Dan said excitedly.

Jian Dan was very relieved to finally get the monkey off her back. Hence, she was in a very good mood.

“Really?”

Obviously, she did not expect her son to be so helpful. He had always been uninterested in the affairs of others. He was so helpful this time?

“Yup!”

Jian Dan stood up and raised the wine glass. “Xiaoyang, I didn’t expect you to be Qianqian and Jihao’s son. Based on seniority, wouldn’t that make me your aunt? But no matter what, thank you for helping me earn my physical education credits. Let me toast you.”

Ling Xiaoyang snapped out of his reverie and slowly stood up. He tried his best to suppress his emotions, afraid that others would see through him.

However, Jian Dan had just brought the wine glass to her lips when...

“Kids shouldn’t drink.”

Chu Liyuan took the wine glass from Jian Dan’s hand. “My lass is still young. I’ll drink on her behalf.”

He downed the wine in one gulp.

“Uncle, I’m not a kid anymore. I can drink now.”

She was already 20 years old. How could she still be a kid?

Chu Liyuan cast a sharp glare...

“But I don’t drink.”

Jian Dan immediately acquiesced.

“Oh, come on. You can’t even bear to let her drink a glass of wine?”

Ling Jihao mocked.

“Why? Do you have a problem with that?”

Chu Liyuan retorted coldly.

“No, I wouldn’t dare! Let’s eat! Let’s eat!

Jian Dan looked at the sumptuous spread and drooled.

Jian Dan tried a piece of mutton... “Mmm! Yummy!”

“Uncle, try it!” She picked one piece for Chu Liyuan and brought it to his mouth.

Chu Liyuan smiled and opened his mouth to eat. “Not bad indeed!”

“Yeah!”

Witnessing their intimate actions, Ling Xiaoyang’s heart seemed to be bleeding...

“Ouch! ” Jian Dan was peeling a prawn when she accidentally pricked her finger.

Chu Liyuan immediately pulled Jian Dan’s hand over popped her finger in his mouth and sucked gently...
“So dumb. You can prick your finger while peeling a prawn?”

Jian Dan never expected Chu Liyuan to do this in front of so many people.

Although Chu Liyuan chided Jian Dan, he reached out to take the prawn that Jian Dan had not finished peeling and continued peeling... “Open your mouth!”

Jian Dan smiled and obediently opened her mouth. Chu Liyuan popped the peeled prawn into Jian Dan's mouth. "Mmm! The prawn today feels especially yummy!"

Jian Dan looked at Chu Liyuan with a lovestruck gaze.

"Are the two of you even going to let us eat? There are so many people here! Get a room!"

Ling Jihao teased as he witnessed their public display of affection.

The two of them acted as if there was no one else around, showing off their affection so unabashedly.

"No one forced you to watch. You can cover your eyes!"

Chu Liyuan said as he took a tissue.

"How did you get your mouth so oily?"

Ignoring Ling Jihao's words completely, he wiped Jian Dan's mouth.

"F*ck! Qianqian, look at how lovey-dovey they are. I really can't stand it. Ugh... I want to puke!"

"Washroom! Go out and turn left!"

"Chu Liyuan! You..."

Chu Liyuan was too infuriating!

“Hmph! You think you’re the only one who can show off your love?! We can do it too! Come, Qianqian, have some fish!”

He brought a piece of fish to Qianqian’s mouth.

“The four of you... Can you be any more disgusting? How can I still eat? You know what? My roommate is looking for me. I ll make a move first! ”

Ling Xiaoyang stood up and left, leaving the four of them with a view of his departing figure..

Chapter 76: She’s Not the Only Woman In This World

Ling Xiaoyang left the restaurant alone, a lonely soul...

lie finally understood what his father meant just now. In front of Jian Dan, Chu Liyuan was completely different from usual. Even though there were others present, he was not afraid to show his love and pampering for Jian Dan.

Looking at how intimate the two of them were—if he did not find an excuse to leave—he was really afraid that he would not be able to suppress his emotions.

“Han Yi, come out and have a drink with me!”

All he wanted to do now was get plastered and drown his sorrows. That way, he would not have to think about anything else.

“Aren’t you having dinner with your parents today? Why...”

“Cut the crap! Just get your a*s here!”

“Okay, okay, okay! I’ll go over now.”

Han Yi could tell that Ling Xiaoyang was in a bad mood. He put on a jacket and went out.

By the time Han Yi arrived at Sense Bar, Ling Xiaoyang had already knocked back a few.

“What’s going on with you?”

He looked at Ling Xiaoyang, who was already sloshed.

“Come! Come, drink with me.”

It would stop hurting if he was drunk.

Ling Xiaoyang knew very well that his feelings for Jian Dan were different from his previous girlfriends. But why did she have to be Uncle Chu’s wife? Why?

‘You’ve had enough. What’s the matter with you? Has something happened?’

“If you’re my buddy, don’t ask anything. Just drink with me!”

“Alright! I’ll drink with you!”

Han Yi knew that something must have happened to Xiaoyang. But since he did not want to say it—as his buddy—he could only be there for him.

“Handsome, can you buy me a drink?”

A hot girl approached Ling Xiaoyang and kept grinding her body against Ling Xiaoyang.

Ling Xiaoyang looked at her with hooded eyes...

That's right! There are so many women in this world; Jian Dan is not the only one.

"Of course I'll buy a hottie like you a drink!"

Ling Xiaoyang snaked his arm around the woman's slender waist and handed her a wine glass.

The woman took the glass—swirled the wine—and drank it. Then, she eye f*cked Ling Xiaoyang.

Just as Ling Xiaoyang was about to reciprocate, Han Yi pulled him over... "I'm sorry! He had too much to drink. We'll make a move first."

Han Yi helped Ling Xiaoyang up and stumbled out of Sense Bar...

This morning, he was still expressing his deep love for Jian Dan. It had only been a few hours. How did he suddenly become like this?

Ling Xiaoyang could not return to the dormitory after he was hammered, so he found a budget hotel nearby to stay for the night.

"Ow! My head hurts!"

Ling Xiaoyang rubbed his temples with one hand and sat up with great effort.

"Of course. How can you not have a hangover after drinking so much last night?"

Han Yi teased.

“Why are you here? Where am I?”

Ling Xiaoyang felt weak all over and his head was killing him.

“Don’t tell me you forgot everything about last night?”

This guy puked like a fountain last night... Han Yi took care of him for the entire night without sleeping. Great, he forgot all about it when he woke up.

“Last night??”

Ling Xiaoyang rubbed his head and tried to recall...

“I think I went to Sense Bar for a drink... After that... My memories are hazy.”

“If it weren’t for me last night, you would have been swallowed whole.”

“What?”

When Ling Xiaoyang heard Han Yi’s words, a blurry figure appeared in his mind...

“Okay!”

That’s it? That’s all he had to say?

“I’ll go wash my face first.”

Ling Xiaoyang got up and went to the bathroom. He turned on the faucet and washed his face with cold water. The cold water awakened him fully.

Only then did the events of last night slowly surface in his mind...

Jian Dan? Uncle Chu's wife?

Chapter 77:1 Might Not Be Free Recently Because I'm Busy

With Dates

Ever since that day, Ling Xiaoyang seemed to have become a different person.

He started dating different girls every day...

After class one day—just as Ling Xiaoyang was about to leave the classroom

Jian Dan stopped him...

Ling Xiaoyang schooled his emotions and turned around with a happy-go-lucky smile on his face. "Jian... Aunt, what's up?"

"What did you just call me?"

"Aunt! You're Uncle Chu's wife; so it's not wrong for me to call you Aunt!" "Sigh! You can call me whatever you want! I haven't seen you much recently.

Your mother asked me to take good care of you!"

"Thank you for your concern, Aunt Jian. I'm fine. I don't need it."

Why was this guy so sarcastic? When did she step on his toes?

Seeing that Ling Xiaoyang was about to leave, she said, "I still owe you a meal!" "Oh, yeah! But I'm not free recently because I'm busy with dates! We'll see!" Ling Xiaoyang left...

Dates? Was he dating? No wonder she hadn't seen him recently!

Jian Dan was relieved to know that he was fine.

Jian Dan packed up the teaching materials and left the classroom...

When she stepped out of the classroom, she saw Ling Xiaoyang walking with a very beautiful girl...

That must be his girlfriend! The two of them looked very compatible!

Coincidentally, she was going shopping with Qianqian this afternoon; she could tell Qianqian the good news!

While Jian Dan was in a reverie, the two of them had already disappeared from her line of sight...

Jian Dan quickly sent the teaching materials to the office and went to

Shangqing Mall to meet up with Qianqian.

"Qianqian, have you been waiting long?"

When Jian Dan arrived, Qianqian was already waiting there.

“No, I just got here too.”

“I’ve got news for you... Don’t blame me for being late... Because I saw Xiaoyang going on a date with a very beautiful girl today!”

“A date??”

Could it be the girl he mentioned last time? He had won her over already?

Xiaoyang seemed very serious about her.

“That’s right! Xiaoyang told me that he was going on a date!”

“What does that girl look like? Is she beautiful? Does she have a good personality?”

This was how mothers were. They were very anxious when it came to their sons.

“Hmm... Long hair, tall and curvaceous, slender charming eyes... As for her personality? I can’t tell from that.”

If one listened carefully, they would realize that the characteristics Jian Dan mentioned were completely opposite to hers.

“Okay! I hope he can have a serious relationship this time!”

The two of them entered Shangqing Mall—the largest department store in S

City. It had everything...

“Wow! So cute!”

Jian Dan said as she looked at a pet cat in a pet shop.

“You like cats?”

“Yup! I’ve always wanted to keep one. Meow...”

“Keep a cat? I don’t think Chu Liyuan will agree.”

“Why not? I mentioned it to Uncle a few days ago, and he already agreed!” “What? He agreed? I can see that he really dotes on you through and through!” “You’re exaggerating. It’s just a cat!”

“It’s just a cat? You probably don’t know then... Chu Liyuan is severely allergic to pet fur!”

“What? Uncle is allergic to cats?”

“That’s why I said he really dotes on you through and through!”

Uncle disregarded his own health in a bid to make her happy. He was really too much. He didn’t tell her anything!

“Qianqian, thank you for telling me!”

Uncle was really too good to her, but what about her? No! She had to treat

Uncle even better!

Just then, a small figure caught the attention of Jian Dan...

Chapter 78: Tailor-made

“This is?”

Jian Dan looked at the chubby face in the cage. It looked like an old man with wrinkly skin and green eyes. Most importantly, there was not a single hair on its body.

“This is a hairless cat!”

The shop assistant walked over and introduced.

“Hairless cat?”

Oh my god! This was simply tailor-made for her and Uncle! Not only could it satisfy her wish to keep a cat, but Uncle would not be allergic to it.

“How much is this?”

“13,000 yuan”

“So expensive?”

“This is a show grade pedigree. It’s already very cheap.”

“Alright! I’ll take it.”

“It really suits the two of you!”

“Yup! I think so too!”

Jian Dan carried this cute little pet and jumped around joyfully like a child.

Jian Dan accompanied Qianqian to Jihao’s office...

“Why are you here together?”

Jihao asked when he saw Qianqian and Jian Dan.

“Didn’t we agree—a few days ago—to have dinner with Chu Liyuan and Jian Dan today? So, we came over after shopping. Are you ready?”

“Is it today? But I have an important meeting later!”

Jihao had obviously forgotten about today’s dinner date.

Just then, a young girl in a tight dress knocked on the door and entered. “Mr.

Ling, the meeting is about to begin.”

“Alright, I’ll be right there!”

“Sure, Mr. Ling!” The girl left.

“As you can see, I really have a very important meeting today. Why don’t we do it another day?”

“It’s okay, it’s okay. Work is more important!”

It was just a meal; work was more important! Uncle would understand.

But who knew... “We fixed this dinner date a long time ago. Why did you arrange the meeting today?”

Qianqian said angrily.

Jian Dan was puzzled. According to Jian Dan’s understanding of Qianqian, Qianqian was a very understanding and polished woman. Why was she throwing a tantrum over such a small matter like a meal?

“What’s wrong with you? Why have you been throwing tantrums for no reason recently?”

Jihao’s face darkened as well...

“Ever since we returned to the country, you’ve been working every day. You’ve been spending so much time in the office.”

“This is the office. Can you stop being so unreasonable? Can we talk about it at home? Besides, Jian Dan is here.”

Jihao suppressed his anger and said to Qianqian in a low voice.

“Home? Recently, you’ve either been coming home in the middle of the night or not coming home at all. You might as well live in the office.”

Qianqian covered her face and ran out...

Jian Dan immediately went after her...

Jian Dan saw Qianqian squatting beside a big tree by the roadside, crying.

“Qianqian, are you alright?”

“Jian Dan, do you think I was too much just now? But I just can’t control myself. I don’t know what’s wrong with me. Boohoo...”

Jian Dan looked at Qianqian and did not know how to comfort her.

“I’ve been like this recently. I lose my temper easily. Do you think I’m going through menopause?”

“You’re so young. How is that possible?”

“Then why? I’ve never lost my temper with him in public before!”

“Well...”

Jian Dan had realized that from the moment that girl appeared, Qianqian’s emotions had begun to fluctuate.

“Qianqian, is that girl Jihao’s new secretary?”

“Yup!”

“Did your emotions start to become like this after she became Jihao’s secretary?”

Upon hearing Jian Dan’s words, Qianqian realized it belatedly.

Jian Dan knew that this must be the case when she saw Qianqian’s expression.

It was clear now...

After their return, Jihao had been busy with work and did not spend much time with Qianqian. However, this was not the salient point. The salient point was Jihao's secretary.

From the looks of it, she should be around twenty-four or twenty-five years old. As for her looks... She was considered pretty while her figure needed no words. She wore a figure-hugging dress that flaunted her butt and strutted around Jihao—who saw her more than he saw Qianqian—every day. How could Qianqian be indifferent?

Logically speaking, Qianqian should not care about a secretary. However, the crux was that the girl was young, beautiful, and had a hot figure. As for Qianqian... Although Qianqian had taken good care of herself, she was already 42 years old after all. Besides, she stayed at home every day now and did not socialize much! Naturally, her self-esteem would be low....

Therefore, the top priority now was to help Qianqian regain her confidence..

Chapter 79:1 Want to Be Good to You Too!

Jian Dan sent Qianqian home and arranged to meet again the next day...

She already had a major plan—give Qianqian a makeover.

Jian Dan went straight to Qin Corporation. After all, she had to tell Chu Liyuan that tonight's dinner date had been canceled!

Jian Dan carried the cat cage and barged into Chu Liyuan's office. Coincidentally, Li Jing was also there.

"Uncle, Jihao has to work today, so he can't make the dinner date."

"Okay!"

“Also... Uncle, do you still remember I told you a few days ago that I wanted to keep a cat?”

“Keep a cat? Mr. Chu, aren’t you...”

Li Jing—who had surprise written all over his face—was about to say something...

“Li Jing, get out!”

“But...”

“Get out!”

Li Jing left Chu Liyuan’s office helplessly.

“I saw a very cute kitten today, so I bought it. Uncle, do you want to take a look?”

“Sure!”

Jian Dan looked at Chu Liyuan—who was pretending to be calm—and was delighted.

Who asked Uncle not to tell her that he was allergic to pet fur?

Although Li Jing had left Chu Liyuan’s office, he stood at the door and did not dare to go far. From time to time, he would even press his ear against the door to listen. He held his cell phone tightly in his hand. This way, he could call an ambulance immediately if anything happened.

Mr. Chu was really mad. He disregarded his own health for the sake of Jian Dan.

“So... I’m going to bring it out...”

Jian Dan opened the cat cage and slowly reached in. She slowly carried the pet out, bit by bit.

Jian Dan’s eyes never left Chu Liyuan; she keenly observed the expressions on his face. Although Chu Liyuan had been trying his darndest to hide it, Jian Dan could still tell from his micro expressions that he was apprehensive.

“Tada!” Jian Dan handed Chu Liyuan the hairless cat...

“This is??”

This cat had no fur? Was this a coincidence? Or...

“A hairless cat!”

“Oh! It’s... it’s nice!”

“Uncle, do you have anything to say to me?”

Jian Dan had a scrutinizing look on her face.

“This cat looks quite adorable!”

It looked like an old man’s face; it was really interesting!

It seemed that Chu Liyuan was not going to tell her the truth.

“Uncle, do you really have nothing to tell me?”

Jian Dan pressed on... not giving Chu Liyuan any chance to catch his breath.

Chu Liyuan looked at Jian Dan and shook his head.

“Okay!”

Jian Dan put the cat back into the cage and was about to walk out the door when Chu Liyuan stopped her.

“Jian Jian!”

Jian Dan turned around and looked at Chu Liyuan unhappily...

“I just don’t want to disappoint you.”

How could someone as smart as Chu Liyuan not guess it? Jian Dan must have known that he was allergic to pet fur, so she bought a hairless cat.

“But Uncle, have you ever thought about how much I would blame myself if something really happened to you because of the cat I bought?”

H j H

“Uncle, you’ve always been so good to me, but do you know that I want to be good to you too?!”

“Jian Jian!”

“Uncle, you can’t hide anything from me anymore. You and I are already married; so everything about you belongs to me, understand?”

He was really very grateful that Heaven sent this lass to him...

Chu Liyuan gazed at Jian Dan... and slowly approached her... Just as he was about to kiss her...

“Wait! The thing about kissing... Usually, guys take the initiative—but occasionally—girls will want to take the initiative too. For example, now...”

Jian Dan pushed Chu Liyuan against the door and stood on tiptoes to kiss Chu Liyuan on the lips...

Chu Liyuan was shocked by Jian Dan’s actions and was stunned for a moment.

Li Jing—who was outside the door—heard the sound and wanted to push the door open. Just as the door was pushed open a crack by Li Jing, Jian Dan shut it with her right hand.

“Mr. Chu is busy now. Come back later.”

Jian Dan raised her voice and spoke to the door.

Chu Liyuan gazed at Jian Dan and gave a devilish grin.

This lass was getting naughty. She was making the first move and seducing him?

He had no resistance against this lass to begin with. Coupled with such seductive moves...

What happened next was obvious...

Chapter 80: Makeover!

The next morning, Jian Dan went straight to Qianqian's house and brought her out...

Target location: Shangqing Mall!

Target Item: A stylish new wardrobe!

Target Quest: Regain lost confidence!

"Qianqian, you know what? Your dressing is too conservative; it's either long pants or long dresses. The colors are black, white, and gray only; so you have to change!"

The clothes that Jian Dan chose for Qianqian were some of the more popular colors nowadays... Such as classic blue! Sunshine yellow! Melon orange! Mint green and so on.

Obviously, hot pants—to flaunt her pins—are a must! Navel-revealing crop tops to flaunt her stomach! Bardot dresses to flaunt her collarbone and shoulders, and so on.

As for shoes... Qianqian's feet were slender and beautiful, so Mary Janes...

After buying the stylish new wardrobe, they went home...

Jian Dan found Mengmeng waiting at her door. There was a cute guy with her...

"Let me introduce you. This is my best friend, Xu Mengmeng. This is the top stylist, Lala!"

"As for her... She's my good friend, Sun Qianqian!"

After the introduction, the next step was obviously... Makeover!

Lala dyed Qianqian's hair milk tea brown—the color du jour—and gave her side swept bangs complemented by wavy hair. Qianqian had a very beautiful face; she just needed some simple tweakings. Coupled with the “revenge dressing” clothes Jian Dan had chosen for her, she was gorgeous and exuded youthful vitality.

Qianqian 2.0 was miles ahead of that secretary!

The next step was obviously... evaluation! Qianqian sashayed down the street... and proved to be a real head-turner as every man would look around and watch her go past.

“Qianqian, it would be a waste of God's gift if you don't let the world get a glimpse of your long, lean legs that had spent so long hidden under long pants or long dresses. You've got great pins; own it.”

Qianqian's legs were fair, long, and slender; they could practically be a model's legs.

Did that tummy look like she had given birth before?

Her beautiful swan neck and right-angle shoulders need no words.

No wonder Ling Jihao was so mesmerized by Qianqian. In the past, Qianqian dressed conservatively and Jian Dan did not realize that Qianqian had such a good figure.

Since the arrow was already loaded, of course they had to “hurt” someone.

Jian Dan and Qianqian went to Jihao's office together...

They thought that they could crush her with Qianqian looking like a million dollars, but they did not expect her to have already fled the scene...

Jihao and that secretary went to Water Paradise Hot Spring Club for a site visit.

Hot spring club? IVTF??/They had to get there!

Jian Dan and Qianqian rushed to Water Paradise Hot Spring Club.

Since they came to a hot spring club, swimsuits were a given. Jian Dan whipped out the swimsuits that she had prepared.

Mengmeng had prepared several styles of swimsuits for them. The first was a conservative one-piece swimsuit... The second was a one-piece swimsuit in nude shade... The third was a cute and slightly conservative swimsuit... And the fourth was a hot and sexy bikini that would definitely induce nosebleeds.

Jian Dan had chosen the one-piece swimsuit in nude shade for Qianqian and the cute and slightly conservative swimsuit for herself.

However... Upon their arrival, they realized...

Jian Dan never expected to see Jihao lying on a sun lounger in a bathrobe with Chu Liyuan lying on the sun lounger beside him.

Why didn't Uncle tell her that he was here?

Just then, the secretary came out of the washroom in a sexy two-piece swimsuit. Beside her was a girl who was also scantily-clad. When she passed by them, she heard...

"That's Chu Liyuan! See if you can win him over. If I didn't already have a target, I wouldn't have given Chu Liyuan—this great catch—to you! Hence, you'd better seize the opportunity. This is the furthest I can go to help you." What? She actually dared to seduce her Uncle?

Hmph! Her Uncle wouldn't give a fig about her. She was guaranteed not to be able to even get close to him.

Jian Dan had great confidence in Chu Liyuan...

Bam! Bam! Two imaginary crisp slaps on the face as Jian Dan watched helplessly when the girl sat beside Chu Liyuan, although she did not touch him! But Uncle did not chase her away??

As for that secretary, she sat beside Ling Jihao...

Fury flashed across Jian Dan's eyes.

"Qianqian, with me!"

Jian Dan led Qianqian back to the changing room and whipped out her cell phone to call Mengmeng. "Mengmeng, send those two sexy bikinis to Water Paradise Hot Spring Club immediately."

"Now? But I'm with Fang He now—he's recording a song!"

What? No way! What should she do?

Just then, Jian Dan received a cell phone call—it was Mengjiao.

"Mengmeng, hold on." She answered the call. "Hello, Mengjiao!"

"Jian, what are you doing? Do you want to come out for a chat?"

Awesome! What perfect timing! "Mengjiao, listen to me. Take a cab to the recording studio to get something from Mengmeng. Then, rush to Water Paradise Hot Spring Club at once."

"Huh?"

"It's an emergency; I don't have time to explain. Hurry up and go."

“Okay!”

After ending Mengjiao’s call, she returned to Mengmeng’s line. “Mengmeng, prepare three sets. Mengjiao will get them in a while.”

“Okay! Don’t worry!”
