

At The Bottom Chapter 14

Besides, Lu Yuan and the others went back to school and went to class again.

After class, they walked out of the school building with the flood of people.

“Hey, Lu Yuan!” Suddenly, a girl called out to Lu Yuan, “Lu Yuan you haven’t been a fan of mine yet!”

“Fan?” Lu Yuan was stunned.

“Hey, I opened a live broadcast room, yesterday when I was live, all the students in my class went to support me, they all followed me, I looked at it, it seems that you haven’t followed me yet! You should register a number and follow me too!”

This girl was none other than Yin Yi, the famous busty girl in the class.

Yin Yi was not just good-looking, nor was she just good in the development of her breasts, but more importantly, this girl had exceptionally good and smooth skin, which looked almost like a ps peel, with no blemishes at all.

“Xiao Yi, why are you letting him pay attention to you, you don’t like him do you?” A girl said gossippingly.

“How could that be!”

Yingyi stomped her foot and lowered her voice, “I’ve just started my live stream, one more fan is more popular! That’s why I asked him to follow me, how could I like him?”

“Let him follow you, it doesn’t matter if you want that popularity or not.” Suddenly, another girl said, “He’s so poor, he won’t give you a reward, what’s the use of having such fans?”

This girl was none other than Li Mengyao, who didn’t even give Lu Yuan a single glance.

“Meng Yao is right, Xiao Yi, don’t you have a big gold master in Xue Nuo, with Xue Nuo protecting you, you will soon become a popular anchor!” The girl next to her said.

“Yeah, yeah, Xue Nu gave you a reward of over 10,000 yesterday, right, wow, I’m so jealous!”

“Xiao Yi is so awesome.”

“It’s good to be pretty, Yui has a good body and good looks, no wonder she’s so spoiled by Xue Nuo.”

The girls gathered around Yoonee and mentioned the mysterious Xue Nuo, each one chattering excitedly again, admiring and praising Yoonee.

And Yoonee was smiling on her face, enjoying the privilege of being envied by the other girls.

For a moment, Yin Yi was the centre of attention.

Li Mengyao stood next to her, but a cloud rose on her face.

Yes, she was jealous.

Jealous that Yin Yi had reaped over ten thousand rewards from that Xue Nuo in one night.

She was also jealous of the fact that Yin Yi had become the centre of attention at this moment, jealous of the fact that Yin Yi had become the object of envy.

Li Mengyao was jealous not only because of her personality, but also because she felt that she was not inferior to Yoonee!

Although her breasts were not as exaggerated as Yin Yi's, she was also a siren with long legs and a big front and back, and her eyes could charm a large group of men to death.

Who is not vain?

Who doesn't want to be the centre of attention?

So when she saw that Yin Yi was the centre of attention, Li Mengyao was certainly not convinced.

At this moment, a white Passat suddenly drove up in front of the school building against the flow of people.

It was the end of class and there were many students at the peak of the crowd, so when they saw a car driving in, the students had to go around.

The Passat stopped in front of the stairs and a boy stepped out of the car.

"Honey!"

The boy was wearing a light blue suit and it was Du Liang again.

When she saw Du Liang, Li Mengyao immediately jumped up waving her hands and darted straight over the stairs, jumping into Du Liang's arms and wrapping her arms tightly around Du Liang's neck.

At this moment, many people looked over.

After all, there were a lot of people around.

And inside the students, there weren't many who could afford to drive a Passat.

In this instant, Li Mengyao's vanity was greatly satisfied, yeah, look at her boyfriend, driving a car to greet her, how dignified!

Hm, she really made the best decision in dumping Lu Yuan, just that hanger-on Lu Yuan, can he bring herself this kind of glory? Can he bring himself such satisfaction?

The fact that Lu Yuan is such a hanger-on is only worthy of being a fan of someone else to increase their popularity by such a pitiful amount.

Letting Du Liang carry her to the car, Li Mengyao sat in the Passat with a satisfied face, looking at the students around her with a sense of superiority.

"Honey, you're awesome, is this car yours?" Li Mengyao asked as she touched the brand new trim inside the car.

"Just bought it, from now on, ah, I'll use this car to pick you up, how about it, baby." Du Liang rubbed the steering wheel back and forth with one hand, while the other hand was rubbing back and forth on Li Mengyao's body.

"Great!"

Li Mengyao was so excited, in the future Du Liang would pick her up in this car, how dignified she would be, she would be the centre of attention, the envy of the crowd!

Much better than Yin Yi!

"Let's go, let's go to dinner, after dinner, let's do something fun, okay, Yao Yao?"

Du Liang's hand, very unfaithfully, rubbed back and forth on Li Mengyao's thighs, this guy was worthy of being called the young prince of the Chinese department, and he was also considered a veteran in love affairs.

He had been drooling over Li Mengyao for a long time.

After all, Li Mengyao is beautiful and has a good body and carries a sense of flirtation.

However, it has been a while since Li Mengyao was pried away from Lu Yuan, but there has been no substantial relationship between the two.

This is not the case, Du Liang is also anxious ah.

He simply put down his blood money and got a Passat.

Judging from Li Mengyao's reaction, the blood money was worth it!

"Hmm."

Li Mengyao also nodded her head with a shy face.

She was very satisfied with Du Liang's performance today and was very content in her heart, after all, Du Liang had made herself look good today and suppressed Yin Yi's limelight.

And, all this, in front of Lu Yuan.

Somehow, ever since she broke up with Lu Yuan, Li Mengyao's heart always wanted to taunt Lu Yuan and make him lose face.

If she saw Lu Yuan being bashful, Li Mengyao would get upset in her heart.

And if she saw Lu Yuan in anger and jealousy and pain, Li Mengyao would feel good in her heart instead.

Today Li Mengyao was satisfied in her heart and was naturally satisfied with Du Liang's request.

"Honey, where are we going to eat?" Li Mengyao said.

"Here we are." Du Liang said, and the car stopped.

As soon as she got out of the car and looked up, Li Mengyao's eyes widened and she jumped up in disbelief, "This is, Michelin? Wow, honey, you're fantastic!"

Three stars Michelin, this is a luxury level restaurant.

"Go in, I've booked a table, it's table 6."

Seeing Li Mengyao looking like she was about to faint from excitement, Du Liang felt even more that the blood money he had put down today was worth it, to be honest, although this guy was considered a rich second generation, this was the first time he had been to Michelin.

Today, he bought a new car and booked a table here, all for the purpose of getting Li Mengyao.

“Wow, honey, this, this is too luxurious!”

At this moment, Li Mengyao stood in front of table number 6, her eyes glowing with awe.

Yes, first of all, table number 6 was in the middle and there was a half man high screen that separated table number 6 from the surrounding tables, now showing how different table number 6 was.

There are almost fifty tables in this hall, but only five are separated from the others.

To be able to eat in Michelin was already quite something, and now that she had booked such a high class table, Li Mengyao's vanity swelled even more.

Moreover, the seat at table 6 was like a throne, with armrests and wood carvings, and sitting on it gave it a feeling of nobility.

“Excuse me, is this Mr. Du?”

The waiter wore a straight vest suit.

“Yes.” Du Liang replied proudly.

To be honest, although he had booked table number 6 over the phone, he hadn't expected this location to be so luxurious.

Oh, Michelin isn't expensive, such a luxurious location is affordable for himself, then next time he can come and eat at the other ordinary location, it will be cheaper.

The idea is that if he had known that table 6 was so luxurious, he should have booked another table, which would have been cheaper and would have been more effective.

After all, just coming to eat at Michelin was enough.

The waiter was professional and quickly set out the cutlery.

“Wow, it's all silver!”

Li Mengyao continued to marvel.

A silver dinner plate was placed in front of her, as well as silver knives and forks, covered with silver-encrusted placemats, all exactly like the utensils used by European and American aristocrats when they ate.

Not only that, but Table 6 is also served by a dedicated waiter, standing with his hands hanging down, accentuating the dignity of the guest.

After all, none of the other tables had a dedicated waiter.

The food was also served in turn.

The Michelin style was that the dishes were small in size, but each dish was extremely delicate, not only the dishes were exquisite, but the plates that contained them were extremely fine and clever.

This was the first time Li Mengyao had eaten such good food, and as she ate, she looked at Du Liang with tender affection.

Halfway through the meal, four foreigners came in, one playing the saxophone, two playing the violin and one holding an accordion, all wearing black tuxedo suits.

When they arrived at the table, they began to play soft and gentle jazz music.

The elegant dining environment, the delicious food and the soothing live music were a wonderful treat!

Some of the diners around cast envious glances at Li Mengyao.

Li Mengyao, on the other hand, didn't expect such a surprise, it was the pinnacle of her life, having a band playing for her while she was eating!

This is the plot of a movie!

"Darling, I'm so happy, I'm simply the happiest woman in the world!" Li Mengyao softly and honeyedly said love words to Du Liang.

Then, Li Mengyao took out her mobile phone and started taking crazy selfies and sent them to her circle of friends.

"Yao Yao, is this, is this Michelin?"

"Wow, Yao Yao, so envious!"

"Michelin is so expensive, isn't it, and there's special music playing, this is the treatment of a royal princess."

"The cutlery seems to be all silver, Yao Yao, you're exaggerating too much."

Soon, Li Mengyao posted this and it caused a bunch of onlookers in her circle of friends.

And Li Mengyao's vanity was excited to the extreme at this point.

Hmph, it's lucky that I dumped that hanger-on Lu Yuan, otherwise he would not have been able to bring me to Michelin even if he tried for 10,000 years, and it's such a premium dining place in Michelin.
