

At The Bottom Chapter 19

"Hello, President?"

Not long after Li Mengyao left, Lu Yuan received another phone call, from Bai Dye.

Lu Yuan knew that when Bai Dye called, basically nothing else was going on, 80 percent of the calls were for him to pick up tennis balls, and 20 percent were for him to do the hard work of carrying things.

"Which tennis court?" Without waiting for Bai Dye to open his mouth, Lu Yuan simply asked straight away.

In fact, Lu Yuan didn't really want to go either.

However, suddenly he thought of Feng Ling, maybe he could meet him?

"You're really enough of a hangman to think like that." Bai Dye's tone revealed a thick contempt, "Well, today is not a shout for you to pick up the ball, come to the Shangdao Cafe."

Shangdao Cafe?

Lu Yuan froze, it was a bit unbelievable that Bai Dye would let himself go to a cafe.

"You have ten minutes to hurry up and get there!"

The phone hung up.

To Lu Yuan, Bai Dye always had such a tone, a commanding tone, perhaps in her heart, she had never viewed Lu Yuan in a balanced way at all, and had always treated him like a lackey who was at her beck and call.

Of course she went.

Lu Yuan was also a little curious in his heart.

Shangdao Café was on a pedestrian street outside of Jinling University called Guanggu Pedestrian Street, which was still quite high class, with clothing brands generally costing over a thousand dollars.

"This way!"

Lu Yuan had just entered the cafe when Bai Dye waved to him.

It seemed that Bai Dye had arrived a long time ago and was sitting next to a green plant in the cafe.

Today Bai Dye was dressed beautifully, with a white skirt, foam shoes, air fringes, long lustrous and silky hair, and on her white jade-like wrists, she was wearing accessories and was sipping her coffee.

“Are you alone? Didn’t Feng Ling come?”

Lu Yuan was curious in his heart, Bai Dye was alone and had asked himself out to a coffee shop, what was the deal?

“I’m telling you Lu Yuan, don’t hit on Feng Ling’s idea!” Bai Dye seemed annoyed, “What, did you see Feng Ling help you dress your wound last time and you think she’s interested in you? Don’t be delusional, Feng Ling is a kind-hearted kind of person, she’s always like that with everyone. Have some self-awareness, okay?”

“Fine.”

Lu Yuan didn’t argue with her either.

The waiter came over, “Sir, what would you like to order?”

“Well, is there a menu?” Lu Yuan had just opened his mouth.

Bai Dye snickered over there and said to the waiter, “It’s useless for you to ask him, he’s never even been to a place like this before, just give him a cup of coconut scented coffee.”

To be honest, Lu Yuan was also used to this kind of attitude from Bai Dye, after all, in the tennis club before, Bai Dye had always looked down on himself like this.

Therefore, Lu Yuan didn’t care much about Bai Yan’s attitude.

But, in his heart, he wondered what Bai Yan wanted to do with himself.

And apparently, Bai Yan had no intention to tell Lu Yuan in a hurry.

On the contrary, while sipping his coffee, he looked Lu Yuan up and down with his gaze, that look, as if he was an ancient nobleman selecting a slave.

After looking at him for a while, Bai Dye actually snorted out a laugh.

She couldn’t hold back her laughter any longer as she slapped the table and laughed out loud.

This made Lu Yuan even more baffled.

Finally, Bai Yan finished laughing and her face returned to the original high and mighty expression.

“That, I’ll just say it straight.” Bai Dye said, “This time, I called you here because I want you to do me a favour.”

“What kind of favour?” Lu Yuan became even more curious.

What could Bai Dye have that she needed her help with?

There were so many people pursuing her, and as long as Bai Dye said she was in trouble, many guys would naturally rush to help, and there were some rich and capable guys among them.

But why did she ask for her own help?

Of course, no matter what difficulties Bai Yan had, it was a piece of cake for Lu Yuan.

It was just that Bai Dye did not know Lu Yuan’s true identity ah.

“I have a cousin who is still single, and she needs to find a boyfriend, so I think, you should be her boyfriend.” Bai Dye said.

What?!

Lu Yuan froze.

Although he had never met her, he had heard about her, she drove a white Ford, was pretty, had good legs and a good figure, and had a good job.

The last time he was picking up a ball at the tennis court, Lu Yuan also happened to hear Bai Dye talking to her cousin on the phone.

It seemed that her cousin had never met anyone and her family was getting anxious.

Moreover, Bai Dye had also said that her cousin was quite discerning and picky.

Since that was the case, how could Bai Dye introduce herself to her cousin?

“This, President, you’re joking, right?” Lu Yuan said.

“Who’s joking with you.” Bai Dye’s face sank and she said with a straight face, “My cousin, as a person, doesn’t have high requirements for her boyfriend’s family, she just wants to find an honest boyfriend who is obedient, I saw that you are considered the

obedient kind, so I introduced you to her, and I told my cousin all about your situation, my cousin said that she doesn't mind your family's situation, as long as you are obedient! ”

Like obedient boyfriends?

Could it be that the other party is a queen attribute?

“Well, my cousin should also be coming soon, you wait here, I'll go out and take a look.”

Bai Dye said and left Lu Yuan behind, and went outside the cafe by herself.

It seemed that Bai Dye really didn't put Lu Yuan in his eyes, not even consulting him, not asking if he had agreed.

Perhaps in Bai Dye's opinion, when Lu Yuan heard about this, not to mention refusing, kowtowing and thanking him should not even be too late.

“Cousin, have you arrived yet? I'm all at the Ujima Cafe.”

Bai Dye dialed his cousin's phone number.

“I'll be there soon, there are too many people and traffic jams today, I'm looking for a parking space!” On the phone, a female voice said, “By the way, have you found the person I asked you to find?”

“Yes, I found him, I'll make sure you're satisfied!” Bai Dye smiled cheekily, “Cousin, I've helped you so much today, you should thank me properly!”

“Don't worry little girl, as long as you help out this time, cousin I will never treat you badly.” The woman on the phone laughed, but then said, “But I'm just worried that the person you find, will he or she meet my requirements ah, I think this kind of boy should be rare nowadays, if he doesn't meet the requirements, I'm afraid it won't work!”

“This cousin, just put your mind at ease a hundred times!”

I'm telling you, this guy is the most hanger-on I've ever seen, he wears the same clothes as the migrant workers of the last century, he never goes to our dinners because he's too poor to go, and he's very obedient, he usually acts like a lackey in front of me, he does whatever I tell him to do. He does whatever I tell him to do, and whenever we play tennis, one phone call and he's over to pick up the ball for us.”

“Oh, you make it sound so mysterious, is there really such a boy in the world?” The woman still seemed a bit unconvinced, “Dye, let me tell you, I must get Pao Hao to take the bait this time, so that boy, he must be dangly enough to arouse Pao Hao's jealousy and stimulate him to come after me.”

“Cousin, you really want to marry that Bao Hao, huh?” Bai Dye said.

“I can’t help it, cousin is old, mum and dad are pressing hard, although that Bao Hao is not good looking, but also considered a company manager level, parents are also career units, and bought a house in Tianhong House, although it is a two-room, but the price of housing in Tianhong House is close to 30,000, driving a BMW 3 series, is considered very good. ” The woman said.

“I’m just wondering, cousin, that Bao Hao seems to be quite interested in you too, right, didn’t he even invite you to dinner and send you a gift, as long as you hook up with him a little, I think you’ll be sure of a relationship, why bother with such a big hassle again?” Bai Dye said.

“That you don’t understand.” The woman said, “If it was me who took the initiative to hit on Bao Hao, then the relationship would be lower for me. But if Bao Hao took the initiative to pursue me, then naturally my position in the relationship would be on the higher side, and by then, Bao Hao would have to obediently listen to me.”

“So that’s how it is!” Bai Dye’s admiration for his cousin grew even more, and at this time, he finally understood his cousin’s intention and said, “So cousin, you want to find a very hangdog boy and pretend to be your boyfriend, then when Bao Hao sees this, he will definitely be jealous in his heart, thinking that even a hangdog can be your boyfriend, he can’t be angry, then he will naturally come to pursue you. ”

“That’s right, so this person pretending to be my boyfriend, must be the more hangman the better.” The woman said, “When the time comes, I will first pretend to be boyfriend and girlfriend with this hanger-on for a few days, as long as Pao Hao sees it, he will be so stimulated that he will take the initiative to pursue me, then, I will kick this hanger-on away and accept Pao Hao’s pursuit, then it will be a great success!”

“Tsk, cousin, you are really dark, to think of such a way to stimulate Pao Hao, if you were in ancient times, all the women in the palace would not be your match.”

Bai Dye was also admiring her cousin to the core.

“Well, women, what does it matter if they play a little trick for their own happiness.” The woman looked smug as well, “Okay, I’ve arrived, where are you I see you!”

The phone hung up.

A white Ford car, slowly stopped in front of the cafe and got down a beautiful woman.

At once, the surrounding eyes were automatically attracted to this beautiful woman.

This beauty, with her tall figure, long slender and taut legs in jeans, exuding feminine curves and dior lipstick glossy white face, gave people a feeling of beauty and incomparability.

“Cousin!”

Bai Dye hurriedly greeted.

This pair of cousins, the relationship is still quite good, the age difference is not very big, are beautiful.

“The person you called here is inside, let’s go in.” Cousin Bai Dye thought for a moment and then admonished Bai Dye, “Right, Dye, in order to pretend to be a little bit more alike and have a better effect, you can’t tell that person that it’s all fake ah.”

“Don’t worry about that, cousin, I’m not stupid.” Bai Dye smiled and said sourly again, “It’s just that, cousin, you’re so pretty, yet you have to pretend to be in love with that hanger-on, tsk, what a waste, it just feels like such a nice cabbage is being gored by a pig.”

“Haha!” Cousin Bai Yan giggled, “You little girl is really good at complimenting people, but it doesn’t matter, in a few days time at most, Bao Hao will definitely not be able to take it anymore and will attack me, by then this person has no use, I will naturally kick him away. Come on, let’s go in. I hope this guy you’re looking for isn’t too shabby, after all, I’ll have to face him in the next few days.”

“Don’t worry about that, this guy is shabby, but he’s not bad looking.”

Bai Dye said, pushing the door and cousin into the cafe.

“So, cousin, that’s him.”

The two of them came to Lu Yuan and Bai Yan pointed.

Then, Bai Dye said to Lu Yuan, “Hey, Lu Yuan, my cousin is here, why don’t you hurry to greet him!”

Lu Yuan casually raised his head, and when he saw Bai Yan’s cousin, he couldn’t help but stare.

How come it was her?
