

The CEO 440

Chapter 440 Kind Person

Gu Ci's suggestion surprised Mo Rao, but when she thought about how Gu Ci was also going to participate in the charity event, she agreed. "Okay, I'll bring you to see Momo now."

Gu Ci drove Mo Rao to Zhang Zhe's house. When he saw Mo Rao standing at the door with Gu Ci, Zhang Zhe was stunned. "Mo Rao, who is this?"

"Brother Zhang, this is my friend, Gu Ci. He's participating in a charity event with me the day after tomorrow and wants to meet Momo," Mo Rao introduced to Zhang Zhe.

After Gu Ci reached out and shook Zhang Zhe's hand, he glanced behind Zhang Zhe and saw Momo standing in the room, looking out.

"Momo, come quickly." When she entered the house, Mo Rao saw Momo and waved at him.

After Momo walked over shyly, Mo Rao picked him up and let him sit on her.

"Momo, this is Brother Gu Ci," Mo Rao said to Momo.

Momo stole a few glances at Gu Ci, then looked up at Mo Rao and asked, "Sister Mo Rao, where's Brother Fu Ying? Isn't he coming to see me?"

When she heard Fu Ying's name, Mo Rao's hand stiffened.

"Fu Ying hasn't been feeling well recently, but he might come to see you after a while." Gu Ci beat him to it and explained to Momo, "You can play with me."

Perhaps because they had just met, Momo didn't show much enthusiasm towards Gu Ci.

Seeing that Momo was ignoring Gu Ci, Zhang Zhe apologized, "I'm sorry, Momo has always been a little shy around strangers. He'll become more familiar with you if he sees you a few more times."

"Sister, is Brother Fu Ying sick? Is he okay? I want to go to the hospital to see him." When Momo heard that Fu Ying was sick, a worried expression appeared on his face.

Gu Ci felt a little upset when he saw that Momo's attitude towards Fu Ying was different from Momo's attitude towards him.

After Mo Rao glanced at Zhang Zhe, Zhang Zhe understood and said to Momo, "Sure. I'll help you contact Brother Fu Ying next time and bring you to see him, okay?"

When he heard this, a smile appeared on Momo's face. "Okay!"

Gu Ci and Mo Rao accompanied Momo at Zhang Zhe's house for a while, but Momo had never been interested in Gu Ci. In front of Gu Ci, he seemed to have become more autistic.

Although he was unhappy, Gu Ci still maintained a calm appearance. After leaving Momo's house, he discussed the charity event with Mo Rao and sent her home.

On the day of the charity event, with Mo Yuan, Mo Rao brought the gifts, and cake to the orphanage early in the morning.

Gu Ci arrived earlier than Mo Rao and was chatting with his assistant, Jack, and the director.

“Mo Rao is here!” When the director saw Mo Rao, he went up to her happily. “Long time no see. Mo Rao is a big star now.”

Mo Rao smiled and shook the director’s hand as she said, “I’m still the same Mo Rao. Don’t be so formal.”

When the director saw that Mo Rao was getting more and more successful, he was sincerely happy for her. “I’m really happy that you came and helped us with the publicity.”

“Oh, right, President Gu is your friend, right? He’s Mr. K, right?” The director pulled Gu Ci to his side and said with a smile, “Mo Rao’s friends are all generous people. Previously, President Fu came to our place to do charity often and donated a lot of money. Just now, President Gu also said that he wanted to invest in us and help us expand.”

Mo Rao was stunned. Had Fu Ying been here before?

“As expected, kind people are surrounded by kind people.”

When Gu Ci heard Fu Ying’s name, he felt upset. However, he still smiled and said politely, “Perhaps it’s because we were all inspired by Rao Rao.”

“Mo Rao!”

“Sister Mo Rao?!”

Mo Rao looked over and saw Lin Wen jogging towards Mo Rao with a few children.

“Lin Wen!” Mo Rao strode forward and hugged Lin Wen.

The children also looked at Mo Rao happily. Ever since Mo Rao returned to the country, she had rarely come.

Looking at these children who had grown taller, Mo Rao was still able to call out their names correctly.
