The CEO's Ex-Wife Is A Famous Doctor By LiLhyz Chapter 86

Shantelle glanced at those who had earlier judged her. She said, "It will be good for everybody to make their own decisions about what

Looking out to the others, she added, And to those who had posted this on social media, please continue

and she winked back. Shantelle did not know why, but it felt to her she and the attorney were entirely in

Scarlett sat beside her while Evan took the other seat to Shantelle's left. Keith was behind Shantelle, and

calling his parents out. He did not want his father to have added stress, considering he was still recovering

The authorities who were present already aided in securing the weapon in Jessica's arm. Now, her wound

acquaintances expressed their support and stood by them. Some couples, who wholeheartedly believed

out, but I kept telling her I had no idea about it, and besides, that article was just saying that I was a good

"Suddenly, she stabbed me in the arm! She said she wanted to kill me!" Jessica described. Tears began to

"She was so strong. I was powerless over her. She said she wanted to kill me for trying to get in between

her relationship with Mister Thompson. Jealousy can do that to a woman, you know." Jessica

looked at the individuals around her and said, "Many women have been killed because of jealousy!"

"You can check the lipstick knife. It would have Doctor Shant's fingerprints on it," Jessica added.

Keith spoke, "Shanty would never hurt anyone. Watch me ban you from any insurance company."

Shantelle calmly looked at the police officers. She narrated her version of the story, telling everyone how

Jessica tricked her into holding the lipstick. Then, she said, "Police officers, everyone, I am a surgeon. I

am one of the best in my field. Almost every day, I hold a surgical knife and use it to save lives. Given my

"Why would I stab her in the outer arm when I know where her major veins are? I would have aimed for

tale," Shantelle described. "On another note, why would anyone want to stage a killing in a hotel full of

Shantelle looked around and asked, "Any other medical professionals here? You know what I am talking

The nurse who had earlier attended to Jessica nodded repeatedly. She said, That makes sense."

Then Shantelle smiled at Jessica, saying, When you plan out this whole scheme, you didn't think this

"Oh, my god. Did Jessica stage this whole act?" One guest said, and the rest began to pick up on what

stupified, she answered without thinking, "Yes, she is a knowledgeable doctor, but I fought back so she

Laughter left Scarlett's lips; she said, "Didn't you say you were overpowered? Besides, every stab-wound

Just then, James returned with a laptop and a speaker. He placed it at the table meant to be the receiving

event. Seeing how they were ready to fry the Turners, Evan stood up and said, "But let's not waste any

you privately, but seeing how you had called out my wife in the way you did, let's go public all the way.

"Are those taking videos still recording?" Evan asked. After seeing nods, he said, Then, let's watch this."

"Of course not!" Evan barked. "I respect women's privacy in using the restroom." He pointed to Shantelle

moment you approached my wife, so I took measures." Without giving Jessica a chance to report, he

as she studied the laptop. 'Is Evan serious? Maybe he is joking. Maybe it's just a way to scare me off. Yes,

showing the events leading to her stabbing. She stilled, her eyes roaming the crowd, trying to find an exit,

Jason was the same, trying to figure out how to flee, but as the second went by, the closer the security

The video did not stop there. It also played Shantelle's and Jessica's conversation back in the hospital –

At the end of the audio presentation, a picture of an email flashed on the screen. It showed Jessica

"So she featured herself and Mister Thompson? Haha!" The nurse from earlier remarked. "How

Jessica realized how people were recording everything. She stood up and tried to get their mobiles. "Stop

"Anyway," Evan's lawyer, Scarlett, stood up. James handed her the documents and said, "The reason for

my presence today is to present you with this lawsuit, Miss Turner. We will be filing a legal case against

"By claiming Mister Thompson is having a relationship with you when he already has a family will

undoubtedly make people think less of him, thus, ruining his reputation," The lawyer, Scarlett, reasoned.

She turned to Jason Turner and added, "I will also prepare another lawsuit for your involvement in all this,

pleaded. Tears rolled down her face as she said, "I've learned my lesson. Please. I won't do it again." a

"You certainly won't because you will rot in jail for the rest of your life!" Evan claimed. "You think I don't

me a lesson. You will never stop, and I know it, so let me do the community a favor and protect others

know the kind of woman you are? Trust me when I say one kind of crazy woman was more than to teach

"Wasn't it you who wanted to record your schemes?" Evan shot back. "Well, you got your wish! You

The people began to call her names, and it did not miss Jessica's ears.

team circled them, the eyes of the policemen throwing daggers their way.

sending an email to the local magazine requesting a feature of her and Evan.

One lady said, "Oh, my god. It was her all along. How delusional!"

wanted to be famous. Tomorrow, you will be more than a celebrity!"

"Defamation! His reputation was not ruined by what I said!" Jessica rebutted.

show. Are you ready to stop this nonsense and make negotiations? Prepare your
