

THE ELITE ASSASSIN BECOMES A FLAT AND UGLY NERD!

Chapter 10

Is She Crazy?

Shan Yue had been proud all her life. When has she ever been mocked by this mob?

Whether she was the world's number one killer, Ling Yue, or the fat pig girl, Shan Yue, those people could only submit to her, look up to her, and lick her shoes!

Seeing that Shan Yue was so confident and heroic, Shan Chen was encouraged for a moment. He looked at Shan Yue gratefully and took an entire exercise book. He asked ingratiatingly, "Sister, I still have a few questions I haven't answered. Can you teach me?"

"No problem!" Shan Yue was in a good mood, so she agreed.

When Sun Ling brought a plate of cut fruits to Shan Chen's room and was about to ask him to relax after studying, she saw this scene:

The thin Shan Chen was sitting beside the big girl, Shan Yue, who was as big as an ox. He leaned his head over and seemed to be saying something seriously. Shan Yue, who had always been stupid, was also listening attentively.

Sun Ling walked closer and heard Shan Chen's voice. "So what you mean is to skip the step of seeking the unknown and directly replace the formula with the equation before solving it, right?"

Before Shan Yue could answer, Sun Ling exploded. "Shan Yue, what are you doing? Shan Chen studies so hard, yet you still want to waste his time and let him explain the questions to you?"

“Mom, it’s not like that. It’s Sister…” Before Shan Chen could react, he hurriedly tried to explain.

“Shan Chen, shut up. I know you’re kind-hearted and feel sorry for your sister, but that’s not how good people do things!” Sun Ling blocked Shan Chen with one hand and glared at Shan Yue as she continued fiercely, “Come out! Our Shan Chen wants to get into the best university. Don’t get close to him and lead him astray!”

“Sister is teaching me. It’s not what you think!” Seeing that Shan Yue had been wronged, Shan Chen was about to cry.

However, no matter what Shan Chen said, Sun Ling’s stereotype was that the top student, Shan Chen, was tutoring Shan Yue. Therefore, she did not listen to Shan Chen at all. It was impossible for a good-for-nothing with excellent grades to answer a question!

Shan Yue stood up expressionlessly. She signaled with her eyes that Shan Chen did not have to defend her anymore. Sun Ling would not believe her anyway. She said, “Alright, I’ll go out.”

“Mom, don’t blame Sister!” Shan Chen was a little worried that Sun Ling would flare up at Shan Yue again, so he subconsciously reached out and pulled Sun Ling.

This was the first time Sun Ling saw her son so worried. She was a little surprised. Out of love for her son, she still agreed. “Okay, okay, okay. Hurry up and study.”

After being glared at by Sun Ling all the way out of the room, Shan Yue felt a little helpless. Just as she was about to return to her room, Sun Ling stopped her. “Stop right there!”

“What for?” Shan Yue was a little sleepy from explaining the questions to Shan Chen. She yawned and said.

“Damn girl, you don’t take me seriously, do you?” Sun Ling was furious when she saw Shan Yue like this. Usually, Shan Yue would shrink and not dare to look at her directly. How could she be as indifferent as today?

Could it be that she wasn’t afraid of her because she was used to her scolding her?

Sun Ling made up her mind and wanted to twist Shan Yue’s arm again so that she could use the pain to make her surrender. However, just as she stretched out her hand, Shan Yue glanced at her coldly. Although she didn’t say anything, Sun Ling inexplicably felt the threat of death. Goosebumps rose all over her body.

What the hell! At the thought of the look in Shan Yue’s eyes before, Sun Ling retracted her hand and changed to a threat. “I don’t care what you want to do. As long as you’re still in the single digits for the next monthly exam, forget about your father and brother stopping me. Even if the Federation sends someone over, you can forget about attending school!”

Single-digit in the monthly exams? That was a little more difficult for her than full marks. Shan Yue raised her eyebrows, amused by her own thoughts, and asked, “So what do you want me to score?”

Seeing Shan Yue being scolded, not only did she not cry, but she even laughed. Sun Ling felt her blood run cold. Was this girl really crazy? In that case, there was no telling what a mentally unstable person would do!

Sun Ling became even more afraid. She took two steps back as if Shan Yue was some kind of plague and said in disdain, “You’re so stupid. It’s already our ancestors’ blessings that you passed!”

Sun Ling was just casually saying this. She did not believe that Shan Yue, who was even dumber than a pig, would be able to pass. Hence, she had already made up her mind to make Shan Yue drop out of school to work.
