

THE ELITE ASSASSIN BECOMES A FLAT AND UGLY NERD!

Chapter 19

Is She Your Sister?

“Wear diapers next time before you go out, you...” Shan Yue wanted to say something else, but when she smelled the stench of urine, she couldn’t help but feel nauseous again. She quickly shut her mouth and distanced herself from Chen Min.

There was nothing more embarrassing than peeing in front of her enemies and sidekicks. At this moment, Chen Min wished she could disappear from this world, but her stronger emotion was to seek revenge on Shan Yue!

“Shan Yue... I’m going to kill you!” Chen Min muttered to herself as she cried.

On the other side.

When the school bell rang, Shan Chen carried his bag and wanted to find Shan Yue to eat together. However, before he could get up from his seat, three or four boys surrounded him and blocked his way. They pushed him and looked very malicious.

“What can I do for you?” Shan Chen was low-key and modest. He had never made enemies in school, so he could not guess the intentions of these boys, so he asked politely.

“Hey, Brainiac, is Shan Yue your sister?” a boy asked with a wink.

Shan Chen frowned slightly. He sensed that these people had ill intentions, but he still admitted openly, “Yes, why?”

“Hahaha, he’s really that stupid fat pig’s younger brother!”

Hearing Shan Chen admit it, the boys burst into laughter and started asking questions.

“Then why are you so thin and your sister so fat? Did she eat all your meals at home?”

“The difference in size between the two of you is too big! Could it be that you’re your mother’s biological child and Shan Yue born from a pig?”

“If the fat pig girl was born from a pig, everything would make sense!”

“And you’re the top student in your grade and your sister is the last. Isn’t that too funny? Hahaha!”

Hearing the boys’ unrestrained mockery of Shan Yue, Shan Chen’s face darkened, and his voice became a little angry. “Please be more respectful! I don’t like you talking about my sister like that!”

“Uh, sure. We respect your sister.” The boy in the lead was only stunned for a moment before he immediately burst into laughter. “Hahaha, I didn’t expect the top student to be so protective of his sister!”

“Ahem, don’t mind us, Brainiac. We’re not targeting you. We’re just telling the truth.” Another boy waved his hand and explained. They often borrowed Shan Chen’s homework to copy, so they didn’t want to offend him too much.

However, these words were blatant slander and mockery in Shan Chen’s ears. He stood up straight and said with a cold expression, “My sister is very smart! She knows how to solve all kinds of problems from high school to university. She even answered a world problem last time...”

“Hahaha!” The boys treated it as a joke and laughed even harder.

“Besides, my sister is trying to lose weight now. She will lose weight in the future and become a beauty!” Shan Chen frowned and continued to retort loudly.

However, no one heard what he said seriously. The boys were still immersed in their own world. It seemed that mocking the fat girl was something they were used to.

Seeing that it was useless to defend himself, Shan Chen pursed his lips and pushed them aside before walking out.

Behind him, a boy even waved his hand and shouted, "Brainiac, remember to let us copy the exam papers this afternoon!"

Shan Chen felt even more disgusted and quickened his pace.

As soon as Shan Chen walked out of the classroom, he heard a few boys discussing behind him. "So what if his grades are good? Look at Shan Chen's shoes and clothes. They're all old. You can imagine how poor their family is!"

"That's right. When he graduates, he'll still have to work for our company. No, our company doesn't accept disabled people. He won't even be able to enter. Haha!"

Shan Chen's fingers gripped the strap of his bag tightly. His eyes were red with anger, but he had no choice but to escape from this place.

The more people looked down on him, the more he had to study hard and get into a good university! Shan Chen made up his mind.
