

The Enticing CEO's Chosen Bride Novel

Chapter 12

Chloe hesitated for a moment, then said, "Come in!"

As soon as her cold voice fell, the door to the ward was opened, **and a** tall stranger **in** a black uniform walked **in**.

Chloe frowned, "Who are you?"

Nate nodded politely at Chloe.

"Miss Chloe, hello, I'm Nate, Mr Harper's assistant I've brought you some pancakes prepared by him"

Clever as Chloe **was**, she had no doubts that this "Mr. Harper Nate mentioned must be Damon

But, was his move really that swift and direct?

Nate I'm sorry I don't think Mr Harper and I are that close yet." Chloe said

"Miss Chloe. Mr Harper said that you just woke up and need to pay attention to your diet . If you refuse, it means you don't like these things. He ordered me to change them until you're satisfied and enjoy eating them"

Nate seemed to have expected Chloe's refusal, and spoke immediately after her last word

He spoke with a straight face, neither humble nor arrogant, concise and not wasting a word, and

this man was definitely extraordinary

She pursed her lips, opened the bag on the table, and noticed the logo on it, pausing for a moment.

was actually from that famous restaurant

Though the restaurant had a small storefront, every dish inside was delicate and delicious.

Getting food from this restaurant was no longer a matter of how much **money** she had

She and Damon had been apart for only about half an hour, and this food was already in front of her.

Chloe couldn't help but feel **a** bit curious about Damon

She opened the packaging expressionlessly, quite surprised to find that even the take away box and utensils were made of **special** wood.

it was really extravagant

Of course the taste of the pancakes was extraordinary, but Chloe only took one bite before looking up.

She looked at Nate and found him staring at her
