

The Eternal 1511

Chapter 1511-the power of a single blade

Yu Shengfeng's body trembled violently. The moment the black blade appeared, he actually knelt down with a "plop." His body trembled violently, and his face was full of fear.

"Master! Master, please!"

Bo Yuqing was shocked. Although the blade was indeed strange, and the speed of the entire world's collapse had decreased the moment it appeared, it was not enough to make his master kneel!

Yu Shengfeng didn't seem to hear him at all. Instead, he said in a trembling voice, "Six paths demonic weapon, Suan ni, six paths demonic weapon, Aghan bone Cleaver, Suan ni"

"Master, what's a six paths mo weapon?" Bo Yuqing was shocked.

Yu Shengfeng's entire body seemed to have gone crazy. He was only constantly trembling as if he had completely lost consciousness.

Bo Yuqing knew that he wouldn't be able to get anything out of him and could only anxiously look up into the sky.

The surroundings had already begun to collapse, and the space outside continued to appear. The reincarnation power that bound everyone was also gradually reduced.

Everyone was overjoyed. Many people laughed wildly and couldn't help but rush toward the spatial crack!

"Dammit! This King doesn't believe it!"

The ghost king trembled with anger. He had already done well enough, and everything had been perfectly realized according to his original plan. On the way, he had even accidentally received the

sacred artifact Noah's ship. It could be said that he was overjoyed, but he did not expect that all his efforts would be in vain!

"BOOM!"

Suddenly, the entire space trembled and the cultivators who rushed towards the crack were blasted into pieces, their blood and flesh flying everywhere.

"I don't believe I'll lose!"

He suddenly put his hands together, and the space of Samsara disappeared on its own. The scene of the outside world appeared, and everyone returned to the realm of heavenly martial arts in an instant.

Meanwhile, a spinning wheel appeared in front of the ghost king, emitting halos. The terrifying power caused the surroundings to become blurry, as if one could not see clearly.

"Reincarnation light!"

The ghost king suddenly roared. The wheel of Samsara in his hand condensed and instantly turned into a ray of light. It was colorless and invisible as it shot over!

This light was the true body of the Great Wheel of Samsara, and also a projection of the true light of Samsara, which could almost wipe out the existence of all things.

Yunxiao raised his eyes, which were filled with undisguised contempt, and his true fiend Dharma idol suddenly grabbed the falling Aghan bone Cleaver!

"BOOM!"

Just by grabbing the blade, the sky trembled and the earth cracked!

“Aghan!”

Yunxiao called out softly.

The blade trembled violently, and a monstrous demonic Qi suddenly surged. The blade exuded an indescribable suppressing Qi that spread in all directions.

Everyone who had just come out of the Samsara space was originally ecstatic. A feeling of having just escaped death was born, and they couldn't help but cheer.

However, before they could celebrate, their bodies froze. Under the aura of the demonic blade, they were suppressed and unable to move.

“What?”

Everyone was greatly shocked. If they had been isolated from time and space in the reincarnation space and had been suppressed by the power of reincarnation, it would still make sense.

At this moment, they were in the heavenly martial arts realm, and many rules were circulating between heaven and earth. There were experts in the field, and it would be inexcusable if they were suppressed again.

However, apart from a few divine transcendence experts, the rest of the people were unable to move.

The projection of the light of reincarnation disappeared in a flash and shot directly at Yunxiao's body.

“Tsk!”

Yunxiao sneered disdainfully. The true fiend Dharma idol raised its saber and slashed down.

Rings of black light spread out from the blade, and the Golden and silver demonic patterns on the Dharma idol's body flowed slowly like lava.

The black blade flickered, but wherever it passed, cracks would appear. It was so quiet that not a single sound could be heard. One could see how sharp the blade was, and how it could easily cut through the spatial rule power.

“BOOM!”

The blade fell and slashed at the projection of the light of reincarnation. Immediately, the world collapsed, and all time and space were completely thrown into chaos. Boundless spiritual Qi and all kinds of rule power surged from all directions and circulated under the blade.

Everyone was dumbstruck. There was no light in the entire world. Only the energy storm around the blade was devouring all kinds of laws.

They were all powerhouses of the present age, so it was difficult for them to understand what kind of power was needed to display such a world-shaking blade.

“Boom boom boom!”

All kinds of laws broke, churned, and shot out in all directions. The world was lightless.

The projection of the power of reincarnation lasted for a few breaths under the blade before it suddenly shattered.

“BOOM!”

The resistance disappeared, and the terrifying power followed the knife momentum and cut the world in half!

In his shock, the ghost king knew that it would be difficult to resist. Even if he was unwilling, unwilling, and unwilling, the situation was stronger than him. He had no choice but to admit defeat.

He quickly retreated and tried to avoid the attack.

“You want to escape? naive!”

Yunxiao grinned hideously and stopped moving while performing an incantation gesture.

As the saber momentum descended, the power of the slash instantly crossed thousands of miles and pierced through space and time.

“?!”

The ghost king was shocked and sucked in a cold breath. In his shock, he somersaulted in the air. The laws of space flashed around him as he shuttled between heaven and earth.

However, no matter how he dodged, the power of the blade followed him like a shadow. He could not avoid it.

...

“This King doesn’t believe that with my abilities, I will not lose to you!”

The ghost king finally became furious in his despair and threw out some harsh words to boost his courage.

Then, he clenched his hands into fists. Endless green qi gathered and condensed into a huge fist shadow in front of him. There was a big wheel spinning in the air above it, and the surrounding space kept spinning with the power of the wheel.

“Heaven Burning Moon!”

The sky trembled as a green light flashed across the sky, bombarding the blade light!

“Boom boom boom!”

The green light was instantly cut open, and the ghost king leaped back. He put his hands together in front of his body and slashed out again!

His forehead was full of sweat, and his hands were full of cold sweat. His eyes were full of despair!

“BOOM!”

The power of that move was instantly shattered, and the saber Qi directly slashed down!

“BOOM!”

...

Spurting out a mouthful of blood, the ghost king was sent flying. Black demonic Qi filled his body, constantly drilling into his body and corroding everything.

”

A terrified scream came out of his mouth. As soon as he landed on the ground, he sat down cross-legged and began to circulate his energy to suppress the corrosion of the demonic Qi.

Everyone was shocked and shocked!

Although they had come out of the Samsara wheel and the suppressive force had disappeared, everyone's strength had been restored. However, the power of the blade had completely exceeded everyone's ability to think!

Not to mention the fact that the ghost king had the great Samsara wheel, a sacred artifact, and he was an immortal realm expert, he could not even block Yunxiao's strike after three moves and was severely injured. How terrifying was that strike?!

"Hmph!"

Yunxiao snorted coldly, as if he was very dissatisfied with the power of the blade. He gave the true fiend Dharma idol a reproachful look at the blade in his hand.

The true fiend Dharma idol loosened its grip, and the saber instantly fell off, disappearing from the sky.

The giant true devil spirit also gradually turned into countless black specks of light and disappeared into the sky.

"?!"

Everyone sucked in a breath of cold air and retreated in fear. No one approached him.

Even Xuan Hua and Liu Feiyan were stunned.

This was no longer a question of whether he believed it or not. It was a question that he could not understand at all.

you're not li Yunxiao," beiming Nan said seriously. Who are you? "

Yunxiao's eyes narrowed as he turned around and gave him a glance. Although it was just a faint glance, it seemed to have directly seen through beiming Nan's mind, and it startled him so much that he quickly stepped back with a vigilant look on his face.

tsk, a rotten body at the phenomenal-success stage and a lowly soul that has fallen below the God Realm. You're not worthy of me killing you!

Yunxiao laughed hideously as he looked at the water deity on the ground, who was covered in blood and looked extremely pale.

He frowned, raised his right hand, and slowly lowered it. He formed a seal and directly injected it into her body.

Suddenly, a ray of golden light appeared and turned into an array. It slowly appeared above the water fairy and started to spin.

Countless strange characters emerged from the Golden formation, and golden fluorescent light fell slowly, all flying into her body.

Teng Guang was suddenly shocked and said with a trembling voice, "Zheng Yi ancient spiritual formation! It was actually the Zheng Yi ancient spiritual formation! You ... Are you really Li Yunxiao?"

Yunxiao ignored him, but turned his eyes to long qianmiao in the sky. His eyes turned cold as he said coldly, "Weren't you very arrogant just now?"

Long qianmiao's body trembled, and he said in a low voice, "I was forced by the situation just now. Feini is my most valued disciple and I did not want her to be like this."

"Oh? You're starting to give in now?"

do you think you can escape death by saying that?" Yunxiao sneered. do you think you can escape death by saying that?"

Long qianmiao's expression changed, and he said furiously, "You want to kill me?"

“So what if I kill you?” Yunxiao asked. It’s easier than eating a biscuit, do you even need to think about it?”

Long qianmiao was on high alert. He grabbed feini and said, ” “Feini is already dead, and I only took her Heavenly Phoenix Nirvana body to deal with the ghost king. I admit that you’re very strong right now, but the power of that blade just now has already exceeded my imagination. Even you can’t use it so many times.”

what? ” Yunxiao sneered. are you afraid? ” If I didn’t use the Dahan blade to deal with that man, it would be a little troublesome, but to deal with you, tsk tsk, do you think you have the right to die under the Ahan blade?”

Long qianmiao’s expression changed. He threw feini’s body over and turned to escape.

“Escape? What a joke!”

In a flash, Yunxiao caught feini, then disappeared from where he was and reappeared in front of long qianmiao in an instant.

Long qianmiao’s expression changed, and he said angrily, ” ni is the only one who can not be resurrected. So what if you kill me? ” Moreover, I was the person feini respected the most before. If you kill me, you won’t be letting her down!”

“Tsk, tsk, so much nonsense.”

Yunxiao sneered. I have the body of a true dragon and the Nirvana body of a Heavenly Phoenix. If the true dragon and the heavenly Phoenix come here in person and join forces to fight, I might still be a little afraid. But as for you, I can kill you at any moment!

His face turned cold, and he stretched out his hand and directly pointed over. A stream of devil essence instantly broke through the air!

“Actually, it doesn’t matter if I kill you or not. It’s just that the owner of this body has a lot of resentment towards you. I have to get rid of the resentment and obsession in his body in order to properly merge with this body.”

The crowd was greatly shocked, and they quickly retreated. As expected, the man in front of them was not Yunxiao!

Chapter 1512-descending with a borrowed body

Long qianmiao’s face changed drastically. After witnessing ‘Yunxiao’s’ strength, he did not dare to relax. He transformed into a Dragon and struck out with the true dragon Sword!

“Clang”

The sword intent rippled unceasingly.

Behind his dragon body, the figure of a Green Dragon slowly appeared and circled around. Then, a yellow light appeared, and the figure of a Phoenix slowly appeared.

A Dragon and a Phoenix chased each other, and the entire world became clear. It was as if time had returned to the era when true spirits dominated the world.

“BOOM!”

The sword intent surged and slashed directly at the black light wave. Instantly, a boundless Halo spread in the air and shot in all directions.

Everyone was overwhelmed with shock. They were immediately sent flying by the huge energy ripples, and many of them spat out blood on the spot.

Wei Qing and the other divine transcendence experts couldn’t help but take a few steps back to stop the force.

tsk, tsk. Dragons flying and phoenixes dancing. I'm relieved now.

'Li Yunxiao' chuckled. you've combined your dragon essence and Phoenix light. As long as I extract it, I can save this little girl and fulfill The Last Wish of the owner of this body.

"What? A last wish?" Beiming Nan and the others were shocked.

Xuan Hua was shocked and angry, "Who are you?" Why did you take over his body?"

'Li Yunxiao' ignored him, as if he was extremely disdainful. He threw feini's body directly to water fairy's side.

Then, in a flash, he attacked long qianmiao.

"?!"

Long qianmiao was shocked, and his sword will rose as he shouted, "Single rainbow slash!"

'Li Yunxiao' suddenly appeared in front of him and grabbed the sword with one hand!

"Bang!"

Countless rings of light shook open, and the two figures became dazed and unstable under the light.

After long qianmiao's attack, although he was shocked to see his opponent grabbing his sword with his bare hands, the strength he displayed was much weaker than the previous attack. He could not help but feel relieved.

Although Yunxiao was still in an extremely terrifying state, he was no longer nearly invincible. At least, he still had the strength to fight.

“Heaven and earth can not do anything-Burning Sea!”

His confidence instantly increased by a lot. Suddenly, he activated his sword technique and turned it into boundless power. Instantly, rays of light spread out and pressed over like a Boiling River and the four Seas were evaporated!

‘Li Yunxiao’s’ face froze as he sneered and said, “ why did I say that this sword looked so familiar? so it’s a fragment of the true Dragon’s sword. You’re actually showing off in front of me, what a joke!

He pointed with his right hand, and the five-fingered seal kept changing in the air. All kinds of strange forces spread out and shuttled back and forth in the Halos, but they couldn’t hurt him at all!

“What?”

Long qianmiao was shocked. The power of his sword could even cut open a world, but it couldn’t hurt him?

In his horror, the finger mark was already at the foot of the ruler. He broke out in a cold sweat and suddenly raised his long sword in front of him to protect himself.

“Dang!”

The finger pointed at the heaven and earth WUFA, causing the sword to bend slightly. Then, it suddenly bounced off, and the artifact reserves were released.

‘Li Yunxiao’ was also hit by the force and took a few steps back.

Long qianmiao’s heart was in a mess, and he shouted, “ “Lord Wei Qing, help me!”

“Tsk! No matter how many ants come, I can crush them all at once.”

'Li Yunxiao' sneered. He took a step forward and appeared in front of long qianren, then reached out to grab him.

"?!"

Long qianmiao felt that under that grab, time and space stopped. Not only was his energy suppressed, but even his blood seemed to have frozen.

"Dragons flying and phoenixes dancing, I can't execute him!"

In his shock, he suddenly exploded with his potential. The Dragon roared in the sky and the Phoenix cried in the nine Heavens.

At the same time, a sword shadow burst out and cut through the shackles. Long qianren turned into a ray of light and escaped.

'Li Yunxiao' frowned as he looked at his hand and said in dissatisfaction, "the power is too slow. I have to use a few moves to deal with an ant of this level.

Long qianmiao's face turned pale, and he roared, "Lord Wei Qing, what are you still waiting for? Do you all naively think that if he killed me, he would let you all go?"

Wei Qing's face was gloomy and uncertain. He had no idea who 'li Yunxiao' was, what he was thinking, and whether he would attack him.

If 'Yunxiao' only wanted to kill long qianmiao and the ghost king, he would be more than happy to do so. After all, the strength of the two men was beyond imagination. Although long qianmiao was in an alliance with him, it was better to destroy the uncontrollable force as soon as possible.

Wei Qing looked at the trembling Chu Shengfeng who was kneeling on the ground in the distance. He walked over and slapped down with a seal.

what are you doing?! Bo Yuqing was shocked and furious. He immediately drew his sword and slashed across the sky.

“Bang!”

Wei Qing raised his hand and slapped away the sword ray. Then, another hand seal landed and entered Yu Sheng Feng’s mind.

“Bang!”

“Ah!”

Yu Shengfeng opened his mouth wide and let out a blood-curdling screech. Blood gushed out from under his palm and covered his entire face.

“Master!”

Bo Yuqing was shocked and furious. He flew up and slashed over like a sword.

...

“Hmph!”

Wei Qing snorted coldly, his five fingers grabbing down like a claw. The space stagnated, and Bo Yuqing’s body was instantly captured.

Bo Yuqing was furious. A strange color spread out from between his brows, and the power of aegirine surged wildly.

“Stop!”

Yu Shengfeng suddenly opened his clear eyes and shouted.

“Master, you’ve recovered?” Bo Yuqing was shocked.

Yu Shengfeng nodded with a solemn expression. Looking at Yunxiao’s figure in the sky, he clenched his fingers into his flesh, and his expression was extremely complicated.

Lord Chu Shengfeng, you seem to know something, ” Wei Qing said. who is possessing this li Yunxiao now? ”

“It’s not good for you to know too much,” said Yu Shengfeng.

“My Lord,” Wei Qing said angrily, “I pulled you back from your state of confusion, and this is how you repay me?”

“Hmph!”

...

Yu Shengfeng snorted disdainfully, then said, “The one possessed is naturally the demon Lord.”

“The demon Lord Monarch who was killed by many powerful beings tens of thousands of years ago?” Wei Qing frowned.

Yu Shengfeng gave him a look and said, “ it seems that you know something about it. However, the person inside li Yunxiao’s body is not the Thearch. It’s someone else.

“What?” Everyone was shocked.

Those present were all top experts, and they more or less knew some of the secrets of the realm of heavenly martial arts. There was a lot of information left behind from the demon-sealing war. Ordinary people might not know about it, but they, who stood at the peak of the continent, still knew a lot.

“Don’t tell me there’s more than one Devil Master?” Wei Qing was even more shocked.

Yu Shengfeng’s expression became somewhat strange, “The situation is a little complicated. I don’t know much about the specific details. However, this Lord has actually come out. This is too shocking.”

Beiming Nan’s face suddenly turned pale, and he said in shock, “Don’t tell me it’s GUI Jupu!”

Yu Shengfeng’s body trembled and he turned around. His eyes shot out Starlight as he shouted, “Who are you? You actually know about the demon Lord, Lord PU!”

Beiming Nan’s face turned extremely unsightly, his handsome face looked even uglier than a bitter gourd as he exclaimed in shock, “Impossible, impossible Wufu, devil Lord PU is Wufu, but Wufu”

“Hmph! Nothing is impossible in this world!”

I’m invincible! Yu Sheng said coldly, “I’m invincible! How can I die so easily!

He raised his head, and his eyes shot out rays of light. He gritted his teeth and said, “I just didn’t expect that Yunxiao would have two inheritances from the Thearch and Lord PU!

“Based on your understanding of this Demon Lord PU, will he attack us?” Wei Qing’s expression was unsightly.

This was the most important reason why he saved nie Shengfeng. If that Demon Lord didn’t attack them, he wouldn’t want to provoke such a powerful enemy and could get rid of long qianmiao.

Yu Shengfeng sneered, "Hmph, how can there be good and evil in this world?" What Yunxiao has in his body should only be an insignificant part of Lord PU's power and consciousness. How can we speculate on our own?"

Beiming Nan suddenly exclaimed, "I understand!" Fiend Lord PU wanted to come here in Yunxiao's body! I can feel that the devil aura in Yunxiao's body is getting stronger and stronger, as if there is an endless stream of power being transmitted to him. We must stop this from happening, or the entire realm of heavenly martial arts will be finished!"

Wei Qing said in a deep voice, "a borrowed body?" It meant that only a small part of the seed had descended from Yunxiao's body! Then where is this Demon Lord PU's true body?"

Beimang Nan's expression changed. this matter is very important. I can't be sure. Besides, how can we find the real body now? "

it's too late to find the real body now, " Duanmu Youyu said. the right way is to find a way to seal the will of universal law in Yunxiao's body. Otherwise, if long qianmiao is dead, we will not be able to escape from this."

Wei Qing gritted his teeth. if that's the case, let's work together again. Not only for our own lives, but also for the safety of the realm of heavenly martial arts! he said.

Yu Shengfeng's body trembled as if he was extremely afraid. He thought about it and then fiercely nodded.

"Such a terrifying person, we can just kill him completely. There's no need to seal him!" Yao Jinliang said coldly.

"Kill? Hehe, the ignorant are truly fearless!"

Yu Shengfeng's face was full of ridicule.

Yao Jinliang's face darkened as he snorted. even if we can't kill his true body, we can at least wipe out Yunxiao. That way, he won't be able to use his body to come here.

you! Xuan Hua's expression changed, and he said angrily, " if you dare to hurt him, I'll send you to see your old dog!

"Xuan Hua! I'll kill you first!"

Yao Jinliang was furious. The moment he thought of his Beloved Beast, he could not help but want to charge forward and fight to the death.

Wei Qing said coldly,"stop arguing!" No matter if he killed or sealed him, he had to at least suppress him first! Long qianmiao can't hold on any longer, make your move!"

After making up his mind, he did not hesitate. With a flash, he appeared in the sky. No matter how the mountains and rivers float, he said,"Mr. Long da, don't panic. I'll help you."

"Hmph!"

Although long qianmiao was unhappy with him for dragging things out for so long and snorted heavily, he finally heaved a sigh of relief in his heart.

Yao Jinliang's twisted ghost let out a shrill cry and slashed out as well.

Chapter 1513-all forms are not forms

Yunxiao's face darkened as he said coldly, " forget it, it saves me the effort of killing them one by one. All living beings are ants, a bunch of grass, what right do they have to control their own fate? "

He formed a hand seal in front of him and immediately transformed into three heads and six arms, which danced in the air.

A sky full of runes flew out from his six arms. They were gold and black in color. They interweaved together and disappeared into the void in a flash.

Suddenly, a huge Halo of light spread in the air and enveloped everyone. It was like a curtain that slowly descended from the sky.

“All forms are illusory. If you see that all the other forms are not Xiang, then you will see Rulai.”

‘Li Yunxiao’ murmured in a deep voice, then his six arms reached out and grabbed at the sky. Immediately, the sky spun, and a terrifying fiend energy emerged out of thin air as a huge golden true fiend Dharma idol descended from the sky.

The Golden true fiend Dharma idol didn’t stand between heaven and earth. Instead, it was sitting cross-legged in meditation. Its six arms were like lotus flowers in full bloom as it descended.

the world immediately began to tremble, and everyone felt a soul-shaking power spread through the world.

The true fiend Dharma idol suddenly opened its six eyes and changed its hand seals as it let loose a soft cry.

A Golden circle of light suddenly appeared. With Dharmakaya as the center, it surged in all directions and destroyed everything!

Under Wei Qing and Yao Jinliang’s joint attack, the picturesque landscape and the power of the ghost hunter were instantly destroyed and sent flying back.

The rest of the people were also shocked. They knew that they could no longer stay out of it. All kinds of profound level weapon lights rushed into the sky and pressed towards the Golden Circle of light!

“Boom boom boom!”

Everyone's body trembled. That vast power was like the sun and moon in the sky. It was as difficult to resist as the power of the universe. Everyone's eyes were about to pop out, and blood kept bursting out of their bodies. They were on the verge of collapse.

Wei Qing's face was also ashen, and he shouted, "What are you guys waiting for? When we are all dead, none of you will be able to live!"

Xuan Hua and Liu Feiyan looked at each other and were both worried. They also flew into the air and each sent out a palm to press down on the golden light.

The power of their palms became stronger and stronger, and they were able to withstand the vast power. They were in a stalemate.

Ning Kewei suddenly frowned and said, "what's going on? this thing's power seems to be increasing. Although it's not fast, it's getting stronger and stronger. Is this the result of his main body's continuous descent?"

Duanmu Youyu's expression changed slightly. Yunxiao's body can't withstand the full will of Lord PU, but it looks like he's far from his limit. If we don't tighten the seal, we'll be in big trouble!

Everyone's gazes focused as they looked at the few people on the ground who had yet to make a move, their faces filled with anger.

Only Yu Shengfeng and his disciple, as well as Beiming Nan, were left, and they all had troubled expressions.

Beifeng Nan sighed. He was also full of worry. He stood up in a flash, closed his five fingers into a palm, and struck down.

"BOOM!"

As he struck out with his palm, everyone's power instantly gained the upper hand. The Golden halo was constantly suppressed and became smaller and smaller.

'Li Yunxiao's' face flickered as he snorted angrily and said, " "How can a floating monster shake a tree?"

The true fiend Dharma idol's six secrets changed, and the golden light on its body began to spin. Its power seemed to have increased a lot, but under the impact, it was still suppressed by everyone's power and could not break through!

"What?"

'Li Yunxiao' was taken aback, and his face changed drastically. Blue veins bulged on his forehead, and large beads of sweat burst out.

Everyone was overjoyed. Wei Qing shouted, " Sir Chu Shengfeng! Quickly seal this man!

Yu Shengfeng seemed to have turned a deaf ear, only his expression changed slightly.

Bo Yuqing saw his expression change several times and couldn't help asking, " "Master, are you alright?"

Yu Shengfeng snorted heavily and said in a cold voice,"I'm fine. Yu Yixian, that old dog, is good at scheming! No matter what, I was still a step away from great completion, so it was all his trap. Hmph, unfortunately, master is not to be trifled with. Since I've found the reason, I'll teach him a lesson sooner or later!"

"Y-Yu Yixian isn't dead yet?" Bo Yuqing was shocked.

Yu Shengfeng looked at him and said,"do you remember what I told you before? in order to achieve the immortal extreme Yin body, you must sacrifice yourself. In other words, you'll be making the wedding dress for others." Yu Yixian, this old dog, had actually thought of such a clever move. This body had never been an extreme Yin body, but it was just a little lacking. It was this small difference that allowed him to keep his life and hide in this body."

Bo Yuqing's body shook and he asked in confusion, " "I don't understand. Since he doesn't want to die, why did he cultivate the extreme Yin body and make it for someone else?"

Yu Sheng sneered coldly, "in this world, other than an idiot like you who's being used by others, who would be willing to be used by others?" "Old dog Yu also understood this principle, so he set up a plan. He left a part of his soul in his body and waited for later generations to possess him. He would then use the later generations' soul to carry out the final refining of his body!"

Bo Yuqing was shocked and said, "he, he actually calculated so far?" If master didn't seize it, wouldn't his soul be destroyed if this body of his were to remain for a long time?"

Yu Shengfeng snorted, "who among those who achieve great things didn't go through all kinds of life and death situations?" Yu Yixian's move was indeed ruthless. If it wasn't for the ghost king forcing me into a dead end, he would have continued to lurk and look for the best time to devour and possess me. Hmph, what a pity, man proposes but God disposes. This era no longer belongs to that old dog. Even God doesn't want to see him again!"

He was so angry that he no longer had any respect for his Grandmaster. He called him old dog again and again.

"Then ... Then is old dog Yu dead now?" Bo Yuqing asked in a daze.

"Dead?"

Yu Shengfeng's mouth revealed a sinister smile as he chuckled, "Why did he die so easily? Even if he wants to die now, I won't agree. I'm still waiting for his remnant soul to achieve the ultimate Yin body!"

Bo Yuqing fell silent and said, "Master, be careful."

"Yes, I'll be careful," said Yu Shengfeng. His eyes turned cold as he stared at the sky. Master is determined to get the rainbow stone in Yunxiao's body!

"Then let's make our move," Bo Yuqing said.

Although the people in the sky had a great advantage, the power of 'li Yunxiao' was growing stronger and stronger, and the shrinking speed of the Halo was getting slower and slower.

"Let's wait a little longer," said Yu Shengfeng.

Bo Yuqing frowned, not understanding what he was waiting for.

Their conversation was extremely low and no one could hear it from above. However, when they saw that the two of them were unmoved, they were all furious.

Sir Chu Shengfeng, " Wei Qing said coldly. you want to sit back and reap the benefits? no one will agree!

Yu Shengfeng smiled indifferently and didn't comment.

Suddenly, a green light flew over from the sky and shouted, " "This King will help you!"

A wheel of light emerged in the sky and instantly turned into a big wheel. The ghost king jumped on it and pressed down from above 'Yunxiao'.

...

His face was cold. Although he was injured, this was the best time to kill 'li Yunxiao', so he could not let it go.

'Li Yunxiao' was shocked and angry, while the others were overjoyed. They could not help but increase their strength and push the force forward.

"Bang!"

Suddenly, a golden light flashed, and the Halo around the true fiend Dharma idol suddenly shattered.

What was strange was that when the light circle dissipated, The Three Faces of the Dharma idol not only did not show any anger, but they also had cold expressions with a hint of ridicule.

The shock and anger on 'li Yunxiao's' face disappeared as he said with a sneer, " "I've been waiting for you to make your move!"

"Aghan bone Cleaver!" He shouted as he grabbed at the air.

A golden light appeared in the void, and the agama bone Cleaver fell slowly. However, this time, the blade was not black, but golden.

"What?"

The ghost king was shocked, and a terrifying aura of death surged up in his heart. He said angrily, " "You, you're a coward!"

The rest of the people also turned pale. They suddenly seemed to understand something, and all the blood in their faces drained.

...

in my current state, I can't use the six paths demonic weapon many times, " 'Yunxiao' said sarcastically. all I did was use a little trick to lure you here to die. With your intelligence, even if you cultivate to the point of being invincible, you will die of stupidity at any moment!

"Bang!"

As he grabbed the Golden Saber, a vast power rippled out and the entire world fell into a world of sabers.

Under this blade light, time and space seemed to stop, and the combined attack of everyone lost its power.

The speed of the Samsara wheel also slowed down. Golden light surged and swept over from all directions.

you lied to me! You deserve to die!!

The ghost king let out a desperate cry and frantically fled into the distance!

'Li Yunxiao's' face turned cold as he snorted and raised his Agami, then swung it down!

“BOOM!”

Heaven and earth trembled, and the universe shattered. The saber beam slashed into the boundless laws, not restricted by time and space. The ghost king had no way to escape!

“BOOM!”

“Ah!”

The huge sword radiance slashed at the ghost king's body, and an earth-shattering scream was heard.

The ghost king's body instantly became extremely huge, expanding like a balloon. His face was filled with extreme fear and terror, and he was wailing in all sorts of ways.

“Bang!”

Finally, after expanding more than ten times in size, it suddenly exploded. A gust of cold wind and green light spread in all directions, and the world was filled with ghostly wails and wolf howls.

All sorts of ghostly screams and shrieks were heard, making the place look like hell on earth.

The aftershock of the attack turned into circles of golden light that rippled out from 'li Yunxiao's' body and struck all the Warriors.

"Pfft!"

"Pfft!"

Many people vomited blood on the spot and were all sent flying.

Especially those who exerted more force, the stronger the backlash. Even Wei Qing could not help but spit out a large mouthful of blood, his face turning pale.

However, what was even more shocking was that when they looked at the ghostly figures that filled the sky, they all revealed shocked expressions.

"W-what's going on?"

is the ghost king dead?!

Everyone was puzzled. Although they couldn't wait for this pervert to die as soon as possible, after all, he had caused everyone to be so miserable, but at this moment, they were even more frightened. Such a powerful existence couldn't even withstand a single blade!

After the attack, 'li Yunxiao' also seemed to lose a lot of momentum, and the Golden Dharma idol turned into countless golden lights and dissipated in the air.

He looked at the ghostly figures in the sky and said coldly, "Trash!"

At this moment, only Yu Shengfeng didn't care about the ghostly shadows in the sky. He heaved a heavy sigh of relief and said, "he's already made his second strike. Can master PU make his third strike?"

Chapter 1514-Dragon field

'Li Yunxiao' looked down and said, "Do I need the handao to deal with trash like you?"

Yu Shengfeng felt like there was a dagger on his back when he was stared at. He suddenly felt uncomfortable and forced a smile, there's no need for that if my Lord's complete will descends, but it's hard to say now.

"Hehe."

'Li Yunxiao' sneered. the sea in the frog's eyes is only this big. Two bodies of aegirine? not bad.

Yu Shengfeng and Bo Yuqing were instantly alarmed and became extremely vigilant.

'Li Yunxiao' gave them a contemptuous look, then turned and walked toward long qianmiao, saying, "Before that, I must complete The Last Wish of the owner of this body. Only then can I have complete control over this body and allow more power to descend."

He suddenly frowned and looked at his arms, "what a strange body. There's actually the power of an Emperor in it. Has the Emperor been divided up?"

Long qianren was shocked, and he immediately retreated a thousand feet. He held the heaven and earth impossible sword in front of him, and his face was filled with fear and solemnity.

At this moment, the ghosts were still wandering in the sky. Suddenly, a golden light the size of a soybean appeared and gradually turned into Noah's ship, floating in the air.

Everyone was shocked, and their eyes were filled with desire and greed. All kinds of emotions were intertwined on their faces.

Then, a green light flashed and slowly rotated. It was the Great Wheel of Samsara. It seemed to have sensed Noah's ship and appeared out of thin air.

The two Supreme-grade profound level weapons kept on vibrating with each other. The faint power of the weapons formed a vortex with a faint golden light circulating around it.

Everyone was shocked. They felt the power of these two profound level weapons, not knowing what the sound of weapon whine meant.

"Is the ghost king really dead?" the referee asked with a frown.

Li nodded. he's really dead. I can feel that the power of the contract has dissipated. He should no longer exist.

When the crowd heard her words, their feelings were extremely complicated, and they looked at Yunxiao with even more fear.

After that, all of them revealed greedy looks as they stared at the two Supreme grade profound level weapons. These were legendary items, who wouldn't be tempted by them?

Suddenly, there was a flash of light and Ye Fan appeared on Noah's ship. He formed a seal with one hand and slapped. Countless runes appeared on the ship. The small ship gradually became smaller and was kept in his forehead.

He was still heavily injured, but he could basically control the spread of his injuries. After he succeeded, he flashed in the air and flew to the ground. He ignored the others and continued to sit cross-legged to regulate his breathing.

Everyone frowned but didn't say anything. After all, this Noah's ship originally belonged to Ye Fan, and everyone had remembered his appearance and aura. No matter where he ran to, he would be able to find it.

At this moment, only the wheel of Samsara was left in the air. After losing the sense of Noah's ship, it gradually became quiet and motionless.

It immediately caused everyone to turn red with envy, and there seemed to be some commotion.

we're facing a great enemy now, so no one should be distracted," Wei Qing said. I suggest that we distribute the wheel of Samsara after we seal Li Yunxiao.

Long Qianmiao was being approached by 'Li Yunxiao' step by step, and he said in a hurry, " Lord Wei Qing's words are reasonable. If we can't work together, I'm afraid it'll be difficult to leave this place!

you talk as if you can win if you join forces," 'Li Yunxiao' sneered. 'Li Yunxiao'!

He conjured a spell with one hand, and in a flash, he charged towards Long Qianmiao. He pressed his fingers together.

"Clang"

Long Qianyun swung his sword, and the power of the seal struck the sword, forcing him to take a few steps back. The heaven and earth invisible sword also trembled continuously.

However, his face was filled with joy as he shouted, " this person's strength is indeed much weaker. If we work together, we'll definitely be able to suppress him!

He then let out a loud shout, and a Dragon's Roar could be heard from the sword. The illusionary figures of a Dragon and a Phoenix appeared behind him, and the surrounding space turned into a strange space, which suddenly exploded.

Dragons flew and phoenixes danced, heaven and earth chimed.

All the martial artists could feel the domineering aura from his body, and they were all surprised and happy.

“Heaven and earth can’t do anything, so all living beings shall be beheaded for their sins!”

A green light spread out from the Dragon Sword as it slashed forward. The sky was split open and the earth shattered!

‘Li Yunxiao’ could not help but change his expression slightly. He quickly performed an incantation gesture with both hands and stepped back in front of him, summoning a protective energy barrier.

“BOOM!”

The sword light slashed at the earth energy, and countless Dragon might crashed down like thousands of raindrops!

The entire sky trembled as ‘li Yunxiao’s’ protective Dipper energy was weakened, allowing the sword to Pierce a little deeper!

Several rays of light rushed over from all directions and attacked.

Yao Jinliang grabbed the blade with both hands, and golden light burst out from his body. The battle Saint technique was circulated to the extreme in an instant, and the ghost hunter twist was slashed down!

“Battle Saint technique-night martial!”

Wei Qing’s hands formed a seal in the air. Countless rules of heaven and earth gathered in his palms, and layers of light waves emitted from his hands. He pressed down!

eternal dominion-heaven blasting seal!

“Boom boom boom!”

The two rays of light arrived in a flash and hit the protective Dipper energy at the same time. It directly sank a little, and the entire protective Dipper energy became unstable.

Under the joint attack of the three top experts in the world, especially long qianmiao's dragon and phoenix, the power of the heaven and earth invisible sword was extraordinary, and 'li Yunxiao' could not withstand it after using two demonic blades.

'Li Yunxiao's' face flickered as he watched a green barrier slowly emerge on the sword, constantly devouring his protective energy barrier.

what's the use of such a low-level Dragon field? " he frowned and said coldly. it's too early to hurt me!

He turned his hands in a circle in front of him and transformed into three heads and six arms. He held the Golden vortexes in his hands and threw them into the sky. They instantly turned into a cloud of stars and dispersed.

"BOOM!"

A terrifying force blasted out, and long qianmiao and the other two were shaken. They could not hold on any longer and were forced to retreat.

However, the three of them were not sent flying. They only took a few steps in the air and stopped.

After the attack, 'li Yunxiao' flew up under the golden light.

...

Suddenly, a blinding silver light flashed in the sky.

Beimang Nan's long sword danced like a Silver Moon in the sky. With a single strike, tens of thousands of corpse puppets shot down like swords and insects.

Yu Shengfeng also slashed out his ancient dust sword. Millions of Jade Dragons flew across the sky and roared.

“Childish!”

‘Li Yunxiao’ gave a light cry as all six of his arms stretched out into palms at the same time. Suddenly, a Golden Palm shadow, half an acre in size and covered with palm patterns, appeared behind him and smashed down.

“BOOM!”

That palm instantly annihilated the power of the two sword lights. The terrifying force blasted towards long qianmiao and the other two, almost devouring the earth!

Everyone was shocked and hurriedly retreated to avoid being affected.

Suddenly, a ray of Starlight appeared in the sky, like a star on the verge of collapse. It suddenly left its trajectory, dragging a long shadow and falling down.

If one looked carefully, they would find that it was a blue arrow beam. It drew an arrow trajectory in the sky, locked onto ‘li Yunxiao’, and shot down!

‘Li Yunxiao’s’ face darkened. Suddenly, a blazing flame rose from under his feet and formed a Ring of Fire. The flame spread out in a certain pattern, covering several acres.

...

The people in the distance looked over and saw a huge Red Lotus, burning and swallowing ‘li Yunxiao’.

Liu Feiyan's figure flickered on the Red Lotus. She was already covered in injuries. Although she had not fully recovered, she still used all her strength to attack. Her face was cold, like a fire Lotus floating in the wind.

"Heavenly record Wu Hua!"

As the sword shadow rose, the huge Red Lotus suddenly appeared with thousands of Scarlet sword rays. They spun at the same time and slashed down!

At the same time, 'li Yunxiao' put his middle and index fingers together and crossed them in front of his forehead, forming a cross. Then, he gave a loud cry and slashed out!

"Clang"

The cross spread out like a star, and wherever it passed, countless metal-like shrieks could be heard. It suddenly blasted toward the sword energies that filled the sky!

"Boom boom boom!"

The cross-shaped light shot into the sky and the earth, shooting toward the four poles of the universe.

The huge red fire Lotus exploded. Liu Feiyan spat out a mouthful of blood on the spot and was sent flying.

Xuan Hua, who was in the sky, was also greatly shocked. The shooting star arrow was destroyed in an instant, and even his coordinates were locked on by the cross Slash. At that moment, the broken star bow turned into a long knife in an instant and blasted down to meet the slash!

"Qing Yuan!"

Countless gemstones on the star shattering blade flickered and were instantly swallowed!

“BOOM!”

The cross-shaped light continued to rush into the sky, crushing his body. Blood spurted out as if his bones had been pulled out. Blood spurted out and he fell from the sky.

Everyone present was shocked.

Even divine transcendence experts couldn't resist one of his moves. The rest of the people turned pale and didn't dare to get too close.

“Everyone, don't be afraid. His aura is getting weaker!”

Long qianmiao shouted and spread his legs apart. He put two fingers on his left hand together and pressed them down. He raised the heaven and earth invisible sword behind him.

A green barrier suddenly exploded. As dragons flew and phoenixes danced, the power of heaven and earth resonated. The sword continued to emit a Halo, which became stronger and stronger.

Wei Qing and the others were all shocked. Long qianmiao's strength seemed to be constantly increasing in the battle. The power of the enchantment was already enough to make existences of their level feel fear.

The rest of the people were also pleasantly surprised. They knew that long qianmiao had absorbed the power of the Nirvana body of the celestial Phoenix and was constantly integrating and improving. It seemed that he still had a lot of room for growth!

Yu Shengfeng looked at the green light and said in shock, “This is the Dragon field! He actually managed to create a dragon domain!”

I don't care if you are li Yunxiao or devil Lord PU, you can both go to hell!

Long qianmiao's eyes glowed with a cold light. At that moment, he felt an unprecedented power. His level ten divine blood was boiling to the extreme. Even with his strong dragon body, he could not bear it.

"Clang"

A circle of black light suddenly gathered on the heaven and earth invisible sword and was suddenly slashed out!

"Heaven and earth can't do anything, so all living beings shall be beheaded for their sins!"

The green-black light circle dispersed and slashed out!

'Li Yunxiao's' face flickered slightly, and his protective energy suddenly burst out. He waved his six arms wildly, and streams of golden light flashed on the incantation seal, gathering into a huge mirror image and falling from the sky.

"BOOM!"

The sin-executioner sword arrived in an instant and slammed into the prism mirror image. The impact shook the heavens and earth, and the vast sky tumbled!

Chapter 1515-Amon treasure

Between the heaven and earth, it was like the stars and the universe. A Silver River stretched between the two of them.

The power of long qianmiao's sword was enough to compete with 'li Yunxiao'!

Yu Shengfeng was suddenly shocked and said in horror, "The Dragon domain! He can actually develop the Dragon Realm!"

"What is the Dragon field?" Wei Qing asked hurriedly.

Yu Shengfeng said in a deep voice, " it's an innate divine ability of the Dragon race. It forms its own world. The ancient true dragon's bloodline doesn't exist in the heavenly martial realm. Instead, it exists in the Dragon Realm of the true dragon. Of course, the power of the Dragon Realm is far beyond what we have now."

"Dragon field?"

"Does this place still exist?" Wei Qing frowned.

Yu Shengfeng's face was also full of doubt as he said,"The Dragon field has always been mysterious. I don't know the details. Long qianmiao already has the power of a true spirit, so he should be able to sense the existence of the Dragon field."

Wei Qing's body trembled as he muttered to himself, " "Is he a God Realm true spirit? he's already so strong?"

"Boom boom boom!"

The vast power in the sky continued to shake. The two of them were at a stalemate and were getting stronger and stronger.

everyone, attack! long qianmiao shouted. this is the best time to kill him!

The expressions of Wei Qing and the others changed drastically. Now that they were all seriously injured, if they rushed into such a vast power, they would be turned into ashes if they were not careful.

But, if they did not kill 'li Yunxiao', they would not be able to escape death.

Yu Shengfeng's eyes were filled with ferocity as he said coldly,"We must stop the demon master from returning to the earth, or the world will be finished!"

Duanmu Youyu frowned. the return of the demon master seems to be an inevitable fate. However, it is still too early. What we can do is to try our best to delay the time.

Wei Qing nodded and turned around to look at the few demon clan members in the distance. With a gloomy face, he said coldly, "The few of you have been working but not putting in any effort, could it be that you want to take advantage of the situation afterwards?"

"With our current strength, is there anything we can take advantage of?" Yi smiled bitterly. Lord Wei Qing is overestimating us."

Wei Qing snorted, "you have the Holy artifact armillary sphere in your hand, so you might just eat us." If you don't use your full strength, we'll have to deal with you first, then think of a way to seal the demon master."

Shang and the others were furious and alert. Wing even moved slightly, as if he was about to attack.

Shang stopped him and said, " "Since Lord Wei Qing has said so, we naturally have to work even harder."

everyone, attack with all your might, " he ordered. we'll help our human friends in this together. Don't hold back.

"The devil Lord is the common Enemy of the World, so that's how it should be," Ci said.

As soon as he finished speaking, he drew his silver snake sword. The sky danced and turned into thousands of snake shadows that galloped up.

Shang had also transformed into his calamity fiend form. With a roar, gold and silver light flickered on his forehead, and a large electric arc appeared in his hand, blasting forward!

"Boom boom boom!"

The silver snake and the lightning bolt shot through the air. The others gritted their teeth and attacked. Although they were all seriously injured, they still did their best.

“Everyone, attack!” Wei Qing said with satisfaction.

He raised his palms and once again used the eternal dominion’s sky blasting seal, forming a huge imprint in front of him and blasting it forward.

Duanmu Youyu took out the cold Jade ruler and made a few hand seals. The Jade ruler gave off a cold light and he threw it over.

The Jade ruler flickered in the air and then disappeared. When it reappeared, it was in the Silver River, emitting a faint cold light as it slowly struck toward ‘li Yunxiao’.

Yu Shengfeng’s hand also let out a “clang” sound as the underworld wheel appeared. It directly expanded to half a mu in size and flew towards the sky!

After the rest of the people retreated a few thousand feet, they also attacked.

Xuan Hua and Liu Feiyan’s injuries were too serious and they had already retreated to the distance to recuperate. They seemed to turn a blind eye to the matter of everyone joining forces.

In an instant, the light of tens of millions of profound level weapons soared into the sky and blasted at ‘li Yunxiao’.

Although everyone was seriously injured, many ants could kill an elephant. Under the countless attacks, the balance between the two was completely broken.

The Milky Way suddenly began to spin, slowly turning into a vortex that rushed toward Yunxiao like a Nebula, trying to swallow him completely.

Yunxiao's face flickered with shock and anger. The power of the vortex was beyond his imagination, and it had seriously threatened the safety of his body.

At the critical moment, his face sank, and he seemed to have made a great decision. He suddenly raised his hand and formed a seal with his six arms.

Suddenly, boundless golden light shot out from the Dharma form. Countless runes of rules circulated around its body, and several red spots appeared on the Golden body, which were the aperture acupoints.

“Bang Bang Bang Bang!”

A series of major acupuncture points exploded and blood spurted out.

The aura of 'li Yunxiao' rose in an instant, and a terrifying golden fiend energy gushed out.

”

He kept shouting, his face ferocious. The demonic patterns on his body kept changing, forming all kinds of strange patterns.

His entire body was covered in golden and black light, and there was even fresh blood flowing through it, dyeing it red.

“BOOM!”

A burst of demonic power suddenly burst out of his body and scattered in all directions.

Heaven and earth trembled!

All the attacks seemed to have stopped at that moment. 'Yunxiao' raised his hand and suddenly made a grabbing motion.

A ray of golden light gushed out from his palm, slowly spreading out endless sword will. A long sword shining with golden light appeared, and countless strange rules revolved around it.

"Not good!" Yu Shengfeng suddenly trembled and said in shock.

He could no longer care about his advantage and wanted to escape, but he found that it was extremely difficult to circulate the demonic power in his body, and he couldn't use any movement technique at all!

...

'Li Yunxiao' had an indifferent look on his face as he said in a serious voice, "AMO!"

"Clang"

The strange greatsword, which was carved with twelve-radiance-wheel, spun in his hand and let out a piercing sound like thousands of birds chirping!

A vast force rippled out of 'li Yunxiao's' hand, and with a wave of the sword, the Nebula vortex around him was immediately cut open!

"BOOM!"

The entire Nebula vortex suddenly collapsed, and long qianmiao's eyes revealed a look of fear.

The strange sword was obviously on the same level as the agama bone Cleaver.

He did not understand why his opponent still had the strength to use such an abnormal profound level weapon, but he was no longer in a hurry to think about it, because the power of the sword was coming

towards him. His entire body felt like it had fallen into an ice cellar, and the aura of death enveloped his entire body!

“I don’t believe that I can’t defeat you even after I’ve created the Dragon field!”

Long qianmiao roared and exploded. The heaven and earth invincibility sword in his hand trembled even more violently. It was as if they were both swords, but they were suppressed by the strange sword and were filled with fear.

“BOOM!”

...

The strongest power at its peak burst out from long qianmiao’s body. The Dragon Realm expanded instantly and rushed towards the terrifying sword force.

“BOOM!”

There was another huge tremor. The sky and earth instantly collapsed, and the sun and moon lost their light.

After the Nebula vortex was destroyed, countless Xuan artifacts flew out from it and exploded with a bang, flying back to their original owners.

All of them were struck by a massive backlash, and they spat out a mouthful of blood as they were forced to retreat in the air.

Even Duanmu Youyu and Chu Shengfeng’s profound level weapons were affected. The cold Jade ruler and the underworld wheel lost their glow. Blood trickled from the corners of their mouths. They could not withstand the impact and were pushed back by the shockwave.

Wei Qing and the others who had directly attacked were not any better. They were directly jolted back into their bodies by the sword force and were seriously injured on the spot. Some even exploded and died on the spot.

The sword was so terrifying.

In front of the sword, the sky collapsed into a huge black hole, and all the light was swallowed up. Long qianmiao's figure was nowhere to be seen.

The Samsara wheel, which had been suspended in the air and everyone was eyeing it covetously but no one dared to snatch it, also let out a low " Wu Wu " sound under the influence of the power of the sword. It seemed to be trembling in submission.

Wei Qing also coughed out blood and said in shock, " "What kind of profound level weapon is this sword and the saber from before? This is too terrifying!"

Yu Shengfeng's face was filled with fear. He naturally knew that this was a six paths demonic weapon, a heavenly Saint tool, an existence far above ordinary Saint tools.

Duanmu Youyu's face was pale. how can he still use the six paths demonic weapon? " he asked. with Yunxiao's body, it's impossible for him to withstand three attacks.

"Six paths demonic weapon Suan ni"

Wei Qing muttered to himself and instantly remembered the name.

Yu Shengfeng gritted his teeth. he self-destructed a few of his apertures to let more power descend. However, the side effect of this is that the potential of this body is completely destroyed.

Duanmu Youyu was stunned for a moment. Then, he said, " "Isn't that a good thing? This way, not all the demon masters can descend."

Yu Sheng Feng looked at him coldly and said, "Childish! Even if Yunxiao's body was not destroyed, it was impossible for him to withstand the full descent of the demon Lord. Devil Lord PU only needs to use this body to release his true body."

"Where is his true body?!" Wei Qing asked in a deep voice.

"I don't know," Yu Sheng Feng shook his head. He looked at Beifeng Nan, who had a complicated expression on his face, and said, "That person might know."

Duanmu Youyu frowned. He naturally knew of Beifeng Nan's background, but it was not a good time to ask.

"I can't even deal with this clone," Bo Yuqing said bitterly. "Do you still want to deal with the main body?"

Teng Guang, who had been quietly meditating all this time, suddenly said, "That's not right."

"What's wrong?" Wei Qing frowned.

"The power of this six paths demonic weapon has completely exceeded the rules of the realm of heaven martial arts," Teng Guang said. "There should be destructive divine thunder that will strike down and destroy it."

"You're thinking too much," Duanmu Youyu said with a bitter smile. "It was said that when the demonic weapon of the six paths appeared, there was indeed divine lightning, but the divine lightning was destroyed. After the demonic weapon appeared, the laws of heaven and earth no longer dared to interfere."

"What?"

Everyone was dumbfounded. They no longer dared to interfere with the regulations of heaven and earth? What kind of concept was this?

“If the laws of heaven and earth can’t suppress him, how are we supposed to seal the demons?” Wei Qing said in a daze.

Suddenly, an extremely unfamiliar voice sounded. It said indifferently, “The current Lord PU is only a clone, it’s not as serious as you think.”

Chapter 1516

1516 How to seal it?

“Who is it?”

Everyone was startled. This voice was extremely unfamiliar, but it gave off an extremely powerful aura.

Even though they were all top experts of the world, they didn’t notice that someone was approaching.

“That’s Yingluo.”

The few of them were stunned as they saw the dying water deity slowly float up from the ground. Her body was emitting a golden holy light.

“This aura is exactly the same as that of Demon Lord PU!” Yao Jinliang said in shock.

“Such pure golden demonic Qi, the ocean Emperor’s bloodline has reached a major accomplishment!” Yu Shengfeng was also shocked.

The golden light slowly changed and formed the shape of a man around the water fairy. Then, it flew into her body.

The damaged body was recovering at a speed visible to the naked eye, and the water deity’s face became serious and solemn.

Duanmu Youyu was shocked and said, “you, you are bi an.”

The water deity looked at them and said, "Poron."

"?! What?"

The few of them were shocked. Bo Yuqing and the others who knew water deity's identity had guessed it. The rest of the people heard it like thunder, and their brains buzzed.

Wei Qing said in a daze, "the master of the four Seas, the sea Emperor, poron,"

that's right," the "water deity" replied. water deity has caused such a huge disaster for my daughter. I'm sorry for the trouble I've caused you all. She seemed to be a little apologetic.

"It's not just trouble, it's a huge disaster!" Yao Jinliang said in a cold voice.

The water deity frowned and her face darkened. She said coldly, "Yao Jinliang, I was just being polite when I said I'd caused trouble. I gave you guys some face, but not only did you not know how to step down, you even climbed up. I gave you face, but you didn't want it. Get lost!"

She shouted, and a vigorous male voice spread out. The entire space trembled, and everyone's eardrums hurt.

Yao Jinliang even spat out a large mouthful of blood as he was sent flying. He fell to the ground far away, his face filled with fear and anger.

As a titled martial sovereign, how could he be looked down upon and humiliated like this? he tried to stand up with all his might, but he realized that he could not stand steadily. He fell to the ground a few times and finally lay there motionless. He only stared at the water deity with a face full of hatred.

The water deity looked at them coldly and said, "if you didn't attack my daughter, this wouldn't have happened. How dare you hurt my daughter? Lord Wei Qing, how do you want to settle this?"

Wei Qing was speechless. The ocean Emperor had changed his mind too quickly. However, it was indeed long qianmiao who hurt the water deity first. No one knew that she was the daughter of the ocean Emperor. Otherwise, who would dare to attack her?

He could only say politely with a guilty look, "It's Mister long DA's recklessness, please forgive me, Your Majesty. At this moment, Mr. Long da is resisting the demon with his own body, and his life and death are unknown. I'll first apologize to the sea Emperor on his behalf. Besides, we didn't know your daughter's identity, so it could be considered an accident."

"Hmph, accidental injury?"

The water deity sneered, turned her eyes and said coldly, "Duanmu Youyu, Duanmu Cang, I have a deep relationship with the two of you. The water deity has a deep relationship with the two of you, yet you two are actually indifferent to her death."

The rest of the people were slightly surprised and looked at Duanmu you Yu strangely. They did not expect the Duanmu family to have a connection with the sea Emperor.

The Duanmu siblings had gloomy expressions. Duanmu you Yu quickly said, "please calm down, Poseidon. I've done some calculations and knew that water fairy was fine. That's why I let her be. I didn't expect her to be injured by a sword. I'm really ashamed."

"That's right. With our relationship with the water deity, we naturally can't just watch her die," Duanmu Cang quickly added. Lord Poseidon, the demon Lord has already awakened. Since you're here, I'm sure you have a way to deal with him."

Although the two of them had explained, the water deity was still very unhappy. She snorted coldly and said, "you've overestimated me. Even if I came here with my true body, I wouldn't be able to suppress master PU, let alone with the skill of descending."

Duanmu Youyu said, "Sir, you are too modest. This demon master is only a clone. Sir will definitely have a way."

"The four Seas are one family, please help us, Your Majesty," Wei Qing quickly said.

The water deity stared at the black hole in the sky and said slowly, " I don't know if long qianmiao will survive the agama sword. Even if he does, he'll most likely be crippled. I didn't expect master PU to avenge his beloved daughter.

Everyone's face darkened. Duanmu Youyu said, " in order to perform this strike, devil Lord PU blew up Yunxiao's aperture acupoints. It's impossible for him to use the six paths demonic weapon a fourth time.

li Yunxiao is a man with the will of heaven, " the 'water deity' said in a deep voice. I don't believe he will be crippled just like that. Let's seal Master PU back first, and then we'll find a way to save li Yunxiao.

He had received Yunxiao's favor, and because of his relationship with the water deity, he had a very good impression of Yunxiao.

"You're right, Emperor Poseidon," Wei Qing quickly said,"but how do we seal it?"

master PU's power is above everyone else's, " the " water deity " said. it's difficult to seal it by force. We can only think of another way. You guys buy me some time, I'll try that move."

"Great!" Wei Qing was overjoyed. Milord, please do as you wish. Leave the matter of stalling for time to us."

Even though he made it sound easy, everyone was heavily injured. No one had the strength to delay PU.

Fortunately, the black hole was still expanding, as if it could not disappear for a while.

The 'water deity' sat down in the air. Suddenly, her glabella flashed and a vast power was released. It was a Golden Lotus.

Many people were shocked and secretly exclaimed, " Fa Hua Lotus dais-so I've heard!

Many people had heard or seen the records of the sea tribe's Supreme treasure, the sea Emperor's inheritance sacred weapon.

Everyone was in a daze. Tenth tier profound armaments that could not be seen in tens of thousands of years, in just a day, they had seen four of them.

Noah's ship, the Great Wheel of reincarnation, and the armillary sphere, so I've heard!

There were also two even more terrifying six paths demonic weapons!

The Lotus platform was covered in golden light. The water deity kept making hand seals and uttering strange notes. She was solemn and respectful.

"What?"

The 'li Yunxiao' in the sky seemed to have discovered something. He looked down and was stunned for a moment, then an angry look appeared on his face as he said coldly, "Bo MU's descendant?"

The water deity opened her eyes slightly and nodded. "I am Borlong, descendant of Bomu. I pay my respects to Lord PU."

since you know my identity, why do you still want to attack me? " 'li Yunxiao' snorted coldly.

The 'water deity' said, "back then, you were kind and benevolent. It seems that his temperament has changed over the years, and his killing intent is extremely heavy. I wonder what is the reason?"

Yunxiao's face darkened as he said coldly, "Who Do You Think You Are, to want to probe into this Lord's matters?"

...

I'm sorry," the "water deity" said. I'm willing to do my best to let the Lord continue to sleep.

"Haha, what a joke!"

'Yunxiao' said sarcastically, "a monkey is King in a mountain without a Tiger. Have you been high and mighty for too long? have you forgotten your lowly status?" You actually want to seal me with a body-borrowing technique? this world is too crazy."

'Water deity' chuckled and said, "only a small part of the Army has arrived, my Lord. Besides, after using the six paths demonic weapon three times, several of Yunxiao's acupoints have been blown up. He's at his limit.

even so," 'li Yunxiao' said coldly, "it'll be easy to kill you again.

He glanced at the Lotus seat and laughed, "I'd like to see what kind of means you have to dare to speak so shamelessly. I'll extract this guy's dragon and phoenix powers first, then I'll deal with you. Don't say that I didn't give you time!"

He formed a hand seal, and a giant true devil spirit appeared behind him. The giant spirit grabbed at the black hole and tore it apart!

"BOOM!"

The entire pitch-black space was instantly torn into two by him!

"?!"

Everyone sucked in a breath of cold air and cried out in shock, "What? A black hole can be torn apart?"

...

Before anyone could react, a ray of sword radiance shot out from the black hole. Long qianren and his sword became one, and the Dragon Realm appeared again.

He was covered in blood, but it had already coagulated. His skin and flesh were exposed, and in some places, white bones could be seen.

He had wanted to hide in the black hole to heal himself, but he had not expected to be torn apart by 'li Yunxiao'. With no place to hide, he could only fight to the death!

"A last-ditch struggle!"

'Li Yunxiao' sneered. The true fiend Dharma idol put its hands together and raised its four arms from behind. Four golden balls of light were thrown out, spinning up and down in the palms.

At this moment, 'li Yunxiao's' strength was much stronger than before he had exploded the aperture. The heaven and earth trembled with just the incantation gestures of his hands.

The two hands struck out and pressed down on long qianmiao's sword light.

"BOOM!"

The Dragon Realm shattered instantly, and the power of Dragons and phoenixes scattered.

"Pfft!"

Long qianmiao spat out a mouthful of blood and was sent flying.

Everyone's hearts twitched violently. The long family master they had placed all their hopes on had been completely defeated. No one could resist this demon's might.

After the attack, 'Li Yunxiao' strode into the air and closed in, spreading his fingers and grabbing at the air.

Long qianmiao's body was bound by the power of space.

Unable to move, he no longer had the strength to move. Large amounts of blood spurted out of his body, and his eyes were filled with despair.

"Hmph, not only can your dragon essence and Phoenix light save that girl and fulfill The Last Wish of the owner of this body, but it can also cure this body with the exploded acupoints. It's killing two birds with one stone, and my risky move wasn't in vain."

'Li Yunxiao' said faintly, then he cast several incantation seals into long qianmiao's body.

"Pfft!"

Long qianmiao spat out another mouthful of blood, and a pure white force slowly flowed out of his seven orifices. It was like smoke and mist, spreading around.

At the same time, a yellow light also flew up, intertwining with the White smoke and slowly rising into the sky.

As the two forces seeped out, long qianmiao's body started to weaken rapidly. It was as if his blood had been drawn out of him, and he started to shrivel up.

His eyes were filled with despair and hatred as he roared unwillingly, "Bastard! I'll cut you into a thousand pieces, skin you alive, and pull out your tendons!"

Chapter 1517-body of three spirits

'Li Yunxiao' sneered. harsh words are the manifestation of the fear in the heart of the weak! he said.

Under the guidance of his hand seals, the Dragon essence and Phoenix light flew to his body. Then, he pointed in the air and feini's body rose into the air and sat down in front of him.

The two of them were instantly enveloped by the White Dragon essence power, and red and yellow Phoenix light rose.

'Li Yunxiao' pushed out his hands and met feini's four palms. Under the light of the Dragon essence and Phoenix, their bodies gradually became blurry.

Long qianmiao was still shackled by the demonic power. He could only feel his strength and life slipping away. He struggled to resist, but he realized that there was nothing he could do.

He could only accept the reality with his eyes wide open, feeling his martial Dao degenerate and his vitality disappear. The pain in his heart was worse than death.

Wei Qing and the others also turned pale.

But under such circumstances, they should be thankful that 'li Yunxiao' did not take the initiative to attack them. They were all seriously injured, so who would dare to come forward and stop it?

Everyone's eyes were focused on the water deity. Their lives were in her hands.

The water deity was still making hand seals, and Amitabha beneath her was exuding a vast amount of power. The entire earth gradually became sacred and solemn.

Not only that, but there was also the sound of Sanskrit chanting, as if the Scriptures were constantly flashing, gradually rising.

The Scriptures changed in the air and slowly gathered into ancient Maha characters. They also flashed and disappeared, but they triggered the rules of heaven and earth. The entire world was filled with a solemn atmosphere.

“Eh?”

‘Li Yunxiao’s’ surprised voice came from the Dragon essence and Phoenix light.

Then, a ray of golden light flew up and landed in front of the water deity. With a serious expression, he observed the water deity’s hand seals and the series of changes in the world.

Suddenly, ‘li Yunxiao’s’ pupils constricted as he said in shock, “ what ... What kind of cultivation technique is this?!

The “ water deity ” did not answer, but sped up the casting of the seals. As she had borrowed a body, and the water deity was already seriously injured, it seemed that every seal was extremely difficult.

“Poron, stop!”

‘Li Yunxiao’ seemed to sense that something was wrong, and he suddenly shouted.

The water deity didn’t care and continued to do what she wanted.

“You’re looking for death!”

‘Yunxiao was furious, and he immediately threw out a palm.

Suddenly, two figures flickered. Beifeng Nan and Qiu Mujie made their moves. One of them had a complete physical body, while the other’s elemental energy was never exhausted. They were the two people who had preserved and recovered their strength the best among all of them.

“BOOM!”

With a single palm, the two of them were directly sent flying.

Qiu Mujie spat out a mouthful of blood. His ultimate body even showed signs of collapsing, and all sorts of limbs and organs appeared one by one, oozing blood.

On the other hand, bei Xiaonan's face was disfigured, and he turned back into a hundred-thousand-year-old zombie.

Everyone was terrified, thinking what kind of monsters these two were.

Everyone only felt that the shock they experienced in this trip to the red moon City, the power they saw, and the monsters they saw were more than all of them combined in this life.

After sending the two men flying, 'Yunxiao' stared at 'water fairy' with a gloomy face. He raised his right hand and drew a circle in front of him. A golden ring of light condensed in front of him, then he suddenly threw it out.

The golden light that surrounded her was almost the same as the golden light around the water fairy.

Suddenly, the sky darkened, and a two-colored Taiji diagram emerged, covering 'li Yunxiao' in it.

The golden light covering 'li Yunxiao' suddenly dissipated. Under the Taiji diagram, all the spirit Qi seemed to be frozen and unable to move.

Everyone was shocked. Under the flow of space, they stepped into darkness, no longer under the sky of the realm of heavenly martial arts.

Not far away, the gold and silver glowed with lightning-like light. Yi transformed into the calamity Dragon and used his innate divine ability.

In addition, the radiance of the armillary sphere circulated on his hands, and the Twin axes of heaven and earth continued to emit light that radiated into the distance. A sun, moon, and stars appeared in the sky.

Under the suppression of the innate divine ability and the armillary sphere, 'Li Yunxiao' suddenly paused, and his eyes were filled with shock and anger.

"Taiji sealers the heavens, martial arts deduction, Hmph!"

'Li Yunxiao' snorted heavily and raised his hand with great difficulty. A bright light flickered in his palm, but every move seemed to be very difficult, as if he was moving in slow motion.

Shang was shocked. He had never seen anyone who could use their Yuan Qi in such a way under his innate ability. Furthermore, with the suppression of the armillary sphere, it was almost half-ineffective.

"All things are impermanent, and everything is bitter. All laws are selfless, Nirvana is joy."

'Li Yunxiao's' six arms were slowly recovering, and a powerful energy was constantly condensing to break the seal. After that, a wave of deathly aura spread out of his body and rushed in all directions, constantly devouring the seal's power.

Shang's expression changed. His huge body trembled, and the light on his horns became chaotic.

"BOOM!"

Finally, the two-colored Tai Chi diagram shattered, and the entire dark world collapsed, returning to the realm of heavenly martial arts.

Shang was the first to be hit, and he was sent flying with blood spurting out of his mouth.

'Li Yunxiao' did not stop his divine power, and his body was filled with killing intent. The golden light under his palm became unusually sharp, as if it was going to crush everything!

The water deity suddenly opened her eyes, put her hands together in front of her body, and cast a spell.

The entire world suddenly changed, and a strange force seemed to descend.

'Li Yunxiao' trembled and said angrily, " "Dammit! How is this possible?"

He glared at the 'water deity' with hatred and his body flashed forward. The light in his six palms was about to land.

Suddenly, his body froze. ah! He screamed.

'Li Yunxiao's' face was filled with pain, and his features were twisted.

...

" "Damn it!!" You're not dead yet!"

"Die your sister! Even if you die, this young master won't die. In the entire world, from ancient times until now, no one has ever dared to casually occupy this young master's body. The one who's going to die is you!"

Everyone was shocked. Of the two completely different voices, the second one was obviously Yunxiao himself.

Beiming Nan and all of Yunxiao's good friends were overjoyed, their eyes flashing.

good luck," the " water deity " laughed. don't lose to master PU.

li Yunxiao! 'li Yunxiao' roared, " I'll definitely uproot your bloodline later!

The six golden lights in his hand scattered. He held his three heads and roared in pain.

you are the demon Lord, right?" Yunxiao said coldly. I've let you out to play for so long. It's time for you to go back and rest.

'Li Yunxiao' looked ferocious as he roared, " "You don't have the right to chase me away!"

He suddenly performed an incantation gesture, and countless runes glowed on his body. His face turned cold and murderous, and he returned to his previous ferocious appearance.

Yunxiao did not make a sound for a long time, as if he had been suppressed.

...

Suddenly, the left side of the Dharma form opened its eyes slightly. The corners of its mouth curled up as it clicked its tongue and said, this transcendence golden body is really good. It can accommodate two souls in one body. You can suppress me from leaving my main body, but do you have the ability to suppress me from leaving this side of the transcendence?"

The face of 'li Yunxiao' was furious as he roared, " "Why did you come out to cause trouble? With your insignificant strength, if I didn't possess your body, you would have died long ago. You don't have the qualifications to come out and make trouble for me!"

'What a joke!' Yunxiao said coldly. I'm in charge of my own body, who asked you to come? I owe you a favor for treating feini. I won't kill you the next time I see you. You can leave now."

"You won't kill me when you see me? Hahahaha!"

'Li Yunxiao' was so angry that he laughed, and his eyes almost spurted out fire as he roared, " "Who Do You Think You Are! Who Do You Think You Are!"

I'm indeed nothing, " Yunxiao snorted. please leave now.

“Leave your sister! Since I’m here, this body is mine!”

‘Li Yunxiao’ was furious, and his face was filled with anger. He kept making incantation gestures with both hands, and a strange force surged up.

At the moment, only four arms were under his control, while one of his avatars was completely occupied by Yunxiao’s true body, which was completely out of his control.

Black demonic runes began to appear on the Golden bodies of the two avatars. They spread out and intertwined with the golden light.

Suddenly, the third Dharma idol frowned, and a strange black mark emerged on its forehead. Then, the incantation gesture of the hands under the Dharma idol suddenly changed, completely different from that of ‘li Yunxiao’.

‘Li Yunxiao’ was taken aback, and his eyes were filled with horror as he said in surprise, “You’re so silly!”

“Hehe!”

The third Dharma idol’s expression became extremely strange. It was full of malevolent smiles and said, “PU, if your will can be obtained through strength, why can’t I?”

The surrounding martial artists were all shocked and dumbfounded. They could not figure out the situation at all. Even the water deity was shocked.

However, her expression became even more serious as she continued to form seals with her hands. The strange force in the sky became even more magnificent and vast as it rained down.

Yu Shengfeng’s voice trembled, “di ... Di ... Di ... Di ...”

Yunxiao frowned. Demon Lord Monarch? " I'm truly honored to have two demon masters fighting over a crippled body."

The demon Lord Monarch sneered. a hundred thousand years ago, this kind of trash body wouldn't even be worthy of carrying my shoes. But now, it's barely useful!

"You and I can't coexist," demon master PU said in shock and anger,"how can we exist in the same body? it doesn't make sense!" Although this body has your devil essence, when I seized it, I discovered that its will had already disappeared, and only the purest energy was left."

The demon Lord Monarch snorted,"you're asking me? who should I ask?" I say, PU, didn't you say that you were merciful and just? Why did he suddenly start killing? Could it be that the countless years of suppression have changed your personality?"

"Hmph, you don't need to worry about my matters."

" the devil essence in this body is only one-tenth of yours, " PU said coldly. I'm afraid you've been incomplete for a long time. It's impossible for you to recover your true body.

hehe, it might have been like this in the past, but don't we have you now? "

The demon Lord Monarch licked his lips and laughed, " "As long as you're still under this sky, I'll find you one day. Then, I'll devour you and restore my undying and indestructible demon body!"

Chapter 1518

1518 The eye of heavenly Dao

The devil Lord calmed down and said, I understand now. You're just a subconsciousness within a strand of demonic Qi that was activated under my influence, or perhaps you were infected by the power of the six paths demonic weapon.

The demon Lord Monarch frowned and said,"so what if I am?" I'm going to recover my true body sooner or later."

don't talk about it sooner or later, " the demon master said. your power is already so weak that there's no limit. I'm afraid you won't be able to survive this tribulation.

The demon Lord Monarch raised his head. The golden light that filled the sky fluttered down, giving him a very uncomfortable feeling. He exclaimed, " "This is a Kasaya."

yes! demon master PU nodded. you should be familiar with it. It's the power of the world!

Everyone was shocked and looked at the water deity in disbelief.

Yunxiao's heart trembled as well. The golden light did give off a boundless feeling, and he felt extremely small when he was in it.

But no matter what, they would never have thought that this was the realm power of the heavenly martial realm!

"How is that possible?" the demon Lord Monarch was shocked. The power in this body is only so-so, it's still far from being able to activate the power of the world!"

The water deity formed a hand seal and said, " "The two lords are right. Unless the two lords descend with their true bodies, there's no way to activate the realm power. This is just a divine ability that I'm using to borrow the power of the world."

borrowing the realm power?!

Everyone was also shocked. There was such a magical power in the world? Wouldn't that make him invincible?

Especially Wei Qing and the others, they were even more shocked.

The so-called realm power was the power of heaven and earth in a realm. It was also the limit of this realm's power, and all rules and powers could not exceed this limit.

don't be so surprised," the "water deity" said with a smile. I'm just borrowing it.

"I don't care about all the Dharma and illusions, but the realm power of the heavenly martial realm is very strong," the demon master said with a serious face.

"PU, you're not thinking of asking me to help you escape, are you?" the demon Lord Monarch suddenly laughed. I'm just a wisp of subconsciousness, my real avatar has been free for a long time, so what if I sleep again? However, if you are sealed, who knows how many tens of thousands of years later it will be when you reappear in the world, hahaha!"

"What a joke!" Devil Lord PU snorted with a gloomy face. At this moment, I am the true owner of this body, I can just directly draw your power, why do I need your help?"

He spread out his hands, and under the golden light, black demonic essence kept surging, and the same symbol as the emperor's gradually appeared on his forehead.

The demon Lord monarch's aura continued to weaken. In his shock, he smiled faintly and said, "hahahaha, after thousands of years, you still have to come back. Why did you try to be smart and leave back then?"

"Different DAOs lead to different paths," PU said coldly. Even now, I can't go with you anymore, but I really want your power!"

"You really want it?" the demon Lord Monarch laughed. Can you eat it? Hahaha, what's the difference between you eating me and me eating you? You and I are one, the Lord of all Devils!"

The demon master frowned and said coldly, "you talk too much. After we separated that year, you are you, and I am me. We are no longer the eternal Demon Lord!"

The demon Lord monarch's demonic power was instantly sucked out, and the face on the side of the Dharma idol still had a trace of mockery and arrogance. He laughed hideously and said, "Enemy of a thousand, enemy of ten thousand, unrivaled since ancient times! Hahahaha!"

The laughter gradually died down and eventually disappeared.

The sneer and arrogance on his face also changed, becoming the same as the demon Lord PU. The consciousness of the Emperor was completely suppressed.

and you, the original owner of this body, " PU said coldly. sleep forever!

He raised his four arms to the sky, and the mo matrix in his palm spread out. His entire body was protected by a wave of earth energy, and at the same time, it pressed down on his body.

Yunxiao's face flickered as he suddenly felt completely shackled, and he could not even move his mind at will.

I don't care if you're a demon master or a ghost king, " he said angrily. get out of my body!

With a loud roar, he formed a seal with both hands and a golden light shot out from between his eyebrows, slowly spreading in the sky.

The Maha ancient characters descended from the sky and floated around the three heads and six arms, shining with golden light.

this is the Maha ancient God tactic?!

Wei Qing's face turned pale with fright, and his entire face instantly twisted.

Yu Shengfeng's eyes lit up as he trembled, " "Soul refining Divine Art, it's the soul refining Divine Art!"

Yunxiao's face was extremely serious. At this moment, the battle with the demon master was a direct suppression of soul power. If he was not careful, his soul might be shattered or suppressed forever.

“Transform!” He shouted as he changed his hand seals.

The Maha ancient characters that filled the sky trembled and turned into golden light that flew into his glabella.

In an instant, his face turned golden. His surging soul power condensed into a vortex around his body, which circulated like a Nebula.

PU’s expression changed drastically. He waved his arms and countless runes rushed out of his body, forming a true fiend Dharma idol in the sky. He sat down cross-legged and slowly descended.

“BOOM!”

The true fiend Dharma’s six arms spread out like a lotus and pressed down on the Nebula vortex. The Dharma and the vortex suddenly became blurry, and the space seemed to flow like liquid.

Yunxiao’s face flickered, and beads of sweat rolled down his forehead. He felt as if his head was about to explode as he kept roaring and had a splitting headache.

Everyone was dumbfounded. This kind of battle of soul power could actually materialize into a physical form, like a battle of martial skills. It was likely that only ninth-rank soul power could achieve this.

However, both Bo Yuqing and Qiu Mujie were shocked. This kind of combat technique that could materialize soul power was not something an ordinary ninth-tier Alchemist could achieve, and the danger was incalculable. Even they had never seen it before.

The “water deity” was equally shocked. She quickly formed a series of hand seals and sat cross-legged on the Lotus seat with a solemn expression.

“Everything that exists is like a dream, like a bubble, like fog, like lightning. It should be as such!”

The radiance on the entire Lotus seat brightened and shot up into the sky. A pillar of light shot into the clouds and suddenly spread out.

A crack slowly formed in the center, as if it had been cut by an irregular blade. Golden light surged from the crack, becoming stronger and stronger.

“That’s Yingluo.”

The demon master PU’s body trembled in shock. He changed his hand seals and pressed them down.

“BOOM!”

The true fiend Dharma idol in the sky shone with a bright golden light, almost collapsing the spiral nebula. Blood flowed out of all seven holes on Yunxiao’s face, and it was a terrible sight!

...

“Damn it!”

“Even if I die, I’ll drag you into the cycle of reincarnation!” He roared. A golden light suddenly shot out from between his eyebrows.

The divine realm tablet suddenly appeared and instantly turned into a magnificent monument. It fell from the sky and was about to completely shatter the three heads and six arms!

The ancient Maha characters kept flashing on the monument, and the power of the world expanded crazily, falling like a mountain!

“This is a Kasaya.”

Demon Lord PU’s body trembled as he shouted, “divine realm tablet!”

He didn't have time to think about it as he hurriedly spread out his arms and slapped upwards!

“BOOM!”

A strange force appeared on the three heads and six arms, carrying the divine realm tablet, and the vast power spread in all directions.

Devil King PU was so frightened. He couldn't stop gazing at the monument as if he couldn't believe it. He was getting more and more shocked.

The water deity suddenly shouted, “Open your eyes!”

...

The crack in the sky suddenly opened slowly, like the morning light penetrating the dark clouds and shining on the earth.

After the crack opened, an eye was revealed. Within the eye was a starry sky.

It was like a supreme power overlooking the earth!

Under that gaze, everyone trembled and could not help but want to kneel down and worship.

Yu Shengfeng's voice trembled as he said, “the eye of heavenly Dao is actually the eye of heavenly Dao, no wonder it can borrow the realm power.”

The faces of Wei Qing and the others also turned pale and revealed looks of disbelief.

The scenes that were happening in front of their eyes continuously impacted their vision and brain nerves. The situation that was becoming more and more difficult to accept appeared one by one.

It was said that the heavenly Dao had a spirit and divine eyes to look down on the earth.

As the saying goes, there are gods three feet above the head. It referred to the eye of heavenly Dao, which could see all the laws in the world.

This was just a legendary thing, but it actually existed. Furthermore, it was created by poron's body. Just how powerful was poron himself?

Far away in the northern region, in the holy city of misty snow.

On a huge altar, the sun, the moon, the stars, the universe, and the Milky Way were all constructed. The stars were moving on their own trajectories, as if they were evolving the unchanging fate of heaven and earth.

The entire profound level weapon was called the heaven performing instrument, which was made after the demon clan's armillary sphere. Its function was very similar, and it could directly communicate with heaven and earth.

Suddenly, a beam of Starlight shot out from the heaven-performing instrument and headed straight for the nine Heavens fighting bull!

"Not good! The world is changing!"

In an instant, Gongyang zhengqi appeared in front of Yan Tianyi, his face revealing extreme shock.

It was as if the entire Holy region had noticed something strange. Countless rays of light gathered, and in an instant, the sky was filled with human figures.

Gongyang zhengqi's face was livid as he said coldly, "Where did this bull charging momentum happen?"

Everyone frowned and looked up at the sky. Then, all kinds of whispers sounded and they were all discussing.

A light shadow suddenly appeared beside Gongyang zhengqi and gradually turned into a man in blue. His long robe was embroidered with elegant bamboo leaves.

The man's appearance immediately caused quite a commotion. He stared at Yan Tianyi and said, there's something strange in the world. It should be in the red moon City of the Eastern Region.

"What? Red Moon City?"

Gongyang zhengqi was shocked. The rest of the people also looked at each other and frowned.

Yuan gaohan's heart sank. His second soul had been in the divine realm tablet and had not sensed anything. However, it seemed that the entire tablet had trembled just now, but he did not know what had happened.

Almost at the same time, something happened to Yan Tianyi. Could it be that Yunxiao had caused something again?

He felt a little mentally and physically exhausted. He patted his head and felt that that person was a troublemaker and could never be saved.

Ling Baiyue's pupils also contracted, and cold light shot out of his eyes. He was still pondering when he heard Gongyang zhengqi call him.

"Ling Baiyue, is there any news from the Redmoon city?"

All of a sudden, everyone's eyes were focused on him.

Chapter 1519-law chains

Ling Baiyue thought for a moment and said, "no news, and it seems that the communication with Qianqian has been cut off." &Nbsp;

all communications have been cut off?!

Gongyang zhengqi's pupils contracted and burst out with light. He said angrily, " why are you only telling me this now? it's such an important matter!

Ling Baiyue smiled bitterly. I just got the news. I was thinking about what happened. Who knew that there would be a change in the Yan Tian Yi.

Gongyang zhengqi's expression was grave. the heaven-performing instrument is used to observe the sky. Something big must be happening. Who is willing to go to the red moon City to find out? "

The people in the sky all looked at each other, no one replied.

Ling Baiyue's eyes flickered and she said softly, " "It's not appropriate to send one or two people for such a big matter. Why don't I go and take a look?"

Gongyang zhengqi frowned, but he quickly relaxed and said, that's good. Ling Baiyue, you can go. If you encounter a situation that you can't fight against, don't force it.

"Don't worry, my Lord, I don't want to die so soon," Ling Baiyue said with a smile.

Gongyang Zheng said curiously, " Tang Xin from the Redmoon city is going to marry Jiang Ruobing. Many heroes from all over the world must have gone. Zi Xiaoji, who represents the sanctuary, is also there. With you two peak nine-star experts, there shouldn't be any problems.

Ling Baiyue frowned with a bitter smile and shook her head helplessly.

Wei Qing had already gone to the red moon City, which no one knew about. Even he might not be able to control the situation, so what was the use of him going?

He had also lost contact with Wei Luan, who he had sent over, most likely dead.

Among the people present, no one knew better than him how dangerous the red moon City was at the moment. However, the news of the demon clan's armillary sphere was very reliable, and he did not want to give up this once-in-a-lifetime opportunity to seize the Holy artifact.

"The trip to the red moon City, I will go."

The blue-robed man with bamboo patterns suddenly said.

Ling Baiyue's pupils contracted and a trace of surprise flashed across her face.

"Lord Black universe protector is going personally?" Gongyang zhengqi was also surprised.

The blue-robed man was one of the five rulers of the Holy region, hei Yuhu. His face was indifferent as he said, it's not a small matter. Bai lingyue might not be able to control the situation.

Ling Baiyue forced a smile and said, "if there's a master going, then there's no problem."

"Ling Baiyue, you come with me," said hei Yuhu. His gaze swept across the air, looking at everyone one by one, and finally landed on a petite woman. He said, "Nanfeng Xuan, you come with me."

"Hehe."

The woman chuckled and clapped her hands happily. "Are you going to the red moon City for a holiday? Yay!"

She held her chin with one hand, tilted her head, and thought carefully. "It's hot now, so drinking more tea will help with the summer heat. I can't even remember how long it has been since I last went to Red Moon City to drink tea. The tea was so good!"

"Qin Chuan, you should come with me," black universe protector said.

A young man walked out from the crowd. He was dressed in brocade and had a Jade belt. He had an elegant demeanor and bowed. "Yes, master!"

with Lord Black universe protector here, there naturally won't be any problems," Gongyang Zheng said curiously. I'll get someone to prepare a teleportation array.

"The teleportation formation is no longer working," Ling Baiyue said, "let's just activate it and force our way in."

"What?"

Gongyang zhengqi was shocked and said, "the teleportation formation is also ineffective?" Could it be that something out of control had really happened? I'm afraid that the location won't be accurate if we teleport by force."

"It's fine, the deviation won't be too big. It won't take too much time," black universe guard replied indifferently.

"Alright, let's force our descent there," Gongyang Zheng said curiously.

"Lord zhengqi, about the matter we discussed earlier ..." Black universe protector suddenly spoke up.

Gongyang zhengqi frowned and revealed a worried expression. He said, "I'm afraid that matter can not be rushed. My Lord, go to the red moon City first. When master Nangong returns, I will have him meet you.

“That’s good then. I’ll have to trouble my Lord for everything in the Holy region,” the black universe protector replied.

“Don’t worry, my Lord,” Gongyang Zheng said curiously. “It’s been hard on you.”

Turning around, black universe guard transformed into a beam of light and shot off into the distance.

Ling Baiyue, Nanfeng Xuan, and Qin Chuan quickly followed. Three beams of light shot up into the sky and quickly disappeared from the worship stage.

Gongyang zhengqi’s brows rose as he looked at the Raging Bull. His face was filled with deep worry as he sighed and disappeared on the spot.

Outside the red moon City, the Golden realm power filled the sky. Above the layers of clouds, the eye of heavenly Dao looked down. In that indifferent and emotionless eyes, it looked down on the common people like ants.

“Clang”

All of a sudden, the Golden Shadows that filled the sky began to move. They were like chains that crossed the sky, coming from an infinite distance and extending to an infinite distance.

Those golden chains did not have a physical form and were only faintly discernible. They were just illusory lights, but they gave off a vast power that was difficult to resist.

Devil Lord PU’s face was extremely ugly. He gritted his teeth so hard that they creaked.

Yu Shengfeng was so shocked that his eyes almost popped out as he cried out, “The lock of realm power, the chains of law!”

He was horrified. When he was bound by Yunxiao’s divine realm tablet’s chains of law, he had been scared out of his wits.

Fortunately, it was fake, but under the dim light in front of him, a vast power spread out, and there was a Supreme divine Qi. This was the genuine chain of the laws of the heavenly martial realm!

The rest of the people also held their breaths. Beads of sweat rolled down their foreheads, and no one dared to take a deep breath. They looked at this terrifying scene nervously, feeling the boundless power.

“Hualala!”

Under the eye of heavenly Dao, the chains of law flickered and revolved around the true fiend. In an instant, they bound the true fiend’s six arms, neck, body, and legs.

A total of twelve chains spread out in all directions like a spider web, instantly binding the true demonic giant spirit tightly!

The Nebula formed by Yunxiao’s soul power had almost collapsed, leaving only some dim light that fell from the sky and poured into his body.

The blood flowing from his seven orifices had stopped, but his face was extremely pale.

...

He slowly raised his eyes and looked at the strange phenomenon in the sky. He felt that his mind was muddled and he was about to faint.

“No, I can’t die!”

His will told him that no matter how difficult it was, he had to endure it.

The blood in his body seemed to be burning, and an unprecedented power emerged. His face and body turned golden, and he began to recover.

“This is a Kasaya.”

He was shocked but immediately understood. He looked at the unconscious feini in the distance and knew that the Dragon essence Phoenix light that the demon Lord had absorbed was starting to take effect in his body.

However, he suddenly realized that although this power was strong, it was not under his control. It was completely under the control of the demon Lord.

Demon Lord PU performed incantation gestures with all four arms. Although one side of his Dharma idol was controlled by Yunxiao, his demonic power was still mighty. Both sides of his Dharma idol were covered with gold and black demonic patterns, and his eyes were filled with coldness.

it’s just a faint light from the chains of law. How dare you think of binding me? what a joke!

He gave a loud roar and suddenly spat out a stream of demonic essence that shot straight into the sky!

“Boom boom boom!”

...

The world trembled, and everyone felt as if their eardrums were about to burst, causing blood to gush out.

“Hualala!”

Under the impact of the devil essence, the illusionary light of the nomological chains made a loud noise, and the sky was filled with golden light shadows.

The water deity’s expression changed drastically. Her already heavily injured body trembled even more.

Amitabha continued to exude a brilliant light, repairing her damaged physical body. At the same time, golden light shot into the sky and surged into the eye of heavenly Dao.

Her face quickly turned pale as she gritted her teeth and said, " everyone, stop! The chains of law are about to break!

"What?"

This was like a bolt of lightning on a sunny day, shocking everyone and making them panic.

Even the lock of realm power and chains of nomological laws couldn't trap this demon?

"Your Majesty, what should we do?" Wei Qing asked through gritted teeth.

there are a total of 12 projections of the chains of law here," the water deity said. but this alone is not enough to suppress the demon master. I need 12 people to help me hold back these 12 projections!

Wei Qing looked at the chain lights that filled the sky and immediately understood. A trace of determination flashed across his face, " "Good! And those of power, go forth. At this time, who still has any hidden thoughts and schemes? if you want to plot, then modify this Lord's account after the matter is settled!"

His gloomy eyes swept over everyone, and they all shivered.

"Hmph!"

Wei Qing snorted and appeared in the sky in a flash.

His expression immediately changed drastically. Under the corrosion of the faint world power and magic power, he felt that his body was greatly suppressed, and he could hardly move.

However, he was also an expert of his generation. He snorted heavily and unyieldingly, took a step forward, and suddenly grabbed with his big hand!

“Hualala!”

Suddenly, he grabbed a chain of laws in his hand and pulled!

“Bang!”

A strange force shook from the virtual light and directly blasted him a few thousand feet away.

Wei Qing spat out a mouthful of blood in the sky, his face twisted. However, he didn't throw away the chain of laws in his hand. He held it tightly in his hand, gritted his teeth, and pulled again!

“Hualala!”

The sound of long chains being dragged could be heard, and the illusory chain shadow was pulled straight.

The rest of the people looked at Wei Qing's strenuous appearance, their faces slightly changed, hesitating and looking at each other.

“Whoosh! Whoosh!”

Two figures soared into the sky. It was Yu Shengfeng and beifeng Nan. The two of them also appeared around the two chains and stretched out their hands to grab them.

“Swish!”

A roar came from the ground, and the heaven patrolling Bulldog also flew up slowly and stomped on one of the chains.

“Bang!”

The chain light was like a whip that lashed against its body, directly causing a part of it to sink in.

“Swish!”

The heaven patrolling Bulldog was furious. It stomped on the ground with its four hooves, shaking the chain and sending it flying up and down.

It suddenly rushed forward and opened its mouth to bite the virtual light!

In an instant, countless runes surged up from the chain, many of which were imprinted on its body, but it still bit down on it.

“Swish!”

An angry roar came from its nostrils. The heaven patrolling Bulldog bit the chain of law and retreated continuously, dragging the chain with a “Hua Hua” sound.

Chapter 1520

1520 The twelve void lights

Yu Shengfeng and beifeng Nan also pulled on a chain and spread out in the air after overcoming the backlash.

“Hualala!”

In an instant, four of the chain shadows were pulled straight.

The three of them focused their gazes, only to discover that these illusory lights were formed from extremely exquisite symbols. They attracted each other, forming chains.

The three of them were overjoyed. Although the situation was critical, it was unlikely that they would ever be able to see the structure of the chains of law at such a close distance.

As he struggled to hold on to the virtual light, he could not help but forcibly imprint the exquisite runes in front of him into his mind.

“Let’s go too!”

Ning Kewei’s voice was heard. He and ning keyun flew up at once, and the father and daughter were also pulled towards the two chains.

After that, among the demons, Ci gritted his teeth. His figure flashed and he appeared in the sky. He also grabbed one of the dragons.

He was severely injured. The physical bodies of all the demons were on the verge of collapse. After using the sky-sealing mark, Shang was no longer able to fight.

He was the only one who could make a move now.

“Pa!”

The moment his arm touched the virtual light, it was instantly smashed into pieces!

“Ah!”

ah! Ci screamed in pain.

“Lord CI!”

“Master!” Both Meng and Xian cried out in alarm. Their faces were filled with anxiety as they shot up into the sky to rescue the other two.

“You guys ...”

Li was anxious and wanted to stop them, but it was too late. The two of them disappeared in the blink of an eye.

“BOOM!”

Suddenly, a strange force surged in the sky. Just as the two of them rushed into the sky, they were suppressed by an extremely strong force and directly bounced back.

“Pfft!”

The two of them vomited blood in the air. They couldn’t hold on any longer and fell back to where they came from. They were directly sent flying to the ground and spat out large mouthfuls of blood.

The two of them were unwilling to give up. With their current strength, they could not even fly up to the sky.

Under the spiritual pressure caused by the confrontation between The Phantom of the realm power and the power of devil essence, ordinary people were simply unable to resist!

Li hurriedly went forward and started treating the two.

After the temple in the sky’s arm was shattered, it let out a series of roars and turned into its demon form. Its remaining arm also grabbed down.

“Pa!”

The illusionary light appeared again and shattered his other arm.

”

He let out a few painful roars, and then a light flashed between his eyebrows, and his entire demon form began to change.

His destroyed arms grew out again with a “pa pa pa pa” sound, and his aura was brand new!

At this critical moment, CI once again gave up his life in order to obtain a new physical body. Suddenly, he felt full of strength. With a loud roar, he directly grabbed the chain of nomological laws in front of him and pulled it in the air!

“Hualala!”

Another law chain was pulled straight.

His change attracted the attention of the people in the sky, and they all revealed shocked expressions.

After a series of unforeseen events and battles, who wasn't exhausted? they had to rely on all kinds of medicinal pills and natural treasures to hold on, but they could only quickly recover a little strength.

But this time, CI was directly full of blood and resurrected on the spot. How could everyone not be shocked?

“Damn it!”

Devil Lord PU was infuriated. His shouts rose to the sky, shaking the illusory light of the chains of law even more.

The "water deity" gritted her teeth and said, "it's not enough! More attacks!"

After everyone saw Ci's arms being crushed, they were all frightened and no one dared to take the risk.

That was an expert of divine transcendence. Although he was seriously injured, he was still far more powerful than an ordinary peak nine-star expert. If such an existence was so exhausted, ordinary people would probably be turned into ashes.

In fact, they were thinking too much. If they didn't have enough power, they wouldn't be able to reach the chains of law at all. They would be directly bounced back like saliva and Meng.

Ning keyun's face turned pale, and cold sweat dripped down her face. Under the constant impact of the devil Lord PU's power, her hands were already covered in blood, and countless golden runes were attacking her body.

On the other side, ning Kewei said in horror, "Keyun, keyun! If you can't hold on any longer, hurry and get down!"

Ning keyun's eyes were a little dazed, as if she could not hold on any longer. It seemed that she was not in a clear mind.

Ning keyun panicked. Suddenly, a ray of light flashed in front of ning keyun and grabbed the chain of laws.

The Golden runes that filled the sky immediately surged into the man's body and continuously attacked it.

The newcomer was Bo Yuqing. The moment he touched the chain of laws, his face turned white and he clenched his teeth to grab it.

Only then did ning keyun gradually regain her consciousness, and traces of blood could be seen on her face.

“Many thanks!”

She squeezed out the two words from between her teeth and clenched her fists again.

...

“No need!”

Bo Yuqing said in a deep voice, his eyes extremely serious. With the combined strength of the two, they finally straightened the chain.

Two peak nine-star experts had to work together to pull one. Everyone was even more shocked and did not dare to go up rashly.

“Hmph!”

A cold snort suddenly rang out as Qiu Mujie spread his wings and teleported to one of the chains with a flash of his thousand eyes. His arms exploded with crackling sounds, turning into golden furry ape arms that grabbed down.

“Bang Bang Bang!”

Countless rays of light shot out from the chains and entered his body. The phenomenon of the ultimate body appeared, and all kinds of strange limbs appeared one by one.

Qiu Mujie roared loudly, and his horn suddenly jabbed down!

“BOOM!”

All sorts of strange powers fused together and formed a protective barrier. Only then did the trembling of his furry arms stop!

“Hualala!”

...

Another chain shadow was pulled straight.

At this moment, a total of eight law chains in the sky were pulled straight, as if they were nailed in the air by long nails.

There were only four that were constantly swaying.

Demon master PU roared non-stop. The power of the true fiend Dharma idol continued to attack the world power like a trapped beast.

Xuan Hua struggled a few times and fell down, no longer having any strength.

Liu Feiyan was also covered in blood, and she said with a serious expression, “It’s better if you don’t move around randomly and recuperate properly.”

Xuan Hua smiled bitterly. In such a spectacular scene, there’s actually no sign of my carefree figure. Isn’t that too regretful?”

“I didn’t want to do it, but it’s a good choice to make you jealous.”

Teng Guang suddenly said, a sly smile flashing across his face.

Although his Tao body had collapsed, he had been recuperating and had not attacked once. His physical condition was actually better than the others.

“Since you dare to go up, why shouldn’t I?”

Duanmu Youyu also laughed lightly. His frost Jade ruler, which he had cultivated with his life, had been destroyed, and his mind had also suffered a heavy blow.

The two of them looked at each other and smiled. Then, they turned into rays of light and rushed up.

Soon, two more nomological chains were pulled up.

PU’s struggles grew more intense, but the restraints also grew tighter.

“Zi Fei Ji, Luo Xing!” Wei Qing shouted from the sky.

The two of them trembled and looked at each other, revealing a difficult expression.

If the two of them were in their peak condition, they could easily shake off a chain. However, they were seriously injured at the moment, so how could they withstand it?

However, with Wei Qing’s order and everyone’s hope, everyone’s eyes were focused on them. Even if they couldn’t stand it, they had to!

Luo Xing! Zi Xiao Ji gritted his teeth, “ Luo Xing, if we join forces, we should be able to suppress one!

“Alright!” Luo Xing nodded in agreement.

The two of them flew up and used their own unique skills to grab one of the pillars.

At the same time, another ray of light flew up and grabbed at the last one.

That person's Green robes flickered. It was Chen Yuyu. His arm had just touched the chain of laws and was immediately shaken until his qi and blood churned. He spat out a mouthful of blood.

His eyes were full of bitterness and shock. Even Daren could pull on one. Although the process was very difficult, with his own cultivation, it would definitely not be a problem. Who would have thought that it would be so difficult!

This also reflected the gap between himself and the others, making him feel extremely bitter in his heart.

From the beginning to now, the kind of high-spirited and heroic feelings when he advanced to the peak nine-star were completely gone.

The virtual light shook a few times, and Chen Yuyu suddenly felt that she couldn't hold on any longer. Her body kept trembling, almost collapsing on the spot.

Suddenly, an extremely overbearing force fell. Luo Qingyun shouted, "I'll help you!"

His body transformed into a demonic Dragon, baring its fangs and brandishing its claws.

The desolate God bright moon spear spun continuously in front of him, and the Spear's momentum stabbed towards the illusory light!

"Roar!"

An ancient roar came from the spear!

Clang! Clang!

As the spear descended, it actually passed through the illusory light of the chains of law.

Everyone's heart trembled violently, and they revealed looks of horror!

”

Luo Qingyun roared, looking ferocious and terrifying. Just like long qianmiao, he grabbed the spear and pulled it behind him.

Chen Qianyu immediately felt the pressure on him greatly reduced. He couldn't help but show his gratitude. He gritted his teeth and pulled it up with all his might.

“Hualala!”

As the last two chains of law were pulled straight, the swaying shadows in the sky disappeared.

The true fiend Dharma idol's five bodies and four limbs were tightly bound, and it was pulled in all directions.

On one end of the chains of law that bound the true devil, those exquisite runes kept squeezing into the true Devil's body, as if they wanted to tear it into pieces!

The water deity's eyes were filled with joy as she shouted, ” “Everyone, hold on!”

Her figure flickered, and the Lotus platform appeared in the sky. She sat down.

The eye of heavenly Dao suddenly burst out with a bright light, and countless runes appeared in the pupil.

The devil Lord was shocked and roared in anger, ” “Poron, you dare to seal me? You lowly and contemptible person!”

He seemed to have foreseen his own end and roared unwillingly. However, the twelve chains of law had bound him tightly and he couldn't move at all.

The water deity's expression was cold as she sat in Amitabha. The nine-grade Lotus bloomed one by one and fell towards the demon Lord in the twelve rays of light.

A clear, poetic voice slowly sounded from the Lotus platform.

"Everything is different, and all sentences are not sentences. All the sages are like lightning, and an empty body becomes a Dharmakaya."
