

## The Eternal 1621

### Chapter 1621

#### 1621 Liuming mansion

Yunxiao said, " since Ling 'er is not here, I don't want to talk to ding Peng anymore. Ask him to arrange two guest rooms for me. I'm a little tired from the journey. I'll take a rest first.

"T-this bi an ..." The guard was dumbfounded and said, " Lord cloudsky, this isn't too good, is it? "

if it's not good, then forget it, " Yunxiao said. I'll find a hotel to stay in first. When Ling 'er comes back, you can inform me.

He did not have a good impression of Tianyuan trading company, especially ding Shan, who was the biggest suspect in the Yuwen Bo incident.

Now that Ding Ling 'er had stepped down from the acting president and was under ding Peng's control, he was too lazy to join Tianyuan trading company.

"My Lord, don't, don't go, Yingluo!"

The guard jumped in fright and broke out in a cold sweat. "I'll report this to the young master. I hope that Your Excellency can stay here for a while and not make things difficult for me."

Very quickly, the guard ran out again and said, " young master said that since Lord cloudsky is unwilling to see him, then find a nearby Inn to stay in.

Yunxiao chuckled. ding Peng's attitude has changed after he became the young President. I suddenly want to see him again.

The guard was dumbfounded. He said bitterly, " isn't Lord cloudsky deliberately making things difficult for this little one? "

Yunxiao patted him on the shoulder and said with a smile, "Don't be nervous. You're not qualified to make me deliberately embarrass you. I have the first-class VIP card of Tianyuan trading company. It's not too much to see a young President like you, right?" He took out a token and threw it over.

The Guard's hands trembled and his forehead was covered in cold sweat. He said with a sad face, "Lord Yunxiao, you clearly said that you wanted to stay in the hotel by yourself. Why are you making things difficult for me now? If I go in and report again, the young master will beat me to death. I still have an eighty-year-old bi an at home.

"Alright, alright."

It seems that Ding Peng really doesn't like me," Yunxiao interrupted. Forget it. Tell me where Ling 'er went and I'll leave."

The guard then handed the token over with trembling hands and said, "Miss Ling 'er seems to have gone to the Star and Moon School, but I'm not sure."

"Star Moon school!"

Yunxiao's pupils constricted, and his face grew serious as he said, "Are you going to meet the master of the Star and Moon School, Han Junzi?"

"That's most likely the case," the guard replied. Miss Ling 'er and Mr. Han Junzi have a good relationship, so how would I know the details?"

Not bad," Yunxiao said. I'm very satisfied with your answer. I'll go this way. He took out a bag of vital stones and threw it to the guard, saying, "Take these."

I don't dare to take this Pixiu lightly. The guard was surprised and happy. He pulled the bag of primeval stones tightly and pushed it over.

It's just a small token," Yunxiao said with a smile. Take it.

The guard was overwhelmed by the favor and said gratefully, " thank you. Thank you, Lord cloudsky. He hurriedly kept the bag of primeval stones.

As the security guard of the headquarters, although he could get some benefits on a daily basis, it was limited. And this time, it had a different meaning. It was given to him by Yunxiao, who was famous all over the world. In the future, he would have a lot more capital to brag about, and he would also feel more honored.

"That's right, why haven't I seen Chairman ding Shan in a long time?" Yunxiao asked, intentionally or otherwise.

The guard was taken aback, and then he frowned.

what's wrong? " Yunxiao asked. is there a problem? "

"I haven't seen the president in a long time, but it's very likely that he's in new Yan city," the guard said after a moment of thought.

Yunxiao's pupils constricted. Oh? How do you know?"

The guard carefully looked left and right before he whispered, because I found traces of the president's personal guard,'golden edge silver glow'.

Yunxiao chuckled. that doesn't explain the problem, does it? " I remember that ding Peng and Ling 'er also had the shadow of golden edge and silver Radiance."

The guard quickly waved his hand and shook his head. "This is different. Although the Golden edge and silver glow were the president's personal guards, they were often sent out to do various things. However, there was one person who would never leave the president's side, and that was the leader of the Golden edge and silver glow-old Lai. A few days ago, I seemed to have accidentally heard old Lai's voice."

"Just a voice?" what? " Yunxiao frowned. you make it sound so mysterious.

The guard became anxious and said, " Lord Yunxiao, don't doubt me. My ears are very sharp. As long as I hear it once, I basically won't forget it. Moreover, it's a Big Shot like Lord old Lai. How can I forget it? "

then, do you know what the situation is like in the seven merchant alliances? " Yunxiao thought for a moment and asked.

That guard said, " this isn't a secret. This matter was initiated by the myriad Treasure Tower. Lord cloudsky must know the reason. However, dealing with Ling Baiyi is no small matter. If it's not handled properly, it could lead to a destructive disaster. Therefore, the merchant Union has different opinions."

The guard was beaming with joy as he spoke. He was extremely excited and happy to have the opportunity to show off in front of the big shots. He said, "The money gang, the star and moon school, and our Tianyuan Chamber of Commerce all support it, while the thunderwind Chamber of Commerce, the Tianyi Pavilion, and the Mando Chamber of Commerce all oppose it."

then, do you know why Tianyuan trading company supports you? " Yunxiao asked. why? " If Ling Baiyi doesn't die and retaliates after this, who can stop his anger?"

The guard shook his head and said, " this is not something I can know. It's most likely for the Chamber of Commerce's own interests. Lord Yunxiao, you can ask miss Ling 'er.

Yunxiao knew that he could not know more, so he smiled and said, " "Thank you for the information."

The guard was already overwhelmed by the favor, and he became even more submissive, his face full of smiles.

li Yunxiao, stop!

Suddenly, a loud and clear shout rang out, and a few people strode out of the Chamber of Commerce. In just a few flashes, they had appeared at the door and blocked Yunxiao's way.

It was ding Peng, followed by three old men.

Ding Peng's eyes suddenly lit up. He stared at water deity and looked a little stunned.

"What are you looking at?" the water deity asked, annoyed. You Toad, do you believe I'll dig out your eyes!"

"A ... A Toad?" "You're calling me a Toad?" ding Peng said awkwardly.

"I'm talking about you, could it be someone else?" Narcissus said.

"Do you know who I am?" ding Peng swallowed. How dare you call me a Toad? do you know that the women in the realm of heavenly martial arts who want to be favored by me can walk two circles around the realm of heavenly martial arts if they hold hands?"

If other people said that he was a Toad, they would have flown into a rage long ago. But now, when they looked at water deity, they could not get angry at all. Instead, they patiently explained, "I'm Lao Ai, one of the seven Chambers of Commerce in the merchant Union."

alright, I don't want to listen to your explanation, you Toad. Quickly move aside and let me and big brother Yunxiao go. The water deity said impatiently.

"Y-you're

Ding Peng's temper was gone. He pointed at Yunxiao angrily and said, " you call me a Toad, but you call him brother Yunxiao. Don't be fooled by him. You have to know that he's still in an ambiguous relationship with my sister!

"None of your business!" The Narcissus said angrily. Mind your own business, you Toad!"

...

"Young master ding Peng, what did you just say?"

An old man behind him suddenly opened his half-closed eyes, which seemed to flash with lightning, and said, "Did you just say that this person and miss Ling 'er are in an ambiguous relationship?"

The other two old men's faces darkened as well. They stared at Yunxiao in unison, their expressions hostile.

Ding Peng's body trembled. please don't be angry, my Lords. It's this kid who's a Toad lusting after a Swan's meat. He's been pestering my sister every day, and my sister doesn't have a good face for him.

The old man snorted. young master ding Peng, you don't have to explain too much. We've also investigated miss Ling 'er's matter. She does have a close friend named li Yunxiao, but I didn't expect them to be so ambiguous.

Killing intent gradually gathered in his eyes. All three of them had their divine senses locked on Yunxiao, and it seemed that they had become mortal enemies.

what are these three green onions? " Yunxiao asked in surprise.

"Shut up!"

li Yunxiao! ding Peng shouted angrily, " what are you saying? These three lords are the elders of liuming mansion, Jing Yuan, Jing Ming, and Jing Gao. They are extremely powerful and are respected by many. You have to be careful with your words!"

"Liuming mansion?"

Yunxiao thought for a moment, but he did not have any impression of this sect. The strength of these three old men was extraordinary, and they were by no means ordinary."Could it be a hidden sect?"

...

yes,” ding Peng sneered smugly. I don’t think you’ve heard of it before. It’s not your fault.

since it’s a hidden sect, why do you want to escape from the world?” Yunxiao asked.

“The three elders came here at the invitation of Tianyuan trading company,” ding Peng snorted.

I didn’t expect Tianyuan trading company to be involved with these reclusive sects,” Yunxiao said curiously. is it to deal with Ling Baiyi as well? ”

The person who had spoken earlier was the eldest brother of the other two, Jing mo. He said coldly, ” I’m getting more and more curious about this Ling Baiyi. Just how powerful is he? I’ve been hearing this name for the past few days, and I really want to meet him.

Jing Ming laughed and said, ”big brother, you’re thinking too much.””How powerful can he be?” In the realm of heavenly martial arts, there’s no tiger in the mountains, and the monkeys are the Kings.”

let’s not talk about Ling Baiyi for now, ” Jing Gao said. if he dares to come, we’ll show him how powerful we are. Let’s deal with li Yunxiao first.

Jing Ming snorted coldly, and his eyes were filled with killing intent. what’s there to deal with? just kill them. There are so many people in the realm of heavenly martial arts. It won’t matter if one of them dies.

“Pa pa pa pa.”

Yunxiao clapped his hands and praised, ” you three are so domineering. But, I still don’t understand why you want to kill me. Why do you want to kill me? ” Could it be that she was jealous of my beauty? But this is inborn, there’s no helping it. ”

“PAH!”

Jing Gao disdainfully spat and sneered, "Hmph, that's right, I'll let you die with a clear understanding. Miss Ding Ling 'er is a Dragon among men, and only my young master is worthy of her. You're just a Toad, and you dare to flirt with miss Ding Ling' er? if you don't die, is there any justice left?"

The water deity was unhappy. you three old toads keep scolding my big brother Yunxiao. You are the toads. That young master of yours is also a Toad!

Chapter 1622-mediation

The three elders "expressions changed drastically. Jing Gao shouted angrily, "Little girl, you don't have a filter! Don't think that I won't hit you just because you're a girl. If you dare to talk bad about my young master again, this old man will tear your mouth apart!"

The water deity was taken aback by his fierce look, and as expected, she did not dare to say anything more. She took a step back and hid behind Yunxiao.

water deity, you've learned bad things from feini, " Yunxiao said. don't curse at people for no reason.

The water deity blushed and stuck out her tongue, looking very cute.

please calm down, three elders, " ding Peng said hurriedly. this has nothing to do with this young lady. It's all li Yunxiao's fault. He should not be alive at all.

"Fine, I'll spare him for the time being since this girl is young and ignorant," Jing Gao said. As for this li Yunxiao ... Hmph, do you want to live or die?"

Yunxiao was speechless, 'isn't that nonsense? Of course you want to live, don't tell me you want to die?"

Jing Gao was stunned for a moment. These words sounded extremely awkward, and there was a feeling of suffocation in his heart. He snorted heavily, "Hmph! If you want to live, then destroy your own dantian and kneel at the gate. Wait for young master and miss Ling 'er to return before you punish them!"

Ling 'er? " Yunxiao's face flickered. your young master is with Ling' er? "

Jing Yuan sneered, " young master and miss Ling 'er are a match made in heaven. Naturally, they are together. You'd better give up on this idea. If you don't give up, you have to die.

ding Peng, this is new Yan city, " Yunxiao said. we have our own rules. As the young master of one of the seven Chambers of Commerce, are you going to ignore the rules and ignore someone who is going to make trouble?"

haha! Li Yunxiao, you can be afraid too? "

Ding Peng laughed wildly. He put his hands on his waist and shouted arrogantly, " "The three elders are the honored guests of Tianyuan trading company. Their actions represent the actions of Tianyuan trading company. It was a legitimate attack!"

I remember that private fights are not allowed in new Yan city, " Yunxiao said. if you want to fight, you must go to the arena.

Ding Peng snorted, raised his head, and yelled, " "The rules are set by the merchant Union, and they can be changed at any time. What can you do if I change the rules now?"

is this how the merchant Union bullies outsiders? " Yunxiao asked.

"I'm bullying an outsider," ding Peng laughed,"what can you do? We, the merchant Union, have the final say in everything here. We can play with you however we want, we can beat you up if we want, outsiders!"

Yunxiao nodded, then took out a black stone from behind him and said, " "This is an image stone. I've already recorded the impact and sound just now. This time, when myriad treasures store is gathering all the heroes in the world, I'll show it to all 'outsiders'. "

Ding Peng,"Yingluo, you, you Yingluo."

Cold sweat trickled down his forehead. Although what he had just said was true to everyone, it was just an unspoken rule. If he directly took it out and played it in front of the world's heroes, he was afraid that even the conference would be affected. The consequences would be serious and unimaginable!

It would be much better if it was on a normal day, but now was a critical time to invite all the heroes in the world.

The lightest consequence was to implicate Tianyuan Chamber of Commerce and even be expelled from the Board of Directors. In the worst case scenario, he might be beaten to death on the spot. It was not impossible for him to die.

"You ... You're despicable!"

Ding Peng shouted in exasperation. He rushed up to grab the stone and said, "Hurry up and give it to me!"

With a flip of his palm, Yunxiao put the stone away and sent out a stream of energy, pushing Ding Peng far away.

please help me get the image stone back! Ding Peng cried out in panic. If this gets out, the consequences will be unimaginable!

Don't worry, young master Ding Peng," Jing Yao said. Tian Yuan Chamber of Commerce and Liuming mansion will be one family soon. Of course, we won't sit by and do nothing. Besides, this Li Yunxiao has committed a capital crime for being so presumptuous in front of us."

He gave Jing Gao a look, and Jing Gao sneered cruelly as he took a step forward and appeared in front of Yunxiao, then thrust his palm toward his head!

"If you don't know what's good for you, then go to hell!"

"Tsk, funny!"

Unhurriedly, Yunxiao raised his right hand and held it horizontally in front of him. A sharp sword Qi emanated from his hand and cut diagonally upward, tearing the space apart and slashing at the palm.

Jing Gao was suddenly startled, and a sense of danger welled up in his heart. He hurriedly withdrew his palm momentum and retreated a few steps.

“What’s going on?” Jing Yuan frowned.

“This kid’s strength seems a little strange, he’s not as weak as he looks.” Jing Gao was a little surprised. However, it’s just a little strange, nothing to fear.”

In addition to being surprised, he was even more furious, as if he had lost face. With a loud shout, he joined his palms together and slashed down vertically.

This time, he used 80% of his elemental energy, wanting to turn the other party into meat paste to vent his anger.

in front of absolute power, any fancy tricks are useless!

Yunxiao raised his right hand again and held it before him, then turned it into a sword momentum and slashed upward. It was exactly the same as the previous move, almost a replay of the movement, and even the expression on his face did not change.

“Bang!”

He put his palms together and chopped at Yunxiao’s arms like a giant axe, causing the air on both sides to explode and the space to shake.

“What?”

Jing Gao felt a sharp pain in his palms, as if the sword Qi had broken through his defense and invaded his meridians, wandering in his internal organs and wreaking havoc on his body.

His eyes almost popped out of their sockets. He was filled with disbelief, and his mind was in a daze. He stood there, not knowing what to do next.

“Ah!”

Suddenly, he felt a sharp pain in his arms. Yunxiao clenched his hands with his five fingers, and his arms turned golden. Then, he pulled them hard and pushed them back.

Jing Gao’s body instantly lost its balance and was knocked back more than 30 meters, and the bones in his fingers were almost completely shattered!

“What?”

Jing Yuan, Jing Ming, and ding Peng all turned pale, their faces looking a little dull.

“Dammit! He dared to hurt third brother, kill him!”

Jing Yuan flew into a rage, and the aura on her body soared to the sky. Jing Ming also came back to his senses in an instant, and his power was also raised to the extreme.

Seeing that their own people had been injured, they were furious. Regardless of their status, they attacked together.

A murderous look flashed in Yunxiao’s eyes. ‘Since these fools don’t know when to retreat, I’ll cripple them all!’

He spread his fingers and suddenly frowned. He looked at Tianyuan trading company with a puzzled look.

...

“Please calm down, elders.”

An old voice rang out, and a light flashed into the sky. In an instant, he appeared beside Yunxiao, and an old man with a hunched back thrust out his palms at the same time.

“BOOM!”

A strong wind blew, and the old man immediately spat out a mouthful of blood. He took a few steps back, and his face turned pale.

“Lord Lai, it’s you!” Jing Yuan was shocked and angry. Why are you protecting this brat!”

Although their attacks were blocked by the old man, they were still furious. They stood on Yunxiao’s left and right, their killing intent overflowing.

The old man hurriedly suppressed his injuries and walked forward. please don’t be angry, elders. Young master Yunxiao is also an honored guest of our Association. Please don’t let a small misunderstanding hurt our relationship, or it will put us in a difficult position.

The old man was the commander of the Golden edge and silver Radiance, old Lai.

Ding Peng saw that he was also alarmed, so he quickly said, “ old Lai, it was this li Yunxiao who didn’t know what was good for him. He injured Lord Jing Gao!

“Cough cough!”

Jing Gao suddenly coughed twice and interrupted, “Where are you injured? I was just careless and let him gain the upper hand in one move.”

...

“Since there are no casualties and both parties are our distinguished guests, how about we turn hostility into friendship for the sake of my master and miss?” old Lai hurriedly said.

Jing Yuan said coldly, “this brat and miss Ling’er have an ambiguous relationship, so he must die! Otherwise, what would my young master be?”

Yunxiao’s face turned cold. The teasing behavior of the three men from liuming mansion had not made him angry. After all, he had experienced so much and seen all kinds of stupid birds, so he did not mind having three more.

However, when the other party mentioned Ding Ling’er and the young master of liuming mansion, he suddenly became inexplicably angry, and a murderous intent spread out. His eyes became clear, and he said coldly, “If that’s the case, then I’ll kill the three of you first, and then kill that young master!”

Both of them also felt Yunxiao’s killing intent in an instant, which was faintly discernible. A sense of danger welled up in their hearts, which shocked them and made them extremely vigilant.

“I can’t, can’t!”

Cold sweat oozed out of the old man’s forehead as he hurriedly pulled Yunxiao back, almost hugging him with both hands. young master Yunxiao, even if you don’t give me face, you should give miss face. Miss has gone to the star and moon House and will be back soon.

are you blind?” Yunxiao frowned. are you blind?” It’s these three Jokers who want to kill me. You mean you want me to let them kill me?”

The old man was cursing Jing Tian and the other two in his heart. They were from reclusive families and did not know how powerful Yunxiao was, but he knew very well that this man was the reincarnation of Martial Emperor Vanquisher.

“Three elders, for the sake of master and young lady, how about we not mention this matter for the time being? We’ll discuss further after we understand the situation in new Yan city.”

He also knew that these people from the reclusive families were ignorant of human affairs. Asking them to let Yunxiao go at once was unacceptable, not to mention emotionally, but also in terms of face. Therefore, he proposed to postpone the matter and think about it at a later time. As long as the two groups did not fight, they could slowly resolve it in the future.

“Hmph, since master Lai has come out, we’ll let this person Live!”

“But after the incident in new Yan city, Tianyuan trading company will no longer be able to stop us from killing this man!” Jing Yuan said seriously.

Old Lai thought to himself, I don’t even know who will be the one killing who!

“Of course, of course, I will, I will! Of course, we can’t stop the private affairs between the two of you, but don’t make a scene in new Yan city. With your cultivation base, it’ll be earth-shattering. The entire new Yan city will pay attention to it. ” The old man heaved a sigh of relief in his heart and flattered.

As expected, the three of them looked better.

Jing Yuan pointed at Yunxiao and said coldly, “ we’ll remember you. Even if you escape to the ends of the earth, we’ll hunt you down!

Chapter 1623

1623 The Crimson Dragon staff

“You fools, you’ve successfully angered me. For the sake of Ling ‘er, I won’t cause any trouble for Tianyuan trading company for the time being. However, if you dare to act like an idiot in front of me again, I will kill the three of you first, and then your young master.”

Yunxiao’s eyes were cold as he said slowly in a cold voice, ”

He was usually not easily angered, especially when it came to this kind of funny joke. He had seen many of them, so he was indifferent to them.

However, when he heard that Ding Ling 'er was with their young master, an inexplicable anger kept burning in his heart, and he really wanted to kill someone.

The water deity also felt the killing intent from his body. She gently shook his arm and called out, "Big brother Yunxiao."

Yunxiao's heart jolted, and it was only then that he realized that he had lost control of his emotions. He hurriedly circulated his primordial art and calmed his mind to suppress his emotions.

"What did you say?"

you ungrateful little bastard! Jing Ming said angrily. you're looking for death!

His figure burst out, and his hands formed a seal in the air. The sky full of afterimages gathered into his palms, and he suddenly formed a seal and slammed it down. He shouted, "Go to hell!"

The old man's expression changed drastically, and at the same time, a trace of anger flashed in his eyes. He didn't expect the other party to be so insensible, and he was also angry that the other party didn't give him face. He clenched his fists, and the roar of a Tiger came from his fingers.

Just as he was about to make a move, Yunxiao patted him on the shoulder. All of a sudden, his primordial Qi spread out, and the primordial Qi that he had just gathered sank down.

"What?" The old Rascal's entire body trembled as a huge sense of fear welled up in his heart. He turned his head in horror and looked at that calm face. He couldn't help but tremble.

Gu Feiyang! He was really Gu Feiyang!

The old man cried out with a trembling voice in his heart, but he could not make a sound at the moment. He could only panic as cold sweat trickled down his cheeks, and he looked at Yunxiao with an almost pleading look.

you've been in the Chamber of Commerce all this time, haven't you?" Yunxiao said coldly. He only came out to mediate when something happened, but he already F \* cked himself? Or do you think I'm easy to bully?"

Old Lai's mind raced, but before he could explain, he saw a figure flash in front of him, and Yunxiao had disappeared.

"Five lightning strikes!"

A thunderclap rang out in the sky, and then tens of thousands of lightning bolts fell, flickering in the sky and gathering into the hammer in Yunxiao's hand.

Golden runes kept surging out of the hammer, flashing in the surroundings.

Jing Ming's mouth was wide open in shock, but there was no time for him to react. One of his seals was swallowed up by the lightning. The giant hammer fell down like the sky, and the whole world seemed to have become its own world.

"Thunder World!"

"BOOM!"

The hammer hit Jing Ming's head, and countless Thunderbolts turned into Dragons and poured into his body in an instant. His muscles, bones, and bones stretched out and burst out from his body.

His entire being was like a Thunderbolt, constantly releasing electricity in all directions. The expression on his face changed from shock to pain, and finally to dullness.

"Ah?"

"Second brother!"

“Second brother!”

Jing Yuan and Jing Gao’s mouths were wide open, and they were petrified on the spot.

Yunxiao put away the Thunderbolt and landed next to water deity. “Let’s go, I’m feeling much better. However, if someone continues to fool around, I still don’t mind killing.”

Jing Ming was almost burnt by the lightning and fell from the sky.

“Second brother!”

“Second brother!”

The two elders rushed up and held Jing Ming in their arms. They could only smell the fragrance of meat from his body, and they didn’t know if he was Dead or Alive.

”

Jing Yuan suddenly raised her head and roared, ” kill him, quickly kill him!!

The old man’s head was covered in cold sweat. He hurriedly stepped forward and said, ” “Elders, please take a look at elder Jing Ming’s injuries first. If you delay treatment of Qianqian,”

“Well said! Quickly save second brother!” Jing Yuan hurriedly called Jing Gao back, and at the same time, she gritted her teeth and said with hatred, ” “Li Yunxiao, liuming mansion will never let you go! Even if you escape to the ends of the earth, you will still die!”

Yunxiao’s mood had calmed down a lot at the moment. Too lazy to pay attention to these fools, he strolled away.

Ding Peng stood there in a daze. He felt cold sweat all over his body, and he said, " Lord Lai, Yunxiao's image stone just now ...

The old man's mood was extremely bad, and he snorted in a bad mood, "Who is Li Yunxiao? Do you think he'll really hold a grudge against you? Besides, you're Miss Ling 'er's younger brother. Don't worry, he doesn't have the time to care about you!"

Ding Peng thought of his sister and felt relieved, but he was soon annoyed. He was furious that he had been looked down on.

"Quickly go and take out all the healing medicines from the Chamber of Commerce!"

The old Rascal started to give orders. Although Jing Ming was seriously injured, he was not dead. As long as he was not dead, he could be saved.

He was a little relieved. Wiping the cold sweat off his forehead, he looked in the direction where Yunxiao had left and shuddered at the thought of the pressure he felt earlier.

big brother Yunxiao, why did you hold back just now? why didn't you just kill that Toad? "

As the two of them were in the flying car, water deity could not help but ask about what had just happened.

it's just a Toad, " Yunxiao said indifferently. it doesn't matter whether I kill it or not. Now, a storm is coming in new Yan city, and I don't want to cause trouble for Tianyuan trading company at this time.

"You're worried that you'll cause trouble for sister Ling 'er, right?" Narcissus asked.

that's true, " Yunxiao said with a chuckle. if I wasn't afraid that Ling 'er would be implicated, I would have nothing to do with it even if new Yan city was destroyed.

"Hmph, big brother Yunxiao is so good to big sister Ling 'er," water deity mumbled.

Naturally, Yunxiao could hear the strong sourness in her voice, so he did not dare to speak.

“Where are we going now?” water deity asked after a while.

star and moon school,” Yunxiao said. it’s the star and moon school. In addition to looking for Ling ‘er, I’m also looking for their head manager to discuss some matters.” Han Junting’s beautiful face appeared in his mind and he could not help but feel a headache.

...

This girl was qu Hongyan’s disciple. He couldn’t kill her, but she kept going against him and tried to scheme against him. Now that the whole world knew his identity, he didn’t know what this girl was thinking, and he didn’t know how Hongyan was doing.

brother Yunxiao! the water deity suddenly said, “ we’ll be able to see sister Ling ‘er soon. Are you not happy? ”

what? ” Yunxiao was taken aback. why do you say that? ”

“I see that you’re frowning,” Narcissus said.

Yunxiao smiled wryly. He was indeed full of thoughts at the moment, so he said, “ I’m not. I’m just thinking about a problem.”

“Hmph, I knew it. You’ll be able to see sister Ling ‘er soon, how can you not be happy!” The water deity pouted, looking very angry.

Yunxiao, ‘hehe’.

Suddenly, a ray of light flew down from the sky. It was extremely fast and arrived in the blink of an eye.

Yunxiao's pupils constricted as he immediately stopped the flying car.

That ray of light was clearly coming for them. If they flew over, they would probably bump into it.

The ray of light fell in an instant and slowly turned into a figure. It was an old man with a Vermillion cane in his hand. He slowly raised his head, his white hair fluttering.

...

"A projection?" the water deity was shocked.

The old man was not a real entity. His entire body was transparent and condensed from light. However, the walking stick in his hand was a real existence.

"This is just a projection, not an avatar. How can it fly on its own?" the water deity asked in surprise.

Yunxiao gave the old man a look and smiled, then said, "the key lies in the walking stick in his hand. It's called the Red Dragon staff. It can allow a projection to possess the walking stick and achieve flight.

"So that's how it is," the water deity said in realization.

The old man also smiled and said, "This little girl is so cute. Could she be the princess of the four Seas, the daughter of the Bo family?"

your eyes are as sharp as ever," Yunxiao said with a smile. I see.

The old man laughed and said, "you're the one who's really amazing. Even the princesses of the four Seas have been taken by you." Young lady, this Red Dragon crutch is also a rare and precious profound level weapon. If you like it, this old man will give it to you."

Water deity shook her head and said, "I'm a girl. It's not appropriate for me to carry a walking stick. You should use it yourself." And without this walking stick, how are you going to fly with your projection?"

"Haha, this little girl is so cute! This old man likes it. I hit it off with you at first sight. If you don't mind me being old, you can call me big brother. I've always wanted to have such an adorable little sister."

The old man stroked his beard and smiled.

The water deity's eyes widened in shock. of course I think you're old. You're at least one or two hundred years old. You're already an old grandpa. How can you still be my big brother? "

The old man was stunned for a moment, then he couldn't help but laugh.

Yunxiao smiled as well. a dog can't change its mind. Businessmen are good at scheming. They want to turn the princess of the four Seas into their sister as soon as they meet. There is no such good thing in the world.

Feiyang, you've misunderstood me, " the old man quickly explained. I really like this little sister. I want to take her as my godsister.

Yunxiao ignored him. put away your thoughts. The continent is enough for you to live in. Don't even think about the four Seas. Let's get straight to the point, why are you here?"

The old man smiled bitterly, then reproached him and said angrily, "Gu Feiyang, you really don't treat me as a friend. I thought you were dead and was sad for twenty years!"

Yunxiao did not know whether to laugh or cry as he cursed, 'sad my ass! Why don't I see you taking revenge for me? Don't put on an act in front of me, or else I'll destroy the projection with my palm so that I don't have to listen to your nonsense."

I mean it, " the old man said awkwardly. " he stopped instantly, because he had seen Yunxiao raise his hand and move it. If he said another word, he would probably slap him.

“Alright, it’s fine if you don’t believe me, but the sun and moon can bear witness to my heart.” The old man quickly changed the topic. I hope you can come to myriad treasures store and have a good talk with me. It’s inconvenient here.

it’s about Ling Baiyi, isn’t it? ” Yunxiao said. I’m not interested in it, and I don’t have the ability to get involved. I also think it’s strange. With your shrewdness, you shouldn’t have done such a sloppy and dangerous thing. Is there another secret?”

The old man’s expression was serious. there is indeed something else. You should be very familiar with Ling Baiyi’s cultivation and technique. If you help me, I will be more confident.

Chapter 1624-ten thousand word Wang Ling

go back, ” Yunxiao waved his hand and said. I really don’t want to get involved in this matter. And I know you very well. Since you’ve already announced to the world that you’re going to do it, you’re naturally very confident.”

The old man said bitterly, ”I’m really not confident this time. It’s too risky.” I’m afraid that I’ve only taken such risks less than five times in my life. Gu Feiyang, I’m begging you. Can you help me? ” Do you still remember our agreement?”

of course I remember, ” Yunxiao said. but I’m no longer Gu Feiyang. Otherwise, I’ll come to you directly after I reincarnate.”

“You didn’t look for me because you don’t trust me,” the old man said.

I’m sorry, ” Yunxiao said. I was too weak at that time, and I couldn’t trust anyone. I could only trust myself.

The old man nodded and said, ”I understand. I can also understand you. If it were me, I would probably not want to reveal my identity.” But now that the whole world knows about it, and you’ve admitted it so frankly, it proves that you’ve recovered the confidence that you had when you were Gu Feiyang.”

no matter when and where I am, whether it’s good or bad, ” Yunxiao said. I’ve never lacked confidence, okay? ”

The old man laughed. that's right. Feiyang, I've never doubted your heart as a martial arts powerhouse. I hope you can continue to be a guest elder of the myriad treasures store.

I'm free now, " Yunxiao said indifferently. I don't want to be restrained.

The old man smiled. the myriad Treasure Tower has never bound you. It's just like before. When have they ever bound you? "

although there is no apparent restriction, " Yunxiao said, " I still feel bad for taking someone's money. This is a restriction of morality and contract.

"Al." The old man sighed and said,"there aren't many people as righteous as you in the world nowadays, so I really hope you can help me." Moreover, with the myriad treasures store's power, it will definitely be useful to you."

Yunxiao was silent for a moment. Although he was very confident about becoming a divine transcendence expert, the world was changing, and there were many things that he could not do alone.

"But I can't help you deal with Ling Baiyi," His tone finally eased as he said, " and I don't think you can do it. Although you've always been a very reliable person, this matter is still not appropriate!

I know, " the old man said with a gloomy face, " but Ling Baiyi didn't give myriad treasures store any face last time. We must teach him an unforgettable lesson!

you're definitely not someone who would do such an impulsive thing for the sake of your face, " Yunxiao said. since you can't speak frankly, please go back.

"It's not that I can't speak frankly, but I can't say much here," the old man hurriedly said. Now that such a big commotion has been made, God knows how many experts have come to watch the show. I must be wary of the ears of the walls, so I invite you to gather in the myriad Treasure Tower."

you can go back first, ” Yunxiao said seriously. I have something to do for the time being. If I want to come, I’ll come to you. If I don’t come, it means that this matter has failed and you don’t need to come to me again.”

The old man’s body trembled slightly as he cupped his fists and said, ”then I’ll be waiting for Feiyang’s arrival at any time!” This is the highest-level token of the Chamber of Commerce. Take it. You can use it to mobilize all the resources of the merchant Union at any time. Seeing this token is like seeing me in person.”

He slapped his palm on the Scarlet Dragon staff, and the Dragon on the staff suddenly opened its mouth and spat out a silver light.

“Pa!”

Yunxiao took it in his hand. There was a magnificent ‘ten thousand’ character on it, which made him look rich and imposing.

The old man saw him accept it and a smile appeared on his face. “This token is used in the entire merchant Union, and there are no more than five of them in the world.”

Yunxiao could not help but frown. The token was extremely precious, and it seemed that the old man was very eager to ask him for help.

The old man’s expression was a little strange. He smiled playfully and said, ” “You’re going to the star Moon school now? Do you know who is the power behind the star and moon school?”

Yunxiao pondered for a moment, then put the token away and said with a distressed look, ” “The divine cloud Palace.”

so you already know, ” the old man said with a smile. I thought I could provide you with some information.

Yunxiao sighed. you’re really rubbing it in. I’m done talking to you. You can go back now.

“I’ll be waiting for you at any time, then.” The old man cupped his fists. You used your divine power in front of Tianyuan trading company just now. I’m afraid the law enforcement team will soon come to investigate. You just need to show that token and you’ll be fine.”

With that, his projection shrunk into a ball of light and merged into the Crimson Dragon staff. He turned into a stream of light and disappeared.

“Big brother Yunxiao, who is this old man?” water deity asked.

master of myriad treasures tower, ” Yunxiao said. Wan Yiqian.

The water deity nodded her head, not fully understanding. She only knew that the myriad treasures store was a large Chamber of Commerce, that was all.

Yunxiao sighed as many things from back then emerged in his mind.

“Since it’s dangerous to kill Ling Baiyi, big brother Yunxiao, you shouldn’t go,” water deity said.

I don’t want to go either, ” Yunxiao said, ” but, hehe, ” “There are many things that you can’t control.”

“That’s right, there are things a man does and doesn’t do,” the water deity praised.

Yunxiao looked stunned as he said, ” “Do you know what this sentence means?”

Water deity shook her head. I don’t really understand. But it seems to be very powerful. I’ve heard people say it before.

Yunxiao, ’hehe’.

“Eh, it seems like someone else is coming.” The water deity raised her hand.

Soon, dozens of lights surrounded the aircraft. They all held weapons and stared at the two with a serious expression.

The leader’s expression was grave as he said coldly, “Were you the ones who caused the commotion in front of Tianyuan trading company?”

He stared at the two of them, and his heart was in turmoil. He couldn’t see through their cultivation at all, especially the man who gave him a feeling as if he was in an abyss. He couldn’t help but feel his heart beating like a drum.

so what if I am?” Yunxiao said slowly. so what if I am not?”

The man swallowed his saliva and said, “If not, we’ll leave immediately. If the two of you were the ones who did it, I can see that you are not ordinary people. I hope you won’t make things difficult for us and can come back with me to the myriad Treasure Tower to explain the reason.”

Yunxiao took out the token and threw it over.

The leader’s pupils contracted. After catching it, his body trembled. ah! , He shouted.

“Commander, what’s wrong?”

The two vice commanders beside him looked over curiously.

The man hurriedly held the token with both hands and took a few steps forward to hand it over, saying, “This one was blind and offended the honored guest. I hope you can forgive me.”

Yunxiao nodded, then put the token away and said, “I was indeed the one who caused the incident at Tianyuan trading company, but I’ve already dealt with it. You don’t have to investigate it anymore.”

“Yes!”

...

The commander replied and stood respectfully to the side.

Yunxiao drove the aircraft and whizzed through the crowd, quickly disappearing from everyone’s sight.

“Commander, who was that person just now?” One of the Vice commanders finally couldn’t help but ask, the Thunderbolt from Tianyuan trading company was so earth-shattering that I’m afraid all the major forces are alarmed.

The commander’s forehead was still full of sweat as he said, “I don’t know who this person is either.”

The Vice commander was stunned for a moment and said, “that token ...”

“It’s the ten thousand word Wang token!”

“Ah!”

All the Warriors trembled in fear.

“No way!” The Vice commander said in horror. Not even the elders have the Royal token of ten thousand words. Only the tower master, the Grand Elder, and a few prominent big shots in the heavenly martial arts realm can have it, and that young man looks like he’s only twenty years old.”

“There’s a unique mark of the myriad Treasure Tower on it,” the commander said seriously. “It’s definitely not fake. That’s why everyone has to be extremely careful during this period of time. God knows how many big shots have come to new Yan city. Even the higher-ups can’t afford to offend some of them, let alone us!”

“Yes!” yes! everyone answered in unison with a grave expression. This might be the biggest test for the law enforcement department since the establishment of new Yan city.

...

“I’ve just received news that the twelve blades of the soaring cloud, a killer organization that has recently risen to fame and caused chaos in the realm of heavenly martial arts, has also entered new Yan city,” the Deputy commander said. will they cause trouble? ”

“I’ve seen one of the 12 soaring cloud strikes. He’s only ranked 11th, but his martial intent is not something I can block.” The commander’s face changed. When an organization like this enters new Yan city, the higher-ups will naturally make other arrangements. We don’t need to worry about it and just do our job.”

After chatting for a while, they turned into rays of light and disappeared into the sky.

“Gu Feiyang, Princess of the four Seas, tsk tsk, interesting, tsk tsk.”

A strange laugh rang out in the air, and then a ray of light fell, immediately turning into two figures.

One of them was tall and fat with a round head, while the other was short and thin, like a dwarf. The difference in size between the two was more than five or six times.

and that 12 blade moves of the soaring cloud, tsk tsk, interesting too! the short dwarf laughed evilly.

“Pa!”

The fat man slapped The Thin Man to the ground, and The Thin Man was sent flying into the ground, causing the entire Street to crack.

“Hmph, interesting my ass. The so-called “12 blade techniques of the soaring cloud” is just a small fry. What’s the point of it?”

“Huala”

The Thin Man jumped out and raised his hands high. The tip of his right foot touched the ground, and his whole body instantly turned into a whirlwind. Countless wind blades flew from all directions, slashing towards the fat man.

“You dare to hit me? I’ll kill you!”

The scrawny man’s shrill roar came from within the astral winds. The entire Street was shattered, and countless green stones were crushed into powder.

“There’s a fight between experts, run!”

A large number of people suddenly rushed out of the surrounding shops, all of them desperately fleeing into the distance, like countless ants, scattering all at once.

“Hey, hey, are you serious? Be careful of attracting experts.”

“If you dare to hit me, I’ll just bring some experts here to die with me!”

“You brainless skinny monkey, so what if I want to hit you? Why don’t you tell me how the 12 blade moves of the Lingyun sect is interesting?”

“It’s interesting, why! And you’re talking about how interesting Gu Feiyang and the princess of the four Seas are?”

“Of course it’s interesting! Damn it, are you purely looking for a beating? Then I’ll fulfill your wish!”

As the fatty spoke, he retracted his head and squatted down. With his hands protecting his head, he immediately bounced up and rolled in the air like a huge iron ball, fiercely crashing into the astral wind!

## Chapter 1625-reuniting at Ziyan Pavilion

“BOOM!”

The terrifying force crashed through the air, destroying the surrounding buildings in an instant and spreading into the distance.

“Whoosh!”

“Whoosh!”

In the sky, there was a flash of a human figure. The law enforcement team that had just left returned to their original spot. They looked at the ruins below in horror. Other than shock, there was also extreme anger on their faces.

Everything within a radius of several li had turned into ashes, and no one could be seen.

“Who did this? You should die!”

A deputy commander gritted his teeth and said, “they’re not giving the merchant Union any face!” Lord Commander, what should we do?”

he’s no ordinary expert, ” the commander said with a gloomy face. he’s able to cause such terrible damage. Continue to strengthen the security!

In fact, he also knew that this was useless, and a sense of powerlessness welled up in him.

In the myriad Treasure Tower’s headquarters, in a side hall, a bronze cauldron was placed in the center, and green smoke was rising in spirals.

An old man was sitting cross-legged with his hands on his dantian as if he was meditating.

Suddenly, a ray of light flew over and rotated above the bronze cauldron. It was actually a small Crimson Dragon. It raised its head and shook it before transforming into a walking stick and slowly descending.

The old man opened his eyes and grabbed his walking stick. In a flash, he was already standing in front of the bronze cauldron. He paced back and forth slowly, appearing to be preoccupied with something.

“Tower Lord!”

Suddenly, a loud shout came from outside the door. A figure came in directly and knelt down on one knee. “Not good, someone is causing trouble in the city! The impact is huge, and several li have already been turned into ruins!”

“What?” Wan Yiqian’s expression changed drastically, and he said angrily, “Who did this?”

I don’t know for now,” the man said. the great elder has already gone out to investigate personally. He has specially ordered this subordinate to inform the tower Lord.

you must find out who it is,” Wan Yiqian said coldly. no matter who it is, kill the chicken to warn the monkeys! He raised his walking stick and rushed out. In such a critical period, he had to use heavy punishment.

A while after Yunxiao and water deity’s aircraft left, they suddenly stopped in the air.

“Eh?”

Yunxiao turned his head, his pupils constricting as he stared into the distance.

Water deity was also surprised. what a strong elemental energy wave. Who was fighting at our previous location? ”

two nearly identical primordial energy fluctuations, one Yin and one yang, one hard and one soft, ” Yunxiao said softly. there’s something about it.

big brother Yunxiao, you’re so amazing! the water deity said in surprise. you can even detect this? ”

it’s not difficult, ” Yunxiao said, ” you just haven’t had enough experience. What surprised me was that the center of this energy fluctuation was where we were standing before, which proves that these two were already there. It seems that it was right to be cautious.”

The water deity also shook her head and nodded, as if she understood.

Looking at her, Yunxiao could not help but laugh and said, ” “Let’s go. There are too many experts in the world. I’m a little too arrogant. This matter is not our concern, so we should worry about it. ”

The flying car quickly left. A few hours later, it appeared in front of an exquisite small building.

There were three beautiful words on it-Ziyan Pavilion, where han Junting lived.

The faint sound of a zither could be heard.

Yunxiao stood on the aircraft and listened quietly, his face serene.

After the time it took to brew a cup of tea, the music stopped and han Junting’s female voice was heard, ” “Since Lord Feiyang is here, why don’t you come in?”

Her voice was like a silver bell, neither haughty nor humble.

Yunxiao and water deity flew down and slowly stepped into the purple Pavilion.

There were some changes to the interior. A bead curtain was hung in the small hall, and several figures could be seen through the gap of the curtain.

One of the women, who was wearing a gauze dress, stood up from her seat, her body trembling slightly.

Yunxiao rolled up the bead curtain, smiled, and said, "Ling 'er, it's been a long time since we last met. Your cultivation has improved a lot, and you're even more radiant."

The woman was Ding Ling 'er, and the capable man behind her was Su Hong, the General Manager of Tianyuan Chamber of Commerce, whom she had met in new Yan city.

The other two were han Junting and grandma sunflower.

When han Junting saw Yunxiao come in, her eyes were filled with obvious emotions, like ripples on the surface of a Lake that had been wrinkled by rain.

big brother Yunxiao.

With a soft cry of joy, Ding Ling 'er's cheeks were even a little red, and she cried with joy, her eyes a little wet.

where have you been?" Yunxiao laughed. where have you been all this time?" I've come looking for you many times."

Ding Ling 'er was delighted to hear that. She said shyly, "Some matters of the Chamber of Commerce have already been settled. This is also the reason why I asked big brother Yunxiao to come over."

"Oh? You didn't mention it in detail in the Jade slip, so it must be very important." Yunxiao said with a nod.

When he was at the Tianling house, he had received Ding Ling 'er's Jade slip and myriad treasures store's invitation at the same time. If it was only the latter, he would not have come to new Yan city.

that's right," Ding Ling 'er said. and it's a good thing!

“Hehe, once sister Ling ‘er sees the person she likes, she completely forgets about everyone else.”

Han Junting buried her nervousness in her heart, smiled, and began to play with Ding Ling ‘er.

Ding Ling ‘er blushed and said, “This time, it’s all thanks to little sister Jun ting, otherwise things wouldn’t have gone so smoothly.”

it’s a piece of cake, ” han Junting said. we’re like sisters. It’s nothing. She turned to look at Yunxiao, and her eyes seemed to tremble with fear. Then, she slowly stood up from the zither table, bowed, and said, “Jun ting greets Lord Feiyang.”

who did you learn the ‘light rain hitting a new Lotus’ from? ” Yunxiao asked.

...

Han Junting nodded and said, “my Lord, you know the answer.” This song was created by my master and my Lord, where else could Jun ting have learned it?”

Yunxiao sighed and said, “Is she alright?”

“Her? Who is she?” Han Junting raised her eyebrows and asked.

Yunxiao’s face darkened as he said coldly, “Han Junting, do you really think I don’t dare to cripple you?”

The atmosphere suddenly turned cold. Ding Ling ‘er, who was not aware of The Grudge between the two, was startled and hurriedly said, “big brother Yunxiao, what’s wrong with you? ”

It was only then that Yunxiao restrained his anger and said, “I hate talking to stupid women, especially stupid women who think they’re smart.”

Han Junting snorted and said, "If that's the case, then please leave, Lord Feiyang. This is my purple Pavilion, and I don't welcome you here!"

"Sister Junting." Ding Ling 'er was a little anxious. She didn't understand why the two of them were like enemies as soon as they met.

"Sister Ling 'er, this man is the reincarnation of Gu Feiyang. I'm sure you know that. Don't be fooled by him," han Junting sneered. When you're not by his side, there are so many women surrounding him. Look at this little girl, she's so tender. Tsk, tsk, even I, as a woman, can't help but want to kiss her. "

The water deity's face turned red and she stuck out her tongue, " a woman kissing another woman. You're so shameless.

Only then did Ding Ling 'er notice the water deity. She forced a smile and said, " "Could this little sister be the legendary Princess of the four Seas, little sister Narcissus?"

...

Water deity was stunned and asked,"have we met before?" How do you know me?"

"Sister Water deity is really beautiful and cute," Ding Ling 'er smiled and said.

The water deity was a little shy. She lowered her head and said happily, " "Sister Ling 'er is also the same. I've been thinking about what my sister looks like all this time, and now that I've seen her, although she's not as pretty as I imagined, she's still very pretty."

Ding Ling 'er,"Yingluo."

As one of the two most beautiful women in the merchant Union, this was the first time she had heard such a thing. However, she was a merchant and had a high EQ. She smiled awkwardly and said, " hehe, Sister Water deity is so innocent.

Water deity did not lie. Along the way, she was a little nervous, afraid that Ding Ling 'er was more beautiful than her. Fortunately, she was not, and she heaved a sigh of relief.

we went to Tianyuan trading company to look for you," Narcissus said. we met a lot of bad guys who wanted to beat brother Yunxiao up.

"What?" "What's going on?" Ding Ling 'er was shocked and asked. Su Hong, who was behind him, was also shocked and nervous.

don't worry, sister Ling 'er," water deity said with a smile. there's a Toad who doesn't know what's good for him. He's already beaten to death by brother Yunxiao.

Su Hong was shocked,"could it be Zhenzhen?"

it's an elder from liuming mansion," Yunxiao said. he said that there is an ambiguous relationship between Ling 'er and me, and he insisted on attacking me. However, I've already shown him mercy and spared his life."

Ding Ling 'er's face turned pale and she said angrily, " "Those elders have gone too far!"

by the way," Yunxiao said, " I heard that you're with their young master. Why don't I see him? "

Ding Ling 'er's face became even more unsightly, and she hurriedly said, " brother Yunxiao, please don't misunderstand. I have nothing to do with Jing shaoyi. We are just business partners!

you're thinking too much, Ling 'er," Yunxiao said, blushing. I just didn't want to see him, so I asked casually.

I have something important to discuss with sister Jun ting," Ding Ling 'er said. sister Jun ting doesn't like this man, so we let him drink tea alone at the headquarters of the star and moon school. "Although Tianyuan trading company and liuming mansion have some dealings, I don't think I should keep this friend if they go too far!" She said with a cold look in her eyes.

She turned around and said, "Su Hong, go and tell Jing shaoyi to go back on his own." I'm with big brother Yunxiao, and I don't want to see him again in the future."

She looked determined, apparently afraid that Yunxiao would misunderstand her.

"This bi an ..."

Su Hong was shocked and cold sweat broke out on his forehead. Naturally, he had more thoughts. If he did, he would have completely offended liuming mansion. Friends becoming enemies, how could he dare to go to such a big event?

Moreover, Jing shaoyi had a strong cultivation level and a bad temper. He also looked like a petty person. It was possible that he would kill him on the spot.

"What's this? Hurry up and go!" Ding Ling 'er's face darkened, and she was getting angrier.

Han Junting naturally saw Su Hong's embarrassment. She smiled and said, "Sister Ling 'er, this matter is of great importance and can't be rushed. It's better to think about it. If you really want to go, let sister do it for you. It's much more convenient and secure for me to do it than for head butler Su Hong."

Ding Ling 'er thought for a moment and said, "then I'll have to trouble you, sister." If this Jing shaoyi doesn't know what's good for him, I don't mind falling out with liuming mansion."

Chapter 1626-Festival

Su Hong broke out in a cold sweat as he listened. He looked at han Junting for help. If things really got to that point, it would be a big deal for Tianyuan trading company.

Han Junting looked away and smiled.

"Ling 'er, let's go," Yunxiao said. I've come to new Yan city specifically to look for you. I don't want to see any unnecessary people."

Ding Ling 'er's heart was touched and she felt warm.

Han Junting laughed coldly, "Oh, Lord Feiyang, you're so cold and arrogant." Forget it, I don't want to meet some inexplicable people, but I'll just forget about what martial uncle Yun asked me to do."

A gust of wind blew past, and Yunxiao suddenly appeared in front of her. He grabbed her neck with the Dragon Capture and lifted her up as he said coldly, "I have a premonition that you will die in my hands one day."

"Gu Feiyang, what are you doing?!" Grandma sunflower was shocked and shouted.

Han Junting sneered, "you're the one who doesn't want to see anyone else. I don't want to see anyone else either." Do you think you can do whatever you want just because you're a titled martial sovereign?"

big brother Yunxiao, haha!

Ding Ling 'er was very anxious, not knowing what happened between them.

Yunxiao put away his anger, put han Junting down, and said, "Don't forget what happened in Xinyan city. You promised me that you would provide me with information for free for a year."

"I did agree, but you're the one who doesn't want me to provide it," han Junting said coldly.

"Good girl, don't be angry," Ding Ling 'er hurriedly said. I don't know what kind of misunderstanding you have, but big brother Yunxiao is a good man. I hope you can bury the hatchet."

Han Junting covered her neck with her hands as if she was hurting her. She said coldly, "I won't lower myself to his level. Since this young lady has spoken, I will definitely do it. However, the two things that martial uncle Yun asked me to find out have some leads, but they aren't very accurate. Murong Zhu, who was possessed by the moon pupil, has appeared in the Western regions a few times. I'll mark the place where he appeared for you later. As for Senior Sister Luo yunshang, Qianqian,"

“What? Sister Yunshang is your Senior Sister?”

Ding Ling'er was shocked. She knew that the divine cloud Palace was behind the star and moon school, but she had never thought that she was also a disciple of Qu Hongyan.

Suddenly, she seemed to understand the grudge between her and Yunxiao.

I have some ideas about Senior Sister's situation," Han Junting said. But it's a secret of our sect, so I can't tell you for now. Suddenly, she felt an inexplicable chill in her heart, as if she had sensed Yunxiao's killing intent. "We don't have enough clues now. It's useless even if I tell you."

I believe you can collect enough information I need," Yunxiao said. I'm sure you can.

He suddenly raised his hand and sent out a seal. He was not in a hurry, neither fast nor slow.

Han Junting looked on helplessly as the seal descended upon her. She felt as if she was unable to resist it, and even the elemental energy in her body froze.

“Pa!”

The incantation seal landed on her shoulder and disappeared in a flash.

Han Junting felt as if she had been bitten by a mosquito. She felt nothing after that. Her shoulder was neither painful nor itchy, nor red or swollen. Her face was livid, and she finally couldn't help but say angrily, "Gu Feiyang, you've gone too far! I'll fight you to the death!"

Her hands quickly formed a seal, and countless afterimages filled the sky, all of which were slapped down.

“Ah!”

Ding Ling 'er was taken aback. She did not expect that they would have to fight to the extent of swords. Besides, she knew that Han Junting had extraordinary strength, and although Yunxiao was not bad himself, she was afraid that he would not be able to stop for a while.

But the result made her stunned on the spot.

Yunxiao stood where he was with an indifferent expression on his face. He raised his hand and clenched his fingers, and a blue light immediately surged up in the air.

As space twisted, lightning appeared and destroyed all of the afterimages.

Han Junting's entire body was restrained by a force and she could no longer move.

Her heart was filled with great shock and fear. Yunxiao's cultivation base was the same as hers, and they were both early-stage nine-stars martial sovereigns, but he could suppress her with just a raise of his hand. He seemed to be even more powerful than he was in the Red Moon City!

The great fear immediately sobered her up a little. Her anger was swept away, and she became calm.

Yunxiao looked at her and said, "I have a deep relationship with your master. I don't want to make things difficult for you. But you've schemed against me time and time again, and you still haven't changed. I can only punish you."

Han Junting's face was white, but she sneered, "My master must be blind. How could he like someone like you? hehe."

Grandma Sunflower's expression changed drastically as she exclaimed, "Jun ting Wan Wan Wan"

Ding Ling 'er and Su Hong were also shocked. As a disciple, it was already disgraceful to say such things about their master.

Yunxiao did not get angry. He snorted lightly, withdrew the power of Thunder, and turned to leave.

sister Junting, don't be angry," Ding Ling'er comforted her. young master Yun must be a little impulsive because he's angry. After saying that, he also chased after her.

Only han Junting and grandma sunflower were left in the purple Pavilion.

Grandma sunflower felt uneasy. She could not see han Junting's face from behind, but she had a bad feeling.

"Giggle!"

Suddenly, han Junting's body trembled and she started to laugh.

"Junting, are you alright?" grandma sunflower asked in shock.

"Granny, I'm fine."

Han Junting turned around, her eyes glimmering with a smile.

Grandma sunflower felt a little apprehensive as she stared at her blankly.

Han Junting twirled her hair and smiled, "Granny, I'm really fine. I'm truly happy that Gu Feiyang is still alive."

"His current strength is unfathomable. Even if he's not as powerful as he was in his previous life, I'm afraid he's not far from it. Young lady, it's best if you don't go against him, otherwise the sect master will not be happy."

Han Junting's face darkened and she said angrily, "Shut up! Don't try to use master to pressure me. If it wasn't for Gu Feiyang, master wouldn't have become like this! I hate him to death. For so many years,

I've been eager to skin him alive, but he died 20 years ago! I even sent people into tiandang mountain several times to get his body out and burn it to ashes!"

The sinister look on her face was removed, and the corners of her mouth rose, revealing a strange smile. hehe, this is great. He didn't die. Hehehehe, this is great!

Grandma sunflower's hair stood on end upon hearing this, and her face was filled with worry.

"Junting, what do you plan to do? We can't deal with Yunxiao with our strength."

...

Han Junting's eyes were cold as she snorted, "If the opponent is too weak, how can he be worthy of master's favor? It was only meaningful to be powerful. Tell Jing shaoyi about li Yunxiao first."

that Jing shaoyi is no match for li Yunxiao," grandma sunflower said. he's not li Yunxiao's match at all.

Han Junting laughed and said,"if Jing shaoyi alone could deal with him, why would I need to think so much?" He only wanted him to cause some trouble. The more trouble there is around Yunxiao, the easier it is for him to cause chaos and make mistakes. What we have to do is wait quietly for him to make mistakes."

"Now the merchant Union is working together to deal with Ling Baiyi. Won't myriad treasures store be unhappy if we act rashly now?" grandma sunflower said worriedly.

Ling Baiyi's death has nothing to do with me," han Junting said coldly. I want Yunxiao dead! If myriad treasures store is dissatisfied with me, then we'll withdraw from the formation to deal with Ling Baiyi!"

Grandma sunflower was shocked, and she knew that han Junting was determined to kill Yunxiao.

"Alright, this old woman will go now! No matter what you want to do, this old woman will always support you!"

Han Junting watched as grandma sunflower disappeared out of the purple Pavilion. She fell silent and her eyes were filled with hatred.

She suddenly clutched her chest and bent over. A pained expression appeared on her beautiful face and it gradually twisted.

“Why? why do you like him? What was so good about this stinky man? He made you suffer for half your life, so I’ll crush his flesh and refine his soul to avenge you! Giggle giggle giggle.”

Her pained face suddenly burst into laughter, shaking like a flower.

...

As she laughed, han Junting took off her purple veil and rolled up her sleeves, revealing her white arms. She held the silk ribbon in her hands and started to dance in the air.

Outside the purple Pavilion, about three to four miles away, it was seven or eight streets away.

Yunxiao and the other three did not go far, but walked along the bustling Street.

Even in such a critical period, new Yan city was still the best commercial city in the world. The flow of people was very large. Water deity was dazzled by the sight and was very happy.

“Wow, this bag is so pretty!”

Water deity hopped to the front of a shop and picked up a light blue lady’s bag with a few golden leaves on it. Her eyes were full of stars as she said, “ big brother Yunxiao, I want to buy this.

When the shopkeeper saw the water deity, he was stunned for a moment. He was shocked. The people in front of him were all extraordinary. He didn’t dare to neglect them and quickly said, you have a good eye, miss. This is the latest model from our store. It just hit the market not long ago.

Ding Ling 'er took a look and laughed. sister shuixian, don't just think about looking good. Although this style is novel, it is made of ordinary animal leather. It's not stylish at all.

The shopkeeper was taken aback and knew that an expert had come. He hurriedly said, "This young lady has good eyes. I don't pay much attention to the material used for this bag. I have a bag made from the skin of a deep sea Giant frog with thirty-six North Sea pearls embedded on it, each of which is worth a city."

He turned around and took out a grayish-brown women's bag. The top was uneven, but it was extremely bright under the color of the Pearl. this is the treasure of our store.

The water deity took a look and shook her head. no, no, the giant deep-sea Frog is so ugly. I get goosebumps just by touching its skin. Also, that bead is too low-level and ugly. I want this one. She waved the one in her hand.

Ding Ling 'er chuckled. sister shuixian, you've seen all kinds of seafood. Of course, you won't like this kind of inferior product. Let's take this new product. She immediately took out her primeval stones and paid.

"Thank you, big sister," Narcissus said joyfully.

Su Hong followed behind the few of them and thought to himself, 'this girl is too simple. She was bribed by the Miss just like that. She even called herself the princess of the four Seas. I don't know if she's really stupid or just pretending to be innocent.'

Chapter 1627

1627 The nine Yin and nine yang

Ding Ling 'er was also slightly relieved in her heart, and she muttered in her heart that this girl seemed to be very easy to get along with.

Ling 'er, " Yunxiao asked, " why did you ask me to come to new Yan city? "

of course it's a good thing," Ding Ling 'er said with a smile. I've been missing for so long to do this. In the end, it was sister Jun ting who gave her great help, but I didn't expect her to be the disciple of Palace Master qu Hongyan, and have a bad relationship with you."

my grudge with han Junting has nothing to do with Hongyan," Yunxiao said. as long as she doesn't provoke me again, I will naturally let her go.

yes, big brother Yunxiao is naturally not such a petty person.

I wonder what realm big brother Yunxiao's cultivation base is at now," Ding Ling 'er said with a smile. what's your current cultivation base? "

Yunxiao thought for a moment and said, " I'm at the early-stage nine-star level. I've accumulated a lot of primordial energy now, but I can't break through. I've also cultivated Body Arts, so the amount of power my body needs is too terrifying. It's already dragging down the improvement of my cultivation."

nine-stars Martial Emperor!

what?" Ding Ling 'er was taken aback. we've only been apart for a few months. I didn't expect big brother Yunxiao to improve so quickly!

Yunxiao sighed inwardly. If it were not for the tyrant body tempering technique, which consumed too much energy, he would have reached the peak of nine-star and not far from divine transcendence.

what I've done this time may help big brother take a big step forward. I dare not say that I'll reach the peak of nine-star, but at least I'm very confident that I'll be able to reach the intermediate level! Ding Ling 'er said with confidence.

Intermediate nine-star?!

Yunxiao was taken aback. Ling 'er's understanding of martial arts is still shallow. Although the gap between the initial and middle ranks is only a small step, it is like a chasm.

of course, I know how difficult it is to make further progress," Ding Ling 'er blinked and said with a smile. but do you think I'm a person who boasts?"

of course not," Yunxiao said suspiciously. that's why I think it's strange.

Ding Ling 'er became serious and said, " Big brother Yunxiao, have you heard of the nine Yin nine yang breaking crisis pill?"

"What?"

Yunxiao's body trembled, and his eyes gleamed as he cried out in horror, " "The nine Yin nine Yin crisis breaking pill that's rumored to be able to make you a God on the spot? I didn't hear it wrong, right?"

His reaction was too big, and many people around him turned their heads in surprise, revealing stunned expressions.

However, most of them had never heard of such a pill before. They were only very surprised by the phrase "become a God on the spot."

Yunxiao knew that he had lost his composure. He blinked, and his pupils turned dark and shone with a demonic light.

Everyone who looked over was in a daze for a moment. They felt that their minds were muddled, and they seemed to have forgotten something.

Ding Ling 'er was also shocked by his reaction. She muttered in a low voice, " big brother Yunxiao will attract all the experts in the city.

Yunxiao suppressed the shock in his heart and said, " "It's really hard for me to believe. Ling 'er, you've most likely been deceived. This kind of thing only exists in legends. Even in the ancient times when the ten rules were still present and God Realm experts were everywhere, there might not have been such a thing!"

of course I know it's rare," Ding Ling 'er said with a smile. otherwise, wouldn't there be powerhouses all over the world?" I don't have the nine Yin nine yang pill, but I have the recipe."

"A recipe?" Yunxiao frowned. let's not talk about whether it is real or not. Even if it is real, I'm afraid the materials used are long extinct. It's only a fool's dream to refine this pill.

you're indeed big brother Yunxiao," Ding Ling 'er praised. you saw the key to the problem at once. I've been missing for more than half a year to find a way to refine this pill. Among the existing materials, although it could not be refined into a pure nine Yin and nine yang breaking crisis pill, it could reach the level of eight Yin and eight yang, which had half the effect of the real nine Yin and nine yang breaking crisis pill. I wonder if a medicinal pill of such a level can help big brother Yunxiao break through to intermediate nine-star?"

if it can have half the power of a true pill, it will certainly not be a problem," Yunxiao said. but I'm very skeptical about even the eight Yin and eight yang pill.

'With big brother Yunxiao's meticulous mind, it would be strange if he didn't suspect anything,' Ding Ling 'er said. This recipe was accidentally obtained by father. It was because of the appearance of this recipe that father gradually withdrew from the Chamber of Commerce and began to concentrate on his research."

ding Shan retreated behind the scenes just to study alchemy recipes?" Yunxiao asked with a frown.

"Yes," Ding Ling 'er said solemnly. I didn't know about it before and thought that father had no intention of improving himself due to his health, so he retired from the countryside. It turns out that he was studying the recipe of the nine Yin nine yang breaking crisis pill. This item was too precious, and father had no choice but to hide it from everyone, including me and my brother."

what a meticulous mind! Yunxiao sneered. he even hid it from his own children. In fact, everything is still under his control.

I know brother Yunxiao is still suspicious of elder Yuwen Bo's death," Ding Ling 'er said awkwardly. but I don't think father did it. There must be a misunderstanding.

“Oh? You asked him yourself?” Yunxiao said coldly.

Ding Ling ‘er’s face turned a little ugly. “I did, but father didn’t answer me. With his temper, he won’t answer.”

I will find out the truth about Yuwen Bo sooner or later, ” Yunxiao said. whether your father admits it or not, you can rest assured that I will not wrong him.

Ding Ling ‘er nodded, but her heart seemed to be a little heavy, as if a stone was pressing on it.

“After father obtained the recipe for the nine Yin nine yang breaking adversity pill, he has been studying it with all his heart and searching for the raw materials. As big brother Yunxiao said, too many natural treasures have gone extinct. Father had no choice but to find other materials to replace them. Finally, with the help of sister Junting, the last few raw materials were collected.”

what? ” Yunxiao’s pupils constricted. han Junting also knows that you are refining this pill? ”

of course not, ” Ding Ling ‘er said with a smile. I just asked her to help me find some materials.

if that’s the case, ” Yunxiao said thoughtfully, ” after such a long plan and preparation, coupled with the power of Tianyuan trading company, it is indeed possible for your father to refine a medicinal pill with half the power of the nine Yin nine yang disaster-breaking pill! However, how could your father allow you to reveal such a top secret to me?”

it’s because I still need big brother Yunxiao’s help to refine this elixir, ” Ding Ling ‘er said.

“Oh?” Yunxiao asked curiously. I’ll be in charge of the pill refinement?”

Ding Ling ‘er shook her head. no need. Father is a great Alchemist. After several years of specialized research, his own achievements in alchemy have long reached the ninth-tier, which is enough to preside over alchemy. However, there’s still a very important link missing in the entire alchemy process, and that is the power of the genuine vitality of the martial arts experts must gather the power of eighteen nine-stars Martial Emperor experts, and the attributes must be nine Yin and nine yang.”

“Eighteen!”

nine-stars Martial Emperor?” Yunxiao was taken aback. where else can you find eighteen nine-stars martial emperors in this world?”

yes,” Ding Ling ‘er chuckled. big brother Yunxiao is one of them.

Yunxiao frowned and said, “I think I get it. It’s gathering the yin and yang energy of a nine-stars Martial Emperor, then fusing them into the herbs and condensing them into pills. And if I’m not wrong, there’s definitely more than one pill.”

Ding Ling ‘er didn’t hide her admiration and said, “Big brother Yunxiao is indeed intelligent. A complete refinement was enough to produce 18 pills in a furnace, corresponding to the elemental power of the 18 nine-star martial sovereigns. However, the current environment is no longer the same as the ancient times, and father is not confident in being able to refine eighteen. The materials we’ve prepared for several years will probably only be able to refine one.”

your father, who can’t get any medicinal pills, should have other compensation,” Yunxiao said. I guess?”

that’s right,” Ding Ling ‘er nodded. but father has promised me that he will give one to brother Yunxiao no matter what.

Yunxiao’s eyes also showed a trace of expectation as he said, “if I really have the power of eight Yin and eight yang to break through, I can break through to the intermediate nine-star in one go without a problem!

“Did your father also invite the 12 blades of the soaring cloud?” he asked.

...

“How did you know, brother Yunxiao?” Ding Ling ‘er asked in surprise. Could it be that you encountered the 12 blade attacks of the cloud?”

as I expected, ” Yunxiao said. so, the method they talked about to step into the divine transcendence is this eight Yin and eight yang disaster-breaking pill.

“Big brother Yunxiao didn’t get into a conflict with them, did he?” Ding Ling ‘er asked. Each of these 12 people is a merciless murderer. In recent years, they’ve risen to fame and have the momentum to catch up with the eight elephants of death. Especially after the eight elephants died in new Yan city, these 12 sabers have almost become the number one villain.”

we exchanged a few moves, ” Yunxiao said. that hilt does have some skills.

Ding Ling ‘er said, ” the boss of the saber hilt is called Luo Gaoyuan. He’s very powerful. Only a few people know how powerful he is. It’s said that those who have seen him in action are all dead.

Yunxiao chuckled. it’s not bad. He’s just a peak nine-star martial artist, but his martial intent is not enough, so his strength is limited.

Ding Ling ‘er smiled bitterly and said, ” it’s just a peak nine-stars Martial Emperor. Only big brother Yunxiao would dare to say that. The second brother is Xiang Hefeng, and the third brother is tangyu. They are all nine-stars martial sovereigns and are among the 18 people my father invited.

fortunately, I was in a good mood at that time, ” Yunxiao said with a smile. I didn’t kill these Birdmen.

The water deity had been playing with the new bag. Suddenly, she raised her head and mumbled, ” “It’s because I’m going to see Sister Ling ‘er, so I’m in a good mood!”

Ding Ling ‘er’s face blushed a little, and she lowered her head happily, feeling a little embarrassed.

Yunxiao coughed a few times and scolded, ” if you talk nonsense again, you’ll enter the divine realm tablet!

...

The water deity showed an unwilling expression and said, "Alright, then I was wrong. I won't say anymore."

Suddenly, a stern voice rang out, "Ling 'er!"

Then, a strong wind blew over, and in the blink of an eye, a man in white appeared in front of them. He looked at Ding Ling 'er with a reproachful look, then turned his eyes to Yunxiao, his gaze turning into a sharp blade as if he was going to kill him with his eyes!

Ding Ling 'er's face turned pale. She gritted her teeth and said, "Jing shaoyi, what are you doing here?"

"Hmph, why am I here?"

The white-robed man's eyes were spitting fire as he said coldly, "you used to call me master Jing, master Jing. Now that you have a lover, you can call me Jing shaoyi!"

Chapter 1628-mercy

"Don't talk nonsense!"

Ding Ling 'er blushed and said angrily, "I used to call you young master Jing out of respect for you. If you're spouting nonsense, then our friendship is over!"

"What? You, you're good, good!"

Jing shaoyi was so angry that he was shaking. He laughed and said, "Haha, good! You actually want to break off our friendship for this man! Ding Ling 'er, you really don't respect me, Jing shaoyi!"

eh, is his name Jing shaoyi? "

The water deity blinked her eyes and said, " just now, sister Ling 'er called him Jing shaoyi. He was not happy. Now, she is saying that her name is Jing shaoyi. I am confused.

Everyone,"hehe."

"You coward!"

Jing shaoyi was furious. He thought that someone was humiliating him on purpose. Anger rushed to his head. But when he saw water deity, he was stunned. Then, his face darkened and he said coldly,"Little girl, you dare to make fun of me! If I don't take you back and punish you today, I'm not Jing shaoyi!"

Water deity frowned and said,"How am I making fun of you? you're the one who's making me confused. What's your name?"

"Hmph!"

Jing shaoyi snorted and said, " "I won't argue with you, little girl! You'll know what my name is when you return with me!" His eyes glowed with greed as he licked his lips. It was obvious that he was interested in the water deity.

Jing shaoyi, " Ding Ling 'er said coldly, " you're shameless!

"Fine, you say I'm shameless!" "Then I'll show you how shameless I am today!" Jing shaoyi said viciously.

A beam of sword Qi shot out of his hand, directly toward Ding Ling 'er's belt, trying to cut her long dress. Ding Ling 'er was shocked, and she was angry, anxious, and angry. The force directly suppressed her, and she couldn't move at all.

Yunxiao stretched out his hand, which turned golden, and grabbed it unhurriedly, wiping out the sword Qi in his hand.

"Pig! You dare to meddle in my business!"

Jing shaoyi flew into a rage. He released a powerful aura and the people on the street immediately scattered.

He glared at Yunxiao. Seeing Ding Ling'er and water deity surrounding him, his killing intent grew stronger and stronger.

"Since young, anyone who dares to disobey this young master will die! The woman I want, even if she's a married woman, can't escape! The people I hate, even if they're my clansmen and relatives, must die! Li Yunxiao, you're dead for sure!" His face was contorted badly, and he had lost all his grace. The only thing he was not burning was his body.

tsk, tsk," Yunxiao said slowly. so powerful?" But this is the city of the merchant Union, and you can't do whatever you want here."

"Hmph, the city of the merchant Union? In this young master's eyes, you're just a pig! I'll kill you today and see who dares to interfere!" Jing shaoyi almost roared.

Yunxiao raised his head and said loudly, "Law enforcer of the merchant Union, someone is calling you pigs and is going to kill me in public against the rules of the city. Are you going to step out and do something, or are you going to continue to pretend to be dead and hide?"

He directly used the sound wave technique, and everyone within a few miles could hear him clearly.

The people in the sky could no longer sit still. The space rippled like water, and a law enforcement chariot appeared.

A powerful aura descended from the chariot, and a barrier was set up, sealing off the space where everyone was.

Jing shaoyi's face changed drastically, feeling that he had been tricked by Yunxiao. But, he was very proud, and when he thought of the three elders in the city, he was still fearless.

you insulted the merchant Union and broke the rules. I don't care who you are, but you have to come with us now!

Three rays of light flew out from the battleship and surrounded Jing shaoyi. His face was cold.

"Hmph, take a trip? Do you know who I am?"

"No matter who you are, you have to go!"

"Impudent!"

Jing shaoyi said angrily, " I am the eldest young master of liuming mansion. Even if you are stronger than me, who would dare to touch me?!"

"Liuming mansion?"

The leader heaved a sigh of relief and said, " At first, I thought it was some big power, so I was a little afraid. It turns out it's just a small sect I've never heard of. Now I don't have to worry anymore, and I don't have to make a trip here."Kill him directly!"

Jing shaoyi,"Yingluo."

"Yes!"

The other two shouted in unison and attacked Jing shaoyi from both sides. One of them used a small capture, while the other used a large capture. Their cooperation was flawless.

Jing shaoyi was shocked and furious. He jumped up, condensed sword Qi around his body, and slashed at the two.

"You still dare to fight back, you're looking for death!"

The leader's face darkened, and he also rushed forward. He punched out with both fists, and the entire space was compressed.

With the three of them working together, their power doubled!

"Hmph, a bunch of ants! Today, this young master will fly into a rage and kill all of you!"

"Clang"

The sound of a sword rang out, and a cold light flashed.

"Bang!"

"Bang!"

"Bang!"

The moves of the three law-enforcement officers were broken in an instant. Blood spurted out, and the three of them were pushed back several feet with a blood-curdling scream.

"Not good! This person's strength is unfathomable!"

One of them had a pale face and looked terrified.

"Haha, ant! What law enforcement of the merchant Union? You're simply a pig!"

A murderous look flashed across Jing shaoyi's eyes. He swung his sword and was about to take the lives of the three men.

...

“BOOM!”

His sword Qi had just slashed out when it suddenly exploded, turning into a violent force that shot into the sky and disappeared without a trace.

“Who is it? Who is it?”

Jing shaoyi was shocked and stared at the sky vigilantly.

“Hmph!” A cold, angry snort rang out.

Jing shaoyi felt a shiver run down his spine. Then, there was a flash of light and an old man appeared in front of him. Before he could see the old man’s face, he was slapped across the face and all his teeth were crushed.

“Pfft!”

Under the great pain, he wanted to spit out a mouthful of blood and broken teeth.

“Swallow it. Don’t dirty new Yan city.”

The cold voice came from the old man’s mouth and Jing shaoyi felt another heavy blow on his mouth. All the clotted blood and broken teeth were forced into his stomach.

After that, he felt a very thick bump on his head, and with a “ bang “, he completely lost consciousness.

...

“Great elder!”

“Great elder!”

The three law-enforcement officers hurriedly covered their bleeding wounds and came forward.

Ding Ling ‘er also saluted the old man and said, “Ling ‘er greets great elder Zhong Xi!

The old man was Chen ZhongXi, the great elder of myriad treasures store. He nodded at Ding Ling ‘er, then looked at Yunxiao with a complicated expression and said unhappily, “Lord Feiyang, you’ve kept this from me for so long!”

why do you say that, Grand Elder?” Yunxiao chuckled.

“The star Destroyer sword that was snatched away by the eight signs of death at the auction at new Yan city ended up in Lord Feiyang’s hands, right?” Chen ZhongXi asked.

that is my sword,” Yunxiao said. it’s not too much to take it back.

that’s true,” Chen ZhongXi said awkwardly. it’s just that Lord Feiyang won’t tell us his real body. You’re treating myriad treasures store as an outsider!

I can’t hide what I should know,” Yunxiao said with a smile. my identity is now known to the world.

“I’ve always admired Lord Feiyang’s abilities!” Chen ZhongXi said with a straight face. Right now, his identity is known by the entire world. Daren must have intentionally let the entire world know, right?”

what?” Yunxiao asked in surprise. why do you say that?” You must know that I have quite a few enemies.”

Chen ZhongXi chuckled. Lord Feiyang never does anything he's not confident in. Since he's revealed his true self to the world, he must have the power to protect himself!

no! Yunxiao shook his head and laughed. great elder, you're overthinking.

"Hahaha!"

The two of them looked at each other and smiled.

Chen ZhongXi glanced at Jing shaoyi, who was lying on the ground like a pile of mud. He raised his foot and stomped on him, intending to stomp him to death.

"?! First elder, please show mercy!"

Su Hong suddenly shouted and ran out with his head full of cold sweat. we can't kill him. We can't kill him. Otherwise, he'll bring great trouble to Tianyuan trading company!

"Butler su, you're exaggerating," Ding Ling 'er said coldly. Tianyuan trading company was a part of the merchant Union, so how could it be in any trouble? This Jing shaoyi is too arrogant and causes too much trouble. It will be a big problem if we keep him!"

Su Hong wiped the cold sweat off his forehead and said awkwardly, " my lady, you should know liuming mansion's strength best. If their eldest young master dies in new Yan city, it will not only affect Tianyuan trading company, but also the merchant Union. Moreover, it's a critical time now!

Ding Ling 'er's brows slightly furrowed. She naturally knew about this situation, but thinking that this person's endless pestering might ruin big brother Yunxiao's impression of her, she immediately said firmly, " "Liuming mansion is indeed powerful, but Tianyuan trading company is not a pushover either!"

Chen ZhongXi also had a rough idea of the situation at this moment and said, " "Liuming mansion should be a hidden sect, right? To be able to cultivate such a disciple despite not being well-known, he was definitely not an ordinary person. Since head steward su said to spare his life, then let him be. If you want to deal with him, you can do so after this matter is over."

Ding Ling 'er looked at Yunxiao for his opinion.

great elder, you are right, " Yunxiao said. I'll spare his life for the time being, in case any accidents happen while we deal with Ling Baiyi.

since big brother Yunxiao has said so, I'll give him a chance, " Ding Ling 'er said. if he still doesn't repent, I won't be polite!

Su Hong heaved a sigh of relief and quickly went to check on Jing shaoyi's injuries. Although his life was not in danger, he was in deep trouble with his injuries.

He muttered in his heart and secretly wanted to go back early and leave this tricky problem to old Lai.

"Since Lord Feiyang has returned to new Yan city, please follow me back to the ten thousand treasures building. Let me do my part as the host!" Chen ZhongXi said. He invited her sincerely.

Yunxiao smiled. I still have something important to talk to Ling 'er about. You can go back first, great elder. You don't have to protect me in the dark.

Chen ZhongXi was embarrassed. Lord Feiyang, you've misunderstood. I just happened to see them when I was patrolling. I'm not following them.

Oh? " Yunxiao asked in disbelief. Oh? Had the security problem in new Yan city become so serious? The great elder is actually leading the team?"

Chen ZhongXi's expression turned serious as he said, " it's indeed more serious than I thought. Even the fat and thin dhuta has appeared!

Chapter 1629-cultivation ground

"What?"

Yunxiao's face flickered as he said solemnly, "These two people appeared here. Could he be here as well?"

Chen ZhongXi was also full of worry. With a worried look, he sighed and said, "I do not know. I hope they didn't come, or else it's hard to say whether it's a blessing or a curse."

Yunxiao's eyes flickered as he said with a profound meaning, "If he really comes, it might be a blessing and not a disaster."

"Why do you say that, Lord Feiyang?" Chen ZhongXi asked in surprise.

Yunxiao smiled, but did not explain. "I don't know much about this matter."

Chen ZhongXi pondered for a while before saying, "Lord Feiyang's words are truly profound and difficult to understand. I admit that my intelligence is not high enough."

let's not talk about this, " Yunxiao said with a smile. let's not talk about this. The fat and thin dhuta, those two idiots, didn't die after twenty years. They're quite lucky. Indeed, only the great elder can stop them."

I just hope that they don't cause any more trouble, " said Chen ZhongXi, his head aching. I've been so busy these past few days that I'm about to be exhausted.

Yunxiao laughed and said, 'it was Wan Yiqian who asked you to come out, right? Then I won't disturb great elder's inspection. I've already met with Wan Yiqian, so if there's anything, I'll naturally come to visit."

After he finished speaking, he did not stay any longer and left with the others.

Su Hong hurriedly carried Jing shaoyi.

Yunxiao gave him a look and said, " this young master has broken the rules of the merchant Union. By right, he should be taken away by the law enforcement team. It doesn't seem to be in accordance with the rules for us to bring him back."

He didn't want to kill Jing shaoyi right now to prevent it from affecting the production of the nine Yin nine yang pill, but he also didn't want to bring him back to Tianyuan trading company and make him unhappy.

Su Hong said,"I don't think this Kasaya is a good idea, Kasaya."

'It's not good to take him away,' Yunxiao said. Tianyuan Chamber of Commerce is a member of the Council of the business union. Are you going to take the lead and ignore the rules?"

you're right, brother Yunxiao! Ding Ling 'er scolded. Su Hong, what are you doing?!

Su Hong didn't leave. He put Jing shaoyi down and said, " "Thank you for your trouble, great elder Zhong Xi."

Chen ZhongXi did not know Yunxiao's attitude, so he had to say, " "Don't worry, leave it to me."

just follow the rules, " Yunxiao said with a smile. don't break the rules because of me or Tianyuan trading company.

"Don't worry, I won't break the rules!"

Chen ZhongXi immediately understood and chuckled as he watched them leave.

Only when he was far away did his eyes slightly narrow, as if he had something on his mind, and he muttered to himself,"Why is it a blessing and not a curse for that person to come to new Yan city?" He obviously couldn't figure it out, and his brows furrowed deeply.

One of the law-enforcement officers came forward and pointed at Jing shaoyi. "First elder, what should we do with this person?"

Chen Zhongxi's face darkened and he shouted, "of course we'll do it according to the rules!" No matter who it is, it is absolutely impossible to overstep the rules!"

He kicked out and the ground exploded. Jing shaoyi's body flew towards the police officer, covered in blood.

An exquisite flying device was flying in the sky, with the huge of Tianyuan trading company printed on it.

"I'll go to the Holy Land of serenity in the north of the city to cultivate for a few days first," Yunxiao said. "I don't want to get involved in all kinds of trouble. When everyone is here, Ling 'er, you can come and inform me."

Ding Ling 'er's shoulders trembled. "big brother Yunxiao, I really have nothing to do with Jing shaoyi. Please don't misunderstand," she said.

Yunxiao's face was full of black lines. Looking at Ding Ling 'er's nervous face, he felt a little speechless. Embarrassed, he raised his hand and put it on her shoulder, then chuckled and said, " "Silly girl, you're thinking too much. Do you need an explanation? I just don't want to be involved in the storm in new Yan city. I don't want to see anything happen to me while I'm making the pill or Ling Baiyi."

Only then did Ding Ling 'er's uneasiness disappear. She seemed to be a little aggrieved, and her eyes were slightly red, but she smiled firmly and said, " that's good too. It's just that I can't see big brother Yunxiao every day even though we're both in new Yan city."

The water deity leaned over and said, " "Sister Ling 'er, why don't you enter closed door cultivation with us?"

Ding Ling 'er smiled bitterly. "I still have a lot of things to deal with. I'm so envious of you, silly girl. You're so carefree and follow big brother Yunxiao without thinking about anything."

Water deity mumbled, " it's not that good. Big brother Yunxiao keeps me in the divine realm tablet every day and forces me to cultivate. I've only been out for a few days! Isn't there a lot of people in sister's Chamber of Commerce? Butler su is also very powerful. Just let him handle it. "

Ding Ling 'er's eyebrows moved slightly."That's true. Now that ding Peng is in charge of the Chamber of Commerce, with the help of Butler su and Sir Lai, it's enough."

She turned around. Su Hong, we're going to the quiet elegance Holy Land to cultivate. You can go back first.

"Miss, please don't!" Su Hong was anxious and quickly said. Young master ding Peng is still young. Without you, the Chamber of Commerce would be hard to operate."

"Where's Ding Shan?" Yunxiao asked.

the president is busy, " Su Hong said. he's not in the Chamber of Commerce for the time being.

"My father has been running here and there for the elixir refining business," Ding Ling 'er said."He'll be back soon." Su Hong, father will arrive at Xinyan city in a few days. With the support of you and Lord Lai, can ding Peng not even last a few days?" An unhappy expression appeared on her face, and she was even a little angry.

Su Hong's face was full of bitterness. if it was before, it would have been fine. But just now, something happened to Jing shaoyi. The three elders of liuming mansion are now in the headquarters. I'm afraid Lord Lai and I can't handle it!

"You guys can't even take care of so many men, and sister Ling 'er, a girl, can?" Aren't you guys ashamed? Embarrassing face!"

Su Hong wiped his cold sweat with his sleeve and did not dare to make a sound.

He would rather be scolded by the water deity than to face the three elders of liuming mansion alone. It was better to be embarrassed than to be killed by the other party's angry palm!

After receiving the three elders in new Yan city for a few days, he knew that they were arrogant and condescending. They could take your life if you didn't agree.

are those three elders also the assistants who refined the nine Yin nine yang pill? " Yunxiao asked.

that's right, " Ding Ling 'er explained. I've been leading people to liuming mansion in the past few months to persuade them to take action. After all, the key to making this pill was the yin-yang cauldron, which was the most precious treasure of liuming mansion. Father had promised to give them one-third of the pills after they were done before they were willing to take out the treasured cauldron and send three elders to help. Hmph, if we knew this would happen, we would have just taken the cauldrons and not needed their help."

I see, " Yunxiao said. it's so complicated. The materials required to concoct the nine Yin nine yang breaking adversity pill are too complicated and precious. I'm afraid Tianyuan trading company has owed many favors over the years."

that's right, " Ding Ling 'er sighed. but as long as I can make the pill and reach the estimated level of eight Yin and eight yang, it's all worth it.

Yunxiao nodded and said, " that's true. However, hehehe, would ding Shan be so generous with one-third of the shares?"

Ding Ling 'er's face changed slightly. She knew what Yunxiao was referring to, so she said, " father agreed to this. I don't care about the details. It's fine as long as big brother Yunxiao's pill is not too little.

Yunxiao was quite touched. silly girl, " he said. you don't have to do anything for me. Even without this pill, I'll be able to recover to my peak in my previous life sooner or later, and even improve further."

Ding Ling 'er was full of anticipation. She clasped her hands in front of her body and said with excitement and admiration, " "I hope to see big brother Yunxiao ruling the world soon!"

...

Yunxiao stroked her hair and said softly, "I will,"

An unusual emotion flowed in Ding Ling 'er's heart. Her body was slightly hot, and her cheeks could not help but burn.

"Sister, what's wrong? Your face is so red, did you get hurt just now?"

The water deity suddenly cried out with a look of concern.

Ding Ling 'er suddenly wanted to beat her to death, so she turned around and said, "It's nothing. I just accidentally made a mistake while circulating my Yuan power."

"Is that serious?" the water deity quickly asked. Big brother Yunxiao, quickly take a look at big sister Ling 'er."

shut up! Yunxiao scolded in embarrassment. meddlesome! If you're still a busybody, go into the divine realm tablet!"

The water deity was so scared that she didn't dare to speak.

big brother Yunxiao, wait for my news.

Ding Ling 'er said with her back to Yunxiao. She did not dare to look back as she flew away from the aircraft with Su Hong.

A moment later, Yunxiao arrived at the sacred land of serenity. From time to time, there were experts flying in the air, entering and leaving.

...

At this moment, the cultivation ground was three to four times larger than the last time, but it was affected by the major event. It lost a sense of elegance and spirituality, and was more solemn.

“You’re Yingluo! You, you’re Yingluo?”

The man in charge was still Xue Hongtao, whom he had met last time. As soon as he saw Yunxiao, he recognized him, and his face changed drastically with a hint of horror.

Yunxiao did not seem to know him as he said indifferently, “Give me a Purple Room,” He threw the token of Tianyuan trading company over.

“Yes, yes!”

Xue Hongtao hurriedly replied. He didn’t dare to say anything more and quickly handled the matter.

This caused strange gazes to constantly come from all around, all of them secretly wondering what kind of great figure this was to actually make the person in charge so nervous and to do things several times more nimbly.

Yunxiao did not stay for long. After all the procedures were done, he turned into a stream of light and disappeared from the hall.

Xue Hongtao heaved a heavy sigh of relief and wiped the sweat off his forehead with his sleeve. He pondered for a moment, then hurriedly took out a Jade token, cast a few incantations into it, and then smashed it.

A talisman flew out from the Jade token and flickered in the air before being destroyed.

Only then did the grave expression on his face slowly ease up, revealing an ice-cold expression.

The Purple Room that Xue Hongtao had opened for Yunxiao was very luxurious, obviously of the top grade. It was like a dream, filled with all kinds of exquisite utensils and a mountain of Supreme-grade primordial stones.

“The development of this cultivation place is fast, but with the pressure from Ling Baiyi, I’m afraid many people have left. The rest of them were either in closed-door cultivation and didn’t know about the news, waiting to watch a good show. I wonder how many innocent people will be implicated by the merchant Union’s decision this time.”

Yunxiao sighed a few times, then cast several incantation seals and set up an enchantment in the room. Only then did he take out the divine realm tablet and fly into it.

Chapter 1630-pill recipe

“Lord mu di, I have something to ask.”

When Yunxiao came to a certain place in the divine realm tablet, he felt a barrier in front of him, so he stopped and greeted him loudly.

After a while, a yellow light rushed up hundreds of meters away. It was unstable in the air and gradually turned into a burly and majestic man. He looked over with an awe-inspiring aura.

Yunxiao was taken aback, but he was overjoyed. “Congratulations, Sir, you can directly separate your soul from your body!”

“This Starlight soul body is indeed wonderful,” the figure said slowly. “I can survive and cultivate on my own even without possessing a puppet. Did you come to find me because you have collected enough materials for the divine steel?” His eyes glowed with excitement.

not yet,” Yunxiao said, blushing. I have something else to ask you.

“Oh? That’s quite slow.”

“What is it?” lingmu di was a little disappointed.

my Lord, ” Yunxiao said. have you ever heard of the nine Yin and nine yang disaster-breaking pill? ”

of course I’ve heard of it. lingmu di was taken aback. why? did you get this pill? ” Although his expression was a little shocked, he was still calm. It was obvious that even though this pill was precious, it was nothing in his eyes.

“No,” Yunxiao said. He explained the matter in detail and asked, ” “What do you think the chances of producing pills like this are?”

Lingmu Di’s brows were slightly furrowed. He looked up at the sky, as if he was thinking about something.

“I can’t make pills.”

“What?”

Yunxiao trembled and cried out in surprise, ” how can this be? Even with the combined strength of eighteen nine-stars martial sovereigns, you still can’t form your core under this sky?”

it’s not that I can’t condense the pill, ” Ling mudi said. it’s just that there seems to be a problem with the process.

what question? ” Yunxiao asked in surprise. what question? ”

“I don’t know the details, so I can’t make a judgment,” Ling mudi said. You’re a ninth-tier Alchemist, so you can figure it out yourself.”

Yunxiao muttered to himself, ‘how am I supposed to figure it out? if I can figure it out, do I need to ask you?’

Suddenly, a golden light shone as lingmu di performed an incantation gesture with both hands. Runes danced in the air and flashed in front of Yunxiao one by one, each character vanishing in an instant.

“This is a Kasaya!”

“The recipe for the nine Yin nine yang breaking crisis pill!” He exclaimed in shock. Daren actually has the pill recipe!”

I was not only the King of the North Region back then, ” Ling mudu said. I was also a divine Smith. Is it strange that I have a few pill recipes? ”

Yunxiao was shocked again. divine Smith!!

there’s no need to make a fuss, ” Ling mudu said. you’ll know that there’s a problem with the process if you study the recipe of the nine Yin and nine yang breaking adversity pill.

“My soul is still unstable, so I won’t talk to you any longer, ” he said, seemingly a little tired.

It turned into a yellow light and landed on the ground far away.

Yunxiao could clearly sense that the power of the barrier had weakened a lot.

He immediately sat down cross-legged and began to comprehend outside the enchantment. He had forcefully imprinted the refinement method into his mind with the power of the moon pupil, and only now did he read it word by word.

This pill recipe had already exceeded his scope of understanding. As soon as he read it, his soul trembled and his entire spirit was sucked into it, and his expression became obsessed.

A few days later, the confused look on his face gradually faded away and he regained his calm. He slowly opened his eyes, and a bright light flashed across them.

“If I have enough materials, I can find a few helpers and maybe I can really refine the top grade nine Yin and nine yang pills.”

Yunxiao pondered for a moment, then his figure faded and disappeared from where he was in a trance.

In the Purple Room, his true body, who was sitting cross-legged on the ground, opened his eyes. With a wave of his long sleeve, he removed the barrier that had been set up around him.

Just as he stood up, an overbearing blade slashed down!

“BOOM!”

Yunxiao’s figure disappeared in a flash, leaving only an afterimage and the ground that had been split open by the sharp blade. The surrounding environment changed, and they found themselves in a desolate land, with the huge Gully that had been created by the power of the blade still there.

A green Thunderbolt flashed beside the ravine, and Yunxiao took on his human form as he said leisurely, “ this Purple Room is really not bad. I can actually imitate my opponent’s attacks to train in.

Hmph, since it’s not bad, then you should practice well. Don’t mistreat the cost!

An ice-cold voice rang out, and a saber ray appeared in the sky once again, slashing down fiercely.

Yunxiao dodged again and appeared in the sky, slashing out a sword beam with his finger!

“Swish!”

The sky was instantly pierced through, and under the fluctuation of water, the sword Qi created a deep, pitch-black hole.

A gray-white figure suddenly appeared behind him and slashed at him with a saber.

“Dang!”

Yunxiao put two fingers together and pointed them in the air. The cold sword suddenly slashed out, shaking off the blade and causing it to shine.

“Oh? So it’s you, the minion.”

how did you know I was in this Purple Room? ” Yunxiao asked unhurriedly. and you came here to kill me? ”

“Hmph, isn’t it very easy for this Lord to find out information about a person!”

The man in gray was the hilt of the twelve blades of the ascendant cloud, Zi Yuan plateau. With a fierce look on his face, he slapped the back of the blade, and a violent force gushed out, pushing Yunxiao back several feet.

“In any case, just die for this seat! Void Gong saber!”

The treasured saber was unsealed and became seventy to eighty feet long and three feet wide. He held the saber hilt with one hand and slashed horizontally, directly breaking the illusion!

“Tsk!”

...

Yunxiao sneered disdainfully. In a flash, he stood on the back of the man’s saber, standing firmly with his legs straight.

you do have some skills, but your death today will be because you underestimated your enemy!

Nie Gaoyuan laughed hideously and suddenly opened his mouth wide. His upper body actually transformed into a demon, and his head turned into a snake that was several times larger, biting down with a resentful gaze.

Yunxiao was taken aback. He raised his primordial energy and tried to fly up, but he suddenly found that the ground under his feet was stuck. Looking over in shock, he saw two formations appearing on the back of the blade, sucking his feet like quicksand, and even his body was slowly sinking.

“What the hell is this?”

damn it! Yunxiao cursed. Suddenly, a golden light burst out of his body, and he turned into a golden body. He grabbed the two sharp teeth in the snake’s mouth with both hands, preventing it from biting down.

“Whoosh, whoosh, Whoosh!”

A slender red tongue shot out like a rope. There were stellar energy spots on the tip of the tongue, and it was pointed straight at his heart!

“Boring!”

Yunxiao frowned. Two heads and four arms appeared behind him again, and one of them grabbed the red tongue.

However, the tongue was soft and wrapped around his arm like a long whip. It extended infinitely again and reached for his heart.

...

Yunxiao stretched out his arm again and put his fingers together to cover his heart, then slapped the tongue away.

“Roar!”

Nie Gaoyuan was furious, and his furry left hand turned into a claw and slapped down.

Yunxiao stood where he was, his face unchanged as he clenched his fist and punched out.

“Bang!”

The big hand smacked on his fist, causing his body to shake.

“Hahaha!” The snake head let out a strange laugh. The long red tongue kept dancing, but it didn’t dare to shoot anymore, as if it was in pain from the slap.

what’s so funny? ” Yunxiao asked in confusion. what’s so funny? ” Do you think you can scare me? I’ve seen monsters that are even more terrifying than you.”

Luo Gaoyuan sneered. you’ll know in a while. This profound weapon of mine is called the void Gong saber. The inside of the saber leads directly to the endless void!

Yunxiao’s pupils constricted as he felt a great pressure coming at him. Nie Gaoyuan was trying his best to suppress him, and his body kept sinking into the blade.

hahaha, I’ll be exiled to that endless world forever! Nie Gaoyuan’s face was filled with a sinister smile, and those Snake Eyes shot out sinister and cruel rays.

Yunxiao only felt that the suction force was getting stronger and stronger, and he could not break free!

He was taken aback, and the moment he opened his mouth, he cursed, ” “F \* ck, do your parents know you’re such A \*\*\*?”

“Hahaha!”

Nie Gaoyuan laughed wildly, his Snake Eyes full of ridicule. the so-called martial sovereign Vanquisher is only so-so, how disappointing!

Yunxiao's face changed several times, and in the end, he begged for mercy, "Sir, please let me go. We have no enmity, why do you want to kill me?"

"Hmph! Why would I want to kill you?"

Huang Gaoyuan laughed and said in disdain, "Because you and I have a grudge. Because you have a Saint weapon. Because you have a woman that I drool over. Because you're a titled martial sovereign. Because I don't like you. Because you're more handsome than me. Any one of these reasons is enough to kill you ten thousand times!"

"Die!" He roared.

The muscles on the hairy arm bulged and doubled in size as it pressed Yunxiao down and kept sinking into the void of the blade.

Yunxiao's face was filled with horror as he wailed, "My Lord, please let me go. Everything can be discussed. I can give you the Saint artifact and the girl. If you think I'm handsome, I can disfigure you."

"Hmph, it's too late!" "If I had known that martial sovereign Vanquisher would be so weak, I would have made you kneel down and lick my shoes!" Luo Gaoyuan sneered.

Yunxiao's face was filled with hatred as he roared, "You'll die a terrible death! I'll sink into nothingness, so don't even think about getting the Saint artifact!"

"Hahaha, you don't have to worry about that!"

hahaha! Luo Gaoyuan laughed out loud. I can accurately find the coordinates of anyone who enters my void Gong saber. I'll come and take care of you after you die. Hahaha!

Yunxiao struggled madly, but it was in vain, and he sank directly into the water.

“Swish!”

Luo Gaoyuan kept his big saber and returned to his normal state, his demon-like body also returning to his human form.

“Hmph, I thought I would have to go through a lot of trouble, but it’s really an undeserved reputation!”

Luo Gaoyuan looked to a place not far away and said, “Your Excellency, you can come out now.” This titled martial sovereign is only so-so, you and I are being too careful.”

But the void was silent, and no one responded to him.

“My Lord?”

Luo Gaoyuan shouted again. Suddenly, a bad feeling welled up in his heart, and he raised his saber vigilantly.

“What’s going on? Who, who’s there!”

His eyes were fixed on a node not far away, and a cold glint flashed in his eyes.

He slashed with The Phantom Gong blade, and a water-like blade light flew out.

“Chi la!”

The entire sky was split into two, revealing endless nothingness. The darkness continued to expand, swallowing Luo Gaoyuan.

Suddenly, specks of light appeared in the surroundings. Upon closer inspection, they were actually countless stars!
