

The Eternal 2111

Chapter 2111: internal strife

The ghost horse brothers, Leng Tong, and patriarch Yunsheng were all shocked.

When pan Yi attacked, no elemental energy fluctuation could be felt at all. It was purely his physical body that had shattered the red light.

Leng Tong exclaimed, "sanctified body?" That's impossible!"

Although Grandmaster Yunsheng's expression was solemn, he quickly regained his composure and nodded. "I shouldn't be wrong. Furthermore, it seems to be even more powerful than a body at the phenomenal success stage."

it's even more powerful than a physical body at the phenomenal success stage?!

what?" Leng Tong was shocked and said, "a sanctified body is already immortal!

The dwarf from the ghost horse clan chuckled and said, "the physical body is the same as cultivation. Even if one becomes a Saint, there are many realms.

I've only heard of them." Back then, Lord True Dragon's physical body was the true Supreme sacred body."

"That's true. No matter how strong his physical body is, he can't be stronger than Lord True dragon," Leng Tong said.

Grandmaster Yunsheng looked at pan Yi coldly, then shifted his gaze from pan Yi to the Liao brothers, Gu Qingqing, and the others. His expression turned ugly. The ocean Emperor Palace seems to have invited some impressive helpers!

When his gaze fell on Feini, his heart could not help but tremble and a chill rose in his heart.

This chill was like an inborn fear that was directly engraved in his blood and bones, and it woke up at this moment.

True Blood of the heavenly Phoenix! !

Grandmaster Yunsheng's face twisted into a ball, and even his facial features were gone.

Gu Hong's body also trembled, and his face was filled with fear. "Oh? Is it really the true Blood of the celestial Phoenix?"

The ghost horse brothers and Leng Tong also looked down in shock.

the Yunsheng tribe was a vassal of the Phoenix tribe in ancient times," the Goblin said seriously. they were naturally suppressed in their blood. No wonder ancestor Yunsheng was so scared.

"Tsk, tsk, then it can't be wrong! It's the heavenly Phoenix!"

Leng Tong's vertical eye shot out a cold light, but it was more filled with greed. He smacked his lips and licked them.

Feini suddenly understood and laughed, "so you're the slave that has been passed down since ancient times. Come and greet this sect master!"

Grandmaster Yunsheng's entire body trembled and his face turned ashen. It was unknown if it was from anger or fear. "Damned junior! Did they think that they could overturn the heavens just because they had the heavenly Phoenix bloodline? It's just a bloodline, you really think you're a celestial Phoenix!"

Although he said so, he couldn't help but tremble in his heart. This was because he had seen ordinary powerhouses with the heavenly Phoenix bloodline before, and they were definitely not able to cause him to feel fear.

The concentration of feini's bloodline must have reached an unimaginable level, and it was very likely that it was infinitely close to the heavenly Phoenix!

"Hehe, it seems like you're not an honest servant!"

"I'll make you kneel down and call me master later!" Feini said coldly.

"You coward!"

Grandmaster Yunsheng was almost angered to death. He had never suffered such humiliation in countless years. His blood vessels were all protruding out, but he was still extremely wary of feini and did not dare to attack.

The ghost horse man expressionlessly said, "not only does this girl have the genuine blood of the celestial Phoenix, but I think the others are also very difficult to deal with. Since when did so many strong cultivators appear in the realm of heavenly martial arts?"

"You're right, brother. It seems that we've been in seclusion for too long, and we're severely out of touch with the news." The Goblin dwarf nodded. No wonder master Qiu was so cautious and summoned all of us." He looked around and asked suspiciously, "The other families haven't come yet? Have they all died out over the years, or have they always been so slow?" "I think they're all dead," Leng Tong muttered, holding his chin. "Who is this three-eyed monster talking about?"

An angry voice came from afar. It was actually a woman's voice.

Everyone looked into the distance, only to see the forest of the sea being split apart by a force without any warning. A figure flashed, and a beautiful woman appeared in front of everyone.

The beautiful woman stretched her waist, every detail was charming and moving. The ribbon on her arm glowed like the rosy clouds, exuding a soul-stirring charm.

“I was wondering who it was,” said Leng Tong coldly. “So it’s the mermaid of the horned dragon clan.”

“What, does the three eyed monster have a problem with me?”

Da nu blinked her eyes, and the space seemed to fluctuate.

Leng Tong’s vertical eye closed instantly. The space in front of him twisted slightly, and a white light flashed faintly. don’t use your bewitching technique on me. It’s useless.

“We’ll only know if it’s useful after we try.”

Da nu’s face darkened, and she strode toward him.

“Stop it!”

“Master Qiu was the one who summoned them! If anything goes wrong, who will be responsible for it?!” Grandmaster Yunsheng scolded.

Da nu finally stopped and stared at Leng Tong coldly, “After this matter is over, this woman will find you to settle the score!”

the people here are all tough, ” Leng Tong retorted. whether you can leave here alive is still a problem!

Da nu was furious and was about to explode.

Grandmaster Yunsheng felt a headache coming on. Seeing that the two of them were about to start a conflict again, he said angrily, “Leng Tong, can’t you just shut up?”

Leng Tong scoffed, "Grandmaster Yunsheng, you think you're qualified to lecture me?" Do you think you are master Qiu's spokesperson? Or do you think you're above us?"

"You coward! You should die!"

"Since you want to die, I'll fulfill your wish!" Grandmaster Yunsheng said angrily. Da nu, let's join forces and kill him! In any case, this kind of trash will only get in the way and will be of no help to master Qiu!"

Ever since feini appeared, he had been upset, and his temper and temperament had reached the extreme. How could he stand Leng Tong's mockery?

"Patriarch's words are exactly what I want!" Da nu said happily.

Killing intent flashed in their eyes at the same time, and their figures flickered and disappeared from where they were.

Leng Tong's vertical eye suddenly opened, and a white light flashed through it. With a wave of his arm, he tore the space apart, and his body was teleported out.

"Bang!"

The space they were in had shattered into countless fragments. As soon as Leng Tong's figure stopped, he shouted and struck out with his hands.

"BOOM!"

The space was pierced through, and a palm stretched out from within to meet his fists!

A huge force exploded, and the two of them were sent flying.

Yunxiao and the others were speechless. Before the battle, the other side had an internal strife.

However, they were also happy to see it, and just stood in front of the sea emperor's palace and watched.

Leng Tong retreated a few thousand feet in the sky. His eyes flashed and landed on the bone rainbow. The corners of his mouth curled up into a sinister smile. ancestor Yunsheng, if you dare to attack me, I'll kill your descendants first!

Gu Hong was startled. He felt a deathly aura envelop him, and he cried out in alarm, "save me, old ancestor! He turned into a beam of light and tried to escape.

However, as he flew, he was shocked to find that he was charging in the opposite direction of Leng Tong.

Under the circumstances, he felt a little dizzy and unreal. He suddenly felt his limbs turn cold and knew that he had fallen into the other party's illusion. "Eh, this is interesting."

Yunxiao's expression changed. Leng Tong's vertical eye, like his lunar pupil, had the power of illusion.

Ancestor Yunsheng was shocked. He formed a hand seal with one hand and shouted.

He immediately transformed into a demon, and giant wings appeared on his back. He flapped them fiercely!

The surrounding space was immediately frozen by a force and the bone rainbow's flight light slowed down. With another wave of ancestor Yunsheng's fan, he flashed past and took the bone rainbow away.

The two ghost horses couldn't stand it anymore, and the dwarf shouted, "Stop. No one can kill anyone in a short time. If this continues, it'll really be a big problem."

Grandmaster Yunsheng snorted coldly and retracted his wings. He returned to his human form and did not seem to want to fight anymore.

Da nu took a step out of the void and said coldly, "Fine, for the sake of master

Qiu, I'll let this three-eyed monster go for now."

Leng Tong laughed coldly, but he seemed to have restrained himself and did not say anything more.

"I wonder if there are any other super sea clans, or if we are the only ones left in the four Seas," the ghost horse clan's brawny man said.

Da nu said coldly, "how is that possible!" The vastness of the four Seas was difficult to estimate. One should not be a frog in a well. It's just that you might not know the location of some of the sea Race, and even if you do, you might not be able to invite all of them."

"That's true," the ghost horse man nodded. What should he do now? Should we take down these people first? I can see that their strength is extraordinary. We may not have a chance of winning."

It was only then that da nu began to carefully look at Yunxiao and the others, and she was shocked. since when did so many strong cultivators appear in the realm of heavenly martial arts? "are you done?" Yunxiao asked leisurely. are you done? "

Da nu looked at him and asked in a daze, "little brother, where are you from?" Are you really from the realm of heavenly martial arts?"

nonsense! Yunxiao said. are you from the devil realm? " If they were done messing around, it would be time to talk about serious matters. Who was the prisoner? What is his purpose?"

Da nu and the others 'expressions all changed, as if they were extremely afraid of this topic.

Da nu threw a flirtatious look at him, and said with an enchanting smile,"Hehe,

I can't tell you. It's a secret."

Zuya and the others felt their minds tremble slightly, as if they were affected by the spell. They couldn't help but be shocked as they all used their Yuan techniques to block the technique.

Yunxiao, on the other hand, was completely unscathed. He scolded with a smile, "Secret your head! Since you don't want to say anything, I'll beat you to death first. If that prisoner has the courage, he should come out!"

Just as he was about to make a move, his body suddenly froze. A wisp of divine sense was faintly discernible and faintly fell on his body. It was as soft and weak as goose feathers and white snow.

Yunxiao looked up and saw the clear sound of footsteps coming from ahead of the sea Forest.

Under the clattering of hooves, the wheels of the carriage rumbled forward.

Zuya and the others also noticed the abnormality. They all flew into the air and looked in the direction of the sound.

"Is the main character here?" Fei Ni was shocked.

Two Crimson monsters with the head of a Dragon and the body of a bull pulled a bronze chariot out of the void.

The chariot was simple and ancient, but it did not lose its magnificence.

The bronze wheel spun forward with a rumbling sound, as if it was crushing the long river of time.

The faint light from the forest of the sea shone on the chariot, making it look peaceful and quiet..

Chapter 2112: The Dragon has nine sons

The Dragon chariot came and stopped not far from the palace.

Time seemed to have stopped along with it, and the entire sea Forest was silent.

Grandmaster Yunsheng and the rest trembled and broke the silence. They stepped forward and bowed,
" "My Lord."

These existences were all arrogant, and none of them were willing to submit to each other, but they were all very respectful in front of the chariot, not daring to disobey.

The images on the chariots suddenly became bright and vivid, as if they had come to life.

The nine-colored clouds gathered above the carriage, and the light shone down, turning into imposing figures in the surroundings. They were all mighty warriors with weapons in their hands.

Yunxiao and the others had a bad feeling.

A word suddenly flashed in Yunxiao's mind, and he said in surprise, " "True spirit?"

These tall and mighty warriors all had strange appearances. Many of them had been seen in ancient books and on the copper pillars of the ocean emperor's palace. They were the true spirits.

Zuya's entire body trembled. Under the pressure of these powerful beings, he felt a great pressure on his spirit. who the hell is Youyou?!

Ancestor Yunsheng and the others bowed and stood at the side, not daring to raise their heads or speak.

A man's voice came from the chariot, " the divine realm tablet master? "

Yunxiao knew that she was asking him, because the faint divine sense was lingering on him. imprisoned?
”

“You can call me that,” the man said.

That voice had a sense of disdain for the world, as if anyone else had no such qualifications.

Who are you? ” Yunxiao asked. Who are you? ” Why do you want to create chaos in the four Seas and deal with the ocean Emperor Palace?”

“Disturb?” the man asked. He said teasingly, “when was the four Seas in chaos?” Everything was still the same. I don’t want to deal with the ocean emperor’s palace. The ‘Ocean Emperor’ doesn’t have the qualifications for me to make a move. ”

Everyone was shocked, and Zuya’s expression was even uglier.

The ocean Emperor was the ruler of the four Seas and respected the world, but in his eyes, he was not worth mentioning.

However, judging from the imposing manner and strength of this person, he might really have the qualifications to say such words.

the four Seas are so vast that we can’t measure them, ” Yunxiao said with a sigh. we’ve all been looking at the sky from the bottom of a well. Since you’re here, please state your identity and purpose. Everything can be discussed, and if it’s something that can be negotiated, there’s no need to fight.” If it were only patriarch Yunshenq and a few others, Yunxiao would have

already attacked.

The other side was the same. If Yunxiao and the others had not suddenly appeared, this ‘prisoner’ might not have even shown up.

The so-called "discussion" was based on the foundation of equal strength. If there was a huge difference in strength, there would be no such thing as "discussion". There would only be "obedience" or "death".

you're not strong enough to 'discuss' with me," Qiu said indifferently. but since you're the divine realm tablet master, I'm willing to give you a chance to 'discuss'.

The cultivators around the chariot were all shocked. Even patriarch Yunsheng and the others were shocked, as if they could not believe that the Lord in the chariot would have a so-called "discussion" with the other party.

thank you," Yunxiao said calmly. I wonder what we should do.

everyone from the Bo family, stay here," the prisoner said. the woman with the true Blood of the celestial Phoenix, too. The rest of you can leave.

"Ha? Are you kidding me?"

Yunxiao raised an eyebrow contemptuously and sneered.

The other party's request was to keep his two women at once. His originally calm heart was stirred up.

"I never tease people," said Qiu. If you don't want to, the divine realm tablet will change its master." His tone was still calm, but it carried a strong sense of threat.

"Aiya, really? I don't want this divine realm tablet anymore. It has caused me so much trouble. Please change its master quickly."

Yunxiao crossed his arms in front of him and snorted with a mocking face.

The sky above the palace suddenly became deathly silent. The oppressive atmosphere directly exploded in the air with a “PU PU” sound, containing a great turmoil.

Da nu couldn't hold it in anymore, she cupped her fists and bowed, “Lord Qiu, this person is too arrogant and rude. He should be dismembered into a thousand pieces as a warning to others! Please give the order, we swear to kill this man for you!”

Patriarch Yunsheng and the rest looked at each other and also bowed. “I'm willing to kill this person for Sir!”

Gu Hong also followed behind patriarch Yunsheng and bowed in fear. He did not know who this prisoner was, but he felt an inexplicable fear in his heart and regretted following him.

“Don't make a move.”

Who are you? ” poron's old voice suddenly came from the ocean emperor's palace. A golden light shot out from the palace and two figures appeared in the air. It was poron and water deity.

Poron's face looked even older than it had been several years ago, but there was a red glow on his face. He seemed to be in an extremely good mood.

Narcissus held onto poron's arm and followed behind him.

greetings, Your Majesty, ” Yunxiao hurriedly greeted. “Greetings, master!” The chemical cultivator hurriedly knelt down and bowed.

The rest of the people also bowed.

“Thank you, Alliance master Yun. Thank you all,” polong cupped his hands slightly. He looked at Yunxiao with an even more amiable expression.

For some reason, water deity's cheeks turned red, and she looked a little nervous.

“My Lord, these people are ...” Yunxiao said.

“I already know where they came from,” Polong said.

Polong’s smile disappeared as he stared at the Dragon chariot. He said with respect, “Sir Qiu has descended upon the forest of the sea. Please forgive me for not coming out to welcome you!”

He cupped his hands and bowed in the air with a respectful attitude!

Zuya and water deity were both shocked. Poseidon was a man of high status, and no one in the four Seas could compare to him. How could he be so humble to the owner of the chariot?

who is this man, my Lord! ” Yunxiao was equally shocked.

“Alliance master Yun, you must have seen this Lord’s face on the bronze pillars.” It was said that the ancient true dragon had nine sons, which were Shi, Yin, Qiu, Chi, Jing, Yuan, Hei, Mang, and Huan. This Lord is the third of the nine sons, Lord Qiu!” the son of the true dragon?!

Yunxiao, Gu Qingqing, and the others were all stunned, and their faces were filled with strange looks.

Originally, these were all legendary existences that could only be seen once in 10000 years. However, they had fought with the true Dragon’s ruling feather many times, so there was no longer any sense of mystery. They were even less interested in the son of the true dragon.

Feini immediately laughed, “you’re being so mysterious, I thought you had some background.” Even a true dragon would be helpless in front of you, let alone a dragon child.”

As soon as he said this, the expressions of the people around the chariot changed greatly.

“Impudent!” Grandmaster Yunsheng also rebuked.

The ghost horse man's eyes shot out a sharp light, and he said coldly, "He's really courting death!"

The Warriors also looked angry, and their killing intent burst out. The space was faintly suppressed to the point of cracking.

"Hehe, hehe hehe hehe."

From within the Dragon carriage came Qiu's laughter, which became more and more wild. are you talking about that trash, Zhiyu? " you called him by his name? isn't he your father? " feini was stunned.

Qiu's laughter stopped after a while, "That's right, luanyu is indeed my Royal father. Even so, so what? Trash will always be trash, and his status won't change."

Everyone was stunned. These words were too harsh.

Even ancestor Yunsheng and the others were shocked, but they didn't dare to say anything more. If they interrupted this topic, they might just be killed.

Yunxiao sighed and shook his head. he can even scold his own father. Looks like he's another powerful figure.

"I'm very curious," Qiu said. "Have you seen my father?" He's not dead yet, but he shouldn't be in a good state, right?"

Yunxiao thought for a moment and said, " it's pretty good. You're running around all day and causing destruction. You might be killed one day.

"Hehe, you're still as annoying as before."

"What a disgrace to the dragon clan!" Qiu said with disgust. "If we meet again, let me, as his son, show some filial piety and send him to the West with my own hands."

Everyone drew in a cold breath, feeling their limbs go cold.

This person actually wanted to kill his father!

Moreover, he said it so matter-of-factly and disdainfully, as if he didn't take it seriously at all. Even if he killed his father, it seemed to be done casually and casually.

Beads of sweat broke out on Yunxiao's forehead as he said in a daze, "you are indeed an extraordinary person. I'm impressed!

"Let's not talk about that killjoy trash," Qiu said. Boron, since you already know my identity, you should naturally know my goal."

"Yes." Polong nodded and said, "although it's not clear, I can guess a thing or two. However, with your strength, you can come and go as you please. There's no need for you to go through such trouble."

"Hmph, don't tell me you think I'm afraid of you?"

"That person?" polong was stunned for a moment before he said, "Who is it?" you don't need to know, " the prisoner said. in any case, the people of the Bo family and the true Blood of the heavenly Phoenix will stay, and the rest will leave. This is the greatest opportunity I'm giving you. And for that person's sake, I won't make things too difficult for you."

Yunxiao was both angry and curious. who else in the world has the right to make you look at him in a different light, and even fear him? he even wants to kill his own father! he said.

"Bang!"

A slapping sound came from the chariot and Qiu Zhen said angrily, 'divine realm tablet master, you're asking too much!

“Tsk!

since you don't want to tell me,” Yunxiao sneered, “forget it. Just do what you want and don't give anyone face, otherwise we'll think you're a coward.”

“I'll fulfill master Qiu's wish If You Want Me To Stay.” Polong nodded. However, my beloved daughter and Princess Tianfeng will never stay.”

“Father!”

Water deity hurriedly shook his arm and said with a sullen expression, “Father can't do as he wishes. Everyone, let's attack together and beat this prisoner to death.”

Feini chuckled. you're right, sister. It's over once and for all. Who's talking so much nonsense with him? I'm giving him face, but he doesn't want it!

“Bang!”

A furious slapping sound came from the war chariot again.. Qiu laughed out of anger and said,“Haha, kill him? I've been unrivaled for countless years, how many people have dared to say this in front of me?”

Chapter 2113: returning the favor

Yunxiao did not hold back and scolded with a smile, “Your father almost died in my hands a few times, so Who Do You Think You Are, little brat? You dare to say you want to keep my people?”

“Don't compare me to that trash!” Qiu raged.

no matter how you scold him, he is still your father, ” Yunxiao said coldly. it can't change the fact that you are the son of a good-for-nothing!

Patriarch Yunsheng and the others broke out in a cold sweat when they heard this. Da nu even began to shiver. To them, it was a crime to even listen to such a statement, let alone say it out loud.

“Die!”

As he said that word, the chariot exploded with a boom.

The two monsters with the head of a Dragon and the body of a bull threw their heads back and roared in shock. They broke free and rushed straight at Yunxiao and the others.

The Dragon-headed bull-bodied monster's aura rose to the true immortal realm, and its eyes turned red as it entered the berserk state!

A white light rose from the exploded chariot, and a man in white slowly emerged from it. He had a long and straight nose, a head full of silver hair, and a sharp gaze fixed on Yunxiao, his body filled with killing intent.

The surrounding Warriors were shocked. They had never seen Qiu so angry before. However, he calmed down after a moment and charged forward with a murderous aura.

However, the rules of heaven and earth had changed over the past 100000 years, and they had changed a lot during the process of evolution. Most of them had their powers weakened.

Most of the Super sea clans in the four Seas were true spirits in ancient times. Because of the bloodline inheritance and his seclusion in the deep sea, he was able to preserve his strength to the greatest extent during the inheritance and resist the changes in the later generations brought about by the passage of time.

Some demons took on the form of beasts and ran in the sky with their four limbs.

Some of them had wings on their backs, and with a flap of their wings, they released wind, fire, lightning, and other elements.

Some of them had scales and horns on their bodies, and their auras were so powerful that they could shatter the void.

As the true spirit ran, the killing intent was overwhelming, and everyone felt an unprecedented pressure.

Pan Yi took a step forward and grabbed the two monsters with the head of a Dragon and the body of a bull. He then shouted, "Leave these two bastards to me!"

A faint light appeared on his arm and it instantly became as hard as iron. With a boom, he blocked the attacks of the two giant beasts and grabbed the Dragon Horn with his five fingers!

Pan Yi's body shook slightly, and faint black cracks appeared in the space.

Pan Yi's eyes widened and he shouted, "Coiling Dragon hand!"

Two huge golden runes shot out from his palms. With a loud "boom", the two monsters screamed at the sky. The runes swept across their bodies, and their skin burst open with a "PU PU PU" sound. Blood shot out like arrows.

be careful, everyone! Yunxiao said solemnly. be careful! These are all descendants of the ancient true spirits, and some are even the true spirits themselves!"

"It's like a dream," Liao Xingyuan forced a smile and said, "to be able to see a true spirit in my lifetime, and with so many mist."

Gu Qingqing chuckled. every day is like a dream. It's good.

Feini's gaze fell on ancestor Yunsheng and he said coldly, "Slave, get over here and die!"

Grandmaster Yunsheng's body trembled as he felt an inexplicable fear. He hurriedly stopped and said to the ghost horse brothers beside him, "I'll leave that woman with the true Blood of the celestial Phoenix to you."

The ghost horse dwarf licked his lips and said, "Then we brothers won't be polite. As for the blood of the heavenly Phoenix, you won't have a share!" "Hmph," he snorted.

Grandmaster Yunsheng grunted, but his face was still very sincere. "Naturally!"

In their hearts, however, they were sneering. From Qiu's words just now, they could tell that he was also determined to get this Heavenly Phoenix woman. How could they get a chance?

"Heavenly Phoenix genuine blood, this Lord also wants a little!"

A cold glint flashed past the few of them. Leng Tong was one step ahead and was about to attack feini.

"Let's see how capable we are first!"

The two ghost horse brothers "faces immediately sank, and they hurriedly chased after him.

"Chemical Elementalist, protect Xianer and retreat!" Polong's expression was grave.

'Yes!'

The chemical cultivator hurriedly dragged the water deity backward. Although the water deity refused, she was restrained by the chemical cultivator and could not resist.

The water deity was furious. you piece of trash! How dare you attack me?! she shouted.

The chemical cultivator's expression changed slightly and he said indifferently, "master's orders, we have to obey!" Junior Sister, I'm sorry!"

He formed a seal with his hands and turned them into sharp claws. He created a round enchantment in front of him and trapped the water fairy inside, so that she wouldn't rush into the battlefield and cause trouble for everyone.

After the two dragonbeasts were killed by pan Yi's bare hands, a large number of Warriors rushed over and swallowed everyone in the battlefield. The sword energy in Yunxiao's hand shot out like a rainbow as he charged at the man.

Suddenly, a sharp ray of light shot down and hit his sword with a bang. It created many light rings that shot in all directions and shattered the space.

"Hehe."

Da nu appeared in front of him, stuck out her tongue and licked her red lips, and said with a charming smile, "I really want to taste the blood of the man who dared to curse master Qiu."

Yunxiao's pupils constricted, and he felt a slight dizziness in his head. But in just a moment, it was swept away by the powerful spiritual power in his spiritual ocean.

In the blink of an eye, da nu attacked him. Her slender fingers swayed in the air as she pointed at Yunxiao's forehead.

"Pfft!" Yunxiao's forehead was pierced by her finger, and blood gushed out of the wound.

Yunxiao screamed, his face covered in blood and horror. He was so scared that he tried to run backward, tears streaming down his face and mixing with the blood on the hole in his head.

"Hahaha! "

Da nu laughed wildly, twisted her waist, and walked forward while throwing flirtatious eyes and giggling, "What a useless man. He was defeated in one move. Did you forget to be on guard because I'm too good-looking?"

A confused look appeared on Yunxiao's frightened face as he nodded and said, "You're really pretty. I forgot to be on guard."

"Hehe, really?"

Da nu walked up to him, put her face close to his, stuck out her Scarlet tongue, and licked Yunxiao's face, licking away all the blood and tears on the left side of his face and eating them all.

"It's really bad. Usually, the taste of blood represents the taste of this man. Your blood even has tears of fear. You're really a good -for-nothing." Da nu's smile turned cold, "I have no interest in useless men."

"Wuwuwuwu !"

Yunxiao was so frightened that he cried, and his face, which had just been licked clean, became filthy again. He knelt down in front of da nu with both knees and kowtowed desperately, begging for mercy, "I was wrong. I shouldn't have scolded master Qiu. Please let me go, Queen. Please spare my lowly life!"

"Bang, bang, bang!" He kowtowed extremely loudly, and each knock shook the void, causing blood to spray everywhere.

Da nu sneered contemptuously, "you're really a piece of trash. Killing you will dirty my hands." However, you dared to speak rudely to master Qiu just now, so I won't let you off. If I kill you, perhaps master Qiu will appreciate me and take me into his harem.'

Da nu's face blushed with happiness, as if she had fallen into an infatuated fantasy.

"Don't, don't kill me, wuwuwu aowu aowu!"

Yunxiao was still kowtowing and begging for mercy, with tears and snot all over his face.

Da nu had just immersed herself in her happy imagination when she was interrupted by Yunxiao's crying. Trash!"

She SDat a mouthful of Dhlecm at him. then raised her leg and kicked him hard!

"Bang!"

Yunxiao's head exploded, and he fell from the sky as a headless corpse.

"Da nu, well done."

Qiu's praise came from the sky, and the space rippled slightly. Qiu, dressed in white, slowly walked out with a smile of approval on his face, " I was right about you. From today onwards, you will be my concubine."

"Thank you! Thank you, master Qiu!"

Da nu was so excited that she knelt down with her hands clasped in front of her chest and cried with joy, " "Da nu will do her best to serve you, my Lord."

"Yes, I am. Your looks are also top-notch, and I like you very much."

Qiu walked down from the void and helped her up, " "I wonder what your figure is like. Let me see."

Da nu's clothes were torn apart by the prisoner, and all of them were revealed. The prisoner stretched out his hand and wantonly kneaded them.

"Yes, yes."

Da nu groaned in a low voice, her face was filled with love.

“Da nu! What are you doing?” Suddenly, a deafening shout rang out. It was as if ice water had been poured on her head, causing her to shiver all over.

Qiu’s face turned ferocious and angry.

She suddenly realized that something was wrong. When she woke up, she found that Qiu had disappeared. There was an abnormal silence around her, and countless eyes were staring at her.

The person who had just shouted was not the prisoner, but ancestor Yunsheng. At this moment, his eyes were also wide open, staring at her body with fire spewing out of them. His eyes were full of desire.

“Ah!”

An earth-shattering scream pierced through the clouds, and da nu burst into tears. She covered her body with all her might, trying to cover her important parts.

“Haha!” “Tsk tsk, “”hehe”

The hall immediately burst into laughter, along with all kinds of strange ridicule, mockery, and sinister laughter.

Da nu gave Yunxiao, who was not far away, a venomous look, then burst into tears and flew into the sky, running straight into the forest of the sea and fleeing without looking back.

Gu Qingqing glared at Yunxiao and scolded, “ “You’re too ruthless! To deal with a girl like this is even more vicious than killing her!”

“I’m just returning her illusion to her, ” Yunxiao said coldly. “I’m just giving her an eye for an eye. As for what she did, it was all the manifestation of her own inner desires. I’m just guiding her to express her

desires. Moreover, she's going to kill me and my family and friends, so why should I worry about whether she's a woman? Enemies who are old, weak, sick, pregnant, and holding children, kill them without hesitation!"

Gu Qingqing was also speechless.

When da nu took off her clothes and touched herself, the entire battlefield became silent.. As da nu left, a roar of anger erupted again, and a monstrous killing intent rose!

Chapter 2114: Half-step-to creation

Qiu stood in the distance and witnessed everything coldly. Killing intent flashed in his eyes before he disappeared.

Yunxiao suddenly felt an unusual danger approaching, and it made him feel that he could not fight it!

In his many years of cultivation, there had been many more dangerous moments than this, but he had only felt the pressure of such a huge force once! It was when he fought against the mist Rock Master in the eternal world!

"Creation stage!"

An unbelievable word flashed in Yunxiao's mind. He never dreamed that Qiu long was a creation realm expert!

"BOOM!"

Yunxiao's body suddenly exploded, and the space around him collapsed into a black hole.

Qiu's figure appeared near the black hole and coldly snorted.

It was only Yunxiao's afterimage that had exploded just now. The moment he sensed danger, he had unleashed his powerful spiritual power and teleported away, which had allowed him to avoid the attack.

A few thousand feet in front of the prisoner, Yunxiao's true body was revealed as the space shook.

Although he had managed to escape, his forehead was covered in cold sweat.

From the attack just now, he could already determine that Qiu's strength was at the creation realm without a doubt. However, there was something strange about it. It was as if his aura was sufficient, but his strength was not right. He could not explain why.

After Qiu Yi's attack, he stood still and looked at him with a gloomy face.

"It's simply unbelievable that a divine sovereign justice could Dodge my attack just now. In addition to your cultivation base, your physical body seems to have reached a level of integration. But even so, he couldn't have dodged my attack. He must have some other means."

Qiu said calmly. His eyes flickered as if he was thinking about something.

Hmph! Yunxiao sneered coldly. you can't even hurt me with an attack from a creation realm expert? you're really a failure. As expected of that trash luanyu's

son."

"You're trying to infuriate me so you can find my weakness," Qiu sneered.

Yunxiao frowned. That was indeed what he was thinking, but he did not expect the other party to see through it. But, it was normal for the other party to see through his thoughts with his knowledge and experience."So what if I am?

Don't be angry if you have the ability, son of trash!"

No matter how well the prisoner recuperated, he would still explode. Moreover, he had always been in a high position and had always killed as he pleased, so how could he recuperate?

"You're looking for death!"

He put his hands together and spoke in dragon language, his palms facing the sky.

The two Dragon talismans rolled in his palms and turned into a Golden World with a Dragon's Shadow inside. A small green Dragon emerged.

The Dragon's shape condensed with light, and it opened its mouth to spit out a sound wave that shattered the void!

Yunxiao took a few steps back, holding the sword in one hand. A wave of sword shadows spread out around him, the shape of the swords flickering and turning into an enchantment.

The Dragon's Roar struck the sword World. All the sword shadows trembled and swallowed and spat out light. It was not weak but strong, increasing the range of the barrier by a few more degrees.

Yunxiao was puzzled. Although the Dragon cage was strong, it was far from the level of a creation realm expert.

Suspicion grew in his heart. The sword death in his hand trembled and sword rays shot out. Those sword images turned into thousands of sword rays, like waves under the light. The sword rays were clear as they slashed out along with the Dragon roar!

"Boom boom boom!"

The sky was shattered, and thousands of sword shadows swept across and rolled into the Golden World.

A layer of golden light appeared on the green light Dragon's body and blocked all the sword radiance. Countless strong lights burst out in all directions.

Qiu's expression was solemn as his hand seals kept changing.

The Green Dragon spat out a Dragon talisman, and its body suddenly grew several times larger. With a Dragon's Roar, it shattered all the sword Qi and broke through the air.

Yunxiao performed a Thunder incantation, and thunder and lightning surged around him, turning him into a God of Thunder behind him.

Thunder God's hands formed a seal, and the Golden Maha ancient character danced around his palms. He then slapped it directly at the Azure Dragon!

"BOOM!"

It was also green light, but the Dragon Breath met the green lightning and turned into a shocking pillar of light that shot into the void, directly breaking a big hole in the space of the forest of the sea.

Qiu's face was cold as he took a step forward and appeared directly behind Yunxiao, then formed an incantation gesture with both hands and swung his claws at him.

Yunxiao had also sensed the danger behind him. With a dazzling golden light, he transformed into three heads and six arms, and the Dharma form behind him performed incantation gestures with both hands as it struck out to meet the attack!

"True fiend Dharma idol?"

Qiu was shocked, he seemed to recognize this move.

"Bang!"

As their palms met, their forces surged, but Yunxiao felt his arm go numb, as if he was suppressed by his opponent's strength. The Golden body could not bear it and took a few steps back!

On Qiu's hands, there was a faint light.

virtual light?!

This time, it was Yunxiao's turn to be shocked. It was the physical power equivalent to the void divine realm, and the same light as pan Yi's!

His other four arms hurriedly formed a seal and condensed above his body before striking behind him!

"BOOM!"

The power of the two seals landed in front of Qiu. He had no choice but to withdraw his hand and grab at the air.

Instantly, the seals exploded, and the impact shook the two of them. The prisoner was unharmed, but Yunxiao took a few more steps back!

"This body is so strong."

Yunxiao looked at Qiu in surprise. His left eye was a demon, his right eye was red, and golden runes flashed around his pupils, as if they were trying to see through him.

"Oh, wondrous spiritual eyes? It seems that you have quite a lot of good fortune."

Qiu said coldly, " however, as the owner of the divine realm tablet, this is a great opportunity that covers everything. It's a pity that you don't know how to cherish it. I can only go against heaven's will and change the tablet's owner!

He waved his hands elegantly in front of him and a layer of green light appeared on his body. The shadow of a Green Dragon condensed behind him and roared.

The Dragon's Roar rushed into the nine Heavens, and Qiu and the shadow of the Azure Dragon overlapped in space. They raised their hands at the same time and grabbed forward.

A Dragon talisman exploded in the sky, and heaven and earth stagnated for a moment before it transformed into a huge Dragon Claw and fell down.

Yunxiao's pupils constricted. He seemed to have caught something from the series of movements just now, and he cried out in surprise, I understand!"

The five fingers of the Dragon Claw were like giant pillars that reached to the sky. They spun in the circle and were of different colors, emitting the power of the five elements of gold, wood, water, fire, and earth.

The five elements circulated and grew without end. The powerful forces generated and destroyed each other, transforming the heaven and earth!

Yunxiao felt a world pressing down on him, and his body burst out with a

glazed golden light as he struggled to resist the power of the world!

"Oh, what do you understand?"

A look of contempt flashed across Qiu's eyes as he looked at him as if he was looking at an ant.

Yunxiao performed an incantation gesture with his six arms, and twelve golden beams of light flew out of his body. The divine fiend formation was suddenly activated, and a dazzling golden light flew out of the hands of the twelve puppets, connecting into one and spreading out the whole world! twelve divine beings killing formation?! the prisoner's eyes twitched, and a look of shock flashed across his face. This Taowu heart-refined puppet?"

The power of the five elements grew in his palm and evolved into a world. He had great confidence in crushing Yunxiao into a pulp.

However, as soon as the twelve men of gold appeared, the boundary of the formation was like a Golden Bell that resisted the power of the five elements, causing explosions to constantly ring out!

Yunxiao breathed a sigh of relief. Staring at him coldly, he said, "This body is not yours!"

Qiu, who was still shocked by the six ding six Jia formation, turned around and sneered, "As expected of the wondrous spiritual eyes, you've indeed seen some clues."

Yunxiao retorted sarcastically, "Your soul is at the creation realm, but your physical body is only at the void light realm. Thus, your strength is between the creation realm and the void realm. No wonder you're father and son. You're just like your father. No matter how glorious you were in the past, your physical body was destroyed in the end, and you can only rely on your soul to survive. However, your life is better than his. At least your soul power hasn't decreased, while your father's soul cultivation has also fallen to an unsightly state!"

"If you compare me to him again, I'll really get angry," Qiu said coldly. Do you think I'm like that trash, having my physical body destroyed and my soul injured, and have been living in an ignoble manner until now?"

Yunxiao's eyes flickered with surprise, and his heart was in turmoil. The ruling plume was actually a body that had been destroyed by someone?

The ancient true Dragon's physical body was a first-rate Holy body and was undying. His cultivation was also at the realm of a World King. Who in the world could defeat him?

Suppressing the shock in his heart, Yunxiao said, "Could it be that you destroyed your own body and injured your soul?"

"You've got a sharp tongue!" Qiu's face darkened. There's no harm in telling you. It's just that the world has changed greatly over the past 100000 years. In order to prevent the loss of power, I sealed my

physical body of the Dharmakaya realm perfection. That's why I'm only using this ethereal light realm body for now."

Yunxiao was taken aback, and his heart was once again in turmoil. If this man dug out his Dharmakaya body and fused his spirit and body into one, he would be invincible under the sky today!

He had another question in his heart, and asked, "The great circle of the

Dharmakaya realm? What's the difference between it and the ordinary Dharmakaya realm?" it's the cultivation of all the rules of the Dharmakaya realm," Qiu proudly said. it's the strongest physical body under this realm. One more step and it'll be the real undying Holy body!

Yunxiao immediately understood. Even in the Dharmakaya creation realm, there was a big gap in cultivation base and strength, and the man in front of him should have once stood at the peak of the Dharmakaya creation realm.

To put it bluntly, he was just one of the top few below the realm King.

"You've said so much just to tell me how powerful you were in the past. It's as if I'm afraid."

in the end, you're only at the void realm," Yunxiao said. at most, you're a half-step to the creation realm!

"So what if I am?" Qiu's expression changed as he snorted. Isn't that enough to take you down?"

Runes appeared on the Dragon claws once more. This time, there were more than ten dragon runes that wrapped around the five Element pillar.

Immediately, five-colored radiances flew up and transformed into five elements true Kang to attack the twelve divine beings killing formation!

"BOOM!" "BOOM!"

The entire sky trembled, and the formation light barrier immediately shrank by half. Liuding and Liujia stepped out, constantly changing their range to deal with the force of the bombardment.

Yunxiao was shocked. He could clearly feel the pressure coming from liuding and Liujia.

It was not so easy for the five elements pillars to break the formation.

However, the five elements reinforced and restrained each other, and the true Nirvana that was formed was also growing stronger and stronger.. Eventually, it would break the formation light!

Chapter 2115: sea god

Back in the battle with the Misty Rock Lord in the eternal world, Liu Ding and Liu Jia could only unleash a small portion of their power and were defeated.

At this moment, it was easily resisting the five elements pillar. However, the five elements were endless and constantly evolving into worlds. The five elements true Kang was stronger than the previous wave and it would break the formation light sooner or later.

Yunxiao performed an incantation gesture with both hands, then spread his arms as he floated in the array.

A large amount of golden light bloomed from his body, and sentence after sentence of ancient Maha characters disappeared in the golden light, like a multicolored light that covered his body.

&Nbsp; ” the Maha ancient god art! Qiu’s expression changed, and he exclaimed once more.

Following Yunxiao’s movements, six ding and six Jia also performed their own incantation gestures, and their figures shifted at an extremely fast speed.

In the center of the formation, a dense golden glow emerged around Yunxiao, which suddenly grew extremely long and turned into a giant Golden Spirit.

The giant spirit stretched out its hand and grabbed at the center of the formation. A large number of runes flew up and turned into a heavenly halberd in its hand.

The entire formation trembled, and the six ding and six Jia cultivators all wore bitter expressions. Their hands maintained the seal, and their bodies trembled.

Qiu's expression became even more unsightly as he stared at the giant spirit formed by the light, as if he had seen something terrifying. Fear flashed in the depths of his eyes as he gritted his teeth and said, "He can actually form a divine fiend phantom body! You should die!"

He raised his hand, and five-colored lights of five elements circled around his five fingers.

The five pillars of light expanded to twice their original size and the terrifying five elements true Kang rumbled. It was as if two worlds had collided and the forest of the sea trembled.

In the array, Yunxiao slowly focused his eyes and suddenly waved his right hand.

The demonic God's apparition flickered a few times before raising his heavenly halberd and slashing at the five elements light pillar outside the array!

"BOOM!"

The boundary of the array suddenly shattered, and Liu Ding and Liu Jia let out a silent sound like a wooden fish before they turned into a beam of light and flew toward Yunxiao.

As for the heavenly halberd, it directly cut into the five elements true Kang. As it stirred, the entire world was shattered!

"BOOM!"

The entire Ocean Emperor Palace trembled as the sky collapsed and the earth caved in. Everyone who was fighting separated in fear, carefully avoiding the aftermath of the explosion.

The sky above the forest of the sea shattered as the world Energy exploded. It was like a blazing sun, illuminating the entire world with a deathly white light!

“Big brother Yunxiao!” “My husband!”

“Alliance master Yun!”

All sorts of terrified cries rang out as the members of the heavenly martial League stared at the blazing sun in shock, feeling the incredible power.

Under the attack, Yunxiao was either dead or seriously injured.

The blazing sun slowly dimmed. Ten thousand feet to the left, Qiu’s face was pale, and his eyes were filled with hostility. His right hand was behind his back, but his palm was covered in blood.

“The blood vessels in his entire arm had exploded. At this moment, under the cover of the virtual light, the injury could not be seen, and it was slowly recovering.

It was just that this recovery speed was extremely slow and ineffective to him.

Although he had a human body at the void light realm, he didn’t have the physical body of a Dragon, after all. It was difficult for him to use all kinds of divine powers, and he only had the soul of a creation realm expert.

On the other side of the blazing sun, thousands of feet away, Yunxiao’s clone also appeared, looking just as miserable and bloody.

“My husband!”

With a flash of red light, a ball of flame fell beside Yunxiao, transforming into Fei Ni's true form and checking his injuries with concern.

"I'm fine," she said.

Yunxiao breathed out a mouthful of foul air and circulated his Yuan power, gradually healing his injuries.

Fei Ni was burning with anger as she glared at the prisoner and said, "let's join hands and kill this insect!"

"Hmph, you still have the heart to deal with me?"

"You actually called him husband?" Qiu sneered. It seems that I have to kill this Li Yunxiao."

"What does it have to do with you if I call him my husband?" Fei Ni was stunned.

Qiu's eyes lit up and he licked his lips, your Heavenly Phoenix genuine blood is almost complete. After I retrieve my real body and merge with it, you can help me break through the shackles of the perfect creation stage and become the king of a world!

"Get lost! Damn pervert!"

Fei Ni's cheeks were red as she scolded, "You're shameless!"

"You called him your husband, but I can tell that he's still in the celestial Phoenix primordial body." Tsk, tsk, Li Yunxiao must die today, or I'll go to hell if he kills me first!"

"Hooligan! Go to hell!"

Fei Ni was furious. The flames on her body rose to the sky and turned into a vortex.

The temperature in the sky suddenly rose, and the heavenly Phoenix Phantom slowly dormant in the flames, emitting a terrifying aura.

Yunxiao hurriedly stopped her and said, "Wait! Leave this to me, you go and help everyone!"

Worry was written all over his face. Polong and the others were no match for these true spirits and had always been at a disadvantage. If he were to pull out feini, they would be in even more danger.

"But Yingluo"

Since feini was unwilling to leave, Yunxiao's life was more important than the death of all the people below.

There was no comparison in her eyes, so she refused to leave.

"Hmph, what a deep love between husband and wife."

Qiu said coldly. Although he was unhappy, he was not jealous.

After all, he only wanted to obtain feini for the power of the heavenly Phoenix and did not really like her.

"If that's the case, then you and your wife should watch how these people die in front of you."

Qiu's eyes swept over the true spirits and he said coldly, "Why are you all so stunned? Still not attacking!"

All the spirits felt their hearts tremble when that cold gaze swept over them, and they immediately charged toward polong and the others with a heaven-shaking killing intent.

The people from the heavenly martial Alliance and Ocean Emperor Palace were all shocked, and they once again circulated their elemental energy to prepare for battle.

Suddenly, a voice with a slight sigh could be heard, "All of you, stop." Everyone was stunned and looked over. The voice was actually coming from the water deity.

Qiu's body trembled as his pupils shrank, a look of panic flashed across his face.

The water deity's body glowed with a golden light, and a lotus flower platform flew out slowly and bloomed in the air.

Tiny golden runes floated up from each petal. Thousands of words formed an array and shone on the Lotus platform. It seemed to be a Scripture.

"That's Yingluo."

Yunxiao's pupils constricted. Although those tiny runes looked like Scriptures, they were not. However, its structure was very similar to the nomological virtual light he had seen before.

In an instant, the runes of the laws disappeared.

Soon after, there seemed to be a shadow moving on the Lotus platform. A faint voice sounded and drifted from the Lotus.

"Six sorrowful senses, sinking into the eight sufferings. Without the great saint, who can save huiqiao?"

Amitabha's figure gradually became clearer. Although it was still in a semi-transparent state, its facial features could already be seen.

"The sea god's ancestors?!" He cried out.

Although Yunxiao was also surprised, he was much calmer.

When he was fighting Beiming Tianlu on the East Sea, this figure and the poetic name had also appeared. He remembered that the water deity had once called him 'ancestor', but he did not take it to heart at that time.

Yunxiao glanced at the water deity. The latter was in a half-dazed state at the moment, and was suspended in the air by the energy of the chemical cultivator.

"Bo mu!" Qiu gritted his teeth.

Polong's heart trembled. After hearing this, he no longer had any doubts. He hurriedly went forward and knelt down. I, the incompetent grandson, Polong, pay my respects to Lord ancestor!

Amitabha's apparition slowly opened its eyes and stretched out its hand, "

"Boron, you can get up."

Only then did Polong stand up in fear and trepidation. His heart was filled with mixed feelings, and he couldn't describe what he was feeling. Although he was a little shocked and found it hard to accept, he was still excited and excited.

Bo mu raised his head and looked at Qiu, smiling as he nodded, "Qiu long, you've finally come."

"Nonsense!" my real body is still in your hands, " Qiu angrily rebuked. how can I not come?!

As soon as these words came out, everyone was shocked.

Yunxiao was also stunned. He had just learned that the prisoner was not using his own body, but he did not expect that his real body was suppressed in the ocean emperor's palace. So, the purpose of his trip was his real body.

“But Yingluo”

Yunxiao fell into deep thought. Just now, Qiu Ming said that he had sealed his true body himself. Could it be that Bo mu had taken it away? He was not the only one. Everyone was confused.

“He should have come,” Bo mu nodded.

“Give me back my real body and I’ll leave immediately!” He didn’t seem willing to face Bo mu.

“I can give you the real body if you want, but I have one request,” Bo mu said.

The prisoner stared blankly. He had originally thought that this would be an extremely difficult task, but he hadn’t expected Bo mu to agree so readily. He immediately blurted out, “What request?”

join the heavenly martial League, ” Bo mu said. make a heart oath to help Yunxiao in the demonic war.

VV

When this request was made, everyone was stunned. Yunxiao, in particular, had never dreamed that Bo MU’s request would be this.

hahaha! Hahahaha! Qiu laughed hysterically.

The entire forest of the sea was silent, and only his laughter filled the world. He laughed so hard that he was almost bending over.

The laughter suddenly stopped, and the prisoner’s face turned cold. You must be joking!

“We’ve known each other for a long time, what do you think?” Bo mu smiled faintly.

Qiu Yin said coldly, "you want me to listen to this human's orders? how did you even think of such an absurd idea?" Not even if he is the tablet master!"

Bo mu put his hands together in front of him and sighed, "Then you can come back for the real body when you can!"

"Bullshit!"

In his rage, Qiu no longer cared about his demeanor as he directly cursed, "I'll definitely take the real body with me today! Otherwise, I'll flatten the ocean emperor's palace and kill everyone in your Bo family!"

"It's been so many years, but you're still so violent," Bo mu said indifferently. "Nature can't be changed! And I don't want to change it!"

"If you don't compromise with me today, you'll be destroyed!" Qiu said coldly as he pointed his two fingers down.

Bo mu raised his head, a smile in his eyes. "You're not the only one here to take your real body."

"What?"

"What do you mean?" asked Qiu in shock.

The heavenly martial League members were also confused. Could it be that someone else was also here to take his body?

Yunxiao focused his eyes and spread his divine sense in all directions.

He knew that Qiu's physical body was at the great circle of Dharmakaya realm. Anyone who had it would be able to achieve great things.. It was an unparalleled treasure!

Chapter 2116: monstrous anger

The forest of the sea suddenly fell silent. Everyone had secretly released their divine senses, but none of them, including Yunxiao, found anything.

“Bo mu, since when did you learn how to act mysterious?” qiu Huang asked with a smile.

“You’ve always been the one lying to me. When have I ever lied to you?” Bo mu said with a smile.

Qiu’s expression changed slightly, as if he felt guilty, but he quickly returned to normal, “Then explain clearly, who else is coveting this Lord’s true body? There’s no one else in this forest of the sea.”

“Oh? You’re so sure?”

Bo mu laughed.

Yunxiao was also puzzled. Even with his Divine Spirit power, he could not find anything. If someone was really hiding, then this person’s hiding technique was too heaven-defying.

“Of course!” Qiu proudly replied. It’s not that there aren’t any people in the world who can avoid my detection, but there really aren’t many!”

If I lose, I’ll return my true body to you, and the conditions will be void.” The prisoner was stunned and muttered to himself.

Although he was extremely confident, the condition was that he had to join the heavenly martial League and listen to Yunxiao’s orders. If he lost, he would be in deep trouble!

He also knew that there were people in the world who could avoid his detection.

Qiu spread out his divine sense again but still found nothing.

But he didn't want to take the risk, so he snorted, " that's a separate matter. Don't even think about getting me into your trap. Who knows what kind of scheme you're planning in your heart!

"Hehe, Qiu, you've become a coward."

Bo mu said with a faint smile, a hint of amusement in his eyes.

Qiu was extremely uncomfortable under his gaze and snorted, " "Whatever you say, quickly make your decision! Do you want me to return your true bodies, or do you want me to kill all of you and then go get them myself?"

"There's nothing you can do even if you don't believe me. If we were to fight, we'd be the ones who benefit from it," Bo mu sighed.

"I don't want to listen to your nonsense anymore!" Qiu coldly replied.

He was extremely conceited in terms of strength. Even if there were people hiding, he had nothing to fear. This could only prove that the person hiding was not strong enough. Otherwise, why would he need to hide?

"Everyone, hear my order! Kill them all!" Qiu ordered with a cold look in his eyes.

"Yes!"

Grandmaster Yunsheng and the rest shouted.

This was especially so for patriarch Yunsheng and the others. They were most afraid that if the two factions made peace, their positions would be awkward.

The ocean Emperor Palace would definitely not cause trouble for the prisoners, but it was a different story for them. Once they were taken away, they would be in deep trouble if the ocean Emperor Palace investigated.

If it was just poron alone, they wouldn't be afraid. However, there was still the heavenly martial Union and the sea god who had unified the four Seas in the past. If they couldn't kill all of these people, they would be in great danger.

Therefore, the people who wanted to kill the most now were ancestor Yunsheng and the others. After receiving the order, they spared no effort in charging over.

Yunxiao took out the divine realm tablet and patted it casually. Two beams of light shot out and turned into a bright ray.

I'm sorry to trouble you again, my Lords," Yunxiao said apologetically. I'm really sorry.

"Alliance master Yun, you're too kind!" Yi laughed.

Can also nodded lightly. the two of us might not have much time left. We can still make use of our remaining years. It's our honor to do something for the realm of heavenly martial arts.

what?" Yunxiao cried out in shock, " how can your time be wasted like this? "

Can said, " Alliance master Yun, you don't have to take it to heart. Everyone is bound to die. The two of us have no regrets in our lives now."

The referee laughed out loud,"haha, cut the crap!" Tsk, tsk, I didn't expect to be able to fight a true spirit after fighting a demon. I really miss it!"

The two demons 'eyes shone with ferocity at the same time. They shouted and rushed over.

go! Yunxiao said to Feini, who was beside him, " you go and help. With the two monster race Almightyes and senior sea god, it's hard to say who will win!" He stared at Qiu coldly.

Qiu's expression changed slightly.

Yunxiao was right. Can and Phoenix were both void realm experts. Although the heavenly martial League had few people, all of them were void realm experts, except for the Duanmu siblings.

Moreover, although there was only an afterimage of the sea god Bo mu in Amitabha, the golden light from the Saint artifact shone on everyone like a warm sun, giving them an incomparable tranquility. The people of the heavenly martial Alliance and the sea emperor's palace were as calm as water, not panicking or panicking.

The sea god Bo mu didn't make a move. He only sat on the Lotus throne, slowly activating the golden light.

This was also the reason why Qiu was so upset and uneasy.

With his understanding of Bo mu, there was no way he only had this much power!

Feini looked at Yunxiao worriedly, but when she saw that he was determined, she did not dare to disobey him. She nodded heavily, then turned into a ball of flame and conjured The Phantom of a Heavenly Phoenix, burning toward the true spirit!

"This servant! Quickly kneel down and call me master!"

Fei Ni immediately saw the overjoyed old ancestor Yunsheng appear above him in a flash. He formed a seal with his hands, which contained the picture of a phoenix soaring to the nine Heavens. With boundless flames and great power, he slammed it down!

"Damn it!"

Grandmaster Yunsheng's entire body trembled and his legs trembled so much that he could not stand steadily. Boundless anger and humiliation surged into his heart. He displayed all that he had learned in his life and formed a seal to meet the attack!

"BOOM!"

The two seals collided and exploded, and boundless power swept through the world!

Patriarch Yunsheng was blasted into the ground and a huge crater appeared in the square in front of the ocean emperor's palace. Many true spirits fell in.

There was a flash of fire in front of the pit and Feini fell to the side. His chest was heaving up and down, clearly injured.

However, he was in a much better state than Patriarch Yunsheng, who had been blasted into oblivion.

Qiu's face became even more unsightly, so dark that it was almost dripping water.

The ghost horse clan dwarf's expression also changed, and he said, 'Grandmaster Yunsheng is at a disadvantage against this girl. Not only was his soul suppressed, but even his cultivation techniques seemed to be restrained by the heavenly Phoenix! Let us two brothers deal with the heavenly Phoenix!'

"Alright!"

The ghost horse clan's brawny man responded, and the two brothers turned into black shadows, attacking from both sides!

"Shameless!"

Gu Qing Qing jumped out, her hands in front of her, and a red light danced, hitting one of the black shadows, and shouted, "Two against one, and it's a girl. You guys are really men!"

"Bang!"

The wandering red dust technique hit the black shadow, and the ghostly horse clan's dwarf was directly shaken out.

The two of them took a few steps back at the same time. They were evenly matched.

The other black shadow circled in the air and flew down to attack Feini.

Feini laughed coldly, spread his arms and floated away.

Her posture was light, like a phoenix returning to its nest, playing in the forest. Although he was running away, he seemed to be at ease, like he was free and unfettered.

On the contrary, the ghost horse clan's brawny man's face turned ashen after his first attack missed. He gave a muffled groan and chased after the other.

"It seems the situation has been reversed without the Lord seagod's intervention."

Yunxiao looked at Qiu in the distance and sneered, his face full of ridicule.

In reality, he was still deeply worried. After can and Phoenix joined the battle, the situation could only be said to be slightly better. However, if the battle continued, he was afraid that he would still lose more than he would win. Therefore, he deliberately said those words to make Qiu Luan know his limits and thus find a flaw.

As expected, Qiu's expression became even more unsightly.

It was not that Yunxiao's ridicule had much of an effect, but that the enemy he feared the most, Bo mu, had not made a move yet, and he felt like a huge rock was pressing down on his chest.

"Bomu! A hundred thousand years have passed, let me experience your brilliant moves again!"

Qiu finally couldn't take it anymore, he rose into the air, a green light turned into a Dragon and roared!

"If you want to fight senior Bo mu, you'll have to get past me first!"

Yunxiao's figure flickered as he turned into a bolt of lightning and appeared under the Azure Dragon in an instant, then he thrust his sword up into the air! "Hua la" the sound of space shattering rang out as the sword death slashed the red.

The sword essence rose in the wind and turned into a white sword shape, slashing towards the Azure Dragon!

"BOOM!"

The Green Dragon was shattered by the sword light, and the entire sword suddenly exploded!

Under the impact of the Dragon's might, Yunxiao's blood and Qi surged, and he was sent flying back thousands of feet to dissipate the impact.

Qiu was so angry that smoke came out of his seven orifices as he roared, "Li Yunxiao, you really deserve to die! His entire body was trembling, and the veins on his forehead were popping out.

Yunxiao wagged his finger and said with a smile, "being angry is the behavior of the weak. As a peerless powerhouse, shouldn't you take out your strength and speak?"

Qiu stared at him coldly for a while before the anger on his face slowly dissipated. He gritted his teeth and said, "I don't want the celestial Phoenix's True Blood anymore. Don't interfere in my business!"

Yunxiao looked at the man's forbearing expression and praised him in his heart. 'This man is indeed worthy of being a hero!'

Even though he was furious, he still tried his best to control his emotions. After all, compared to the true Blood of the celestial Phoenix, it was more important to take back his true body first.

As long as he returned to the Dharmakaya realm, it would be easy for him to get the genuine blood of the heavenly Phoenix!

But, Yunxiao would not let him have his way. He sneered and said, "Since when is it up to you to decide whether you want the genuine blood of the heavenly Phoenix? The heavenly martial Union has always been with the sea

Emperor Palace."

"Then you'll die first!"

Qiu Shan formed a Dragon Seal with his hand and green light shot out from his body. The five elements true Kang around him condensed into five giant Dragons.

He finally lost his patience, and he understood that he had to get rid of Yunxiao.

As long as they could kill either Bo mu or Yunxiao, their trip would not be in vain. As for the Dharmakaya, it had been placed there for 100000 years, and he didn't mind leaving it there for a few more days!

Yunxiao changed the momentum of his sword and hurriedly threw out six ding and six Jia. At the same time, he conjured three heads and six arms, each of them performing incantation gestures and staying alert.

He also saw the determination and killing intent in Qiu's eyes, so he didn't dare to be careless.

Six ding and six Jia fell around Yunxiao, and golden light flew out of their bodies as they formed into the illusionary body of divine fiend, standing with the halberd in hand.

"Five dragons break the heavens!"

A White Dragon domain with a radius of ten thousand feet condensed around Qiu's body, and a giant dragon could be vaguely seen.

The five dragons of the five elements rose up and attacked from all directions.

The space was stirred by the Dragon Air, and the earth shook. Everyone felt an immense pressure!

Yunxiao's eyes narrowed as sword shadows filled the sky and poured into the sword death's Red slash. Nine mottled white flowers emerged on the blade one after another.

It was like a sword cutting through the stars, yet it was not..

Chapter 2117: killing each other

The godfiend apparition also held the halberd with both hands and pointed it at Qiu. Terrifying golden light gushed out of its body.

The halberd gradually turned from transparent to solid.

The sword in Yunxiao's hand suddenly slashed out, and nine white flowers bloomed one by one from the back to the front. The world in the sword became slow and quiet.

It gave people the visual impression that time was slowly passing by, as if he should not have appeared in such an occasion.

The halberd in the hands of the divine fiend apparition struck out rapidly. Thousands of streams of light dissipated on the halberd, giving people an extreme speed. It leaped out without any hesitation!

"Boom boom boom!"

The two forces clashed side by side and struck the five-element true Kang!

Rings of terrifying power exploded in all directions!

“Rumble Rumble!”

The colorful light didn't just shatter the void, it also swept through the entire sea Forest.

The square fell into chaos. The ocean emperor's palace was hit by the impact and began to collapse.

“Rou Wei!”

die! poron roared and flew over. He instantly created a barrier to protect the collapsed Ocean emperor's palace!

The seal in Bo MU's hand changed, and a dense golden light spread out from the Lotus platform, forming a barrier that kept all the attacks outside.

At the same time, he raised his head and looked at the center of the explosion. He let out a long sigh and said, “Qiu, why dont you believe me from the beginning?”

The Dragon formed by the five-element true Kang had shattered the joint attack of Yunxiao and the divine fiend's illusory body, but it did not make him feel good either.

A misty light appeared on his body to resist the terrifying impact.

Suddenly, his heart trembled as he felt an extreme sense of danger from within. Furthermore, that aura was so familiar!

Qiu felt as if he had fallen into an ice cave, and his body turned cold.

“Why do you not believe in Bo mu?”

A faint voice sounded behind him, and a figure slowly appeared.

All the pores on Qiu’s body opened up as a great sense of danger and fear spread in his heart. He roared with all his might, “Luanyu! Even if I die, I’ll drag you down with me!”

He suddenly returned his fist and struck behind him with all his strength!

“BOOM!”

A black hole was blasted out behind him!

The prisoner’s eyes widened in despair. There was no one behind him. He had fallen into a trap!

“Oh, my son, you’re still as childish as ever!”

Luanyu’s figure coldly sounded beside him, “Dragon Fist, infinite light!

In the center of the chaotic explosion, a pale white light once again burst out and shot into the sky!

Yunxiao’s eyes changed color as he stared straight ahead in shock.

He didn’t dare to believe it when he saw the Luan Yu’s figure before, but now that the Dragon Fist bloomed with infinite light, he was convinced without a doubt!

Under the pale light, Qiu spat out a mouthful of blood.

The Dragon Fist hit his chest, and thousands of cracks appeared on the left side of his heart, all of which were oozing blood.

The illusory light body was broken by the punch, and his internal organs were shattered. He spat out a mouthful of blood.

The two figures were almost stuck together in the white light.

Qiu's eyes were filled with endless hatred, while Luanyu's eyes were ice cold.

As father and son, there was no emotion at all, only heartlessness and hatred.

"I hate this! I can't kill you!"

"You're my son. How can you kill me?"

Luanyu's eyes were filled with sneer and ridicule, and even a trace of pity. my pitiful child, your eyes are actually filled with so much unwillingness. Tsk tsk, it really makes Father's heart ache.

"Since you feel heartache for Yingluo, then break it into pieces!"

Qiu's pupils suddenly shrank, and his heart began to beat. The space around him seemed to tremble!

Following the pacing of this "heart", the extremely weak life force gushed out like a spring!

"What?"

Luanyu was shocked. Her eyes opened wide and she said in shock, "The heart of this body of yours is weak!"

The aura on the prisoner's body instantly rose to its peak, and the unwillingness in his eyes had long turned into ridicule and determination."Perhaps this is fate. The choice of fate is to let you die in my hands! The heart of this body is on the right!"

As soon as he finished speaking, Qiu's left hand grabbed Luanyu's arm that had struck his chest, and his five fingers directly pinched into it, sinking it in tightly, for fear that Luanyu would escape!

At the same time, he straightened his body and clenched his right hand. The five elements true Kang started to spin rapidly.

"Five dragons break the heavens!"

die! Qiu used all his strength, and five dragons flew around his palm. He punched out, wanting to crush Luanyu's heart!

That pair of cold and hateful eyes reflected a few rays of excitement. The corners of his mouth rose into a sinister smile, as if he had finally fulfilled his long-cherished wish!

However, in just an instant, the five dragon shapes seemed to have frozen, and his entire arm was sluggish.

"What?"

&Nbsp; " this ... This ... This ... Qiu xinshen trembled as he felt an abnormally powerful binding force like the laws of the heavenly Dao suppressing his body, causing his energy to dissipate!

"Bang!"

The punch landed on Yuri's chest, but it didn't contain much power. The remaining five-colored light was also blocked by the Dragon scales and shattered under the tip of the fist.

Yunxiao was also surprised, but he was much calmer. He looked up and saw the Tai Chi Yin Yang fish above them, sealing the space within a thousand feet!

Within the seal, a burly figure could be vaguely seen. He had two horns on his head, his arms crossed in front of his chest, and he stood with a sword on his back.

“Hehe, a choice of fate? What a sad fate.”

Luanyu’s earlier panic had disappeared, replaced by cold and arrogant ridicule and disdain. He said cruelly, “Feng Yaoli, kill him!”

The sword-bearing figure under the seal was Feng Yaoli. He raised his eyebrows and said, “As you wish!”

He formed a sword spell with one hand, and the cold sword flew up with a clang and slashed down!

“Swish!”

A cold light flashed, and a metal-like sound was heard from Qiu’s body. A pillar of blood burst out from the right side of his chest.

Fresh blood spurted out like arrows onto Yuri’s body, dyeing it red.

both sides of your chest have been shattered,” Feng Yaoli said scornfully. you’re not going to tell us that your heart is in your stomach, are you? ‘

This sudden change shocked ancestor Yunsheng and the rest. They stood in the distance in a daze, not knowing what to do.

The eyes of the true spirits were about to pop out of their sockets as they let out a strange sound and charged forward.

Luan Yu forcefully pried open Jiangqiu's arms. The two of them were under the sky-sealing mark, and the power they could use was very limited. He immediately shouted towards the sky, hurry up and attack! His physical body is at the void light realm, so he won't die so easily!

"Oh?"

Feng Yaoli's eyes were cold. He made a hand seal with one hand, and another sword light lit up.

Suddenly, a human figure flashed on the heaven-sealing seal and a small silver snake shot down. The snake's body was shining with a blinding light and was made of stacked scales.

Feng Yaoli's sword light turned and hit the silver snake with a bang. He shouted, "Who is it?"

The snake was shaken away and swayed a few times in the air. It was actually a silver whip.

The other section was in the hands of a woman with a cold expression. It was the mermaid who had escaped earlier. She had changed into a sparkling silver battle suit that seemed to be one with the long whip.

She had also noticed the strangeness of the sky-sealing seal and did not dare to land. She only stood on top and attacked from a distance.

As the long whip danced, countless silver patterns appeared and fell like flowers scattered by a goddess.

Feng Yaoli's expression changed drastically. Under the sky-sealing seal, although he could still use his moves, he only had 10 – 20% of his power. Furthermore, the truesouls began to charge into the seal, shaking up the seal's laws.

"Collect!"

He shouted and immediately released the seal. The power in his body returned to its peak, and he formed a hand seal with one hand to slap the silver patterns!

“Bang Bang Bang!”

Countless silver lights exploded, and the long whip in da nuts hand broke into hundreds of pieces. She was also hit by the impact and was sent flying hundreds of Zhang away!

As soon as the sky-sealing seal was opened, luanyu also instantly recovered his strength. Without any mercy, he punched towards Qiu’s head, wanting to take his life!

“Bang!”

The fist force caused the air to explode, but it was suddenly blocked by several forces and bombarded the layers of light walls!

The ghost horse brothers stood on both sides of Qiu, simultaneously setting up a defensive barrier, blocking Yuri’s advance with a single punch!

you two pieces of trash dare to go against me?!

Luanyu was furious, and the Dragon might on his body was impressive. As the leader of ten thousand spirits, he had once been above everything.

That power made the ghost horse brothers break out in cold sweat, and fear rose in their hearts.

The ghost horse dwarf forced a smile. Lord True dragon treats us as trash, but Lord Qiu treats us as his subordinates. A man will die for his bosom friend, and a woman will look for the man she loves.

At this moment, a cold light flashed behind them. Leng Tong’s figure appeared, hugged Qiu, and retreated far away.

Luanyu was furious. since that’s the case, ” he said in a cold voice, ” then you two pieces of trash can really go to hell!

He clenched his fist and an infinite amount of light burst out from the tip of his fist.

The ghost horse clan brothers were shocked, and they hurriedly turned around to escape.

That Dragon Realm opened up from Yuri's body and instantly enveloped the two of them. Then, an infinite amount of light appeared and directly swallowed the two of them!

"Boom boom boom!"

Wherever the light went, there was an impressive fist power. The two brothers were hit so hard that they spat out large mouthfuls of blood, and their bodies flew out directly.

In the battle with the heavenly martial League, they had exhausted a lot of their energy and were also injured.

At this moment, how could he withstand the fury of Yuri's attack? he fell to the ground far away, sliding for hundreds of meters. Two bright red bloodstains were left on the ground.

Feng Yaoli was in the sky. After pushing back the mermaids with one move, he had a ferocious expression on his face. The ice sword landed in his hand and struck out tens of thousands of rays of cold light towards the true spirit Warriors!

"Woof! Buzzzzzz! Whoosh!"

Many of these Warriors had died in the previous battle, and the remaining ones were injured. How could they be Feng Yaoli's match? in just a few moves, a large number of them had been killed.

Broken limbs and bodies fell from the sky, and blood fell like rain.

It was a bloody scene in front of the sea Emperor Palace.

The people from the heavenly martial Alliance and the ocean Emperor Palace watched the father-son duo fight each other quietly. No one could tell if they were happy or sad, and everyone's expression was complicated.

Luanyu's expression was ice-cold as he walked towards Leng Tong.

Leng Tong's face was filled with panic, and his vertical eyes were also filled with fear.

After the Phantom Horse brothers were hit. They struggled a few times on the

ground. Although they didn't die, they had completely lost the ability to fight, and could only lie there and let others cut at them.

Only da nu and patriarch Yunsheng were left on their side, and the situation was already over!

Chapter 2118: possession

Leng Tong's face turned pale. He felt the pressure from Yuri's body, and fear rose from the bottom of his heart.

He looked left and right at Grandmaster Yunsheng and da nu and said anxiously, "What do we do?"

Da nu's expression was also unsightly. She looked at the ghost horse brothers on the ground, biting her red lips, and said, that dwarf was right. A gentleman will die for the one who knows him, and a woman will look for the one she likes. At worst, we'll just die!

Qiu stood behind them, covered in blood.

The left side of his chest had been shattered by the Dragon Fist, while the right side had been pierced through by the ice sword. He was completely covered in blood.

He sighed and said, "all of you can leave. You don't have to work for me anymore." Take brother Guima with you." His face was filled with desolation.

The few remaining true spirit warriors in the Sky also retreated. They knelt in front of the prisoners with blood all over their bodies and tears on their faces.

Feng Yaoli did not pursue, but put away his sword. Instead, he turned his eyes to Yunxiao, and then to Duanmu Youyu, his eyes gleaming coldly. Duanmu Youyu's expression changed slightly, but he was not afraid.

"We're not leaving!"

"I swear to live and die with master Qiu," da nu said firmly.

"I swear to live and die with Lord Qiu!"

Solemn and tragic voices rang out one after another, and the atmosphere on the ground was sorrowful.

Luanyu sneered and said, "tsk tsk, it's really touching." My son, your father won't let you die so easily. Your Dragon Soul is full. When I extract it, I'll nourish it. It won't be in vain. As for your perfect creation stage physical body, I will not be polite and accept it!"

These words made everyone's hair stand on end.

As the saying goes, even a vicious Tiger would not eat its Cubs. Just how much hatred did this father and son have?

The prisoner seemed to be used to it, his expression did not change, as if his emotions had calmed down at the end of the road. He only sneered, in the countless years in the realm of heavenly martial arts, the true dragon has been born countless times. How could there be a scum like you? ‘

“What, you’re not convinced by my father?”

“Ha, the winner is king and the loser is a Bandit. Even if you don’t accept it, you have to accept it.”

“I’m just not convinced,” said the prisoner self-deprecatingly. I may not be able to kill you today, but the others will definitely do so!”

Luanyu said coldly, “you’re All My Sons. How can you escape from my grasp?” Where are they? It seems like we need to find time to get together.” “Hehe, you’re afraid,” Qiu laughed.

“Haha, a few little brats, what reason do I have to be afraid?”

Da nu raised her hand, and the silver light turned into a long whip, forming a small formation of 30 meters in front of her to stop Luan Yu. She gritted her teeth and said, this person is only in the void realm. It’s not certain who will live and who will die!

Leng Tong also came forward and leaned on da nu’s side. The few true spirit Warriors were also on guard.

Luanyu sneered. if the few of you still had 100% of your strength, you would be able to contend with me for a few breaths. Now, you’re just like a Mantis trying to block a chariot. Overestimating your own strength!

The moment the word “strength” came out of his mouth, luanyu moved.

The small formation formed by the silver whip burst out with a strong light and suffered a heavy blow, causing the whip to crack and explode.

His cold eyes focused as he caught onto Luanyu's movements. His hands formed a seal and he shouted, "Lightning Tower!"

"Boom boom boom!"

A large number of lightning snakes appeared above the silver glow, condensing into a tower and pressing down on the sky above the ruling plume!

The space trembled, and Yuri's true body was revealed, which was then enveloped by the lightning Tower.

Large amounts of lightning flowed in and attacked his body.

However, there was a Dragon domain that spread out around the ruling plume. Those lightning snakes were suppressed and annihilated as soon as they entered the Dragon domain, unable to touch its body at all.

I didn't think that there would still be remnants of the eye race.

Killing intent flashed through Luanyu's eyes. His figure flickered and it was as if a giant dragon had soared into the sky, striking in all directions!

"BOOM!"

The lightning Tower exploded into pieces.

Leng Tong's vertical eyes immediately closed, and blood seeped out.

"Let's go all out!" Da nu roared.

The two of them immediately flew up and attacked from both sides.

The several true spirit Warriors also gritted their teeth and followed, seven or eight of them attacking Yuri at the same time.

Grandmaster Yunsheng flew to the side of the prisoner and said anxiously, ‘ “Your Excellency, please come with me. Let’s keep our lives first and come back for revenge in the future!”

Without waiting for a reply, he said, “I’m sorry,” and reached out to drag the prisoner.

The moment his palm touched Qiu, his five fingers flickered and a cold light flashed out, directly pressing against Qiu’s back. At the same time, his other hand turned into an eagle’s claw and locked onto the prisoner’s throat.

“Grandfather!”

Gu Hong was startled. His vision suddenly changed, and he immediately understood what his ancestor was thinking.

This was a rebellion. He was afraid and quickly ran over to hide behind patriarch Yunsheng.

Everyone’s attention was attracted by this sudden change. Even Yuri, who was in the middle of a fierce battle, was stunned. The two groups of people immediately separated.

“Yunsheng! What are you doing?”

Da nu was furious and surrounded him with Leng Tong and the others.

The prisoner’s face was still as calm as water, without the slightest change in expression, as if he was indifferent to his kidnapping.

“My life is mine, I only live and die for myself!” Grandmaster Yunsheng said coldly. I respect master Qiu, but I don’t want to die for him!”

He was a little excited as he spoke, and the strength of his five fingers increased, and he couldn't help but pinch the prisoner's throat.

"Don't you do anything stupid!" Da nu said coldly.

"I'm not messing around, you guys are the ones messing around!" Grandmaster Yunsheng scoffed. He looked at Yuri in the distance and shouted, "Lord True dragon, I offer Qiu Jing to you. Can you spare my life?"

"Hahaha, so you're afraid of death."

Luanyu laughed out loud and nodded continuously. "Yes, of course you can! In this world, only one's own life was the most precious. Although you're afraid of death and sell your master for glory, which is despicable, you're not wrong. I can spare your dog life."

Grandmaster Yunsheng's face turned red from his scolding, but Luanyu was right. His life was the most precious, and once he lost it, he would have nothing left. He immediately said, "Thank you for your understanding, Lord True dragon!"

Luanyu said, "don't misunderstand. It's not that I understand. It's just that killing trash like you will dirty my hands."

Grandmaster Yunsheng's face turned purple from embarrassment, but he couldn't care less. With a stern look in his eyes, he shouted to the people around him, "Get out of the way! Otherwise, I'll cripple him right now!"

Da nu and the others trembled with anger. They were fighting with their lives on the line, but they didn't expect a traitor to appear.

From the beginning to the end, Yunxiao and the others had been watching with great interest.

But, Yunxiao was also suspicious. What would Luanyu do after killing Qiu?

From what Bo mu had said earlier, it seemed that he also wanted to seize Qiu's avatar. However, how could he and Feng Yaoli defeat them?

Now, he could only deal with it as it came, and adapt to the changes in the situation.

Qiu didn't say a word from the beginning to the end. He just stood there quietly, letting the blood stain his clothes.

The fleshly body of a void light realm cultivator was so strong that even though both sides of his chest had been pierced and shattered, he still stood upright. The blood had also stopped flowing, and it was beginning to show signs of recovery.

Grandmaster Yunsheng used one hand to form a seal and pushed against an important acupoint on his back, pushing him forward.

"Do you know what I'm thinking right now?" Qiu suddenly smiled.

Ancestor Yunsheng felt a chill in his heart and warned, "I advise you to give up on your fantasies and obediently return to Lord True Dragon's side. After all, you're his son. As long as you beg the Lord, it won't be difficult for you to keep your life."

"Hehe, you're making things difficult for me."

"Not only is your body weak, but your intelligence is also worrying," said Qiu with a smile. Such a body can only be used as a one-time use item."

"What?"

Ancestor Yunsheng was shocked and the chill spread in his heart. Before he could react, he felt an intense pain in his head.

The Power of Pain almost went straight into his soul, and he lost his consciousness in an instant!

A ball of white light flew out from the top of the prison cell. There was a vague shape of a Dragon in it, and it directly rushed into patriarch Yunsheng's body.

"Possession!"

Everyone understood what was going on.

In his rage, Luanyu suddenly attacked and teleported down.

"My stupid son! How could they have enough time to possess him now? Changing into that trash's body at the last minute will only make you die even more cowardly! It's not this lowlife who lacks intelligence, it's you!"

Luanyu's figure instantly appeared beside Grandmaster Yunsheng and slammed down with his fierce dragon Claw. bang! With a single sound, it crushed ancestor Yunsheng's head!

"Master Qiu!"

Da nu let out a heart-wrenching scream and rushed over recklessly.

Leng Tong and the others were also determined to die, and they all attacked instantly.

Luanyu sneered and scolded, "all of you are trash!"

He made a hand seal, and a Dragon domain spread out, covering a hundred feet like a barrier.

Da nu and the others attacked with all their might, but the Dragon field barrier shook from the attacks, unable to be broken.

“Hmph!”

Luanyu snorted coldly and no longer paid attention to them. His other hand reached into patriarch Yunsheng’s body and crushed his heart with a ” bang ‘ A large amount of blood spurted out from patriarch Yunsheng’s body.

Luanyu’s expression was ferocious, ”my son, is there still a place to hide now?”

Come out obediently and give your father some nourishment!”

Under that gloomy and cold face, she actually stuck out her red tongue and licked her lower lip.

The soul that was about to be devoured was actually their son’s, and he was so ferocious and excited. The people of the heavenly martial arts realm and the sea emperor’s palace felt their hands and feet turn cold, and their hair stood on end.

Yunxiao’s pupils constricted in shock, as if he had sensed something wrong.

Luanyu used two moves in a row. First, he shattered patriarch Yunsheng’s head to prevent him from escaping after being captured.

Once again, he crushed the other party’s heart and caused this body to completely collapse. At this moment, there was no way out for him in patriarch Yunsheng’s body.

However, he still felt that something was strange, but he could not put his finger on it.

Luanyu extended a hand into ancestor Yunsheng’s body and searched his soul. Suddenly, his expression changed and he cried out in shock, ” “You coward!” He searched but found nothing. There was no dragon Soul in there!

Meanwhile, in the Dragon field, Gui Ye was standing beside luanyu and ancestor Yunsheng.

Qiu's body suddenly opened his eyes, his eyes were filled with star-like light and he said coldly, "Who is the one who lacks intelligence? You shameful father!"

"We've been tricked!"

Everyone was shocked. Qiu didn't use possession, he actually used bright path!

The five elements true Qi condensed again and Qiu quickly formed a hand seal.. The five elements Dragons burst out of his body and formed a seal that struck out like a mountain!

Chapter 2119: lend me

"Five Element true Energy Seal!"

All of the prison General's power had been gathered in this move, and this was his only chance to turn the tables!

countless years of hatred, humiliation, and anger, I'll return them all to you!

die! Qiu Bao roared in anger. His wounds, which had stopped spreading, were torn open again. A large amount of blood burst out of his body and evaporated when it came into contact with the stellar energy.

Outside the Dragon field, da nu and the others were wildly attacking in their ecstasy, which overwhelmed Luan Yu.

Luanyu's heart fell to the bottom of the valley, and his face instantly lost all color.

His back was completely exposed to the five elements true Energy Seal and he could only rely on his Dragon Realm defense!

“BOOM!”

The five elements true Energy Seal landed on his body and the weak power of the Dragon Realm exploded. A powerful light wave spread in all directions.

Da nu and the others were startled and wanted to retreat, but they were also directly involved.

The few immortal Warriors who were already injured spat out blood and died from the terrifying aftermath.

Feng Yaoli was also shocked. When he realized that Zhiyu had fallen into his trap, he wanted to help her, but it was too late!

That Five Element true Energy Seal was earth-shattering, and he expected it to be a deathtrap attack. Even if he took it head-on, it would not be easy.

The entire Ocean emperor's palace collapsed once again. Only the small area protected by poron remained. The rest of the buildings had been reduced to ashes.

At the center of the shock, two pale shadows gradually separated.

Luanyu violently spat out a mouthful of fresh blood, and like a kite with a broken string, he fell far away.

Qiu wasn't in a good state either. His ethereal light realm body had completely exploded, and thunderous rumbles came from within the eight gates. Blood would burst out from time to time.

“Master Qiu!”

Da nu's figure flickered, and she flew to the side of the prisoner. She half-knelt in front of him and sobbed, “My Lord!”

Leng Tong also hurriedly knelt down.

At this moment, only two of their loyal subordinates were left.

The ghost horse clan brothers were originally lying on the ground half-dead, but they were also turned into ashes by the aftermath of the attack just now.

time will tell. Qiu looked at the two of them. you are my most loyal subordinates. I am very pleased.

Da nu came forward to support Qiu and cried, " "Lord, don't say anymore. Let's leave this place first. We'll return after we recover our strength."

"I can't," Qiu shook his head, "I can't take it anymore. Furthermore, once he left, he might never be able to return. Da nu, are you afraid of death?"

Da nu was stunned for a moment, then laughed bitterly, " "Of course I'm not afraid. I'm willing to go through fire and water for you, my Lord!" "Very good," Qiu nodded. What about you, Leng Tong?"

"Even if I have to go through fire and water, I won't hesitate!" Leng Tong said firmly.

"Thank you so much," Qiu said.

He bent down and looked at Leng Tong affectionately, his eyes revealing a grateful look.

Leng Tong was stunned for a moment, feeling very strange, " "My Lord, please

The prisoner shook his head and put his hand on his shoulder, saying softly, " "I don't need you to go through fire and water, I just need you to lend me your body. My current body can't take it anymore."

The eight gates exploded, and his body's functions were quickly lost. Qiu was no longer a bloodied man, but a man of flesh and blood.

"Ah?"

"What? were you lying to me just now?" Qiu's eyes turned cold.

"This subordinate does not dare!"

Leng Tong's face was full of sorrow and grief, and large beads of cold sweat dripped from his forehead.

"It's not impossible for me to take you by force, but I don't want to go against your wishes. I respect your choice," the prisoner said. But you have to understand that if you choose to refuse, then we will all die here today. But if you agree, I still have a chance to leave and take revenge for you."

Leng Tong felt his throat go dry, and he couldn't make a sound.

The most difficult decision in his life was right in front of him. Even if he were to die, it wouldn't be so difficult.

"Make your decision quickly, it will be too late when the time is up."

Qiu said indifferently. His face was calm and he didn't show any signs of threat. But his heart was as anxious as a volcano.

It was possible to forcefully take over his body, but it would take time to wipe out Leng Tong's will and to get used to the new body. It was not something that could be done in a short period of time.

If the other party was willing to sacrifice himself, it would be completely different.

As long as the other party was sincere and used his soul to guide him into the body, he could take over the body in the shortest time possible.

“Good! I’m willing! I’m willing to sacrifice my life for Daren!”

Leng Tong finally made up his mind. He let out a long breath and bowed deeply to the warden.

Qiu heaved a sigh of relief and smiled, ‘You will always be my most loyal subordinate. I will definitely treat your body well.’

He stretched out his hand, put two fingers together, and gently touched Leng Tong’s vertical eye.

Leng Tong only felt that Qiu’s fingers were cold, and there was sweat on them.

“Cast away all distracting thoughts and welcome my Dragon Soul!”

Leng Tong closed his eyes, and wisps of white light immediately flew out from the prisoner’s body and entered Leng Tong’s body.

Da nu stood guard at the side, carefully guarding against everyone, especially luanyu.

After taking the blow, a large number of dragon scales fell off from luanyu’s body. At this moment, he stood up in the distance, covered in blood. His face was gloomy and resentful.

There was no sound in the square. Everything had become quiet.

Except for Yunxiao and a few people, most of them did not know about Qiu and Leng Tong. They just watched them stick together with curiosity and found it fun.

“Husband, is the prisoner dead?” Fei Ni asked in a low voice.

No. Yunxiao shook his head and said, " I'm trying to seize the body of the vertical eye.

"What?"

Only then did the surrounding people understand.

Luanyu's face was gloomy. He touched the blood at the corner of his mouth and said in a cold voice, " I was defeated just now. Can you take over my body now?

"Stop! Don't come over!"

A silver whip appeared in da nu's hand again, and she stood in front of the two of them, looking as if she was ready to die.

Luanyu actually listened to her words and stood still.

Because the blow just now was indeed not light. If it was only against the mermaid, he might have a chance of winning, but if the prisoner played any more tricks, it would be hard to say.

"Brother Yaoli, can you help me kill these people?"

Luanyu pointed at da nu and Qiu, pleading with Feng Yaoli.

you're too weak? " Feng Yaoli frowned. you're so weak that you can't even handle this? "

Luanyu was angry, but she still said calmly, " "Of course not, but this unfilial son is cunning, I'm afraid he'll play some tricks. Brother Li, you can use the Taiji sky-sealing seal to seal their true essence and then cut them down with your sword."

“Alright, since I’ve agreed to cooperate with you, this Lord won’t find it troublesome.”

Feng Yaoli walked over with his sword in hand.

Da nu was shocked. She pointed her whip at Feng Yaoli in a hurry, and circles of silver light spread out.

“Whoever blocks my sword will die!”

Feng Yaoli sneered. He forced out a cold Qi from his body and slashed down with his sword.

“Leng Tong” suddenly opened his eyes, grabbed Qiu’s body, and threw him over like a soldier.

“BOOM!”

His body fell under the sword radiance and exploded violently. The huge shock caused the space to tremble.

Although the body had exploded, it did not shatter under such a powerful vibration. It was only shattered and fell to the ground.

The strength of a void light realm’s physical body could be seen.

Da nu retreated and returned to Leng Tong’s side. She exclaimed, “My Lord?”

Leng Tong ” nodded. The aura he exuded was completely different from before, and he exuded the aura of a superior. yes.

“Congratulations, my Lord!” Da nu was overjoyed and quickly said.

Leng Tong is doing well,” the prisoner said. he did not resist at all and did as I told him. I’ve completely taken over this body.”

Luanyu said angrily, "don't deceive yourself!" Even if you completely occupy it, this body is already injured, and it's only at the void tier, so it might not be able to contain your soul. How much power do you have left?"

Qiu Leng looked at him and sneered, "In terms of possession, a void realm body naturally can't be compared to a void light realm body. After all, what I

need is a body, not cultivation. But in this situation, do I still have the right to choose?"

even if this vertical eye doesn't want to be possessed by you," Yunxiao suddenly sneered. you'll still use force, right? "

"Indeed," Qiu nodded without hiding anything. But if that's the case, I'll have to destroy his soul first, and it won't be as smooth as it is now."

so, you were lying when you said you would do as he pleased," Yunxiao said. you're lying to him.

"Why? is that important?" Qiu raised his eyebrows and asked coldly.

"Leng Tong was loyal to his master, he died a worthy death," the merfolk girl said.

Qiu didn't hesitate and laughed, "Of course he lied. At that time, how could we let him do as he pleased?"

Yunxiao gave him two thumbs up and praised, "You two strange father and son, you've really opened my eyes today." Then, he made an inviting gesture and said, "Please continue killing, don't stop."

Only then did Qiu retract his gaze and look at Luanyu and Feng Yaoli, who were not far away, with a cold expression.

Luanyu angrily said, “unfilial son!” Do you think that you can turn the tables just because you took over a body?”

“It’s indeed difficult to turn the tables, but it won’t be so easy for you to kill me now,” said the prisoner. If it wasn’t for your sneak attack, I wouldn’t be in this state!”

Luanyu sneered and said, “all’s fair in war. Isn’t a sneak attack something you should do?” In order to give you that attack, brother Yaoli and I paid a great price, but I didn’t think that we would still be unable to fool Bo mu!”

Luanyu also gave Bo mu a look of fear. He had even deceived Yunxiao with his light of the Warlock God, but he had still been discovered by Bo mu.

He was a little regretful. He couldn’t hold back his impulse and wanted to get rid of the prisoner first, which was why he came out of the void to launch a sneak attack.

If he had known that this would happen, he would have let Qiu and the heavenly martial Union fight until both sides were heavily injured before coming out.

Now, not only was he heavily injured, Qiu was still alive, and the people from the heavenly martial Alliance and Ocean Emperor Palace were unscathed. He was in an extremely passive position.

Bo mu smiled faintly, “although I’ve given him some advice, he doesn’t believe me.” You father and son can continue, don’t mind us..”

Chapter 2120: Bo MU’s identity

“I’m sorry, Bo mu,” the prison commander sighed.

“It’s not the first time,” Bo mu replied. “Perhaps it’s just the nature of you Dragons to be suspicious. If you had believed me back then, today’s matter would not have happened.”

Qiu fell into silence, his eyes filled with regret, “Bo mu, I sincerely apologize to you. I hope we can return to our friendship and trust in each other.”

“Trusted each other in the past?” Bo mu asked in surprise. Man, master Qiu, when did you ever trust me?”

“Of course I do,” Qiu replied seriously, “otherwise, I wouldn’t have asked you to seal my physical body. I wouldn’t have given you such a precious ‘true sun Mantra’. Weren’t these all proof of mutual trust and friendship? However, I was blinded in the end and made a huge mistake.”

Yunxiao and the others were shocked to hear this, and even polong was shocked.

He didn’t expect that the true sun Mantra that had been passed down for generations in the Bo family was actually given to him by the true Dragon’s third son, the man in front of him.

Everyone’s expression was strange. If that was the case, the relationship between the two of them in the past was really not ordinary. Perhaps they were really close comrades, but he didn’t know how they fell out.

“The true sun Mantra is only a reward for helping you,” Bo mu said with a faint smile. “It’s just an equivalent exchange between us, and there’s no friendship between us. Even if there was, it disappeared when you ambushed me. ”

“Alright,” Qiu nodded. Back then, you were suppressed by the demon master and became his slave. If I didn’t give you the sun true secret art to free you from your slave body, you wouldn’t have the sea god and the Bo family’s inheritance. You’ve sealed my body for me and kept it until now, which can be considered as fulfilling the contract. Now, return my body to me. ”

The moment he said this, everyone was shocked.

They couldn't help but look towards Bo mu.

Yunxiao was even more shocked. The sea god was actually a slave of the demon Lord, and it was the true sun technique and the true Dragon's three sons who saved him.

His mind whirred, while his shocked colleague was overjoyed, his hands trembling with excitement.

Since Bo mu was able to come out from his demon slave identity, then Hua qianshu would naturally be able to do so as well. It would not be a problem for the other martial artists who had been infected by the demonic techniques!

Luanyu and Feng Yaoli's faces also revealed strange expressions. They didn't know that there was such a relationship between them.

Bo mu smiled, "didn't I just say it?" After you ambushed me, the contract between us naturally ended. But now, I can still give you this path, and that is to join the heavenly martial League and make a heart oath to follow li

Yunxiao."

"How is that possible?"

"I'm one of the most powerful beings in the Dragon Tribe," Qiu nu retorted. you want me to listen to a human man's orders and serve him at his beck and call? what's the point of me living like this?!

"Naturally," Bo mu replied, "then how about adding a time limit to this oath?"

Just five hundred years."

Yunxiao knew that Bo mu valued him because of the demonic tribulation and hoped to win over more forces, so he could not help but have a better impression of him.

“Not even five days!” Qiu said coldly.

Bo mu sighed and shook his head, “since that’s the case, there’s nothing to discuss.” You two can continue.”

Qiu’s expression changed. If the ocean Emperor Palace and the heavenly martial Alliance were to stand by and watch, his only option would be to escape. Whether he could escape from Luanyu’s hands was another matter, but it would be difficult to retrieve his Dharmakaya.

“If there’s room for discussion, we can talk again,” he hurriedly said. “There’s nothing to discuss,” replied Bo mu, “I won’t change my conditions.”

“I can serve him for 500 years, but I have to add another condition,” said the prisoner. That is to kill Luanyu for me. The moment he is killed, I will begin to serve him. ”

“Unfilial son, you’re looking for death!”

Luanyu angrily rebuked and said loudly, “ I am a true dragon of the world. The meaning of my existence is to protect this world. I naturally can not shirk the responsibility of the demonic tribulation! Lord Bo mu, there’s no need to speak any further with this unfilial son. After I kill him, we’ll discuss this in detail!”

After Luanyu finished speaking, he turned around and attacked.

“BOOM!”

The space where the prison was standing exploded, and he retreated immediately.

The current situation was very clear. He had just taken over Leng Tong’s body. Although he could use it freely, it was impossible for him to win against Yuri, not to mention that his opponent still had the avatar of calamity fiend.

Thus, he could only keep dodging. If he wanted to escape, it would be extremely difficult for Luanyu to kill him.

How could Feng Yaoli not understand the situation? his expression turned even uglier. Even if Luanyu killed Qiu, it would be of no benefit to him.

He had once been fooled by Yunxiao and accidentally made a heart oath that he would never attack Duanmu Youyu again. That was why he had formed an alliance with Luanyu, trying to snatch the nine luminaries star staff from Duanmu Youyu through Luanyu.

The ruling plume also required Duanmu Youyu's divination abilities, and the two hit it off.

He didn't expect the situation to be so passive. He couldn't advance nor retreat.

"Rou Wei,"

At this moment, the ocean emperor's palace that Poron was protecting finally couldn't withstand the pressure and turned into dust.

The scene in the dark room appeared. In the dim space, the seven Star Lamp was lit on the array, and the bean-sized light trembled slightly.

A magnificent bed was placed on it, full of fresh flowers.

Polong was shocked, and carefully retracted the barrier, afraid that the shockwaves from the battle between Yuri and Qiu would spread over.

Yunxiao's heart stirred as he stepped forward and said, "Lord Poseidon, I have a pill here that might be able to save mother water immortal.

"Eh? What pill?" what's wrong?" Poron asked, stunned.

He no longer had any hope of saving his wife. He was once a top expert in the realm of heavenly martial arts, and he had obtained all kinds of treasures in the world, but they had not worked.

it's the heavenly fortune pill. Yunxiao took out a Jade box and said, " it's the heavenly fortune pill.

"What?"

what? " polong was taken aback, as if he could not believe it. He looked at the jade box in Yunxiao's hand.

The rich pill power could be felt through the box, causing his heart to surge with emotion. His old face actually trembled.

The water deity had also woken up long ago. She was equally excited as she prayed with her hands in front of her, " big brother Yunxiao, can this elixir really save my mother? " it's better to try than not, " Yunxiao said with a smile. if this pill doesn't work, we'll be in real trouble.

Gu Qingqing shifted her eyes from the battlefield and gave Yunxiao a resentful look.

Bo mu also raised his eyes and nodded, "Not only is this pill the most likely to save Rou Wei, but it's also the only one in the world. The tens of thousands of materials used to refine it were basically extinct. Unless the rules of the ten directions returned to heaven and earth and nurtured for tens of thousands of years, there might be a chance to recreate this pill. You won't be able to find a second one in tens of thousands of years."

Polong was so excited that he couldn't control himself. Two lines of tears flowed down his face as he said in a trembling voice, "Thank you, thank you!"

Other than that, he didn't know what else to say to express his inner feelings.

I was going to take it out after the battle, " Yunxiao said. but now it seems that this father and son are no longer a threat. With all of us protecting him, he should be fine."

While trembling, polong took the pill from Yunxiao's hand, removed the barrier, and flew down. After calming his mind, he took out the heavenly fortune pill.

Suddenly, a golden and silver light spread out. It contained countless colors and flickered in his eyes. It was as if he was dragging an entire world in his hand.

Polong's arm trembled. He was afraid that the spiritual energy would spread, so he quickly placed the pill in Rou Wei's mouth.

The light immediately spread out from her mouth and turned into a cloud that covered Rou Wei's body.

"I'm back! Polong was so excited that he couldn't control himself. He seemed to have a kind of determination in his heart, that he would definitely be able to save his wife this time.

His aged fingers slid across his wife's face, and tears fell. He said in a trembling voice, "Rou Wei, we'll be able to meet again soon. I won't let you leave me again."

The water deity was also touched and stood at the side, wiping her tears.

Duanmu Cang sighed, "lady Rou Wei sacrificed herself to the heavens to predict the future. It's truly admirable." I hope that the heavens will open their eyes and let her wake up."

The water deity clasped her hands together and prayed, "you will definitely get it."

don't worry," Yunxiao said. I believe it will be a happy reunion. He looked at the battlefield and said coldly, "this weird father and son duo is quarreling too.

Why don't we do something and send them in the West?"

Feini laughed, "my husband is so domineering." This is the true dragon father and son that have dominated the past and the present."

What do you mean, my Lord?" Yunxiao looked at Bo mu and asked.

This was the territory of the ocean emperor's palace, after all, and Bo mu and Qiu were old friends, so he had to respect his opinion.

Bo mu let out a long sigh and said, "Al, I'm also an unparalleled expert, but I didn't think I'd end up like this." If he's willing to assist you in resisting the demonic tribulation, I'm willing to return my avatar to him." it's a pity that he refused," Yunxiao said with a smile. as for the Dharmakaya Suan ni ...

He licked his lips and chuckled, "I have a few friends who lack physical bodies, and I can temporarily accommodate them."

"It's up to you then," Bo mu nodded.

After getting the answer, Yunxiao ordered, "These two insects are too noisy, kill them all! If anyone dares to stop us, kill them without hesitation!" The last sentence was obviously directed at Feng Yaoli.

Feng Yaoli looked down and happened to meet Yunxiao's eyes. He felt a slight chill in his heart, so he grunted and said nothing.

After obtaining Huo Dou's remnant soul, he now had a complete Huo Dou's true body.

Although his strength had increased significantly, it was not to the point where he could fight against so many experts from the heavenly martial Union.

Luanyu was currently chasing after Qiu Sha, but when he saw the heavenly martial Alliance's people surrounding him, he immediately stopped his pursuit and angrily said, "Li Yunxiao, do you really want to be my mortal enemy?"

Your Excellency," Yunxiao laughed. when did you say that we were not mortal enemies?"

"Good, good! Don't you regret it!"

Luanyu was furious, but he was helpless. He could only give up on chasing the prisoner and retreat.

Pan Yi and Gu Qing Qing both rushed towards Qiu and da nu. The latter was also shocked and did not dare to resist the heavenly martial League.

“Bo mu, have you really forgotten our past relationship?” Qiu Jing asked. If it weren’t for my help, you would still be a servant, and the Bo family wouldn’t be at its peak today!”

Bo mu sighed, then shook his head slightly. He closed his eyes, sat down on the Lotus seat, and began to meditate.

Feng Yaoli’s eyes turned cold. “Luanyu, where are your reinforcements? If they still don’t come, I think we should retreat..”
