

## **The Eternal 2131**

### Chapter 2131: A battle to the death (6)

As soon as this man appeared, it was obvious that he was a Dragon. His hands were covered with sharp dragon scales.

However, his expression was a little dull, and his eyes had spirit but no spiritual light. He turned his eyes and looked at the ruling plume, and killing intent immediately shot out from his eyes.

Yunxiao was shocked. He was sure that this body was Qiu's dharma body, but who was inside it?

As if sensing Yunxiao's gaze, Qiu Wei turned her head and glanced at him. There was a look of surprise in her eyes, as if she was thinking about something.

"Don't tell me it's Qianqian?"

Yunxiao carefully scanned the prisoner with his divine sense and found that his soul power was extremely weak. He immediately understood.

Demon Lord PU Yuan was a little angry because the pair of eyes in the sky had shifted their gaze away from him and looked into the distance.

It made him feel like he was being looked down on. Just as he was about to raise his saber and slash at it, he was suddenly stunned. His gaze was attracted by the prison Dharmakaya.

He even revealed a playful smile on his face and said, " tsk, tsk. He actually found this magical body. Is this considered a kind of success? "

Luanyu was also bewildered, his heart wildly shaking. He said angrily, " "Unfilial son! You really didn't die?"

Even though his eyes were unfocused, his aura and hatred were unmistakable.

Qiu also stared at him, the killing intent in his eyes continued to gather, only increasing.

Luanyu's pupils contracted. I understand now. Your soul has already split into tens of thousands. It's just that one of the tens of thousands of souls has unintentionally found a physical body. That's why your memories are also severely damaged. Even so, you still haven't forgotten your hatred for your father?"

He pointed at Yunxiao and said, " "Don't you forget, this is the real person who killed you!"

"Nonsense!"

Lord Qiu, " Yunxiao scolded angrily, " we are comrades who fought side by side! This person who pointed at a deer as a horse is the one you've always wanted to kill. Don't forget your own heart, just follow your own heart!"

Luanyu's chest almost exploded from anger. He cursed in anger, li Yunxiao, do you still have any shame?  
"

"Inner heart Suan ni"

Qiu muttered to himself, his eyes immediately bursting with boundless killing intent as he raised his hand to strike at the ruling plume!

Shi long had been on alert the whole time. He suddenly raised his head, and with a dragon roar that shook the nine Heavens, he charged towards the prison!

"Bang!"

The two of them were Dragon children and had creation realm bodies. Under the impact, the heavens and earth cracked, and a terrifying power spread out, turning into squalls that scattered.

Yunxiao was both surprised and overjoyed. He was overjoyed that he had gained a helper for no reason, and surprised that the power of a creation realm expert was so terrifying!

Luanyu was about to go crazy from anger as he loudly said, " "My beloved son, my third son, I am your Royal father. How can you raise your blade against me?

That li Yunxiao is our common enemy."

He had a righteous look on his face, and his eyes were full of kindness and fatherly love.

"Father, kill, kill, kill, kill, kill, kill, kill, kill, kill!" kill! Qiu mumbled in confusion. Then, his killing intent grew stronger. All his doubts were wiped away, leaving only a firm killing intent!

"BOOM!"

The two Dragon children fought in the sky, causing the sky to collapse and the earth to crack. Their Dragon might surged in all directions.

However, Shi long had always been in his dragon form. Although he was powerful, he was not flexible enough.

Although Qiu was in human form, his consciousness was blurry. He was fighting purely with killing intent and instinct, but it was all a head-on battle.

"Hahaha! "

Yunxiao could not help but laugh wildly. luanyu, what immoral thing have you done? your own son actually wants to kill you so much. Even when his soul has split into tens of thousands and his memory is lost, he still doesn't forget to kill you!

Luanyu's face was ashen. Clearly, he was extremely angry.

He suddenly noticed the eyes in the sky and was shocked. He turned around and cupped his fists, "Lord nine abyss, please help!"

Yunxiao was taken aback as well, and he looked into the pair of deep eyes with a serious expression.

His eyes were as calm as an ancient well, just like the stars in the sky. They had been there for hundreds of millions of years, staring at the earth. After the passage of time, there were no emotions or twists.

Yunxiao was shocked as he looked up at the endless sky worriedly, wondering how Gu Qingqing and the other six were doing.

The fierce battle had never stopped, and the Lord of the Abyss was watching the show so leisurely. The situation was probably not good.

The pair of eyes gradually grew fainter and slowly disappeared into the sky.

Then, a thin figure appeared in the space where kuwako was. It looked like a young man wearing a black cloak and looked at the crowd quietly.

That gaze was exactly the same as the eyes from before, completely different from the young boy's tender face.

"Lord nine abyss, help me slay the demon!" Luanyu said with a serious expression.

Yunxiao almost vomited blood as he scolded angrily, "You scum! Who's the demon and who's the devil? don't try to bewitch people here!"

Jiu Yuan looked around quietly and said, " he is the master of the divine realm tablet. Why did you kill him? "

Luanyu's expression changed slightly, but he still said righteously, " Although he's the master of the divine realm tablet, he has gone astray and it's hard to turn back. Didn't you see him use his demonic

technique earlier? Even the demonic weapon of the six paths can be moved, and this demon master was released by him!”

There was no change on Jiu Yuan’s face. His face was like a pair of eyes, as if it had not changed for hundreds of millions of years.

Lord Jiu Yuan, ” Yunxiao hurriedly said, ” don’t listen to his nonsense. This person even wanted to kill his own son. It could be seen how low his character was. Your Excellency is a peak expert of a world, you should abide by the righteous path and kill the demon Dragon!”

Although Jiu Yuan and Luanyu only had a short conversation, he could hear a lot of content.

There were at least two points, one was that Jiu Yuan wasn’t a bad person, otherwise, someone like Luanyu would never talk about the righteous path with him, and would most likely talk about benefits like Feng Yaoli. Second, Jiu Yuan did not want to go against the master of the divine realm tablet.

Although the demon Lord PU looked disdainful, he was also quite surprised.

Since when did the realm of heavenly martial arts have such a powerful figure?

At the very least, when all the powerhouses in the world besieged him a hundred thousand years ago, he did not have any impression of this person.

He couldn’t help but feel a little sad, sighing at the vastness of the world. He had underestimated the people of the world back then.

“Li Yunxiao!”

Luanyu angrily rebuked, “do you think Lord nine abyss is blind?” You just used a demonic technique and even activated the six paths demonic weapon. What’s the difference between you and the demonic Lord?”

no! Yunxiao retorted, " how can cultivation techniques and weapons be good or evil? Even if you were a true dragon of the world, as long as you were evil, you would still become an evil demon that the world would not tolerate. Otherwise, why would the heavens and earth begin to give birth to a new generation of true dragons when you, a true dragon, were still around? It's because heaven and earth can no longer tolerate you!"

Luanyu flew into a rage, and the Dragon scales on his body opened up in anger. These words touched his mind and soft spot.

Ever since he was severely injured, he had been trying to find a way to maintain his cultivation level. However, in the end, he had the five decays of heaven and man and had to accept his fate of gradually declining, causing his cultivation level to drop.

He thought of all sorts of ways to survive, including snatching the Dragon essence of a few Blessed Realm sons. At one point, he was betrayed by his friends and family.

However, he had managed to survive until now through various means.

A hundred thousand years ago, he began to truly feel panic and vaguely sensed the fate of the birth of the next generation of true dragons.

There could only be one true dragon in the realm of heavenly martial arts. The birth of a new true dragon would inevitably be accompanied by the death of the older generation. It was impossible for two generations to exist at the same time.

Even though he had enemies all over the world for countless years, he had never felt such fear.

Because the birth of a true dragon was the will of the heavens, which meant that it was the heavens who wanted him dead!

"Shut up! Since I'm a true dragon, I represent the rules of heaven and earth. My will is the will of heaven!"

Luanyu flew into a rage, and his eyes gleamed with killing intent as he stared at Yunxiao and said coldly, "What new generation of true dragon? It's impossible for such a thing to happen!" so what if you don't?" Yunxiao sneered. what are you panicking for? '

"I'm not panicking!"

Luanvu's anger could not be contained, and he even somewhat lost his sense of propriety.

"Okay, okay, okay. You're not panicking. I'm panicking, okay?"

Yunxiao said slowly, "I remember that in the eternal world, the hundredth wheel Yui gave me a space-time coordinate. I thought there were beautiful women there, but it seems that is not the case. I was overjoyed for nothing.

"What?"

Luanyu's entire body trembled, and he was practically trembling. what coordinates? Quickly tell me!"

He had completely lost his composure and looked extremely fierce. He wanted to pounce on her.

Duanmu you Yu was also extremely shocked, and said, "Young master Yun, you've also met senior Baishu Yui? "

Yunxiao nodded and said, "not only did he teach me the true primordial mantra, but he also imprinted an inexplicable space-time coordinate in my mind. Alas, I can't forget it even if I wanted to. I thought it was something good.

As if to prove it, he made a hand seal with one hand, and nine Maha ancient characters appeared on his fingertips. Rings of golden light spread out.

"The true primordial secret art!"

Luanyu cried out in surprise, and was immediately convinced. Her eyes, which were fixed on Yunxiao, turned extremely sharp.

His heart kept sinking, because Yunxiao was the most difficult opponent he had ever met. He was the best in both strength and wisdom, and what was more terrifying was that he was the master of the divine realm tablet, following the will of heaven.

Luanyu kept telling himself in his heart, don't panic! Don't panic! There must be a way!

Apart from the intense battle between the two Dragon sons in the sky, the place where the four of them stood was strangely quiet.

Jiu Yuan suddenly said, " I don't know who's right and who's wrong, but it's true that the demon master is right in front of us. No matter what grudges you have, one is a real Dragon, and the other is the divine realm tablet master. We should work together to eliminate the demon.

Yunxiao was overjoyed. Although Jiu Yuan was not famous and did not look like the kind type, he did not expect him to be a righteous man with a righteous heart.

"Your Excellency is right!"

I hope you can help me, my Lord," Yunxiao immediately cupped his fists and said. we can suppress the devil together.

Luanyu's expression kept changing, but he didn't say anything.

What did the demon Lord have to do with him? all he wanted to do now was to retrieve the coordinates from Yunxiao's mind, then kill the true dragon before it was born, seize the good fortune of heaven and earth from him, and return to the realm King!

"Haha, after watching the show for so long, is it finally time to move your muscles and bones?"

Demon master PU sneered and looked at the few of them coldly..

#### Chapter 2132: A battle to the death (7)

Jiu Yuan looked at Demon Lord PU and said without any expression, " "You're just a clone, not your true body. There's not much point in killing you. But since it's a demon, there's a reason to get rid of it. "

The demonic Lord's brows furrowed with anger as he laughed evilly, "Haha, what, are you looking down on this clone?"

Jiu Yuan didn't say a word. He formed a seal with one hand and placed it in front of him, softly chanting a secret technique.

The wind and clouds in the sky changed color, and a mass of black light began to spin, covering a thousand miles.

The entire time and space seemed to freeze in an instant, turning into his back.

In the sky, the deep-sea Giant beasts seemed to have sensed something and disappeared one by one.

The firmament, which had been in a fierce battle just now, suddenly became unusually peaceful.

Demon Lord PU crossed his arms in front of his chest and watched his actions coldly.

Jiu Yuan didn't make a move. He only used a secret technique to summon the giant abyssal beasts back, and the sky returned to normal.

Yunxiao, on the other hand, was overjoyed. This proved that Jiu Yuan's attitude was no longer his enemy.

On the contrary, Luanyu's expression was even more unsightly. Without Jiu Yuan's help, it would be difficult for him to gain an advantage.

In the sky, Gu Qingqing and the others, who were fighting, had long been exhausted. Seeing their opponents disappear one by one, they all felt that something was wrong.

"Why did they all disappear? Did something happen down there?"

"I've always had a strange feeling that these giant beasts don't seem to want to kill us. They just want to trap us here." "What? Do you feel the same way?"

"You too?"

The six of them looked at each other and frowned, "don't worry about it. Let's go down and have a look. I wonder how Yunxiao is doing."

The six of them immediately turned into light and flew down from the nine Heavens.

Yunxiao immediately sensed the presence of the six people. Although their auras were extremely weak, they were not injured or killed. He breathed a sigh of relief and gave Jiu Yuan a grateful look. "Thank you for your mercy, Lord Nine Abysses."

Luanyu's expression also changed greatly. He glared at Jiu Yuan and began to doubt him.

But even so, he was helpless. If he attacked Jiu Yuan at this moment, he would be courting death.

Jiu Yuan was still standing in the sky expressionlessly, as if he had not seen the attitude of the two.

"Alliance Master Yun."

Gu Qingqing, the Liao brothers, and the others landed beside Yunxiao. When they saw the situation, they were taken aback.

Not to mention Luanyu, Nine Abyss, and the Demon Lord were all unfathomable, and Qiu and Shi were even more earth-shaking, and it was difficult to tell who was stronger.

“Lord Bo mu has joined the devil?” Gu Qingqing asked in surprise.

Yunxiao nodded and said, “Be careful, everyone. He has been possessed by the devil Lord. He is no longer himself.”

Demon Lord PU?!

The six people were all shocked. Gu Qingqing said in surprise, “What’s going on with this Yingluo?”

Yunxiao knew that it would be difficult to explain for the time being, so he decided not to. “I finally understand why Lord Bo mu didn’t dare to make a move this entire time. It turns out that the demonic Qi in his body hasn’t been completely expelled, and has only been suppressed. If I use my true Qi, I’ll be forced out by your backlash.”

“You’re my slave, after all,” PU nodded and said with a smile, “How can you break free so easily?” Unless he suppresses his power to a certain extent for all eternity, I’ll definitely be alerted if he exceeds that limit. I can then directly descend into this body and possess it.

Yunxiao’s heart sank. If even Bo mu, who was cultivating the Sun Incantation, could not completely get rid of the demonic barrier, did that mean that Hua Qianshu would be under Di Jia’s control forever?

“Does being a demonic servant mean that I will never have freedom?” He asked.

“Of course not,” the Demon Lord chuckled, “There are still many ways. For example, I’m willing to cancel the master-servant contract. This is the simplest, but in a sense, it’s also the most difficult.”

your true self is still in Tianshui of the southern region, " Yunxiao said. I'm afraid you'll be free soon, right? "

"That's right," the demon master said," even if it doesn't descend upon Bo mu, the formation spirit won't be able to suppress me for long. What, you want to save Bo mu?" A mocking smile appeared in his eyes.

Yunxiao nodded and said earnestly, " "I hope you can let Bo mu off. He hasn't used any devilish arts in the past hundred thousand years, so it's clear that he doesn't want to become a devil."

"Hahaha, as my slave, how can I let him do as he wishes?"

The demon Lord PU's face was frosty as he said, " "Moreover, this traitor has opposed me time and time again. Could it be that he used the power of a secret technique to suppress the devil essence? I could have come out of the thirty-three heavens tens of thousands of years ago. Why did I need to do this? This traitor must die!"

I've heard that the demon masters were divided into good and evil, " Yunxiao said seriously. Lord PU, you should have a good side, but why are you still evil and vicious? "

"Ha? Good and evil?"

"How can there be pure good and pure evil in this world?" Just like the two extremes of yin and yang, everything had a counter to each other. If there was good, there would be evil. Good and evil bred different thoughts and produced different character traits, thus splitting me and the Emperor. However, even if they are split individuals, how can they not have opposing thoughts? how can they not co-exist between good and evil?"

He laughed and said," moreover, what is good?" What evil? It's just a thought from my heart."

Yunxiao cupped his fists and said,"I've learned a lot. However, this one still hopes that Milord will spare Bo mu." He begged again.

“Let him go? Hehe, can you give me a reason?”

“I’ll tell you something despairing,” Mo Pu sneered. “If I can’t beat you guys later, I’ll self-destruct this body. Hahaha!”

“You coward!”

Not only was Yunxiao completely at a loss, but the people from the heavenly martial Alliance and the sea Emperor Palace were also dumbfounded.

If he killed the demon, Bo Mu would die without a doubt!

Luanyu gloated at the side and laughed maliciously, “Li Yunxiao, between righteousness and friendship, which one will you choose?”

Jiu Yuan, who had been silent all this time, suddenly said, “He’s only a clone, so it doesn’t matter if I kill him or not. However, since this Bo Mu was a demonic servant, he would be a slave for life. Even if he didn’t kill him now, he would be killed sooner or later. Unless he dispels the demonic sense and suppresses his cultivation to the true immortal realm, he won’t be able to escape.” “It’s not difficult to suppress my cultivation base,” Yunxiao said in a hurry.

“Lord Nine Abyss, do you have a way to expel the demonic thoughts?”

“I’ll try,” Jiu Yuan said. “He has the incomplete Maha Ancient God tactic, so there should be hope.”

Mo Pu immediately became alert. He clenched his five fingers and Aghan’s bone cleaver appeared in his hand. He said warily, “Who do you think you are, how dare you say you want to expel me?”

“You’re right,” Jiu Yuan said. “Good and evil are only a thought. A thought can create all Dharma, and a thought can destroy all Dharma. He raised his hand, and a golden light flickered on his fingertips. Then, he pointed.

In a flash, he appeared in front of mo PU.

“Dang!”

The finger touched the back of Aghan’s bone Cleaver, causing a ripple of light.

“What?”

MO PU’s body trembled. The power of his opponent’s finger had actually suppressed the power of the six paths demonic weapon, rendering him unable to move.

The rest of the people were all shocked.

On Jiu Yuan’s fingertips, the golden light was like words. They turned into ancient Maha characters that disappeared on aganda’s body.

The Maha ancient God tactic was the ultimate understanding of the rules of the heavenly martial arts realm, and each word represented a rule.

“This is Yingluo?”

Yunxiao’s eyes were filled with doubt. What Jiu Yuan condensed at his fingertips was indeed the ancient Maha character, but it was not any of the four divine arts.

While mo PU was being suppressed, a golden light flashed between his brows, and the same words appeared.

The shadow of Bo MU’s soul seemed to be faintly visible, sitting cross-legged on his forehead and constantly making hand seals.

The light from the true sun Mantra immediately began to shine brightly. Starting from the center of Bo MU's forehead, a golden light spread out and swept down, sweeping away the demonic Qi around him.

"So strong!"

Yunxiao and the others were all shocked as they looked at Jiu Yuan in horror. "Incomplete deity technique!" Polong was both surprised and delighted.

what's an incomplete Divine Art?" Yunxiao asked hurriedly. what's an incomplete Divine Art?"

the Maha ancient God's tactic is no longer in existence. Many experts have searched for it and studied it for countless years. There are many incomplete chapters. The so-called four great Shen methodology was the most self-contained system and the closest to the original Shen methodology. Although the divine power that Sir nine abyss is using now is not one of the four great divine arts, it must be an incomplete Divine Art."

Yunxiao immediately understood. He fixed his eyes on the characters at Jiu Yuan's fingertips. He knew almost every character, but when they were combined, they produced different rules and myriad changes, which were indeed completely different from the four divine arts.

MO PU held the agama and stared at Jiu Yuan coldly for a while before saying,

"You are very strong."

Jiu Yuan's expression did not change, like an unmoving mountain.

"This time, we'll just treat it as Bo mu escaping this calamity. Once my true body comes out of the seal, I'll take your lives," mo PU said.

With that, the agama instantly turned into smoke and disappeared. MO PU's expression also became calm, and the demonic Qi around his body gradually disappeared from Bo MU's body.

“Lord ancestor!”

Polong hurriedly stepped forward, supporting the unsteady Bo mu.

“I’m fine,” Bo mu said with a long sigh. He hurriedly steadied his body, bowed to Jiu Yuan, and said, “Thank you for saving me, Sir.” you’re not an evil person,” Jiu Yuan said expressionlessly. I’m naturally willing to save you.

After saying that, he seemed to have no intention of staying any longer and turned to leave.

“Jiuyuan, where are you going?” luanyu asked hurriedly.

go back to the abyss,” Jiu Yuan said. take care of yourself.

Luanyu was shocked, “wait!” If you leave now, these people will definitely kill me. ‘

alright. Jiu Yuan pondered for a moment and waved his hand. then you can leave with me.

A layer of black light covered Yuri’s body, and a loud rumbling sound came from in front of Jiu Yuan. Then, a huge vortex appeared, opening a passage.

Luanyu was shocked and hurriedly summoned Shi long.

Shi Long’s eyes brightened. He abandoned his prisoner and turned around to chase after the man.

“Are we just going to let zhuanyu go like this?” Liao Xingyuan said in a deep voice.

No. Yunxiao shook his head slightly and said, “ since Lord nine abyss is willing to take him away, let him be.

In fact, in their current state, Liao Xingyuan and the other five had exhausted their Zhen Yuan, so it would be difficult to keep Zhiyu and Shi long. The strength of the first Dragon was even stronger than that of the prisoner who had lost his soul..

Chapter 2133: spare no effort, do it after death

The prisoner roared and rushed over, but he was restrained by a force and couldn't enter the vortex.

“Hmph! Unfilial son!”

Luanyu snorted, not forgetting to curse.

After that, he glared at Yunxiao and followed Jiu Yuan with an unsightly expression, disappearing into the passage step by step.

Following that, the tunnel slowly closed up and the huge vortex disappeared.

“Roar!”

A beast-like roar came out of the prison's mouth, and then it looked up to the sky and let out a long roar. The angry Dragon's Roar shook the nine Heavens, causing the clouds to change and the world to tremble!

But after a few sounds, it stopped.

Qiudao stood in the sky in a daze. Having lost his target, he became a little confused. His long eyebrows twisted into a knot, and his appearance became somewhat dull.

After all, his soul was severely damaged. He did not know how much of his soul was left in his body, and his memory and intelligence were severely lacking.

“What should we do with this person?” Gu Qingqing asked.

Yunxiao licked his lips and chuckled, “this is a perfect creation stage physical body. Naturally, I can’t let it go.

With a wave of his hand, Liu Ding and Liu Jia, who were not far away, moved. The runes on their bodies lit up, and their entire bodies bloomed with light again, becoming full of spirit Qi.

Twelve rays of light flew up and surrounded the prisoner.

At the same time, Yunxiao stretched out his five fingers, and the primordial Gale whistled out and swept toward the prison.

Qiu punched out of instinct and the air exploded. The strong wind was also blown into pieces and dispersed.

A strong sense of oppression exuded from the prison law’s body. The six ding and six Jia were also suppressed to the point of creaking, and they slid back a few steps.

Yunxiao was shocked. Although the fierce battle between the prisoner and Shi was earth-shattering, it did not feel as simple as it seemed. Now that he was facing it, he realized that it was not as simple as it seemed.

It seemed like Qiu didn’t like being surrounded by the formation, or maybe it was his own evil aura that made him angry. With a Dragon’s Roar, five elements true Kang shot out from his palm and hit Liu Ding and Liu Jia’s bodies.

Liu Ding and Liu Jia were forced to retreat, and within the span of a few breaths, they had been pushed back for thousands of feet.

Yunxiao's face turned unsightly, as if he had realized the difficulty.

"Even though his soul is incomplete," Bo mu continued, "it is indeed a trapped soul, and can completely control his physical body. It will be extremely difficult to capture him. Why don't we leave this place first and recuperate before coming back to take him?"

Yunxiao found it a little difficult to make a decision. "I'm just afraid that once we leave, we won't be able to find him again."

Gu Qing Qing laughed and said, "you're just worried." Have you ever thought that it's easy to find a dharma body in the perfect creation realm in the heavenly martial arts realm? So there's no need to worry at all. Moreover, there aren't many people in the world who have the strength to subdue him."

Liao Xingyuan also nodded. the heavenly martial Union, mysterious separation Island, dragon clan, and the Lord of the Abyss. Only these four forces can take down this avatar.

"This Dharmakaya won't be able to leave the four Seas in the short term," polong said. "I'll send someone to keep an eye on him. Once everyone has recovered their strength, we'll go capture them."

I don't think ordinary people can keep an eye on him," Yunxiao said. I'm afraid that's not possible.

He shot out a golden rune that was imprinted on the crocodile's forehead. It disappeared in a flash and said, "You're in charge of following this avatar."

The crocodile's body shook slightly, then it turned into a gust of wind and disappeared into the air.

"Let's go," Yunxiao said, relieved.

The prisoner stood in the sky with a twisted expression on his face, as if he was trying to recall his memories.

"He's lost too many memories," Bo mu sighed and shook his head.

With a point in the air, the Lotus platform flew up and absorbed everyone in it. It turned into a Golden Lotus and flew into the distance.

Qiuzhi stared at the lotus flower in a daze, and after some thought, he followed.

Every step he took covered the distance between heaven and earth, and every step he took shrunk the distance into an inch. He actually didn't lose him.

"He's caught up!"

Gu Qingqing shouted in surprise on the Lotus platform.

The prisoner seemed to have set his mind on the FA Hua Lotus platform, but he didn't want to do anything to them.

It was just that he was particularly lost right now. He had a familiar yet strange feeling towards all things in the world, and the people on the Lotus seat of the Buddha made him feel that he had some impression, even a sense of familiarity. He hoped that he could find his own memories.

it's a pity that he's too far away from Yanwu, " Yunxiao said with a frown. otherwise, we could have led him all the way there, and it would have saved us a lot of trouble.

Gu Qing Qing laughed, "you're so bad!" If we really go to Yanwu, I'm afraid we'll cause earth-shattering trouble, and the entire city might be destroyed." "Lord Bomu, do you have any way to get rid of him?" Yunxiao asked.

Bo mu nodded,"although his physical body is powerful, it's limited by the power of his soul, so his divine sense is bound to be limited. I'll hide the Lotus seat in the void and he won't be able to detect me. '

it's feasible, " Yunxiao praised. it's a good idea.

Bo mu immediately formed hand seals with both hands, continuously sending divine seals into the Lotus throne. The Lotus throne instantly became transparent, gradually disappearing into the void.

Sure enough, after a while, they lost him.

After the Lotus seat disappeared, Qiu was stunned for a moment before he stood in the sky in a daze. He was filled with confusion and even seemed to be at a loss.

Several hours later, in the ocean tens of thousands of miles away, a golden light suddenly bloomed.

The Lotus seat appeared from the void and floated on the surface of the sea.

The Lotus platform was seven or eight mu in size, and more than ten people sat in different positions on it, quietly healing their injuries.

Tiny runes were constantly flashing on the petals, absorbing the spiritual Qi from the surroundings and sending it into their bodies.

The surroundings were very quiet, without any sound, only the light waves of the ocean slowly beating below.

The sky was high and the sea was wide, the scenery was pleasant.

Yunxiao's body also began to slowly recover from being a fat man, and the medicinal effects of the two tenth-grade divine pills were finally dissolved.

Right now, his power was like a surging River that came in an endless stream. It was on a completely different level from when he had been at the divine sovereign justice realm.

Furthermore, after stepping into the void, he felt a feeling that he had never felt before clearly appear in his spiritual sense.

The surrounding air flow, the sun's rays, and even the fishes and shrimps swimming in the deep sea- every natural phenomenon contained energy and rules.

This feeling made him even closer to the heavenly Dao.

The incomplete Divine Art of the Maha ancient scripture that Jiu Yuan had displayed appeared in his mind, and then corresponded with the four divine arts in his heart. He suddenly had a few more understandings.

He had also comprehended many of the previously obscure and difficult characters.

For a moment, he was struck with a sudden inspiration and began to unconsciously display all kinds of divine arts.

First, it was the great expansion divine technique in his subconsciousness, followed by the true primordial technique, then the true sun technique, and finally the great realm divine technique.

In the end, all the incantation seals gathered on the great realm divine technique. A dense white light flashed between his eyebrows, and the divine realm tablet flew up directly, turning into a glazed Jade tablet and floating in the sky.

“Weng Weng Weng Weng”

The Lotus seat trembled slightly, as if it was resisting.

Bo mu gave a faint smile, and with a single hand, he performed a few hand seals. Only then did the trembling sound return to normal.

This phenomenon immediately attracted everyone's attention. They all looked over at the Supreme Saint artifact of this world with reverence.

The divine realm tablet was shining brightly in the sky. It was transparent, and as the great realm divine technique was used, it had a myriad of expressions and was extremely gorgeous.

The great Yan and the great primordial Divine Art were forcefully injected into his mind by others, and he continuously absorbed and comprehended them like nutrients. He didn't master much of the sun true secret art either.

Only the great realm divine technique was comprehended and cultivated by himself word by word, and the degree of comprehension was above the other three divine techniques.

After all the incantations were performed, the entire Jade tablet suddenly burst into a brilliant luster, as if an ancient sound was trembling from it and passing into Yunxiao's mind, trying to resonate with him.

Yunxiao was taken aback. He had never had such a feeling before, so he immediately calmed down. He made hand seals with one hand and began to try to communicate with the divine realm tablet.

But unfortunately, after several hours, he still didn't find the key.

It was like two waves of different frequencies were surging, but they couldn't merge. There was only a single echo of the ancient sound in his mind, but he didn't know what it meant.

"Is it because the tablet spirit is missing that I can't communicate with the heavenly Saint artifact no matter how hard I try?"

Yunxiao could not help but feel a little dejected. He sighed and put the divine realm tablet away.

At this moment, the others had also recovered a lot of their strength. If they wanted to fully recover to their peak, they had to return to Yanwu to meditate in seclusion.

Bomu looked at Yunxiao curiously and said, "Alliance master Yun, why are you so troubled and sighing?"

It suddenly occurred to Yunxiao that the Lotus seat was refined by Bo mu himself, so his understanding of Saint artifacts must be far above others. He immediately voiced out the confusion in his heart.

“The tablet spirit is missing?”

Bo mu was somewhat surprised, but he soon fell into deep thought. “An ordinary Saint artifact might not have an Artifact Spirit. This was because Saint artifacts were far superior to ninth tier profound artifacts, and they were spiritual existences. Some sacred weapons had weapon spirits, but they were only for the convenience of the world in the manager. They were not very helpful in battle. But this divine realm tablet is a sacred object of a realm, and it’s far beyond my understanding.”

Yunxiao was even more depressed when he heard that.

Seeing his dejected look, Bo mu laughed, “Alliance master Yun, don’t worry. You’re the master of the divine realm tablet, the one chosen by the heavens. If this holy weapon really has a spirit, you’ll meet it sooner or later.”

yes,” Yunxiao nodded and said, “I think so too. However, with the emergence of powerful cultivators, cracks kept appearing between the two realms, and all kinds of powerful demons were restless around the cracks. I’m afraid that I’ll disappoint everyone’s expectations of me.”

Bo mu laughed, “so that’s the reason.” Alliance master Yun was loyal and courageous. He really admired him. However, some things couldn’t be rushed. When the opportunity came, everything would naturally come to light. And regarding the matter of sealing the devil, even among the many powerhouses in the past, who dared to say that they were confident? It’s nothing more than eight words-spare no effort, and only after death.” spare no effort and spare no effort. Well said!

Yunxiao praised, then said, “We can only do this now. We’ll do our best and leave it to fate..”

Chapter 2134: summon

Bo mu smiled and called out, “bo long.”

Poron, who was listening to their teachings, quickly replied, ” “Lord ancestor.”

Yunxiao, ” Bo mu said. teach him the complete sun incantation.

“Yes, sir!” Polong replied.

Even if Bo mu hadn’t mentioned this matter, he would still have had such thoughts, and he was also worried about how he would bring this up to his ancestor. Now that Bo mu had mentioned it, it was just what he wanted, so he readily agreed.

“Although I was the one who created this Lotus,” Bo mu said, “my cultivation is currently suppressed, and I’m no longer able to use its full power. That’s why I’m envious of water deity.” He called out.

The water deity seemed to be in a daze, her face somewhat blank. Only when she heard Bo mu call out to her did she come back to her senses, and hurriedly said, “I’m here, I’m here,”

“The ancestor is here, what is your heart doing?” polong rebuked. So unprofessional! ”

He raised his hand and knocked on the water deity’s head.”Shell, shell.” Two heavy knocks. The water deity cried out in pain and said, ” “I’m listening. He’s meditating to recover his elemental energy from the great battle just now.”

Polong swept his gaze over her body. Her profound Qi was full, and she did not look like she had used it up at all. He angrily said, you’re lying in front of our ancestors and everyone else. It seems that I’ve been too negligent in disciplining you. You’ve really learned the wrong things.

He stood up and raised his hand, ready to slap her.

“Don’t hit me,” Bo mu hurriedly laughed, “that child water fairy is right. She was indeed meditating just now. It was a bit abrupt for me to call her. ”

Seeing that the ancestor was speaking up for her, polong's anger dissipated. He sat down and shouted, "Hurry up and listen to your ancestor's teachings."

Water deity then sat up properly and mumbled, "Water deity will listen to your teachings."

"Hehe."

"No need to be so reserved," Bo mu laughed. Your talent for the divine Dao is far above your father's. Moreover, his comprehension of Amitabha was also very unique. This profound level weapon should have been passed on to you."

Lord ancestor, you can't do that! polong said in shock. if the Lotus throne is given to the water fairy, it would really be like covering her in dust!

Bo mu laughed, "actually, I'm no longer of this era." I can't help you anymore.

I've heard that passing it on to the water deity is the best ending for it. This Saint artifact originally had a Divine Art to control it, but because I haven't died and have always been residing in the Lotus platform, this Divine Art has never been passed down. That's why you've always only known about Saint artifacts, but not how to completely control them. Now, I'm going to teach this Divine Art to the water deity as well."

"Hurry up and thank Lord ancestor!" Said polong, overjoyed.

"Thank you, Lord ancestor."

Water deity pouted unwillingly and mumbled in private, "I've always been carrying this Golden Lotus flower with me. It's mine to begin with, so why is it being passed on to me now?" what nonsense are you talking about?! poron rebuked angrily.

The water deity was so scared that she didn't dare to speak anymore, but she looked too aggrieved.

Yunxiao smiled. water fairy, this lotus throne was refined by Lord Bo mu. With him teaching you the divine Art, your strength will be improved by several levels. You will be of great help when you follow me in the future.

“Really?”

The water deity was overjoyed and quickly said, “Then can I be as powerful as sister feini and sister Hongyan?”

Although the water deity was innocent, she still felt inferior in front of qu Hongyan, feini, and the other girls. After all, the other women all had their own strengths and could be Yunxiao’s indispensable helpers, while she had been of little help all this time.

The chemical Elementalist looked on quietly from the side, feeling extremely bitter.

He was the only one who knew that water deity had been cultivating ten times harder than before since she met Yunxiao.

However, it was a pity that on the path of Dao, in addition to talent and hard work, luck was also extremely important. Water fairy had been in the divine realm tablet all this time and did not have any luck at all. She had only relied on her talent and hard work to continue advancing.

He also knew what her motivation and simple purpose was. Although his heart was bitter, he was still happy for his Little Junior Sister.

“Of course,” Yunxiao said with a smile. Moreover, Hong Yan and Fei Ni don’t have any Saint weapons. If you can completely control the Lotus seat, your future achievements will definitely not be below theirs.”

The water deity was overjoyed. She bowed respectfully and said, “Great ancestor, please teach me the Lotus seat and the Shen methodology.”

Bo mu smiled, “quickly get up. You have an innate affinity with Amitabha.” “Moreover, I can feel the kind of affinity and tacit understanding that you have with poron. It’s extremely rare. In addition, my Shen methodology of controlling the Lotus platform was also comprehended from the true sun tactics. You should learn it very quickly.”

yes, yes. Water deity just hopes to become stronger quickly and catch up with sister feini and sister Hongyan.

Water deity clenched her fist and said firmly.

“There’s no time to waste, so let’s begin.”

The water immortal immediately sat cross-legged in front of Bo mu, and the two began to communicate with their spiritual sense.

Yunxiao smiled and suddenly remembered feini. She was still unconscious in the divine realm tablet at the moment, and seemed to have entered a self-protection state like a Heavenly Phoenix.

It was somewhat similar to the Nirvana from before.

Yunxiao could feel that feini’s body was full of energy and that she was not seriously injured, so he was relieved.

Furthermore, Phoenix light would occasionally appear where Fei Ni was sleeping. Some of them would even directly transform into a Phoenix and spiral around the area before disappearing.

This was because feini’s phoenix body was continuously absorbing the power of the heavenly Phoenix’s true tail feather while she was unconscious. She was self-repairing and improving, and even breaking through.

“Young master Yun, where are we going now?” Gu Qingqing suddenly asked.

we won't be able to find Yuri for a while," Yunxiao said thoughtfully. I wonder where the Lord of the Abyss lives?"

I know the entrance to the abyss," Polong said. I went in to explore it out of curiosity back then. It's boundless, and I don't know how many powerful things there are. However, because very few monsters came out of the abyss, it didn't have any effect on the four Seas, so I didn't care about it anymore. I didn't expect that there would be such a powerful and terrifying existence like Jiu

Yuan inside."

yes," Yunxiao nodded and said, "the heavenly martial realm is indeed not simple. There are hidden dragons and crouching tigers everywhere. We really underestimated the heroes of the world before." Everyone felt the same way and nodded.

"Young master Yun, are you going to the abyss?" asked Polong.

not for now," Yunxiao shook his head and said. not for now. Since the Lord of the Abyss has never been involved in worldly affairs, and he didn't even participate in the demon-sealing war 100,000 years ago, we shouldn't disturb him. The only thing worth rejoicing about was that this person could at least distinguish right from wrong and was concerned about the safety of the world. If we can't defeat the demons in the future, we'll personally go to the abyss and ask him to come out."

"That's good too," Polong nodded.

let's go back to Yanwu first," Yunxiao said. when we recover some of our strength, we'll mobilize some people to capture that prisoner's avatar.

If Lingmu Di could take control of the prison Dharmakaya, it would be a great joy for the entire heavenly martial Union. Furthermore, he had also cultivated his physical body. If he could have an avatar for reference and research, it would be of great benefit to his physical body cultivation.

Just as he was thinking, his body suddenly trembled, as if something was lingering in his mind, unable to be dismissed!

His heart was sinking like a huge rock. The feeling almost suffocated him.

The rest of the people also noticed his abnormality and said, "Alliance master Yun, what's wrong?"

Yunxiao's face was slightly pale as he gritted his teeth and said, "I'm fine," she said.

However, his eyes were filled with a monstrous killing intent that had never been seen before in the previous battles.

His right eye had turned into a bloody color, sticking out of the hole and occupying one-third of his face!

The rest of the people were shocked, "what's going on?!"

Yunxiao reached out to stop the people who were about to come forward and shouted, "I'm fine! Don't mind me!"

The group of people immediately stopped, but they were all on high alert.

In Yunxiao's right eye, the scene became blurry, as if it had crossed thousands of miles of time and space, and then it began to clear again.

"Hehe, you've reached the void realm. Tsk tsk, it's not easy.

On the other side, two lonely figures entered his eyes, causing his face to turn pale and his body to tremble.

Although ning keyue's face was calm as usual, she couldn't suppress the joy in her eyes. She said slowly, "I've been waiting for this moment. Li Yunxiao, come with me. "

Tian Si's lips were still curled up in a mocking smile, and his strength seemed to have increased significantly.

But even so, there was a hint of fear in his eyes when he looked at Yunxiao.

“Where are we going?”

Yunxiao hissed from tens of thousands of miles away.

Ning keyue smiled, and her clear eyes slowly turned red. She was so beautiful that she looked a little devilish. the illusion of the moon and the stars.

“Illusory realm of the stars and moon?” the land of demons?! Yunxiao was taken aback.

Ning keyue nodded and said, “it is the land of the monster race.”

Yunxiao suddenly recalled what the ultimate had said. Not only did he need to increase his strength, but his true spirit also needed to be ‘void’.

Although he didn’t know what the ultimate was up to, it couldn’t be anything good.

“Good! Star and moon illusion, wait for me!”

Yunxiao said hatefully, and an astonishing killing intent burst out of his body.

Years of hatred and anger turned into power at this moment. His two fists were clenched so tightly that even the air was burning. “Wait for you? I can’t wait any longer.”

Ning keyue smiled and said, “come with me now.”

She raised her hand and drew a seal in the air, which then disappeared in a flash.

At the same time, the clouds above the Lotus platform suddenly churned, and the sea shook with a “Hua Hua” sound. The world changed!

“What’s going on?”

Everyone on the Lotus platform was shocked.

Even Bo mu opened his eyes slightly. He had just finished teaching the water

immortal Divine Art. and he looked at the enormous passage in the sky that

covered a thousand li. He said in shock, “A world -crossing passage?”

Yunxiao’s face was cold as he nodded.

“Who summoned you?” Gu Qingqing was shocked. Yunxiao took a deep breath and then said, “Ultimate..”

Chapter 2135: illusory realm of stars and moon

“Ultimate?”

Aside from Bo mu, everyone else had blank looks on their faces.

“Could it be the woman who appeared in the battle of five Cloud Mountain?” Gu

Qingqing asked.

yes," Yunxiao nodded. that's her. She was my close friend, but the ultimate possessed her. The man beside her is also my close friend, and he's possessed by Tian si, a sinkhole follower."

The crowd was stunned, and they finally understood why Yunxiao was so angry.

Yunxiao gritted his teeth and said, " and my friend died to save me! Otherwise, I should be the puppet now! The two of them could have become a celestial couple!

Endless regret and hatred turned into sparkling light in her eyes. She couldn't help but feel like it was about to fall down, but she finally held it in.

"I see."

Liao Xingchen said seriously,"since this person has agreed to it, let's go." With our strength, I'm afraid no one in the world can defeat us other than the realm King."

Yunxiao took a deep breath and said, " "Then I'll have to trouble everyone to come with me. I'll deal with the matter of the sinkhole and Tian si on my own. If there are any other problems, I'll have to rely on you all to help me.

Gu Qingqing smiled,"don't worry." I'm not afraid of those monster race minions."

Mo's expression changed slightly, but he didn't say anything. He only snorted.

Moreover, a glimmer of light flashed in his eyes. If he hadn't been cultivating the Buddhist Demon Sacred art all this time, with his current strength, he could also return to the star-moon illusory realm to fight for the position of demon Emperor. It might be the right time to go back now.

"If that's the case, then let's make a trip to the Yao tribes. We'll come back to capture the prisoner's Dharmakaya after we're done with your business." "Please," Yunxiao cupped his fists and said.

Bo mu immediately made a hand seal, and the Lotus throne flew up. It opened its petals in the air, and then spun toward the passage.

The sky was filled with immense pressure, and the tremendous power of the void forcefully tore apart the laws.

Amitabha quickly turned into a golden light and disappeared into the dark endless passage.

Then, the terrifying power that filled the sky gradually dissipated.

The ocean slowly returned to its calm state, as if nothing had happened.

Somewhere in the realm of heavenly martial arts, the strong wind was blowing, and the void at the top was extremely cold.

Two figures followed him like shadows. The woman sat cross-legged in the air while the man carried a golden sDeer on his shoulders with both hands on it.

Suddenly, the woman slowly opened her eyes. Her bright red eyes were like two blood-stained peach blossoms.

Ning keyue stood up and said expressionlessly, " "We've already sent them to the border between the Eastern and Western regions. I don't know the exact location of the illusory realm of stars and moon, but it should be there." "Heh, then we'll let them search for a while."

The corners of Tian Si's lips curled up in a playful smile. "In the long river of time, I'm finally going to recover my peak strength. I'm truly surprised that Lord guixu is able to remain so calm."

Ning keyue turned her head slightly, and a faint smile appeared on her delicate face. She said, " "I've been through a lot, and I'm no longer interested in many things. Even if it's a backup plan I left behind back then, it's still quite boring to use now." yes, yes. Perhaps the current Sky is too weak, and my Lord can't find any passion? "

“Maybe. However, I’m quite surprised to see some old friends.”

Ning keyue’s eyes narrowed, as if she had thought of something interesting.

Tian si cupped his chin and pondered for a moment before saying, “Is it a true dragon? It had been so many years, but he was still alive. He really had some skills. However, he still can’t escape the five curses of heaven and man. ‘

Ning keyue raised her head and looked at the boundless void as if it was endless. She said profoundly, “Back then, the king of this world has fallen into such a sorry state. I don’t know if I should be happy or sad.”

“Naturally, I should be happy. Wasn’t he the one who injured Daren back then, causing Daren to be forced to leave behind a backup plan and enter a coma? Now, things have remained the same, but people have changed. If we meet again, Daren can take revenge for that year.” Tian si muttered. Ning keyue shook her head and said, “maybe.” Looking at his reptile-like appearance, I can’t even think about revenge.”

“Hahaha!”

Tian si laughed out loud without restraint. “Indeed, if the opponent is too weak, it won’t be interesting at all. However, that Jiu Yuan is really powerful. He might be a strong opponent for you, my Lord.”

Ning keyue said, “the abyssal clan will always live in the abyss of the realm. Unless the heavenly martial realm is destroyed, they won’t interfere in the world. I have no interest in the abyss or the land. When this matter is over, let’s go to the demon Realm to find that person.”

“What?”

Tian Si’s body trembled in shock. is that person still alive?!

Ning Kewei smiled and said, “Even Zhiyu and I are still alive, so how could that person die? And that person’s existence is the only joy I can feel.”

A look of disbelief appeared in Tian Si's eyes as she muttered, "But Yingluo, Yingluo!"

However, Ning Keyue had already gone far away. He was shocked and quickly caught up with her.

At the border of the Eastern and Western regions, it was a desolate place with few people.

All of a sudden, lightning flashed and Thunder rumbled in the sky. Dark clouds rolled and countless lightning bolts surged out of the void, shooting in all directions like lightning snakes.

"Boom boom boom!"

The earth was shattered by the lightning, and a Golden Lotus flew out from the surging darkness. It continued to grow in size in the violent weather, slowly and steadily floating down.

"BOOM!"

The moment the Golden Lotus landed on the ground, soil and rocks flew everywhere, and a deep pit was created.

More than ten rays of light flew out from it. The water deity cast a Divine Art and kept Amitabha in between her eyebrows.

"Is this the illusory realm of stars and moon?"

The crowd asked in confusion.

Although the place was not very barren, it was still a lot more barren compared to those spiritual mountains and treasured lands.

The decline of the demon race was pushed back to 3000 years ago, when Gu

Qingqing fought with the demon Emperor at that time, the ancestor of Yi Zhi.

It was after that war that the demon race began to decline and was constantly rejected by the human race. Finally, they migrated to the illusory realm of stars and moon, an independent space created by the demon race ancestors with divine arts.

The members of the heavenly martial Union were all experts of the past generations, far ahead of this era, so they didn't know about the illusory realm of moon and star.

Gu Qing Qing looked at the faint spirit Qi around her and sighed, "Back then, I only made a bet with the demon Emperor. Who knew that it would have such a far-reaching impact? In order to create void divine realm experts, the demon Emperor did not hesitate to turn his body into a pill. Was it right or wrong? It's hard to tell."

Yunxiao rolled his eyes at her. If gray demon knew the result of the bet, that the demons were driven to such a barren land, and that the blood pill he transformed into was taken away, I'm afraid he would never have made a bet with you.

"Hmph! You're so heartless!"

Gu Qingqing laughed and scolded, "I spent so much effort to get that blood pill, but it was still fed to your sweetheart!" She's so heartless, I'll make her spit it out and return it to me when we get back!"

The referee was watching and listening quietly at the side. His face remained calm, and no one knew what he was thinking.

stop it," Yunxiao said. everyone, be careful. We don't have to be too careful with our strength, but the demon sovereign is no ordinary person, especially since his host is the most mysterious true spirit since ancient times,'Wu'. We must be careful."

Everyone nodded in agreement.

Yunxiao looked around and said, " although the returning ruins have opened a domain-teleporting passage through the connection with my moon pupil, this place is only near the star and moon illusion. We still have to search more to find the specific location.

Gu Qingqing said, " that's a little difficult. There are no specific coordinates. How can we find a secret realm in such a large area? there are no abnormalities either.

"Leave this to me," Duanmu Youyu said with a smile.

how could I forget young master Yu, who doesn't ask for anything from others? ' Yunxiao laughed. there's nothing in this world that you don't know.

Duanmu Youyu smiled bitterly. He thought to himself, 'I'm a titled martial sovereign too. I'm a man of great talent and I'm well-versed in both the past and present. Yet, I've been reduced to being a guide.'

However, these people in front of him were all once powerful experts who had once ruled the world. Their level of awesomeness was far above his.

When he thought of this, he felt more at ease and began to use his Divine Art to deduce the location.

A moment later, the group of ten flew above a mountain range.

Looking down, although it wasn't a spiritual mountain, it was still rich in spiritual Qi. In this desolate and remote place, it was considered a good place.

that's right. Duanmu Youyu looked inside and said, " the illusory realm of stars and moon should be inside the valley.

Gu Qing Qing chuckled. it's easy now that we have the specific location. This

Valley is not big, and the spiritual energy is average. It's not a pity to destroy it. We'll just throw out a few big moves and blow up the valley. If the illusory realm of stars and moon is really inside, someone from the monster race will definitely come out."

Everyone frowned, obviously feeling that this was inappropriate. If this was really the case, it would be no different from destroying the other party's lair, and it would really be a situation where they would not rest until one of them died. no need to use your big move, " Yunxiao said. they've been frightened by your words.

As expected, a few figures rushed out of the valley and flew into the air. They shouted angrily, " 'Who dares to speak so arrogantly here?'"

There were a total of eight people, all ugly and furious.

All of them had weapons in their hands, and it was obvious that they had heard Gu Qing Qing's words. Eight pairs of eyes fell on her at the same time, full of killing intent.

Gu Qing Qing laughed,"I said that, but I was just joking." Now, I'm not going to joke with you. Go and inform the demon Emperor that my old friend, li

Yunxiao, the leader of the heavenly martial Alliance has come to see him." Li Yunxiao?!

The leader shouted in shock. He seemed to have heard some terrifying name and was so frightened that he sucked in a cold breath.

The other seven people's expressions were also ugly. Under fear, there was more anger and killing intent, as well as determination, as if they had a deep hatred that would not rest until they died!

who is li Yunxiao? "

The leader of the monster race clenched his teeth and shouted.

They didn't know who the heavenly martial Alliance's leader was, and they weren't interested in knowing. But, Yunxiao's name was like a thunderclap to the ears, and he was almost like a fiend..

Chapter 2136: why are you here?

Yunxiao was surprised for a moment, but then he realized that it must be because he and Bei chennan had killed too many demons in the battle of five Cloud Mountain with the cool and eternal spinning mayfly ball, which had left them with a very deep and extremely bad impression.

Yunxiao walked up and cupped his fists. I am Li Yunxiao. I have a request to see demon Emperor Huang. I'm definitely not here to make trouble. I hope you can help me pass the message.

When the eight monsters heard him announce his name, they couldn't help but take a few steps back, keeping a distance from this god of death.

The leader of the monsters gritted his teeth and said,"you actually dare to come to the illusory realm of stars and moon. You're really looking for death!" My close friend was killed by your poisonous lightning in the five Cloud

Mountain. I will kill you to avenge my friend!"

The demon was quite brave. Although he could feel that these people's auras were extraordinary, he still mustered his courage and rushed over.

With a flap of the wings on his back, he appeared in front of Yunxiao. With a loud cry, he formed a seal with both hands and smashed down.

Yunxiao did not know whether to laugh or cry at the demon's cultivation base, which was only at the martial honor realm.

He didn't know whether to attack or not, so he could only create a barrier in front of him to block the hand seal.

“BOOM! BOOM! BOOM!”

That person madly attacked more than ten times in a row, but they all shook the barrier, and there was almost no ripple.

The demon's expression changed drastically. He was so pale that not a single drop of blood could be seen.

Only then did he understand the vast difference between the two. The other party just didn't want to argue with him, otherwise, even a hundred of him with the same cultivation would have died.

He wasn't someone who didn't know what was good for him, so he withdrew his hand and said, “Good! Don't think that I'll forgive you just because you don't kill me. Since you dare to come to the illusory realm of stars and moon, I will make sure that you will not be able to return!”

“You guys stay here and watch them. Don't let them escape!” He turned around and shouted.

After saying that, he turned around and rushed into the valley, obviously to report the news.

The remaining seven demons formed a formation in the distance, surrounding the ten-odd people in the middle.

Even though he knew that there was a huge difference in strength, he had to fulfill his duty.

Yunxiao nodded to himself. Although the demons were somewhat brave and lacked strategy, they were all hot-blooded Warriors and worthy of admiration.

Soon, the monster flew back and said loudly, “ Lord Demon Emperor has ordered us to take Yunxiao and the others into the illusory realm of stars and moon!”

The seven demons immediately dropped their guard and stood to the side solemnly.

At this moment, the scenery within the valley began to change. A vast expanse of clouds began to rise, and a rainbow light began to appear within.

Soon, a rainbow appeared in front of the crowd, its front end leading straight into the valley.

However, everyone knew that this rainbow definitely didn't lead to these valleys, but directly into the secret realm in the valley-the illusory realm of star and moon.

"Let's go," Yunxiao said."

He immediately stepped on the Rainbow Bridge and moved forward.

This rainbow didn't look long, but after a cup of tea's worth of time, they gradually saw the end. On the other side of the illusion, there was a giant peak that overlooked the space of ten thousand miles.

Yunxiao scanned the place with his divine sense. The entire illusionary realm of stars and moon was not very magical, and it was even far inferior to the forest of the sea, but it was still a world of its own.

There was a sky, mountains, rivers, lakes, and land. The ancestors of the monster clan had spent a lot of time and effort to create this secret realm.

Yunxiao and the others walked down from the beam of light with faint, playful smiles on their faces.

With their divine senses, they could clearly sense that there were thousands of demons lying in ambush in the surroundings, with varying strengths.

The strongest of them were only at the true immortal realm, and it seemed like they had just broken through.

It seemed that the demon Emperor was quite wary of Yunxiao, but he had never expected that nearly ten void pinnacle experts would come at once.

If these ambushes were to really be launched, it would definitely be a one-sided massacre, just like the massacre of the tribes of the four Seas.

However, desolate was a wise man, so he wouldn't be so stupid.

The demon that led the way led them to the peak of the giant mountain. It was an extremely open and flat land, and a towering demon Palace stood in front of them.

"You guys just wait here! I'll go and report!"

shut up! the monster reproached rudely and glared at the crowd. all of you, behave yourselves!

As soon as the monster turned around, a light wind blew in his face and a friendly voice was heard.

"Young master Yunxiao, you've made great progress in your cultivation base again after we part in the future."

Hearing this, the monster jumped in fright and hurriedly retreated to the side. He said respectfully, "Greetings, Mr.ai!"

A delicate and handsome man walked over with a gentle breeze. He had a smile on his face. It was Al Hui.

Yunxiao hurried forward, cupped his hands, and said, "So it is Mr.ai. cc

Al looked at him in surprise, then smiled. "Young master Yunxiao, we seem to be a little distant now." perhaps? " Yunxiao was taken aback for a moment, then smiled. maybe.

Al nodded and said, "I understand." Young master Yunxiao was now the leader of the heavenly martial Alliance, and his every move represented the will of the heavenly martial Alliance, or rather, his attitude. Therefore, many times we have to be cautious and polite, and over time, we lose the free and uninhibited attitude of the past, and we are restrained in everything we do."

Yunxiao was a little surprised. What Al said did make sense. Although he had vaguely noticed it, he did not speak as clearly as Al Hui did.

Yunxiao smiled wryly. Mr. ai, you have a good eye. I'm really not suitable to be a leader like this. I'm more suitable for a carefree and unrestrained life. He recalled the time when he was conferred the title of martial sovereign. The sun, the moon, and the sky were all under his control, and he was so happy.

It was unlike now, where he had to be cautious and had to consider too many things.

"You're too humble, young master Yun," Al replied with a smile. As the saying goes, with great power comes great responsibility. The responsibilities that young master Yun shoulders now are far beyond that of ordinary experts. Even in the history books of ancient and modern times, there are not many great figures who can be on par with you."

Yunxiao smiled. I only know that Mr. Al's skills are unparalleled, but I didn't expect you to be so eloquent as well. Although you praise me so much, it's so comfortable to listen to.

Al Xiao said, "I'm not trying to flatter you, I'm just telling the truth. Speaking of unparalleled sorcery, I'm a Pixiu."

Al Hui's eyes lit up and he smiled. "Young master Yun, you've already become a level ten Warlock God, haven't you? I'm really looking forward to another match."

Yunxiao looked at him with a smile. it's fine. I can have a competition whenever I have some free time. I like to hear the truth from you, please say more."

Al laughed and immediately changed the topic. everyone, please don't stand outside the door. Otherwise, as the host, I'll be too careless. Please come in and have a seat.

He immediately led everyone into the hall. It was simple and plain, but it was Grand and majestic.

Al immediately ordered people to arrange the bejewelled nectar fruit. After a few courtesies, his eyes slightly narrowed, and he said, "May I know why young master Yun has come to the illusory realm of stars and moon? I don't think the illusory realm of stars and moon invited you all, right?"

His expression was much colder than before, and he even glanced at Gu

Qingqing and the others with fear. The shock in his heart was incalculable.

These people in front of him all had unfathomable strength, and they were even not below the demon Emperor.

His eyes lingered on Gu Qing Qing and Yu for a while, especially Yu, and he nodded in a friendly way.

The referee also nodded slightly in return.

He was a rare super Alchemist of the demon race in the past thousands of years, and he was worthy of everyone's respect.

don't worry, Mr. ai, " Yunxiao said with a solemn face. I'm not here to deal with the demons. I'm here to deal with Lao Ai.

He briefly explained the situation.

Al didn't understand much about the ultimate, but it could more or less hear some clues. "You're saying that the sinkhole is also looking for His Majesty aside from you?"

Yunxiao nodded and said, " although I don't understand why the sinkhole is looking for 'Wu' , desolate is the only person who can communicate with ' Wu' . Moreover, the sinkhole has directly opened an inter-province teleportation channel to come here. So, it is obvious that they are looking for desolate.

Al's expression immediately became serious. He stood up and cupped his fists to the crowd. "Al Xian has lost his life for a while. This matter is too important.

I'll report it to the Emperor."

"Hmph, desolate is so arrogant!"

"In my opinion, Mr. ai doesn't need to go," mo Leng said coldly. When the ruins of end comes, they'll most likely kill him, and the next demon Emperor will be me. It's better if you continue to stay and talk to us."

Al was stunned for a moment, then shook his head with a wry smile. He said worriedly, "The demon race is on the decline now and can no longer withstand any more major turmoil. Lord mo, please don't cause any trouble. Please treat it as Lord Al Qiu."

"Tsk! "

MO sneered. the decline of the demon race isn't because they're declining. It's because the demon Emperor is too scumbag. If it were anyone else, they would've brought our clan to the peak after thousands of years of recuperation. Only desolate, that trash, is following him. The entire monster clan is becoming worse and worse!"

Al frowned when he heard this. Putting aside whether Yi was right or wrong, he seemed to be able to get some clues from his tone. This person had the intention to covet the throne of the demon Emperor, which was harmful to the entire demon race.

"Impudent!"

an angry voice came from the distance, and then a strong wind rushed into the hall, shattering everything around it.

A burly figure suddenly appeared in front of everyone. He was filled with killing intent. He was the Emperor of ten thousand demons, desolate.

“Kid from the gray monster tribe! Are you here to die? I’ll fulfill your wish now!”

Desolate stared at Yuan with a domineering look. His body was overflowing with killing intent, as if he wanted to kill him right now.

But, the presence of Yunxiao and the others made him extremely wary.

MO looked straight at him and sneered, “It’s one thing for you to come here to die, but why are there hundreds of experts lying in ambush around the main hall? Don’t you know that these people are just trash in front of us? The monster race has already been completely destroyed by you. Do you still want to bring the entire tribe into eternal damnation?”

“Shut up!”

“I only need one person to kill you! Why would I need an ambush?” Huang Zhen said angrily.

Although his face was filled with anger, he could not suppress the shock in his heart. With a single glance, he realized that most of the humans, except for the Christian Church, were void realm Warriors.. He was shocked!

Chapter 2137: will in one

MO stood up and laughed wildly. haha! Good! Well said!

He gave a thumbs up and grinned hideously, “as a member of the demon race, you must have this courage!” Now, as a member of the monster clan, I challenge you, the previous monster Emperor!” the previous generation?!

Desolate laughed out of anger, "haha, ignorant! Arrogant! Li Yunxiao, this is an internal conflict of our demon race, and I hope you don't get involved!"

This was what he was most afraid of at the moment. He did not know the background of Yunxiao and the others, but they were too terrifying.

Al hurriedly stepped out and stood between the two. He reached out his hands

and stopped them. "Please don't attack!"

His face was filled with anxiety as he looked at the two men, and finally, he turned to Yunxiao with a pleading look.

Yunxiao smiled faintly. judge, we're not here to let you fight for the position of demon Emperor. Stop messing around. he said.

MO snorted. Although he was dissatisfied with Yunxiao's words, he did not disobey.

He turned around and returned to his seat. He said indifferently, " "Since young master Yun has spoken, I will naturally give him face. I'll let you be the Demon

King for a few more days."

Both Huang and Al were shocked, and they looked at each other suspiciously.

Demons had always been violent, and it was difficult for anyone to subdue them, let alone a void-extreme divine realm expert like min. It was almost impossible for anyone to restrain them, but they did not expect that they would listen to Yunxiao so obediently.

how arrogant! Huang snorted. I'll sit on the throne of the Demon King and wait for you to fight me! The aura he exuded was indeed that of an Overlord.

Al Hui sighed in his heart. One mountain can not accommodate two tigers. It seemed that the storm in the demon race was far from over. They must not have another storm like the five Cloud Mountain. Otherwise, the entire race would really be doomed.

His face was full of worry and he stood to the side without saying anything.

Huang walked up to the main seat in an awe-inspiring manner, gave Yunxiao a cold and arrogant glance, and snorted, " Li Yunxiao, how dare you come to the illusionary realm of stars and moon? aren't you being too arrogant? "

Yunxiao smiled faintly and said, " Your Majesty, you really like to joke. I would not dare to disturb you if it was not an important matter. I have already briefly told Mr.ai about it just now.

He immediately explained the matter of the ultimate in detail.

Desolate had been listening to them quietly. He didn't interrupt them, but he frowned from time to time.

After Yunxiao finished, he pondered for a moment and said, " You said that the ultimate needs the power of 'nothingness'. What is it for?" that's what I'm curious about, " Yunxiao said with a wry smile. I thought you could give me some reference.

Desolate snorted, " Wu is the most peculiar and mysterious true spirit from the ancient times. I've only formed a 'host' relationship with him. That's why I can borrow a part of his power for a certain period of time. Who knows what the ultimate wants to do?"

He gave Yunxiao a cold look and said, " you have so many experts. Are you still afraid of the sinkhole? "

Yunxiao's face was a little unsightly as he shook his head and said, " No one knows how powerful the ultimate is, but I do know that every time he contacts me, I can feel his power recovering. He's at least void tier now, or even higher."

“Higher?”

Huang was shocked and said in horror, ‘could he be at the creation realm? Don’t joke! How can there be a creation realm existence in this world?!”

“Haha, frog at the bottom of the well!”

MO sneered, “ a frog in a well can’t speak in the sea, and a summer insect can’t speak in the ice and snow. With such a crude and shallow person like you as the demon Emperor, no wonder the demon race is declining and getting worse!

“What did you say?”

Desolate stood up furiously and shouted, “Do you want to die now?” The killing intent was so real that it was like a sharp knife that shot out, tearing the air.

MO was naturally unafraid and sneered. there are no creation realm experts under this sky? ” I’m sorry, but a few days ago, we had a great battle with a

Blessed Realm expert in the sea Forest, and there was more than one of them.”

“What?”

Not only desolate, but even AI was shocked.

They had thought that the judge was being unreasonable and deliberately ridiculing them, but when they saw Yunxiao and the others nodding to testify, they were shocked beyond words.

Lord mo, young master Yun, ” AI couldn’t help but ask, ” did you really meet a creation realm expert, and not just one? ”

what do you think of our strength? ” Yunxiao asked. what do you think of our strength? ” He almost died in the forest of the sea and couldn’t come back.

What do you think?”

Al Hui and Huang looked at each other, unable to hide the shock in their eyes. “Several creation realm experts? What’s with this Yingluo?”

Huang asked in shock. Compared to the ultimate, he seemed to be more interested in this.

it’s a long story, ” Yunxiao said. but I’m not lying. There is no need for Lord Huang to panic. Those experts do not have any grudges with the monster race, so they would definitely not come to the illusory realm of stars and moon.”

Desolate fell into silence. It was impossible to say that he wasn’t panicking.

It was like a general who thought that he had an Army of a million and was number one in the world. Who knew that a few people would suddenly appear, and they were all soldiers of tens of millions.

my Lord, ” Yunxiao said. you’d better think about the ultimate first.

Huang grunted, ” we can only deal with them as they come. What other ways do we have? ” I don’t know what the sinkhole wants to do. If it’s a normal request, I’ll agree to it, but if it’s too much, Hmph! My monster race is not to be trifled with!”

Yunxiao nodded and said,’you’re right. But does Daren think that it could be a

‘normal’ request?”

“Hehe, don’t think of me as such a bad person. My request is actually very ordinary.”

Suddenly, a woman's voice rang out in everyone's ears, causing their expressions to change drastically.

With their strength, they actually didn't notice anyone!

Huang and Al's eyes were filled with shock, and they believed what Yunxiao and the others had said even more now.

"Ultimate!"

die! Yunxiao cried out in anger, and his energy exploded in the hall and sent him flying out.

The rest of the people immediately followed.

Above the hall, under the vast sky, two figures stood alone.

Desolate and Al were shocked. The entire illusionary realm wasn't just an independent space. It was protected by an extremely strong defensive barrier. If the monster clan hadn't opened the barrier, it would have caused a great disturbance if they tried to force their way in.

However, the illusionary realm remained calm and peaceful, without the slightest disturbance.

how did you guys get in?!

Huang was furious. As the Emperor of ten thousand demons, he had to stand up at this time.

This angry shout caused a commotion among the demons in the illusion. Many powerful cultivators also noticed ning keyue and Tian Si's figures. They gathered from all directions and surrounded the two.

Yunxiao's eyes were fixed on the two men, motionless, like a fossil from hundreds of millions of years ago. The hatred was unforgettable and heart-wrenching.

Tian sitian laughed and said, "tsk!" Isn't it better for us to come in quietly? Are you only satisfied after we kill all of them

"You coward!"

Huang was furious, but when he thought of Yunxiao's fear of the two, he did

not dare to act rashly. "I would have been more satisfied if you had informed me when you entered!"

Your Majesty, " Yunxiao turned around and said, " let these demons go. Otherwise, they'll just be sending themselves to their deaths.

Al's expression changed slightly. He nodded gratefully and ordered, " "Everyone, retreat a thousand li immediately. No matter what happens within a thousand miles, no one is allowed to enter!"

When this order was given, all the members of the monster clan were shocked and in an uproar. They knew that something big was about to happen.

There were many courageous members of the demon race, and all of them were furious and refused to leave.

Mr. Al's orders are my orders, " desolate said in a deep voice. anyone who disobeys will be killed!

"What?"

All kinds of shocked and gasping sounds rang out. Disobeying the demon Emperor's orders was a capital crime, but it did not require the entire clan to be killed.

The execution of the entire clan was the cruelest punishment. Unless it was a major crime like an entire clan rebelling, it was impossible to execute the entire clan no matter how disobedient they were.

This time, everyone realized the seriousness of the matter. However, since the demon Emperor had given the order, no one dared to resist. They all hurriedly retreated a thousand miles away and informed the demon clans along the way. "Haha, this demon Emperor is not bad. He still knows how to cherish his tribe." Tian si laughed out loud, his eyes filled with unrestrained joy.

Yunxiao gave him a cold look, and when he saw that the man was a little uncomfortable, he snorted disdainfully and stopped laughing.

Yunxiao turned his eyes to ning keyue. Holding back his emotions, he gritted his teeth and said, "Sinkhole, release ning keyue!"

"Release?"

Ning keyue's eyes were filled with surprise and sneer. "Young master Yun, I'm ning keyue. What do you mean by that?"

Yunxiao's face twitched as he said in a cold voice, "just tell me, how can I let her go?!"

Ning keyue raised her head with a disdainful look on her face and sneered. "Li Yunxiao, do you still not understand? I'm ning keyue, the ultimate. It's not that the ultimate has taken over ning keyue's body, but that they have fused."

"Fusion?" what do you mean? " Yunxiao's heart trembled. what do you mean? "

Ning keyue said indifferently, " even the me in front of you is not ning keyue or the ultimate. I am a combination of them. Or two people at the same time. What I'm doing now is the will of both ning keyue and the ultimate."

"No, impossible!" you're lying to me! Yunxiao roared. you're lying! Keyue would never be willing to be with you! "

Ning keyue looked at him calmly and suddenly smiled. "How can you be so sure? Do you really think you understand her that well? The ning keyue in your subconsciousness is just a one-sided thought. Then what do you think she should be to be the real her?"

Yunxiao was taken aback. The question had him stumped, and he could not

help but ponder..

Chapter 2138: Dream butterfly in Zhou Zhuang

Ning keyue smiled faintly and said, "What would you do if you were ning keyue? Return to Red Moon City and continue to guard under the peach tree every day, bitterly waiting and missing her big brother Murong?"

Yunxiao trembled and looked up in disbelief. He gritted his teeth and said, "but Qianqian is someone close to you. She's the murderer of Lord Murong and Chu ran!

"Tsk!

Tian si sneered in disdain.

Ning keyue nodded and said, "that's right." Big brother Murong and big brother Chu ran were both dead, and they were killed by Tian si. But why did the two of them die? Wasn't it to save you? In that case, do you wish for me to fight against Tian si and the ultimate together with you, and then die at their hands? Do you think that this is the real me? Only then can I satisfy my inner desires?"

Ning Kewei smiled sarcastically and said, "That's not the real me, but the me you think I am.

Yunxiao's body trembled violently, and bean-sized cold sweat rolled down his forehead, soaking his clothes.

These questions struck his heart and completely shattered it. It was as if he had fallen into an abyss.

Ning keyue continued, “merging with the ultimate might not be my best choice, but ..

Her eyes were as bright as the stars and as clear as the lake. She said slowly, “But it’s my truest choice, Wuwu”

“NJ-no!”

Yunxiao roared as his body trembled like a sieve.

He couldn’t accept this reality. He couldn’t accept what ning keyue said. He yelled, ” “I don’t believe it! Sinkhole, don’t you try to bewitch people! I’m going to kill you today and save ning keyue!”

A monstrous sword Qi surged from his body and the red slaying sword appeared in his hand. Instantly, thousands of sword radiances appeared and condensed into a huge sword essence that merged with his body!

“Go to hell! Sinkhole, return keyue to me!”

“Star sword slash!”

Thousands of stars fell, setting off the sword as it slashed at the solitary figure.

Ning keyue didn’t panic. She didn’t even show any expression. She just smiled helplessly and said, ” “Hehe, the truth is always cruel. If you don’t want to believe it, then you can only continue to deceive and numb yourself.”

Tian Si’s mouth also cracked into a smile, ” hehe, ignorance is a blessing. Speaking of which, I’m a little envious of these crawlers who live in their own fantasies all day long.

“I won’t believe your nonsense!”

Yunxiao’s face was dark as he said coldly, “I won’t believe a single word that comes out of your mouth! I’m going to beat you with my sword and ask ning keyue about her true self!”

This was the first time he had used this sword technique after stepping into the void divine realm. The entire star and moon illusory realm trembled under this sword, and it was as if it was difficult to maintain the normal terrifying power, and it began to collapse.

Desolate, Ai, and the others were frightened.

“Your Majesty, quickly set up a barrier and stabilize the space. Otherwise, the entire illusory realm of stars and moon will be finished!” Ai hurriedly said.

“Alright!”

Desolate and Ai teleported to a place far away and started setting up barriers.

“Should we also help?” Liao Xingyuan asked.

Gu Qing Qing shook her head slightly and said, “I don’t think there’s a need.

When the battle starts, this small space won’t be able to withstand it.” Even Ai and Huang don’t have the ability to set up a barrier to block the shockwaves of the battle.”

“So, this place will definitely be destroyed?” Liao Xingyuan was stunned.

Gu Qingqing nodded and said, “yes.” However, this was also an opportunity for the demon race. If this place is destroyed in Yunxiao’s hands, he will definitely give the demon race an explanation.”

Duanmu Youyu also smiled and said, "The demon race might be able to benefit from this misfortune and find a spiritual mountain that is more suitable for them."

Their conversation wasn't a secret conversation, so Desolate and Al heard it.

The two of them frowned. Desolate snorted, while Al was in deep thought.

Ning keyue looked at Yunxiao's sword, and a strange smile appeared on her face. Her eyes turned red as she said, "Do you want to ask your heart? Then I'll let you ask."

Yunxiao's pupils constricted, as if he felt something was wrong.

Ning keyue suddenly turned around and thrust her sword at him. It was the golden sword that Song of Time had transformed into. However, the power of this sword was only that of an eight-stars martial sovereign!

"Bang!"

Song of the ages hit sword death's Red slash. Ning keyue was obviously no match for it. She was shocked. She bent her arm and the long sword flew out of her hand.

"Clang"

The golden sword landed on the ground and stabbed into it.

"Shh!"

There was a wave of boos and sighs all around.

"Gu Feiyang, aren't you a little too ungentlemanly? The ning family's second miss played a few moves with you, and you actually used your real strength the moment you came up."

you're a famous Martial Emperor after all. You think you're a Casanova, but I didn't expect you to be so ruthless.

Yunxiao's body trembled as he looked around. The scenes in front of him were all familiar faces.

A well-dressed man came forward and helped Ning Keyue up. He said softly, "Are you alright?"

Ning Keyue blushed and quickly freed her arm from the man's grasp. I'm fine. After saying that, she walked back to her seat in anger without looking back.

The man smiled as he turned to Yunxiao and said, "Feiyang, you were distracted just now."

Yunxiao's body trembled violently, and bean-sized cold sweat kept dripping down his face. Big brother Murong Qianqian, Mu Qianqian!

Murong Zhu frowned and asked with concern, "What's wrong with you? I see that you're a bit scared, did something go wrong with your cultivation?"

Suddenly, Yunxiao's face was covered in tears. He stabbed the sword into the ground, then knelt down on one knee and cried, "I'm sorry, I'm sorry!"

Murong Zhu was shocked. She quickly stepped forward and helped him up. She said in surprise, "What's wrong with you? What's going on?"

The surroundings suddenly became quiet, and all the young heroes were stunned. The noise just now became a strange silence.

What's going on? Has he really gone mad?"

"You were so cruel to the second miss of the Ning family just now, and now you're crying and kneeling Qianqian."

"I heard that the ning family's second miss and Murong Zhu have a bit of a relationship. Maybe he was too ruthless just now, and now that he saw Murong Zhu stand up for him, he's scared, so he knelt down and begged for mercy. Didn't you hear him say 'sorry'?"

"F \*\* k, it's not that bad, right? Gu Feiyang was also a genius expert who had recently emerged. His strength was not much weaker than Murong Zhu's. In my opinion, they should be more or less the same."

After a short period of silence, there was a loud clamor and ridicule. All kinds of mocking voices rose from all directions.

When ning keyue heard everyone talking about gossip, her depressed mood from being injured by Gu Feiyang suddenly became angry and ashamed. She wanted to raise her sword and cut those people.

Yunxiao knelt on the ground with one knee, his tears falling on the ground like a broken bead curtain, and soon a large area was wet.

Murong Zhu was a bit angry. She forcefully lifted him up and shouted, "There is gold beneath a man's knees. What can't be discussed properly? why do you kneel so easily?"

Yunxiao raised his head, his face covered in tears as he sobbed, " "Big brother Murong, although we were in an illusion, it's great to see you again."

He opened his arms and directly hugged Murong Zhu, tightly hugging her.

The two men rubbed their hands together, causing a wave of jeers and ridicule.

Although Murong Zhu also felt that it was inappropriate, seeing Gu Feiyang so excited, she patted his shoulder and said, "Alright, alright, it's fine now. What nonsense are you spouting?"

Ning keyue's eyes widened, and she covered her face with her hands in embarrassment and anger. "You two shameless bastards!"

A burst of laughter sounded in the wind and moon Pavilion.

Jiang Churan, who was sitting at the head of the table, smiled bitterly. "The two of you are both heroes of the world, so please control your emotions. After all, all the heroes of the world are here. You guys are so open, but I, your master, can't."

"Chu ran!"

Yunxiao let go of Murong Zhu, turned, and walked up to him to give him a bear hug.

Jiang Churan was so scared that she struggled with all her might.

Unfortunately, Gu Feiyang was holding her so tightly that it hurt.

"Let go! I didn't expect you to have the same yang fetish!"

Jiang Churan was both shocked and furious. She had goosebumps all over her body.

The men around him were shocked and shouted, "Gu Feiyang has unleashed his beastly nature and is going to rape Jiang Churan. Run!"

The entire wind and moon building was in chaos.

Some of them were deliberately jeering, while some were really afraid, and they all dodged to the side.

Murong Zhu felt that something was wrong and said in a deep voice, "Feiyang, what are you doing?"

He stepped forward, grabbed Yunxiao's shoulder, and pulled the two apart.

Yunxiao hugged him as well, holding both of them in his arms and crying,

“Thank you for taking care of me, brothers!”

The two of them were baffled. Jiang Churan struggled out and scolded, “Gu Feiyang, what’s the matter with you?!”

Ning keyue looked at Gu Feiyang’s seat and the cup of tea. She asked, “Was the blood tea that was served just now drugged?”

Jiang Churan shook her head. that’s impossible. Every process of serving tea is strictly controlled. Who has the ability or the courage to drug the red moon City? Moreover, Yingluo ”

His face twitched and was full of disgust. He said in fear, “How can there be such a drug in the world that can turn a straight man gay?”

Ning keyue shook her head. the world is so big. There are all kinds of strange things. Maybe they really exist.

Murong Zhu stretched out her hand and clutched Yunxiao’s shoulders with her fingers, fearing that he would do something out of line again. When she felt secure, she said, “Feiyang, what happened to you?”

Yunxiao’s face was covered in tears, and he even had a happy smile on his face as he said, “I’ve only realized now that sometimes, living in a dream is actually better. Zhuang Zhou dreams of butterflies, who is whose dream?”

His gaze shifted from Murong Zhu to Jiang Churan, and then to the other young elites, as well as the Crimson Moon outside the wind and Moon Hotel.

everything is so real. I finally understand.. But, you don’t want to wake up? “

Chapter 2139: smoke waves can 't escape this life

Ning keyue looked suspicious and confused. She said, "Big brother Feiyang, what are you talking about?"

Yunxiao's face was pale as he cried, "Zhuangzhou dreams of the butterfly, and the butterfly Dreams of Zhuangzhou. Did Zhuangzhou become a butterfly in his dream, or did the butterfly become Zhouzhuang in his dream? Then there would definitely be a difference between Zhuang Zhou and butterfly. This is called 'materialization'.

"But to resolve the butterfly's swaying, one does not need to be rich and wealthy."

"Feiyang, what's wrong with you?" Murong Zhu muttered. He asked with concern.

"Feiyang, are you alright?" Jiang Churan was also shocked.

"Strange? It's just being gay. Everyone saw it, so you have to be careful."

"Hahahaha!"

Someone shouted in a strange voice, and the crowd immediately laughed, but it was more of a bad taste.

Yunxiao's eyes swept across the crowd one by one. Chen duantian, beiming duanjue, Wei Qing, Xuan Hua, and even Liu Feiyan were among them.

However, each face was much more tender than he remembered.

The heaven and earth Power chart had not been released yet, and there was no such thing as a titled martial sovereign.

It was during the gathering at the wind and Moon Tower and the opening of the earth to the end of time that Murong Zhu was killed by Tian si.

Yunxiao looked at Murong Zhu and said with tears in his eyes, If I could do it all over again, I really wish I could go with you to the end of time. Big brother Murong, be careful and take care.”

Murong Zhu’s expression finally changed. She shouted, “Feiyang, what are you saying? what’s wrong with you?”

Yunxiao raised the sword and muttered to himself, ” “I’m sorry, everyone.”

He looked a little dazed. Under the sword light, he turned around with the demon-slaying sword in his hand and stabbed at ning keyue.

“Stop!”

Murong Zhu and Jiang Churan exclaimed at the same time. The two of them attacked at the same time. Two rays of light, one golden and one white, flew over from two sides and hit the demon Slayer. With a “bang,” it emitted an infinite amount of light.

“Bang! Bang!”

The three figures collided in the air, and in the blink of an eye, they had exchanged hundreds of moves.

The sword Qi was like a rainbow, shooting in all directions.

Yunxiao’s heart sank as he was shocked to find that his strength was only at the peak of nine-stars martial sovereign.

“How is this possible? Gu Feiyang was able to fight to a draw with Murong Zhu and Jiang Churan at the same time?” impossible. Although Gu Feiyang has been famous recently, he shouldn’t be this powerful!

“Murong Zhu is a young master from an overseas aristocratic family. It’s said that he’s the number one genius in thousands of years. Jiang Churan is also the disciple of the city Lord of Red Moon City. Both of them are top experts in the world, the top talents of the younger generation. If both of them can’t take down Gu Feiyang, it’s too much of a joke.”

All kinds of shock and doubts were heard. A large number of Warriors retreated outside the wind and moon building and stood in the air, quietly watching the fighting inside the building. The sword Qi that cut through the sky made them feel frightened.

While fighting the enemy, Yunxiao was puzzled. The illusion was so real, as if he had really returned to decades ago. Every scene was vivid in his mind, and every minute expression and detail was so real.

Even though he was extremely powerful,

If it wasn’t for the fact that his comprehension of the heavenly Dao was much better than before, he would have been taken down by the two of them.

“Feiyang, your sword skill is brilliant!”

Murong Zhu was also shocked. He then laughed wildly and said, “Hahaha, good, good! It seems that you still showed me mercy when we competed with swords that day. Today, I’ll see your true strength!

“Nine Dragons sword, thousands of bodies!”

His figure suddenly turned into thousands of figures and attacked from all directions. It was difficult to tell whether he was real or fake.

the snow falls on the West Mountain, and the sun and moon grow on the xuanmang mountain.

hanyan of the eastern Mountain, borrowing the wind and thunder from beyond the nine Heavens.

Jiang Churan shouted as well. The silver thread ancient rhinoceros appeared in her hand and struck out with lightning speed.

Yunxiao was shocked. When the two of them joined hands, they immediately had an overwhelming advantage. No matter how high his heavenly Dao Comprehension was, it was also impossible to break through the shackles with his current strength.

“Bang Bang Bang!”

Lotus flowers kept appearing on the demon Slayer, and the power of the sword World appeared in the surroundings, blocking the attacks of the two, but it was getting weaker and weaker.

“Dammit! What’s with the sinkhole’s illusion technique? it can actually suppress my cultivation!”

Yunxiao was very anxious. If he died here, his real body might really die!

Murong Zhu’s sword skills were like a violent storm, ever-changing, while Jiang Churan’s attacks were like lightning and thunder, fast as lightning, and extremely sharp.

With the two of them working together, they were probably unrivaled under the God Realm.

“Bang!”

Finally, the sword realm shattered under the continuous attacks, turning into thousands of fluorescent lights and scattering.

Two Swift and fierce attacks came from his left and right, stabbing at his vital points.

Yunxiao was taken aback, and he broke out in a cold sweat. But at that moment, a red light flashed in his eyes, as if reflecting the Blood Moon high in the sky outside the building. “Thousand autumn peak!”  
“Untainted by dust!”

The demon Slayer Sword rose up again, and two sword intents struck out one after another. These were the sword Dao comprehensions within the sword of the Zhenlong world.

“Bang!”

“Bang!”

With two loud bangs, Murong Zhu and Jiang Churan were sent flying. Their bodies were directly hit on the wind and moon restaurant, and they both spat out a mouthful of blood.

“Feiyang, you’re so arrogant!”

The two of them were aghast as they struggled to stand up from the ground, their faces filled with hatred.

“Good, good!” Murong Zhu angrily replied. I didn’t expect you to be so strong.

You were just toying with us before!”

Jiang Churan’s face turned gloomy and she said coldly, “ your cultivation must have reached divine transcendence, right? ‘

“Ok! Divine transcendence?”

Everyone was shocked, and a series of exclamations rang out. The experts from all walks of life changed their expressions.

But there were also people who frowned and asked suspiciously, “What is divine transcendence?”

Yunxiao heaved a long sigh and said, “ sinkhole, your illusion is too real. If you weren’t so impatient, I wouldn’t have been able to find the flaws.

“What do you mean? You’re starting to talk nonsense again. What was the ultimate? You’ve been spitting out this word since the beginning.” Murong Zhu raised her sword and asked cautiously.

Yunxiao gave him a look and said sadly, “No matter how wrong I am, big brother Murong would never kill me. The moment the sword realm was broken, you and Chu ran both had a strong killing intent towards me. That’s the flaw. From the beginning until now, the only flaw I’ve discovered is that it’s a trap. The illusory space did not allow for any flaws, or else the world would be broken. That’s why I’ve regained my strength.”

The demon-slaying sword in his hand also turned back to the red color of sword death, and his body emitted a faint light. He said sadly, “If we want to leave this place, the key should be big brother Murong and Chu ran. Sinkhole, you’re so evil, do you want me to kill them?”

Murong Zhu’s expression changed as he angrily rebuked, “I don’t understand what you’re talking about!”

Yunxiao raised the sword in his hand, slowly closed his eyes, and said, “Big Brothers, I’m sorry again.” Two lines of tears fell from her eyes, sliding down her cheeks and dripping on her clothes.

With his current strength, he could easily kill anyone present even if he closed his eyes.

“Big brother Murong, if there’s really a next life, let’s be brothers again! The only thing I can do now is to bring keyue back and ask for your forgiveness!” Yunxiao’s face was pale as he casually thrust his sword forward.

The sword light was dazzling, and the power of the sword was not something that anyone present could match.

Murong Zhu’s face was filled with shock. He wanted to Dodge, but he couldn’t move his body. He was completely suppressed by the sword’s power.

“Swish!”

The long sword pierced through the air and into his body. Blood gushed out and splashed into the air.

“Keyue!”

Several exclamations rang out.

Yunxiao’s body trembled, and he suddenly opened his eyes. In front of Murong Zhu, his sword had pierced into ning keyue’s heart!

“Keyue!”

Murong Zhu looked up at the sky and cried. Her tears finally fell and she hugged ning keyue.

Yunxiao’s body turned cold, and his mind fell into an abyss. He suddenly roared, ” “Why? Why did you do that?”

Ning keyue smiled and reached out to touch Murong Zhu’s face. She said softly, Big brother Murong, don’t cry. Yue ‘er will be sad.”

“Gu Feiyang! You animal!”

Jiang Churan roared. There were still a large number of experts from the red moon City in the surroundings. They were all furious and attacked from all directions.

“Bang!”

With a livid face, Yunxiao flipped his palm and sent all these people flying. Blood flowed out of his Scarlet eyes, and the sword in his hand trembled as he roared, ” tell me why!

Ning keyue turned her eyes from Murong Zhu's face to Yunxiao with a smile and said, "Zhou and die have yet to be tested, but how can you know that people are fish? You're not me, so how can you know my true intentions?" "You animal! To think that I treated you as a brother! I'll tell you why!"

A ray of golden light rose up. Murong Zhu rushed forward with her sword.

Yunxiao raised his hand and was about to slap it down, but when he saw the man's Red eyes, which were filled with tears, blood, and boundless anger and despair, his hand stopped in the air.

"Swish!"

The void was cut open, and Murong Zhu's sword pierced into Yunxiao's chest, in the exact same place as ning keyue's.

Yunxiao felt a sharp pain in his heart as Murong Zhu's boundless anger turned into sword Qi and rushed into his body, staining his clothes red.

Although it was painful, there was an inexplicable sense of relaxation.

He raised his head. His eyes were filled with tears, and he couldn't see Murong Zhu's face clearly. He said softly, "Thank you," he said.

Murong Zhu let go of the sword in her hand and turned to leave. Under the gaze that penetrated through the blood, she gradually walked further and further away. however, to resolve the swaying butterfly, there is no need to be rich and powerful.

Walking alongside him was Jiang Churan's figure. She said faintly, "for thousands of years, I will not lose to The Butterfly's Dream. The bright moon shines on the clear wind.

As their figures gradually disappeared from Yunxiao's sight, he felt a sense of desolation and emptiness in his heart, as if a piece had been dug out.

Only ning keyue's sad smile was left. It became clear in his eyes.

"I'm willing to become a dreamlike Chrysalis, and the smoke waves will surround me for this life."

Ning keyue sang softly, her voice mixed with a faint purple sadness..

Chapter 2140: full-second

When Yunxiao heard that, he felt the blood in his chest suffocate, and he could not help but cough out blood.

He kept retreating in the void, his body swaying and he couldn't stand steadily.

"Young master Yun! "

"Alliance master Yun!"

All kinds of exclamations rang out. Everyone was shocked, and even they didn't see what was going on. Before Yunxiao's sword could hit ning keyue, she coughed out a mouthful of blood and staggered as if she was injured.

Gu Qingqing and the others flew over, and the Liao brothers blocked him with their bodies, staring at ning keyue vigilantly.

The judge's face was also solemn as he shouted, " "What sorcery did you just use?"

"Hehe, sorcery?"

you can ask li Yunxiao yourself, ” ning keyue said with a faint smile. he’s just suffering from his own obsession.

Yunxiao’s face was pale. He lowered his head and saw a bloody hole in his chest. Blood gushed out of it for a while before it stopped.

He raised his head and recalled what he had seen in the illusion, and his face became even paler.

I don’t care what kind of evil spell you’re using, ” Liao Xingchen said. li Yunxiao is now the leader of the heavenly martial Union, and we will never allow you to hurt him. If you know what’s good for you, you’ll leave immediately. Otherwise, you’ll have to face the combined attacks of all of us.”

He also knew that the ultimate was extraordinary, so he spoke of ‘besieging’ first without fear, in case so many void extreme God Realm experts joined hands to besiege one person and become a laughingstock.

After all, they were once peak existences, so they still wanted some face.

“Hehe.”

Ning keyue gave him a contemptuous look, as if she did not care about him at all. Instead, she looked at Yunxiao with a smile and said softly, ” “You have to look straight into ning keyue’s heart. I’ve fulfilled your wish. Are you satisfied?”

Yunxiao’s body trembled as he recalled the line of the poem, ‘I hope I turn into a butterfly in my dream, and the smoke will surround me forever’. He felt as if a

knife was being twisted in his heart, and a mouthful of blood flowed out of the corner of his mouth again.

Gu Qingqing snorted. young master Yun, don’t listen to her nonsense. You’re in a very bad state right now. You’ve obviously fallen into her illusion. Go back and rest for a while, we’ll beat this person to shit for you and help you vent your anger!”

She gave the water deity a look, signaling her to take Yunxiao away.

Yunxiao's face was pale, and he did not say a word. He looked as if he had suddenly aged dozens of years, without any spirituality or luster. He let water deity help him retreat to the back.

Gu Qingqing looked at ning keyue with a sneer and sneered, " "Demoness, let's see how you die now!"

A total of five void extreme divine realm experts surrounded ning keyue and

Tian si. They all looked at them with cold expressions and murderous intent.

Ning keyue smiled and did not take the five people seriously. She did not hide her disdain.

"Do it!" Gu Qingqing shouted angrily.

The aura on her body instantly exploded to the extreme, and countless red glows circled around her hands.

The Liao brothers also formed their own hand seals, and terrifying star jades as vast as the sea condensed in front of them.

Pan Yi simply clenched his fist, but there were runes flashing on his fist. It was as if a layer of faint light armor had condensed on the surface of his skin, and he was in the most ordinary fist position.

MO held the underworld wheel in front of him.

After the battle in the sea Forest, he had returned the ancient dust sword to Yunxiao and kept The Dark Wheel for himself, as if he liked it very much.

Because this wheel was incomparably sharp, almost every strike could easily see blood, and blood was what he desired the most.

Ning keyue glanced at the five people indifferently, but her eyes only stayed on mo for a moment.

In terms of strength, Yi had absorbed the blood of tens of thousands of sea tribe experts in the sea Forest, and his cultivation was the highest among the five.

Moreover, a large amount of blood power had settled in his body and was still being digested and absorbed. If he had not come to the starry and lunar illusion, he would have returned to Yanwu to seclude himself in cultivation. The next time he came out, it would be a world apart.

Even so, ning keyue only gave him a little more attention. She smiled and made a hand seal in front of her.

A strange force appeared in the void, and her clear eyes turned bright red. With a demonic gaze, she looked at everyone with a smile.

“This is a Kasaya.”

Gu Qingqing and the others were all shocked. Ning keyue had disappeared, and what was in front of them was a huge blood-red moon hanging in the sky!

“Not good! An illusion!”

Gu Qingqing screamed and closed her eyes in a hurry, but she opened them again in an instant!

This was because if he closed his eyes, he would feel endless fear from the bottom of his heart.

However, when he opened his eyes again, the time and space in front of him changed even more. He was in a Dark Universe that stretched as far as the eye could see, and he was falling deeper and deeper. Time and space continued to flow on his body, but he could not stop it.

What frightened her was that this feeling seemed to be endless, and she would spend the rest of her life in this fall until she died.

The other four people were also affected by the illusion, but the scene was different. However, the same thing was that the bodies of the five people became sluggish, and they stopped the moment they were about to attack, as if they were fixed in place.

what? ” Duanmu Youyu was shocked. that’s the Huanhuan planet?!

A thousand feet away from ning keyue, everyone who looked at her could only see a red light and not a shadow. From the crack in the ground, a Blood Moon slowly rose and hung high in the sky.

Yunxiao trembled, and finally came back to his senses from that dazed state.

“Don’t ever look at the moon!”

However, it was too late. Everyone stared at the Blood Moon in a daze.

Even Bo mu, bo long, and the Duanmu siblings were affected.

The only ones who survived were Yunxiao, Huang, and Al, who had set up an enchantment ten thousand feet away.

However, even desolate and Al were trembling inside. Bean-sized beads of cold sweat were dripping from their foreheads.

The blinding red light and blood Moon gave them an indescribable mental shock, and they were all in a daze.

A layer of Warlock God’s light covered Al Hui’s body to resist the demonic power of the blood Moon. Through the boundless world of red light, he could vaguely see what was going on inside.

Ning keyue made a hand seal and did not move at all. Tian si stood beside her with a sneer on her face, while Gu Qingqing and the other four were completely frozen.

The five of them stood in the sky with sleepy faces.

Their expressions were all different. Some were happy, some were sad, some were confused, some were angry, and some were furious.

“What kind of illusion is this? He can trap five void extreme God Realm experts at once?”

Al was scared when he saw this, and when he looked at Yunxiao again, he was even more frightened.

In Yunxiao’s right eye, the lunar pupil burst out and occupied more than half of his face. The blood that extended out of the lunar pupil crawled all over his head and down his neck.

“Li Yunxiao!”

Al suddenly shouted, his heart filled with anxiety.

Huang could not see what was inside the red light, but he could see Bo mu and the others petrified, and Yunxiao’s face changed. “Mr.ai, this ultimate is too strong. We’re not its match. Why don’t we leave while they’re trapped here?”

He was afraid. If he was also affected by the illusion, he would be at their mercy.

Such a terrifying power was unheard of, let alone seen with his own eyes.

Previously, when he heard Yi mention that he had encountered several creation realm experts at once, he felt that it was an exaggeration and an exaggeration.

However, from the looks of it now, even a creation realm existence might not be able to block this terrifying illusion.

He finally realized that his knowledge was shallow and that he was a frog at the bottom of a well.

Al's face was also pale. It had completely lost its sense of propriety and didn't know what to do.

Although he had heard that the ultimate was powerful, judging from the strength of Yunxiao and the others, the six void-extreme divine realm existences were enough to destroy the world. No matter how strong the ultimate was, it would most likely be able to deal with them.

No matter how bad it was, it shouldn't be a problem to fight with the ultimate until both sides were injured.

Who knew that

The moment the ultimate attacked, they were all instantly killed!

Just as Al Hui lost his cool, he suddenly fixed his eyes on Yunxiao and saw a monstrous demonic aura surging out of him. His arms were covered with demonic runes, which were fighting against the power of the lunar pupil. Yunxiao's body kept trembling as he gradually raised his hand, as if it was very

difficult.

His right hand was raised in the air, and a demonic light condensed at his fingertips. He turned his hand and stabbed his right eye!

"Ah?"

Al shivered as he looked at it. He could not bear to look at it.

“Swish!”

The demonic light pierced through his right eye and came out from the back of his head!

Blood spurted out from the back of his head!

Not only Al and Huang, but ning keyue and Tian si also stared at him coldly.

The moon eye was injured and struggled violently for a few moments before finally retracting back into its right eye.

The blood veins and tentacles on his head were retracted, and his face returned to normal.

In fact, it was not normal. His right eye was a bloody mess, half of his face was covered in blood, and there was a hole in the back of his head. He looked as terrifying as a ghost.

“Oh, Yingluo is really troublesome, Yingluo.”

Tian si took out her dagger-axe and stepped forward, arriving in front of Yunxiao in an instant and sweeping it horizontally.

Yunxiao’s left pupil constricted, then turned into a black demon Eye and shot out a beam of light.

“Bang!”

The sword death, Zhan Hong, responded and blocked the dagger-axe.

The sword light spread out, and a sword realm spread out around Yunxiao, shaking Tian si away.

“The God welcomes the three lights.”

Tian Si's expression changed slightly. He raised his dagger-axe with one hand, and it transformed into a streak of golden light. Like a blazing sun in the sky, it struck down violently.

“Sword World!”

Yunxiao cried out in a deep voice as he held the sword with one hand in front of him. A powerful sword beam exploded in an instant, shaking with the light of the dagger-axe, turning into boundless light waves that rumbled in all directions.

Desolate and Al's expressions changed drastically. The barrier's power was shaking violently from this attack. If they were to make a few more moves, it would be difficult to maintain the barrier.

Tian Si was pushed back hundreds of feet by Yunxiao's sword beam, and he snorted gloomily as he said, “Your strength is improving very quickly!”

Yunxiao's face was terrifying. Without saying a word, he touched the sword with an incantation seal, which transformed into tens of thousands of sword beams and thrust out.

A wave of sword shadows instantly rippled down from the sky, transforming into over a hundred sword talismans that landed around Tian si. The densely packed sword shadows were all over the place.

Tian Si's heart jolted in shock, and he looked around warily with his dagger-axe in hand.. Sweeping his gaze across the area, he immediately found the weak point and slashed down!
