### *Chapter 10: #Shi Xi Meeting Director At Night #Hot Search*

“Achoo!” In the room, Shi Xi sneezed, wondering who was thinking about her. It couldn’t be Xie Yunzhou?

Shi Xi was aggrieved. She clearly did not do anything ah!

How did she end up offending the big bad guy?

“Huh? Xiao Xi, you do not go home to live?” The director saw when Shi Xi appeared in the hotel, asking with some doubt.

Shi Xi held the room card in her hand. “This place is close to the production team, so I won’t be staying at home for a while.”

The director patted Shi Xi’s shoulder in relief. “Not bad, not bad. You did well today. If there’s anything unclear about the script, you can come and find me anytime.”

Shi Xi nodded, her eyes shining. “I’ll definitely study the script well!”

She had to earn money!

The two of them entered the elevator together. The director said with a sigh, “Finish filming this drama properly. As long as nothing happens, it will definitely become popular.”

Shi Xi’s looks were outstanding. She was the type that the gods would chase after to feed.

As long as she did not seek death, she could make a name for herself in the entertainment industry just based on her looks.

However, just as the two of them entered the elevator, a long camera extended out from the greenery and aimed at the two of them.

.....

..

Shi Xi returned to her room and her phone rang.

When she picked it up, she heard the threat from the other side.

“I have photos of you and the director getting a room together. If you don’t want these photos to be leaked, prepare 500,000—”

Shi Xi: “Are you crazy?”

Shi Xi, who thought that they were a liar, instantly hung up the phone. She did not forget to blacklist them as well.

She was so sleepy that she quickly went to sleep.

Thinking that she would have to deal with the male protagonist’s family in two days, Shi Xi felt hopeless in life.

How could she get rid of this lousy engagement?

She was so annoyed that she couldn’t sleep.

Three minutes later, Shi Xi was already dead asleep.

The silent cell phone kept flashing on the bedside table. Shi Xi just turned over and covered her head with the quilt.

Weibo.

The paparazzi took a photo of Shi Xi. They wanted to threaten Shi Xi and get her to pay for it.

They didn’t expect Shi Xi to hang up on them!

The paparazzi was so angry that they directly linked their marketing accounts and exposed this video.

Times were changing. The video of Shi Xi opening a room and entering the elevator with the director was especially clear.

It was so clear that they could clearly see Shi Xi’s beauty.

[Oh my god, my sister is so beautiful! Her eyes are really dark and bright!]

[Sister Shi Xi is sweet and cute. I didn’t expect her to follow the unspoken rules. What a pity.]

[Don’t get close to the entertainment industry. You’ll become unlucky.]

[The director is so disgusting. He’s already forty years old, right? Can an old cow eat young grass? Can he eat it?]

[I originally quite liked Shi Xi, but I didn’t expect her to be this kind of person. It turns out that her previous innocence was all for sale.]

[No way, no way, no way. Don't tell me that people really believe that there are still innocent girls in the entertainment industry?]

[...]

The public opinions were all directed at Shi Xi.

Shi Xi's Weibo originally only had 24,000,000 fans, and more than half of them were zombie fans.

In the end, when this black trending search came up, the number of fans soared by 100,000, and it was even increasing.

[Big Sister is so beautiful. I want to be Big Sister's puppy.]

[??? Something's wrong with you.]

[Shi Xi is a fair, rich, and beautiful woman. How could she have any unspoken rules? There must be some misunderstanding.]

[The video has already been released, and there's still a misunderstanding?]

The sudden appearance of the dark material and the comments made Shi Xi become familiar overnight. Many netizens began to dig into her past through her Weibo.

However, in an instant, the trending topic was removed. All topics related to Shi Xi were blocked and could no longer be discussed.
