

The Fake 121

Chapter 121: Paying So Much Attention To My Actions. Do You Like Me?

After hanging up, Shi Xi placed her phone by her bed and prepared to sleep soundly.

The engagement party with Sheng Yan was postponed.

Hehe.

Stay away from the plot (v)

[It's just postponing the engagement party, not canceling the engagement.] The system suddenly came online and reminded, [Don't be happy too early.]

Shi Xi thought of this lousy system and said, "Then can't I be happy?"

System: [Yes.]

Shi Xi was no longer happy after being interrupted like this. She asked, "What other plot points are there next?"

When she was reading the novel back then, because there were too many plot points in the middle, she was jumping around and watching. She couldn't remember many of the plot points clearly — it wasn't that she couldn't remember, but she didn't read them at all!

The system said, [I don't have any plot points for you recently, so you can focus on recording.]

Shi Xi exhaled and prepared to lie down to sleep.

It seemed that at least she would be able to live a good life.

As for whether Tao Yuxuan and Leng Qiankun would be slapped in the face, Shi Xi didn't care at all.

If they wanted to die, she couldn't stop them.

They slept through the night until dawn.

Xie Yunzhou brought breakfast as usual. Shi Xi treated him like a waiter and ate the breakfast calmly.

From the hotel, Shi Xi found that there were more people hiding beside the hotel to take photos than yesterday.

Shi Xi was slightly surprised. "Why are there so many people?"

Could it be that they were all here to take photos of her?

But she didn't have any makeup on!

Shi Xi took out a mask from her bag and prepared to put it on.

“They heard that CY was staying in this hotel and wanted to see CY’s true appearance.” Shuo Nan’s mocking voice sounded from behind her. He didn’t forget to mock her, “It’s not to film you, you don’t have to wear a mask so urgently.”

Shi Xi heard Shuo Nan’s voice and turned to size him up. She smiled and said, “You’re paying so much attention to my actions. Do you like me?”

Shuo Nan was so shocked that he took two steps back. “What, what are you talking about!”

The girl’s big black eyes smiled like a crescent moon as she approached Shuo Nan. “If you don’t like me, why do you keep saying words and picking on me? Aren’t you trying to get my attention?”

Shuo Nan gritted his teeth and took two more steps back. He said in a low voice, “Don’t talk nonsense!”

They were so close in broad daylight. If the paparazzi caught them, how could they explain it clearly!?

“I’m not talking nonsense.” Shi Xi had long wanted to cure this Shuo Nan who couldn’t stand her, so she deliberately dragged out her words. She said, “This kind of small trick of deliberately causing trouble to attract the attention of the girl you like is already outdated. Why don’t you find another way to attract my attention?”

Shuo Nan clenched his fists. “Who likes you? Don’t flatter yourself!”

Shi Xi blinked her beautiful eyes and asked, “Then why do you always go against me?”

Shuo Nan looked at the beautiful girl in front of him and suddenly turned his head. He said stubbornly, “When did I go against you?”

“Is that so?” Shi Xi wanted to continue asking.

At this moment, Ai Yi came out from the side.

Shuo Nan strode towards Ai Yi and urged, “Why are you so slow? Get in the car soon!”

After avoiding Shi Xi’s question, Shuo Nan heaved a sigh of relief.

After getting in the car, Ai Yi smiled and said, “What were you talking with Shi Xi about just now?”

“Who was talking to her?” Shuo Nan evaded his gaze.

“Puppy was talking to me just now.” Shi Xi walked into the car and sat in front.

Shuo Nan: “?!”

Ai Yi pressed down on Shuo Nan and held back his laughter. “Why did you provoke her?”

It was like two primary school students quarreling.

“You don’t even know how much she has gone overboard!” Shuo Nan gritted his teeth and wanted to sue Shi Xi for her crimes.

However, the culprit turned around. “How much have I gone overboard?”

Shuo Nan: “?!!”

Chapter 122: Shi Xi, Number One In the Domestic Draft

Shuo Nan shut his mouth and simply ignored Shi Xi.

Ai Yi looked at Shi Xi and then at Shuo Nan. "Did the two of you quarrel?"

"No."

"No." Shi Xi smiled and said, "Teacher Shuo Nan is just shy."

Ai Yi was surprised. "Shy?"

"She's spouting nonsense!" He really did not like Shi Xi!

He just couldn't stand seeing the program team cramming people and turning a vase that didn't know anything into a teacher, so he was always targeting Shi Xi.

Suddenly, there was a commotion outside.

"CY! CY has appeared!"

"Quick, take a photo!"

"Ahhh, CY is so handsome, I want to give birth to a monkey for you!"

The sound outside the car resounded through the clouds. Shi Xi couldn't help but look outside. But she only saw a figure wearing a hat entering the hotel. She asked, "Who's CY?"

Shuo Nan wanted to say something, but when he thought that it was Shi Xi's words, he held back.

"CY is a god gamer in World of Martial Arts Dream. I heard that World of Martial Arts Dream is holding an anniversary celebration recently and invited CY. These people outside are all here for him." Ai Yi sighed. "I didn't think that he would stay in the same hotel as us."

"I see." Shi Xi was deep in thought and sat back down.

Shuo Nan resisted the urge to speak and closed his eyes to rest.

Shi Xi thought of something and asked the system, 'That CY, is he Ning Yu?'

System: [Yes.]

Shi Xi: "..."

She knew it!

She knew it!!

As an important supporting actress, how could she miss an important plot!?

'Why am I still able to meet Ning Yu even though I'm hiding in Yanjing?!' Shi Xi cried in anger.

The system comforted her: [Don't worry, this plot has nothing to do with you.]

Shi Xi: 'I don't believe you, unless you tell me the plot.'

The system: [Ning Yu played a male character and was suspected of being gay online. At the same time, she was framed by the gang members. Ning Yu personally appeared and slapped everyone in the face.]

'I see.' Shi Xi heaved a sigh of relief. 'It's good that it has nothing to do with me.'

Shen Hanquan and Zheng Feicai also got into the car and started the engine.

Shi Xi greeted the two of them and started to play with her phone.

She was not familiar with these people and did not know what to talk about. She could only use her phone to ease the awkwardness.

..

[Star Idol] was recorded and broadcast at the same time.

After the initial stage recording was completed, the first episode (1) was broadcast first.

However, the first episode (1) had four teacher stages, and the discussion was not as good as #Shi Xi Being the Star Idol Teacher#.

[Based on what? Based on what? Why should Shi Xi be the teacher??]

[What achievements does Shi Xi have? What ability does she have to be the teacher for this group of trainees? I'm so angry that I'm crying!]

[So disgusting. Does this lousy program team know how to find someone? Who wants to see a woman in the male team's talent show?]

[If there's Shi Xi, I won't watch! Boycott Shi Xi!]

After the first episode was released, the most discussed topic wasn't Shen Hanquan or Bai Cangyang.

Instead, it was Shi Xi, this popularity teacher.

[Popularity teacher? I think it's an angry teacher! I'm so angry that I can't eat anymore!]

[I'm begging for an edited version without Shi Xi!]

[Ha, does Shi Xi know how to sing and dance? Does she know what an idol is? Does she understand? Does she even understand? Out of the five mentors, she's the only one who doesn't have a show. Don't you understand why?]

[By relying on her own strength to lower the quality of the program team, Shi Xi is truly the number one talent show contestant in the country.]

All sorts of insults and criticisms were hurled at Shi Xi.

The fans naturally wouldn't just sit idly by.

[There's another person who's incompetent and furious. I'm dying of laughter. Shi Xi is going to be a popularity coach. Why are so many people acting like their country was invaded?]

Chapter 123: The Heiress of Conglomerate x The Gigolo of the Entertainment Industry

[Xi Xi's resources are so good. Who's angry? So it's the sour guys!]

[As expected of a popularity coach. Shi Xi is really giving the show a free trending search.]

[It's hilarious. Shi Xi has been sitting in her seat for the entire episode, safe and sound. She hasn't said a word the entire time. How can she be scolded like this?]

At this stage, Shi Xi indeed did not say much.

When the camera landed on Shi Xi, she would always be beautiful.

Her long pink hair fell on her chest. Under her long and narrow eyelashes, her pair of bright black eyes were filled with seriousness. She was still holding a pen in her hand as she seriously jotted down her notes. The pink diamond on her wrist flickered as she moved.

The girl was originally fair and beautiful. Her bright eyes were kind, and the sparkling light made her look even more beautiful.

[Let's not talk about anything else. Shi Xi is really beautiful.]

[Let me live with this face for one day. I'll be able to rest in peace for the rest of my life.]

[The capital behind Shi Xi is really heaven-defying! She has only been in the entertainment industry for a short period of time, and she's already become a mentor! Which of the people who sit with her doesn't have a masterpiece? Doesn't Shi Xi feel ashamed?]

Not only was Shi Xi not ashamed, she became more and more confident.

After the first episode (1) was broadcast, most of the people who participated in the discussion were mentor fans.

Other than the mentors, the fans who attracted the most fans were the first A-List singer, Bai Cangyang, and the limpid singer, Li Jinfan. Bai Cangyang was an all-rounder in singing and rap. He had a cheerful personality and was handsome. Li Jinfan's voice was limpid. He had failed in the PK and entered Class F, so he had attracted a large number of fans.

Both of them were important members of the program team. After the broadcast of the program, as expected, they received a lot of attention.

But the most outstanding thing was still Shi Xi's beauty.

The #Shi Xi Pink Hair# topic was full of screenshots and animations of fans or dogs. The number of readers was high.

Many people directly changed their profile pictures to Shi Xi's pink hairstyle.

But other than that, the discussion in the first episode was very little.

The director team looked at the data in the first episode and felt that it didn't meet the standards they wanted.

They wanted more fans to be attracted to the trainees and not Shi Xi.

"Forget it. We'll see what happens after the initial stage is over."

The director was helpless about this phenomenon.

In the first episode (2), Shi Xi and Shuo Nan argued over Pei Jie's rating and were edited to broadcast it.

["Eh, two A's and two B's." Shi Xi smiled faintly. "Looks like my vote is crucial!"]

"Teacher Shi Xi," Shuo Nan argued, "Pei Jie's dancing is very explosive. He definitely deserves an A!"

Shi Xi smiled. "A rank."]

The conversation between the two of them had all been cut, leaving only a friendly discussion.

[Ahhhhh! I hit something!]

[So sweet! The daughter of a rich tycoon, the gigolo of the entertainment industry! Hit!]

[The way Shi Xi looks at Shuo Nan is so doting. Sob, sob, sob, my beautiful sister has fallen in love.]

[Although the two of them sat the furthest away, Shuo Nan would take the initiative to ask Shi Xi for votes instead of Ai Yi, who is the closest to him. Ai Yi is clearly the closest to him.]

[Ai Yi is just a tool, haha.]

[Ai Yi: Are you polite?]

The interaction between the two attracted groups of CP fans one after another.

Because Shi Xi had someone backing her, the program team did not dare to maliciously edit Shi Xi, portraying her image as a vase beauty.

As for those words that were used against Shuo Nan, not a single word was edited out.

[CP fans are acting cute in their own circles. There's no need to spread their presence everywhere.]

[Xi Xi is just being polite to everyone.]

[Shuo Nan is only 19 years old. He's not in love! A certain female artist should stay away from him!]

Chapter 124: The More Exaggerated the Dream, The More the World Tries To Stop It

[A certain female artist? Why didn't you just say it was Shi Xi? I'm dying of laughter. Shi Xi is the daughter of a rich family and the school belle. How could she fall for a male artiste who hasn't even graduated from high school?]

[Huh? The two of them are just ordinary colleagues. It's too much of a fantasy for them to fall in love and become a couple. Let me take my Xi Xi away.]

[Hehe, a certain female artiste doesn't know anything about duet and dance at all. She just wants to take this job. Isn't she afraid of the backlash?]

[...]

The scuffle between the three groups of fans increased the popularity of [Star Idol] to another level.

And the only ones less popular than the two of them were Bai Cangyang, Li Jinfan, and the others.

Their performances were outstanding, but there were only nine spots for them to make their debut. The fans of each group tried their best to trample on the others, hoping to push themselves into the debut spots.

*

In the practice room.

After repeatedly watching the song and dance of the theme song on her phone, Shi Xi had already learned how to sing and dance the theme song.

She memorized the movements quickly, and with a little practice before going to bed, she had already grasped the essence of the dance.

However, the directing team did not need her to teach the students how to dance.

In the program, in addition to the sponsor, Shen Hanquan, and the dance instructor, Shuo Nan, there were two dance teachers who specialized in teaching the students how to dance.

In addition, the students could dance by themselves.

This was the charm of a talent show. There were a total of five practice rooms, but the number of teachers that could be taught was limited, and the learning progress varied.

If the members who learned first could take the initiative to teach the other members, they could gain a lot of favor.

This was what Bai Cangyang did.

Class A.

Bai Cangyang did not sleep the whole night and practiced his dance well. The next day, he helped his friends who did not learn to practice together with Class A, shouting the slogan "Stay in Class A".

Other classes had similar leaders who led the entire class to practice.

Shi Xi saw that the other instructors went to different classes according to the instructions, leaving only Class F for her.

Ah, the worst class...

Shi Xi, who had wanted to chat with her old friend Pei Jie, could only push open the door to Class F.

“Hello, instructor.”

“Hello, instructor!”

“Instructor~”

There were more than 20 people in Class F. when they saw Shi Xi enter, they all stood up to welcome her.

“Hi~” Shi Xi’s eyes were shallow. She asked, “How’s your practice going?”

The people in Class F looked at each other and did not dare to answer.

Most of the people who entered Class F were trainees who were useless at both singing and dancing.

Shi Xi’s gaze swept over them and changed to a different question. “What have you learned?”

One of the trainees said, “We’re still dancing.”

Even the dance teacher would prioritize teaching the first few classes.

There were more than 20 people in Class F, and only one tablet could be used for dancing.

Shi Xi said, “Dance to the music first. I want to see how many of you can do it.”

Although the group of young and strong trainees was taller than Shi Xi, their imposing manner was steadily suppressed by Shi Xi.

Shi Xi stood at the front and played music.

“Break through the shackles of the galaxy, advance without backing down!”

“The fire in my heart burns with endless depravity!”

The trainees of Class F said that they did not know how to do it. Most of them could not keep up with the rhythm anymore and stopped, not knowing what to do.

However, a few of them had already learned it and were still dancing.

Shi Xi did not stop the music and looked at the few people who were still dancing.

“If it’s the stars, then go and shine. If it’s the dream, then go and break through alone.”

“The more exaggerated the dream, the more the world tries to stop it.”

Class F had a total of 22 people. Only one person dropped down from above.

Li Jinfan.

Pei Jie’s teammate.

The music stopped. Li Jinfan made his final ending.

When Li Jinfan smiled, his entire person seemed to exude happiness. When he looked at others, his bright black eyes were wet. He looked like a little puppy that had not experienced the world. His smile was clear.

Chapter 125: Teacher Shuo Nan's Eyes, He Really Should Go To the Hospital To Have a Look At Them

Shi Xi took the lead in clapping and complimented, "I remember that you sang very well. I didn't expect you to learn dance so quickly."

Although there were some mistakes in the process, they had all learned it in just one night. It was already barely satisfactory.

"Thank you, Sister Xi." Li Jinfan looked at Shi Xi with bright eyes. He did not address her as distantly as others.

Shi Xi thought to herself, 'As expected of a four-star trainee. His vocal music was so outstanding, and he also learned dance so quickly.'

"I think most people are still not familiar with the movements, so I'll teach them from the beginning." Shi Xi stood at the front and said, "I'll break down the movements, and you guys can learn from me, okay?"

The trainees from Class F looked at Shi Xi, wondering if Shi Xi really knew how to dance.

However, Shi Xi had already started teaching.

Moreover, she was teaching very carefully!

..

Shuo Nan first went to Class A. Most of the students in this class learned to dance very quickly. Not only did he learn quickly, but Bai Cangyang also taught the rest of the class.

Shuo Nan only went to take a look and then corrected a few movements before Class A's teaching ended.

"Eh? Is there one less person in your class?" Shuo Nan looked at the eight students from Class A and asked, "Where's Pei Jie?"

Bai Cangyang smiled. "Pei Jie is in Class B."

Another person explained, "A few of his roommates are in Class B, so they dragged Pei Jie to teach."

Shuo Nan went to Class B and indeed saw Pei Jie teaching Class B.

Among the group of trainees dressed in blue, Pei Jie was wearing Class A clothes, which was especially eye-catching.

Shuo Nan nodded slightly. Class B had Pei Jie, who was an excellent dancer. He only gave a few pointers before continuing on to the next class.

The work went smoothly.

It wasn't until Shuo Nan pushed open the door to Class F that he heard a sweet, young girl's voice.

"Everyone, you've practiced well. Shall we dance together?"

"Yes!" The majestic male voices almost toppled the roof.

Shuo Nan: "??"

He had never seen the trainees so energetic.

"Teacher Shuo Nan?"

"Teacher, hello!"

"Teacher, hello."

After Shuo Nan entered the door, the trainees from Class F saw him and greeted him one after another.

"Good. How's your training going?" Shuo Nan ignored Shi Xi and asked the trainees.

The trainees replied, "It's alright."

"It's alright."

"It's almost done."

Only then did Shuo Nan look at Shi Xi, as if he had just seen Shi Xi. He asked in surprise, "Teacher Shi Xi is here too? What are you teaching?"

Shi Xi smiled and said, "Anyone with eyes can see it. I'm teaching the theme song. Teacher Shuo Nan's eyes really need to be checked in the hospital."

Shuo Nan took a deep breath and said, "I'll bear with it."

"Thank you for Teacher Shi Xi's concern." Shuo Nan sized Shi Xi up and said disdainfully, "You're teaching the theme song? Do you know it?"

The atmosphere between the two of them was stiff. With such a direct confrontation, the people from Class F were stunned.

They were arguing just like that?

The cameras were still running!

As expected of a teacher!

"What? Only you are allowed to know the theme song, and no one else is allowed to know it?" Shi Xi raised her chin slightly, her gaze arrogant.

The girl's appearance was already outstanding. Her pink curly hair was scattered, and there was only a diamond hair clip on it, sparkling. Her skin was fair, and her makeup was exquisite. There were even sparkles under her eyes.

She was standing by the window, against the light. When she raised her head arrogantly, her entire body was glowing.

Shuo Nan knew that he would never be able to beat Shi Xi, so he could only turn to the trainees and say, "You guys dance once. I'll see how you guys are doing."

Shi Xi couldn't be bothered to argue with this person, so she simply sat to the side and drank water.

The trainees heaved a sigh of relief.

It seemed that the relationship between the two mentors didn't look too good.

Chapter 126: Perfect Goddess Script + All-Rounded Teacher Script

The music played, and the trainees of Class F danced to the theme song together.

Shuo Nan looked at their movements and was a little surprised.

When he had come from Class A, he had discovered that whether it was the stripping lessons or the trainees who were learning from the teacher, there were a few movements that were very sloppy. However, the movements of the trainees in Class F were very standard. Some of them forgot their movements and looked at the others before continuing to jump.

Overall, they actually learned better than those in Class B!

"Not bad!" Shuo Nan applauded and praised, "Practice it well. Don't forget your movements. Just practice it a few more times. Especially Li Jinfan, you danced very well!"

Li Jinfan, who was praised, smiled brightly and said innocently, "It's Sister Xi who taught us well."

"Sister Xi?" Shuo Nan looked at Shi Xi in disbelief, "You mean, Shi Xi taught you?"

Li Jinfan nodded vigorously, "Sister Xi has been very patient in teaching us just now!"

Shi Xi raised her chin slightly and said, "This is what I should do."

Shuo Nan wanted to say: You know how to dance?

Looking at the camera beside him, Shuo Nan held back.

He could not lose his job because of Shi Xi.

Although the second episode was not broadcast, in order to maintain its popularity, the trailer was released very quickly.

In the middle, Bai Canyang led a team to practice dancing, Li Jinfan stayed up all night to practice, and the instructor taught the dance —

Wait a minute?!

Shi Xi teaching the theme song?!

When the netizens saw Shi Xi standing in front of the practice room teaching the theme song in the trailer, they were all stunned.

Although Shi Xi only had three seconds of the trailer, they could still clearly see that it was Shi Xi teaching the theme song.

[Am I blind or has the program team gone crazy? Shi Xi Sect's theme song? She knows how to dance?]

[How is this a talent show? Is this paving the way for Shi Xi? The first episode is the perfect goddess script, the second episode of the all-rounded teacher script. Is the program team is Shi Xi's biological mother? They're so supportive of Shi Xi??]

[I hope the program team understands that we want to watch the male team's talent show and not someone else make a debut.]

[It's so disgusting. How can we get Shi Xi not to participate in the talent show? Why would she come to the male team to eat traffic?]

[Shi Xi doesn't need a rating. She's delaying the trainee's time! If she can't teach well, she won't affect herself. What's affected is the future of the trainees in Class F!]

[The people in Class F are already on the brink of danger. If they're delayed by Shi Xi for so long... How pitiful. Li Jinfan is in Class F. It can't be that he's going to be eliminated in the next round, right? Won't Shi Xi feel guilty?]

In an instant, the negative comments that blotted out the sky surrounded Shi Xi.

When the fans saw this trailer, they were all shocked.

Ji Yin watched the trailer over and over again, but she still couldn't figure out what the trailer was trying to say.

“The program team is deliberately editing Shi Xi to get more traffic!”

After many speculations from the fans, they finally pointed the blame at the program team.

[Shi Xi is a popularity coach, not a dance coach. I hope the program team will take Shi Xi's position seriously!]

[Please don't use Shi Xi as a diversion tool.]

[Shi Xi has been scolded ever since she took part in the program. She has been scolded for not doing anything. What a beauty.]

[...]

However, no matter what the fans said, the netizens would not let go of Shi Xi.

[If she didn't want to teach herself, how could the program team force her to teach? Why didn't they say that it would affect the progress of Class F?]

[Shi Xi is really stupid and bad.]

[I heard that Shi Xi wanted to use the all-rounded teacher persona. The program team had no choice but to let her teach Class F. It's a pity that they didn't have much time to learn the theme song to begin with, and Class F lost another day.]

[Shi Xi's teaching seems to be wrong... The trainees of Class F are really miserable.]

Chapter 127: 4:00 AM Is the Best Time To Work

The three-second trailer for instructor Shi Xi caused a huge stir on the internet.

There were more discussions about Shi Xi than about the entire program team.

Shi Xi's anti-fans scolded the program team for not treating the trainees as human beings.

Shi Xi's fans scolded the program team for arranging chaotic editing.

Even Han Chuan called the program team and asked them what they meant. Why were they doing this to Shi Xi?

Program team: F*ck, we really do not mean to cut it!

The program team was wronged to death, they not only did not do an evil cut, but also cut Shi Xi and Shuo Nan's strange dialogue to cut.

That was all they had?

Program team:

I'm done!

Do whatever you want with this clip!

The program team sent to Han Chuan a clip of Shi Xi's teaching, [This is the next feature film to be released. It originally cannot be leaked before broadcast.] Now in order to prove their innocence, they sent this to Han Chuan, an outsider.

After Han Chuan watched the video, he fell silent.

Shi Xi really knew how to dance...

Just as the program team was being scolded to the point of being wronged...

The director: "Eh? The views have increased again! There are investors who want to join? There are several investors?"

The program team: Set the table and continue working.

As long as there is money, everything will be fine.

What was the point of being scolded?

There were still a few days before the second episode of the main film was broadcast. Other than practicing, the trainees were practicing.

They had taught everything they could. Now, it was up to their own hard work.

Hard work made up for bad work.

..

Shi Xi stretched lazily.

There was no need to record today. She was happy.

She turned on her phone and saw the entertainment news feed.

[Shi Xi taught the theme song wrong. Trainees broke down and cried on the spot.]

Shi Xi: “???”

She knew that after the trailer of her teaching the trainees came out, there were many anti-fans who mocked her.

But she didn't expect that this idiom, 'spreading rumors', would actually come to life on her.

When Shi Xi clicked on this news, everyone below was scolding her.

Anyone who spoke up for her would be scolded along with the haters.

Miserable.

Han Chuan had sent her a message before, telling her not to talk nonsense and to wait for the program team to release the main episode.

The harsher the scolding was now, the better the contrast would be when the main episode was broadcast.

The program team had the same thought.

Shi Xi got up lazily and prepared to go to the hotel's restaurant for dinner.

She initially thought that Xie Yunzhou had moved in next to her because he wanted to chase after her.

But in the past few days, Xie Yunzhou had been busy with work and would only occasionally come to find her for dinner.

So, he really was only here on business.

After Shi Xi came to this conclusion, she felt much more at ease.

Why would the big boss villain like her?

Just when Shi Xi thought that there would be no recording today and that she would be able to lie down happily and easily, Han Chuan knocked on the door and came in.

“Get up and start filming.”

Shi Xi sniffled. “I thought there was no recording today?”

Han Chuan: “[Star Idol] is not recording today. You’re going to shoot a promotional video for World of Martial Arts Dream.”

Shi Xi scratched her head. “What?”

Han Chuan: “...I sent you a message last night. Didn’t you read it?”

Shi Xi picked up her phone and tapped into WeChat. She saw the message that Han Chuan had sent her at four in the morning, telling her to prepare to shoot a promotional video for ‘World of Martial Arts Dream’.

“Was this last night? This is today at four in the morning! You’re not sleeping at four in the morning?” Shi Xi was shocked.

Han Chuan was expressionless. “Four in the morning, it’s a great time to officially work.”

Shi Xi expressed that she did not understand Han Chuan’s working hours.

“Why would ‘World of Martial Arts Dream’ ask me to shoot a promotional video? Did you help me get resources?” Shi Xi asked.

“No, it was the game’s promotional initiative.” Han Chuan hesitated for a moment and said, “I heard that it was recommended by a god in the game.”

Shi Xi was puzzled. “God?”

Han Chuan said, “What’s his name... CY? I think it’s this.”

Ning Yu recommended her?

Shi Xi’s eyes widened in surprise.

Why would Ning Yu recommend her to shoot a promotional video for ‘World of Martial Arts Dream’?

*

The Sheng Family.

Father Shi and Shi Xu brought gifts to their house and proposed to postpone the engagement for two years.

After hearing this, Father Sheng’s expression didn’t look too good.

Sheng Yan said straightforwardly, “Ha, you say that the engagement is going to be postponed?”

Father Sheng glanced at him and said indifferently, “How can you talk to your elders like this?”

“Am I wrong?” Sheng Yan stood up and put on his cufflinks. “I don’t agree to cancel the engagement party. I have something to do at the company, so I’ll excuse myself.”

Chapter 128: Can’t a Fairy Dye Her Hair?

With that, Sheng Yan strode away, not giving anyone the chance to refute him.

Shi Xu frowned slightly.

Previously, Sheng Yan was clearly not interested in Xi Xi and should have been in a hurry to break off the engagement!

How could this be?

Father Sheng coughed and said seriously, “Brother Shi, it was you who suggested to hold the engagement party. Now that you’ve said to postpone it, forgive us for not agreeing to it.”

Father Shi sighed. “It was me who didn’t think it through. Xi Xi is going out to record recently, and Sheng Yan is busy with the company’s operations. Since the two of them are so busy, why don’t we give them more time?”

“No matter how busy they are, they can at least find time to get engaged, right?” Mother Sheng sneered and said, “Getting engaged is a matter between the two children. Sheng Yan’s meaning is our meaning.”

The discussion about postponing the engagement banquet ended unhappily.

Outside the Sheng family’s door.

“They don’t agree to the postponement.” Father Shi looked at Shi Xu.

“Yes.” Shi Xu sighed. He thought this matter would be very simple.

He didn’t expect the Sheng family to disagree.

“What are you going to do?” Father Shi asked.

Shi Xu had already accepted Xie Yunzhou’s contract and promised Xie Yunzhou to postpone the engagement, but now he didn’t do it.

“Let’s take it one step at a time,” Shi Xu muttered. “I’ll ask Sheng Yan out and ask him what he thinks.”

Father Shi nodded.

As long as Sheng Yan agreed, the rest of the Sheng family would not be a problem.

*

At this moment, Shi Xi had just arrived at the recording studio of ‘World of Martial Arts Dream’.

The director of the promotional video held the script in his hands and explained the scene to Shi Xi. He said, “This promotional video of ours doesn’t have any lines. We only need Miss Shi to coordinate a few movements. Has Miss Shi played ‘World of Martial Arts Dream’ before?”

“Yes.” Shi Xi yawned when she heard the director’s words.

“That’s great!” The director smiled and said, “The character that Miss Shi is playing this time is Ling Xue’er!”

Shi Xi didn’t finish yawning and retracted her yawn. “Who?”

“Ling Xue’er!”

Shi Xi was startled awake. “I’m playing Ling Xue’er? Aren’t you afraid of being scolded?”

Ling Xue’er was the most popular game character in ‘World of Martial Arts Dream’!

Director: ...How do you deal with an artist who is too honest?

“Miss Shi’s reputation on the internet is quite good.” The director chuckled and forced a smile.

Shi Xi was deep in thought and said, “You guys are really brave.”

For the first time, the director felt that the word ‘brave’ was not a compliment.

“Cough, Miss Shi, put on your makeup first!” The director decided to skip this topic and let the makeup artist come over to put on Shi Xi’s makeup.

When the makeup artist saw Shi Xi, she touched Shi Xi’s hair and asked, “Miss Shi, your hair looks very good.”

Shi Xi resisted the urge to snatch her hair back and smiled. “Thank you.” Don’t touch my hair!

The makeup artist: “It matches the style this time!”

Shi Xi was slightly surprised. “Isn’t Ling Xue’er white-haired?”

In ‘World of Martial Arts Dream’, Ling Xue’er was the fairy who controlled the falling snow, also known as the Snow Fairy. She wore a white dress that could topple cities and was cold and unapproachable.

The makeup artist said, “Xue’er has new skin. She has pink hair and a purple dress. She also has long boots.”

Shi Xi could not help but ask, “Isn’t Xue’er a fairy?”

The makeup artist was silent for a moment. “Can’t fairies dye their hair?”

Shi Xi said, “...They can.”

Moreover, white hair was easier to dye.

Ling Xue’er was the most popular female character in ‘World of Martial Arts Dream’. She was originally the daughter of the City Lord of Yuan City, the carefree daughter of a wealthy family.

However, the World of Desire invaded and released Ming Li Fire, wanting to burn Yuan City to ashes.

The Ming Li Fire burned fiercely, and no one could save it.

Ling Xue’er used the rest of her life to exchange for heavy rain.

Lightning flashed, thunder rumbled, and heavy rain poured down, but it still could not extinguish the Ming Li Fire.

Chapter 129: Refund!

Ling Xue'er was at the end of her lifespan. She knelt in the heavy rain, "I am willing to live and die with Yuan City. If the city is here, I will be here. If the city is destroyed, I will die."

Ling Xue'er looked at the burning flames and staggered into the flames.

However, when the flames met Ling Xue'er's blood, they were extinguished.

After Ling Xue'er discovered that the Ming Li Fire could be extinguished by her own blood, she cut her wrist and condensed her blood into red snow before it landed on Yuan City, until the last drop of her blood flowed out.

The Heavenly Emperor was moved by Ling Xue'er and used the ten-thousand-year-old ice jade to stabilize Ling Xue'er's soul. He appointed her as the Snow Fairy and controlled the snow that fell from the sky.

However, because Ling Xue'er lost her blood and lifespan, her body no longer had any vitality. Her black hair became white like snow and her personality was like ice.

..

In the game, the plot of Ling Xue'er lying in the red snow made many people who had just entered the game cry.

No matter how many female characters appeared, Ling Xue'er was forever the white moonlight in the hearts of players.

Shi Xi also liked Ling Xue'er, but she could not act out Ling Xue'er's elegant and noble character!

After putting on makeup, Shi Xi saw the clothes this time.

"It's very beautiful!" Shi Xi's eyes lit up.

Ling Xue'er had always been dressed in white clothes and had white hair. The two new clothes that had appeared before were also white traditional dresses, but there were many patterns on them.

But this time, the publicity team had made a bright purple dress, and the accessories were very beautiful.

The director laughed out loud and said, "The content of the shoot this time is Xue'er's carefree days in Yuan City."

Ling Xue'er was originally the carefree daughter of a rich family, but she was forced to grow up because she wanted to conquer the world.

Shi Xi heaved a sigh of relief. "That's good."

The director said, "Miss Shi, if you're ready, we'll start filming."

The director was originally afraid that the actress he had hired would not be able to act well. Hence, when he was writing the script, he did not set up any complicated plots.

After all, this scene was to be filmed on the green screen. The background would be added later on.

The news that Shi Xi was going to shoot a promotional video for 'World of Martial Arts Dream' leaked out from god knows where.

When the players knew that Shi Xi was going to play the role of Ling Xue'er, they all stood up.

[Let Shi Xi play the role of Ling Xue'er? Even a mastermind without three years of mental illness wouldn't be able to come up with such a ridiculous plan!]

[Let Shi Xi promote? Does Shi Xi have as many fans as 'World of Martial Arts Dream'? What a joke! Who is promoting who?]

[If you dare to let Shi Xi promote, I will quit the game!]

[I demand a refund!!!]

The players in the game industry tried their best to resist. In their eyes, Shi Xi was just a scammer who bought fans. She was not worthy of the character Ling Xue'er.

When Shi Xi's fans heard the news, they were also very hesitant.

As long as they were players, they knew that they could not offend the game fans.

After all, in the game world, players were the fathers. If they scolded the game and scolded the official plan, the game's official plan could only obediently accept the scolding and optimize the game.

But in the entertainment industry, fans didn't dare to do that!

They held the title of xxx fans. If they cursed, people would say that the quality of xxx fans was really bad.

As Quan Gaoyi's former fan, Ji Yin didn't know the game world like the back of her hand. But she could be considered to know a thing or two about it.

After looking at the cause and effect online, Ji Yin quickly gave the order, [Report the other party's scolding words directly. Don't scold each other. Focus on cleaning the square and sending out Shi Xi's pictures more often.]

[Just pretend that there is no such publicity for 'World of Martial Arts Dream'!]

[Don't scold each other! Don't scold the game officials either! These few days, focus on posting beautiful pictures and reporting the artis!]

Ji Yin took the lead in playing dead. [My Xi Xi has been recording [Star Idol]. We don't even know about the unannounced resources.]

Chapter 130: The Wind Clears the Snow, A Dream of Red Snow

[No official announcements, no gossip!]

[No discussion on unofficial announcements!]

[Shi Xi is still recording [Star Idol]. How would she have time to shoot a game trailer? I can make up ten such fake stories in a day.]

[...]

Shi Xi's fans directly pretended to be dead, refusing to admit it.

Such a straightforward avoidance made the game players feel like they had punched cotton.

No matter how much they ridiculed and scolded Shi Xi, the fans of Shi Xi did not reply.

But slowly, some gamers realized that something was wrong.

Why were their accounts reported and banned?!

Ji Yin watched as the number of comments scolding Shi Xi gradually decreased. She said to the fans of the fan club, [Look, the gamers are very reasonable. As long as they explain clearly, no one will scold them.]

Banned gamers: F*ck, I still want to scold them, but I've been reported all this time! =!

Just as everyone thought that this matter was a blunder and was about to pass, the official Weibo of 'World of Martial Arts Dream' suddenly posted on Weibo.

@World of Martial Arts Dream Official: [The wind clears the moon, a dream of red snow. [promotional video]]

Following that, they also posted a long Weibo post, announcing the changes after the game update.

Everyone's hands trembled as they opened the video.

Shi Xi!

F*ck!

Shi Xi's haters and some gamers who couldn't stand Shi Xi started cursing.

[Dog game, abandoned!]

[Lousy game planner!]

[F*ck, a new skin is coming out! Xue'er's new skin is so beautiful!]

[Ah, Xue'er's new skin is so beautiful!!!]

[I want to buy Xue'er's new skin, but when I think about how Shi Xi promoted it, I feel disgusted and disgusted.]

[At that time, Shi Xi was cosplaying, right? I feel like Shi Xi's appearance is quite realistic.]

[After all, it's a cosplay from the game's official website.]

[Shi Xi is really beautiful! Ah, this promotional video is so well done!! Ahhh, I can still spend another 100 years watching this!]

[Don't stop me, I must get this costume!]

However, what was the nature of the game? There were always people who played 'World of Martial Arts Dream' as a dress-up game.

After the official announcement, everyone was in a heated discussion.

[How could Shi Xi's plastic surgery face be taken well?]

[Plastic surgery? Tell me in detail.]

[I heard about it too. When she was in school, she started to touch her face.]

[Shi Xi doesn't deserve it. Can you take a look at the video?]

[It's so funny. Is it just an empty appraisal of plastic surgery?]

#World of Martial Arts Dream Promotional Video#

The topic of discussion was too high and quickly became a hot topic. The girl on the cover was dressed in purple and had a sweet smile on her face. Even non-fans would click in to take a look.

Yuan City, Qi Qiao Festival.

A tree branch poked out from the wall of the city lord's residence.

Following that, the girl stuck her head out from the tree branch and her clear eyes rolled around. Seeing that no one was stopping her, she jumped down from the wall and ran towards the bustling street market.

The street was bustling with people, and the streets were filled with hawkers.

The carefree Ling Xue'er walked in Yuan City, looking left and right, her eyes lively.

Suddenly, a woman shouted, "There's a thief!"

After Ling Xue'er heard the voice, she looked over and saw a thief running away.

She immediately chased after him, but the thief ran very quickly. Ling Xue'er chased all the way to the city gate, took out a gold ingot, and smashed it on the back of the thief's head.

The thief got up and saw the guards in front of him.

He had been caught.

Ling Xue'er let the guards take the thief away and was about to return to continue playing when she saw her city lord father.

The girl smiled awkwardly and wanted to escape. In the end, the city lord grabbed her collar and dragged her back to the city lord's mansion.

In the city lord's mansion, wine was being exchanged.

Ling Xue'er saw that the adults were all drinking, so she secretly poured a cup and curved her eyes to taste it.
