*Chapter 14: High EQ Assistant*

Xie Yunzhou took the paper bag with mixed feelings.

It was clearly Shi Xi who had saved him, but Shi Xi acted as if she had done something wrong.

Was he that scary?

Xie Yunzhou sat down. "You saved me. Logically speaking, I should be the one to thank you."

Shi Xi quickly waved her hand. "No need, no need. It was nothing." Just don't feed me to the fish in the river in the future.

After sitting down, Shi Xi saw that the cup in front of Xie Yunzhou was empty, so she picked up the teapot and poured tea for him.

While pouring the tea, Shi Xi saw the sandalwood bracelet on Xie Yunzhou's wrist. The wooden beads reflected on his wrist, making his hand look even more beautiful. His fingers were long and thin, and his veins were protruding.

Drip, drip, drip—

Shi Xi, who was absent-minded, came back to her senses and saw that the tea had long overflowed and flowed along the edge of the table all the way to Xie Yunzhou's pants.

"I'm sorry!" Shi Xi hurriedly put down the teapot to get a tissue to wipe.

Xie Yunzhou held her hand and said in a low voice, "I'll do it myself."

Shi Xi went back to her seat, feeling as if she was in the villain Mogul's minefield repeatedly jumping.

She wouldn't be surprised if the next thing she knew, she was being thrown out to feed the fish.

.....

Sob, sob, sob! She was an ordinary big beauty. Why would meet such a terrible person ah? Sob, sob, sob!

Shi Xi wanted to cry, but no tears came out.

Fortunately, she had given him a pair of pants today. Xie Yunzhou put on the pants that Shi Xi had given him and pursed his thin lips tightly.

Just now, when the girl poured tea for him, she was only focused on staring at Shi Xi. He actually didn't notice that the tea was overflowing.

It was really strange.

After changing their clothes, the two of them quietly finished their meal.

Xie Yunzhou didn't know how to get along with the opposite sex. All the topics he could think of were related to the current financial situation.

Shi Xi probably did not want to hear this, right?

At this moment, Shi Xi was engrossed in her meal.

Thinking that this might be her last meal, Shi Xi felt extremely sad.

All the way until Xie Yunzhou sent Shi Xi back to the hotel, Shi Xi still could not believe it.

Did she actually save her life again?

After Shi Xi got out of the car, she smiled sincerely at Xie Yunzhou and said, "Thank you!" It seemed that the big villain still had a conscience!

Xie Yunzhou saw how happy Shi Xi was to leave him, and the corner of his lips pressed down.

He had never bullied Shi Xi before, so why didn't Shi Xi like him?

Because Shi Xi liked Sheng Yan?

Thinking about the time when the girl was with him and always thinking about another man, Xie Yunzhou's mood instantly turned sour.

"What time do you get off work tomorrow?" Xie Yunzhou asked.

"Ah?" Shi Xi was slightly startled. "Are you still going to treat me to dinner?"

Xie Yunzhou raised his cold eyes. "Is that not possible?"

"Of course!" Shi Xi took a step back, thinking to herself that the character of a big shot villain was really unpredictable. "But I don't have time tomorrow. I have to go to Sheng Yan's house at noon and shoot at night. I might have to shoot until midnight."

"Got it." Xie Yunzhou rolled up the car window.

Shi Xi looked at the car leaving in the distance and was completely confused.

What the h\*ll was Xie Yunzhou doing?

Why was he always thinking of treating her to a meal?

Could it be that he wanted to fatten her up before feeding her to the fish?

Forget it, she wouldn't be able to guess that big boss' thoughts.

Shi Xi turned around and returned to the hotel.

In the car, Xie Yunzhou leaned against the back of his chair, in a bad mood.

The high EQ assistant in the front seat saw everything and wiped his sweat. He thought to himself, if the boss was chasing after Miss Shi like this, he wouldn't be able to get her even if he died!

The assistant asked, "President Xie, is that a gift from Miss Shi?"

Xie Yunzhou replied, "Yes."

The assistant hinted, "Do you need me to prepare a return gift for Miss Shi?"
