

The Fake 151

Chapter 151: Telling Leng Qiankun Not To Look For Ning Yu

Shen Hanquan's fans thought that he was being too long-winded.

Luckily, this was a live broadcast, so Shen Hanquan couldn't see the bullet screens.

"Original Dance Team versus Original Song Team. The winning team is –"

A burst of background music sounded, and Shen Hanquan announced the results: "Original Dance Team!"

When Pei Jie heard that they had won, he smiled and hugged his teammates to congratulate them.

When Shi Xi heard the result, she felt sorry for the Original Song Team.

The stage was supposed to be bright and gorgeous, but the lyrics did not have the upper hand.

However, the Original Song Team's 'Worry,' was later placed at the top of all the major music apps, and the number of views it received remained high.

These were all things to come.

In the performances that followed, the Rap Team was hot and handsome, and the entire venue was filled with excitement. The Singing and Dancing Team was domineering and mighty, and Bai Cangyang's group had a successful PK.

The first public performance of [Star Idol] ended smoothly.

Feng City.

After Leng Qiankun bought the cruise ship, he invited many friends to attend the cruise party.

Tao Yuxuan changed into her beautiful mermaid dress, got on the cruise ship, took out her phone, and started taking photos.

After taking the photos, Tao Yuxuan immediately shared them with her good friend: Shi Xi.

Tao Yuxuan: [Guess where I am?]

Shi Xi: [Leng Qiankun's cruise ship is in the water?]

Tao Yuxuan: [Yes, there are a lot of people here today! I even saw Sheng Yan and Brother Xu. Tsk tsk, that soil girl is here too.]

Shi Xi: "..."

Soil girl? It's Ning Yu.

Shi Xi: [Don't provoke her.]

Tao Yuxuan: [Don't worry, it's Leng Qiankun's banquet today. I won't cause any trouble.]

Shi Xi thought, 'So you're going to cause trouble for my banquet?'

Shi Xi: [Tell Leng Qiankun not to look for Ning Yu. Also, congratulate Leng Qiankun on my behalf. I have to record now.]

Tao Yuxuan: [Tell him yourself. It's not like you don't have his WeChat!]

There was no reply.

Tao Yuxuan had no choice but to put away her phone. She took two glasses of wine and went to look for Leng Qiankun.

However, she did not expect to meet Ning Yu first.

"Yo, did you lose your way on the cruise ship?" Tao Yuxuan could not help but taunt, "The banquet is in front. This is not the place for you to come. That's right, a person like you can't fit into our circle."

Ning Yu glanced at her and pretended not to hear her. She walked past Tao Yuxuan and left.

"How dare you ignore me?" Tao Yuxuan wanted to teach Ning Yu a lesson, but she couldn't spare the two glasses of wine in her hands. "Forget it, I'll let you off. I'll teach you a lesson next time!"

Ning Yu, who had left, tapped on her earpiece and said, "I've found the item. It's on the cruise ship."

The other party replied, "I'll apply for a search warrant now!"

*

"What are you doing here alone?" Tao Yuxuan looked around and finally found Leng Qiankun on the deck.

"Looking at the moon." Leng Qiankun asked, "What is Shi Xi Xi busy with?"

"Recording." Tao Yuxuan handed him a glass of wine and smiled. "Why? Do you miss her?"

Leng Qiankun did not answer. He took the wine and downed it in one gulp.

Tao Yuxuan leaned against the guardrail and said, "Xi Xi said, congratulations on the launch of Yunshang."

"Thank her." Leng Qiankun looked at Tao Yuxuan and said, "You don't have to stay here with me. Let's go to the banquet."

Tao Yuxuan had always liked a lively atmosphere.

"Alright. Anyway, I've already brought Xi Xi's message." Tao Yuxuan smiled and turned back.

After taking a few steps, Tao Yuxuan said, "Oh right, Ning Yu is also on the cruise ship. Xi Xi said that we shouldn't bully Ning Yu."

Leng Qiankun nodded and didn't take it to heart.

Tao Yuxuan was deep in thought. "Should we get someone to throw her into the water? I just saw her alone on the first floor."

Chapter 152: Diamonds Are Also Illegal Items?

Leng Qiankun seemed to have thought of something. He held the wine glass with his fingers and asked with a sinister look in his eyes, "Why did she go to the first floor?"

"I don't know. She must have lost her way." Tao Yuxuan said excitedly, "Do you want me to find someone to throw her into the water? A wild girl from the countryside should be able to swim. She can't drown."

"Shi Xi Xi will be angry," Leng Qiankun said calmly.

"Alright, I'll let that country girl go this time." Tao Yuxuan stretched her back. "I hope she won't wander around in front of me."

Leng Qiankun knocked on the empty wine glass. After thinking for a moment, he threw the wine glass into the water.

After a while, Leng Qiankun returned to the banquet.

The banquet was lively.

Suddenly, a few yachts sped up and surrounded them.

"Nice to meet you, Mr. Leng. I'm Cheng Yue, a special police officer from China." The policewoman who came from the yachts looked valiant and heroic. After she showed her identification card, she said, "I've received a report that you've hidden illegal items on this cruise ship. Please cooperate with our inspection."

The appearance of the special police officer made the atmosphere of the banquet freeze.

Leng Qiankun was unhurried. He said calmly, "Do you have a search warrant?"

Cheng Yue took out a search warrant.

Leng Qiankun looked at the time and moved aside. "Officer Cheng Yue, please check as soon as possible. Don't disturb my guests."

Cheng Yue frowned when she saw how calm Leng Qiankun was.

But her boss had already found that thing.

"Go and search!" Cheng Yue waved her hand and ordered her subordinates to start the inspection.

The banquet was forced to stop.

Shi Xu was still holding a wine glass in his hand. His index finger tapped lightly on the wall of the glass as his gaze swept across everyone present, deep in thought.

It seemed that this kid from the Leng family had done something incredible when he was outside.

Sheng Yan was eating the grape egg tarts as if he did not care about the situation on the stage at all.

Tao Yuxuan, on the other hand, was frowning deeply. She was worried that Leng Qiankun would be arrested again.

This was different from being caught for setting off fireworks!

Tao Yuxuan wanted to ask Shi Xi what to do.

But just as she took out her phone, she was stopped by a special police officer.

“Sorry, during the search period, contact with the outside world is prohibited.”

Tao Yuxuan’s eyes lit up when she saw that the special police officer was quite handsome. “Um, can you add me on WeChat?”

The special police officer: “...”

The search went on in an orderly manner. Cheng Yue went to the place Ning Yu had mentioned, but she did not find anything.

Ning Yu frowned when she saw Cheng Yue return empty-handed with a grave expression on her face.

How could she not find anything?

After searching for half an hour, Cheng Yue found nothing.

Leng Qiankun’s eyes were sharp. “Officer Cheng Yue, you don’t seem to have found anything!”

Cheng Yue took a deep breath. Just as she was about to call it a day, a special police officer ran over.

“Sister Cheng, we found a large number of diamonds in a parcel.”

The large number of diamonds mentioned by the special police officer was the size of a palm.

Cheng Yue asked, “Whose is this?”

Leng Qiankun took a look and said, “It’s not mine.”

The special police officer whispered into Cheng Yue’s ear.

Cheng Yue called out, “Mr. Xin Kaicheng, is this your diamond?”

Xin Kaicheng, who was called out, was a little flustered. “Yes, it’s mine.”

Cheng Yue asked, “Why did you bring so many diamonds?”

Xin kaicheng said, “I, I...”

“Officer Cheng Yue, are diamonds also illegal items?” Leng Qiankun interrupted Cheng Yue’s question.

“If they’re not illegal items, can’t I ask?” Cheng Yue picked up the bag and suddenly realized that something was wrong. She took out one, looked at the light, and said, “This diamond seems to be fake.”

Chapter 153: Cheng Yue Gives All the Fake Diamonds To Leng Qiankun

Leng Qiankun only took a glance and said, "They're fake."

Cheng Yue: "..."

In the crowd, Ning Yu made a hand gesture.

Cheng Yue gave all the fake diamonds to Leng Qiankun and said, "Retreat."

Leng Qiankun held the fake diamonds in his hand and smiled evilly. "Officer Cheng Yue, you came and you're leaving just like that?"

Cheng Yue stopped in her tracks and took a glass of wine. "I'm sorry. I made a mistake with my intel this time. I'll punish myself with a glass of wine."

After downing the wine in one gulp, Cheng Yue put down her glass and turned around to leave.

The SWAT team left and the banquet continued.

However, not many people were in the mood to continue. Everyone returned to their rooms to rest.

Ning Yu returned to her room and pondered over what had gone wrong in the middle.

After she found the box, she informed Cheng Yue to check it out.

In less than half an hour, the box had disappeared.

Thinking of Tao Yuxuan, who had bumped into her, Ning Yu frowned slightly.

This matter had become complicated.

The box must have been thrown into the water.

She could only wait for Leng Qiankun to make the next trade.

But this time, it would alert the enemy, and Leng Qiankun's next move would be more subtle.

It was really troublesome.

*

Tao Yuxuan found Leng Qiankun and questioned, "Are you doing something illegal?"

Leng Qiankun replied, "No."

Such a clean retort made Tao Yuxuan not know how to continue.

She also knew how naïve she was.

If she were to question him directly, even if Leng Qiankun really did something bad, he would not tell her the truth.

"It's not easy for you to return to the country. Don't go to the police station again," Tao Yuxuan advised.

"It's fine if it's just a small matter. If it really gets out of hand, we won't be able to save you."

Leng Qiankun lit a cigar and said, "Don't worry."

Seeing that Leng Qiankun was unmoved, Tao Yuxuan left weakly.

Not long after Tao Yuxuan left, the owner of the fake diamonds, Xin Kaicheng, came to look for Leng Qiankun.

Leng Qiankun said, "Boss Xin, you want to trade with a bag of fake diamonds?"

Xin Kaicheng said, "Mr. Leng, I brought something. You don't have anything I want on your ship!"

Leng Qiankun's eyes were dark.

He had thrown all the things he wanted into the water.

..

Tao Yuxuan returned to the room and told Shi Xi about what happened today.

When Shi Xi saw the message after the recording, she replied, [Then don't get involved in these things.]

Tao Yuxuan replied, [Leng Qiankun wasn't like this in the past. I didn't expect him to do something illegal. This is the first time I've seen a special police officer. There's a handsome little brother in there! I asked him for WeChat, but he refused.]

When Shi Xi saw the message from Tao Yuxuan, she fell into deep thought.

With just three sentences, Tao Yuxuan became a nymphomaniac.

Shi Xi remembered that Ning Yu had an identity. She was the boss of the Chinese Special Police Forces Unit, Zero.

Did they actually find out about Leng Qiankun?

Shi Xi got into the car to go back to the hotel, thinking that she seemed to have forgotten something.

Xie Yunzhou's birthday present!

She hadn't bought it yet!

'Forget it, I'll buy it tomorrow.'

Today's live broadcast didn't end until 10 o'clock. Coupled with the scattered matters, it was almost 12 o'clock when Shi Xi returned to the hotel.

After removing her makeup, she fell asleep immediately.

It was a dream-free night.

The next day.

During breakfast, Xie Yunzhou seemed to remind her, "Keep a distance from Leng Qiankun."

Shi Xi nodded. "I know."

After the SWAT team had investigated Leng Qiankun's boat yesterday, Tao Yuxuan immediately relayed the exciting content of last night to her. Following that, Shi Xu and Sheng Yan told her to stop interacting with Leng Qiankun.

Even Ning Yu sent her a message, telling her to stay away from Leng Qiankun.

Chapter 154: Teacher Shi Xi, Happy Birthday!

"By the way, happy birthday." Shi Xi remembered that today was Xie Yunzhou's birthday, so she gave her best wishes.

Xie Yunzhou smiled and said, "Thank you. Don't you have a present?"

Shi Xi: "...I'll give you a present tonight!"

She hadn't bought it yet.

Xie Yunzhou knew that she had been very busy recently, so he said, "See you tonight."

He was really looking forward to his date with Xi Xi tonight.

What birthday party? It was all fake.

His birthday wasn't fake, but he had already booked the revolving restaurant on the top floor of Marriott.

It was just the two of them.

If this wasn't a date, what was it?

Xie Yunzhou was in a very good mood. Even his work efficiency had increased by quite a bit.

Meanwhile, when Shi Xi arrived at the practice room, she was drenched in fireworks.

"Teacher Shi Xi, happy birthday!"

Shi Xi: "?!"

After the fireworks fell, Li Jinfan held a cake with candles on it. "Sister Xi, hurry up and make a wish!"

Shi Xi didn't say the words "Today isn't my birthday" in the end.

She closed her eyes, clasped her hands together, and made her wish.

The birthday song rang in her ears.

After the birthday song was over, Shi Xi opened her eyes and blew out the candles.

"Why did you guys remember to celebrate my birthday?" Shi Xi asked.

"Li Jinfan heard you and the director say that you were celebrating your birthday tonight, so we prepared this surprise," Bai Cangyang said with a smile.

Shi Xi thought of the conversation between her and the director.

How many words did Li Jinfan miss!?

Shi Xi's gaze swept across the room. In the practice room were the two groups she had led, as well as Li Jinfan and Bai Cangyang.

Bai Cangyang raised his hand and confessed, "I live in the same dormitory as Li Jinfan. I know what he does, so I followed him here."

Shi Xi looked at Pei Jie again.

If she remembered correctly, Pei Jie should have known that it was not her birthday.

Why didn't he warn Li Jinfan?

Pei Jie avoided Shi Xi's gaze and looked elsewhere.

Shi Xi thought to herself, 'Forget it. I'll just treat it as one more birthday.'

"Thank you!" Shi Xi's eyes curved. "Cut the cake and eat it!"

The cake they bought wasn't big, and everyone only got a small piece.

However, everyone ate happily.

"Don't you guys need to practice?" Shi Xi asked.

"We'll be recording the first ranking in a few days." Li Jinfan sat beside Shi Xi and explained, "So everyone relaxed a little."

Shi Xi understood.

Once the ranking was ranked, nearly half of the people would be eliminated.

"Don't worry, you guys will definitely make it to the second round!" Shi Xi looked at everyone and said with certainty, "All of you are very outstanding."

Li Jinfan smiled innocently. "Sister Xi, what songs does the second round have? Can you give us some information?"

Shi Xi: "I don't know what songs they have either."

"Then, will Sister Xi still lead the team?" Li Jinfan looked eagerly at Shi Xi. "I want to be on the same team as Sister Xi."

"No matter which team it is, I will take it seriously." Shi Xi ate her cake and said, "Don't slack off!"

However, Li Jinfan said, "I think Sister Xi treats her team very well. Sister Xi even taught Pei Jie the sword dance. We have never seen Sister Xi's sword dance before."

Pei Jie glanced at Li Jinfan and lowered his head to eat the cake.

"Do you want to see it?" Shi Xi asked.

“Yes!” Li Jinfan immediately nodded, his eyes darting around.

Shi Xi smiled slyly. “Then you can think about it.”

Li Jinfan: “...Sister Xi has been learning too much.”

“I’ve always been like this.” Shi Xi finished eating the cake and said, “Alright, practice what you need to practice.”

Shan Zihang collapsed on the ground and didn’t want to get up. “The second round’s songs aren’t out yet. What should we practice?”

Chapter 155: Pink Tie

Shi Xi thought about it and realized that there were indeed no arrangements this morning.

However, the practice room was always open and the trainees could use it as they pleased.

No wonder the practice room felt so empty on the way here.

So they were all resting!

“Sister Xi, happy birthday.” Li Jinfan took out a small gift box and said, “This is our birthday present to you.”

Shi Xi did not accept it and asked, “Can you go out and buy things?”

Bai Cangyang coughed. “We asked the dormitory management to help us buy it.”

Shi Xi looked at the sign on it and roughly guessed the value of the gift.

“Thank you, I’ve let you guys spend so much.” Shi Xi accepted the gift and thought about what to buy next time as a return gift.

“Sister Xi, put it on and see if you like it.” Li Jinfan’s eyes lit up. “This is the style I chose.”

Bai Cangyang: “Li Jinfan, let me make it clear. Everyone pooled their money to buy this, not you alone!”

Li Jinfan smiled.

If it weren’t for them messing things up, he would rather buy it himself.

Shi Xi opened the gift box and inside was a golden necklace.

The pendant was in the shape of a golden sword. Red and white diamonds were inlaid on the hilt and tip of the sword. It was exquisite and beautiful.

Shi Xi took out the necklace and prepared to put it on.

“Let me help you.” Li Jinfan volunteered.

The corner of Bai Cangyang’s eyes twitched as he stopped Li Jinfan.

Shi Xi smiled and said, "I can put it on myself."

Men and women could not be intimate, let alone that this was a variety show for a male team.

Shi Xi was wearing a V-neck shirt today. The exquisite pendant hanging on it made the girl's collarbone look even more beautiful.

In the afternoon, Shi Xi ordered a big meal and treated everyone to a good meal.

The trainees had a recording in the afternoon and were going to choose the second round's song.

This recording only needed Shen Hanquan to host. Shi Xi did not need to be present and could directly leave work.

After leaving the recording point, Shi Xi went to the mall in Yanjing, thinking about what to buy for Xie Yunzhou.

A watch?

To be able to wear that top-grade watch, he definitely wouldn't like an ordinary watch.

The main thing was, if it was an expensive watch, Shi Xi couldn't afford it.

Shi Xi walked past the watch shop.

Clothes?

She had given it to him.

No, giving him clothes seemed a little strange.

Shi Xi looked at the clothes in the men's clothing shop, and remembered that Xie Yunzhou's clothes were all custom-made.

Ties?

Shi Xi thought about Xie Yunzhou's tie. It seemed that there were only a few styles.

'Why don't I pick out a tie for him?'

He didn't seem to have many ties.

Three would be even better.

Shi Xi saw that were selling ties in the men's clothing store, so she went forward to pick one out.

But after seeing the colorful ties, Shi Xi fell silent again.

She knew nothing about the ties that men wore!

Fortunately, the shop assistant went forward and warmly greeted, "Miss, are you looking for a tie? Is it for your boyfriend or an elder?"

Shi Xi replied, "An elder."

The shop assistant said, "Older men are more suitable for darker colors, such as gray and dark blue."

Shi Xi looked at the style recommended by the shop assistant and shook her head.

Xie Yunzhou's neckties were usually black, gray, and dark blue, with different dark patterns.

She wanted to send something special.

Shi Xi said, "I want to see that pink one."

The corner of the shop assistant's mouth twitched as she tried to persuade her. "A middle-aged man wearing a tie like this doesn't look stable."

Shi Xi imagined Xie Yunzhou wearing a pink tie.

It looked quite cool!

Shi Xi ignored the shop assistant's advice and reached out for the pink tie.

Shop Assistant: QAQ

Just as Shi Xi received the pink tie, another person grabbed the pink tie as well.

Chapter 156: Online Dating Was Cheated Out of 8,000,00

"I saw it first." Shi Xi frowned.

"So it's yours if you see it?" Hua Hengzhe didn't let go and raised his chin slightly. "I even got it first!"

The shop assistant couldn't help but be surprised when he saw that two people were fighting over this pink tie.

Their small shop actually had two characters at the same time.

Shi Xi looked at the shop assistant and asked, "Do you only have one of these?"

The shop assistant came back to his senses. "Ah, yes, our neckties are all handmade. We only have one of each style."

They couldn't sell even one of them!

Hearing that this was unique, the two of them became even more reluctant to let go.

"I'm going to give a gift to someone. Can you give this to me?" Shi Xi changed her strategy and began to discuss with the other party.

Hua Hengzhe was not an unreasonable person. When he saw the girl in front of him speak in a friendly manner, he softened his attitude. "Ah, then, I... I also want to give it to someone!"

Shi Xi was silent.

What else could he say?

Hua Hengzhe sized up the girl and asked, "Are you Shi Xi?"

Shi Xi's pink hair was too eye-catching. When she came out, she wore a hat.

Hua Hengzhe didn't recognize her at first glance, but after taking a closer look, he said, "It really is Shi Xi!"

"Yeah, so can you give me this tie?" Shi Xi's eyes curved.

If he was a fan, then he would be easier to talk to.

Hua Hengzhe hesitated.

He had been cheated of 8 million yuan in online dating, and his whole family was shocked.

His parents had cut off his pocket money with tears in their eyes, and Hua Xuanhe had left him to die.

Hua Hengzhe thought of buying a gift to bribe Hua Xuanhe and at least give him some money to fall in love online. No, let him continue playing games.

But after looking around, there was nothing he could afford.

The price of the tie was not that high, so Hua Hengzhe thought of buying a tie for Hua Xuanhe.

Two was not much.

Three was even better.

But just as he took a fancy to this pink tie, it was snatched away by Shi Xi.

What should he do?

One was Shi Xi, who resembled his aunt and whom he had a good impression of.

The other was Hua Xuanhe, who controlled his own financial lifeline.

Of course, he would choose the money!

Just as Hua Hengzhe was about to argue, he saw the price on the shelf: 2998

It was actually so expensive?!

"Of course I can give it to you!" Hua Hengzhe let go and laughed.

Shi Xi's eyes lit up. "Thank you!"

Hua Hengzhe pretended to continue looking at the neckties, but in reality, he was secretly sizing up the prices of these neckties.

Why were they so expensive?!

He couldn't afford them!

Shi Xi put away the pink necktie and picked out a dark green necktie and a wine red necktie.

Of the three neckties, one of them should be enough to make Xie Yunzhou like it, right?

Hua Hengzhe watched from the side as Shi Xi paid the bill. He was a little envious.

The three ties she picked out were all the ones he liked!

Sigh.

After Shi Xi paid the bill, she saw that Hua Hengzhe was still staring at the tie on the shelf. She couldn't bear it.

She had snatched away his beloved tie, and it was a unique tie.

"Well, thank you for letting me have the tie." Shi Xi walked up to him and said, "Let me treat you to coffee?"

Hua Hengzhe chuckled. "No need, no need. I'll go to another shop to take a look."

He could not afford the ties in this shop.

He quickly ran away.

Hua Hengzhe continued to stroll around the mall and finally walked out.

He could not afford anything in the mall.

When he passed by an inconspicuous shop, Hua Hengzhe stopped in his tracks.

[Tie sale, 100 yuan 3 pieces!]

Hua Hengzhe's eyes lit up.

Chapter 157: Bought So Many Gifts For Xie Yunzhou

Three ties for 100 yuan, and he could choose his own style.

Hua Hengzhe quickly picked the pink one, then the wine red and dark green tie.

After paying the bill, Hua Hengzhe brought the gifts to the Hua Corporation headquarters.

In the office.

Hua Xuan looked at his useless brother and felt a little helpless. "What's the matter?"

"Brother, I bought you a gift to thank you for taking care of me!" Hua Hengzhe put the ties on the desk as if he was presenting a treasure.

Hua Xuanhe: "...How much do you want?"

"Why do brothers talk about money?" Hua Hengzhe looked like he looked down on money.

"Then go out. I have something to do." Hua Xuanhe looked down at the document in his hand.

Hua Hengzhe: "?!"

“Ahem, Brother, look at this tie. I specially picked it for you. It’s handmade and unique!” Hua Hengzhe began to trick his brother.

Hua Xuanhe pressed the space between his eyebrows and took out his phone to transfer the money to him. He said, “I transferred 10,000 yuan to you. Don’t bother me again this month.”

When Hua Hengzhe saw that his pocket money had been transferred, his smile widened. “I’ll leave now. I won’t bother you anymore.”

*

After Shi Xi bought the present for Xie Yunzhou, she saw that it was still early, so she wanted to continue shopping.

She hadn’t visited any of the shopping malls here since she came to Yanjing.

As she was shopping, her cell phone rang.

When Shi Xi saw the caller, she answered in surprise. “Sheng Yan?”

Sheng Yan asked, “Where are you now?”

“I’m in Yanjing.” Shi Xi was confused.

Sheng Yan almost didn’t contact her. Why did he suddenly call her?

Besides, Sheng Yan should know that she would be recording in Yanjing soon.

“I’m here on a business trip.” Sheng Yan looked at his watch and said, “Are you free tonight? Do you want to have dinner together?”

Shi Xi: “...No.”

Sheng Yan asked casually, “Are you recording?”

“No, it’s Xie Yunzhou’s birthday party tonight,” Shi Xi said.

Sheng Yan: “?”

Xie Yunzhou’s birthday... party?

Would that person hold a birthday party?

In Yanjing?

“Tomorrow. I’m free tomorrow.” Shi Xi remembered that there was no recording tomorrow, so she said, “I’ll treat you to dinner.”

She had lived here for quite some time, so she knew where to eat.

Sheng Yan said, “I’m going to meet the partners tomorrow morning. Tomorrow night at 7 o’clock, I’ll wait for you at Marriott Restaurant to discuss the engagement.”

Shi Xi said, "Okay."

The two of them really had to discuss this matter properly.

After hanging up the phone, Shi Xi thought, 'Why do they all like to go to Marriott Restaurant?'

Was the food there so delicious?

Shi Xi continued shopping. Thinking of the necklace that the trainees had given her, she went to the jewelry store and bought some accessories for the trainees.

After observing them for a while, Shi Xi found that the little boys all liked to wear some accessories such as rings, necklaces, and bracelets, and they could not be repeated.

Shi Xi only found out after asking that there would be a stand-up girl taking photos of them on their way to and from work, so they had to dress up meticulously every day.

It had been hard on them.

After buying a lot of things, Shi Xi prepared to take these things back to the hotel first, and then go to Marriott Restaurant.

However, when she entered the hotel, she met Sheng Yan, who had checked in.

"You're staying here too?" Shi Xi didn't expect to see Sheng Yan so soon.

"Why did you buy so many things?" Sheng Yan glanced at Shi Xi and stretched out his hand. "Which floor are you staying on? I'll take them up for you."

"These are gifts for others," Shi Xi said.

Sheng Yan curled his lips. "Oh? You bought so many gifts for Xie Yunzhou?"

Chapter 158: Couldn't These Female Secretaries Read a Few Less Novels

Shi Xi handed the big bag to Sheng Yan and said speechlessly, "You can tell at a glance that it must be gifts for a lot of people!"

Sheng Yan helped her carry the bag, took the room card, and walked to the elevator. He asked, "Then who are these for?"

"For the trainees in the program." After entering the elevator, Shi Xi pointed at herself. "Is it good?"

Sheng Yan stared at Shi Xi, then turned around and pressed the elevator button. "I know you're good, so there's no need to emphasize it every day."

Shi Xi: "?"

"I'm asking you, is the necklace on my neck nice?" Shi Xi reacted.

Just now, she was referring to her own necklace.

Sheng Yan obviously thought she was narcissistic.

Sheng Yan: "..."

His gaze fell on the girl's neck, the delicate collarbone, and the red diamond on the golden thin sword.

"They remembered my birthday wrong and gave me a birthday present," Shi Xi explained. "So I prepared gifts in return and gave it to them."

Sheng Yan snorted. "I also gave you a birthday present. Why didn't you prepare a gift in return for me?"

Shi Xi looked at Sheng Yan's tie.

It was gray.

It was a lifeless color.

Sheng Yan took a step back. "What's wrong?"

"It just so happens that I bought too many ties. I'll give you one as a gift in return!" Shi Xi's eyes curved as she picked out a box.

The three ties were all put into the box, and the color could not be seen.

Shi Xi randomly picked out one.

All three ties looked very nice!

At least it looked better than his gray tie!

Sheng Yan looked at the box in front of him and said, "This is a gift from you to someone else. I don't want it."

Shi Xi: "Ah?"

The elevator door opened and they arrived at the floor of Shi Xi's room.

Sheng Yan returned the bag to Shi Xi and said, "Remember to prepare a gift for me tomorrow night."

Shi Xi walked out of the elevator and watched as the elevator door closed.

'Alright, I'll go buy a gift tomorrow.'

Shi Xi walked toward her room. Xie Yunzhou happened to open the door and was ready to leave.

"You haven't gone yet!" Shi Xi walked forward and handed him the gift bag with the tie. "This is a gift for you. Wait for me for ten minutes. I'll touch up my makeup and go with you!"

It saved her the trouble of taking a taxi.

Xie Yunzhou took the gift. Seeing that Shi Xi had gone back to her room to touch up her makeup, he opened the gift.

Was it... a tie?

When he opened the first box, the smile on Xie Yunzhou's face froze.

Why did she give him a pink tie?!

Seeing that there were still two left, Xie Yunzhou did not have the courage to do it again.

However, it was impossible for her to give him three pink ties, right?

Xie Yunzhou opened the second box.

It was a burgundy color.

Xie Yunzhou heaved a sigh of relief. Although it was not the color he was used to, it was much better than pink.

The last one was a dark green tie with dark stripes. No matter if it was texture or dark stripes, it was very generous.

He would wear this tie at night.

Xie Yunzhou returned to his room and changed into the tie that Shi Xi had given him.

He rarely wore a tie of this color. He didn't expect it to be so good.

*

Hua Corporation.

Hua Xuanhe looked at the documents for the meeting the next day drew circles on them.

The new female secretary came in with a cup of coffee and looked at the handsome president. She took a deep breath and walked forward, deliberately pouring the coffee on Hua Xuanhe's chest.

"Ah, sorry, President Hua, I didn't mean to do that." The female secretary sobbed and reached out to take off Hua Xuanhe's clothes. "President Hua, take off your clothes. I'll wash them for you."

The poor Hua Xuanhe, who was reading the proposal, was caught off guard and splashed with coffee.

Fortunately, it was iced coffee.

Hua Xuanhe and took a deep breath. "Do you know how much my clothes cost?"

Couldn't these female secretaries read a few less novels?

Chapter 159: Was a Perfect Date

The female secretary: "??"

Hua Xuanhe pressed the space between his eyebrows. "You can go out first."

At least she had a brain. She had poured iced coffee.

The previous female secretary had poured hot coffee. He was not a dead pig, so of course he was afraid of being scalded.

The female secretary whimpered and said meekly, "Don't fire me. I'll definitely wash your clothes. Or, I can even compensate you!"

Hua Xuanhe's head hurt listening to her. "...You can go out first."

The female secretary turned around and left.

Just as she left, Hua Xuanhe called the personnel department. "Change the position of the new secretary."

He could not afford to be treated like a novel's domineering CEO.

Fortunately, there was a change of clothes in the lounge. Hua Xuanhe changed his clothes and was about to put on a tie when he remembered that he was about to get off work, so he put down his tie.

'Forget it, I'll get off work early.'

Before he got off work, Hua Xuanhe saw the gifts on the table.

What would his good-for-nothing younger brother give him?

Hua Xuanhe opened the box, and his smile froze.

Why would someone give him a pink tie?

It was even from his younger brother!

Hua Xuanhe silently opened the other two boxes.

The color was okay. It was the color that young men liked.

But this texture...

Forget it. It was a heartfelt gesture.

His phone rang. It was Sheng Yan.

Sheng Yan said, "I'm in Yanjing. Are you free tonight? Do you want to go out for dinner?"

Hua Xuanhe looked at the time. "Okay."

After setting the time and place, Hua Xuanhe put on a tie.

..

Marriott Revolving Restaurant.

Shi Xi followed Xie Yunzhou to the restaurant and found that the entire restaurant was empty.

"No one is coming. Will it taste bad?" Shi Xi asked softly.

Xie Yunzhou: "...I booked the entire place."

Shi Xi blinked and changed the topic. "Why aren't the others here yet?"

Xie Yunzhou: "There's no one else. You're the only one here."

“Ah?” Shi Xi looked at Xie Yunzhou in front of her and sighed in her heart.

The relationship between the big shot villains was too bad.

No one came to celebrate his birthday.

It was too tragic.

Xie Yunzhou could not see through Shi Xi’s thoughts. He brought her to a seat by the window and said, “Sit.”

After the two sat down, music started playing in the middle of the restaurant.

Shi Xi looked toward the source of the music. Under the warm orange light, four musicians were playing the Lark Quartet. Two violins, a viola, and a cello complemented each other, and the sound of the violins was rhythmic and cheerful.

The waiter approached and brought over red wine and wine glasses.

Luxurious.

High-end.

Romantic.

Xie Yunzhou thought that it was really a perfect date.

But someone just had to break the atmosphere.

Shi Xi said, “I’m sorry, I can’t drink wine. Change it to coke for me.”

C-coke?

Xie Yunzhou was silent for a moment before saying, “Change it to coke for her.”

Shi Xi smiled faintly and said, “It’d better be cold. Thank you.”

Xie Yunzhou’s wish of tasting wine with a girl fell through.

It didn’t matter. Their date was still there.

Just as Xie Yunzhou was about to speak, he heard a voice from outside.

“Booking the entire place? What’s with booking the entire place? I’d like to see who in Yanjing dares not to give me face.”

A domineering voice came from the door. The person pushed the security guard aside and strode in.

Xie Yunzhou looked over coldly.

Who didn’t have eyes and actually came to disturb his date?!

Shi Xi looked over as well.

Who was so brave to offend a big shot villain?

Throw him into the river to feed the fish!!

“Eh? It’s you?” When Shi Xi saw who it was, she was slightly surprised.

Xie Yunzhou frowned. “You know him?”

Shi Xi nodded and then shook her head.

Chapter 160: Give Me Two Sets of Steak. One Set Is Not Enough For Me To Eat

If she knew him, then she knew him. If she didn’t know him, then she didn’t know him.

Why did she nod and shake her head?

Shi Xi said, “When I went to buy a present, I happened to meet him. He and I had taken a liking to the same ties.”

“However, these types of ties are all hand-made. There’s only one of each type, so he gave it to me.”

Xie Yunzhou thought about how someone could actually snatch such an ugly tie.

He really hoped that Shi Xi did not snatch from someone else.

Unfortunately...

The person who came in domineeringly was naturally Hua Hengzhe.

He had just extorted a sum of money from his big brother, so he could not wait to bring his friends out to eat something good.

But he did not expect that he would be stopped outside as soon as he arrived at Marriott.

Hua Hengzhe, who cared about his face, wouldn’t accept such a grievance. He immediately became agitated.

Ever since he was cheated of 8 million yuan in online dating, Hua Hengzhe had been restricted.

Now that he finally had money, he could go out and have fun, but he was still stopped outside the door?

“I want to see who in Yanjing dares to not give me face?!”

Hua Hengzhe pushed the security guard away domineeringly and walked into the restaurant with his head held high.

His friends around him were all laughing and joking. The security guard could not stop them and could only watch them enter.

The moment Hua Hengzhe entered the door, he saw the empty restaurant.

He saw Shi Xi’s long pink hair.

It had to be said that Shi Xi’s hair color was too eye-catching.

“Eh? It’s you?” The girl was slightly surprised when she saw Hua Hengzhe.

Then, Hua Hengzhe saw Shi Xi talking to the man opposite her.

The man looked familiar, as if he had seen him before.

At this moment, the security guard brought his men forward and stopped them. “Everyone, the restaurant has been booked for today. Please come again next time.”

Hua Hengzhe was in a dilemma.

Who was that man again?

Could he afford to offend him?

As he was thinking, the waiter came over. “Mr. Xie said that we can let you eat in the restaurant as long as you don’t disturb them.”

Hua Hengzhe really wanted to leave with his backbone.

However, his scoundrel friend pulled him back. “Hurry up and sit down and order. I’m starving.”

Hua Hengzhe instantly lost his backbone and started to order.

He was also hungry.

*

Although there was this incident with Hua Hengzhe, Xie Yunzhou did not take it to heart at all. He just let the waiter send them to the other side of the restaurant and continued to eat.

But what Xie Yunzhou did not expect was that Hua Hengzhe brought four friends to enjoy the excitement of the wedding banquet.

“D*mn! This is so expensive! Hua Hengzhe, can you afford it?”

“Let’s go somewhere else. Didn’t your brother restrict your spending? How good would it be if we went to drink beer and eat crayfish?”

When the friends saw the price on the menu, their eyes widened.

Hua Hengzhe waved his hand. “Don’t worry, don’t worry. I have plenty of money.”

“Then order it. Do you have a ’82 Lafite? I heard it’s very famous.”

“Order two steaks for me. One isn’t enough.”

“This foie gras truffle looks so little. Why is it so expensive?”

“The liver is an organ for detoxification. Don’t order this.”

“...”

The noisy voices made the musicians in the middle of the restaurant stop.

Romantic?

It doesn't exist.

Xie Yunzhou regretted letting these people in.

He shouldn't have let them in just because that person gave Shi Xi a present.

Shi Xi was drinking her ice cola. When she saw that Xie Yunzhou's expression was not worried, she asked with a faint smile, "Do you think they're too noisy?"

Xie Yunzhou: "Isn't that so?"

Shi Xi nodded and agreed, "A little. However, boys at this age seem to be very energetic."

Xie Yunzhou's heart tightened.

How could he have forgotten that Shi Xi had just come of age and was at the prime of her youth?

Could it be that Shi Xi liked such extroverted boys of the same age?
