

The Fake 21

Chapter 21: Buying Eight Million Fans In One Night. Even If She Wasn't a Hatchet Man, She Would Be Jealous

Shi Xi was currently filming on the set, and it was only when the crew staff reminded her that she found out that she was trending.

Not only Shi Xi, but everyone else on the set also found out.

"Just one photo and she's already trending. Amazing!" Yun Guanghe looked at the trending search and said, "Ah, it's official Weibo's photo that's trending."

Shi Xi looked at Weibo and thought, 'I guess he bought it.'

She knew that she was pretty, but she wasn't as pretty as getting the top trending search.

When the director saw the trending search, he was very happy. "Shi Xi, you can also post a Weibo post to promote it!"

Shi Xi followed his advice and posted a Weibo post with a photo of the mermaid making a wish.

[@Shi Xi: "Eternal Night [Picture].]

Although it was a new stage for the school, the setting was very serious. The boundless sea surface and the dark stars were hanging down.

The girl stood in the middle of the stage, as if she was the center of the world.

After the Weibo post was posted, the fans cheered collectively.

[Yes!!]

[Beauty post~]

.....

[High-quality beauty business picture! A little more! I can do it!]

[Save it as a wallpaper, hehe.]

[I'm looking forward to Shi Xi's new drama, 'The Overbearing School Bully Falls In Love With Me,' The stunning Shi Xi, charge!]

After posting on Weibo, Shi Xi's fans grew rapidly.

The director looked at Shi Xi's fan count and reminded her, "Why don't you take this opportunity to buy some fans or something?"

Shi Xi had already put away her phone. "Forget it." She was afraid that her fans would step on her.

Meanwhile, the pictures of Shi Xi's mermaid had spread far and wide.

All the major marketing accounts shared the pictures one after another. Even her WeChat moments were spreading the joke of 'reposting this mermaid'.

Therefore, many people went to Weibo to follow this new generation of mermaid.

In places with a lot of people, there were more haters.

.

[She looks just so-so.]

[Am I the only one who doesn't think she's good-looking?]

[She only has over 200,000 fans. Is she a trending topic?]

After Xie Yunzhou saw some negative comments, he turned on his computer.

He did not delete the comments, but added Shi Xi's fans.

At the same time, there were other people who were buying fans.

"This account, buy 500,000 fans."

"Buy 100,000 fans for this account."

"Hello? Are you the one buying the fans?"

"Buy 5,000,000 fans for Shi Xi."

"..."

Some rational netizens realized that Quan Gaoyi had used this opportunity to disappear. They all thought that Quan Gaoyi's team had bought Shi Xi trending searches just to divert their attention.

However, the mermaid was too beautiful.

No matter how many times they watched it, they never got tired of it!

Initially, the netizens were only paying attention to Shi Xi's beauty. However, not long after, someone noticed the fact that Shi Xi's fans were rapidly increasing.

[D*mn! Just now, she had 240,000 fans. Now, she has 500,000?]

[Shi Xi's fans are increasing so quickly. She has gained 200,000 fans in a day?]

[It's still increasing... She's buying fans, right?]

[She's definitely buying them. No matter how many fans she attracts, it's impossible for them to increase so much.]

[It's already increased by 800,000. Now it's 1,400,000 fans, but Shi Xi is still buying it. She's really rich.]

[What's the point of buying fans like this?]

The netizens realized that Shi Xi's fan growth rate was too fast. It was so fast that everyone found it unbelievable.

Ji Yin, who was buying fans, quickly went to look for a data expert. "I'm not paying for the extra fans!"

Xie Yunzhou was also a little surprised. He had clearly allocated more than 100,000 followers, but why were there so many of them?

The others were also puzzled.

He/she had only bought more than 100,000 fans, but why was it increasing by more than a million now and still increasing???

Chapter 22: What's There To Feel Sorry For? Feeling Sorry For Three Hot Ones In Two Days?

Other than Quan Gaoyi's fans and anti-fans, the other netizens were all guessing how many fans Shi Xi could gain overnight.

Did she forget to turn off the fan-raising machine?

Shi Xi's Weibo followers soared all the way from 1,400,000 to 2,000,000, 3,000,000...

The artist who gained the fastest fans.

*

A night passed.

Shi Xi woke up and looked at the time, only to find that the cannon fodder girl had sent her more than a dozen WeChat messages.

Tao Yuxuan: [Your Weibo followers are too few, I'll buy some for you. You're welcome.]

[Oh f*ck, why is it still rising? Did you buy it yourself?]

[It's already 1,000,000, I only bought 200,000 followers. How many did you buy? Let's be careful, don't buy too many at once.]

[8,000,000 followers overnight?!]

Shi Xi finished reading the message, rubbed her eyes, and opened her Weibo.

In just one night, she had an account with 8,000,000 followers.

.....

Shi Xi's eyes widened in surprise.

With so many fans, if she accepted advertisements in the future, the advertising fees would definitely not be low!

No, why did her fans soar?

Could it be that other than Tao Yuxuan, who else had bought her fans?

One had to say, Shi Xi's suspicion was very reasonable.

Shi Xi replied: [I'm not sure why my fans have soared.]

Tao Yuxuan: [You're on the hot search again.]

Shi Xi thought to herself, this cannon fodder sister ate a night melon last night. Why did she still wake up so early in the morning?

Did she not sleep?

Shi Xi returned to Weibo. The hot one from yesterday had already changed.

The new hot one topic was #Shi Xi Gained 8 Million Followers Overnight#.

.

[This is definitely the number one person in the history of the world with this number of followers!]

[Is the fan-buying machine not switched off? She really dares to buy. A paste actress who doesn't have any works actually dares to directly buy 8 million followers. Is she worthy?]

[I don't know if she's the number one person who has gained unprecedented followers, but she's definitely the number one person in the industry who buys followers.]

[@Weibo administrator. Such an arrogant fan buyer. Aren't you going to stop her???]

Even though they knew that buying fans from celebrities was a basic operation in the entertainment industry, buying fans so openly still caused many people to be jealous.

For a time, many righteous netizens reported that Shi Xi's Weibo account had violated the rules.

Shi Xi was still immersed in the happiness of her 800,000,000 fans. Just as she was thinking of doing something, she was reminded that her account had violated the rules and had been banned.

Shi Xi: "?"

What?

The hashtag #Shi Xi's Account Has Been Banned# quickly went from the bottom of the hot searches to the top of the hot searches.

[I'm dying of laughter. Shi Xi's account has been banned. There's nothing in it.]

[This is the end of buying fans. Don't think that some people are really popular just because they're pretty.]

[Welcome to internal entertainment.]

[You must have spent a lot of money to buy so many fans, right? Tsk tsk, you've wasted all your money.]

The black fans were mocking Shi Xi, describing her as a useless vase.

Shi Xi thought to herself, she was indeed a useless vase.

'Forget it, I'll go to work.'

She could create another account if she lost it. After all, she wasn't the one who bought the 8 million fans, so Shi Xi didn't feel the slightest bit of heartache.

On the other hand, Tao Yuxuan and Yun Guanghe sent messages to express their condolences. They were extremely heartbroken that such an excellent account had been banned.

Shi Xi: [If you have time to feel sorry for my account, why don't you feel sorry for me!]

She had already been scolded to such an extent by the netizens!

Tao Yuxuan: [Feel sorry for you for what? Feel sorry for you for having three hot searches every two days?]

Shi Xi: "..."

The joys and sorrows of humans were not connected.

There were many people who scolded Shi Xi, but there were also many people who liked Shi Xi.

[Xi Xi is really beautiful! So what if a celebrity buys fans? Who doesn't buy fans? Did they spend your money?]

[I'm dying of laughter. They buy their own fans to be subservient, and beautiful women buy their own fans to fight with their fists. They are the fighter jets that win the double targets.]

Chapter 23: Could Only Rely On Her Face To Make a Living

Shi Xi had been forced to endure too much abuse.

She could vaguely see the embryonic form of being blackened by the entire Internet.

Shi Xi was crying.

In a few days, it would be the Shi Family's banquet day.

Everyone in Feng City knew that the Shi Family's biological daughter had returned. The purpose of holding this banquet was to introduce the Shi Family's true daughter to everyone.

Initially, Shi Xi did not want to attend the banquet. After all, in the original novel, her role at the banquet was to be slapped in the face by the female lead.

Why did she have to rush to get slapped?

"If you don't go, won't it make people think that you're afraid of Ning Yu?!" Tao Yuxuan called to persuade her. She said bitterly, "She's a wild girl from the countryside. What are you afraid of?"

Shi Xi thought to herself, 'Then you don't know how terrifying the female lead is.'

Tao Yuxuan: "If you don't come to the banquet, how are you going to watch us teach her a lesson?"

Shi Xi: "Ah? You're going to teach her a lesson?"

Tao Yuxuan let the cat out of the bag and said, "I didn't say anything!"

Shi Xi said seriously, "Don't bully Ning Yu. She's not an easy target."

.....

"I still have something to do. I'll hang up first." Tao Yuxuan quickly hung up the phone.

Shi Xi looked at her phone and felt a headache coming on.

Cannon fodder sister, don't send someone to their death!

Shi Xi lay on the bed for three seconds and decided to go back to the Shi Family to take a look.

The Shi Family treated the original owner very well. If she didn't go back today, others would say that the Shi Family was treating her harshly.

Just as Shi Xi was daydreaming, the door was pushed open from the outside.

"I've only been gone for two days. Why are you on three trending searches? Why is your account blocked too? Don't you know to inform me first if there's anything? Shi Xi?!"

Shi Xi looked at the person who had just entered the room and was stunned.

So, so beautiful.

.

What a beautiful man!

The person who had just entered had long hair draped over his shoulders. His face was exquisite and it was difficult to tell if he was male or female. However, from his Adam's apple and flat chest, as well as his clothes, it was clear that he was a man.

He was Shi Xi's manager: Han Chuan.

Shi Xi covered herself with the blanket. "Why didn't you knock when you came in?"

Han Chuan narrowed his eyes and did not answer Shi Xi's question. Instead, he said in a certain tone, "You've gained weight from eating."

Shi Xi: "??!"

Han Chuan said unhappily, "Have you eaten for the past two nights?"

Shi Xi recalled how Han Chuan, as her manager, had strict requirements on the original owner, and instantly felt bad.

But what kind of person was she, Shi Xi?

Shi Xi puffed out her chest. "People are made of iron and steel. How can I not eat?!"

Han Chuan sneered and said, "You only rely on that face of yours to make a living. If you get fat from eating, you'll only be able to live on air in the future."

Shi Xi: "???"

She was furious.

What was even more infuriating was that what this man said actually made sense.

She was not the daughter of the Shi Family now, so she could only rely on her own face to make a living.

If she got fat from eating... She might really not be able to eat in the future!

No!

Han Chuan snorted coldly, put the bag in his hand on the bed, and said, "Put on your gown, I'll go to the Shi Family banquet with you."

"Okay." Shi Xi nodded subconsciously.

By the time she came back to her senses, Han Chuan had already walked out.

Shi Xi was puzzled. How did he know that she was going to the Shi Family banquet? And he even brought a gown?

However, the gown that Han Chuan brought for her was exquisite and gorgeous. The dark blue dress outlined her figure, and the silver high heels were the finishing touch.

Her long hair was scattered, adding a bit of laziness to the girl's elegance.

The green hair was a one-time use. Now that it had lost its color and turned brown, it still made the girl's skin look whiter than snow.

Han Chuan sized up Shi Xi and frowned. "You've really put on weight."

Chapter 24: 200,000 Pocket Money

Shi Xi felt that the dress was a little too much.

"I'll start a diet from today!" Shi Xi made a promise.

"Ha, a woman's mouth is a liar." Han Chuan tilted his head slightly and said lazily, "Let's go to Shi's house first."

After getting into the nanny van, Han Chuan opened his laptop and asked, "Did you buy fans to get your account blocked?"

At this point, Shi Xi felt very wronged. "I didn't buy any fans! It was my friend who helped me out of kindness, and in the end, my account was blocked."

Han Chuan typed on the keyboard and said, "I'll talk to the people on Weibo and see if I can get your account back."

After all, it was an account with 8 million fans!

Shi Xi leaned back in her chair. "Forget it. Cancel that. I'll register another one."

Anyway, that was not her attention.

It was Han Chuan's turn to be surprised.

"Such a good account, you're giving up just like that?" Han Chuan looked at Shi Xi and nodded slightly. "You're a little different from before."

In the past, Shi Xi was calculative and vengeful, but now she was much more composed and reserved.

Even her brain had grown out.

.....

"Of course I'm different from before." Shi Xi took out a small mirror and said confidently, "I'm much prettier than before!"

Han Chuan did not continue. He sent Shi Xi an account and password and said, "This is a Weibo account for you to re-authenticate. You can use this account in the future."

Shi Xi entered the account password and asked in confusion, "When did you apply?"

Even if he wanted to authenticate, it would not be so fast.

"When your account was banned, I re-applied." Han Chuan was indeed an experienced manager. He handled things in an orderly manner. He then reminded her, "Don't use this account to like others, and don't buy your own followers. Also, let me review it before posting on Weibo in the future."

Many artists had made a big joke because of the matter of posting on Weibo.

Han Chuan did not want his own artists to be like this.

Shi Xi nodded and asked, "Then should I post on Weibo now?"

Han Chuan sized up Shi Xi. "When you get out of the car, I'll take a few photos of you."

Shi Xi's clothes today were very suitable for taking photos.

Shi Xi nodded.

When they reached the Shi Family home, Shi Xi's mother saw Shi Xi and her eyes turned red. She went forward and held Shi Xi's hand. "Look at you, you've lost weight again."

Han Chuan, who was beside her, was speechless. He estimated that Shi Xi had gained at least five kilograms.

Shi Xi quickly said, "I'm not thin. It's the clothes that make me look thin."

Shi Xi's mother pulled Shi Xi into the house. As they walked, she reprimanded, "You live outside, how can you eat and sleep as well as you do at home?"

“Aiya, I’m going to work.” Shi Xi thought to herself that there was no female lead outside, so she didn’t know how happy she was. “Oh right, where’s Ning Yu?”

“She’s not back yet.” At the mention of Ning Yu, Shi Xi’s mother’s face was a little unhappy. She said in a low voice, “She goes out early and comes back late every day. There’s no one around. I don’t know who she’s with.”

Shi Xi had read novels before and knew that Ning Yu was a big shot. “She’s probably going out to play with her friends.”

She sighed and said worriedly, “I originally hired a teacher to teach her some manners, but she’s not at home every day. I’m afraid that she’ll make a fool of herself at the banquet today.”

“She won’t.” Shi Xi thought to herself, you should worry about me instead.

I’m the one who made a fool of myself at the banquet.

“Oh right, I’ll transfer this month’s pocket money to you. Remember to buy more beautiful clothes.” Shi Xi’s mother happily transferred the money to Shi Xi.

Shi Xi’s phone vibrated and a message popped up.

[Your account ending in 4399 has completed the transaction of 200,000. The balance is 271,896.]

200,000 pocket money?!

Chapter 25: Was Worried. You Were Unreliable

Shi Xi looked at the balance on the card and asked subconsciously, “Did you give Ning Yu some pocket money?”

“I did.” Mother Shi’s expression changed.

“How much did you give her?” Shi Xi asked.

“20,000 yuan.” Mother Shi added, “She’s not at home all day. Giving her money is just to let her fool around.”

Shi Xi facepalmed. “Mom, Ning Yu just came home and hasn’t adapted to the life here yet. Aren’t you afraid that she’ll get angry that you’re so biased towards me?”

“How much money can she spend? Besides, doesn’t she know how to ask me for money when she needs it?” When Mother Shi mentioned Ning Yu, she felt a little uncomfortable. “She only knows how to fool around every day. Even if I wanted to bring her to buy clothes, she wouldn’t be willing.”

After all, she was her own biological daughter, so Mother Shi naturally wanted to treat Ning Yu well.

However, Ning Yu had always been cold and aloof. Her concern for her elders was extremely cold, which also hurt Mother Shi’s heart.

Shi Xi looked at Mother Shi with a puzzled look. “Why are you arguing with the child?”

Mother Shi: “?”

The child?

Shi Xi said, “Ning Yu has just returned, so she’s definitely not used to living in the house. Don’t be angry at her. Be obedient to her and give her money whenever you need to — just like how you treated me.”

“Then should I give her 200,000 yuan as pocket money?” Mother Shi probed.

.....

“Yes, give it to her.” Shi Xi asked, “By the way, where’s Ning Yu? Is she at home?”

Mother Shi said, “No, she went out early in the morning.”

“When I asked her to come back earlier, she replied, “Got it.” I don’t know when she’ll be back.”

“Why are you looking for her?”

“Nothing, I’m just asking.” Shi Xi looked at her phone. “Tao Yuxuan is here. I’m going to play with her.”

Mother Shi had a smile in her eyes. “Go on, go on. I’ll get the chef to make your favorite strawberry pudding so that you can eat as much as you want.”

When she heard about strawberry pudding, Shi Xi’s eyes lit up instantly. “Then I’ll go to the kitchen to see if there’s anything I can help them with.”

.

Go and help [x]

Go and steal [v]

The banquet was scheduled for tonight. It was still early, and the kitchen was making preparations.

Tao Yuxuan came early because she hadn’t seen Shi Xi for a long time, so she made some preparations.

Shi Xi went to the kitchen to get a few strawberry puddings. She brought Tao Yuxuan into her room and asked directly, “Do you want to teach Ning Yu a lesson tonight?”

Tao Yuxuan smiled awkwardly. “Don’t worry, we won’t let her find out.”

Shi Xi was helpless. “What do you guys want to do?”

“We just want her to make a fool of herself. Don’t worry, we won’t implicate you!” Tao Yuxuan said confidently, “Are you still worried about me?”

Shi Xi: “Of course I’m worried. You’re not reliable.”

Tao Yuxuan: “???”

“Just wait and see.” Tao Yuxuan was too lazy to explain. “I’m going downstairs to get ready.”

Shi Xi was speechless. “You came so early just to get ready to teach Ning Yu a lesson?”

Tao Yuxuan: "That's right. Why else would I come so early?"

Shi Xi followed behind her, wanting to see what Tao Yuxuan was up to.

She wasn't worried about Ning Yu. She was just worried that Tao Yuxuan, the cannon fodder sister, would die too tragically.

When she was reading the novel, she could read ten lines at a glance. She could not remember many details clearly. She only remembered that she had fed the fish in the end.

As for what happened to Tao Yuxuan, she could not remember clearly.

Just as she walked out, Tao Yuxuan whispered, "Wow! Your fiancé is here!"

Shi Xi looked up and saw Sheng Yan walking in from outside.

Sheng Yan was tall and handsome. Wherever he appeared, everyone's eyes would automatically look at him.

Shi Xi was no exception. Her gaze fell on Sheng Yan.

Then she looked at Sheng Yan's hair.

It was a pity that he would be bald in the future.

Chapter 26: Why Was There a Bald Male Lead

Since Sheng Yan's father was bald, the chances of Sheng Yan becoming bald in the future were very high.

When she thought of this, Shi Xi could not help but sigh in her heart.

Such a good male lead was actually bald.

When Sheng Yan came in from outside, he naturally saw Shi Xi.

However, he did not understand why Shi Xi was looking at him with pity?

What was there for him to pity?

Sheng Yan's eyes were filled with displeasure. He did not like Shi Xi to begin with, but both of his parents were extremely supportive of this marriage.

Moreover, Shi Xi had always liked him and had always looked at him with adoration.

Why had Shi Xi become so strange since the last time they met?

Tao Yuxuan walked away with great discernment. "You guys chat, I'll play by myself."

She still had her own things to do!

Shi Xi walked downstairs slowly and asked, "Why are you here so early?"

Sheng Yan put one hand in his pocket and took a box with the other. He threw the box at Shi Xi and said reluctantly, "This is a gift from my mother."

.....

The box formed a beautiful parabola in the air and Shi Xi caught it accurately.

"Auntie gave it to me? What is it?" Shi Xi opened the box and saw the jade bracelet inside.

The jade bracelet was verdant and looked extremely elegant from afar.

Shi Xi sucked in a breath of cold air. If she hadn't caught it properly just now, the bracelet would have shattered!

"It's too expensive." Shi Xi quite liked the bracelet, but she didn't want to accept a gift from the Sheng Family.

It felt like she was receiving a betrothal gift.

"Just take it." Sheng Yan looked a little unnatural and explained in a low voice, "My mom wore that bracelet last time and bought a fake one by mistake."

"Isn't your family making jewelry? How could she buy a fake one?" Shi Xi didn't understand.

"So, my mom felt very embarrassed." Sheng Yan didn't dare to recall Sheng Yan's mother's expression.

The Sheng Family's Sheng Shi Jewelry was extremely huge.

In the end, his mother bought fake goods.

Shi Xi accepted the hush money. No, she accepted the bracelet and promised, "Don't worry, I won't tell anyone about this."

Sheng Yan nodded slightly and returned to his arrogant state.

The two didn't talk about the engagement, but the atmosphere was still very harmonious.

Just then, Ning Yu came in from outside.

Ning Yu's skin was cold and white, her facial features were exquisite and cold, and she looked very obedient. However, she rarely smiled. Her eyes seemed to be soaked in ice and snow, making people afraid to approach her.

"It's you?" Sheng Yan saw Ning Yu and his eyes were full of surprise.

"Do you know each other?" Shi Xi asked subconsciously.

After asking, Shi Xi found that she was talking too much.

In the original plot, Ning Yu and Sheng Yan had met before, but they would only officially meet at this banquet.

"We don't know each other. We just met." Sheng Yan chuckled and introduced himself. "Hello, I'm Sheng Yan."

“Ning Yu.” Ning Yu’s voice was clear and cold. Without looking at him, she walked upstairs.

Sheng Yan was deep in thought. ‘She has quite a character.’

Shi Xi thought of the twists and turns between the two in the plot and patted Sheng Yan on the shoulder. “Refuel!”

You still have a long way to go in chasing your wife!

Sheng Yan: “?”

What kind of oil?

This Shi Xi was really getting more and more strange.

He couldn’t understand.

“Oh right, there’s something I need to discuss with you.” Shi Xi was still standing on the steps, leaning close to his ear, trying to whisper to him.

“What is it?” Sheng Yan asked.

Just as Shi Xi was about to say something, another man walked into the living room.

The man was dressed in a well-ironed suit. His brows were straight and his eyes were bright. His gaze was resolute. When he saw Shi Xi, his gaze softened. “Xi Xi is finally willing to come home.”

Chapter 27: Others Wouldn’t Pick the Leftovers, And Neither Would They Give Them To Me

When she saw who it was, Shi Xi subconsciously straightened her body. “Big Brother.”

The man who entered was the Shi Family’s eldest young master, Shi Xu.

Sheng Yan also straightened his expression. “Big Brother Shi.”

Shi Xu was older than the two of them, and was also the Shi Family’s eldest brother. He and Sheng Yan had played together since they were young, so their relationship was naturally very good.

“Sheng Yan is here too.” Shi Xu’s gaze swept over the two of them with a smile. “Looks like Xi Xi won’t be staying at home for long.”

Shi Xi coughed and changed the topic. “Why is Big Brother back so early today?”

“I wanted to give you a present before the banquet starts.” Shi Xu was carrying a gift bag in his hand. He took out two brocade boxes. “See which one you like.”

Shi Xi brought back two necklaces. One was the star pendant and the other was the moon pendant.

They were both very beautiful.

“Do you want one for Ning Yu and me?” Shi Xi asked.

“Yes.” Shi Xu nodded. “Choose one first. I’ll give the other one to Ning Yu.”

From what Shi Xu said, it could be seen that Shi Xi was doted on by Shi Xu.

It was obvious that Shi Xi was placed first.

.....

Shi Xi could not help but recall Lin Daiyu's words:

[I knew it. Other people's leftovers, I don't want it.]

"Cough, I'll go ask Ning Yu which one she likes." Shi Xi took the two boxes and went upstairs to look for Ning Yu.

Shi Xu must also care about his sister, Ning Yu. Otherwise, he wouldn't have bought two necklaces.

It was just that he was used to doting on Shi Xi, so he could not help but be biased.

People's hearts were biased.

Shi Xu and Sheng Yan were both slightly surprised when they saw Shi Xi's actions.

They were familiar with Shi Xi's personality. She had always been a spoiled little princess.

They did not expect that Shi Xi would actually have the time to consider other people's feelings.

It was really strange.

Shi Xu looked at Sheng Yan and asked, "What did Xi Xi say to you just now?"

"She was just about to tell me when you came back." Sheng Yan thought of the matter that Shi Xi wanted to ask him for — what did she want to ask him?

"Then I'll ask her later." Shi Xu asked, "Do you want to go to the study to have a seat?"

Sheng Yan nodded. "Sure."

Both of them had already taken over their own companies, and they would occasionally have business cooperation.

Let's talk about Shi Xi.

After getting the necklace, Shi Xi knocked on Ning Yu's room.

"Come in."

Ning Yu's voice was cold and emotionless.

Shi Xi pushed the door open and entered. She saw Ning Yu sitting in front of the table. The computer screen on the table was the game interface.

"Are you busy?" Shi Xi knew very well that the game could not be stopped.

Ning Yu: "Two minutes."

Shi Xi understood.

Two minutes meant that the game needed two minutes to end.

Shi Xi sat down on the sofa and just happened to be able to see Ning Yu's game interface.

It seemed to be a game called 'World of Martial Arts Dream'.

Shi Xi had never played it before, but when she played on her phone, she could often see the advertisement for the game.

Anyway, the hype had attracted countless gamers.

Ning Yu pressed her left hand on the keyboard while her right hand held the mouse. The game interface in front of her was very confusing.

Two minutes later, a huge 'Win' lit up on the page.

Ning Yu stopped what she was doing and turned her chair to Shi Xi. She asked, "Why are you looking for me?"

Shi Xi took out two necklaces. "Big Brother bought two necklaces. Which one do you like?"

Shi Xi picked up the necklaces. No matter if it was the star or the moon, they all reflected a dazzling light.

Both necklaces were very exquisite and beautiful.

"Whatever." Ning Yu took a look and then looked away.

Chapter 28: The Balance of 70 Million

Ning Yu's personality had always been cold. When she saw the necklaces that Shi Xi held up, she did not show much emotion.

Shi Xi looked at the necklaces in her hand and said, "Then you should wear this crescent moon. It feels like you're like a bright moon, with a clear light from a thousand miles away."

Hearing Shi Xi's praise, Ning Yu turned her head to look at her, her eyes filled with inquiry.

Although Ning Yu's personality was cold, she could sense that the people of the Shi Family did not like her.

Compared to her, a real daughter who had returned from the countryside, the people of the Shi Family preferred Shi Xi, who had grown up under their care and had a docile and had an obedient personality.

However, to Ning Yu, the people of the Shi Family were like a group of strangers. She did not bother to curry favor with them.

She did not expect that Shi Xi would take the initiative to look for her.

Ning Yu took the necklace and said unnaturally, "Thank you."

“This is a gift from Big Brother. If you want to thank me, you can tell Big Brother yourself.” Shi Xi sized up her star necklace and said, “Help me put this on.”

Ning Yu looked at Shi Xi who was very close to her and felt a little uncomfortable.

However, Shi Xi’s eyes were bright like the bright stars in the night sky, unbridled and flickering in the endless black sky.

Ning Yu took the necklace and put it on her.

After Shi Xi put on the necklace, she straightened the star pendant, her eyes filled with anticipation. “Does it look good?”

.....

The girl was wearing a dark blue dress, and the star pendant on her neck reflected a dazzling light under the light. But the girl’s eyes were even brighter. Under her crow-feather-like eyelashes, her black eyes were like the Polaris in the dark night.

The corners of Ning Yu’s mouth curled up slightly, and she could not help but reveal a dotting smile. “You look good.”

When Shi Xi saw Ning Yu smile, she was slightly startled and said, “Your smile is so beautiful!”

Ning Yu coughed. “Is there anything else?”

Shi Xi looked at the time and reminded her, “You should change into your gown.”

“Yes.” Ning Yu took out a red gown from the wardrobe.

It was even brighter and more beautiful than the dress that Ning Yu had bought for her previously.

However, the moment she took it out, Ning Yu realized that something was wrong.

She pulled up the hem of the dress and frowned slightly.

The slit of the dress that was originally only open to the knees was now open to the waist.

She couldn’t wear it at all.

Shi Xi didn’t realize that the dress had been cut by someone. With a face full of admiration, she suggested tactfully, “Isn’t this slit too high?”

When Ning Yu saw the dress, she suspected that Shi Xi had done it.

However, Shi Xi had such an innocent expression, as if she did not know about this.

“It’s not that it’s too high, it’s that the dress has been cut.” Ning Yu’s eyes were slightly lowered, and there was a coldness in her eyes.

She had only returned to the Shi Family for a few days, and there was already someone who could not stand her and did such a small thing?

“Hiss — Who’s so bad!” Shi Xi took a deep breath and hurriedly said, “I didn’t do it!”

How could she be so unlucky!

She actually appeared at the plot point where the female lead was framed!

This wasn't in the original plot!

Ning Yu pursed her lips and didn't say anything.

"Oh right, I also brought back the gown that I bought for you last time." Shi Xi thought of this matter and immediately stood up. "I'll go get it for you!"

Although Ning Yu didn't take the clothes that Shi Xi bought last time, Shi Xi still brought it back.

She didn't think that they would be useful so soon.

However, Ning Yu wouldn't suspect that she was the one who cut the clothes, right!?

Shi Xi sighed.

The life of the female lead was too difficult.

Luckily, she was only a supporting actress.

Hehe.

While Shi Xi went to get the clothes, Ning Yu sat back in front of the computer and tapped on the keyboard a few times.

The screen flashed for a moment, and the surveillance video of the Shi family's corridor popped up.

Ning Yu's room was on the innermost part of this floor. No one else would normally pass by.

She had just brought the gown back yesterday. She just needed to see who had entered her room during the period when she was not at home.

After seeing who had entered her room, Ning Yu was expressionless as she exited the surveillance interface.

Her phone flashed, and a message came in.

Ning Yu took a look. It was an account entry message.

Chapter 29: What's the Use of Being Pretty?

After Shi Xi gave Ning Yu a gown, she left Ning Yu's room.

Although she really wanted to see the female lead's figure, she didn't seem to be familiar with her yet.

She hoped that they could go swimming and soak in the hot spring together sometime in the future.

Shi Xi's eyes were filled with yearning.

“Shi Xi, what did you want to talk to me about?”

While she was distracted, Shi Xi was interrupted by Sheng Yan’s voice.

Sheng Yan walked out of the study room of time sequence and happened to see Shi Xi, so he asked.

“Later at the banquet, you...” Shi Xi approached Sheng Yan and whispered something into his ear.

After hearing Shi Xi’s words, Sheng Yan said with a faint smile, “Why should I listen to you?”

“If you want to break off the engagement with me, then do as I say!” Shi Xi’s eyes were firm, and there was a bright light in them.

Sheng Yan sized up the girl and was somewhat silent.

He and Shi Xi were childhood friends and he had always treated Shi Xi as his younger sister. It was only now that he suddenly realized that the younger sister in his heart had already grown up.

“I can promise you, but your big brother doesn’t seem to agree,” Sheng Yan said indifferently.

.....

“Big Brother?” Shi Xi looked at the study room’s door and waved her hand. “Don’t worry, I’ll take care of my big brother!”

Sheng Yan curled his lips. “Okay.”

He had wanted to break off the engagement with Shi Xi. Since Shi Xi had taken the initiative, he was happy to add fuel to the fire.

Shi Xi knocked on the door of the study room and stuck her head in. “Big Brother?”

“Come in.” Shi Xu leaned against the back of the chair and pressed between his eyebrows. His voice was gentle. “How have you been living outside recently?”

“Very good.” Shi Xi thought to herself that it would be very happy to live alone!

She walked into the study room and pointed at the necklace on her neck. “Does it look good?”

Shi Xu smiled. “It looks good. My sister is the most beautiful.”

“It’s Big Brother who chose the necklace to look good.” Shi Xi giggled as she walked forward. “Big Brother, I have something to discuss with you. Don’t be angry.”

*

The Shi Family had a strong background and strength in Feng City. Father Shi was in his prime, and Shi Xu was also a master in the business world. He led the Shi Family to a higher level, and there was an endless stream of guests attending the banquet.

At this banquet, Father Shi would officially introduce Ning Yu’s identity.

Those who could attend the banquet had more or less heard some rumors and knew that the Shi Family brought home the wrong daughter.

The real daughter was a boorish person from the countryside. She often fought and got into fights, and it was at the worst, No. 13 High School.

And the fake daughter who had carried the wrong daughter was Shi Xi, the top socialite in Feng City. She was gentle, generous, intelligent, and beautiful.

In comparison, the difference was obvious.

Therefore, many people at the banquet were discussing the matter of the real and fake daughter in low voices.

Seeing that everyone was almost there, Father Shi chuckled and walked forward. "Thank you all for coming to my humble abode on such a busy day... Today, I would like to introduce my, Shi Hong's, daughter, Ning Yu."

Everyone looked over and saw a cold-looking young lady in a white dress slowly walking down the stairs.

The young lady's skin was snow-white and her appearance was exquisite. Her amber-colored eyes seemed to contain ice and snow. When she appeared in front of so many people, there was not a trace of embarrassment or fear in her eyes. Instead, there was a faint sense of pressure.

As her cold eyes swept over, Ning Yu stood beside Father Shi. Her voice was as cold as her own. "Hello, everyone. I am Ning Yu."

"She's so pretty! As expected of the daughter of the Shi Family. Her genes are so good!"

"What's the use of being pretty? I heard that she's very capable. On the first day she returned to the Shi Family, she chased Shi Xi out of the Shi Family!"

"She's a famous gangster from No. 13 High School. No one dared to provoke her when she was in school! It's really tragic for Shi Xi to run into her."

Chapter 30: Will Always Be Your Brother

Shi Xi was standing in the crowd. When she heard this, her heart trembled.

She wasn't bullied!

Ning Yu wasn't a delinquent!

However, Shi Xi couldn't explain it. When she spoke up for Ning Yu, it made people feel that Ning Yu was going too far. On the other hand, they would feel that she, Shi Xi, was gentle and magnanimous.

Simply put, it made Shi Xi look like a white lotus flower.

Shi Xi: "..."

Ning Yu noticed everyone's gaze and felt disdain in her heart.

She did not care about what the others thought.

After Father Shi's introduction, they were going to dance the opening dance.

Everyone was paying attention to Shi Xi and Ning Yu. They wanted to see who they would dance the opening dance with.

After all, they were both daughters of the Shi Family. Now, it seemed that Shi Xi was no longer favored.

Sheng Yan walked up to Ning Yu and raised his eyebrows. "Miss Ning, can I invite you to the opening dance?"

Ning Yu raised her long eyelashes and stretched out her hand. "Sure."

.....

When the other guests saw Sheng Yan inviting Ning Yu to the opening dance, they were so shocked that they couldn't close their mouths.

"D*mn, Young Master Sheng is going to dance with Ning Yu? What about Miss Shi then?"

"Young Master Sheng is definitely going to marry the real daughter of the Shi Family. It seems that the Sheng Family also recognizes this real daughter."

"I thought that Young Master Shi would have the opening dance with Ning Yu. I didn't expect it to be Sheng Yan."

"Then what about Shi Xi? Has she really been abandoned?"

The gossipy guests secretly looked in the direction of Shi Xi.

However, at this moment, Shi Xi was chatting with Shi Xu and was not unhappy at all.

Shi Xu asked in a low voice, "Did you ask Sheng Yan to invite Ning Yu to the opening dance?"

"Yes!" Shi Xi nodded, her eyes curved, "If the Shi Family only recognized Ning Yu, those people would still bully Ning Yu. Only by asking Sheng Yan to invite Ning Yu to the opening dance would they treat Ning Yu as the daughter of the Shi Family."

These people were the best at flattering and trashing the higher ones.

Although Ning Yu didn't care about these things, Shi Xi didn't want the female lead to be bullied.

It wasn't their fault that their identities were swapped.

Shi Xu's eyes were filled with relief as he rubbed Shi Xi's head. "Xi Xi has grown up."

"Don't touch my head, my hair is all messed up!" Shi Xi covered her head.

"If it's messed up, then it's messed up." Shi Xu continued, "But if you don't come back to the Shi Family, they'll think that the Shi Family is mistreating you."

"This..." Shi Xi hesitated. "When my filming ends, I'll come back and stay."

Initially, she wanted to avoid Ning Yu, so she stayed in a hotel.

However, when she really got into filming, she realized that she did not have enough time.

She had never learned acting before, and now she was starting from scratch. Fortunately, this was only a small-budget school drama, and it did not require high acting skills, so she could still take on the role.

However, she had to rely on this in the future, so of course, she had to improve her own strength.

“Whatever you want to do, I will support you.” Shi Xu could not help but rub Shi Xi’s head again.

“Remember, I will always be your brother.”

Shi Xi covered her hair. “Then remember, your sister hates it the most when others touch her hair!”

Shi Xu laughed and invited, “Dance with me.”

“Don’t rub my hair.” Shi Xi stretched out her hand and placed it on her palm.

The others also entered the dance floor. When they saw the Shi Family’s eldest young master dancing with Shi Xi, they roughly understood.

Be it Shi Xi or Ning Yu, they were both the Shi Family’s doted daughters.

Other than some extreme idealists.

“Ning Yu is really too much! She stole Shi Xi’s home and even stole Shi Xi’s fiancé!”

“So, we must help Shi Xi vent her anger!”
