

The Fake 221

Chapter 221: That Was Good, She Didn't Need To Be Scolded

Maybe Shi Xi was really just passing by and just came in to take a look?

Principal Du felt that he shouldn't look at the pink-haired little girl with ordinary eyes.

"I'll also talk to Principal Du about something," Shi Xi added.

Principal Du: "?!"

'As expected! I didn't live these 57 years for nothing!'

'This girl is looking for me to do something!'

Principal Du sat up straight.

He took another sip of the milk tea in the cup.

He would call it milk tea for now.

"What is it?" Principal Du was a little regretful.

He shouldn't have drunk it so quickly.

Alright, he had already drank it.

"Well, I'm going to join the crew to film and record the program." Shi Xi put down the teacup and put her hands together. "Therefore, I may miss a few classes of school. But I promise that I will study hard and never fail!"

So that was what happened.

Principal Du heaved a sigh of relief.

"As long as you promise not to fail, not to lack academic credits, and not to violate the school's discipline, the school will not expel you." Principal Du continued to drink milk tea in satisfaction. He couldn't help but become a teacher again. "But you're still young. In the entertainment industry, you have to keep a clean slate. You can't be blinded by a moment of prosperity, do you understand?"

Shi Xi nodded obediently. "I know. I will keep a clean slate."

Seeing the girl nod, Principal Du could not help but say, "Your hair..."

"I'll dye it black today!" Shi Xi promised.

"That's not what I meant. Forget it, dye it back to black." Principal Du wanted to be polite, but he was afraid that the kids these days wouldn't understand what polite words meant.

He might as well just say it out loud.

Shi Xi stood up. "I'll dye my hair back to black right now! I'll take a photo for you tonight."

Principal Du smiled. "Then I'll wait for your photo."

Shi Xi added Principal Du's WeChat message and took her leave.

She was going to take a make-up photo for [Nine Blades of Tang] in the afternoon. She had planned to dye her hair back to its original color.

It had been some time since she dyed her hair pink. The roots of her hair had started to grow black hair.

Shi Xi dyed her hair back to black and arrived at the filming studio for [Nine Blades of Tang].

Before she even entered, Shi Xi heard the angry roars coming from inside.

"What contact lenses?! Did I tell you before? You can't wear contact lenses when filming my scenes! Beauty contact lenses? Aren't beauty contact lenses still contact lenses!? Take them off!"

Shi Xi stopped in her tracks and silently took off her contact lenses.

That was great, she wouldn't have to suffer a scolding.

Han Chuan said from the side, "The person who lectured her just now is the director of [Nine Blades of Tang], Yan Zhi. He became famous at a young age and is very talented, but his temper is very bad."

Shi Xi agreed. "I can tell."

"If he scolds you, just bear with it and don't talk back to him," Han Chuan said. "He has always treated things differently from others. As long as you put on a good show, he will shut up."

"I hope so." Shi Xi's mood was heavy, and she felt that the future was dark.

Pushing the door open and entering, Shi Xi looked up and saw a tall, tall man.

Shi Xi had seen many handsome men. They were domineering, cold, and gentle types. She had met all of them before, but this man in front of her had the most beautiful eyes and brows.

With just a glance, she could not shift her gaze away.

When the man saw Shi Xi, he smiled faintly and said, "Shi Xi is here."

Han Chuan asked, "You only saw Shi Xi?"

"Brother Han, long time no see." The man walked forward. "The newcomer you brought is not bad!"

Han Chuan introduced, "Shi Xi, this is the male lead of [Nine Blades of Tang], Chu Yuan."

Chapter 222: How Could the Real Thing Be Mixed In With the Fake

Shi Xi came back to her senses. "Hello, Senior Chu Yuan."

Chu Yuan nodded casually and said with a smile, "Go and say hello to Director Yan. Hurry up and put on your makeup. I'm going to change my clothes."

Shi Xi's gaze swept over and saw the director who was training the actors.

Then, she looked at the actor who was being reprimanded—

Wasn't that Ning Yu's follower?

Because she was beautiful, Shi Xi had a slight impression of her.

She seemed to be called Mu Zhao?

Shi Xi recalled.

Han Chuan brought Shi Xi over. "Director Yan, I brought Shi Xi over."

Director Yan's gaze landed on Shi Xi and sized her up from top to bottom.

Shi Xi felt like she was an object.

Director Yan said, "Turn around."

Shi Xi: ...This was even more like it!

Director Yan sized up Shi Xi and said coldly, "Go and apply your makeup."

Shi Xi: "Alright."

Shi Xi was going to play the male lead's junior sister, Tang Xi, his white moonlight. She was dressed in a light yellow dress and her hair was decorated with golden clips.

When the makeup artist wasn't paying attention, Shi Xi touched it.

Oh f*ck, it was actually real gold.

The production team was quite practical.

When she saw the jade bracelet, Shi Xi fell silent again.

Was this bracelet fake?

Why did the production team seem to be buying it on behalf of the real thing?

Shi Xi thought of the jewelry box in the car and asked Zhu Lin to bring her jade bracelet.

After her makeup and hair were ready, Shi Xi returned to the studio and saw the female lead taking her final makeup photo.

The female lead was called Su Lian, a very famous A-List actress in the entertainment industry. She had previously become popular by shooting historical dramas, and after that, she maintained a high-quality film and television series every year.

As for Ning Yu's friend, Mu Zhao, she was playing the role of the third antagonist, the demoness of the Demonic Sect. She was dressed in a bright and flamboyant red dress.

Zhu Lin came back with the jewelry box and said softly, “Mu Zhao was wearing red cosmetic contact lens just now. She said that it was more suitable for the role. Director Yan scolded her profusely.”

Shi Xi looked at the jewelry box in Zhu Lin’s hand and said hesitantly, “Then if I change my own jewelry, would it be unnecessary? Will I be scolded?”

Zhu Lin was silent for a moment. “If you drop it, it won’t be worth it.”

Shi Xi looked at her sleeve and said, “If I wear it on my own hand, Director Yan shouldn’t be able to see it.”

Zhu Lin opened the jewelry box and let Shi Xi change into it.

This jade bracelet was given to her by Mother Sheng previously. It was so clear that it seemed like there was water flowing inside.

“Mu Zhao, okay, let’s shoot the next one!”

Shi Xi walked forward and started to take the makeup photos of the character.

Director Yan looked at the character in the camera with displeasure in his eyes.

He hated it the most when people were shoving people into his production crew.

However, with the popularity of capital and without investment, he wouldn’t be able to produce a good film.

Looking at the girl in the camera, Director Yan took a deep breath.

He only hoped that this second female lead, who had been shoed in, wouldn’t be too bad at acting.

When it came to the action of holding a sword, Director Yan said, “Wait a moment!”

Shi Xi held the sword in her hand. “What’s wrong?”

Director Yan stared at the photo and asked, “Did you change the props?”

Shi Xi: “?!!”

This person’s eyes were too sharp!

“I’m wearing my own jade bracelet.” Shi Xi asked, “Is that okay?”

Is that okay?

“Of course not!” Director Yan suppressed his anger. “Who allowed you to change the props on your own?!”

Shi Xi: “I wanted to change it myself.”

The atmosphere in the studio instantly cooled down to the freezing point.

“Change it back!” Director Yan said coldly.

“Alright, I’ll change it right away!” Shi Xi was very obedient and did as she was told.

Director Yan:

D*mn it, weren't young people nowadays not very tolerant? Why didn't she fight back?

If she didn't fight back, how could he scold back!?

Why didn't this girl play by the rules!?

Chapter 223: Turned Out To Be the Second Female Lead Who Had Relied On Money

Shi Xi switched back to the prop jade bracelet and continued filming.

Director Yan was seething with anger. The more he looked at it, the more displeased he felt.

After looking at the good jade bracelet and then looking at this fake jade bracelet, he couldn't get used to it no matter how he looked at it.

Forget it, endure it.

Director Yan took a deep breath. "Next!"

After shooting the final makeup photo, everyone returned to the hotel near the filming set to prepare for the start of filming the next day.

After the shooting started, everything was on track.

The next day, the shooting ceremony.

[Nine Blades of Tang] was a star-rated drama. The director was Yan Zhi. Both the male and female lead actors were popular A-List celebrities. The second female lead, Shi Xi, was a popular female artiste.

Therefore, when the drama started shooting, it set off waves on the internet.

Shi Xi's fans were extremely happy. The second female lead of a star-rated drama! If the drama exploded, the popularity would be even higher than the female lead of a small-budget online drama.

novelusb.com

After all, there were tens of thousands of failed online dramas every year.

However, no matter how bad it was to be in a star-rated drama, it was not Shi Xi's turn to be the scapegoat!

Shi Xi's fans were overjoyed as if it was the New Year.

Meanwhile, Nan Wan was lying on the sofa. When she saw the news on the internet, she was so angry that her phone smashed on her face.

She was so angry that she threw her phone out. However, she did not let go of her anger and picked up the pillow on the sofa and threw it outside.

The manager who came in avoided Nan Wan's attack and said, "I've already discussed it with [Star Idol]. They'll invite you to be an assistant for the next episode."

“Assistant?” Nan Wan was furious. “I’ll be an assistant?!”

“It’s as a senior. You’ll complete the stage with the trainees,” the manager corrected her expressionlessly. “It’s just a few twists and turns on the stage. It won’t be difficult for you.”

Nan Wan’s expression softened a little as she asked, “How’s the discussion about the script going?”

The manager replied, “It’s still in the process of being contacted.”

Nan Wan’s face was filled with hostility. “Why is it still in the process of being contacted?”

“Shi Xi can even get the supporting actress for a star-rated drama, so why can’t I get it?”

“Could it be that I’m worse than her?!”

The manager said calmly, “That drama was funded by Kuai Xue Entertainment.”

Nan Wan: “?”

The manager explained, “Kuai Xue Entertainment is the company that Shi Xi is in.”

Nan Wan leaned against the sofa, her eyes filled with ridicule. “Oh, so it’s a second female lead that was created with money! No wonder she was able to act as the second female lead in a star-rated drama so quickly.”

‘Didn’t you also rely on money?’ the manager thought to herself.

“Everyone knows how to make use of connections and resources, can’t you be a little more lively? I’ve been back in China for almost half a month, and I haven’t even received a decent job!” Nan Wan’s expression changed as she said, “Useless thing!”

Her manager: ‘...That’s because you’re too arrogant and don’t care about this or that.’

“I’ll contact the appropriate script again.” Her manager knew Nan Wan’s character and knew that if she stayed, she would only scold her, so she simply left.

Nan Wan went to pick up her phone. When she found that the phone was already broken, she was so angry that she threw the phone out again.

She was really unlucky. Everything did not go according to her wishes!

*

As for Shi Xi, things did not go well either.

After the camera was turned on, it was time for the official shoot.

Director Yan was as strict as his name suggested. He was extremely strict with every shot.

Chu Yuan played the male lead, Tang Dao. The first scene was a knife practice in the bamboo forest.

When the last move was practiced, the weather changed. Tang Dao finished the last move in the rain and knelt on one knee on the ground. The blade was stuck in the ground.

Shi Xi had thought that Chu Yuan was so handsome that he would look good but not be useful.

However, when Chu Yuan picked up the knife and walked onto the field, Shi Xi realized that she was wrong.

Chu Yuan had seriously practiced his knife skills. Every move and move was smooth and natural, as if he was really a swordsman in the martial arts world.

Shi Xi was unconsciously attracted.

Chapter 224: Lao Zi's Eyes Were Big To Begin With!

The knife practice scene was split into two scenes to shoot.

The changing weather in the middle also required the production team to use a water pipe to 'artificially rain'.

Shi Xi originally thought that Chu Yuan's perfect performance would be over in one go.

However, Director Yan lived up to his name. After shouting "Cut", he said, "Chu Yuan, don't look so grave. The current Tang Dao has yet to bear any grudges. Relax a little."

"All departments, get ready. Let's do it again."

Shi Xi widened her eyes.

She had only been paying attention to Chu Yuan's actions and hadn't noticed Chu Yuan's expression.

Did he get a bad take?

Shi Xi quietly moved behind Director Yan and looked at the scene in the camera.

Chu Yuan took the knife back to his original position. After hearing Director Yan's request, he didn't have the slightest bit of dissatisfaction.

Even if he had won the Best Actor award, Chu Yuan still worked hard and didn't complain.

Shi Xi had a good impression of Chu Yuan.

Who wouldn't like a handsome and serious man!

Zhu Lin watched from the side, feeling a little uneasy.

It can't be?

Shi Xi wouldn't have taken a liking to Chu Yuan, right?

Zhu Lin thought about whether she should tell on her.

After Chu Yuan shot back and forth seven times, Director Yan finally nodded his head in satisfaction. "Pass. Prepare for the next scene."

Chu Yuan was so tired that he couldn't even pick up his knife. He lay on the lounge chair, waiting for the props team to prepare for the rain.

The next scene was a knife dance in the rain.

Shi Xi looked at the camera from the side and felt that Chu Yuan's NG scenes were perfect.

As expected of a popular Best Actor. He was handsome and hardworking. His acting skills were so good, but he was also approachable.

Zhu Lin watched from the side with fear in her heart. She gripped her phone and considered whether or not she should tell on her.

The props team was soon ready. Chu Yuan returned to the middle of the bamboo forest and continued to practice his knife.

Chu Yuan, who was in the rain, had an additional trace of unswerving masculinity.

So handsome!

Shi Xi's eyes lit up. She wished she could pull Director Yan over and sit in the director's chair to watch.

The scene of practicing his knife skills in the rain was shot three times. A few more scenes were added in the middle before it was over.

Shi Xi also realized that Director Yan was serious about the shooting. He absolutely could not allow any mistakes.

In the middle of the scene, Chu Yuan's knife practice ended and he lost his balance.

Initially, it would have been fine if he had cut it off later on, but Director Yan still requested to reshoot it.

He was really strict.

Shi Xi sighed.

Director Yan said, "Let's change the venue. It's time to shoot the next scene."

Shi Xi unconsciously straightened her body.

The next scene would be her scene.

Yes, although she was the second female lead, she was the male lead's white moonlight. She would appear in the first episode.

Then, she would go offline very soon.

They returned to the Tang Sect and prepared to shoot Shi Xi's scene.

Shi Xi played the daughter of the Tang Sect Leader, Tang Xi. She was proficient in zither, chess, calligraphy, painting, and poetry. Her weapon was the sword in her sleeve.

*

The rain became heavier and heavier. After Tang Dao finished practicing with the blade, he ran back to the Tang Sect.

He turned around the corridor and saw Tang Xi holding an umbrella.

Her slender snow-white hands slowly held up the umbrella. When the edge of the umbrella was raised, the girl under the umbrella raised her eyes.

“Cut — Shi Xi, you’re raising your eyes, not your head. Don’t open your eyes so wide!”

Shi Xi: ‘...I didn’t open my eyes! I have big eyes to begin with!’

What the f*ck, but Shi Xi still accepted her fate and said obediently, “Alright.”

They retook the scene of Shi Xi opening the umbrella.

“Don’t smile, you don’t have to smile! Just open the umbrella as usual!”

“Why are you opening it so quickly? Are you rushing out to reincarnate?”

Shi Xi: F*ck!

“There’s a time difference between holding up the umbrella and raising your eyes. If you slow down a little, it won’t be slowed down in the later stages!”

“Why is your expression so stiff? Do you know how to act?”

Shi Xi: Anyone who takes ten NGs will have a stiff expression, right!!

“Rest for ten minutes!” Director Yan returned to his chair angrily.

Shi Xi rubbed her face as she walked forward and asked, “Director Yan, can I take a look at what I took just now?”

Chapter 225: I Think They Know Quite a Lot

Seeing Shi Xi’s obedient attitude, Director Yan replayed what he had just filmed and analyzed it seriously for her. “Don’t act so deliberately in this scene.”

“You’re a graceful and elegant young lady. You’re just holding an umbrella. You’re not going to see Tang Dao.”

“You only saw Tang Dao after holding an umbrella, so you can just hold an umbrella normally! Don’t put on too much of an act.”

Shi Xi was deep in thought.

Looking at Director Yan, Shi Xi said, “Can you show me?”

If you can do it, you can show me?

Zhu Lin, who was listening by the side, stopped breathing.

Yesterday, Han Chuan had brought Shi Xi to take a set of photos. After they got to know each other, Han Chuan had left.

Now, she was the only assistant left.

What should she do?

Would Shi Xi get beaten up?

Zhu Lin was extremely nervous.

Director Yan looked at Shi Xi.

Shi Xi looked back without any fear.

“Go get the umbrella.” Director Yan wasn’t angry anymore. He stood up and prepared to show up to teach.

He wasn’t afraid that the actors’ acting skills were bad. He was only afraid that the actors would find an excuse not to learn seriously if their acting skills were bad.

*

Raindrops fell on the green stone slab, splashing out tiny splashes of water.

The grass and trees around the stone slab became even greener under the washing of the rain.

The camera moved up. The young girl was dressed in yellow. Her hands were slender as she held up an oil-paper umbrella.

The moment the edge of the umbrella was raised, the young girl raised her long eyelashes slightly. Her eyes were watery, and her eyes were empty.

When the young girl saw Tang Dao clearly, a smile appeared in her eyes. “I was just about to send you an umbrella when you came back.”

Tang Dao walked under the eaves and wiped the water off his face casually. He said nonchalantly, “It’s just a little rain. It won’t be a problem.”

..

“Pass.” Director Yan knew that Chu Yuan’s acting skills were excellent, but he did not expect Shi Xi to be so perceptive.

With a little guidance, she was enlightened.

At first, he was worried that Shi Xi would not be able to act as if she was looking at her beloved. He did not expect Shi Xi to act so realistically. Other than looking at Chu Yuan openly, she would also secretly glance at Chu Yuan.

Not bad, not bad. She was a good seedling!

From the looks of it, other than her eyes being too big, Shi Xi didn’t have any other flaws.

Director Yan had never liked investors stuffing people in. At this moment, he felt a little better when he realized that Shi Xi was a talent that could be molded.

The filming went very smoothly.

However, the matter of Shi Xi NG-ing more than ten times had somehow been exposed.

[Shi Xi NGed more than ten times on the set, the director is furious.]

The post's vivid description attracted the attention of many netizens.

Most of the netizens knew that Shi Xi was not from a professional class and expressed their understanding.

Anyway, it would be fine as long as she passed in the end.

However, after Nan Wan saw it, she sneered and helped Shi Xi buy a trending search and also bought a water army to defame Shi Xi.

For a time, there were rumors on the internet that Shi Xi's acting was bad and would drag down [Nine Blades of Tang].

[The scenes that Shi Xi filmed will directly avoid lightning in the future.]

[She's so good-looking. Can't she be at ease as a vase? She has to go and film to pollute my eyes.]

[I heard that Shi Xi was forced into it. Tsk tsk.]

[...]

After Zhu Lin saw the trending searches, she said angrily, "They don't know anything and are just spouting nonsense on the internet!"

Shi Xi cut her nails and said, "I think they know quite a lot. They even know that I was forced into it."

Zhu Lin: ...Is that the point?!

"But they said that your acting is bad!" Zhu Lin was unconvinced.

"But my acting is indeed not good." Shi Xi sighed. "Look at Chu Yuan and then look at Su Lian. Even Mu Zhao's acting is better than mine. I'm the one who has the most NGs in the crew."

Zhu Lin had nothing to say.

Shi Xi continued to cut her nails.

"But you're a newbie. What's wrong with having more NGs? Didn't Best Actor Chu also have more than ten NGs?" Zhu Lin was indignant and continued to find excuses.

Shi Xi glanced at her and said, "Don't tell Director Yan about this, or I'll get scolded again."

Zhu Lin: "..."

Chapter 226: She Was An Excellent Actress

Before Zhu Lin applied for the job, she had heard that artists had bad tempers. Being an assistant was most likely a punching bag. They would run around and be enslaved. In the end, they would even be scolded.

Before she was Shi Xi's assistant, she was trained by Han Chuan for two days. She discovered that some artists could even hit their assistants.

Zhu Lin at that time: I'm so scared.

At that time, it was rumored on the internet that Shi Xi was a fake heiress. If she wasn't a princess, she would have princess disease. Zhu Lin was very afraid that she would be used as a punching bag.

However, after becoming Shi Xi's assistant, Zhu Lin discovered that Shi Xi had a very good personality and didn't have any temper.

Even now, when they scolded Shi Xi on the internet, her assistant couldn't help but open a small account to scold them back. However, Shi Xi wasn't angry at all. She was still cutting her nails.

When Zhu Lin saw that Shi Xi had finished cutting her nails, she finally could not help but ask, "Aren't you angry?"

Shi Xi thought for a moment and said, "I'm angry. However, the pay for this movie is really high. Brother Han said that after I finish acting in this movie, my pay for variety shows in the future will also be increased."

Zhu Lin thought about Shi Xi's pay.

Not only was she not angry at all, she even wanted to curse Shi Xi together with the netizens.

novelusb.com

Shi Xi stretched lazily and said, "Don't mind the trending searches on the internet. That hot search must have been bought by someone else."

"When my drama is broadcasted, those with eyes will naturally be able to see how good my acting skills are."

"I don't have acting skills? It's hilarious. Give me another month, and my acting skills will surpass Chu Yuan's! I'll let them see what it means to have explosive acting skills!"

"What Best Actor and Best Actress? They'll have to be my supporting cast in the future!!!"

Zhu Lin looked at Shi Xi's back and fell silent.

It seemed that she was still angry.

Otherwise, she wouldn't have said those words that weren't clear-headed.

Shi Xi was indeed a little angry, but she didn't show it on the surface. Instead, she continued to study the script and wanted to play the role well.

Saying she could surpass Chu Yuan, she was just saying it casually.

This production team was indeed very strong. Shi Xi had a clear understanding of herself. As long as she didn't drag them down, everything would be fine.

[Nine Blades of Tang] was successfully filmed and ushered in the climax of the plot for the first time.

There were rumors in Jianghu that the Tang Sect had taken in the former imperial guards. In order to repay the Tang Sect, the imperial guards had given the treasure map of the previous dynasty to the Tang Sect.

After this news was spread, the Tang Sect was often harassed.

It was a dark and windy night. Tang Xi was playing the zither in her room when the window suddenly cracked open and an assassin in black barged in!

The girl raised her hand and a short sword flew out from her sleeve, hitting the assassin right between his eyebrows.

The hilt of the short sword was tied with a heavenly silk thread.

Tang Xi put away the short sword and walked out of the door. She saw a group of assassins in black sneaking in!

Many people from the Tang Sect were outside, and the assassins in black had the advantage in numbers. They could only fight and retreat.

In the end, in order to protect the others, Tang Xi and Tang Dao led the assassins in black to the cliff at the back of the mountain.

It was time for the most melodramatic part of the costume drama — jumping off a cliff that would not lead to death.

Both of them hung on the tree. Seeing that the tree could only bear the weight of one person, Tang Xi stabbed Tang Dao's hand with a dagger and forced him to let go of her.

In the end, Tang Xi fell and Tang Dao lived alone.

..

After two weeks of continuous filming, Shi Xi's scenes came to an end.

After that, the male lead became dispirited and was saved by the female lead.

Shi Xi stretched herself.

During this period of time, her number of NGs gradually decreased, and the number of times she was scolded became fewer and fewer.

Director Yan even praised her. "Although your acting is mediocre, you have a good eye for the male lead, and your fighting scenes are not bad either."

Shi . Good impression of Chu Yuan, about 80 points . Ancient martial arts heir. Xi : “Thank you for your praise, Director.”

She was absolutely an excellent actress!

Chapter 227: You City People Have So Many Tricks Up Your Sleeves

After Tang Xi fell off the cliff, she didn't reappear until the second half of the story.

So during this period of time, Shi Xi happened to return to [Star Idol] to continue recording this talent show.

After all, she was only the second female lead, so she definitely didn't have as many scenes as the main character.

Before returning to [Star Idol], Shi Xi specially reviewed this variety show.

She was afraid that she would mistake them for someone else.

That would be awkward.

When she saw the second ranking announcement, Shi Xi was surprised to find that the rankings had been completely reshuffled this time.

Li Jinfan, who had originally been in first place, had dropped to just over 20th place this time, and was on the verge of elimination.

Pei Jie had risen from the top nine to the top three.

Bai Canghai, on the other hand, had stood in first place, and could be considered worthy of his name.

The others had also changed somewhat.

Shi Xi was speechless. She had only been away for two weeks. How could there be such a huge change?

The talent show industry was really eight times faster than the entertainment industry!

When Shi Xi arrived at the program team, she realized that they had only given them one day to rehearse.

There was still half a day to rehearse.

Shi Xi: ...Exciting.

“So, which group and stage do I need to support?” Shi Xi asked.

“When Teacher Shi Xi enters the practice room, you'll know.”

Shi Xi was speechless at the program team.

They didn't want to do the stage properly at all. They only wanted to create suspense and use gimmicks.

Following the instructions, Shi Xi pushed open the door to the practice room.

Fireworks fell from the sky, and the practice students cheered.

“Wow! Wow! Wow! It’s Teacher Shi Xi!!”

“Ah, that’s great! I always thought that Teacher Shi Xi would work with us!! Dreams come true!”

“Sister Xi, long time no see!”

“Hello, Teacher Shi Xi!”

“Teacher Shi Xi, why haven’t you come to visit us recently?”

After the initial cheers, the trainees lined up in a row and greeted Shi Xi.

Shi Xi flicked away the confetti on her eyelashes and said with an awkward smile, “This welcome ceremony of yours is really special. Where did you get the confetti?”

“After the last stage, I pulled it from the ground.” One of the trainees told the truth. He even grabbed another handful from his pocket and threw it into the air.

Shi Xi maintained her smile.

You could never imagine what these young and energetic boys were thinking.

“Why did Sister Xi change her hair color?” Li Jinfan changed the topic and took the initiative to ask.

“Because I joined a set to film, pink hair isn’t suitable.” Shi Xi conveniently answered the question just now. “That’s why I haven’t come over recently. I’ve always been on the set.”

“Wow, what kind of scenes did Teacher Shi Xi film? Can you tell us?”

Shi Xi smiled. “Hurry up and practice. We have to go to rehearsal tonight.”

That person stuck out his tongue.

Shi Xi swept her gaze across the group and realized that the trainees in this group were all pretty good. Bai Cangyang and Li Jinfan, the two most popular trainees, were all in this group.

The other trainees were also very good.

The song chosen for this group was “Greed.” From the name, one could tell that the entire stage was biased towards s*xiness.

Shi Xi sucked in a breath of cold air.

She was just a little cutie!

How would she know what s*xiness was!

But looking at the group of trainees in front of her, Shi Xi did not want to (mainly because she could not) back down.

The dance teacher accompanied the trainees to rehearse once. Shi Xi’s face was expressionless, but she was actually cursing in her heart.

She still had to learn the cat steps?

She still had to lie on the ground?

She still had to hook Bai Cangyang's chin?

The dance teacher said, "Teacher Shi Xi, when you look at each other, your eyes have to be charming and bold."

"When the time comes, the clothes that I will prepare for you will be suspenders and a jacket. Remember to lift the clothes up a little so that your shoulders can be exposed."

The dance teacher personally demonstrated.

Shi Xi had a calm expression on her face as she rushed out of the door.

She was still a child!!

The dance teacher continued to kill people's hearts. "Teacher Shi Xi, do you want me to prepare a cat's ear and a cat's tail for you?"

Shi Xi: You city people have so many tricks up your sleeve.

Chapter 228: Turns Out That She Wasn't the Most Bashful and Innocent One

Shi Xi smiled politely. "If that's the case, the stage won't be approved, right?"

The dance teacher said regretfully, "That's true."

All the stages needed to be reported. If the performance was too excessive, there was a high possibility that they would be fined.

The fine was a small matter, but if that happened, it would be difficult to report it in the future.

The dance teacher said, "Teacher Shi Xi, do you want to go through it with them now?"

Shi Xi almost couldn't hold back her fake smile. "I'll learn my part first. You guys can continue practicing."

Both sides practiced separately, but they were in the same practice room.

Shi Xi looked at the dance teacher and could only say that he was dedicated to his work.

The dance teacher was a slightly plump male teacher. He made these seductive and s*xxy movements very tenderly.

Shi Xi took a deep breath and learned from the dance teacher.

The dance teacher said, "Don't be so stiff. Twist your waist a little softer, just like a snake."

Shi Xi: I'm a decent person.

Although she resisted in her heart, Shi Xi had to admit that 'Greed' was well-choreographed, regardless of whether it was the lyrics or the dance.

It was just that she wasn't good at being s*xy!

She wasn't a hot girl!

After learning for half an hour, Shi Xi finally managed to learn her own part.

Li Jinfan smiled and said, "Is Sister Xi shy?"

Shi Xi coughed and said, "I've never been exposed to such a style of dance before."

The dance teacher clapped his hands and said, "The dance this time is s*xy. Everyone must remember to release your own charm and show your s*x appeal."

"But remember, don't make too greasy an expression. Licking your mouth, smiling evilly... Don't do any of it! Once the dance moves are in place and the gaze is in place, it will be enough."

Bai Cangyang said, "Let's line up together."

The dance teacher nodded and walked to the front, preparing to play music.

Shi Xi took a deep breath and told herself that she could do it.

She was the prettiest girl!

As she was a supporting senior, she mainly showed the trainees, so Shi Xi only got a few parts.

When the chorus was played, Shi Xi walked forward, as if she was the most carefree person in the world.

She stood on tiptoe, put one hand on Bai Cangyang's shoulder, and used the other hand to lift his chin.

'F*ck, I can't reach it.'

Bai Cangyang was obviously not used to being in contact with the opposite s*x. When he saw Shi Xi approaching, he even retreated.

Shi Xi: I can't reach it even more.

The music was still playing. Shi Xi could only skip this part and continue with the following actions.

Her interactions with the other trainees were also not so good.

This group of trainees were happy when they saw her, but when they wanted to get close to her, their hands were shaking.

Shi Xi suddenly straightened her back.

Oh, so she was not the most shy and innocent one!

When the music ended, the dance teacher scolded passionately:

"Bai Cangyang, why are you hiding? Teacher Shi Xi could not reach you to begin with, yet you're still hiding behind her? She's so short, how could she possibly touch you?"

“Li Jinfan, you have to put your hand on her waist! You’re hugging her waist, not air!”

“Zhai Changnan, why are you turning your head? You have to look at Teacher Shi Xi! Is Teacher Shi Xi a ferocious beast? You don’t even dare to look at her?!”

“...”

Shi Xi: I’ve been offended.

After the dance teacher finished their training one by one, he had everyone rehearse it again.

“Change the middle movement. Bai Cangyang is a little tall. Me going to lift his chin, the movement isn’t very beautiful.” Shi Xi walked in front of Bai Cangyang and grabbed his collar. She said, “Change it like this? Teacher, what do you think?”

Bai Cangyang was grabbed by his collar and forced to lower his head to look at Shi Xi.

Chapter 229: This Time’s Program Will Definitely Be Wonderful

The latest episode of [Star Idol] was announced.

The popularity of the stage with the help of the five senior sisters rose to another level.

In the trailer, Shi Xi grabbed Bai Cangyang’s collar. The two of them looked at each other with an indescribable light in their eyes.

Later on, they even deliberately slowed down this action and added the pink bubble special effect.

Their popularity, looks, and strength matched each other. This scene gave them a great sense of togetherness, and ‘Xi Yang CP’ appeared out of nowhere.

[Ahhhh, KSWL, press your head! Kiss for me!]

[Talent Show Teacher x Best Trainee, what kind of novel plot is this!]

[This pair of locks, I’ll swallow the key!]

[...]

When the fan groups saw this scene, they felt extremely disgusted.

[Thank you for Teacher Shi Xi’s help. My brother is very handsome, but the two of them are just working together.]

[Xi Xi Zi isn’t in love at a young age. Some trainees who haven’t debuted can forget about sucking blood.]

The two fan groups hated each other. Their fans were celebrating the New Year and looking forward to the official stage.

In the trailer, there was also Nan Wan’s classical dance and Zheng Feicai’s help singing...

From the trailer, it could be seen that the stage would be extremely exciting.

It was indeed very exciting.

When Shi Xi passed by Nan Wan's group in their practice room, she knew that the program this time would definitely be exciting.

Nan Wan: "I think we've practiced enough."

The trainees: "Let's practice again?"

Nan Wan: "Aren't there rehearsals in the afternoon? Let's rehearse again later."

The trainees: "Then let's do it one more time."

Nan Wan: "I'm tired."

Shi Xi had only heard a few lines as she walked by, but she could roughly guess what was going on inside.

The stage for the three male singers was not simple. Other than one pure vocal performance, the other groups all needed to sing and dance.

The group that Nan Wan was supporting was an old-fashioned stage. It was extremely difficult to dance. According to Li Jinfan, the trainees in this group did not know how difficult it was back then. They had been training hard recently.

'Sigh, I hope Nan Wan can give them a good helping hand.'

Shi Xi took a few steps forward and saw the director of the program team.

"Hello, Director," Shi Xi greeted him with her curved eyes.

At the same time, she cursed the director in her heart for not doing his job and asking her to dance the s*xiest 'Greed'.

When the director saw Shi Xi, he smiled. "Shi Xi, long time no see. How are you doing on the set?"

"I've learned a lot on the set," Shi Xi said.

"You still have to work hard on the set. When you have time, go on a variety show." The director took out two tickets and handed them to Shi Xi. "By the way, these are the tickets for tonight's live performance. See if any of your friends are coming and give them to your friends."

Shi Xi took the tickets and her eyes curved. "Thank you, Director."

This was something practical!

After taking the tickets, Shi Xi gave Tao Yuxuan a call.

She remembered that Tao Yuxuan liked this show and was a loyal fan of Li Jinfan — She had forgotten to get an autograph for her again.

"Xi Xi? Why are you calling me when you have time? Aren't you busy?" Tao Yuxuan answered the call very quickly.

Shi Xi: "I have two tickets for [Star Idol]. Do you want to come and watch it?"

There was silence on the other end of the phone.

Shi Xi asked in puzzlement, "Don't you quite like it? Aren't you coming?"

Tao Yuxuan: "I'm still in Feng City."

Shi Xi: "Oh?"

Tao Yuxuan: "The live performance is in two hours. There's no flight even if I fly there!"

Shi Xi: I was careless.

"I forgot that you're still in Feng City." Shi Xi smiled awkwardly. "I'll get the tickets for the finals in advance next time!"

"No need. I've been quite busy recently and can't go out." Tao Yuxuan sighed. "Forget it, I have to continue moving bricks."

After hanging up, Shi Xi was a little surprised.

She didn't expect Tao Yuxuan to be a professional critic?

Then who should she give these two tickets to?

Who was in Yanjing?

Chapter 230: If You Didn't Say It Was Clothes, I Would Have Thought It Was Rags

Sheng Yan and Xie Yunzhou had already returned to Feng City.

Hua Xuanhe? He probably didn't like this kind of performance.

Hua Hengzhe? Forget it, Shi Xu didn't allow her to play with fools.

Shi Xi swiped through her WeChat friend list and saw Ning Yu.

That's right, Ning Yu was studying at Yanjing University!

However, a big boss shouldn't be interested in this kind of performance, right?

Shi Xi sent a voice message to Ning Yu with a probing attitude.

*

Ning Yu and her friend were tired from shopping together. She sat in the milk tea shop and saw that she had received a message on her phone.

Seeing that it was a voice message from Shi Xi, Ning Yu wanted to convert it to a message, but her friend touched her arm and directly clicked play.

"Sister Ning Yu, I have two tickets for the public performance of [Star Idol]. Are you free tonight?"

What was that?

Ning Yu was about to reject when Mu Zhao, who was beside her, said in surprise, "Tickets for the premiere of [Star Idol]?! Ning Yu, since we have nothing to do tonight, can we go watch this?"

Ning Yu: "...Okay."

Ning Yu promised Shi Xi that she would bring a friend over.

Shi Xi: "Okay, go straight to the door. I'll get my assistant to give you the tickets."

After sending the tickets out, Shi Xi saw Nan Wan on the phone.

Nan Wan said, "I've got the tickets for you. Just come straight here."

Both of them were delivering the tickets.

The two of them looked at each other.

They looked away tacitly and pretended not to see each other.

A staff member passed by and felt the discordant atmosphere between the two of them.

Shi Xi directly walked past Nan Wan and returned to the practice room to continue rehearsing with the trainees.

From her initial shyness, after rehearsing for more than ten times, Shi Xi no longer felt anything.

The feeling of pulling on Bai Cangyang's collar was similar to the feeling of pulling on a rope when walking a dog.

Moreover, after seeing so many handsome guys, this group of trainees no longer moved her heart.

No matter how handsome they were, could they be Marshal Chu?

Shi Xi was unperturbed.

In the afternoon, everyone moved to the stage and began the formal rehearsal.

When Shi Xi saw her clothes, her eyes were wide open.

The eyes of the trainees from the same group lit up.

"Is Sister Xi going to dress like this?" Li Jinfan's mouth twitched slightly as he asked, "Isn't it a little too s*xy?"

Shi Xi was expressionless. "If you didn't say it was clothes, I would have thought it was rags."

There was only a sling on the clothes rack, and there was a large space on the back.

Shi Xi felt that this thing should be called a modified undergarment.

How could it be worn on the stage!!

Bai Cangyang looked at the clothes and discussed with the costume team. "Can you change it?"

The costume team staff looked at it and scratched his head. "I remember there's a cardigan outside. I'll go look for it."

Shi Xi heaved a sigh of relief.

If there was a cardigan, it would be much better.

At least, she could go on stage.

"You guys should hurry up and get your styling done. There's no need to wait for me here." Shi Xi smiled and said, "I have an assistant here to help me."

Li Jinfan said, "I want to see Sister Xi's styling in advance."

Shi Xi said, "You'll be able to see it during the rehearsal."

The staff brought out the black cardigan, and Shi Xi went to change her clothes, put on makeup, and get her styled.

While she was doing the styling, Shi Xi heard an argument outside and wanted to go out and watch the commotion.

However, the stylist was braiding her hair, and Zhu Lin had yet to come back after sending Ning Yu the tickets.

Shi Xi listened to the commotion outside and asked the system, 'What happened outside?'

System: [Ning Yu met Nan Yi, and the two of them had a conflict.]

Shi Xi thought of Nan Wan's phone call. She must have given the tickets to her sister, Nan Yi.

'Now is just the rehearsal, how did they come in?' Shi Xi was puzzled.
