

The Fake 291

Chapter 291: Shi Xi Felt That the Killer Was Aiming At Her

“Wait a minute.” Just as Tao Yuxuan was about to walk out of the banquet door, she said, “I haven’t seen the prince yet.”

Shi Xi: ?

Tao Yuxuan released the wheelchair handle and said to Xie Yunzhou, “Send Xi Xi back. I’ll stay for a while.”

“Have fun.” Shi Xi smiled like a plastic sister.

“I’ll definitely get the prince back.” Tao Yuxuan cheered herself on.

Shi Xi thought to herself, ‘You’re dreaming.’

‘The prince will only be for Ning Yu.’

Xie Yunzhou pushed Shi Xi out and asked, “Shall I send you back to rest?”

After eating and drinking, and watching the show, it was indeed time to rest.

Shi Xi saw the bright moon outside and said, “Push me to the deck. I want to get some wind.”

She wanted to digest her food while she was at it.

She had eaten a little too much.

Xie Yunzhou replied, “Okay.”

The sea surface at night was black. One could not see the end of it at a glance.

The bright moon hung high in the sky, and the sea surface refracted bits of light. It looked like silk woven by mermaids.

“It’s so beautiful!” Shi Xi held onto the railing and jumped up with one leg.

“Be careful.” Xie Yunzhou held onto her.

“It’s alright. The doctor said it’s fine as long as I don’t use too much strength with my left foot.” Shi Xi held onto the railing and looked into the distance.

It was a little cold.

The sea breeze at night was even colder than during the day.

Shi Xi looked at Xie Yunzhou’s coat and thought to herself that the big boss villain definitely did not like her.

Otherwise, he would have put the coat on her like a gentleman.

“The wind is too strong.” Xie Yunzhou noticed that Shi Xi shrugged.

Shi Xi: “It’s alright, let’s watch for a while more.”

Seeing that Shi Xi still wanted to stay, Xie Yunzhou said, “I’ll go get you a jacket.”

“...Alright.” Shi Xi’s gaze was complicated.

After watching Xie Yunzhou leave, Shi Xi asked the system, ‘System, don’t you think that there’s something wrong with Xie Yunzhou?’

System: [I don’t think so.]

Shi Xi looked at the rolling waves and thought, ‘Maybe that’s his personality.’

The system interrupted: [Don’t talk about Xie Yunzhou. Hurry up and go back. It’s almost time for the plot point!]

Shi Xi was puzzled. “Plot Point?”

The system: [Yeah, Prince Ryan will be assassinated in a while.]

Shi Xi’s almond-shaped eyes widened.

How could she have forgotten about this!?

Shi Xi hurriedly jumped back into her electric wheelchair, preparing to go back.

But just as she was about to go upstairs, the blond man rushed over from the side.

He directly crashed into her wheelchair.

Shi Xi tried hard to control the wheelchair so that she wouldn’t overturn.

“I’m sorry,” Ryan quickly apologized and was about to continue running.

But his clothes were caught by Shi Xi’s wheelchair.

Shi Xi: ?!

No!

Run, don’t bring me to my death!

Shi Xi was about to dodge when she saw that the killer was already chasing after them.

The assassin was wearing night vision goggles. When he saw Ryan, he sneered and loaded the gun in his hand, aiming it at Ryan.

But Ryan was behind the wheelchair, so Shi Xi felt that the assassin was aiming at her.

“Brother, I’m an innocent bystander!” Shi Xi quickly said.

No matter how strong she was in martial arts, she was just a poor little girl sitting in a wheelchair!

When the assassin saw Shi Xi, he hesitated for a moment and said, “Get out of the way!”

Shi Xi: "...To be honest, I really wanted to get out of the way, but his clothes were stuck in the wheel of my wheelchair."

The assassin was worried that there was a trap, so he took the gun and walked closer step by step.

He didn't want to hurt Shi Xi.

Ryan anxiously started to take off his pants.

His pants were hooked onto the wheel of Shi Xi's wheelchair.

Between stripping and dying, Ryan chose to live.

Seeing that the killer was getting closer and closer, Shi Xi suddenly got up, grabbed the killer's hand that was holding the gun, and folded it up.

Chapter 292: Happy New Year?

The assassin did not expect Shi Xi to suddenly stand up.

But he was a professional assassin, after all. He loosened his right hand that was holding the gun, and the gun fell down and was caught by his left hand.

His left hand steadily held the gun, and he aimed it at Ryan, who was behind the wheelchair.

At this time, Ryan had already taken off his pants that were wrapped by the wheel, and he rolled and crawled to the corner.

Hearing the gunshot, Shi Xi bent her knees and used her knee to hit the assassin's abdomen.

The assassin did not expect that Shi Xi was in a wheelchair but her movements were so agile. In a moment of carelessness, he was kicked in the stomach and took a few steps back.

Shi Xi only wanted to grab the gun in his hand and forgot about the injury on her foot.

She had just taken one step when she fell face down on the ground.

Shi Xi: "..."

The assassin: "..."

Seeing the direction that Ryan had left, the assassin stepped over Shi Xi and continued to chase after him.

Shi Xi supported herself on the ground with both hands, trying to get up.

Ning Yu, who had rushed over after hearing the gunshots, saw Shi Xi and immediately came over to help her up. She asked, "What's going on?"

"Someone is trying to kill the Prince of A Country. He's headed that way." Shi Xi pointed in the direction and urged, "Hurry up and save him!"

Hearing that, Ning Yu did not hesitate to get up and chase after the assassin.

Shi Xi, who was half supported, thought that she would be able to stand up. In the end, she realized that her right leg, which was originally uninjured, was starting to hurt.

Did she twist it as well?!

Shi Xi sat on the ground and looked at the sky speechlessly.

Her phone was in her bag on the electric wheelchair.

Although the electric wheelchair was only two meters away from her, she did not dare to move recklessly at this moment, afraid that her bones would be misplaced.

“Is anyone there?”

“Help!”

“I’m Shi Xi. Isn’t anyone looking for me?”

Shi Xi sat on the ground weakly.

As the sea breeze blew past, Shi Xi hugged her shoulders and shivered. “I won’t be forgotten just like that and freeze to death, right?”

‘Then what’s the difference between this and feeding the fish?’

‘I won’t fall in the sea, right?’

“Help! Sister Ning Yu! Tao Yuxuan! Leng Qiankun! Where are all of you?!”

No one cared.

Shi Xi looked at the electric wheelchair not far away and made a difficult decision.

She turned over, lay on the ground, and prepared to climb over.

Although the posture was not very beautiful, the secondary damage to the feet was minimal.

Shi Xi climbed a few steps forward. Just as she was about to touch the electric wheelchair, a pair of leather shoes appeared in front of her.

Black suit pants.

She looked up again.

Xie Yunzhou.

Shi Xi was silent for a moment before saying, “...Happy New Year?”

Xie Yunzhou carried Shi Xi and placed her on the wheelchair. He asked, “Why did you fall?”

“It’s a long story.” Shi Xi took a deep breath and said, “Send me to the doctor first. There should be a doctor on the cruise ship.”

Xie Yunzhou passed the coat he brought to Shi Xi and asked nervously, “Where are you hurt? Is it serious?”

Shi Xi said, "Ask the doctor later."

She did not know if it was serious or not.

Xie Yunzhou wanted to push the wheelchair, but he realized that the wheelchair could not move.

He looked down and saw that a pair of pants was stuck in the wheelchair's wheel.

"I'll carry you over." Xie Yunzhou directly carried the girl and strode toward the infirmary on the cruise ship.

Shi Xi suddenly bumped into Xie Yunzhou's chest and rubbed her forehead.

Injury + 1

*

Medical ward.

The doctor carefully touched Shi Xi's ankle and said, "It's just swollen. No bones were hurt."

Shi Xi asked, "Are you sure?"

"I'm sure. If you apply this medicine, the swelling on your ankle will go down and the pain will go away." The doctor paused for a moment and then said, "When the cruise ship docks, you can go to the hospital to take an X-Ray."

Shi Xi: "..."

Xie Yunzhou rubbed the space between his eyebrows. "Tomorrow morning, the cruise ship will dock. Let's go to the hospital first."

Chapter 293: Specialized In Using a Sniper Rifle and Was Very Accurate

On the other side of the cruise ship.

Ryan took off his pants and continued to escape.

The assassin followed closely behind.

Just as he was about to raise his gun to shoot, there was an extremely soft sound of footsteps behind him.

The assassin instantly came back to his senses and aimed the muzzle behind him.

Ning Yu stopped in her tracks. Even though she was facing the muzzle, her face was still cold and indifferent. "Keane? Who bought you to kill him?"

The assassin sneered. "Since you know me, you should know. I won't tell you the information about the buyer."

"Wait until I catch you, then you'll tell me." Ning Yu raised her eyes slightly, revealing the sharpness in her eyes.

She was clearly the one being aimed at, but her eyes had a light unique to hunters.

The assassin was surprised. Wasn't she afraid of death?!

But those who knew him were definitely not ordinary people.

The assassin no longer hesitated and fired at Ning Yu.

However, Ning Yu rushed toward the muzzle of the gun and tilted her head to dodge the bullet.

The assassin retreated and fired at the same time.

He definitely couldn't let her get close to him!

When the assassin thought of this, fear instantly rose in his heart.

Retreat!

After the bullet hit empty air, the assassin threw the gun at Ning Yu, flipped over the railing, and jumped into the sea.

..

In the conference room.

"So, the assassin jumped into the sea to commit suicide?" Ryan asked.

Ning Yu said calmly, "Maybe there was someone helping him."

Ryan asked, "Then why didn't you continue to chase after him?"

Ning Yu couldn't be bothered to answer such a stupid question.

"It's night now, and Ning Yu wasn't prepared. Jumping into the sea is tantamount to suicide." Shi Xi leaned against her wheelchair and asked, "But you, the Prince of A Country, why don't you have any bodyguards with you?"

Ryan said awkwardly, "I dumped my bodyguards and came out to play."

There were only two words in Shi Xi's heart: Courting death.

"Mr. Leng, is there anything you want to say about this incident that happened on your cruise ship?"

Ning Yu looked at Leng Qiankun.

Leng Qiankun shrugged and said, "Miss Ning, I'm just an ordinary person. An assassin has tried every means to board the ship. This is not something I can stop."

Ryan also said, "Leng is very good to me. He even lent me his pants."

Everyone: "..."

If you don't mention this matter, no one would want to talk about it again.

Ryan ran all the way to the banquet without his pants on. He pushed the door open and shouted, "There's an assassin!"

The entire banquet instantly fell silent and looked at Ryan.

His legs that were exposed outside.

Leng Qiankun saw that it was Ryan, so he immediately took him away and gave him a pair of pants to wear.

After Ning Yu forced the assassin to jump into the sea, the few of them went to the meeting room to review the matter together.

"The information on that person is out." Leng Qiankun looked at the tablet and said, "It's a fake identity."

Ning Yu said, "His name is Keane, and he's a famous assassin internationally. He's good at using a sniper rifle and his marksmanship is very accurate."

Leng Qiankun was deep in thought. "It is indeed not easy to bring a sniper rifle onto a cruise ship."

"Since the assassin has already jumped into the sea, then we should be safe." Shi Xi said sleepily, "Can we go back to sleep now?"

"He might have an accomplice," Leng Qiankun said plainly.

Ryan immediately became nervous. "Then, then what should I do?"

Ning Yu said, "Keane is a lone ranger. He won't have an accomplice."

Ryan heaved a sigh of relief and said with relief, "That's good."

Ning Yu said, "But we can't rule out the possibility that there will be other people who want to kill you."

Ryan's relaxed heart was raised.

Leng Qiankun said, "I'll have my bodyguards stand guard outside your door. I won't let you get hurt."

Shi Xi thought that it was really troublesome.

Wouldn't everything be fine if they just threw Ryan into the sea?

Chapter 294: Never Thought That You Would Actually Get Together With Xie Yunzhou

"How about this?" Ryan carefully looked at Ning Yu and probed, "Miss Ning, can I hire you to be my personal bodyguard for the time being?"

From the description just now, Ryan had a certain understanding of Ning Yu's combat strength.

Someone who could force an assassin to jump into the sea definitely had something.

So, Ryan came up with such a 'good idea'.

Everyone looked at Ning Yu.

Ning Yu: "Not good."

"I'll give you money. You can have as much money as you want!" Ryan quickly said.

Of course, his life was more important.

Ning Yu said, "I don't like being a bodyguard."

Ryan: "As long as you and I live in the same room!"

Shi Xi said, "You're thinking about too much."

Ning Yu glanced at Ryan and said calmly, "I'm sleeping in the room next to yours. If anything happens, I can hear it."

It was a polite rejection.

Ryan was pushing his luck. "Then, then can I sleep in your room? I can sleep on the carpet."

Leng Qiankun's mouth twitched.

Was his security on the cruise ship that bad?

It didn't seem like much.

"I like to sleep alone." Ning Yu firmly disagreed.

In the end, Leng Qiankun sent four bodyguards to Ryan.

Two stood guard at the door, and two stayed in the room with Ryan.

Something bad flashed through Shi Xi's mind.

Hehe, hehehe.

"The meeting is over, why are you still smiling foolishly? Your feet don't hurt anymore?" Xie Yunzhou asked.

"Ah? It's nothing." Shi Xi came back to her senses and said, "Let's go back and rest too."

She should not have been involved in tonight's matter.

Xie Yunzhou pushed Shi Xi back.

The pants on the wheels were pulled out and it could be used normally.

Ning Yu looked at Shi Xi and pondered for a moment before asking, "If you're afraid at night, you can sleep with me."

Shi Xi looked up at Ning Yu. "Really?!"

"It's best not to be afraid." Ning Yu turned her head and avoided Shi Xi's gaze. "The assassin's target isn't you. Just close the door tightly."

"I'm not afraid." Shi Xi sighed slightly.

Compared to being avenged by the assassin, she felt that being with Ning Yu would be more dangerous.

Returning to the sixth floor, Shi Xi met Tao Yuxuan who had just returned.

When she saw that Shi Xi was wearing Xie Yunzhou's coat, Tao Yuxuan's eyes immediately flashed with a gossipy look.

"Didn't you guys leave the banquet a long time ago? Where did you go on a date?" Tao Yuxuan's eyes darted between the two of them.

Xie Yunzhou did not admit or deny it.

"I'll go back and rest first. Don't chat with your friends for too long," Xie Yunzhou said. "I'll leave my clothes with you first."

Shi Xi obediently replied, "Okay."

Tao Yuxuan took the wheelchair. "Don't worry, President Xie. I'll definitely take good care of Xi Xi!"

Shi Xi thought to herself, 'The thing I'm most worried about is being taken care of by you.'

Tao Yuxuan pushed Shi Xi into the room. "I didn't expect you to really get together with Xie Yunzhou!"

"Watch your words. We only ran into a little problem and that's why we came back late." Shi Xi went to the table and poured herself a glass of water.

"What happened? Did you run into an assassin?" Tao Yuxuan joked.

Shi Xi: ...That's true.

However, only the few of them knew that they ran into an assassin. Leng Qiankun suggested that they keep it a secret.

If everyone on the cruise ship knew that there was an assassin, it would only cause panic.

"It's a pity that you guys left the banquet too early and didn't see what happened later," Tao Yuxuan described it vividly. "After you guys left, someone who didn't wear pants—"

Chapter 295: Don't You Need To Change Your Clothes?

Halfway through her sentence, Tao Yuxuan added, "He was wearing boxers."

"—a man without pants ran in and said something about an assassin."

"I laughed so hard that I almost died. That funny look of his was really funny!"

Shi Xi thought for a moment and said, "...It's really quite funny."

"But I didn't see the prince appear until the end of the banquet." Tao Yuxuan sat down and drank a glass of water. "Is Leng Qiankun bluffing us?"

“Ask him tomorrow.” After Shi Xi drank the water, she said, “Why don’t you go back and rest?”

Tao Yuxuan chuckled and approached Shi Xi. She asked, “You’re wearing Xie Yunzhou’s clothes... Did you go to the deck to get some fresh air?”

Shi Xi: “Yes.”

It would only be cold if she went out to get some fresh air.

“I didn’t expect him to be such a gentleman.” Tao Yuxuan commented, “I thought he would only say that they deserved it when he saw a woman freezing.”

Shi Xi did not remind Tao Yuxuan that Xie Yunzhou had gone back to get the clothes.

Xie Yunzhou probably thought that she deserved to be frozen for wearing so little.

Sigh.

After talking for a long time, Tao Yuxuan saw Shi Xi’s feet and asked in puzzlement, “Eh?”

“What’s the matter now?” Shi Xi asked.

“Both of your feet are injured?” Tao Yuxuan looked at the cast on one foot and the bandage on the other and muttered to herself, “No wonder I felt weird just now.”

Shi Xi: “...I accidentally fell down and my ankle is swollen.”

Tao Yuxuan: “...It looks quite symmetrical.”

“Hurry up and go back to sleep!” Shi Xi ordered her to leave.

“Okay.” Tao Yuxuan was about to leave when she suddenly turned back. “Then how are you going to take a bath? How are you going to get into bed?”

Shi Xi: “...”

After a long struggle, Shi Xi finally lay on the bed.

She was really not used to the days without her feet.

It was already hard enough to lose one foot.

Shi Xi sighed and prayed that she could stand up as soon as possible.

Before going to bed, Shi Xi thought that she seemed to have forgotten something.

‘Forget it, let’s talk about it tomorrow.’

Shi Xi simply went to sleep.

*

The next day.

Shi Xi slept until dawn.

When she was about to get up, Shi Xi realized that she couldn't even get out of bed without the help of external forces.

She could not even sit in her beloved electric wheelchair.

Between 'try rolling into an electric wheelchair' and 'sit and wait for death,' Shi Xi chose the safer option of 'sitting and waiting for death.'

She decided to call Tao Yuxuan directly.

Shi Xi called her.

Tao Yuxuan, who was still asleep, said, "...Yes, yes, okay..."

After saying that, Tao Yuxuan threw her phone away, turned around, covered herself with the blanket, and continued to sleep.

Shi Xi hung up the phone and sat on the bed, playing with her phone, waiting for Tao Yuxuan to arrive.

In less than two minutes, there was a knock on the door.

Shi Xi thought that Tao Yuxuan had come and said, "Please come in. The door isn't locked."

It wasn't that she didn't want to lock it, but that she couldn't do it.

The door was pushed open and Xie Yunzhou came in from outside.

Why was it Xie Yunzhou?!

Shi Xi was surprised.

Xie Yunzhou walked up and asked, "Can I carry you down?"

Shi Xi came back to her senses. "Ah? Sure, sure. Thank you."

Xie Yunzhou carried the girl up from the bed and placed her on the wheelchair.

As expected, a man's strength was slightly greater.

Yesterday, Tao Yuxuan had practically dragged her onto the bed.

Xie Yunzhou asked, "Is there anything else I can do for you?"

Shi Xi smiled and said, "There's no need. I can go wash up by myself."

Xie Yunzhou looked at Shi Xi's pajamas and asked, "Don't you need to change?"

Shi Xi: "...It's in the suitcase. Please help me get a set."

Chapter 296: Would You Be Willing To Be My Princess Consort

Xie Yunzhou opened the suitcase and saw the pile of clothes inside. He was silent for a moment.

After staying on the cruise for two days and one night, Shi Xi brought five or six sets of clothes.

He took a light green dress and placed it on the bed.

“I’ve put the clothes on the bed. I’ll wait for you outside.”

Shi Xi was brushing her teeth when she heard Xie Yunzhou’s voice. She stuck her head out to take a look.

All she saw was Xie Yunzhou’s back and the closed door.

It was strange. She wasn’t changing her clothes now.

After Shi Xi washed up, she went to the bed and saw her green dress with her underwear on it.

Alright, she knew why Xie Yunzhou ran so fast.

Shi Xi put on her clothes and came out of the room. She saw Xie Yunzhou standing in the corridor.

“Let’s go eat breakfast.” Xie Yunzhou walked up naturally and pushed Shi Xi.

“Okay.” Shi Xi paused. She wanted to ask something but gave up.

She called Tao Yuxuan but Tao Yuxuan did not come.

It was obvious that she was still sleeping.

She did not call for her.

At this moment, Tao Yuxuan was indeed sleeping with her head covered. She had already thrown her phone away.

..

In the restaurant.

Today’s special: Extra-large cup of flower tea, fragrant and delicious.

Shi Xi ordered a cup of flower tea and a fried egg and sandwich.

Xie Yunzhou asked, “Is that all?”

Shi Xi nodded. “It’s enough.”

While eating breakfast, Shi Xi was wondering when she would be able to stand up.

Stand up?

Shi Xi was slightly startled. She seemed to have agreed—

“Oh, my goddess!” Ryan walked in and saw Shi Xi. He strode over to her side, bowed slightly, and gracefully extended a hand. “Good morning.”

Shi Xi’s thoughts were interrupted. She glanced at Ryan and placed the sandwich on the table in his hand.

Ryan, who wanted to kiss her hand, looked at the sandwich in his hand, and his smile froze.

Xie Yunzhou asked calmly, "What is it, Mr. Ryan?"

Ryan saw that Shi Xi was already drinking tea, so he sat beside Shi Xi and said, "I'm here to look for Miss Xi."

Shi Xi continued drinking tea.

Xie Yunzhou asked, "Why are you looking for her?"

Ryan looked at Shi Xi, who was still drinking tea, and then looked at Xie Yunzhou.

After making sure that only Xie Yunzhou would pay attention to him, Ryan smiled elegantly and said, "Miss Xi is my savior. I want to give myself to her."

Xie Yunzhou raised his eyes slightly, and a cold light flashed in his eyes.

Ryan subconsciously sat up straight. "What, what's wrong?"

Xie Yunzhou's voice was deep. "Do you know what it means to marry someone with your body?"

"Yes, I know Chinese culture very well!" Ryan took a bite of the sandwich in his hand and began to show off his literary talent. "It means that I will devote all of my emotions to the person I love."

This foreigner's Chinese was really good.

Xie Yunzhou paused for a moment and asked, "When did Shi Xi become the person you love?"

Ryan said affectionately, "Just last night, when she stood up and stood in front of the assassin for me, I decided that I would only marry her for the rest of my life!"

Xie Yunzhou narrowed his eyes. "She stood in front of the assassin for you?"

Ryan nodded vigorously. "Yes, although Miss Xi's legs are disabled, she stood up for me! She is disabled and determined! Such a kind, strong, beautiful, and outstanding woman is exactly what I want as a princess consort!"

Xie Yunzhou pursed his lips, thinking about how to deal with the man in front of him.

Ryan looked at Shi Xi with deep affection in his eyes. "Miss Xi, are you willing to be my princess consort?"

Shi Xi finally finished her tea and placed the cup on the table. "I remember I forgot something!"

Ryan: ??

Xie Yunzhou: ???

Shi Xi smiled apologetically. "Sorry, I have to make a call."

Chapter 297: Director Yan, I Am a Decent Person

Shi Xi reversed her wheelchair and prepared to go out to make a phone call.

Ryan had just confessed his love when he grabbed Shi Xi's wheelchair handle and said, "Miss Xi, you haven't answered my question."

Shi Xi: Even if I say that I am in a wheelchair, my actions will not be under my control!

"Answer your question? Did you ask me something?" Shi Xi asked in a daze. "Weren't you talking to him just now?"

The smile on Ryan's face froze.

Xie Yunzhou smiled faintly and removed Ryan's hand from the wheelchair handle. He said to Shi Xi, "You go and do your work first."

Shi Xi replied with an "Oh" and prepared to find a quiet place to tell Director Yan about her current situation.

She definitely wouldn't be able to stand up!

After watching Shi Xi leave, Ryan asked in disbelief, "She, she didn't hear it?"

Xie Yunzhou smiled politely and said, "I will tell her exactly what you said."

"That's great! Thank you!" Ryan continued to eat his sandwich. "You're such a good person!"

Xie Yunzhou's smile did not change. "You're the good person."

Ryan said regretfully, "Unfortunately, I didn't get her contact information."

Xie Yunzhou suggested, "You can write it down. I will give her your contact information."

Ryan's eyes flashed with pure joy. "You're such a good person!"

Xie Yunzhou: "..."

After finishing his sandwich in two bites, Ryan asked the waiter for a pen and paper and wrote down his various contact information, "This is my WeChat, my cell phone number, my Facebook, my email address, my home address, and my address in China."

Xie Yunzhou saw him write one line after another and thought to himself, 'Don't write anymore.'

Anyway, he wouldn't give it to Shi Xi.

But the simple Ryan wrote down all the contact information he could think of on paper and solemnly handed it to Xie Yunzhou. "Thank you, good man."

Xie, good man, Yunzhou: "No need to thank me."

*

Shi Xi found a quiet place with good reception and dialed Director Yan's number.

"Director Yan, it's Shi Xi."

Director Yan lay in the director's chair and asked while biting on his cigarette, "Are you coming back? I'll get Chu Yuan to pick you up."

Chu Yuan, who was beside him, was speechless.

Shi Xi said awkwardly, "Well, Director Yan, I accidentally injured my right foot."

Director Yan: "Huh?"

Shi Xi: "To put it simply, both of my feet are injured and I can't stand."

"F*ck!" Director Yan was so angry that he couldn't bite on his cigarette. The cigarette butt fell on his clothes and burned a hole in his expensive shirt. "What did you say?!"

Shi Xi apologized sincerely and expressed her regret that she couldn't continue acting.

Director Yan discussed, "Do you feel that the pay is too low? We can talk about it again."

Shi Xi: "It's not about the pay."

Director Yan said, "Then I'll add a kiss scene with Chu Yuan."

Chu Yuan: ???

Shi Xi was moved for a moment, but then she rejected him righteously, "Director Yan, I'm a decent person."

"People who aren't decent say that they're decent people," Director Yan said.

"...Both of my legs are injured, and I really can't stand up." Shi Xi said helplessly, "As long as I can stand up, I won't reject this drama — I've already memorized all my lines!"

Director Yan said fiercely, "I'll look for you in the afternoon!"

Shi Xi looked at the phone that was hung up and thought to herself, 'It's useless for you to look for me.'

You're not a godly doctor.

Godly doctor?

Oh right, I'm looking for Ning Yu!

Shi Xi immediately called Ning Yu to ask about her foot injury.

Ning Yu said, "Rest well. You'll be able to recover after sitting in a wheelchair for half a month."

Shi Xi asked, "Is there any medicine that can help my feet recover faster?"

Chapter 298: Love Expert Xie Yunzhou

"Yes," Ning Yu said, "However, there are side effects."

Shi Xi was delighted for a moment, but she still asked in a safe manner, "What side effects?"

Ning Yu: "You will keep hiccupping."

Shi Xi: "Sorry to bother you."

She would rather stay in a wheelchair.

The last road was also blocked.

The cruise ship docked at noon.

They did not even pack lunch.

After getting off the cruise ship, Xie Yunzhou brought Shi Xi to the hospital and took a scan.

The doctor looked at the two scans and then looked at Shi Xi's feet.

"Continue to sit in the wheelchair for two weeks and you'll be fine." The doctor prescribed a few boxes of medicine for Shi Xi and said, "Take care not to exert force on your feet."

"Doctor, is there any medicine that can help my feet heal faster? It's best if I can stand up immediately and there are no side effects," Shi Xi probed.

The doctor nodded. "Yes."

Shi Xi's eyes lit up. "What medicine?"

The doctor said, "Miracle."

Shi Xi: ...This cold joke was really not funny.

She had thought that the doctor's medical skills were even better than Ning Yu's.

The doctor handed over the prescription and said coldly, "This medicine is applied twice a day. When you go out, remember to call the next patient in."

Xie Yunzhou pushed Shi Xi out and called for the next patient.

Shi Xi was dejected.

"You don't want to sit in a wheelchair?" Xie Yunzhou asked.

"Yeah," Shi Xi said helplessly, "I was supposed to enter the set today, but now there's nothing I can do."

Xie Yunzhou frowned. "You're already like this, and you still want to enter the set?"

Shi Xi said, "Director Yan has already changed the script for me... Forget it, let him find another new actor."

Although it was a pity, it could only be this way.

Xie Yunzhou seemed to be unintentionally asking, "Why are you working so hard? Can't the Shi family afford to support you?"

He could do it.

Shi Xi: "Because I'm so beautiful and my acting skills are so good. If I don't act, it's a loss for the audience."

Xie Yunzhou: ...It was an answer that he had never imagined.

He did not expect that Shi Xi would say these words so frankly.

It was really interesting.

"Oh right, what did you say to Prince Ryan this morning?" Shi Xi thought of what had happened this morning and asked, "I think I was mentioned?"

Xie Yunzhou smiled faintly. "It was just that the breakfast on the cruise was not bad."

Prince Ryan, who had written seven lines of contact information, was looking at his phone eagerly, waiting for Shi Xi to send him a message.

Shi Xi nodded and agreed, "That flower tea is indeed delicious."

Xie Yunzhou silently noted down Shi Xi's preference for drinking flower tea.

After sending Shi Xi home, Xie Yunzhou began to think about what kind of flower tea to send.

Sending flowers was so tacky.

And it would soon fade away.

If he sent flower tea, she would think of him every time she drank tea.

Xie Yunzhou felt that he was simply a lover.

"Buy a box of rose tea." Xie Yunzhou instructed his assistant, "Wrap it up and bring it over."

The assistant nodded and asked, "Is it for Miss Shi?"

Xie Yunzhou was in a good mood and replied, "Yes."

The assistant suggested, "Then do you want to buy a tea cup as well? You can give it to Miss Shi together."

The love expert Xie Yunzhou was utterly defeated in front of the love expert assistant.

..

At the Shi Family Home.

The first thing Shi Xi did when she returned home was to look at her own fish.

"Aiya, my little blue gold, my little baby!" Shi Xi arrived in front of the fish tank and looked at the fish swimming inside. Her mood was extremely good.

Mother Shi said, "Don't worry, I guaranteed that your fish would be alive and kicking!"

Shi Xi's eyes curved. "Thank you, Mom!"

And at the Shi family's door, Director Yan and Chu Yuan got out of the car.

Chapter 299: Changed Setting

With the experience from last time, the two of them carried large and small bags in their hands.

Chu Yuan felt that he was here to be a coolie.

"Director Yan, Shi Xi said that she can't act in the movie. Can't we just change the person?" Chu Yuan carried a box of oats and a fruit basket. He felt that life was an illusion.

Director Yan glanced at him and said, "This isn't about changing the person."

Chu Yuan asked, "Then what is the problem?"

"For the sake of Nan Wan, the producer withdrew 20 million from Kuai Xue Entertainment's investment." Director Yan asked, "You know about this, right?"

"Could it be that we're here to ask for this 20 million?" Chu Yuan looked at the things in his hands and said, "Then these little things aren't enough, right? We should at least exchange the oats for bird's nest."

Director Yan: %...# ¥ @

"I still want my face!" Director Yan gritted his teeth and said, "The producer leaving Shi Xi is offending Kuai Xue Entertainment. Even if we don't ask for 20 million, we still have to invite Shi Xi back. We just want to get back together with Kuai Xue Entertainment!"

Chu Yuan roughly understood. "So that's why we keep inviting Shi Xi back?"

Director Yan: "There's another reason."

Chu Yuan: "Oh?"

Director Yan: "I'm not satisfied with the new actors that the assistant director found."

Chu Yuan: "...Let's go in quickly. My hands are tired."

The two of them, with their bags and bags, finally entered Shi Xi's house as if they were visiting relatives during the New Year.

Shi Xi sat in her wheelchair and said helplessly, "Good day, Director Yan. Good day, Senior Chu Yuan."

The two of them looked at the bandages on Shi Xi's feet and gave their evaluations one after another:

'She's really injured.'

'It's quite symmetrical.'

Shi Xi said, "Why would I use the reason of being injured to lie to you guys about not going out to work?"

What should they do now?

Chu Yuan used his gaze to ask Director Yan.

Director Yan also did not expect that Shi Xi's feet were actually injured.

This was too f*cking ridiculous!

"Please take a seat." Shi Xi saw that the two of them were carrying so many things and was prepared to treat the two of them to a cup of tea.

Director Yan sat down. His head was spinning crazily as he thought of a solution to the problem.

Chu Yuan looked at Shi Xi and asked, "Why are you so careless? Are you injured again?"

"I encountered a small matter. Don't worry, it won't hurt," Shi Xi said. "I just need to sit in a wheelchair for half a month."

Half a month.

Chu Yuan looked at Director Yan. Can we wait?

Director Yan: Wait my ass! Our progress can't be delayed any longer!

Almost all of the other people's solo scenes had been shot.

"Shi Xi, Director Yan has been revising the script for the past two days." Chu Yuan looked at Shi Xi and suggested, "Or should we just shoot your upper body?"

Shi Xi: "Could it be that I'll be sitting the whole time?"

Sitting the whole time?

Director Yan looked at Shi Xi's wheelchair and said, "Why don't we change the settings?"

Shi Xi was puzzled. "What settings?"

Director Yan said, "It just so happens that the scene you shot before was where Tang Xi jumped off the cliff."

Shi Xi nodded and said, "Are you going to write me to death?"

Director Yan smiled and shook his head. "No, no, no, I won't write you to death."

Shi Xi: ?

"After jumping off the cliff, Tang Xi's legs can no longer walk and she became a cripple. From now on, she can only sit in a wheelchair." Director Yan felt like his spirit was bursting out like a fountain. He quickly looked for approval and asked, "What do you guys think?"

Chu Yuan gave a polite social smile. "I think it's very good! In the ancient costume dramas, jumping off a cliff will definitely not kill you. Now there's a person who can't walk because of jumping off a cliff. It's definitely very novel! Shi Xi, what do you think?"

The two looked at Shi Xi.

What else could Shi Xi say?

"I, I think it's okay." Shi Xi paused and said, "But I'm really not good at rolling the wheelchair right now."

Chapter 300: Looked Pretty Good. What Was He Called? How Old Was He? Where Was His Home? What Job? Did He Have a Girlfriend?

Director Yan said that it was fine as long as Shi Xi joined the crew.

"By the way, I'll go back to the crew to change the script first. Chu Yuan, stay here and have dinner with Shi Xi. Remember to bring her back to the crew tonight." Before Director Yan left, he did not forget to sell Chu Yuan out.

Chu Yuan smiled. "Alright, Madam Yan."

Director Yan asked, "What did you call me?"

"I said, Director Yan," Chu Yuan said.

"No, you called Baby Yan!" Director Yan's eyes turned disdainful. "I didn't expect you to be such a person!"

Chu Yuan, who could not clear his name even if he jumped into the yellow river, was speechless.

The corner of Shi Xi's mouth twitched slightly. She said, "Director Yan, I'll definitely go back in the afternoon. Will Senior Chu Yuan delay the filming if he stays here with me?"

"Don't worry, he won't have any scenes today." Director Yan turned his head and reminded Chu Yuan, "Keep an eye on her. Don't let her get hurt again!!"

Chu Yuan made an 'OK' gesture.

Only then did Director Yan leave with relief.

Chu Yuan looked at Shi Xi.

Shi Xi said, "I'll go pack my things."

"Do you need my help?" Chu Yuan looked at Shi Xi's legs.

It seemed that it was very troublesome whether she stood up or squatted down.

"No need. I'll get Aunt Zhang to help me." Shi Xi controlled the wheelchair to enter the room and said, "You can sit for a while."

When Mother Shi came downstairs, she saw Chu Yuan and asked in surprise, "Who is this?"

"My friend." Shi Xi stuck her head out. "Mom, help me take care of him."

"Sure!" Mother Shi came forward with a smile and asked, "This young man is really good-looking. What's his name? How old is he? Where is his home? What job? Do you have a girlfriend?"

Chu Yuan, who was still able to handle the reporters' unruly questions, twitched his mouth slightly as he endured Mother Shi's warm welcome alone.

It was not until Shi Xu returned that Chu Yuan managed to escape from these series of attacks.

When Shi Xu saw Chu Yuan, his eyes were slightly surprised.

Mother Shi introduced, "This is Chu Yuan, Xi Xi's colleague. He's 25 years old and lives in Haicheng. He doesn't have a girlfriend yet!"

Chu Yuan smiled awkwardly. "Hello, Mr. Shi."

Shi Xu asked, "Why are you here again?"

"I know that Shi Xi is injured, so I came to visit her," Chu Yuan said. "I'm also here to pick her up and bring her back to the production team."

"Back to the production team?" Shi Xu sneered. "Xi Xi has both her legs injured. How is she going to go back?"

Chu Yuan said, "Director Yan will change the role to one with crippled legs because of her."

Shi Xu: "..."

"Aiya, Xi Xi is going back to the production team?" Mother Shi said worriedly, "Then who will take care of her when she gets back?"

Shi Xu said plainly, "She can't go anywhere until she recovers."

Chu Yuan thought to himself, 'Oh, Director Yan's script has been changed for nothing.'

Shi Xi came out of her room and said, "I've packed my things. Have you eaten? Eh, Big Brother is back."

When he saw his sister, Shi Xu immediately switched to his gentle older brother mode. "We will eat in a while. If you're hungry, eat some biscuits first."

Chu Yuan was dumbfounded.

His expression had changed so quickly?!

This person not acting, it was really a loss for the entertainment industry!

Shi Xi said, "I'm not too hungry. I'll wait for my meal."

"Rest well after eating. You're not allowed to go anywhere until your feet are healed." Shi Xu smiled and prohibited Shi Xi from going out.

Shi Xi: ?

"But I've already promised Director Yan that I'll return to the production team." Shi Xi sat up straight. "I can't go back on my word!"

"I'll help you explain." Shi Xu pressed down on Shi Xi's shoulder and smiled gently. "You just need to rest well."

"Brother, I'm already an adult. I'll take good care of myself!" Shi Xi shook Shi Xu's hand and acted coquettishly.

Shi Xu's smile did not change. "Can you take good care of yourself, and also take care of yourself when until you're lame?"
