

## The Fake 301

### Chapter 301: Was Indeed Worthy of Being the Champion of Sanda

Shi Xi smiled awkwardly. "That was just an accident."

Shi Xu retorted, "Accidents don't happen twice in a row."

Shi Xi: "..."

"You injured your foot twice in a row," Shi Xu said. "And nailed yourself to a wheelchair."

Shi Xi was speechless.

Chu Yuan said, "Mr. Shi, the production team will protect Shi Xi well. They won't let her get hurt again."

"Can you guarantee that?" There was a smile on Shi Xu's face, but it did not reach his eyes. "The production team has too many people and too many hands, and you guys are from a wuxia drama. You guys fly around all day long."

"I have a good sister, and now she only lost two legs. If she doesn't even have hands in the future, who will take responsibility?"

Chu Yuan was very cowardly and did not say, "I'll take responsibility."

He knew that he could not take responsibility.

Shi Xu pushed the wheelchair handle and smiled. "I'll send you back to rest."

"I don't want to rest. I want to eat," Shi Xi requested.

"Then I'll push you to the dining room." Shi Xu took a detour and pushed Shi Xi to the dining table. "I'll go change."

Shi Xi sat at the dining table with her elbows on the table and her hands on her face.

Chu Yuan saw Shi Xu leave the dining room and sat opposite Shi Xi. He asked, "What do we do now?"

"I'm thinking about it." Shi Xi held on for two seconds before her eyes lit up. She suggested, "Why don't we elope?"

Chu Yuan: ?!

Shi Xi changed her words. "What I'm saying is that we should sneak back to the set while my brother isn't around."

Chu Yuan hesitated. "Is that a good idea? Your brother doesn't seem like an easy person to talk to — even though he does look like one."

Shi Xi said, "If you're discovered, just act coquettishly. It's fine. He won't hit me."

Chu Yuan asked, "Your brother can hit people?"

Looking at how gentle he was, he really didn't seem like a person who would hit people!

Shi Xi said, "When he was in school, he was the champion of sanda."

Chu Yuan fell silent.

"...I'll go talk to your brother again." Chu Yuan turned around and left.

Shi Xi said from behind him, "If he wants to hit you, you'd better cover your head and squat down."

Chu Yuan walked even faster.

Shi Xi prayed for him in her heart.

\*

Chu Yuan asked Mother Shi and walked to the door of Shi Xu's room.

He knocked on the door.

"Please come in."

Chu Yuan pushed the door open and entered. He saw that Shi Xu was wearing a T-shirt.

From his angle, he could just see Shi Xu's abs.

As expected of the champion of sanda.

He believed it.

When Shi Xu saw that it was Chu Yuan who came in, he wiped his hair with a towel and asked, "What's the matter?"

Chu Yuan thought about the face he relied on to survive and said, "It's almost time to eat. I came to call you."

Shi Xu paused and smiled. "I thought you were here to persuade me to let Xi Xi join the production team."

"If I persuade you, would Mr. Shi be willing to let Xi Xi join the production team?" Chu Yuan probed.

Shi Xu said, "No."

Chu Yuan placed his hand on the door handle. "Sorry to disturb you."

After saying that, he immediately closed the door.

When they returned to the dining room, Shi Xi asked Chu Yuan, "How was it? Did my brother agree?"

Chu Yuan shook his head. "I tried my best."

Shi Xi sighed. "Let me do it."

As expected, a person still had to rely on themselves.

Chu Yuan pushed Shi Xi to Shi Xu's door. "Good luck."

Shi Xi took a deep breath and knocked on the door before entering.

Shi Xu wiped his hair and was sitting on the sofa looking at his phone. "The matter of joining the cast and crew is non-negotiable."

"Big Brother, you're the best big brother in the world. Can you let me join the crew?" Shi Xi started to act coquettishly.

"I'm not," Shi Xu said coldly.

No matter what Shi Xi said, Shi Xu would not let her go.

Chu Yuan stood at the door and played a game for a while. When he saw Shi Xi come out with a dejected expression, he knew the ending.

### **Chapter 302: Tattling To Mother**

"Should I inform Director Yan?" Chu Yuan asked.

"No, I must return to the production team!" Shi Xi took a deep breath.

Chu Yuan felt that his beauty was completely useless in the Shi family.

If Shi Xu was a woman, he could still be confused.

What a pity.

Chu Yuan asked, "What do you want to do?"

Shi Xi said firmly, "It seems that I can only use my trump card."

"What trump card?" Chu Yuan was puzzled.

Shi Xi smiled confidently.

Lunch.

When Shi Xu arrived at the dining table, he was lectured by Mother Shi.

"I heard that you won't let Xi Xi go to the production team?" Mother Shi's expression was not worried.

Shi Xu glanced at Shi Xi and said to Mother Shi, "Mom, I'm worried that Xi Xi will be injured in the production team."

"She's eighteen years old, not eight years old. How can she be injured?" Mother Shi lectured, "If we don't let her suffer a little now, what will happen to her in the future when she encounters setbacks? If her leg is injured, she won't go to work? You had a fever of 39 degrees before, but didn't you still go to the acquisition meeting? How is Xi Xi worse than you?"

After Mother Shi lectured him, Shi Xu looked at her helplessly.

Shi Xi lowered her head and ate.

Chu Yuan thought to himself, 'Her trump card is to complain to her mother?'

Would it work?

After being lectured for a long time, Shi Xu said, "Shi Xi, you can go to the production team."

Chu Yuan: ?!

It really works?

Shi Xi heaved a sigh of relief and her smile widened. "Thank you, Brother!"

"However, I will find you a bodyguard to protect you," said Shi Xu. "You are not allowed to refuse!"

Shi Xi nodded and accepted Shi Xu's final request.

In the afternoon, Chu Yuan and Shi Xi went to the production team first.

The entire production team welcomed Shi Xi's arrival.

Compared to Nan Wan, Shi Xi was too easy to get along with!

Her acting skills were good, her temper was good, and she cooperated with the work. When everyone went out to work, they liked to meet highly efficient colleagues the most.

Shi Xi asked the makeup artist to apply makeup on her while she held the script that she had just finished revising and started memorizing her lines.

They only added scenes where she jumped off a cliff and was crippled.

Fortunately, Director Yan liked to revise the script, so everyone in the production team was used to memorizing the script at the last minute.

Shi Xi quickly memorized the lines, allowing herself to quickly enter the plot.

Nan Wan had wasted a period of time filming. After Nan Wan left, the second female lead's scenes were left empty, and another period of time was wasted.

Fortunately, the technology was advanced now. If it was before when the film was so precious, Nan Wan would definitely be scolded to death.

Shi Xi finished memorizing one page and turned to the next page. It was still her scene.

There was no need, right?

They had filmed so many scenes for her in the afternoon?

Shi Xi braced herself and continued memorizing the lines.

Fortunately, compared to before, there were only slight changes, so Shi Xi memorized them rather quickly.

\*

After Tang Xi fell off the cliff, she was rescued by a hunter.

After being in a coma for three days and three nights, Tang Xi finally woke up, but she found that her legs could no longer walk.

After knowing that she was a cripple, Tang Xi desperately wanted to commit suicide, but was stopped by the hunter.

“Miss, even ants can survive. Why do you have to be so stubborn?” The hunter comforted her. “You fell from such a high cliff and didn’t die, which means that your life shouldn’t be over.”

Tang Xi clenched the dagger in her hand, and her eyes became firm.

She hadn’t gotten her revenge yet. Since she was still alive, she had to get revenge!

She had to find the murderer who destroyed the Tang family’s home!

She must make them pay with their lives!

..

“Pass!” Director Yan let out a long sigh of relief. He rarely praised her, “Not bad, not bad! Let’s take a ten-minute break and continue with the next scene.”

After watching Nan Wan’s performance for a long time, Director Yan then looked at Shi Xi. He felt that everything before him was bright.

The sky was bluer, the clouds were whiter, and the air was fresher.

No matter how he filmed it, it was pleasing to the eye.

### **Chapter 303: Cannot Be Brave**

After shooting ten scenes in a row, except for a few NGs, almost all of them were done in one go.

Shi Xi was also surprised at the improvement in her acting skills.

Perhaps because she had really spent a few days on a tightrope, she had a deeper understanding of the role.

At the end of the scene, Zhu Lin pushed Shi Xi and could not help but complain in a low voice, “You just came back, and Director Yan already let you shoot so many scenes. Why didn’t he let you rest a little longer!”

“There’s a break in between.” Shi Xi yawned sleepily and said, “Director Yan has fallen so far behind, so he’s naturally anxious.”

Zhu Lin pushed Shi Xi to the front of the car door and looked at Shi Xi. “How are you going to get up?”

Shi Xi stretched out her hand. “Carry me.”

Zhu Lin hesitated for a moment and said, “I’ll go find the driver.”

Shi Xi: “...”

“I’m afraid that I’ll accidentally drop you,” Zhu Lin said with an embarrassed smile.

Shi Xi leaned back in her chair. “Go on, go on.”

Zhu Lin turned around and saw Chu Yuan. “Eh? Teacher Chu, are you looking for Xi Xi?”

Chu Yuan nodded. “Yes, Director Yan asked me to bring Shi Xi for a meal.”

Chu Yuan, who had changed his makeup and hair, was handsome and charming.

Shi Xi had already gone through the initial shock of seeing Chu Yuan’s face.

But who would reject a handsome man?

“Ahem,” Zhu Lin said tactfully, “Teacher Chu, it’s not very good for you and Xi Xi to have a meal together, right?”

Both of them were single in the entertainment industry. If they were photographed...

Shi Xi came back to her senses and said, “Forget it.”

Chu Yuan said, “Director Yan will reimburse us for the meal.”

Shi Xi said, “Let’s go to Jin Manlou.”

\*

Not only did Chu Yuan have outstanding looks and acting skills, he also had a very gentle personality. He received people like a spring breeze.

When Shi Xi was having dinner with him, she felt as if she was walking in the middle of the clouds.

They could discuss the script together and tell interesting stories about the production team together.

Zhu Lin, who was beside them, held a spoon and felt that she was unnecessary.

She looked at the atmosphere between the two of them again.

Could it be that they were going to fall in love?!

Zhu Lin sounded the alarm in her heart.

After dinner, Chu Yuan considerably accompanied her back to the hotel and was willing to be a porter.

He closed the door.

Zhu Lin shook Shi Xi’s shoulder and said, “Wake up! You can’t date him!”

Shi Xi leaned back in her chair. “I’m focusing on my career now, so I definitely won’t date him. Besides, Chu Yuan is eight years older than me. He’s a little old.”

A 26-year-old three-time Best Actor? Was he old?

Zhu Lin’s mouth was agape. She didn’t know what to say.

As Shi Xi removed her makeup, she said, "Don't worry. To me, Chu Yuan is just an outstanding senior. I only have respect for him. I definitely don't have any improper thoughts!"

"Then what if he has improper thoughts toward you?" Zhu Lin could not help but ask.

"Isn't the age difference between us too big?" Shi Xi pondered and said, "Although he looks young, that's just his appearance."

Zhu Lin: How can my own artiste be so clear-headed?

"Chu Yuan is very popular and has good acting skills. It's also good for such an outstanding person to develop into a friend." Shi Xi blinked her eyes. "Don't worry about my career. I definitely won't collapse my house."

Zhu Lin stuttered, "You, you, it's good that you know. I'm going back to sleep."

Shi Xi waved her hand. "Good night."

After sending Zhu Lin off, Shi Xi looked at the bed in front of her and thought about how she should get up.

Fortunately, her hands and knees were still functional.

After going through a lot of hardships, Shi Xi finally climbed onto the bed and fell asleep.

It was a dreamless night.

"Shi Xi, is your alarm clock for decoration?"

Hearing Han Chuan's voice, Shi Xi helplessly opened her eyes and sat up to see Han Chuan in the room.

Besides Han Chuan, there was also a handsome boy with short hair.

Shi Xi: ??!

### **Chapter 304: # Nan Wan Likes Shi Xi's Collapsed House Weibo #**

Shi Xi pulled the blanket and said helplessly, "Brother Han, next time before you enter my room, can you knock on the door first?"

Han Chuan: "I did. You didn't hear me."

Shi Xi: "...Please wait for me outside. I'll get up first."

"Can you get up?" Han Chuan glanced at Shi Xi and said, "I heard that both your feet are useless."

"I'm just injured, not disabled," Shi Xi explained.

Han Chuan shrugged and did not care what Shi Xi said. Instead, he said to the short-haired boy beside him, "This is Shi Xi, the person you have to protect."

Shi Xi's eyes were filled with confusion.

Han Chuan introduced, "This is the bodyguard that President Shi hired for you. His name is Tian Hongyi."

"Just call me Xiao Tian." Tian Hongyi nodded slightly.

"Xiao Tian?" Shi Xi's mind, which had just cleared up, went blank for a few seconds.

A handsome man was actually called Tian Hongyi, such a rustic name.

And his nickname was Xiao Tian.

Shi Xi thought to herself, 'As long as you're happy.'

"Carry her down first. I'll wait for you in the living room." Han Chuan turned around and walked out of the bedroom.

Tian Hongyi was ready to carry Shi Xi.

Shi Xi immediately said, "No need. I can get out of bed by myself. You guys wait for me outside."

After a few days of training, Shi Xi had learned to get up and down on her own.

Han Chuan did not force her. He brought Tian Hongyi outside and waited.

Not long after, Shi Xi washed up and came out.

Zhu Lin brought breakfast over. As Shi Xi ate, she listened to Han Chuan's introduction.

Han Chuan said, "From now on, Xiao Tian will be your bodyguard and driver. He will be responsible for your safety and personal safety. Zhu Lin will take care of your daily life."

Shi Xi leaned against the back of her chair and said, "It will be even better if you can find me a stunt double."

"Then you can stay in the wheelchair forever," Han Chuan retorted. He said, "The new series of Kuai Xue will be delayed for a period of time. During this period of time, you just need to focus on filming [Nine Blades of Tang]. I will handle the other assignments."

There was no need to ask how to handle it.

All of them were rejected.

Sigh.

After changing drivers, Shi Xi realized that even though Tian Hongyi looked young, his driving skills were even more stable than the previous experienced drivers.

She drank the iced americano coffee in the car and did not spill a single drop.

Not bad, not bad.

After arriving at the production team, Tian Hongyi carried the wheelchair down from the car and carried Shi Xi down.

—

Outside the set, a group of people gathered to film the actors' daily lives for fun.

The videos they filmed would be sold to fans at a high price. Those with commercial value would be sold to marketing numbers.

And the video of Shi Xi being carried down from the car by a strange man was recorded by a distant representative.

#Shi Xi Being Carried By a Strange Man Princess Style#

The representative shot was very far away. It only recorded Shi Xi being carried down by a strange man, but it was blocked at the back.

However, such a short video had already made it onto the hot searches.

[Shi Xi is in love? Did my house collapse?]

[She's back on the set of [Nine Blades of Tang], right? Why is she so stubborn? She's actually in love while her career is on the rise?]

[Looking at her face, I know that her house will definitely collapse.]

[She's hugging and kissing in public. Looks like she doesn't care about what her fans think.]

When the black fans saw the news about Shi Xi's collapsed house, they were both surprised and happy, especially Nan Wan.

"The wheel of fortune has turned!" Nan Wan saw the malicious comments about Shi Xi and liked it.

However, Nan Wan forgot to change her account to eat melons. The Weibo that she liked appeared on her home page.

Hence, another topic also appeared on the hot searches.

#Nan Wan Liked Shi Xi's Collapsed House Weibo#

### **Chapter 305: Cannot Walk Down?**

[I'm dying of laughter. Nan Wan is eating melons, right?]

[Is her hand slipping? Or is she secretly rejoicing?]

[Previously, Nan Wan and Shi Xi had a red carpet PK, and then Nan Wan stole Shi Xi's character, but Shi Xi snatched it back. These two people are sworn enemies! Now that Shi Xi has collapsed, Nan Wan will definitely be overjoyed.]

Nan Wan had yet to realize that she had clicked 'like'. It was only when her manager called her that she switched off her account.

But she did not care at all.

In any case, Shi Xi was about to flop after falling in love. Among the current female celebrities, there was no longer anyone who was her match!

Nan Wan was dreaming, unwilling to wake up.

\*

Shi Xi's fan club.

Ji Yin watched the video dozens of times, but she still could not find a single point to defend.

The fan club group was also in an uproar.

[What's going on? Is Shi Xi really in love?]

[It can't be? She's only 18 years old. It's considered puppy love, right?]

[I originally thought that Shi Xi was a career-minded person, but I didn't expect her to be a love brain.]

Ji Yin: [Take a look at the video. Is there some misunderstanding?]

The Head of the Copywriting Team: [What misunderstanding could there be? That man didn't carry her out of the car? Shi Xi wasn't in his arms? The video is so clear! What else is there to say?]

[Just take it that I was blind to actually like such a shameless and lowly woman. I thought that she was young and must be very innocent, but I didn't expect her to be so shameless. Disgusting.]

Ji Yin immediately kicked them out of the group.

Even if Shi Xi was really in love, it wasn't the reason why fans could maliciously insult her.

When the others saw Ji Yin make her move, they all calmed down.

Ji Yin: [I'll try to contact the company. Don't be too anxious to leave the set.]

The higher-ups of the fan club could contact their managers or assistants.

For example, Ji Yin had Zhu Lin's WeChat.

However, Zhu Lin had yet to reply, so Ji Yin had no choice but to call her.

Zhu Lin, who was on set, received the call and asked, "What's wrong?"

Ji Yin: "Weibo says that Shi Xi is in love."

"In love? With who?" The image of Chu Yuan, Xie Yunzhou, Sheng Yan, Director Yan, and Shen Hanquan flashed through Zhu Lin's mind.

"So she's really in love?" Ji Yin asked.

"How is that possible?!" As Zhu Lin said this, she opened Weibo and saw the video.

She was speechless.

"That's Shi Xi's newly hired bodyguard," Zhu Lin explained.

“Even if it’s a bodyguard, he doesn’t have to carry her down, right?” Ji Yin’s tone was a little harsh.

Zhu Lin asked, “If you don’t carry her down, how is she going to get down?”

Ji Yin asked back, “She can’t walk down?”

Zhu Lin: “...”

D\*mn, there was a difference in information!

As Shi Xi’s assistant, Zhu Lin naturally knew that Shi Xi’s foot was injured and that she needed to be in a wheelchair.

But the fans didn’t know that!

Shi Xi had never told anyone that she had an injury on her foot.

Even if she had been filmed on set, everyone would have thought that it was for the role.

To the netizens and fans, Shi Xi was still considered healthy.

Zhu Lin explained the situation clearly and said, “Xi Xi didn’t want her fans to worry about her injury.”

“Don’t tell anyone either. I’ll ask Brother Han how he’s going to deal with it.”

After knowing that Shi Xi wasn’t in a relationship and only had a crippled leg, Ji Yin heaved a sigh of relief.

Ah, no, Ji Yin was even more worried. “Then when will she recover? Is her injury serious? Why is she injured? How did you... Why did you hang up?”

Ji Yin looked at the phone call that had been hung up and felt mixed emotions.

She didn’t know whether she should be happy or worried.

### **Chapter 306: Why Didn’t You Hire a Female Bodyguard**

However, knowing that Shi Xi wasn’t in a relationship meant that Ji Yin could give her fans an explanation.

Ji Yin opened Weibo and was thinking about how to edit it when she realized that the trend had changed.

Under the trending searches, it was already a sign of respect and blessing.

[Don’t meddle in the affairs of beautiful women. Shi Xi isn’t a popular idol. Is she going to be criticized even if she’s in a relationship?]

[This is hilarious. Male artistes are unfaithful to others, but female artistes are unfaithful when they are in a relationship? This is really double standard!]

[One must learn virtue before learning art. I hope male artistes can keep their virtue. Unclean men will be despised.]

[Looking at the time, I realized that this is the 21st century. Just now, I thought I was living in the Qing Dynasty.]

A huge figure appeared above Ji Yin's head: ?

What was going on?

Weren't they just talking about Shi Xi falling in love and collapsing her house?

Why are you minding your own business now when it's all about beautiful women?

Ji Yin expressed that she didn't understand.

However, she still edited the document as soon as possible and posted a clarification on Weibo.

*novelusb.com*

@Shi Xi Fan club: [I have contacted the company and confirmed that the man in the video is a bodyguard. Because Shi Xi is not feeling well, he carried Shi Xi out of the car.]

[The two of them are not in a relationship. Please let everyone know.]

After the clarification was sent out, almost no one cared.

The netizens only wanted to believe what they wanted to believe.

As for the truth of the matter, how many people cared?

@Kuai Xue Entertainment Official Blog: [Shi Xi's foot is injured and needs to recuperate in a wheelchair recently. In the video, the one who carried Shi Xi out of the car is a bodyguard, the so-called boyfriend rumored online. Shi Xi is currently single. Please pay more attention to Shi Xi's work. [picture]]

Not only did the official Weibo post a statement, but it also sent Shi Xi's medical record, proving that Shi Xi's foot was indeed injured.

The fans in the comment section immediately started to worry. [She's injured, yet she still wants to act?! Can't they let Xi Xi rest properly?!]

[Can't they hire a female bodyguard? If they hug and cuddle like this, won't the female goose be taken advantage of?]

[How did Xi Xi get hurt? Why is there no news?]

[...]

Meanwhile, Shi Xi had no idea that she had become a trending topic.

She was still working in the production team.

Due to the mess Nan Wan had left behind, what the production team lacked the most right now was her scenes.

From morning till night, during her break, Shi Xi would recite the script and rest.

She did not have time to look at her phone at all.

After Zhu Lin and Han Chuan reported the matter, they handled the matter properly.

Seeing that Shi Xi was so tired, Zhu Lin did not mention the blunder to Shi Xi.

Instead, Chu Yuan looked at Weibo and ate melon seeds the entire time.

After work, Chu Yuan asked, "You hired a bodyguard?"

Shi Xi nodded and said perfunctorily, "Yes."

Chu Yuan commented, "He's quite handsome."

"He is quite handsome." Shi Xi thought about Tian Hongyi's face, then looked at Chu Yuan and said, "You're even more handsome!"

Chu Yuan asked, "What do you want to eat today?"

Shi Xi asked, "Director Yan still wants to reimburse us? Why is he so generous?"

They had eaten five figures yesterday, and Director Yan's face was dark today.

Chu Yuan could not help but laugh. "It's my treat."

Shi Xi stepped back half a wheel and said, "After a while. I'm a little tired today."

After acting for a whole day, her face was about to stiffen.

Chu Yuan did not insist. "We'll meet again when we have time."

Zhu Lin hurriedly pushed Shi Xi away.

She was afraid that her female goose would be cheated away by others.

When they got into the car, it was still Tian Hongyi who carried Shi Xi into the car.

Zhu Lin whispered, "Brother Han, seriously, why didn't you hire a female bodyguard?"

Tian Hongyi said, "Huh?"

Zhu Lin quickly explained, "I just thought that it would be more convenient to hire a female bodyguard."

Tian Hongyi said inexplicably, "I am a woman."

### **Chapter 307: Only Had 24 Hours Per Day**

This time, it was Shi Xi and Zhu Lin's turn to be surprised.

"You're a woman?"

Tian Hongyi nodded and was a little confused. "Yeah, don't I look like one?"

"From name to appearance, you don't look like a woman at all!" Zhu Lin's eyes widened.

Shi Xi did not say anything.

She had been hugged twice and felt that Xiao Tian's chest was a little soft. She thought that the bodyguard had developed chest muscles.

She did not expect that it was really her chest.

She had been careless.

Xiao Tian scratched her head. "People often treat me as a boy. My parents also treat me as a boy. It's fine."

Zhu Lin mumbled, "How can it be fine?"

*novelusb.com*

If she had known that Tian Hongyi was a woman, there would have been no need for this hot search!

Xiao Tian: "...Do you want to go back to the hotel now? Or do you want to eat?"

Shi Xi leaned against the back of her chair. "Let's go straight back to the hotel. We'll order takeout tonight."

She didn't want to move anymore.

After this blunder, Shi Xi's reputation gradually improved.

On one hand, it was Shi Xi's dedication to work. She didn't have any complaints when she was injured while filming.

On the other hand, Shi Xi's second female lead in [The Overbearing School Bully Fell In Love With Me], had gotten quite a good result.

[The Overbearing School Bully Fell In Love With Me] was a school drama that didn't invest much in it. Although it was a tacky school girl falling in love Cinderella script, the male and female characters in the drama were handsome and beautiful. The main lead's acting skills were online and were very eye-catching.

Yun Guanghe and Wen Yao relied on this online drama to form a 'drinking medicine cp'. They were determined to poison the fans of the couple.

Meanwhile, Shi Xi's role as the evil white, rich, and beautiful school beauty, because she regretted her mistakes the most, relied on the picture of tears at the airport, and once again attracted a wave of fans.

It was also very attractive for the second female lead to change the script of the affectionate second male lead to that of the second female lead.

While she was busy, Shi Xi's feet finally recovered. She also welcomed the completion of the filming of [Nine Blades of Tang].

After the last scene, Director Yan gave Shi Xi a red packet and hinted that they could work together again in the future.

Shi Xi accepted the red packet. She felt that it was too little and did not want to work together again.

“Congratulations on finishing the filming.” Han Chuan sat in the car and said with a tablet in his hand, “Before you enter the next production crew, get these variety shows done.”

Shi Xi asked, “I finally finished filming. Can’t I take a break?”

Han Chuan replied, “You’ve already been resting in your wheelchair for a long time.”

Shi Xi: ...That’s called a break?

“Don’t worry, I’ve arranged for you to be a popular variety show that’s relatively easy to handle. All you have to do is act cute,” Han Chuan said expressionlessly. “Use this time to work on your fan club.”

Shi Xi helplessly took the tablet and looked at the schedule on it.

As a gold-medal manager, Han Chuan was undoubtedly very authoritative about the schedule.

Shi Xi looked at her schedule. Oh no, it should be called a timetable. On it, the time for changing planes, eating, and going to the toilet had all been fixed.

“Brother Han, you should know that there are only 24 hours in a day, right?” Shi Xi pointed at her schedule. “I have to catch a flight at three in the morning? Get off the plane at five?”

“It just so happens that the variety show ends at ten in the morning. You can go straight to the airport,” Han Chuan calmly added. “You can catch up on your sleep on the plane.”

Shi Xi: ?!

She originally thought that after escaping from Director Yan, she could have a good rest!

Shi Xi tried to bargain. “Can you...”

Han Chuan: “This variety show will give you a seven-figure appearance fee.”

Shi Xi immediately said, “Just in time. I can watch the sun rise at four in the morning.”

Han Chuan smiled. “You’ve been a little busy with your work recently. It’ll be fine when you join the group.”

Shi Xi thought to herself that a man’s mouth was a liar. When she was in Director Yan’s hands, Director Yan had said that it would be fine after she finished filming every day.

### **Chapter 308: 35 Years Old and Still Not Married**

There was no point in resisting. Shi Xi could only watch the variety show that she was about to appear on:

[Amateur Makeover]

This reality show was meant for celebrities to have an amateur makeover.

Shi Xi looked at the resident guest and raised an eyebrow. “Nan Wan is here too?”

Han Chuan said, "Yes, this show has been broadcast for three episodes. There wasn't a single splash. The program team's director thought of you."

Shi Xi asked, "Is it because I'm popular?"

Han Chuan was silent for a moment before he said, "Because you have a grudge with Nan Wan. The program team wants to see you guys argue."

Shi Xi: "..."

As they continued watching, the other permanent guests were: Bai Cangyang, Gao Tingyu, and Chang Qiwen.

Shi Xi pointed at the names and said, "I know Bai Cangyang. Who are the other two?"

Han Chuan said, "They're just two comedians. Just remember their names."

Zhu Lin added, "Gao Tingyu is an international female model. I heard that she slept with a rich man. She has a lot of resources recently."

"Chang Qiwen is a comedian. I often see him at variety shows. He's quite interesting."

Shi Xi took out her phone and searched for the two of them to get a general understanding.

She also looked at the broadcast numbers of [Amateur Makeover].

The first episode was 10 million, the second episode was 5 million, and the third episode was only 3 million.

Shi Xi looked at the pitiful broadcast numbers and asked, "Won't the program team buy some broadcast numbers?"

Han Chuan said, "How do you know that this isn't the broadcast number that they bought?"

In order to get a deeper understanding, Shi Xi clicked on the first episode's program.

After watching it for three minutes, Shi Xi began to doze off. "Isn't this program too boring?"

She felt bored even after watching it for three times.

"That's why the broadcast volume is low," Han Chuan said.

Shi Xi agreed deeply. She put down her phone and continued to read the script.

The process was very clear. Before the recording, the guests would see the information of the plain people and their thoughts of wanting to change.

After that, the modification team made a modification plan for these plain people.

As it was a flight in the early morning, Shi Xi slept in the hotel for a few hours before she set off for the airport.

The intermittent sleep made her feel a little uncomfortable.

In particular, the turbulence in the middle of the flight gave Shi Xi the idea that she might as well just crash the plane.

After landing, Shi Xi checked into the hotel and received a mission card from the program team.

Seeing the mission card handed over by the cameraman and staff, Shi Xi was half emotional and half sympathetic. "It's not easy to become a worker."

She got off the plane at five in the morning while the cameraman went to work at five in the morning.

On the mission card was written: [Before lunch, ask the matching staff to match a set of clothes for yourself. You cannot ask directly. Otherwise, lunch will be canceled.]

Shi Xi asked, "So, what will be the reward if you succeed?"

The staff replied, "If you succeed, you can have lunch."

Shi Xi: 'Listening to your words is like not listening to your words.'

After accepting the mission card, Shi Xi took another two hours of sleep before putting on makeup and preparing for the recording.

As the guest, Shi Xi was the last to appear.

The few of them sat around the table and started exchanging greetings.

"Welcome, Shi Xi!" Nan Wan smiled gently and said, "Has Shi Xi watched our program before?"

Shi Xi nodded. "Yes."

Nan Wan said in an interview, "What do you think?"

Shi Xi smiled. "It's very suitable to watch when relaxing."

Because it was really hypnotizing.

When the information was sent out, it was about a young woman who lived alone.

Nan Wan looked at the information and said in surprise, "She's already 35 years old, but she's still not married."

Gao Tingyu, who was beside her, said, "Maybe her requirements are too high."

### **Chapter 309: Sunset Couple**

"Maybe she doesn't want to get married. What does it matter if she's married or not?" Shi Xi flipped through the information and said in surprise, "She has such a high degree. She has a double doctorate in physics and mathematics from Stanford University and is now a professor at Yanjing University."

Nan Wan commented, "So she's a female doctor. No wonder she's not married yet."

Shi Xi was silent.

When recording a program, could one really speak so bluntly?

Then she wanted to take back what she had just said and change it to — “After watching this program, I feel very bored.”

Chang Qiwen flipped through the information. “I heard that there are three kinds of people in this world, men, women, and female doctors. I didn’t expect that we would be able to reform a female doctor today!”

Gao Tingyu said, “She never wears makeup, doesn’t attend social gatherings, and has never been in a relationship.”

Nan Wan said in shock, “She hasn’t been in a relationship at the age of 35?! What kind of person is she?!”

Shi Xi looked at Bai Cangyang, who was the only one who had not spoken a word.

Bai Cangyang just flipped through the information silently, with no special expression on his face.

Chang Qiwen finally said something human. He said, “But she is doing very well in her own field. Although she is not in a relationship or has a normal marriage and children, she has published a lot of papers and is still a professor at Yanjing University. I can tell that she is a very powerful person!”

Gao Tingyu said, “But women still have to get married and have children in the end. At 35 years old, she is already an old woman when giving birth, right?”

Nan Wan nodded in agreement. Just as she was about to say something, she saw her manager shaking her head and holding up a sign.

“But her academic contribution is something that none of us can achieve. Perhaps her research will change our future.” Nan Wan instantly changed her tone. She said, “I can only say that she’s very focused on her studies. Let’s see what she wants to change!”

When Shi Xi heard this, she was dumbfounded.

Was this something that Nan Wan could say?

When Shi Xi turned around, she saw the sign that Nan Wan’s manager was holding up.

No wonder Nan Wan was sometimes normal and sometimes crazy.

It turned out that she had such a military advisor behind her.

Gao Tingyu said, “The female doctor feels that her life is too monotonous and boring. She wants to change it.”

### **Chapter 310: Small Black Suspenders, Hot Pants, Coupled With Large Earrings**

[I thought the CP was limited to the talent show, but I didn’t expect them to be on the same program again.]

The CP fans sat up, saying that they could do it for another 100 years.

[Bright female celebrity mentor x All-around C position captain]

[In front of everyone, steady and dignified, but in front of you, bow your head.]

..

The female doctor's surname was Qiao, and she was currently a professor at Yanjing University. She lived alone.

To everyone's surprise, Doctor Qiao did not look like a 35-year-old person. Her skin condition looked like she was in her twenties.

She was dressed in ordinary clothes, wearing a gray t-shirt and jeans. She did not stand out in the crowd at all.

When Doctor Qiao appeared, the bullet screen was also shocked.

[F\*ck, I thought she was an auntie, but I did not expect her to be a sister.]

[Sister, I can do it!!]

[This is 35 years old? I would believe her if she said she was 25 years old!]

Professor Qiao led the group to her apartment.

The apartment was clean and tidy. There was no television or sofa in the living room. There was only a long table with books and information on it.

There was a treadmill in the corner. It seemed to be used frequently.

Professor Qiao invited the group to sit down at the long table and poured them hot water.

Gao Tingyu asked first, "Are you really 35 years old?"

Professor Qiao nodded. "Yes."

"Then can I ask, how do you take care of your skin?" Gao Tingyu stared at Professor Qiao's face and said, "There aren't any wrinkles at all."

"Take care of my skin?" Professor Qiao thought for a moment and said, "I wash my face and apply face cream every day."

Shi Xi: 'Listening to these words is like not listening to these words.'

Gao Tingyu's eyes were filled with eagerness. "Can we take a look and see what kind of face cream it is?"

Professor Qiao took out a small bottle from the bathroom and said, "This."

It was a white porcelain bottle. There was only a label on it and two words were written on it: face cream.

Shi Xi looked familiar.

This was similar to the face cream Ning Yu gave her!

“What brand is this?” Nan Wan took it. “Why haven’t I seen it before?”

Professor Qiao: “It was made by one of my students, not bought.”

Shi Xi: !?!

Oh, this Professor Qiao, could she be Ning Yu’s teacher?

Or perhaps she should be a little more daring. Ning Yu was her teacher?

Nan Wan looked at it over and over again and said, “You dare to use such an unknown product on your face? You should buy a brand-name face cream. It has quality assurance and can also beautify your face.”

Professor Qiao said, “The cream is mostly water, isopentyl glycol, glycerin, C9-12 alkane, and vitamins. Among them, only glycerin, vitamin B5, and vitamin E have moisturizing effects. This cream has all of them. It can already satisfy my needs.”

Everyone: “...”

Shi Xi changed the topic and asked, “Doctor Qiao, which direction do you want to change your life?”

Professor Qiao said, “I feel that my current life is a little boring. Every day is just a line between the laboratory and home. I want to change my current life.”

Shi Xi said, “You can go shopping with your friends and watch a movie.”

Professor Qiao said, “It’s too time-consuming to go shopping. If it’s a movie, I prefer to watch it at home.”

Shi Xi: “...” Then what’s the point of changing?

“If you want to change it, let’s start with makeup!” Nan Wan smiled and said, “Put on good-looking makeup and it’ll let you see a different version of yourself!”

The makeup artist in the team made a move and started to put on makeup for Professor Qiao.

Shi Xi sat at the table and felt that the waiting time was too boring.

She deserved that the show was ruined.

There wasn’t even a single highlight.

“Professor Shi Xi, do you have any suggestions on how to dress Professor Qiao?” Bai Cangyang asked.

Shi Xi said lazily, “Small black suspenders, hot pants, and a pair of big earrings.”

Only by dressing like this could they save this silly show.
