

The Fake 321

Chapter 321: Can't I Dual Cultivate

Xie Yunzhou asked, "Where are you?"

"Yanjing." Shi Xi asked doubtfully, "What's wrong?"

She was still filming in Yanjing recently.

If she had known earlier, she would have applied to Yanjing University. Now, she didn't have to keep applying for leave. She was a little worried that she would be expelled from Haicheng University.

It was too late for regrets.

Xie Yunzhou asked, "Address?"

Shi Xi said, "It's at Marriott Hotel — Why are you asking about this?"

"I'm sending a private doctor over now. He'll be there in half an hour." Xie Yunzhou's voice was calm as usual. "Get a private doctor to give you a checkup."

"Huh?" Shi Xi was puzzled. "Give me a checkup? I'm fine!"

You're the one who should see a doctor, right?!

"You didn't go to see a doctor for your allergies. Your face has been red and swollen for five consecutive days," Xie Yunzhou stated coldly.

"But I took my allergy medicine. The swelling subsided on the third day, and I recovered on the fifth day." After Shi Xi explained, she asked, "How do you know so much?"

Even Shi Xu didn't even know this much, right?

Xie Yunzhou didn't answer. Instead, he asked, "Do your ankles still hurt?"

Shi Xi moved her feet. "Which foot are you asking about?"

Xie Yunzhou: "..."

"Cough, it doesn't hurt anymore. I'll avoid strenuous exercise in the near future," Shi Xi said obediently.

"You're not allowed to wear high heels," Xie Yunzhou added.

"Alright, alright, I got it." Shi Xi said again, "Don't let the private doctor come over. I'm really fine!"

Xie Yunzhou: "Just treat it as a simple routine check-up. What's the room number?"

Shi Xi didn't say anything.

"Don't worry, it's a female doctor." Xie Yunzhou saw through Shi Xi's worry at a glance.

Shi Xi thought to herself, 'I am not worried about a doctor at all.'

But now that she was riding a tiger, she had no choice but to report the room number.

She no longer casually concealed her illness.

Twenty minutes later, Shi Xi heard a knock on the door.

When she opened the door, there was an indifferent woman wearing glasses standing outside. Her appearance was cold and elegant. She was carrying a small brown leather suitcase in her hand. Her black suit could not hide her perfect figure. Under her skirt, she wore black stockings. Her long and straight legs were comparable to a model's.

"Shi Xi?" The woman's gaze was indifferent as she scanned Shi Xi from head to toe.

"It's me. Are you Doctor Guan Tong?" Shi Xi asked.

"Yes." Guan Tong walked into the room in her high heels.

Shi Xi's gaze swept past the elegant lady's s-shaped curve.

When she closed the door, Shi Xi heard the sound of spraying.

She looked over in puzzlement and found that Guan Tong was spraying the sofa with disinfectant.

Shi Xi: ...Alright, all doctors have a little mysophobia.

She took a bottle of mineral water from the refrigerator and placed it on the table.

"Sit down. I'll check your pulse first," Guan Tong said.

Shi Xi looked at the seat next to Guan Tong and then at the neighboring single-seater sofa.

She decisively chose the single-seater sofa.

Guan Tong took out a piece of gauze and covered it on Shi Xi's wrist before she started to take her pulse.

After taking her pulse, Guan Tong took out a stethoscope from her leather suitcase.

Shi Xi asked, "Are you a traditional Chinese medicine practitioner or a Western medicine practitioner?"

"Can't I dual cultivate?" Guan Tong glanced at her indifferently.

"Of course you can." Shi Xi shut up.

She didn't point fingers at other people's professionalism.

However, Shi Xi wasn't used to being so close to a cold beauty.

Shi Xi's eyes couldn't help but want to look at the cold beauty's breasts or legs.

"Your heart is beating a little fast." Guan Tong put away her stethoscope and wiped it clean with a disinfectant towel before putting away her small suitcase.

"It's not because I'm sick, it's because..." Shi Xi tried to explain her abnormality.

Chapter 322: Unable To Differentiate Between Leeks and Scallions

How should I explain this?!

Should I explain that I'm a pervert?!

Shi Xi's words were stuck on the tip of her tongue.

"There's no need to explain. I know that my figure is very good." Guan Tong lowered her head to write something and said, "The male patients' heartbeat is faster."

Shi Xi simply changed the topic. "Are you prescribing medicine?"

"Some traditional Chinese medicine that recuperates the body." Guan Tong finished writing very quickly. She asked, "During this period of time, have you been having irregular periods, stomach discomfort, chest distension, shortness of breath, dizziness, and weakness?"

Shi Xi nodded.

"Don't stay up late, eat normally, and eat less junk food." After Guan Tong finished writing. She tore off the paper and handed it to Shi Xi. "There are medicinal ingredients on it. Just take the medicine according to it."

Shi Xi took it and took a look.

The words were just like her. Guan Tong's words were elegant and handsome.

Fortunately, it wasn't the type of words from doctors that others couldn't understand.

"The last line is my cell phone number and WeChat. If you're sick, you can look for me." Guan Tong looked at Shi Xi. "If you're not sick, you can also look for me."

Shi Xi wanted to add this cold and beautiful beauty immediately.

"That, so I... What's my illness?" Shi Xi asked.

Guan Tong closed the suitcase, stood up, and said plainly, "Nothing. It's just a normal sign of a cerebral infarction."

Shi Xi was instantly jolted awake. "Cerebral infarction?"

Guan Tong's reaction was much calmer. "Just follow the doctor's advice. Any other questions?"

Shi Xi was stunned for a moment and asked, "Then do I have to make a will in advance?"

"If you want to make a will, I can introduce you to lawyers in this area." Guan Tong paused for a moment, "But looking at your body, you still have at least 40 to 50 years of life left. You might live longer than those lawyers."

Shi Xi heaved a sigh of relief and asked, "Aren't you going to sit for a while longer?"

Guan Tong looked at her watch. "I have to rush to see the next patient. From her description, it looks like a stomach perforation."

Shi Xi: ?

Guan Tong walked to the door, looked at the doorknob, and asked, "Can you help me open the door?"

Shi Xi opened the door. "Please."

"Thank you." Guan Tong turned around and said, "Friendly advice: if you are cheated on, stabbing a man a few times is better than drinking two bottles of white wine."

Shi Xi: ?!

Guan Tong paused for a moment. "If you are arrested, I can introduce you to a lawyer in this area. I think prison won't be more painful than a stomach perforation."

After sending Guan Tong away, Shi Xi leaned against the door and thought, as expected of Xie Yunzhou's acquaintance.

She was indeed not a normal person.

The next day, Shi Xi asked Zhu Lin to grab the medicine according to the prescription and drank a dose of medicine.

Although it couldn't be said to be anything good, her sleep was more comfortable and her body was no longer sore or painful.

At the same time, Nan Wan's [Landscape Life] was broadcast.

[Landscape Life] was a life-oriented reality show. An artiste would go to the mountains for two days to live a life of self-sufficiency and cook and wash their own clothes.

The netizens liked to watch this kind of down-to-earth life, but the celebrities would suffer if they went there.

Zhu Lin brought the Chinese medicine over and said, "Nan Wan really can't take it easy on this show. She can't even tell the difference between scallions and leeks."

"It can't be that serious, right?" Shi Xi drank the Chinese medicine in one gulp and ate a plum.

"How can it not be that serious?" Zhu Lin smiled and said, "Zhuang Xuan asked her to cut the leeks, pull out two scallions, and make fried eggs with leeks. In the end, she cut all the scallions that Zhuang Xuan planted, and then took two leeks back."

Shi Xi was glad that she only heard these words after drinking the medicine.

"Could she not tell, or is she deliberately putting on a show?" Shi Xi took out her phone and looked at Weibo.

#Nan Wan Could Not Tell the Leeks From the Scallions# had already been trending.

Chapter 323: Skiing In the Alps

Zhu Lin: "No matter what, she has angered the netizens."

Below the trending searches, everyone was scolding Nan Wan for being brainless.

Shi Xi clicked on the video and looked at the details. Only then did she know that Nan Wan had been scolded well.

In the video, Zhuang Xuan had originally wanted Nan Wan to start a fire, but Nan Wan felt that it was dirty.

Zhuang Xuan had Nan Wan sit and wait for dinner, and Nan Wan wanted to take advantage of the camera in the kitchen again.

However, her hands were covered in fluffy manicured nails, so she could not wash the vegetables.

She could not even wash her hands.

When another person said that they were going to cut the leeks and pull out two scallions, Nan Wan took the initiative to raise her hand and accept the task of cutting the leeks and pulling out the scallions.

Zhuang Xuan even specially asked, "Do you know how to cut the leeks?"

Nan Wan took the knife and said, "Yes!"

When they reached the vegetable garden, Nan Wan looked at the scallions in front of her and sighed, "As expected of the leeks that were grown at home. It's so big!"

Thus, Nan Wan squatted down and used a knife to cut the scallions neatly.

After seeing the 'leeks', Nan Wan grabbed two and took them back.

Bullet comments: [Nan Wan knows how to cut leeks, it's just that she doesn't know leeks.]

[I'm dying of laughter, what's wrong with Nan Wan? She's just an ordinary dumb beauty.]

[No way, no way? It can't be that there's really someone who can't recognize leeks and scallions, right? Nan Wan's act is obviously intentional!]

[Regardless of whether it's stupid or intentional, this act is enough.]

..

Shi Xi looked at the comments and said, "Is Nan Wan taking the black-and-red route?"

Zhu Lin muttered, "Even if she's being black, she won't become famous, right? This trending search is also bought."

Shi Xi ate another plum and no longer paid attention to this stupid matter. "How's the investigation on Nan Wan's age coming along?"

At this point, Zhu Lin's eyes were burning with gossip. "I followed her school and found out where she was from. According to my deduction, she should be 27 this year, not 24!"

Shi Xi was surprised. "27? That doesn't seem to be the case!"

Zhu Lin said, "Most people in the industry know how to delay aging. She just looks young."

“What I mean is, her brain doesn’t look like a 27-year-old’s.” Shi Xi added, “Besides, she called so many people ‘big brother’. That shouldn’t be the case, right?”

Zhu Lin said, “Who doesn’t know how to act young?”

Shi Xi leaned against the sofa. “Go find solid evidence. When the time is right, send it out.”

Zhu Lin made an ‘OK’ gesture.

She was in a great mood, so Shi Xi was no longer so resistant to the upcoming love variety show.

Yes, she was going to participate in a love variety show.

According to Han Chuan’s arrangements, Shi Xi should be joining the crew now to shoot a new show made by Kuai Xue Entertainment.

However, just as the filming was about to start, the male lead, Lou Ruicong, suddenly said that he wanted to go skiing in the Alps, so the filming time had to be postponed again.

Whether it was waiting for this ski competition or finding a new male lead, they all needed time.

Everyone in the production team had seen it clearly. Since they had already postponed it once, it was fine to postpone it again.

Taking advantage of this time, Han Chuan boldly accepted a love variety show for Shi Xi.

[Secret Love Exchange]

When Shi Xi entered the set, she was a little nervous.

There was too little content in the script this time, so she didn’t even know the identities of the other guests.

The director only told her to show her true self according to her feelings.

Han Chuan told her to carry out the sweet girl character and never let her character fall apart.

Pushing her suitcase into the villa, Shi Xi found that she was the first to come.

So, she could choose the room first?

Shi Xi’s eyes lit up.

Chapter 324: Don’t Worry, I Won’t Go Crazy When I’m Drunk

Shi Xi pushed the suitcase and wanted to go upstairs.

The staff stopped her. “We’ll wait for everyone in the room, then we’ll draw lots to choose rooms.”

Shi Xi could only put the suitcase aside and sit on the sofa obediently, waiting for the others to come.

The camera focused on Shi Xi, but there was still not a single flaw in her face. Her makeup was exquisite, and her eyelashes were long and thick like a doll. She was unbelievably beautiful.

[Shi Xi is really beautiful!]

[The cameraman knows how to shoot well! I'll give them a chicken leg!]

[When she sits down obediently, she looks like a kindergarten child waiting for her teacher to hand out candy. She's so cute!]

Not long after, the second guest arrived.

The camera landed on the entire body of the guest from afar. It was a slender girl. Her short chestnut-colored hair made her look gentle and intellectual.

After entering the door, the female guest saw Shi Xi.

"Hello." When Shi Xi saw the gentle and intellectual big sister, she immediately stood up to welcome her. "My Name is Shi Xi."

"Feng Yingyuan, lawyer."

Shi Xi's mind was filled with thoughts. If she was a lawyer, she could just leave a will, right?

When Feng Yingyuan got closer, Shi Xi could smell the faint smell of alcohol on her body.

After greeting her, Feng Yingyuan did not sit down. Instead, she went straight into the open kitchen and said, "Do you want to drink something?"

Shi Xi said, "Warm water is fine."

Feng Yingyuan looked around the kitchen and found a bottle of red wine. "Do you want to drink some red wine?"

Shi Xi looked at Feng Yingyuan's actions and thought to herself, 'Why are you so skilled?'

'Everyone is here to participate in the program, not to drink!'

"No need. I'll just drink some warm water." Shi Xi went into the kitchen and poured herself a glass of water.

Feng Ying Yuan did not ask further. Instead, she found the bottle opener and opened the red wine seriously.

The living room instantly became quiet again.

The sound of the door opening was heard. Shi Xi looked over.

A long-haired girl walked in. She wore a white dress and short skirt. Her smile was very sweet. "Hello, my name is Xu Ziqing. Just call me Qing Qing."

Feng Yingyuan asked, "Do you want to drink?"

Xu Ziqing's sweet smile stiffened slightly. "Thank you, but there's no need."

Shi Xi searched her mind for a while before asking, "What do you do for a living?"

“I work in a foreign company now.” Xu Ziqing’s smile was very sweet. “You’re Shi Xi, right? I’ve seen your online drama. It’s very good.”

“Thank you.” Shi Xi asked, “Do you want some water? There are cups in the kitchen.”

Xu Ziqing declined politely. “No need. I’m not too thirsty.”

Feng Yingyuan was still in the kitchen drinking. She had no intention of socializing at all.

The three female guests were all present.

Next, it was time for the male guests.

The first person to walk in was tall and handsome with a sunny and lively personality — Li Jinfan.

“Eh? Why are you here?” Shi Xi was a little surprised to see Li Jinfan.

“Hello, Sister Xi.” Li Jinfan’s eyes were smiling as he said, “Even Sister Xi can come. Can’t I?”

“You guys just debuted. Why aren’t you practicing hard and going to variety shows every day?” Shi Xi was puzzled.

Li Jinfan said helplessly, “I’ve been practicing hard.”

There were few stages in the country, so even if they wanted to go on stage, they didn’t have much of a chance.

Shi Xi introduced Li Jinfan to two female guests. Xu Ziqing knew that Li Jinfan had just grown up, so she didn’t take the initiative to speak.

Feng Yingyuan finally opened the red wine and poured herself a big glass. She shook the glass and asked Li Jinfan if he wanted it.

Li Jinfan immediately refused. “Thank you, I don’t drink.”

Shi Xi reminded her, “We’re still recording. It’s not good to be drunk.”

Feng Yingyuan drank a big mouthful of wine and said: “Don’t worry, I won’t go crazy when I am drunk.”

Chapter 325: Was Chu Yuan!!

Seeing that she could not persuade her, Shi Xi stopped persuading her.

If she drank like this, her stomach would be punctured sooner or later.

“Sister Xi, if there’s a team later, we’ll choose each other, okay?” Li Jinfan poured himself a glass of water and whispered to Shi Xi, “We’re acquaintances, so it won’t be awkward.”

Shi Xi thought it made sense and nodded. “Sure.”

It was indeed strange to team up with a strange man.

“If there’s a choice, you’ll choose me, and I’ll choose you,” Li Jinfan agreed with Shi Xi.

“Got it.” Shi Xi felt that Li Jinfan was a little long-winded.

The bullet comments started to suggest that the two of them were a couple.

[They are so compatible! Ah, how can they be so compatible!]

[Call me big sister in the day, at night big sister calls out, hehehe.]

[Upstairs, put on some clothes. It’s still daytime!! Make it dirty at night!]

[I didn’t expect you guys to be LSP, hehehe, me too.]

Li Jinfan’s initiative and Shi Xi’s straightforwardness undoubtedly made the two of them even more compatible.

Even the post-editing had deliberately slowed down this segment.

The little puppy looked at Shi Xi. After hearing the reply, his eyes sparkled like stars.

Meanwhile, Shi Xi lowered her head to look at the cup, her fingers tapping on the wall of the cup.

In the post-editing, they circled a large heart-shaped frame for the two of them, and countless pink bubbles rose.

But in the next second, the pink bubbles shattered.

“Chu Yuan?” When Shi Xi saw the second male guest, her eyes widened in surprise.

Chu Yuan, the youngest three-time Best Actor in history, was handsome, cool, and rich.

This kind of man was in a love variety show?

“Long time no see.” Chu Yuan smiled warmly and greeted Shi Xi.

Shi Xi’s eyes lit up and asked, “What would you like to drink? There’s red wine and drinks in the kitchen.”

Chu Yuan looked at the quilt on the table and smiled, “Just plain water will do.”

Shi Xi immediately went to pour water for Chu Yuan.

Li Jinfan watched from the side, his teeth almost breaking from clenching his teeth.

He had poured the water himself just now!

But the moment Chu Yuan came, Shi Xi took the initiative to pour water for him!

Xu Ziqing saw that the second guest was Chu Yuan and was both surprised and delighted. “I’m your fan. I’ve seen all your movies!”

Chu Yuan said politely, “Thank you.”

Li Jinfan was displeased, but his face was still as bright as ever. “Hello, Senior Chu.”

“I should be older than you. Just call me Brother Chu.” Chu Yuan was very kind to his juniors.

After Li Jinfan called out, he realized that something was wrong.

Brother Chu, Sister Xi.

Was he rushing to be the younger brother of the two of them?!

The bullet comments were already filled with laughter:

[The love between brother and sister is instantly broken.]

[I'm dying of laughter. When Shi Xi saw Chu Yuan, she instantly transformed into a little fangirl. She didn't care about Li Jinfan's thoughts at all.]

[I guess she forgot all about the agreement just now. Hahaha, the little puppy is so miserable.]

[Although, that's Chu Yuan! Everyone would choose Chu Yuan, right?!]

[Only children make choices. Adults want all of them!]

Just as Shi Xi poured water for Chu Yuan, the third male guest arrived.

Compared to Chu Yuan and Li Jinfan, the third male guest looked much more ordinary, but he looked much more reliable.

Even though he was the last to appear, the male guest did not panic at all. He said, "My name is Wu Ni, I'm 28 years old, I'm currently in venture capital, I own my own business, and I have two companies. I hope that I can get along well with everyone in the following period of time."

As he spoke, he added his identity information later on: A self-made bachelor with a net worth of over 100 million.

Among the many people who appeared, only Wu Ni's introduction sounded like he was here for a blind date.

Chapter 326: Hello Junior

Perhaps it was because he had been the boss for too long that he sounded like he was in a meeting.

Feng Yingyuan looked at him a few more times and took out the red wine bottle in her hand. She asked, "Do you want to drink some?"

Wu Ni did not reject her. "Thank you."

He was the only guest who did not reject the red wine.

With the rise of the love variety shows, a simple love affair could no longer satisfy the needs of the public.

As for a celebrity love variety show, there were too many scripts. It looked fake.

Therefore, [Secret Love Exchange] invited a total of three men and three women. Among them, there were three plain people and three celebrities. They wanted to see the love affairs of celebrities x plain people, celebrities x celebrities, or plain people x plain people.

There were two male celebrities and one female celebrity. It was very interesting.

After Wu Ni poured a glass of red wine, he keenly noticed that there was no glass in front of Xu Ziqing. He asked politely, "Do you want red wine or plain water?"

Xu Ziqing smiled sweetly. "Plain water is fine, thank you."

Wu Ni went to help Xu Ziqing pour a glass of plain water and placed it in front of her.

This action caused countless guesses.

[The third male is so considerate. Although he was the last to arrive, the only one who noticed that Xiao Qing didn't have any water to drink. (he didn't mean to step on the other guests)]

[So hilarious. Shi Xi said that she would go to the kitchen to pour the water herself. Feng Yingyuan asked her if she wanted to drink red wine, but Miss Xu just sat there and didn't move. Li Jinfan poured the water himself, so why should Miss Xu ask others to help her?]

This was a real-life variety show. A subtle gesture was magnified countless times by the netizens.

The six of them gathered together and introduced themselves to each other.

Shi Xi, 18 years old, a new artist, studying at Haicheng University.

Li Jinfan, 18 years old, a member of NBH, studying at Yanjing University.

Chu Yuan, 25 years old, the youngest three-time Best Actor in history, a popular artist.

Feng Yingyuan was 27 years old. She was a lawyer and had opened her own law firm.

Xu Ziqing was 25 years old. She had returned from overseas and was now an executive in a foreign company.

Wu Ni was 28 years old. He was a venture capitalist and had two companies under his name. He was worth over 100 million yuan.

When the profiles of the six people were listed, the bullet screen was filled with envy.

No matter who it was, they were all outstanding in their industry.

Feng Yingyuan held the bottle and looked at Shi Xi from afar. "Hello, Junior. I graduated from Hai University too."

Shi Xi smiled. "Hello, Senior."

But don't drink too much!

Are all lawyers this addicted to alcohol?

Wu Ni looked at Xu Ziqing and asked, "Where did you study?"

Xu Ziqing smiled and said, "I studied at Sydney University for two years."

"What a coincidence. I graduated from Sydney University." Wu Ni stretched out his hand and said, "I didn't expect that we were schoolmates!"

Xu Ziqing smiled and shook his hand lightly.

Li Jinfan looked at Chu Yuan and asked, "Which school did Brother Chu graduate from?"

Chu Yuan said, "I studied acting at the Yanjing Film Academy."

Li Jinfan said regretfully, "We can be considered to have gone to the same school in Yanjing."

After everyone chatted for a while, it was time to choose the rooms.

Shi Xi held the card and read, "There are four rooms upstairs, two single rooms and two double rooms."

"We will draw lots to choose the rooms that you will be staying in."

Li Jinfan raised his hand and asked, "What if the double rooms are drawn by a male guest and a female guest?"

Shi Xi looked at Li Jinfan like she was looking at a fool and said, "Separate the male and female guests."

Li Jinfan: "..."

His IQ must have been fed to the dogs.

He was clearly quite smart.

*

The rooms were quickly divided up. Shi Xi could tell that the program team was definitely not intentionally biased toward her.

Chapter 327: The Little Tail Wagged In An Instant

It was because she wanted to live alone, but she got a double room.

With Xu Ziqing.

On the female guest's side, the alcoholic Feng Yingyuan lived alone.

Shi Xi was very worried that this drunkard senior sister would drink herself to death and no one would notice.

On the male guest's side, Chu Yuan and Li Jinfan stayed in a double room, while Wu Ni got a single room.

The comments were all over the place.

[When love rivals meet, their eyes turn red with envy.]

[Draw your sword!]

[This group is so interesting. Chu Yuan and Li Jinfan are both artistes, so there will definitely be some stories. Shi Xi is a straight woman, and Miss Xu feels like a green tea. The female dormitory will definitely be restless.]

[Fast-forward to the sisterly chat at night!]

Of course, it wouldn't fast-forward so much.

Shi Xi moved her things to the double room.

Thankfully, the double room was very spacious. There were two beds, two tables, and two wardrobes.

Shi Xi put her things away.

Xu Ziqing was also packing up when she suddenly asked, "Do you like Best Actor Chu?"

"Ah?" Shi Xi came back to her senses. "What did you say just now?"

"I said, do you like Best Actor Chu?" Xu Ziqing probed.

Shi Xi thought for a moment and said, "It's more like respect for senior."

Xu Ziqing slowly put down her makeup and said, "You girls should like a more stable man like Wu Ni, right?"

"I like a man who is too different from me in age." Shi Xi thought that Chu Yuan was a little different.

"Then you like Li Jinfan?" Xu Ziqing's eyes lit up with the light of gossip.

"He's younger than me." Shi Xi asked back, "Among these male guests, which one do you like the most?"

Xu Ziqing said, "In terms of looks, Best Actor Chu is the most handsome. Wu Ni is more considerate, but Li Jinfan is too young."

Shi Xi and Li Jinfan came to participate in the love variety show, and it was like playing house.

Shi Xi smiled and said, "It's not bad for a brother-sister relationship!"

"Then he's too much younger than me!"

As the two of them gossiped, they gradually understood each other's preferences.

After packing their things, the two of them went downstairs to prepare lunch.

The ingredients were prepared by the program team. They had all kinds of pots and pans. All they needed to do was to cook a meal that could be eaten.

Shi Xi said, "Let me say this first. I don't know how to cook. I can wash and cut vegetables."

Xu Ziqing smiled sweetly. "I'll do it. You go and call Sister Feng. She should know how to cook too."

Shi Xi: '...Sister Feng. I keep feeling like I'm getting too old to call her that.'

It was as if she was calling her big sister.

Li Jinfan came down from upstairs and happened to meet Shi Xi. His little tail instantly wagged. "What does Sister Xi want to do?"

"Look for Sister Feng and ask her if she knows how to cook," Shi Xi said.

“I passed by her room just now and saw that she was sleeping. She must have drunk too much,” Li Jinfan said. “I’m going to ask Brother Chu and Brother Wu if they know how to cook.”

As the youngest guest on the show, there were brothers and sisters everywhere.

Bullet comments: [Miss Xu is so good. She only asks girls if they know how to cook. She never thought of asking boys.]

[Two of them are artistes, and one is the CEO of the company. I don’t think they know how to cook, right? What did Xiao Qing do to deserve being scolded? Can’t girls be less hostile to girls?]

[Xiao Qing is well-versed in the hall and well-versed in the kitchen. She’s the most suitable girl for love. I thought everyone would like Xiao Qing, but I didn’t expect so many people to talk about her green tea.]

[Huh? I only said that she knows how to do it, but why are so many people jumping out to defend her? I can’t tell that she’s green tea, so I’ll say less. Let’s wait and see.]

Li Jinfan went to ask the other two people, and Chu Yuan and Wu Ni both said that they knew how to cook.

So, everyone gathered in the kitchen.

Chapter 328: Hu Hu

While they were in the kitchen, Xu Ziqing conveniently asked them about their preferences. “What do you guys want to eat for lunch?”

“Just eat whatever you have. I’m not picky,” Wu Ni was the first to express his stance.

Although there were quite a number of ingredients in the fridge, there were six of them in total. One meal would probably be enough to eat half of it.

Xu Ziqing patted Wu Ni’s arm. “Then I’ll just make whatever I want. Help me take out the meat from the fridge.”

This action was magnified by the camera, allowing the love experts in the observation room to interpret it.

[This is a girl’s trick. Just a light pat on your arm and she’ll purposely have physical contact with you to lessen the distance between you.]

[Looks like Xiao Qing likes Wu Ni!]

And the comments on the bullet screen were even more vicious. [There are only three male guests in total. Li Jinfan and Chu Yuan are both artistes, so the chances of them successfully holding hands are zero. Wu Ni has his own company, so she will definitely choose Wu Ni first!]

[The show is a love battle between two innocent celebrities. I really want to see Shi Xi and Li Jinfan’s interaction!]

On the other side, Li Jinfan followed behind Shi Xi, watching what she was doing.

Shi Xi asked Chu Yuan, "Brother Chu, do you want to wash this? What else do you want to wash?"

Three people, two single arrows.

The audience loved to watch this kind of threesome. They even silently shouted in their hearts, 'Fight! Fight!'

Shi Xi asked Chu Yuan about his recent arrangements and also complimented him on his cooking skills. "Boys nowadays rarely know how to cook."

"I live alone and occasionally cook by myself." Chu Yuan fried sweet and sour pork ribs and picked up a piece and placed it in a bowl. He said, "Try the saltiness."

Shi Xi ate the pork ribs and her eyes curved into a smile. "It's just right. It's very delicious!"

Li Jinfan watched from the side and the smile on his face could no longer be maintained.

Wasn't it just that he knew how to cook?!

What was so great about it?!!

With his mind wandering, he stopped cutting the vegetables and cut his finger.

"Hiss—"

Li Jinfan hurriedly withdrew his hand.

"What's wrong?" Shi Xi turned her head and saw Li Jinfan's bleeding wound. "Did you cut your finger?"

"It's just a small wound. It's fine." Li Jinfan placed his finger under the water and rinsed it. "I'll just find a band-aid and apply it."

"The medical kit is under the coffee table. Xi Xi, go get it and disinfect it while you're at it." Chu Yuan said, "The dishes have been washed. Leave the rest to us."

Shi Xi still wanted to stay in the kitchen for a while, but when she saw Li Jinfan's hand, she could only say, "Alright."

The equipment in the villa was complete. Shi Xi found the medical kit and stuck a band-aid on his finger.

Li Jinfan kept looking at Shi Xi, and his eyes could not help but smile. "Thank you, Sister Xi."

"No need to thank me. Just be careful next time." After Shi Xi stuck the band-aid on his finger, she even huffed twice. "It doesn't hurt."

Li Jinfan's eyes lit up even more.

The observation room was filled with exclamations. [Although Jinfan was injured, he won Shi Xi's heart.]

[Shi Xi is really gentle. When she bandaged Jinfan seriously, she was like an angel. Especially when she huffed and puffed. If I were a man, I would have fallen into it too.]

[Jinfan has fallen into it already, right?]

[But Shi Xi doesn't seem to have realized Jinfan's intentions. She has been looking for an opportunity to talk to Chu Yuan.]

[Let's see who Chu Yuan is more interested in!]

In a harmonious and warm atmosphere, the camera took some time to focus on Feng Yingyuan in the room. After drinking a bottle of red wine, she fell asleep.

Feng Yingyuan was only woken up once it reached the time to eat and went downstairs in a daze.

Chapter 329: Reality TV Shows Are So Good. I Love Reality TV Shows

Seeing Feng Yingyuan coming down, Xu Ziqing smiled and said, "I don't know what you like to eat, so I just made some. Do you have any dietary restrictions?"

Feng Yingyuan shook her head and said, "I don't have any dietary restrictions. As long as I can eat it."

Xu Ziqing exchanged a few pleasantries with Feng Yingyuan before she stopped talking to Feng Yingyuan. Instead, she went to talk to Wu Ni.

After the short interlude of cooking, Xu Ziqing and Wu Ni became familiar with each other. The two of them had a common topic and were very intimate when they chatted and laughed.

After eating, Feng Yingyuan, who did not cook, consciously cleared the dishes. Fortunately, there was a dishwasher in the villa. As long as it was put in, it would be fine.

The program team told everyone that they could go out to buy things in the afternoon and buy some ingredients at the same time.

However, the program team only gave them a single car.

In other words, only four people could go shopping.

Shi Xi said, "Then I'll stay. It just so happens that I'll take a break for lunch."

This was a chance to laze around in the open!

Li Jinfan saw that Shi Xi wasn't going out, so he said, "Then I'll stay too. My hand is injured and I can't carry anything."

Shi Xi said, "Your finger is only a little injured. It won't delay you from carrying things."

Li Jinfan began to feign pain. "Ten fingers linked to the heart!"

Shi Xi was speechless.

Xu Ziqing said, "Then just the three of us will go to the supermarket? How about it?"

Shi Xi looked at Feng Yingyuan in the kitchen. "Aren't you going to ask Sister Feng?"

Xu Ziqing smiled and said, "Sister Feng has drunk so much wine. Let her stay here and rest."

As she said that, Feng Yingyuan just finished packing and walked over. She asked, “What are you guys talking about?”

Shi Xi: “They’re going out to buy something. Do you want to go?”

Feng Yingyuan: “Sure, I’ll buy some wine along the way.”

After a few simple conversations, it was a bloodbath.

[Xu Ziqing wanted to go to the supermarket with the two male guests. She didn’t even think of bringing Sister Wine with her, right? She didn’t even ask her.]

[Sister Wine drank when she arrived. Now that she’s going to buy wine, she doesn’t seem to have any romantic thoughts at all.]

[Can’t the program team find some normal people when they’re looking for female guests?]

[F*ck, they’re all gone, so only Li Jinfan and Shi Xi are left! Ahhh, my Xi Fan CP!!]

After everyone left, Li Jinfan was delighted.

It was their time together!

“I’m going upstairs to sleep for a while. Good afternoon.” Shi Xi went upstairs directly and started fishing with pay. Oh no, a paid nap.

Reality shows were really good. She liked reality shows!

She wouldn’t mind having a few more of such variety shows!

Wasn’t this easier than acting?

When Shi Xi lay on the bed, she only felt that the world had become peaceful and warm.

How long had it been since she had a good nap?

Li Jinfan, who was downstairs, collapsed on the sofa. After thinking about life for a few minutes, he finally went upstairs to take a nap.

He couldn’t do much by himself.

*

On the other side.

The four people who went out to shop dispersed after entering the supermarket.

Feng Yingyuan went to buy wine while the other three went to buy vegetables.

When they reached the aquatic products area, Xu Ziqing looked at the shrimps and crabs inside and said, “I haven’t eaten shrimps in a long time. I want to eat jiwei shrimps and crabs.”

Wu Ni only said one word, “Buy.”

Xu Ziqing went to get a small net to fish for them.

Chu Yuan thought of something and said, "Shi Xi is allergic to seafood."

"It doesn't matter. We'll eat these. She can eat separately." Wu Ni said, "There are five of us, and she's only one person."

What Wu Ni said made sense, so Chu Yuan did not say anything else.

After buying a bunch of seafood, Xu Ziqing was very satisfied.

Chu Yuan went to buy some vegetables and fish, ready to cook a single dish for Shi Xi.

Feng Yingyuan bought a box of red wine and some milk snacks along the way.

Chapter 330: This Is What An Adult Should Be Like

On the way back, Wu Ni and Feng Yingyuan chatted for a while. Wu Ni was a venture capitalist and Feng Yingyuan was a lawyer. The two of them discussed the company they had worked with before. After a few more words, Xu Ziqing was a little unhappy.

Xu Ziqing sat in the back seat with her eyes closed, pretending to be asleep.

Wu Ni saw Xu Ziqing sleeping through the rearview mirror. He was so considerate that he stopped talking.

Xu Ziqing was pretending to be asleep, but the car was swaying. She really fell asleep.

It was not until the car stopped that she woke up. She said in a daze, "Oh? We're here?"

"Yes, you slept the whole way," Wu Ni said with a smile.

Xu Ziqing said apologetically, "I'm sorry. I was a little sleepy. I didn't know when I fell asleep."

Feng Yingyuan gave Xu Ziqing a meaningful look and got out of the car.

When they entered the apartment, everyone smelled a fragrant smell.

Li Jinfan took out the bun from the oven and said, "You came back just in time. I made some buns and brewed milk tea."

Xu Ziqing went forward in surprise. "It smells so good. I was just hungry."

Li Jinfan originally wanted to have afternoon tea alone with Shi Xi, but he didn't expect so many people.

Fortunately, he had baked enough buns.

Xu Ziqing ate the buns and sized up Shi Xi.

After Shi Xi woke up from her afternoon nap, she changed her clothes and braided her hair.

It wasn't easy to be an exquisite female artiste.

"I'm done eating." Xu Ziqing ate one and let go. "I'm going upstairs to wash my face."

She said she was going to wash her face, but she was actually going to touch up her makeup. She also changed her clothes and even changed into a necklace and earrings.

When the people in the Love Observation Room saw this, they all commented that Xu Ziqing was very scheming.

And now, it seemed that Xu Ziqing and Wu Ni's relationship progressed the fastest.

Although Xu Ziqing was a little scheming, which caused some people to be dissatisfied, most people were prepared to memorize Xu Ziqing's tricks and address her as Master of Love.

In the blink of an eye, it was time to prepare dinner.

Shi Xi looked at the pile of seafood and frowned.

Was there nothing that she could eat?

"Seafood for dinner?" Feng Yingyuan went into the kitchen and opened a bottle of wine for herself.

"Yeah." Wu Ni was processing the shrimp when he looked at Feng Yingyuan with a hint of surprise in his eyes.

Feng Yingyuan saw that the two female guests had changed their clothes, so she went to change her clothes and touch up her makeup.

Her red lips were enchanting, and her long black dress accentuated the figure of a mature woman. Her long and bright earrings added a hint of elegance and charm.

A female guest who could be on the program naturally had good looks.

Just a little dressing up was enough to amaze everyone.

The comments on the bullet screen regarding Feng Yingyuan also changed one after another:

[Sister Wine is so beautiful!]

Feng Yingyuan had been drinking ever since she appeared, and the netizens gave her the name 'Sister Wine'.

[Sister, I can do it! I can do it!]

[This is what an adult should be like. I really want to see Sister Wine fall in love. She will definitely get on base eight times faster.]

[Brother Wu is already dumbfounded. Ah, Wu Ni, don't you remember your Xiao Qing?!]

Wu Ni obviously did not remember. He looked at Feng Yingyuan with admiration in his eyes. "What do you want to eat?"

After Feng Yingyuan opened the glass of wine, she poured herself half a glass. Shaking the red wine glass, she said, "Anything is fine. I'm not picky about food."

Wu Ni advised, "Drink less wine. It's not good for your body."

Feng Yingyuan leaned against the table and leaned forward. "Why? Are you concerned about me?"

"Yeah." Wu Ni did not try to hide it.

The distance between the two of them was reduced to only the distance of a wine glass.

The observation team and the netizens were shocked. They did not expect that there would be signs of this pair!

A six-person love game. Two of them in a threesome.
