

The Fake 351

Chapter 351: Xi Xi's Biological Parents Were Both From the Countryside, And They Sold Crabs

The bullet comments were filled with laughter, but at the same time, they were also extremely envious.

[How can I eat as much as Shi Xi and be as thin as her?]

[Female geese should eat less! One bowl is enough!]

[Shi Xi eats so much, why doesn't she get fat?]

[...]

"Oh, right. I remember that this place is very close to Xi Xi's house." Nan Wan suddenly mentioned it and looked at Shi Xi. She asked with a smile, "Am I right?"

Shi Xi smiled. "You're wrong."

"That's impossible. I'm sure I'm right." Nan Wan had specially checked before she came and introduced her to the others. "Xi Xi and another girl were carried by the wrong person. Xi Xi's biological parents are both from the countryside, and they sell crabs."

"I'm also from the countryside," Pei Jie said lightly. "Also, the crabs we ate were given to us by Teacher Shi Xi's parents."

Nan Wan was still eating the crab legs, and her smile instantly froze.

Old Man Zhuang Xuan was smart. He laughed and said, "I also came from the countryside, but at that time, I didn't think about farming crabs. I just fished some fish and prawns out of the water."

Nan Wan poked at her bowl and suggested, "How about this? Xi Xi, bring us to your house tomorrow. What do you think?"

Shi Xi said, "It's nothing much."

Nan Wan looked forward to it. "But we want to go and have a look."

Shi Xi looked at Mu Zhao. "Do you want to go?"

Mu Zhao: Actually, I do. After all, it's also Ning Yu's house.

"Didn't we agree to pick mushrooms tomorrow?" Mu Zhao smiled awkwardly.

"But I want to go to Xi Xi's house to take a look!" Nan Wan insisted.

Shi Xi: "Think about it."

Nan Wan wanted to say something else, but was interrupted by Zhuang Xuan.

"If you want to go and see it, you can wait until the program is finished recording and watch it by yourself." Zhuang Xuan had been in the entertainment industry for many years and could see through Nan Wan's thoughts at a glance.

Nan Wan wanted to mock Shi Xi's background.

Shi Xi smiled faintly. "After the program is recorded, I can go home to take a look. Do you want to come with me?"

Nan Wan instantly did not want to go. "There's no need."

Shi Xi shrugged nonchalantly.

When they were about to finish eating, Mu Zhao put down her bowl. "I'm going out for a while."

After a while, Nan Wan clutched her stomach. "My stomach hurts a little. Excuse me."

The two girls disappeared in an instant.

Shi Xi was drinking lotus seed soup and was a little confused.

However, since the food was in front of her, she didn't care anymore.

Zhuang Xuan looked over and asked, "Won't your manager let you control your diet?"

Among female celebrities, Shi Xi ate a little too much.

"He's not here today." Shi Xi picked up a piece of red braised pork for her family and said, "Please delete the part where I add rice in the later stages, and don't let my manager see it."

Zhuang Xuan asked, "What about the part where you add meat?"

The camera zoomed in. Shi Xi picked up a piece of red braised pork that was so juicy and translucent that it made people drool.

Shi Xi paused for a moment. "It's just a piece of meat. It won't make you fat... right?"

Pei Jie said from the side, "Teacher Shi Xi isn't fat."

Shi Xi ate the piece of red braised pork with peace of mind.

Zhuang Xuan wanted to say something else, but he felt a little uncomfortable and said, "My stomach hurts a little."

Pei Jie stood up. "I'll go get the medicine."

Zhuang Xuan said, "Okay, it's in my room. Help me get the stomach medicine."

Shi Xi put down her bowl and chopsticks. "I'll get a cup of hot water."

When Shi Xi returned with the hot water, Mu Zhao returned and said weakly, "I don't feel right."

"What's wrong?" Shi Xi placed the hot water in front of Zhuang Xuan and asked Mu Zhao, "Do you want to take some medicine too?"

"Is there any medicine that can treat both stomachache and stomach pain at the same time?" Mu Zhao sat down, her face extremely pale.

Chapter 352: The Guy Who Forgot What He Ate With

“Are you on your period?” Shi Xi asked softly.

Mu Zhao shook her head. She was in so much pain that she couldn’t speak.

Pei Jie happened to take the medicine downstairs and said, “Brother Zhuang, I took a look at your medicine. It’s already expired.”

Zhuang Xuan said in disbelief, “I was still taking it yesterday.”

Pei Jie took the medicine. “It says that it expired half a year ago.”

Shi Xi asked, “Didn’t you check the date before you took the medicine?”

Zhuang Xuan clutched his stomach and said sadly, “I remember that the medicine didn’t expire. It was manufactured half a year ago! It has a shelf life of two years!”

Pei Jie said, “You’re mistaken. It has a shelf life of half a year ago.”

Zhuang Xuan thought of something and said, “I was wondering how I could have bought the medicine from half a year ago last year!”

Shi Xi suggested, “Why don’t we go to the hospital?”

Seeing that the two of them were not feeling well, the director nodded in agreement and told them to go to the hospital.

Pei Jie made a call and said, “The ambulance will take four hours to arrive.”

Shi Xi asked, “What If we drive to the hospital?”

“It’s not about the car,” Pei Jie said. “Even if we think of the nearest hospital, it will still take four hours.”

The recording location was near Long Quan Village.

It was close to the mountains and rivers, far away from the hustle and bustle of the city.

Shi Xi said helplessly, “Then go to the town and find a hospital or a clinic nearby.”

Zhuang Xuan was the first to voice his doubts. “Can it be trusted? It can’t be a black-hearted clinic, right?”

Shi Xi thought of something and took out her phone. “My dad just opened a clinic. I’ll get him to come over and take a look.”

Nan Wan came in from outside and said weakly, “I think I’m suffering from food poisoning. Hurry up and call the doctor.”

Shi Xi looked at Pei Jie. “Why are you alright?”

“My body is fine,” Pei Jie said. “Why are you alright?”

Shi Xi looked at the leftovers in front of her. “Is it because of the crabs?”

Pei Jie replied, "But I also ate the crabs."

Shi Xi dialed Father Ning's number and said, "I'll get my dad to come over and take a look first."

The call was quickly picked up.

Father Ning asked, "Xi Xi, what's the matter?"

Shi Xi recounted the symptoms of her friends.

"Did you eat something that countered crabs?" Father Ning asked, "Did you eat it with persimmons?"

Shi Xi swept her gaze over. "We didn't eat any persimmons! I only ate some ribs, braised pork, tofu, and lotus seed soup."

Father Ning: "From the symptoms you mentioned, I think you ate the wrong thing. It'll be fine after a good night's sleep."

Shi Xi started to doubt Father Ning's medical skills. "They're in a lot of pain. Can you come over and take a look?"

Father Ning: "Give me the address. I'll be there right away."

"Bring Ning Yu along." Shi Xi thought of Ning Yu's godly doctor vest and reminded him, "And your medical kit."

Father Ning: "..."

He wasn't so muddle-headed that he forgot about what he relied on to eat.

Father Ning hung up the phone and prepared to go take a look.

"Where are you going?" Mother Ning asked in confusion.

"Xi Xi's friends are sick. I'm going to take a look." Father Ning put on his coat and took the car keys.

Mother Ning said, "Bring some hairy crabs over."

Father Ning: "Okay."

When he was carrying the crabs out, he happened to bump into Ning Yu.

Ning Yu asked casually, "Where are you going?"

"Xi Xi's friends are sick. I'm going to take a look," Father Ning said. "And bring some hairy crabs along."

"You're not bringing your medical kit?" Ning Yu reminded him expressionlessly.

Father Ning said, "Aiya, I forgot that I'm going to see them as a doctor!"

He had really forgotten what he relied on to eat with.

Ning Yu, helpless, picked up Father Ning's medical box. "I'll go with you."

Chapter 353: I Don't Want To Die At the Hands of This Quack!!!

Father Ning thought of something and said, "It just so happens that Xi Xi wants you to go over."

"She wants me to go over? Why?" Ning Yu didn't understand.

"Maybe she misses you?" Father Ning guessed.

When Mother Ning heard that, she said, "Then I'll go and take a look too. I haven't seen Xi Xi for a long time. She seems to have lost weight again."

"I'm going to see them as a doctor. How does it look like if the whole family goes?" Father Ning straightened his back.

Ning Yu said, "Let's set off before the patient dies."

Father Ning sighed.

He only wanted to sell hairy crabs.

It was much more profitable than being a doctor.

*

When they reached the small wooden house, Father Ning took out his stethoscope and prepared to see the patients one by one.

Ning Yu's gaze swept across the dining table and scooped some lotus seed soup.

Shi Xi said, "Do you want to drink it? There's still some in the pot. I'll fill a bowl for you."

Ning Yu: "...I'm not hungry."

"The braised pork is also very delicious! Try one!" Shi Xi strongly recommended.

"I'm just looking at what you guys ate." Ning Yu looked at Shi Xi and added, "To see if there's any food that goes against the crab."

"Is that so?" Shi Xi asked, "Is there?"

Ning Yu said, "The crabs can't be eaten with lotus seeds and peanuts. They're all in the lotus seed soup."

Shi Xi heaved a sigh of relief.

Luckily, she was allergic to seafood and didn't eat those.

She looked at Pei Jie.

Pei Jie said, "I don't like sweet food."

He had also escaped death.

"But they didn't eat much. Why does it hurt so much?" Shi Xi asked in puzzlement.

“They’re not feeling well.” Ning Yu walked up to Mu Zhao first and pressed on a few acupuncture points on her arm.

Mu Zhao’s expression eased up a lot. “Thank you.”

Ning Yu said, “No need to thank me. It’s only temporary pain relief. I’ll prescribe you some medicine.”

Father Ning was listening to Zhuang Xuan for a while before saying, “I’ll prescribe you some pain relief medicine.”

Zhuang Xuan said, “I have a stomachache.”

“I know.” Father Ning said, “I forgot to bring the stomach medicine.”

Zhuang Xuan: ?

Help!

Send me to the hospital!!

I don’t want to die at the hands of this quack!!!

Ning Yu took the medicine for Mu Zhao and let her eat it. Mu Zhao looked much better.

“The antidiarrheal medicine won’t take effect so quickly,” Ning Yu said, “So diarrhea is a normal phenomenon. Just take the medicine again tomorrow morning.”

Mu Zhao leaned against the back of her chair, feeling hopeless.

Father Ning pulled on the medicine box. “Eh? Did I bring the stomach medicine?”

“I saw that the one in the medicine box was used up, so I replenished it,” Ning Yu said from the side. “He’ll be fine after taking some stomach medicine. He doesn’t need to take any painkillers.”

Zhuang Xuan took the medicine and asked suspiciously, “Can it really be taken?”

Shi Xi said, “Or you can wait for the ambulance in four hours.”

Pei Jie said seriously, “There’s still three and a half hours.”

Zhuang Xuan closed his eyes and took the medicine.

It was Nan Wan’s turn.

Ning Yu did not have a good impression of Nan Wan. She closed the medical kit and said, “Dad, it’s time to go back.”

“There’s still a patient,” Father Ning said.

Ning Yu’s eyes were cold.

Shi Xi sighed in his heart. Father Ning’s eyes were too good.

“I don’t want to see them as a doctor!” Nan Wan was very strong-willed. She gritted her teeth and said, “I’d rather die here than take their medicine!”

Ning Yu said, "Let's go."

Father Ning had been a doctor for many years. He had seen all kinds of weaklings. He walked up and asked, "Where exactly does it hurt?"

"Do you have a medical license?" Nan Wan asked in return.

"I have a clinic." Father Ning did not answer directly.

"You don't even have a medical license, and you dare to come out as a doctor?!" Nan Wan said word by word. "I want to wait for the ambulance!"

Chapter 354: Aren't You Afraid That You've Taken the Wrong Medicine

Father Ning was benevolent and said, "Young lady, don't go against your own body. Let me take a look at you."

Nan Wan said in disdain, "Get lost! Don't touch me with your dirty hands!"

Ning Yu's eyes were cold. "Dad, let's go."

The director hurriedly went forward to stop her and pressed on the medical box. "No, no, no. She has a childish temper. Please be magnanimous and let him have a look."

Zhuang Xuan and Mu Zhao were no longer in pain. Only Nan Wan was still clenching her teeth and waiting for the ambulance to arrive.

Ning Yu chuckled. "She already said that she won't let us have a look. Just wait for the ambulance."

The director smiled apologetically. "Little sister, don't be angry."

Nan Wan clutched her stomach and gritted her teeth. "I don't need it! Also, this crab was sold by you guys. If I get sick from eating it, all of you will have to take responsibility!"

Ning Yu said coldly, "If you die, I'll give you a good urn for free."

Nan Wan was so angry that her head hurt.

The director was helpless and looked at Shi Xi. "Shi Xi, come over and persuade her! We can't let Nan Wan die here."

Shi Xi was munching on melon seeds when she heard that. "Don't worry. She just ate the wrong thing. It'll only hurt for one night."

The director: ?

Father Ning said earnestly, "Why do you have to go against your own body?"

Shi Xi continued munching on sunflower seeds. "She doesn't like to follow it. Just ignore it."

Father Ning: ...

The director's head hurt. He called for the two staff members and said, "Hold Nan Wan down and let Doctor Ning treat her."

Nan Wan could throw a tantrum. The others could watch from the sidelines, but as a director, he couldn't!

If any of the guests got into trouble on his show, he would take full responsibility.

Father Ning had a difficult time treating Nan Wan's illness and prescribing medicine for her.

Nan Wan did not want to take the medicine even if she died, but she was in too much pain. She pretended to struggle for a while and took the medicine.

After taking the medicine, Nan Wan finally calmed down. She still said fiercely, "I'll go to the hospital to have my stomach pumped later!"

The director gave Father Ning a big red packet and said, "This is the medical fee. Thank you for your hard work."

Father Ning wiped his sweat. "It's fine, it's fine. It's not hard at all. When I was delivering the babies to the cows in the village, it was even more torturous!"

The director: "...I'll get someone to send you back."

Father Ning: "No need. I drove here."

The director sent Father Ning out and saw Father Ning's tricycle.

"Oh right, I also brought a few crabs for you to eat tomorrow." Father Ning instructed, "Ning Yu, put the crabs down."

The director's face was full of rejection. "Don't bother. I reckon they won't want to eat crabs for a while."

Father Ning said warmly, "I'm giving them to you to eat! Look at all of you working so hard. Why aren't you off work at night?"

On the other side, Ning Yu put away her things and prepared to leave.

Shi Xi asked, "Why are you back? Aren't you at school?"

"I came back during the holidays." Ning Yu looked at Shi Xi indifferently. "Are you alright?"

"I'm allergic to seafood, so I didn't eat the crab. I was lucky enough to escape a calamity." Shi Xi shrugged.

Ning Yu turned around and said confidently, "I'm leaving."

Shi Xi looked at Ning Yu's departing back and heaved a sigh of relief in her heart.

She didn't know why, but every time she saw Ning Yu, she would always feel a little afraid.

Ning Yu didn't do anything to her either.

After Father Ning and Ning Yu left, everyone present had mostly recovered. Even Nan Wan didn't scream anymore.

It was probably because she was tired from shouting.

The director waved his hand, indicating that they were done with work.

Nan Wan insisted on waiting for the ambulance.

The director couldn't change her mind, so he could only let her go.

Nan Wan looked at the others. "Aren't you afraid that you've taken the wrong medicine?"

Chapter 355: Love Group

Mu Zhao was no longer in pain. She was still helping to clean up the dishes and said, "He's been a doctor for decades. How could he prescribe the wrong medicine?"

Nan Wan cursed in her heart and looked at Zhuang Xuan. "Brother Zhuang, shall we go to the hospital for a checkup together?"

Zhuang Xuan leaned back in his chair and smacked his lips. "I think it's nothing. I'm just a little sleepy."

"It's normal to feel sleepy after taking the medicine. Brother Zhuang, you should rest early. Pei Jie and I will clean up," Shi Xi said.

"Thank you for your hard work. I'll be going upstairs first." Zhuang Xuan went straight upstairs.

Nan Wan was the only one who was still persisting.

The staff had all packed up their equipment and were ready to leave work.

The director said to Nan Wan, "If you want to wait for the ambulance, you can wait for it yourself. If there's nothing else, I'll call the ambulance to go back now."

Nan Wan gritted her teeth. "I'll continue waiting!"

The director said, "Alright, we'll start recording at 9 tomorrow. It'll be fine if you come back before 9."

Nan Wan asked, "What if I don't come back? I might have to be hospitalized."

"Then we won't record you," the director said straightforwardly.

Nan Wan was stunned.

On the other side, Shi Xi said to Mu Zhao, "Go upstairs and rest. Pei Jie and I will pack up."

After Mu Zhao took the medicine, she did not feel much pain, but she was still weak.

Hearing this, Mu Zhao did not decline. "Alright, thank you."

"It's alright." Shi Xi put away the dishes. "Pei Jie, come and wash the dishes."

Pei Jie was speechless.

“You wash the dishes, and I sweep the floor.” Shi Xi felt that the distribution was very fair.

The staff had already left, and Nan Wan did not have the energy to put on an act. She huffed angrily and said, “Shi Xi, you deliberately poisoned our food, right?”

Shi Xi swept her gaze across the floor, speechless. She said, “You ate food that countered each other. That’s why you’re like this. You were the ones who went to pick the lotus seeds. If you didn’t go to pick the lotus seeds, how could you cook lotus seed and peanut soup? How could you be like this?”

Shi Xi was not used to this Young Miss Nan Wan.

After packing up, Shi Xi and Pei Jie went upstairs to get ready to rest.

Nan Wan was the only one left.

Nan Wan was stubborn and waited for the ambulance to arrive.

However, by then, the effects of the drug had kicked in and she was fine.

Nan Wan strongly requested for a checkup before she boarded the ambulance and left.

Naturally, the program team did not broadcast this.

In fact, from the moment they ate and had abdominal pain, the director had asked them to cut this out later on.

*

Shi Xi went back to her room to rest and received a series of messages.

She turned on her phone and found that she had been pulled into a [Love Group].

There were a few members of the [Love Group] gathered together and chatted with each other.

Shi Xi glanced at the chat. Most of the time, it was Wu Ni and Sister Qing Qing who were talking, while Chu Yuan would occasionally say a few words.

There weren’t any useful messages.

But it could be seen that they were chatting enthusiastically. They even planned to go out to play together.

Shi Xi wasn’t interested in this at all.

Just as she was about to turn off her phone, Shi Xi received a message from Xie Yunzhou.

Xie Yunzhou: [How was the recording?]

Shi Xi replied: [It was alright. It was quite fun.]

Xie Yunzhou: [This variety show is lacking a permanent resident. If you like it, you can stay here forever.]

Stay in this remote village where you could only enter the city after sitting there for four hours?

Shi Xi declined Xie Yunzhou's invitation and replied, [There's no need. I still have to go back and study the script.]

She would rather be embarrassed in love variety shows than be a permanent guest here.

Looking at Pei Jie's work content, she could guess that staying here was probably to burn the fire and wash the dishes.

It was not easy to make money. Xi Xi sighed.

Chapter 356: Had a Vase

The next morning, Shi Xi had just come downstairs when she smelled the fragrance.

Mu Zhao brought out the breakfast that had been prepared and said with a smile, "Just in time for breakfast."

There were egg cakes, millet porridge, vegetable boxes, and fried eggs on the table.

Shi Xi was surprised. "Did you make all these?"

"I made them together with Brother Zhuang." Mu Zhao was virtuous and modest.

Yesterday, she realized that she had not done much, so she got up early in the morning to get busy.

After Shi Xi sat down, she swept her gaze around and asked, "Where's Nan Wan?"

Zhuang Xuan said, "She's still at the hospital."

Mu Zhao was puzzled. "Didn't she take the medicine yesterday? Why did she still go to the hospital?"

Zhuang Xuan shrugged. "Who knows?"

The program might be less fun if there was one less person to record it.

But if it was Nan Wan who was missing, they wouldn't mind.

*

After happily recording the show, Shi Xi went to Long Quan Village. She hadn't seen the Ning parents for a long time, so she wanted to go back and take a look.

However, when she reached the door, the clinic's door was already closed.

Shi Xi: ...

She knew that there weren't many patients here, so they wouldn't go so far as to switch to selling crabs, right?

However, she still had to continue recording [Secret Love Exchange] after this, so Shi Xi could only leave and visit the two elders next time.

*

The popularity of the first two episodes of [Secret Love Exchange] was very high, so the broadcast of the third episode undoubtedly made everyone even more excited.

After all, when the audience watched love variety shows, they wanted to see them fall in love or tear each other apart.

If they wanted to watch a variety show where the years were peaceful, they could watch [Landscape Life].

They could also see the bright and shining artistes in front of the audience who were so dejected that they couldn't light a fire even if they died.

With the excitement of eating melons, the audience clicked on the third episode of [Secret Love Exchange].

The beginning was a review of the content of the previous episode: Shi Xi bought a bunch of flowers at the flower shop and was ready to return to the car.

After the last episode was broadcast, everyone guessed that Shi Xi was buying flowers for Chu Yuan.

After all, everyone knew that Shi Xi liked Chu Yuan's adoring gaze.

After the shop assistant wrapped up the flowers, Shi Xi carried them into the car.

It was indeed a little forced to say that she was carrying them.

Nine flowers could be picked up with one hand.

Chu Yuan saw Shi Xi carrying the flowers up and turned to look at her. "The flowers are very nice."

As he said this, he was already prepared to receive them.

Yes, Chu Yuan also thought that the flowers were for him.

Shi Xi got into the car and said, "I picked these flowers carefully. I'll put them in the vase next to the bed."

Chu Yuan: ?

"You bought them for yourself?" Chu Yuan's hand froze.

"Yes, there's a vase next to my bed." Shi Xi said apologetically, "I know there's a vase in the living room too, but a big bouquet is too expensive."

I can't afford it!

"It's okay." The corner of Chu Yuan's mouth twitched. "Do you like flowers very much?"

"It's just so-so. I just wanted to put something in the vase on a whim." Shi Xi touched the petals to calm down the dissatisfaction in her heart.

Yes, she didn't like living in the same room with others.

The car started. Chu Yuan tilted his head to look at Shi Xi, feeling that he couldn't understand this girl.

She was clearly looking at him the same way as the others. They all liked him and wanted to be by his side.

But their attitudes toward him were different.

He really couldn't understand young people nowadays.

Chu Yuan couldn't figure it out, so he simply stopped thinking about it.

After returning to [Secret Love Exchange]'s apartment, Shi Xi returned with flowers and attracted everyone's attention.

"Wow, he actually bought flowers!" Xu Ziqing covered her mouth and laughed. She patted Chu Yuan's arm. "Brother Chu is so romantic!"

Chu Yuan: "...I didn't give them to her."

Chapter 357: Was Probably Because Zhu Lin Had Forgotten To Pack It

In an instant, both of them were embarrassed.

Shi Xi smiled and said, "I bought this from a florist when I passed by. I was going to put it in a vase by my bed."

"You bought flowers yourself?" Xu Ziqing covered her mouth in surprise. "I've always received flowers from others, but I've never bought flowers myself!"

"Did you receive any flowers today?" Shi Xi directly asked back.

Xu Ziqing replied, "No, I didn't."

Her date with Li Jinfan was extremely awkward.

Moreover, she could sense that Li Jinfan didn't like her, so why would he send her flowers?

Shi Xi smiled faintly. "I'll put the flowers in the vase upstairs first."

Xu Ziqing looked at Shi Xi's back and the smile on her face instantly disappeared.

What was there to be arrogant about?

After Li Jinfan found out that Shi Xi had bought the flowers herself, he immediately followed her to fetch the vase and arrange the flowers.

It was a completely different person from the perfunctory way he had treated Xu Ziqing during the day.

The last ones to return were Feng Yingyuan and Wu Ni, who had gone to the secret room escape to play.

The two adults were having a very happy time. Moreover, both of them had come here for the purpose of being in love. The relationship quickly became intimate because of the love between genders.

Feng Yingyuan and Wu Ni chatted and laughed as they entered the door. When they realized that the atmosphere in the room was not right, they stopped smiling.

When Wu Ni saw Xu Ziqing in the kitchen, he went over to help her. He asked in a low voice, "What's wrong?"

"Nothing. I just didn't receive any flowers. I was ridiculed." Xu Ziqing cut the matter to the chase. She only said the part that was most beneficial to her and began to feel wronged.

"Who ridiculed you?" Wu Ni, the flower protector, immediately disagreed. "The next time I'll buy you 999 roses. You can throw them directly at her face!"

Xu Ziqing was amused. "999 roses? Can I carry them?"

Wu Ni said, "It's okay, I'll help you carry them."

The two of them quickly mingled and prepared dinner in the kitchen.

Feng Yingyuan sat on the sofa and poured herself a glass of water, drinking it slowly.

She also observed the movements in the kitchen.

Wu Ni was really a mature man. He dated her during the day and chatted with Xu Ziqing at night.

NB.

Feng Yingyuan had thought that Wu Ni was very nice, but now it seemed that Wu Ni was just a playboy.

They planned to go to the beach for a barbecue at night. After some preparation, they brought the washed and cut ingredients and went to the beach.

Xu Ziqing wore a swimsuit and a long-sleeved coat that covered her thighs. She looked slim and did not expose her body, which was in line with her sweet girl style.

Feng Yingyuan was wearing a mature, hanging swimsuit. Her chest was like two big coconuts. Her waist was slim and her long legs were straight.

Shi Xi was going to wear a swimsuit, but she could not find her own swimsuit no matter how hard she tried.

Xu Ziqing urged, "Xi Xi, we're leaving soon. Aren't you going to change?"

"I can't find my swimsuit." Shi Xi was very curious. She looked through the clothes again and said, "I remembered to bring it."

"Think about it again. Where did you put it?" Xu Ziqing asked.

"Uh, my assistant packed it. But I told her to bring a swimsuit." Shi Xi looked through the clothes again and said helplessly, "Forget it, I'll just wear it casually."

Maybe Zhu Lin forgot to put on the outfit.

Shi Xi casually wore a suspenders and cardigan, plus a pair of jean shorts. Her hair was tied with a headband.

She was full of energy.

When Xu Ziqing saw Shi Xi's outfit, her eyes were filled with jealousy.

Why did Shi Xi look better in just a casual outfit, a casual tie of her hair, and a casual make-up?

Chapter 358: Shi Xi Liked Chu Yuan. It Was a Well-Known Fact, She Never Hid It

Xu Ziqing could not stand it any longer and said, "I'll go down and wait for you."

Shi Xi said, "Alright, I'll go down very soon."

The boys went to prepare the cars and moved the grills.

Feng Yingyuan picked two bottles of wine and prepared to bring them over to drink.

Xu Ziqing went into the kitchen and tugged at the vegetable leaves. She asked Feng Yingyuan, "What did you and Wu Ni play today?"

Feng Yingyuan replied, "Escape from the secret room."

Xu Ziqing asked, "Did you have fun?"

"It was okay." Feng Yingyuan recalled for a moment and asked, "How about you? How was your date with that little brother?"

Xu Ziqing picked up a vegetable and said, "It was okay."

Feng Yingyuan smiled and said, "That younger brother is a little cute, not as mature as Wu Ni and Chu Yuan."

Xu Ziqing sized up Feng Yingyuan and asked, "You like Wu Ni?"

Feng Yingyuan said, "It's okay."

Xu Ziqing picked a small vegetable and said, "If you don't like him, don't keep him hanging. You're like a green tea."

The originally peaceful conversation suddenly turned into gunpowder.

"You said I'm green tea?" Feng Yingyuan couldn't believe it.

"Aren't you?" Xu Ziqing stared at her with her big innocent eyes. "You don't like Wu Ni, but you still seduce him. If it's not green tea, then what is it?"

The bullet comments were shocked when they saw the two of them facing each other.

[F*ck, Sister Qing, f*ck, just tear it apart.]

[Sister Wine isn't someone to be trifled with. Go back and fight back!]

[Sister Wine, the wine glass in your hand isn't a decoration. Just pour red wine on her head!]

[I'm suddenly looking forward to it!]

Feng Yingyuan indeed wanted to pour red wine on Xu Ziqing's head, but she thought about the camera beside her and smiled politely. She held back her actions. "Is there a misunderstanding between us?"

"I don't think there's a misunderstanding." Xu Ziqing refused to communicate with her.

Shi Xi happened to come down from upstairs and said, "Sorry, I changed my clothes and was delayed for a few minutes. Are we leaving now?"

The tense atmosphere was broken. Xu Ziqing smiled and said to Shi Xi, "The boys are still moving the barbecue grill. Let's go out and have a look."

Shi Xi said, "Okay, I'll carry the ingredients."

Feng Yingyuan chuckled and followed them out with the wine.

The six of them split into two cars. Xu Ziqing and Feng Yingyuan did not get into one, avoiding the awkwardness on the road.

When they reached the beach, everyone set up the barbecue rack. The barbecue was not very technical. Anyone could play it for a while.

The few of them ate the barbecue and drank the wine. They proposed to play the game.

The most tacky and old-fashioned game: Truth or Dare.

Whoever the empty bottle turned to would choose truth or dare.

Chu Yuan said, "Let's say it first. It's just a game. We can't go too far."

Everyone nodded in agreement.

The bottle turned, and the first round turned to Chu Yuan.

Chu Yuan said, "Truth."

Xu Ziqing asked first, "Is the girl you like at the scene?"

As she asked, she also looked at Shi Xi.

The others also looked at Shi Xi in a gossipy manner. Even the camera was focused on Shi Xi's face.

After all, Shi Xi liked Chu Yuan. It was a well-known fact and she never hid it.

On the other hand, Chu Yuan was calm and magnanimous. He was very friendly to everyone and treated Shi Xi no differently.

Shi Xi gnawed on the roasted chicken feet and took the time to look at Chu Yuan.

Everyone's eyes turned to look at Shi Xi and Chu Yuan.

Even the bullet screens became nervous, afraid that the two of them would declare their love on the spot.

Chu Yuan smiled and said, "I don't have a girl that I like for the time being."

Hearing this answer, everyone who couldn't eat the melon felt bored.

Xu Ziqing looked at Shi Xi and said regretfully, "What a pity."

Chapter 359: Who Was Your First Time With? When Did It Stop?

The next round of questioning was supposed to start after the next round of questioning. The previous incident was over, but Xu Ziqing just wanted to embarrass Shi Xi.

Shi Xi said generously, "It's nothing. I admire Brother Chu more, as if he's my idol. If he likes me, I might not like him anymore."

Feng Yingyuan's mouth twitched and she asked, "There's such a situation? If you like each other, shouldn't you be together?"

"My liking for Brother Chu is more like chasing after a star." Shi Xi said, "Isn't it time for the next round?"

Chu Yuan turned the wine bottle. "Let me do it."

The wine bottle spun slowly, and the mouth of the bottle finally pointed at Wu Ni.

Wu Ni thought for a moment and said, "I'll choose dare. It'll be more exciting."

Chu Yuan said, "Kiss the first member of the opposite s*x on your left for one minute."

"Is it that big?" Shi Xi's eyes widened when she heard that. She thought to herself that she definitely could not choose dare.

"This is a game for adults." Chu Yuan looked at Wu Ni. "Can it be done?"

Wu Ni said, "As long as she agrees, I don't care."

The first member of the opposite s*x on his left was Feng Yingyuan.

Feng Yingyuan raised her wine glass and smiled charmingly. "I'll teach you a red wine kiss."

She took a sip of wine and kissed Wu Ni directly.

Shi Xi's heart had received quite a shock when she saw the kiss at such a close distance.

Especially as the two of them got closer and closer, Wu Ni's hand wrapped around Feng Yingyuan's waist.

The atmosphere instantly became heated.

Li Jinfan reached out to block Shi Xi's eyes and said, "Children are not allowed to watch."

Shi Xi was speechless. "I'm already an adult!"

Li Jinfan said, "You can't watch either."

Wu Ni and Feng Yingyuan were both adults, not celebrities. They did not avoid kissing and enjoyed this one minute kiss.

There were all kinds of blessings on the bullet screen. [This is what adults should watch!]

[I've learned how to kiss with red wine. As expected of Sister Wine. She's a seducer.]

[So it seems that Wu Ni still likes Sister Wine, right? The two of them went on a smooth date. They were so engrossed in their kiss. It would be hard to end things if they didn't get married!]

Only Xu Ziqing was unhappy about this. She asked from time to time, "One minute should be up, right?"

Chu Yuan looked at his watch. "Ten seconds left."

The dissatisfaction on Xu Ziqing's face was very obvious.

Half of the bullet comments felt sorry for her, and the other half thought that she was acting.

[What is the meaning of Xu Ziqing's expression? Does she think that others owe her? Wu Ni never said that he liked her? Instead, she eagerly went up to him and said that Sister Wine was green tea. I think she, Xu Ziqing, is the one with the most tea.]

[It was clearly Qing Qing who liked Wu Ni first. Now that she sees Wu Ni and Sister Wine kiss, she must be unhappy. Can't she be unhappy as well?]

Different viewpoints started to tear each other apart, and it became hot again.

The one-minute red wine kiss finally ended, and both of them looked at each other with a little more flirtatious eyes.

Xu Ziqing interrupted angrily, "I'll spin it."

As she spoke, Xu Ziqing had already started to spin the bottle.

Perhaps Xu Ziqing's emotions had stunned the bottle, and the bottle's mouth finally pointed at Feng Yingyuan.

Feng Yingyuan said indifferently, "I choose truth."

If it was dare, she didn't know how Xu Ziqing would tease her.

Xu Ziqing looked at Feng Yingyuan and asked, "Who was your first time with? When did it end?"

Shi Xi wanted to quit this game.

Why were both dare and truth so exciting?

She was just a poor little adult!

The bullet screen was also a question mark, thinking that Xu Ziqing's question was a bit excessive.

Chapter 360: Presents His First Kiss On Screen

[Isn't this question a little too personal? I didn't expect Xu Ziqing to be able to ask this question.]

[Just now, Chu Yuan said that they would kiss for a minute. Why can't Xu Ziqing ask this? If you can't afford it, then don't play with it.]

In the bullet screen, the two voices converged.

Feng Yingyuan was indeed an elite lawyer who came out of the storm. She narrowed her eyes and said, "The first kiss was in the small forest at school, with my first love."

Xu Ziqing gritted her teeth and said, "I'm not asking about the first kiss."

"The first time you mentioned, I thought you were asking about the first kiss." Feng Yingyuan smiled and said, "Remember to ask clearly next time."

"I'm asking about the first night." Xu Ziqing gave up.

Feng Yingyuan shrugged and said, "But I just answered your questions, and it was two questions. Now it's my turn to spin the bottle."

Xu Ziqing took a deep breath and suppressed her agitation.

But when she saw Feng Yingyuan spin the bottle, Xu Ziqing became worried again.

She was afraid that Feng Yingyuan would retaliate.

The bottle stopped and the mouth of the bottle was finally aimed at Shi Xi.

Xu Ziqing heaved a sigh of relief.

Shi Xi became nervous. She sat up straight and said, "I choose truth."

She did not want to kiss anyone here for a minute.

Feng Yingyuan thought for a moment and asked, "What is the most rebellious thing you've ever done?"

Shi Xi: "Playing truth or dare with all of you is too dangerous!"

She was a completely obedient girl!

Feng Yingyuan felt helpless and said, "Alright, next round."

Shi Xi picked up the bottle and turned it to Feng Yingyuan.

Feng Yingyuan looked at Shi Xi thoughtfully and said, "I choose dare."

Shi Xi could not think of what to do.

Xu Ziqing said from the side, "Xi Xi, let me help you think of a dare?"

Shi Xi saw the conflict between the two of them, so she naturally would not let Xu Ziqing use her as a weapon. She said, "Look at the opposite s*x on your right for ten seconds."

On Feng Yingyuan's right was Wu Ni.

"Just look at each other? Is it that simple?" Wu Ni felt that the punishment for this dare was too light.

The two of them had just kissed passionately for a whole minute!

Shi Xi: "...Then carry her and walk on the beach for a minute."

Wu Ni: "...Is this her dare or my dare?"

"You're not willing?" Shi Xi straightened her back.

She gradually felt that this game was not interesting.

It was too erotic.

Wu Ni accepted his fate and said, "Fine, fine, fine. I'll carry her."

Xu Ziqing was so angry that her eyes were red.

She had never suffered such a huge loss before!

Wu Ni carried Feng Yingyuan on his back and walked barefoot on the beach.

From afar, the two of them were filming the scene. Behind them was the sea, and the effect was very good.

It was an intimate scene.

Xu Ziqing got up and said unhappily, "I'm not playing anymore. I'll go grill some more meat to eat."

They had already eaten their fill before they sat down to play the game.

They had originally wanted to promote their mutual understanding, but in the end, everyone was trying to set up Wu Ni and Feng Yingyuan.

Xu Ziqing was naturally angry about this and immediately waved her hand, not wanting to continue playing.

Li Jinfan said regretfully, "I don't feel like I'm participating at all."

After seeing Feng Yingyuan and Wu Ni's kiss, he had even fantasized that he would give up his first kiss on the screen in the dare.

He did not expect that the bottle would not even turn in front of him.

Shi Xi said, "If you want to experience it, you can too. Look at Brother Chu for ten seconds."

Chu Yuan and Li Jinfan were speechless

There was no need for that.

Shi Xi was interested and said, "Let's give it a try! There are scientific studies that say that as long as two people look at each other for more than ten seconds, dopamine will be produced in the brain. This is the main ingredient of the human brain during love."
