

The Fake 361

Chapter 361: I'm Willing!

Li Jinfan rejected, "No."

Chu Yuan was very professional. "I can do anything."

Shi Xi looked at Chu Yuan. "Then shall we look at each other for ten seconds?"

Li Jinfan: ??

Why did the direction suddenly seem off?

Chu Yuan: "Sure."

Li Jinfan wanted to say something, but was interrupted by Shi Xi.

Shi Xi said, "You'll time it."

Li Jinfan: ???

He didn't want to look at Chu Yuan, but that didn't mean he didn't want to look at Shi Xi!

However, Shi Xi had already looked at Chu Yuan.

Li Jinfan immediately became a tool, timing the two of them.

Shi Xi stared into Chu Yuan's eyes. When she looked at Chu Yuan up close, he was even more envious of Chu Yuan's appearance. His skin was so good that no pores could be seen. It could also be because he had applied foundation. His facial features were moderate, his thin lips were slightly pink, and his nose bridge was tall. Although he only had a single eyelid, his eyes were very big and bright. Perhaps it was because he was wearing cosmetic contact lenses.

In any case, his eyes were very good-looking, and he looked very serious no matter what he looked at. It was as if there was a sea of stars flowing in the depths of his eyes.

Shi Xi immediately averted her gaze. "I surrender."

Li Jinfan was expressionless. "Five seconds."

Shi Xi said in surprise, "Only five seconds? That short?"

"You can try it with me. I'm longer," Li Jinfan suggested.

The topic gradually became an adult topic.

Chu Yuan coughed and interrupted, "You guys should eat some more. I'll bring out the stereo."

Shi Xi asked, "What stereo?"

"The stereo and microphone I brought over can sing," Chu Yuan said.

"It's a pity that we don't have any singers here," Shi Xi said regretfully.

Li Jinfan paused for a moment and followed, "My singing is pretty good."

Back then, when he participated in the talent show, he had relied on his vocal to become the top performer.

Shi Xi recalled Li Jinfan's vocal and agreed, "It's really not bad. I'll listen to you sing later."

Hearing Shi Xi's praise and anticipation, Li Jinfan's heart was filled with joy, and his tail was about to stand up.

Xu Ziqing roasted some vegetables and meat. No one comforted her, so she sulked by herself.

Wu Ni carried Feng Yingyuan around and came back to see that everyone had dispersed. He asked, "We're not playing anymore?"

Xu Ziqing said sarcastically, "If you want to play, won't you play with Sister Feng?"

Wu Ni looked at Xu Ziqing's face and asked, "Are you unhappy?"

"No." Xu Ziqing's face was expressionless.

"Are you jealous?" Wu Ni guessed.

Wasn't it obvious?

Xu Ziqing ignored him.

Wu Ni said, "It's just a game."

Xu Ziqing chuckled and said, "I know. You guys can play as you please. You're not mine, so why am I jealous?"

Feng Yingyuan picked up the skewers that Xu Ziqing had roasted and said as she ate, "You guys take your time. I'll go and see what they're doing."

Wu Ni tried to coax Xu Ziqing again. He felt that Xu Ziqing was too difficult to coax, so he went to help Chu Yuan install the equipment.

Xu Ziqing was so angry that smoke was almost coming out of her head.

..

After the sound system was set, Chu Yuan adjusted his voice and asked Shi Xi, "Shi Xi, are you willing to come up and sing the first song?"

Shi Xi's eyes were curved. "I'm willing!"

Singing and dancing were not just for show!

When she had participated in [Star Idol], she had sung and danced together. She had practiced vocal music and dance for quite some time!

Now that she thought about it, it was really a loss for the entire entertainment industry that she hadn't debuted.

Forget it, there was still a place for her in the entertainment industry.

Shi Xi sang a sweet and cheerful 'When You Are'.

Her voice was originally soft, and when she smiled, it was sweet and cute.

"When your eyes are smiling, when you drink Coke, when you are noisy."

"I want to be good to you, you'll never know."

"Missing you, missing you, can also become a hobby."

Chapter 362: Respect, Blessing

When the audience heard the girl's voice, they changed their opinion of Shi Xi.

[I didn't expect Shi Xi to be so good at singing. I always thought that she was just a vase.]

[I didn't know that Shi Xi sang so well. I underestimated her in the past.]

[She is the popularity teacher of [Star Idol]. She can sing and dance well! Everyone can take a look at Xi Xi Zi's stage! She is absolutely outstanding!]

[I thought Shi Xi was just beautiful, but I didn't expect her singing to be so sweet. AWSL, I love Baby Xi even more!]

Ever since the end of [Star Idol], Shi Xi had never been on stage again. She had always been performing variety shows. After singing a song at this time, many of the audience's impressions of her had changed.

So she wasn't just a vase.

She was a music box.

Cough, cough.

After Shi Xi finished singing, Li Jinfan introduced himself and sang a passionate love song.

His voice was originally pleasant to listen to, and he had learned music before. His emotions and skills blended together, causing everyone to be intoxicated listening to him.

Shi Xi sat below and waved the glow stick, pretending to be a little fangirl.

The others also went up to sing. There was no sharp dialogue, and the atmosphere was much better.

In the end, Wu Ni held a bouquet of flowers and said, "Today, I want to say something from my heart to a girl."

The atmosphere was pushed to the highest point.

[Are you going to confess? Who is Brother Wu going to confess to?]

[It can't be Shi Xi, right? Ahhh, please don't!]

Wu Ni held a big bouquet of flowers and said affectionately, "I want to say to this girl, fate has brought us together. You are a gift from heaven."

The galaxy was vast and the sky was heavy. The waves reflected the light.

The camera swept over Shi Xi, Feng Yingyuan, and Xu Ziqing's faces to observe their expressions.

Wu Ni walked in front of Xu Ziqing and handed her the flowers. "I know that many things today have made you unhappy, but I want to say that you are a very, very good girl. I hope that you can be happy and carefree every day."

Xu Ziqing did not expect that after being angry for an entire day, she would actually receive Wu Ni's confession. She was instantly surprised and happy.

"You... You want to give it to me?" Xu Ziqing covered her mouth in disbelief. She was so touched that she was about to cry.

"Yes." Wu Ni looked at Xu Ziqing with deep affection and handed her the flowers. "Do you like it?"

Xu Ziqing took the flowers and nodded. "I like it."

Wu Ni stretched out his hand.

Xu Ziqing hugged him without hesitation. "Thank you."

After being sullen for the entire day, Xu Ziqing cried when she suddenly received a confession and flowers.

Wu Ni patted her head. "Don't cry, don't cry. It won't look good if you cry."

Xu Ziqing wiped away her tears and said coquettishly, "Who's crying? The sand blew into my eyes."

Wu Ni did not expose her lie. "Let's sing a song together."

Xu Ziqing nodded shyly.

The two of them sang 'A Little Love Song' together and looked at each other lovingly.

Shi Xi watched from the side and was dumbfounded the entire time.

Was this... was this the love of an adult?

Just a moment ago, Wu Ni was still flirting with Sister Wine, but now he was confessing to Xu Ziqing?

Shi Xi: I don't understand, but I'm greatly shocked.

Looking around, Li Jinfan didn't care about other people's love at all. Sister Wine had a faint smile, as if she already knew everything. Chu Yuan had a smile on his face, but he was still polite, gentle, and distant.

Shi Xi tried her best to appear more experienced.

Respect, blessings.

The bullet comments were also extremely puzzled by these two people, wondering why they suddenly started singing 'A Little Love Song'?

[Isn't Xu Ziqing too weak? Wu Ni just kissed Sister Wine, and Xu Ziqing just let it go?]

Chapter 363: The Cup Was Made For Nothing, And the Scarf Was Woven For Nothing

[Xu Ziqing is so easily satisfied with just a bouquet of flowers. No wonder there are so many men of little faith nowadays. They are all pampered by female bodhisattvas like Xu Ziqing.]

[They are not lovers either. Wu Ni did not confess when he sent the flowers. It's just an ambiguous relationship. I have to say, this Wu Ni is in the atmosphere, and he directly played the two female guests in his hands.]

[At that time, Wu Ni even wrote a letter to Shi Xi. It seems that Wu Ni wants to eat three of them at once. Tsk tsk, it's a pity that only Chu Yuan is in Xi Xi's eyes.]

[If you meet a man like Wu Ni in real life, run, quickly run!]

In an instant, those netizens who were scolding Xu Ziqing turned their heads to scold Wu Ni.

[Green tea girl and b*stard. Just lock them up. Don't harm others.]

[Agreed. They like each other anyway. Respect and blessings.]

..

After the activities by the seaside ended, everyone returned to the villa and prepared to write today's letters.

Another day of exchanging letters.

By the seaside, Wu Ni and Xu Ziqing were locked up, so today's letters were written to each other. No one else came to disturb the couple.

Li Jinfan still wrote to Shi Xi, Shi Xi still wrote to Chu Yuan, and Chu Yuan still wrote to Feng Yingyuan.

Feng Yingyuan thought for a long time, but in the end, she still wrote to Wu Ni.

Li Jinfan was once again reduced to a pitiful person who had not received a letter.

The bullet screen was filled with cheers and laughter.

[Hahaha, Li Jinfan is too pitiful. It's been two days, but he still hasn't received a letter.]

[Li Jinfan: that's ridiculous.]

[Xiao Li, don't cry. Mommy is writing you a letter. Hahaha.]

Li Jinfan, a low-level worker.

A new day.

The program team's director said, "This morning, the female guests will make breakfast for the male guests. The male guest will choose the breakfast he likes and go on a date with the female guest who made the breakfast."

Shi Xi was surprised. "Aren't we going to make a present ourselves?"

The program team's director said, "Yes, you make the breakfast yourself."

Shi Xi said, "...Okay."

The cup was made for nothing.

The scarf was made for nothing.

Xu Ziqing was very familiar with making breakfast. She immediately lit the fire and started making a heartwarming breakfast.

She fried an egg, fried a ham sausage, and used bread to hold it. She then squeezed jam into it and added lettuce.

A simple sandwich was ready.

Xu Ziqing was still on the top of the sandwich, drawing a sun with jam.

She poured the soy milk into the cup.

A loving breakfast was enough.

Feng Yingyuan started the fire and cooked a wonton.

Shi Xi asked, "Sister Feng, do you know how to cook?"

Feng Yingyuan smiled and said, "I know how to cook something simple."

Shi Xi thought about what she knew how to cook.

She knew how to cook instant noodles.

Shi Xi originally wanted to cook a wonton as well. After all, there was a ready-made quick-frozen wonton in the fridge, but she was afraid that Feng Yingyuan would say that she copied her idea.

Forget it. She would cook instant noodles.

Whoever chose it would be the lucky one.

Considering that it was morning, Shi Xi specially chose a bag of spare ribs instant noodles. She only put half of the oil bag and the ingredients in so that the noodles would not be so greasy.

She cracked an egg and cut a ham sausage.

A perfect breakfast was that simple!

Next, it was the male guest's turn to choose their breakfast and date.

However, at this moment, the third episode came to an abrupt end.

After the broadcast of this episode, the netizens revolved around Wu Ni, Xu Ziqing, and Feng Yingyuan. They interpreted the love triangle countless times and expressed their deep admiration for them.

On the other hand, Shi Xi, Chu Yuan, and Li Jinfan, because they were celebrities, were somewhat unable to open their hands and feet in the love triangle.

The netizens speculated again about who would be dating who, and who would be able to date Shi Xi, who had instant noodles for breakfast.

Chapter 364: Benefits For Eight Million Fans

The new episode's trailer was starting to stir up trouble again.

Shi Xi and Chu Yuan hugged each other. The two of them looked very intimate.

The fans of the two families exploded. Why did this pair hug each other?!

Is it good that I'm the only one?!!

Wu Ni and Feng Yingyuan ate under the candlelight. The atmosphere was beautiful and romantic.

Xu Ziqing sat on the sofa and threw a tantrum. "Yes, yes, yes, it's all my fault!"

The love triangle, although late, arrived.

Li Jinfan, who had forever left the love triangle, picked up a bottle in the park and said unwillingly, "Why are we doing all this?"

Pink bubbles rose and a line of subtitles appeared:

[Please look forward to the next episode of [Secret Love Exchange]...]

After watching the trailer, the netizens' expectations for the next episode were even higher.

They wanted to see Shi Xi and Chu Yuan's relationship lines, a love triangle asura field, and Li Jinfan, a straight man, as a joke in the love triangle.

Li Jinfan: Are you guys polite?

*

Zhu Lin held her phone and exclaimed, "Wow, it's trending again! Xi Xi, your fans are going to break through 8 million!"

Shi Xi sat on the sofa and applied nail polish on herself. She said perfunctorily, "Yes, yes."

Faced with such a response, Zhu Lin's enthusiasm did not diminish. She asked, "Xi Xi, have you thought about the benefits for 8 million fans?"

Shi Xi was wearing green nail polish. She reached out to take a look and felt very satisfied. She asked, "Do you have any suggestions?"

She had never done such benefits before.

Zhu Lin suggested excitedly, "Why don't we shoot a set of photoshoots? I think other celebrities will occasionally shoot such photoshoots. It's really beautiful! They can even create god-like pictures!"

Shi Xi was deep in thought. "Sure, that's it. Let's do it."

Looking at Shi Xi who was in a pose, Zhu Lin was speechless. "Xi Xi, we're shooting a portrait, not advertising nail polish."

Shi Xi looked at her nails and explained, "I don't want to show off my nails or nail polish. It's just that they haven't dried yet."

Zhu Lin: "...Forget it, I'll contact the photographer."

"Go on, get me a glass of water while you're at it — use the cup that I made myself!" Shi Xi raised her fingers and admired her beautiful nails. She was in a good mood.

Zhu Lin found a photography studio online. When she saw the underwater subject, she was very moved.

Previously, Shi Xi had made a circle of fans by taking pictures as a mermaid. If she took a photo in the swimming pool this time, it would definitely be beautiful!

Zhu Lin quickly contacted the other party to set a time.

Then, she went to get Shi Xi some water.

Shi Xi finished drinking and looked at the bottom of the cup. "This is not my cup."

Zhu Lin was confused. "This is the ceramic cup you made. I just took it out of the box."

"I know, but this is Xie Yunzhou's cup." Shi Xi said, "I made another one."

"You should know that the cups you made are exactly the same, right?" Zhu Lin couldn't help but say, "Also, I remember Mr. Xie said that this cup is for you."

Shi Xi: "First of all, the words carved on the bottom of the cup are different. Secondly, this is a cup made by Xie Yunzhou himself. I was thinking of keeping it for auction in the future!"

Zhu Lin: ???

How would this thing be auctioned?

Would anyone buy it?

Zhu Lin looked at the cup and said, "Why don't I wash the cup clean and put it back?"

"Forget it, I've already used it." Shi Xi put the cup down and said thoughtfully, "Do you think that if I auctioned off the cup that I made personally, would anyone buy it?"

Zhu Lin: "Of course, you're a female star."

Chapter 365: Underwater Photography

Shi Xi asked, "How much do you think I can sell it for?"

Zhu Lin was silent for a moment before she asked, "Do you really want to sell it?"

Shi Xi replied, "I'm just asking casually."

Zhu Lin ignored her and began to prepare the clothes she needed for the photo shoot.

While she was scrolling through her phone, Zhu Lin glanced at Shi Xi's phone and saw that Shi Xi was searching for "How much is something that Shi Xi personally made worth?"

Zhu Lin: ...Is this something that a person with an eight-figure savings account should do?

Obviously, the results of the search were not satisfactory. Shi Xi frowned and exited the search. She found a drama to watch.

Zhu Lin paused for a moment and said, "Xi Xi, the advertisement fee for your previous variety show will be transferred into your account in the next two days."

Shi Xi's eyes curved. "I've already received it. The next time they invite me, just agree directly."

"Alright." Zhu Lin swallowed back the words, 'You said that you wouldn't do any variety shows anymore.'

Zhu Lin finally saw clearly that this little ancestor was completely different from the rich second generations outside.

Other rich second generations: Rich, willful. When I make friends, I never look at whether the other party has money or not. In any case, they don't have as much money as I do.

Shi Xi: Money is life.

*

The underwater photo shoot was about to end. Zhu Lin and Shi Xi followed the address and took a long detour before they finally found this place near the suburbs.

Shi Xi looked at the dilapidated place in front of her and turned to ask Zhu Lin, "Is it really here?"

Zhu Lin hesitated and said, "The address says it's here."

The driver and bodyguard, Xiao Tian, looked outside the car and said, "This looks like a gathering place for criminal gangs."

"It can't be that serious, right?" Zhu Lin pointed at the stall by the street and said, "There are even tea eggs sold there!"

Xiao Tian said, "That's the sentry. As long as there are cops, they will inform them immediately."

"Cops?" Zhu Lin's expression changed. What exactly did this bodyguard do before this?!

"Oh, I'm sorry. I said something wrong." Xiao Tian rubbed her head in embarrassment.

Zhu Lin flinched and said, "Why don't we change to another shop?"

Shi Xi also felt that it was not safe.

Moreover, how could such a small place make the photos look good?

"Let's turn around and go back," Shi Xi said.

Xiao Tian was just about to reverse the car and return the way they came when a taxi stopped. Two young ladies in beautiful dresses came down.

The two beautiful young ladies entered the photography studio with ease, as if they were regular customers of this shop.

“Wait.” Shi Xi saw the two of them from the car window and said, “There are guests going in.”

“Then should we go too?” Zhu Lin hurriedly said, “I’ve already paid the deposit.”

Shi Xi put on her sunglasses and said, “Maybe it really is a real photography studio. Let’s go in and take a look.”

Xiao Tian parked the car by the roadside and said, “Send me a message every ten minutes. I’ll wait for you outside.”

Zhu Lin made an ‘OK’ gesture and led Shi Xi inside.

The outside of the photography studio looked desolate, but inside... it was a mess. There was a pile of photography equipment and a mess of clothes and props.

It looked like a photography studio.

The two young ladies who came in earlier were communicating with the photographer. They were also going to do underwater photography.

Zhu Lin whispered, “We were clearly the first ones here!”

“Let them take the shot first. Let’s see what the effects are.” Shi Xi did not care about the sequence.

She just wanted to make the shot look good.

There were two men in the studio. One of them was bald. He was adjusting the camera with a cigarette in his mouth. The other one was a kind-looking fatty.

Chapter 366: Might Be Able To Preserve One’s Youth Forever

The kind and chubby photographer said to Zhu Lin, “Is it Miss Zhu? Can you wait half an hour for the underwater shoot? We’ll shoot the two young ladies first.”

Zhu Lin said, “Sure, hurry up.”

Shi Xi asked, “Can we watch from the side?”

The chubby photographer said, “You can, but you can’t take pictures.”

Shi Xi nodded.

After the discussion, they entered the underwater studio.

When she saw the glass tank, Shi Xi’s expression was complicated.

It wasn’t as big as her fish tank.

Forget it, as long as it looked good.

Shi Xi gave up complaining.

Fortunately, the water in the tank was crystal clear, which made Shi Xi feel much more at ease.

She didn't want to take photos in dirty water.

Zhu Lin said softly, "This tank looks quite professional."

Shi Xi said, "I'll bring you to see my tank next time."

Zhu Lin: ...

It was obviously not the first time the two young ladies had come here. They called each other 'Brother Fatty' and 'Brother Hai.' When they were shooting, they simply went into the water and followed the cameraman's instructions.

Shi Xi and Zhu Lin looked at the highlights behind the camera and felt that it was not bad.

These two cameramen were obviously capable.

The two of them sat at the side and discussed each other's thoughts in a low voice.

"I think it's probably because the rent outside is too expensive, that's why they opened their shop here," Zhu Lin commented.

"Probably. This place looks a little desolate, so the rent is probably very cheap." Shi Xi nodded in agreement.

The two beautiful ladies chatted and flirted with the cameraman. They were extremely cooperative when they took the photo. It took them more than half an hour to complete the shoot.

Zhu Lin said indignantly, "No one has ever made us wait like this before."

Shi Xi had become famous after her debut. Who in the industry would dare to make her wait?

"It's fine. We're already here." Shi Xi drank some water and said, "Just treat it as a practice session for sitting on the bench in the future."

"Bah bah bah! You'll definitely become famous in the future. You definitely won't sit on the bench!" Zhu Lin spat a few times superstitiously.

Shi Xi waved her hand. "Female artistes only eat meals when they're young. In another 20 years, I'll be old and yellow. I definitely won't be famous anymore."

Zhu Lin was speechless.

Shi Xi fantasized, "Maybe I can still be popular for another 30 years. By then, the medical treatments for beauty will definitely be very developed. Maybe I can stay young forever."

Zhu Lin could not think of how to respond, so she simply said, "I think they're done filming. I'll go and ask."

The two ladies were indeed done filming, but they were not in a hurry to leave. Instead, they borrowed the bathroom of the photography studio and prepared to take a shower and change their clothes.

Shi Xi asked Zhu Lin, "Did you bring me a change of clothes?"

“There are clothes in the car, but there’s no shampoo and body lotion,” Zhu Lin added. “There’s also no hair-care oil and body lotion.”

Shi Xi: “Then it’s better to go back and wash.”

Zhu Lin communicated with the cameraman about the desired effect. “I want the natural feeling of a hibiscus emerging from the water...”

The bald cameraman adjusted the camera and interrupted, “Don’t worry, I know how to shoot. Stop pointing and go out to buy two cups of coffee.”

Zhu Lin: ?

The fat cameraman said gently, “Sorry, his personality isn’t very good. I’ll go buy coffee.”

“No need, no need. I’ll go get it.” As an assistant, Zhu Lin was already used to running errands like this.

The bald cameraman said, “Mine doesn’t have milk or sugar. Get more ice.”

The fat cameraman said gently, “Mine has milk and sugar. I don’t want ice.”

Zhu Lin noted it down and said to Shi Xi, “I’ll bring you a cup of fruit juice. Wait for me.”

Shi Xi jumped into the water and thought, ‘Do you really trust me and these two strange men in the same space?’

Chapter 367: Robbery Or S*xual Assault

However, these two photographers didn’t do anything to the young ladies before her. They didn’t even harass them.

She was more at ease.

Shi Xi was only wearing a simple white shirt with a black sling underneath. She looked pure and lustful.

The bald man instructed as he shot, “Wet the hair next to your forehead. Lower your head and tie your hair up with your hands. Don’t move.”

“Yes, that’s right. Look up at the camera. Now look to the right and pretend that there’s something you like there.”

Shi Xi was very cooperative.

After taking a group of photos, the bald man showed Shi Xi a few photos and asked if she was satisfied.

Shi Xi looked at the photos and said in surprise, “You must have learned the composition of light and shadow from the system, right? The photos are so artistic.”

The bald man was embarrassed by the praise and said, “A little.”

“You must have shot a lot of big movies or videos.” Shi Xi’s eyes curved and said, “Take some underwater ones too, right?”

After taking one or two sets of photos, Shi Xi’s vigilance was relaxed.

Even the bald man's suggestion of unbuttoning a few more buttons was accepted.

In any case, it was for the sake of the overall effect.

Her wet long hair spread out. The girl was floating in the water. Her collar was wide open, revealing her clear collarbone. Under her long, narrow eyelashes, her large, misty eyes were half-closed, like a lost deer.

Who wouldn't like a girl like this?!

The two cameramen kept taking pictures, and their gazes changed.

The fat cameraman asked, "You're Shi Xi, right? That rather famous little celebrity?"

Shi Xi said, "Yeah."

Other than her, who else in the entertainment industry was so beautiful?

"A celebrity. She must be very rich, right?" the bald man muttered to himself.

*

Xiao Tian was lying in the car playing games to pass the time. She did not see Zhu Lin come out.

Zhu Lin, who had gone out to buy coffee, walked around for a long time before she found a coffee shop.

While she was buying coffee, Zhu Lin received a message from Xie Yunzhou's assistant.

Xie Yunzhou had come to Yanjing. He wanted to ask Zhu Lin where Shi Xi was so that he could give Shi Xi a surprise.

Zhu Lin sent the location to him. "We'll go back to the hotel after taking the photo. However, Xi Xi still needs to take a shower. We'll give her a surprise later."

The other party sent a smile and a thank you.

Zhu Lin replied with a smile.

What a pleasant chat.

After getting Shi Xi's address, his assistant forwarded it to Xie Yunzhou and suggested that they prepare roses and a candlelit dinner at the hotel where Shi Xi was staying.

Xie Yunzhou glanced at the address and found it somewhat familiar. "What is this place?"

"It's the hotel where Miss Shi is staying." The assistant thought, 'What else could it be?'

"I'm asking about the location you sent. What are they doing there?" Xie Yunzhou's eyes were cold.

The assistant said, "Zhu Lin said that Miss Shi is taking photos there."

Xie Yunzhou took a deep breath. "That's the famous black zone."

The assistant: ?!

Xie Yunzhou made a prompt decision. "Call the police. We're going over now."

The assistant thought that he didn't really want to go over.

It sounded very dangerous.

Also, why did President Xie know that it was dangerous there?!

The assistant was a little tempted to resign.

On the way, Xie Yunzhou kept calling Shi Xi to send messages. However, Shi Xi's phone was turned on silent, and she kept floating in the water.

..

In the underwater studio.

The atmosphere was indeed a little tense.

Shi Xi asked in disbelief, "Are you guys trying to rob me of my money, or are you trying s*xual assault?"

"Why can't we rob both of them?" The fat photographer turned off Shi Xi's phone and smiled innocently.

Shi Xi looked at his actions and paused for a moment before saying, "...You're right, but all my money is in my phone."

Chapter 368: Heroism

The smile on the fat photographer's face froze.

The bald man said angrily, "F*ck, can't you grow a brain?"

"If you have a brain, why didn't you stop me just now?" The fat photographer's eyes were fierce. "What if she gets her phone and calls the police?!"

The bald man said, "That's true."

Shi Xi silently buttoned up her shirt.

"I know you're a big star," the fat cameraman said with a lewd smile. "If you cooperate with us obediently and take a good video, you can still continue to be your big star if you pay us on time in the future."

Shi Xi said, "What if I don't cooperate?"

The fat cameraman said, "Then I'll let your bed photos spread all over the internet."

Shi Xi could not help but say, "Aren't you guys afraid of being caught? You'll be sentenced to at least three years for extortion."

The bald man asked with interest, "How long will s*xual assault be sentenced to?"

Shi Xi explained, "At least three years. If the circumstances are serious, ten years."

“If you explain it to us, it’s like casting pearls before swine. We’re not afraid.”

Just as the two of them were about to make their move, there was a commotion outside and the sound of gunshots could be heard.

“F*ck, there are cops!”

“F*ck, did she call the police?!”

“Run quickly, don’t bother about it!”

The two of them had already taken off their pants. At this moment, they did not care about anything else. They only wanted to escape from the window.

Shi Xi came out of the water and held up the camera frame in front of the two of them. She smiled and said, “It’s too dangerous outside. You guys should stay here.”

..

In the car.

Xiao Tian was playing her game when she suddenly heard the sound of gunfire. She thought that she was hearing things.

However, when she saw a bunch of people fighting and capturing others, with handcuffs and pistols dancing wildly in the air, Xiao Tian came back to her senses.

Something happened!

She said that this place was not peaceful!

Xiao Tian wanted to get out of the car to look for Shi Xi, but there were gunshots on the street. She lay down and did not dare to open the car door, afraid that she would be implicated.

Zhu Lin finally bought coffee. On the way back, she heard gunshots.

“Is someone married? Why are they setting off firecrackers?” As a young assistant who grew up in a peaceful era, Zhu Lin didn’t recognize the sound of gunshots at all.

She only felt that there was something wrong with the sound of firecrackers.

“Maybe the firecrackers are damp.” Zhu Lin continued to walk forward.

Then, Zhu Lin bumped into a man with a gun who stumbled and ran to her side.

The man could no longer run. When he saw Zhu Lin, he directly took her hostage.

“Don’t come over! If you come any closer, I’ll shoot you! Even if I die, I’ll drag you down with me!” The man had no choice but to go crazy.

Zhu Lin’s legs instantly went soft.

In an instant, the man and Zhu Lin were surrounded by plainclothes policemen.

“Calm down. This girl is innocent. If you want to leave, we can let you go,” the plainclothes leading the group shouted.

The man hid behind Zhu Lin and retreated step by step. “Get lost! Prepare a car for me now! Hurry up!”

Zhu Lin felt that under such circumstances, she should have died heroically.

But she only cried and shouted, “Sob, sob, sob, sob, give him the car! I don’t want to die!”

She hadn’t spent her money yet!

“Don’t worry, you won’t die.”

Just as Zhu Lin was in despair, a sweet and clear voice came from above.

Everyone looked up.

The moment the man who had kidnapped Zhu Lin looked up, he was knocked unconscious by a black shadow.

Shi Xi looked down from the window on the second floor and said regretfully, “What a pity, the coffee fell to the ground.”

It was a pity that no one below was listening to Shi Xi. They all rushed forward and pressed the man to the ground.

Chapter 369: Dancing On Conservative Feudalism

Xie Yunzhou’s car was forced to stop on the way to support.

Another escaped fish stood in the middle of the road. After forcing Xie Yunzhou’s car to stop, he sat in the back seat and threatened Xie Yunzhou and his assistant with a gun. “Turn around! Send me to the station! Otherwise, I’ll shoot you!”

The assistant saw the gun and his hand kept shaking.

He had been a good student since he was young. He was the best student in the school and had gone to Haicheng University. After graduating, he had worked as Xie Yunzhou’s special assistant and dealt with countless business problems.

But he had never learned what to do when faced with a gun!

The escaped fish shouted sternly, “Drive quickly! Turn around!”

The assistant hurriedly started the car and stepped on the accelerator and braked back and forth.

The escaped fish was shaken by the car until his body leaned forward. In just an instant, Xie Yunzhou grabbed his wrist and snapped it.

“Ah!” The escaped fish had a pained expression and instantly let go of his hand.

..

When Xie Yunzhou rushed over with the escaped fish, the matter had already been settled.

The plainclothes policemen escorted the criminals to the police car and even thanked Shi Xi for her help.

Shi Xi held a camera in her hand and said politely, "It's nothing. It's our duty as citizens to eliminate evil for the people."

Xie Yunzhou walked forward and asked, "What happened?"

"Nothing much. I encountered a strong criminal. The Drug Enforcement Department happened to be catching the criminals, so I helped them knock one out." After Shi Xi said that, she thought for a moment and said, "It sounds like I was brave."

"The other party had guns and hostages. Miss Shi helped them and subdued the criminal in an instant." The captain of the Drug Enforcement Team praised, "This time, it's thanks to Miss Shi that we were able to catch all the criminals in one go."

Xie Yunzhou: "...On the way here, I met a person who robbed with a gun. I think he must have slipped through the net."

The smile on the captain's face froze for a moment, and he immediately became serious. "Please take me to take a look."

Xie Yunzhou looked at his assistant.

The assistant forced himself to remain calm and brought the captain to identify the person.

Shi Xi looked at Xie Yunzhou and asked, "What are you doing here?"

"It's very dangerous here," Xie Yunzhou said.

"It is very dangerous." Shi Xi looked at the scene in front of her. "I just learned about it."

"This is a place where criminals like to gather. I heard that you came here, so I came to look for you," Xie Yunzhou said. "It's good that you're okay."

Shi Xi smiled. "Don't worry. I have the ability to protect myself."

Xie Yunzhou: "They have guns."

Shi Xi: "...I'm not in the same space as the group of people who have guns."

Xie Yunzhou wanted to hug the girl, but when he reached out his hand, it landed on the girl's head and he sighed softly.

Why wasn't she on guard at all?

Shi Xi turned on the camera in her hand and said, "Although it's a little dangerous, the pictures they took were pretty good! Take a look!"

Xie Yunzhou's eyes swept over and his pupils dilated. He gritted his teeth and said, "What kind of messy things are you taking pictures of?!"

“It’s an underwater photo shoot. Isn’t it good?” Shi Xi suspiciously continued to flip through a few more pictures and said, “I think it’s very good!”

If these two people weren’t criminals, they could earn money by filming properly!

Why did they have to go through such an evil path?

“You came here just to shoot this?” The conservative Xie Yunzhou saw Shi Xi’s underwater photo shoot and couldn’t accept it.

“That’s right, my 8 million fan benefits.” Shi Xi insisted on dancing on the conservative feudalism. “I originally wanted to pick out nine photos and post them on Weibo. Now that I look at them, I can post 18!”

Xie Yunzhou: “You still want to post on Weibo?!”

Shi Xi continued to flip through the pictures and said matter-of-factly, “Of course I’m going to post them. I took such a risk to take these pictures!”

Xie Yunzhou took a deep breath and suppressed his emotions.

There must be another solution.

At this moment, the two photographers were also brought down by the plainclothes.

Whether it was the fatty or the baldy, both of them were beaten into pig heads.

“Hi~” Shi Xi saw the two of them and said with a smile, “Attempted r*pe starts with three years! You are also involved in the attempted extortion. It will probably add on another two years.”

“Don’t worry, I will repay you for taking such a nice photo!”

The baldy’s eyes lit up with hope. “You are not suing us?”

Shi Xi’s eyes curved. “I’ll find a lawyer to let you guys stay in prison for another eight or ten years. After all, there’s food and shelter inside. I hope you guys can live a happy life.”

The bald man instantly became irritable and threatened, “Little **, just you wait! When I get out, I’ll kill you first!”

Shi Xi: “Threatening and blackmail, I can get another two years in prison.”

The plainclothes used a torn towel to cover the bald man’s mouth and escorted him into the car.

Xie Yunzhou swept a cold glance at the two of them and asked, “Are they the ones who want to do something to you?”

Shi Xi nodded. “Yes.”

Xie Yunzhou patted Shi Xi’s head again. “I’ll get a lawyer to handle it.”

“Just help me introduce a lawyer. Thank you.” Shi Xi avoided Xie Yunzhou’s hand and thought to herself, ‘Don’t touch me anymore!’

Her hair was gone!

Shi Xi was about to take the camera back when she was stopped by the captain.

The captain said, “Miss Shi, this camera is related evidence. Please hand it over to us for safekeeping.”

Shi Xi blinked. “Sure, but can you wait for me to export the photos inside before giving it to you?”

The captain said, “No.”

Xie Yunzhou said, “I have a computer in the car. I’ll copy the photos for you.”

Shi Xi looked at the captain with anticipation in her eyes. “Is that okay?”

The captain: “...Yes, but I want to watch.”

Xie Yunzhou glanced at the captain and said, “Can you get a policewoman to come over?”

“Cheng Yue, come over for a moment.” The captain called a policewoman over to supervise.

Under the supervision of the policewoman, Xie Yunzhou imported Shi Xi’s photos into his computer.

However, when he was browsing through them, Xie Yunzhou realized that there were many nude photos of other women in the camera.

It seemed that Shi Xi was not the first to step into the trap.

Shi Xi took a glance and looked away. She sighed, “It seems that they won’t have to worry about food and clothing for the rest of their lives.”

Cheng Yue: ...

Xie Yunzhou: ...

Cheng Yue looked at the photos on it and said, “In comparison, Miss Shi’s photos don’t have much of a loss.”

Shi Xi was still wearing her clothes.

The rest of them were naked.

Xie Yunzhou did not say anything. After copying Shi Xi’s photos, he passed the camera to Cheng Yue.

With this evidence, the two of them would never be able to come out again for the rest of their lives.

“By the way, Officer Cheng, can we leave now?” Shi Xi saw that the police car had already left.

Cheng Yue said, “Please leave your contact details. I’ll look for you to make a statement when the time comes.

“Thank you for your help. I’ll help you apply for the pennant.”

Shi Xi’s eyes lit up. “Is there a bonus?”

Cheng Yue: “...If there is, I’ll inform the two of you to come and collect the money.”

The police cars left in an orderly fashion. Cheng Yue took the camera and prepared to return to the police car.

“Officer Cheng,” Shi Xi said when she saw the old woman selling tea eggs on the street. “I think that old woman might know something too. You can ask her for a statement.”
