

## The Fake 391

Chapter 391 Would Not Have Invested In This Drama If He Had Known Earlier. When He Needed You, He Could Not Count On You At All

Mother Shi did not agree. "Well said. Isn't he just trying to make your father happy?"

Father Shi: "Why is he so obedient? I don't even listen to my father."

"Listen to what you're saying. Your son is filial to your father for you. Are you just going to leave him in the lurch? What if his marriage isn't happy in the future?"

"Shi Xu is already 26 years old. Don't tell me he still needs me to teach him how to marry a wife? Besides, how do you know that Shi Xu's marriage isn't happy in the future? I think that Qing Qing is pretty good. She studied overseas and has a master's degree in finance. She's beautiful, and she's a good match for our son!"

"..."

Shi Xi listened to the argument between the two of them and silently brought the bowl back to her room.

Forget it, it was better not to participate in this battle.

After gossiping with Tao Yuxuan for a while, Shi Xi took a shower and prepared to go to sleep.

She still had to go to the filming set tomorrow!

Just as Shi Xi lay down, there was a knock on the door.

"Come in." Shi Xi sat up and saw that it was Shi Xu.

Shi Xu went straight to the point. "Xu Ziqing said that she will visit Grandpa tomorrow and also suggested canceling the engagement."

***novelusb.com***

Shi Xi's eyes lit up. "That's a good thing! Wait, is she trying to pull some tricks?"

"I don't know," Shi Xu said. "That's why I want you to accompany her tomorrow."

"Me?" Shi Xi was puzzled. "Grandpa doesn't like me, so what's the use of me going?"

Everyone in the Shi family liked her, but Grandpa Shi was extremely picky about boys and girls, and he didn't like girls who were delicate and delicate.

Shi Xu said, "Xu Ziqing is a woman. There are some things that I shouldn't say out loud."

"What things?" Shi Xi asked casually.

Shi Xu said, "Her education level is too low, her ability to distinguish is weak, her personality is green tea, her makeup is too thick, her figure is too bad, and her private life is chaotic..."

Shi Xi was dumbfounded when she heard that.

She only felt that Xu Ziqing was pretentious, but she never felt that Xu Ziqing's education level was... low.

"She has a master's degree in finance from a foreign university." Shi Xi continued, "Although I don't know what university it is, she has a master's degree."

"She only has one degree." Shi Xu had a double master's degree in finance and psychology from MIT. He was expressionless.

Only then did Shi Xi remember that at the time, Shi Xu went to university at the age of 16. At the age of 19, he graduated from university and went to MIT. At the age of 21, he started a business with his friends. At the age of 23, he took over the Shi Corporation.

Shi Xi often forgot how outstanding a man he was because Shi Xu was too gentle.

"I wear makeup too!" Shi Xi asked, "Do you think I have too much makeup?"

Shi Xu was silent for a moment, then said, "You look best without makeup."

Shi Xi wanted to ask something, but in the end, she changed the topic and asked, "What kind of girl do you like?"

"Anyway, it's not her." Shi Xu did not want to talk about Xu Ziqing anymore, so he asked, "Can you accompany me to visit Grandpa tomorrow?"

"You can go with Mom." Shi Xi said, "Mom doesn't like Xu Ziqing either."

Shi Xu said, "Grandpa doesn't like Mom."

F\*ck.

Shi Xi said, "Grandpa doesn't like me!"

They went back to the starting point.

"How about this, what time are you guys going tomorrow? I'll get Tao Yuxuan to visit Grandpa." Shi Xi said, "With her help, it should be better."

"Are there any other candidates?" Shi Xu did not hide his dislike at all.

Shi Xi: "...No."

It was not that she did not want to look for other people, but that she really did not have many friends in Feng City who had brains.

"I'll go by myself." Shi Xu sighed.

He was afraid that Tao Yuxuan would anger Grandpa to the point of causing a heart attack.

Shi Xi: "You can do it, Brother! I'll support you spiritually!"

As Shi Xu walked out, he muttered to himself, "If I had known earlier, I wouldn't have invested in this drama for you. When I need you, I can't count on you at all."

Chapter 392 Grandpa Felt That She Was Gentle and Magnanimous, And He Liked Her Even More

Shi Xi: ...Is it my fault?

After Shi Xu left, Shi Xi immediately sent a message to Tao Yuxuan: [Shi Xu is going to break off the engagement tomorrow!]

The other party sent back a message: [What break off the engagement?]

Shi Xi typed and thought to herself, 'Why is she still asking — wait?!'

Why did she send it to Xie Yunzhou's dialog box?!

Just now, Shi Xi had been chatting with Tao Yuxuan, but she did not know when Xie Yunzhou had sent a message. She had made a mistake and sent it to Xie Yunzhou.

Shi Xi could only explain the ins and outs of the situation and sent the message to Tao Yuxuan in the middle.

Tao Yuxuan: [It definitely can't be broken off! The elderly love to randomly mess with mandarin ducks and watch the children suffer.]

Shi Xi: Speechless.

Xie Yunzhou: [Are you free tomorrow night? There are a few new dishes at Qingshui Restaurant.]

Xie Yunzhou did not care about Shi Xu's marriage at all.

He only cared if Shi Xi was free to go on a date with him tomorrow.

Oh, no, to have dinner with him.

Shi Xi replied: [Sure, my crew will finish work at around 6 o'clock.]

As long as they did not shoot night scenes, they would finish work before 6 o'clock every day.

Lou Ruicong and Shi Xi's acting skills weren't bad, and the filming went smoothly. They closed at 4 o'clock today, and after shooting a few more scenes, they closed at 5:30.

***novelusb.com***

Modern dramas didn't need to wear wigs and change clothes.

It was much more convenient.

After the two of them made an appointment, Shi Xi realized that she had too many appointments with Xie Yunzhou.

She and Tao Yuxuan had never made such an appointment before!

Other than being a little stupid, Tao Yuxuan treated her quite well.

With the intention of preserving their friendship, Shi Xi sent a message to Tao Yuxuan: [I'm free the day after tomorrow afternoon. Do you want to go shopping together? I'll treat you to a meal.]

Tao Yuxuan: [Sure, I was afraid that you wouldn't be free!]

Shi Xi looked at the date and asked: [It's mid-week that day. Aren't you going to work?]

Tao Yuxuan: [My own company, I can skip work as I please.]

F\*ck.

After making the appointment, Shi Xi lay down happily, looking forward to the delicacies in Qingshui Restaurant and the beautiful clothes in the shopping mall.

\*

The appointment was at 6 in the evening, but Xie Yunzhou had asked his assistant to deliver lunch to Shi Xi at noon.

Shi Xi opened the lunch box and lamented, "Qingshui Restaurant never delivers food. I can only eat food in the canteen."

The assistant smiled and said, "President Xie has Qingshui Restaurant's shares."

Shi Xi was deep in thought. "No wonder he eats there every day. So it's because they don't charge him."

The assistant: ?

He seemed to have said something wrong.

"President Xie pays for his meals at Qingshui Restaurant," the assistant hurriedly explained.

"It's all his money anyway." Shi Xi was about to eat when she saw that the assistant was still there. She asked, "Don't you have to go back to work?"

Of course, he had to go back to work!

The assistant was mentally tired. "Miss Shi, I'll go back first."

"Okay, I'll wash the lunch boxes. I'll bring them tonight," Shi Xi added.

The assistant felt that all of this didn't matter anymore.

Most importantly, Shi Xi wouldn't think that President Xie was a stingy person just because of his words, right!?

President Xie really went to Qingshui Restaurant because it was delicious — wait a minute!

The assistant pondered. Could it be that President Xie really went to Qingshui Restaurant because he didn't have to pay money at Qingshui Restaurant?

Shi Xi successfully misled Xie Yunzhou's assistant's train of thought.

After work, Shi Xi first sent a message to Shi Xu, asking how things were going with the engagement.

Shi Xu: [She mentioned breaking the engagement. Grandpa thinks that she's gentle and magnanimous, and likes her even more.]

It was within her expectations.

Shi Xi: [So the engagement wasn't broken off?]

Shi Xu: [No, Grandpa even scolded me.]

It was an unexpected situation.

But if she went, she would probably be scolded as well.

Shi Xi comforted him a little before preparing to go to Qingshui Restaurant for a meal.

Chapter 393 Accompany Me To Visit Grandpa, You Don't Have Time, But You Have Time To Have Dinner With a Wild Man

Shi Xu wanted to let Shi Xi comfort him a little more, but in the end, she ran away.

Forget it.

It wasn't that easy to break off an engagement.

Back then, Shi Xi's engagement had been delayed for a long time before it was canceled.

Thinking of this, Shi Xu thought of another person who might be able to help him.

"Sheng Yan, do you have time? Come out and have a meal."

\*

Qingshui Restaurant.

Shi Xi got off work early and went to Qingshui Restaurant to order some dishes.

After a while, Xie Yunzhou arrived.

"Sorry, I'm late." Xie Yunzhou pushed open the door and apologized when he saw that the girl was waiting for him.

How could he let Shi Xi wait for him?!

He should have arrived first!

"It's okay. I got off work early." Shi Xi flipped through the menu and said, "I ordered lion head fish and white fish stew and three sets of duck. Do you want to eat something?"

Xie Yunzhou called the waiter in and said, "Add some light shadow beef and big boiled shredded pork. Change the shrimp on the big boiled shredded pork to fish balls."

Shi Xi said casually, "You seem to like light shadow beef very much."

"You like fish very much," Xie Yunzhou replied.

"I can't eat seafood, so I can only eat some fish." Shi Xi smiled and asked, "Oh right, this big boiled shredded pork. What is shredded pork? Shredded pork? It doesn't look like it!"

There was a picture on the menu, but Shi Xi could only see the shrimp balls on it. Xie Yunzhou had already instructed the waiter to change it to fish balls.

Xie Yunzhou said, "It's made of shredded tofu and shredded chicken. It's soft and delicious. You should like it."

The two followed the menu and talked about their preferences for delicacies.

On the other side, Shi Xu invited Sheng Yan for a meal.

"How did you convince your family to break off the engagement?" Shi Xu asked.

Sheng Yan: "..."

He did not expect that Shi Xu would ask him such a question.

"It was your Shi family who said that they were going to postpone the engagement party, so the engagement party was canceled." Sheng Yan was speechless. "In a society ruled by law, how could I force myself to marry her?"

Sheng Yan had always been brooding over this engagement party.

It was not because he liked Shi Xi. He just felt that it would be very embarrassing if the engagement party was canceled.

"Delaying the engagement party is a good idea." Shi Xu nodded.

Sheng Yan ate the meat and thought to himself, 'Your Shi family is really rebellious.'

All of them wanted to cancel the engagement.

"However, Grandpa Shi wants to see you get married, so he definitely won't agree to postpone it," Sheng Yan said and cut off Shi Xu's thoughts.

Shi Xu: ...

The Shi family was a wealthy family in Feng City, so Shi Xu's marriage was naturally watched by people from all walks of life. Therefore, almost everyone in the circle knew about the news of Shi Xi's engagement.

Shi Xu asked, "Do you have any ideas?"

"No, Grandpa Shi's heart isn't good, so this problem is unsolvable," Sheng Yan said straightforwardly.

His and the Shi parents were both healthy and vigorous, so no one would die of anger.

Shi Xu was helpless.

After the two finished eating, they came out of the private room and met Shi Xi and Xie Yunzhou.

Shi Xi blinked her eyes. Seeing that she couldn't avoid them, she said, "Brother."

"You don't have time to accompany me to visit Grandpa, but you do have time to have dinner with the wild man." When Shi Xu saw Xie Yunzhou, his eyes were filled with displeasure.

Who would like to see their cabbage being eaten?

Xie Yunzhou: ...

"I was filming in the morning, so I didn't have time to visit Grandpa!" Shi Xi smiled brightly. "How's Grandpa's health?"

Shi Xu thought about the hit and said, "Not bad, hitting someone hurts quite a bit."

"You were hit?" Shi Xi asked in surprise, "Where did Grandpa hit you? Does it still hurt?"

"He hit my arm. It's fine, I'll go back and apply some medicine." Shi Xu pretended to be strong.

Chapter 394 Ordinary Beatings and Special Beatings?

"Then why did you come out to eat? Aren't you going home to apply medicine?" After Shi Xi finished lecturing Shi Xu, she said to Xie Yunzhou, "My brother and I will go home first. Goodbye."

Xie Yunzhou had wanted to send Shi Xi home, but he was interrupted by Shi Xu.

But what could he do?

He could only smile and say that it didn't matter.

After the two left, Sheng Yan looked at Xie Yunzhou and asked, "Are you and Shi Xi dating?"

Xie Yunzhou replied, "No, we're just having a meal."

Sheng Yan felt that something was wrong.

However, he was used to being a straight man, so he did not notice that something was wrong. He shrugged and left.

When they got home, Shi Xi took some medicine and applied it on Shi Xu.

Although Grandpa Shi had a heart attack, he had joined the army when he was young. After he had settled down, he firmly believed that a dutiful son would be born from a stick, so it hurt and he was not gentle.

Seeing a bright red mark on Shi Xu's arm, Shi Xi took a deep breath and asked, "Don't you know to go to the pharmacy to buy some medicine to apply on it?"

"I didn't think of it." Shi Xu had never taken this little injury to heart.

As long as it wasn't bleeding, it wasn't a big deal.

Even if it was bleeding, it wasn't necessarily a big deal.

As Shi Xi applied the medicine on him, she felt a lingering fear in her heart. "Fortunately, I didn't go."

**novelusb.com**

Otherwise, she would definitely cry on the spot.

"Grandpa doesn't hit girls," Shi Xu said. "He didn't even hit you when you broke his vase."

"Ah? When?" Shi Xi asked in confusion.

"When you were young, you were scared to tears. Grandpa scolded you, but he didn't hit you," Shi Xu said.

Shi Xi recalled the memories of the original owner and said, "From then on, Grandpa didn't like me anymore?"

Shi Xu said, "From then on, you rarely went to see Grandpa."

Shi Xi said helplessly, "Alright, the next time I go to see Grandpa, I'll send him a vase."

After applying the medicine to Shi Xu and putting away the medical box, Father Shi returned.

"What are you doing with the medical box? Is Xi Xi injured?" Father Shi asked worriedly.

"No, it was Brother who got beaten up by Grandpa. I helped him apply the medicine." Shi Xi closed the medical box.

Father Shi said in disdain, "He cried out in pain after receiving a beating? He even needed to apply medicine? Why is he acting like a sissy?"

Shi Xu: "..."

"That red mark looks like it hurts!" Shi Xi was displeased and defended Shi Xu.

Father Shi sat down and asked, "Why did he get beaten up?"

Shi Xu said calmly, "It's nothing. I just got beaten up normally."

Was there a difference between getting beaten up normally and getting beaten up specially?

Shi Xi felt that her brother was a little masochistic.

"It's because of the engagement, isn't it?" Father Shi was indeed an experienced person. He saw through the essence of the matter at a glance.

Shi Xi nodded and instantly sold Shi Xu off. "It's because of the engagement!"

"Dad, what do you think Brother can do to break off the engagement with Miss Xu without hurting Grandpa?"

Shi Xu also looked at Father Shi.

He did not tell his parents that he wanted to break off the engagement because he did not want to give them any pressure.

But now, it seemed that the older the ginger, the spicier it was.

He needed some external help.

Father Shi leaned against the sofa and said meaningfully, "After a day of work, my shoulders are a little sore."

Shi Xi and Shi Xu looked at each other for three seconds.

Shi Xi walked behind Father Shi and massaged his shoulders. "Dad, is this strength okay?"

"Yes." Father Shi stretched out his hand. "I'm a little thirsty. I want a cup of tea."

There was chrysanthemum tea on the table. Shi Xu poured a cup for Father Shi.

Father Shi said critically, "I want to drink Longjing tea."

Shi Xu: ...Got up to make tea.

While Shi Xu was making tea, Shi Xi asked softly, "Dad, do you have any ideas?"

Father Shi simply said, "No, I just want to order you around."

Shi Xi: ...Sure enough, the older the ginger the spicier.

Shi Xu boiled hot water, took out the tea set, and found the good Longjing tea. He washed the teacup, brewed the tea, washed the tea, poured the tea, and gave Father Shi hot tea.

"Not bad, not bad!" Father Shi drank the tea, feeling good physically and mentally.

Shi Xu asked, "Can you tell me what method you have now?"

Father Shi began to play dumb. "What method? Did you encounter any difficulties?"

"About the engagement." When Father Shi started to act shamelessly, he knew that things were not looking good.

Father Shi said loudly, "The engagement? Didn't you listen to your grandfather? Just get married!

"Oh right, when do you guys want to hold the wedding? Where? Also, do you want to renovate the house? Or do you guys want to move out?"

Shi Xu could not take it anymore. He got up and went back to his room to sulk.

Shi Xi hugged her teacup and whispered, "Dad, he's angry."

"If he's angry, so be it. Does he still dare to beat up his father?" Father Shi waved his hand nonchalantly.

Shi Xi: ...

The Shi family's personalities were really different from one another.

When she returned to her room, Shi Xi thought of something and found Sister Wine's WeChat.

Shi Xi asked, [When did Xu Ziqing and Wu Ni break up?]

Feng Yingyuan quickly replied: [They didn't break up.]

Shi Xi: ?!

Seeing Sister Wine's reply, Shi Xi was shocked. She immediately called her and asked: "They didn't break up? How is that possible?"

Feng Yingyuan said lazily: "A few days ago, I saw Wu Ni flaunting their love on WeChat moments. How could they break up so quickly?"

Shi Xi: "Are you sure it was Xu Ziqing flaunting their love?"

Xu Ziqing was not a good woman, but that did not mean that Wu Ni was a good man.

With that said, Feng Yingyuan paused for a moment and said, "Wait for me. I'll look at his WeChat moments again."

Shi Xi also found Wu Ni's WeChat moments and found that he had only set it to be visible for three days.

"I can't see it anymore." Feng Yingyuan felt regretful and asked again, "Why are you asking this? Did Wu Ni pursue you?"

"No, it's Xu Ziqing." Shi Xi briefly told her about Xu Ziqing and Shi Xu's engagement.

This was not a secret. It was just that they had different social circles, so Feng Yingyuan had never heard of it.

"Tsk, your brother is very rich, right?" Feng Yingyuan said bluntly.

"He is quite rich."

Chapter 396 Big Brother Shi Xu, You Are Finally Here

Shi Xi's eyes widened in surprise when she heard the term 'Big Brother Shi Xu'.

She could not imagine that Tao Yuxuan would actually use such a clingy term.

"What's your relationship with Shi Xu?" Xu Ziqing immediately became alert.

Tao Yuxuan pretended to be innocent. "It's nothing. We're just childhood friends who grew up together."

This was nothing?!

Xu Ziqing was alarmed. She maintained a smile and said, "Hello, I'm Shi Xu's fiancée, Xu Ziqing. How strange, I've never heard of you."

Shi Xi coughed and told Tao Yuxuan to stop acting.

However, Tao Yuxuan smiled and said, "Big Brother Shi Xu has never mentioned you to me before."

The two of them looked at each other and emitted a strong fighting spirit.

\*

When Shi Xu arrived at the coffee shop, he saw three women sitting at a table.

He had a headache.

Three women for a show. These three women were not to be trifled with!

The seat reserved for him was also under attack.

Shi Xi, Tao Yuxuan.

Xu Ziqing, Shi Xu.

Shi Xu felt that he didn't fit in with this place.

"Big Brother Shi Xu, you're finally here. I ordered the ice americano style that you like, sugar-free and milk-free." Tao Yuxuan began to act.

Shi Xu already wanted to run away.

He couldn't drink coffee without milk or sugar at all!

"Thank you. I brought you the herb-soaked wood that you like." Shi Xu put the paper bag on the table and smiled warmly.

Xu Ziqing noticed that the two of them were so familiar with each other and sensed a hint of danger, so she interrupted, "Brother Shi, why have you never mentioned Miss Tao to me?"

Shi Xi ate the herb-soaked puff and thought to herself, 'This is really a fight between experts.'

"Our parents don't agree, so we have always been dating in private." Shi Xu thought of the script that Tao Yuxuan had given him and started to talk nonsense.

"You are dating?" Xu Ziqing clenched her cup.

Chapter 397 Pregnant

Shi Xu's heart was struggling.

Before he came over, Tao Yuxuan had sent him a message saying that she could act with him.

The two of them would pretend to be a couple, causing Xu Ziqing to retreat.

Shi Xu felt that this method was useless.

However, he had no other choice. He could only make a last resort.

"Miss Xu, actually, I already have Big brother Shi Xu's child." Tao Yuxuan's tone was sincere, as if she was speaking the truth.

The other three people present were stunned.

"You're already pregnant?" Xu Ziqing had never encountered such a situation before and was somewhat unable to react. However, when she saw that Shi Xu was also in a daze, she asked doubtfully, "Brother Shi, don't you know?"

Tao Yuxuan interrupted, "I haven't told Big Brother Shi Xu yet. I wanted to give him a surprise."

How was this a surprise?

It was only a shock!

Forget it, there was indeed a surprise.

Shi Xu was already in a state of mind as he said firmly, "I will definitely take responsibility!"

***novelusb.com***

"How are you going to take responsibility? You and I still have an engagement." Xu Ziqing panicked and said, "Brother Shi, have you forgotten what Grandfather said?"

Grandpa Shi wanted him to treat Xu Ziqing well.

Tao Yuxuan retreated in order to advance. "I know that my background is not good enough for Big Brother Shi Xu.

"Brother Shi Xu, I don't want you to be responsible. I will raise the child myself."

Xu Ziqing immediately said, "Let's get rid of the child while it's still young."

She would never allow her plan to marry into a wealthy family to have even the slightest mistake!

She just did not expect that before she married into the Shi family, she would start dealing with the women around Shi Xu.

One really did not know a person by his appearance. She had thought that he was not the kind of rich second-generation that would fool around.

Xu Ziqing was frustrated.

Tao Yuxuan was addicted to acting. "No! I don't want to abort this child! Get married and leave me alone!"

After saying that, Tao Yuxuan stood up and left.

Shi Xu hurriedly chased after her.

Xu Ziqing also wanted to chase after him, but she was wearing high heels and sitting on the inside. It would be troublesome even if she got up, so she could only give up.

Shi Xi was eating a vanilla puff, breaking the silence. She asked, "Do you want to eat?"

"No!" Xu Ziqing's eyes were filled with viciousness, but she quickly regained her gentleness and smiled. "I remembered that I still have some matters to attend to, so I'll be leaving first."

Shi Xi looked at Xu Ziqing's change in expression and thought to herself that if she were to become an actress, she would probably be able to do quite well.

Just as Shi Xi finished eating the puffs and was about to leave, the shop assistant walked up to her. "Miss, are you paying now?"

Shi Xi: "...Yes."

They had all agreed to treat her, but why was she the one to pay in the end?!

Just as Shi Xi was about to pay, a few young boys and girls sized up Shi Xi and asked, “Are you Shi Xi?”

Shi Xi pushed up her glasses. “No, you’re mistaken.”

“You’re Shi Xi! Your voice is exactly the same!”

Shi Xi raised a finger. “Shh — lower your voice.”

“Can you give me your autograph? I’m your fan. I like you so much!” As she said that, one of the fans even took out Shi Xi’s polaroid that she always carried with her.

She always carried such things with her. It seemed like she really loved her.

“Wait for me to pay the bill.” After Shi Xi paid the bill, she signed her autograph for her fans.

However, once there was one, there would be a second one.

More and more people were looking for her autograph. Some people surrounded Shi Xi and refused to leave. They took photos and videos. Some people even turned on their livestreams.

Fortunately, the fans who recognized her were still there. They protected her and let Shi Xi come out of the coffee shop.

Just when she was about to call for a car, she saw a familiar car.

It was Xie Yunzhou’s car!

Woo-woo! Just in time!

Chapter 398 Chu Tang Workshop, Chu Hua

Chu Tang Workshop.

Upon hearing this name, Shi Xi thought that it would be made into qipao or Han clothing.

However, after entering, Shi Xi saw that most of the clothes inside were modern.

In the spacious shop, there were all kinds of men’s and women’s clothes. There was only one of each style.

At the very edge of the shop, there was a separate shelf with a few pieces of ancient-style clothes hanging on it. It was very elegant.

When the shop assistant saw Xie Yunzhou, she smiled in a familiar manner. “Mr. Xie, Sister Chu is drawing a design upstairs. I’ll go get her.”

Xie Yunzhou replied.

Shi Xi glanced over and asked, “Are all your clothes made here?”

Xie Yunzhou said, “Some of them are.”

As they were talking, a gentle woman came down from upstairs. She had a gentle look on her face and said with a smile, “Yunzhou, are you here to make clothes?”

Xie Yunzhou looked at Shi Xi and said, "Make them for her."

Shi Xi was looking at the clothes on the clothes rack when she heard the sound. She looked up at the lady boss of Chu Tang Workshop.

The two of them looked at each other.

When Chu Hua saw Xie Yunzhou bringing a girl over, the smile on her face froze for a moment.

Xie Yunzhou introduced, "This is the lady boss of the Chu Tang Workshop, Chu Hua. Chu Hua, this is Shi Xi."

"Hello, Miss Shi." Chu Hua looked at Shi Xi with a polite business smile on her face. "What kind of clothes do you want to make, Miss Shi?"

Shi Xi asked, "Do you have any recommendations?"

Chu Hua introduced, "These stand-up collars are all popular with customers recently. Miss Shi has a good figure, so they will definitely look good on you."

Shi Xi's gaze swept over and landed on a row of warm-colored clothes hangers. "Did you make these too?"

Chu Hua said, "These are made by an intern. If you like them, I can get her to design clothes for you."

Chapter 399 Don't You Mind?

Shi Xi said, "Sure."

Chu Hua introduced, "Miss Shi, the clothes of the Chu Tang Workshop are all individually designed and handmade. The design drawings will be produced within a week, and the construction period for making the clothes will be three weeks."

The construction period was really long.

Shi Xi said, "Then order two more sets."

She was already here.

The shop that Xie Yunzhou recommended shouldn't be bad.

At this moment, a girl wearing black-rimmed glasses came in with a pile of cloth in her hands.

"Song Song, Miss Shi likes the clothes you designed. Go and measure them for her," Chu Hua instructed.

The girl called Song Song hugged the cloth and said, "Okay, please wait a moment. I'll put the cloth in the warehouse first."

When Song Song went to the warehouse, Xie Yunzhou looked at Shi Xi and suggested, "The clothes made by Chu Hua are very good."

"Miss Shi likes Song Song's design, so let Song Song do it." Chu Hua smiled and said, "Yunzhou, I had nothing to do recently, so I made a set of clothes for you. Can I give it to you to try?"

Before Xie Yunzhou could say “No”, Chu Hua had already gone to get the clothes.

**novelusb.com**

When Shi Xi heard this, a gossipy look flashed in her eyes as she asked softly, “Are you very familiar with Boss Chu?”

Xie Yunzhou explained, “The elders are familiar.”

“Childhood sweethearts?” Shi Xi guessed.

Xie Yunzhou said, “No, I grew up in Yanjing. She’s always been in Feng City.”

Shi Xi wanted to continue gossiping, but the intern Song Song had already sent the cloth to the warehouse and came back to look for Shi Xi.

“Hello, Miss Shi. May I know what kind of clothes you would like to wear? What color?” Song Song took a notebook and recorded as she listened to Shi Xi’s description.

Shi Xi casually mentioned the clothes she wanted and said, “You can do the rest yourself.”

Song Song put away the notebook. “Alright, Miss Shi. I’ll measure you.”

When Shi Xi was taking her measurements, she saw Chu Hua pestering Xie Yunzhou about something.

Even someone with a low EQ like her could tell that Chu Hua definitely liked Xie Yunzhou.

Otherwise, she wouldn’t have been so eager to give him clothes.

“Let’s give it a try. We’re not in a hurry anyway.” Shi Xi looked at Xie Yunzhou and tried to persuade him.

The assistant looked at his phone and said, “President Xie, you have a meeting to go back to this afternoon.”

Xie Yunzhou said, “I won’t try on the clothes. I’ll go back for a meeting first.”

Chu Hua finished putting the clothes on and handed it over. “Then you can bring it back to try it on. If there’s anything that doesn’t fit, I’ll change it for you.”

Xie Yunzhou did not take it immediately.

The atmosphere instantly stiffened.

Just as Chu Hua’s smile could no longer be maintained, Xie Yunzhou finally took the clothes over.

Xie Yunzhou said, “I’ll get my assistant to transfer the money for the clothes to you.”

Chu Hua hurriedly said, “This shirt is for you. There’s no need for us to be so distant, right?”

“You open a shop to do business.” Xie Yunzhou glanced at Shi Xi. “Let’s go.”

Shi Xi added Song Song’s WeChat and followed Xie Yunzhou out.

After getting into the car, Shi Xi asked, “You persuaded me to buy clothes designed by that lady boss. Why don’t you wear the clothes designed by her yourself? I think they’re not bad!”

The assistant who was driving in the front row was speechless.

Xie Yunzhou looked at Shi Xi and asked, "Don't you mind?"

Shi Xi suddenly understood. "You want to bring them back and wash them before you wear them, right?"

Xie Yunzhou: ?

Shi Xi: "I don't like to try on clothes either. It's best to wash the new clothes before wearing them."

Xie Yunzhou: That's not what he meant!

Chapter 400 Wedding Dress?

"I'll get my assistant to pay for the custom-made clothes." Xie Yunzhou changed the topic. "What do you want to eat?"

"Ah?"

The topic changed too quickly, and Shi Xi had yet to react.

'Alright, I'll buy a set of clothes for Xie Yunzhou next time as a return gift.'

"Don't you have a meeting to go back to? You still have time to eat?" Shi Xi asked doubtfully.

Xie Yunzhou: "It doesn't matter whether I go to the company's regular meeting or not."

Shi Xi thought that it made sense. He was the boss himself.

She thought about Tao Yuxuan and then thought about Xie Yunzhou.

Shi Xi suddenly wanted to go to work at the Shi family's company. It was fine to skip work anyway.

Sob, sob.

She still had a night scene in the evening.

"I have to go back to shoot a scene tonight. I won't eat." Shi Xi sighed. "The director said that if I eat again, I won't be able to wear the wedding dress that he prepared for me."

"Wedding dress?" Xie Yunzhou frowned.

"Yes, there are two wedding scenes. The wedding dress was custom-made by a designer." Shi Xi gestured and said, "That wedding dress shows my stomach."

"Two wedding scenes?" Xie Yunzhou gritted his teeth.

"Yes." Shi Xi comforted, "Don't worry. When the show is broadcast, I'll cut out the wedding scenes for you guys to see how I look in my wedding dress."

The assistant in the front row thought to himself, "Enough, enough. Miss Shi Xi, do you not notice that President Xie is angry?"

Xie Yunzhou took a deep breath and suppressed the dissatisfaction in his heart. He smiled and said, "I'll send you to the production team."

Although they did not have a meal together, Xie Yunzhou bought many desserts for Shi Xi so that she could eat them when she was hungry.

Seeing so many high-calorie desserts, Shi Xi gave them to Zhu Lin and Xiao Tian with tears in her eyes.

After sending Shi Xi back to the set, his assistant looked at Xie Yunzhou who was thinking about his life in the back seat, and asked, "President Xie, do you want me to find the screenwriter to change the script?"

Xie Yunzhou leaned against the back of his chair and thought for a long time before saying, "Make a copy of the script and put it on my desk tomorrow morning."

His assistant said, "Okay."

Xie Yunzhou did not want to interfere with Shi Xi's career.

He just wanted to see how far the script would go.

Anyway, it was filming, so it was all fake.

Xie Yunzhou told himself that it was all fake.

Fake.

He was still so angry!

Even if it was fake, he was still angry!!

The night scenes started at 7 o'clock and continued until midnight before everyone got off work.

When Shi Xi returned home, it was already 1 o'clock.

Shi Xi, who was extremely tired, took a simple shower, charged her phone, lay on the bed, and went to sleep.

She did not care that the phone charger was not plugged in.

There was a knock on the door.

Shi Xi opened her eyes half-asleep. "Come in."

Shi Xu pushed the door open and came in. "Xu Ziqing said that she wishes us happiness and will not disturb us anymore."

Shi Xi covered her head with the blanket.

She wanted to say that it was too early to be happy. Xu Ziqing was not a simple green tea.

But she was too sleepy.

Shi Xu saw that his sister was so sleepy that she could not speak, so he considerately tucked her in.  
“We’ll talk about it tomorrow. Have a good rest. Good night.”

Shi Xi muttered, “Good night.”

On the internet, the video of Shi Xi being picked up by a luxury car quickly circulated.

[Isn’t Shi Xi a fake heiress? She can’t afford such a car, right? So whose car is this?]

[There’s a man inside. From the video, I can see a small part of his chin. He’s definitely Shi Xi’s financier.  
No wonder Shi Xi can play the female lead now. It turns out that there are people supporting her.]

[Shi Xi has been dating since her debut. She has been performing variety shows nonstop. It’s great that she has someone backing her!]

[Those who can afford this kind of car are probably rich old men. Shi Xi can really sleep with them.]
