

The Fake 411

Chapter 411 Garlic Lobster and Spicy Crab, Thank You

After Shi Xi arrived at the set, she only shot one scene before it started to rain.

Seeing that the rain didn't stop, the director had no choice but to call it a day and inform everyone to start work early the next day.

They would make up for the parts that they hadn't finished shooting today.

Shi Xi stretched and prepared to go back to rest.

"Shi Xi, let me treat you to a meal." Lou Ruicong looked at his schedule and came over to look for Shi Xi.

Shi Xi asked curiously, "Hm? Why did you suddenly treat me to a meal?"

"Recently, there are quite a few paparazzi filming me. I want to have a meal with you to give them some results." Lou Ruicong said, "And also to stir up some gossip. It will be beneficial to the broadcast of this drama."

This was the first time Shi Xi had been treated to a meal for such a strange reason.

When she heard that, she actually felt like going.

"Is there any other reason?" Shi Xi asked.

Lou Ruicong said honestly, "I want to get to know more artistes and friends."

Shi Xi felt that this reason was not good. "There are other artistes in the production team."

Lou Ruicong said in disdain, "They're all too muddle-headed."

Shi Xi: "..."

No wonder Lou Ruicong could not make any friends.

Lou Ruicong said again, "Brother Han said that he wanted me to build a good relationship with you. You're the big miss of the company. You're beautiful and famous. I'll have meat to eat if I follow you."

Han Chuan was an excellent manager.

It was a pity that he brought along such a fool.

"Let's go. Let's have dinner together." Seeing that Lou Ruicong was praising her, Shi Xi accepted the invitation to dinner.

Lou Ruicong followed behind Shi Xi and said, "Although your acting skills are average and your work attitude is a little perfunctory, your character is not bad."

Shi Xi defended herself, "My acting skills... Forget it. Let's go have dinner."

Her acting skills were considered outstanding among the artists of her time.

Although she could not be compared to veteran actors, she had never lost to any of her peers.

Shi Xi couldn't be bothered to argue with Lou Ruicong, so she brought him straight to dinner.

When she saw Lou Ruicong and Shi Xi get into the car together, Zhu Lin was a little surprised.

"Where are we going to eat?" Shi Xi asked casually.

Lou Ruicong: "Anything is fine. You decide."

Wasn't he the one treating her to dinner?

Shi Xi: "Then let's eat Western food."

Lou Ruicong: "But I want to eat Chinese food."

Shi Xi said, "Hot pot?"

Lou Ruicong said, "I don't like the smell on my body. I just bought this shirt."

Shi Xi said, "...Let's go to Qingshui Restaurant. It's Chinese food there. There's no smoke."

Lou Ruicong said, "But it's too expensive there. I can't afford it."

"I'll pay." Shi Xi still had the card to Qingshui Restaurant.

"Eh, this seat can be put down." Lou Ruicong put down the back of his chair and lay down in satisfaction.

"I'll sleep for a while. Call me when we get there."

Seeing how rude Lou Ruicong was, Shi Xi wanted to ask Han Chuan where he got such a weirdo.

She couldn't get angry. If she got angry, there wouldn't be anyone to replace her.

Seeing that Shi Xi was going to bring Lou Ruicong to eat, Zhu Lin hurriedly sent a message to Han Chuan.

Han Chuan: [It's okay, just don't cause any trouble.]

Zhu Lin prayed that the two of them wouldn't cause any trouble.

It would be best if they went back to their respective homes after eating and went to their respective mothers.

When they arrived at Qingshui Restaurant, Shi Xi flipped through the menu and ordered two dishes for Lou Ruicong to order.

Lou Ruicong said, "Garlic lobster and spicy crab, thank you."

Shi Xi said, "I'm allergic to seafood."

Lou Ruicong was stunned for a moment before asking, "Can you smell it?"

Shi Xi paused. "Sure."

But her friends knew that she was allergic to seafood and would not usually order seafood.

Especially since there were only two of them.

Lou Ruicong smiled considerably and said, "Don't worry, I can finish it. My appetite is huge."

Shi Xi: Who cares if your appetite is huge!!

Chapter 412 Are You Shi Xi's Boyfriend?

When the food was served, Shi Xi stared at the lobster and the tempting crab legs in front of her, her eyes wide open.

She really wanted to eat it!

Shi Xi had no choice but to order another roasted pork trotter to make her eat something more greasy so that she wouldn't think about eating lobster and crab.

*

Xie Yunzhou and his partner came to Qingshui Restaurant to eat.

When the receptionist saw Xie Yunzhou, she whispered, "Mr. Xie, Miss Shi is having a meal with a man in Private Room 8."

Xie Yunzhou asked, "With who?"

The receptionist shook her head. "I don't know him. It's not Mr. Shi. He's a very handsome man."

Lou Ruicong was very handsome, but he was very muddled.

Xie Yunzhou had his assistant bring his partner to the private room to order dishes first. He knocked on the door of Private Room 8.

"Come in."

When Xie Yunzhou entered the room, he saw the lobster on the table.

And spicy crab.

And roasted pig trotters.

Shi Xi took a disposable glove and was eating roasted pig trotters. When she saw Xie Yunzhou enter, she was a little surprised. "Have you eaten? Sit down and join us?"

Xie Yunzhou's gaze swept over Lou Ruicong and instantly became alert.

He knew that Shi Xi liked good-looking people.

And this man was very handsome.

"I came to have dinner with a friend. I found out you're here, so I came to say hello." Xie Yunzhou sat beside Shi Xi and asked, "You're allergic to seafood. Why did you order lobster and crab?"

"He's not allergic." Shi Xi introduced, "He's the male lead who acts with me, Lou Ruicong. He's also at Kuaixue Entertainment. Lou Ruicong, this is my friend, Xie Yunzhou."

Lou Ruicong was eating crab legs. When he saw Xie Yunzhou, he said bluntly, "Are you Shi Xi's boyfriend? Don't be jealous. Shi Xi and I are just friends."

When he finished his sentence, Shi Xi said helplessly, "He's not my boyfriend."

Lou Ruicong saw Xie Yunzhou's gaze and looked at Shi Xi. "Don't worry. I won't say anything."

"We're really just friends. He and my brother have a working relationship." Shi Xi looked at Xie Yunzhou. "Say something!"

Xie Yunzhou said plainly, "We're friends now."

The future was not certain.

When Shi Xi heard that, her heart was in turmoil.

They were friends now.

They might be enemies in the future?

D*mn it, Xie Yunzhou was still in the dark, thinking of killing her one day, right?

The little deer in Shi Xi's heart almost died.

Lou Ruicong said to Xie Yunzhou, "Don't worry, Mr. Xie. I'm not interested in Shi Xi. I like gentle girls."

Shi Xi: ?

Wasn't she gentle?

Xie Yunzhou looked at the lobster and crab on the table and probably knew that this person had no intention of pursuing Shi Xi.

"Call me after dinner. I'll send you back," Xie Yunzhou said to Shi Xi.

Shi Xi refused, "No need. Xiao Tian will send me home."

She had a chauffeur!

"I have something to do, so I'll send you home." Xie Yunzhou raised his hand and ruffled the girl's hair. "Remember not to eat seafood."

After Xie Yunzhou left, Shi Xi looked at the roasted pork trotters in her hand and felt that they did not smell good.

Did something happen in between?

Why did she feel that Xie Yunzhou's attitude toward her was different?

"If you want to eat with your boyfriend, I don't mind eating alone," Lou Ruicong said bluntly. "As long as you don't forget to pay the bill."

"He's not my boyfriend," Shi Xi affirmed once again and whispered, "He's the man who wants my life."

Lou Ruicong: "I can tell that he likes you."

Shi Xi feebly gnawed on the roasted pig trotters. "How is that possible?"

Lou Ruicong looked at Shi Xi. "It's indeed unlikely. Other than your good looks, you don't have any other traits that people like."

Chapter 413 Darkness

Shi Xi was displeased. "How could I be so bad?"

Lou Ruicong: "Tell me about your own good points."

Shi Xi: "I'm good-looking..."

"What else?"

Shi Xi paused.

What other good points did she have?

She could sing and dance, an all-rounder. This was the basic quality of an artiste.

A good personality — her personality was really not that good.

Working hard?

Recently, Shi Xi only wanted to get off work and lie flat as a salted fish.

Kind and gentle?

It didn't seem to have anything to do with her.

Shi Xi was flustered. "Eat your food!"

Lou Ruicong reminded her, "Be more gentle."

After eating, Lou Ruicong left first.

Shi Xi waited for a while before sending Xie Yunzhou a message to send her home.

Sitting in the car, Shi Xi was still thinking about whether she had done anything bad recently.

Other than reporting her anti-fans, she hadn't done anything out of the ordinary!

"Why did you go to find my brother?" Shi Xi asked.

"It's just a small matter." Xie Yunzhou didn't elaborate.

Sitting with Xie Yunzhou, Shi Xi felt like she was sitting on pins and needles. She took out her phone and started playing.

Her phone vibrated. It was a call from Tao Yuxuan.

Shi Xi picked up the call. Before she could speak, she heard Tao Yuxuan shouting, "Help! Sob, sob—"

"Where are you? Tao Tao?" Shi Xi could not hear the voice behind her.

The call was hung up by the other end.

Xie Yunzhou asked, "What's wrong?"

"Tao Tao seems to be in trouble." Shi Xi called back, but no one picked up.

“Do you know where she is?”

“I don’t know. She didn’t say.” Shi Xi suddenly remembered that when Tao Yuxuan left in the afternoon, she had said that she wanted to play at Charm. “Charm!”

Xie Yunzhou instructed the driver to go to Charm. At the same time, he contacted the manager of Charm and asked him if Tao Yuxuan was playing there.

“Miss Tao has been playing here all afternoon. I’ll go and see if she’s still there.” The manager didn’t dare to be negligent.

Meanwhile, Shi Xi called the Tao family and asked if Tao Yuxuan had returned home.

Thinking of the mutual friend who was close to Tao Yuxuan, Shi Xi called Leng Qiankun again to ask.

Leng Qiankun was at Charm. After hearing that, he immediately helped to find Tao Yuxuan.

..

Tao Yuxuan drank some wine, but she was still sober, so she did not ask her friend to send her home.

She called for a designated driver and slowly went to the underground garage.

But just as she reached her car, a man behind her covered her mouth and dragged her to the blind spot in the garage.

Tao Yuxuan struggled in fear, but her legs were controlled by another man.

That man was still touching her leg, and his perverted eyes made people uncomfortable.

Who was going to deal with her?

Tao Yuxuan reached for her phone and dialed the nearest number. “Help—”

Her phone was pulled out and the man hung up the call. His smile was obscene.

Tao Yuxuan only felt darkness before her eyes.

..

After Cheng Yue parked her car, she met a designated driver.

The designated driver saw Cheng Yue and asked, “Miss, did you call for a designated driver?”

Cheng Yue replied, “I just arrived. I didn’t get a designated driver.”

The designated driver held his phone and asked, “May I know where this parking spot is? I’ve been looking for it for a long time, but I still haven’t found it.”

Cheng Yue pointed in a direction. “It’s over there.”

The designated driver looked conflicted. “I came from that direction. There seem to be a lot of rats over there. I don’t dare to go over.”

Cheng Yue: “...I’ll accompany you.”

“You’re such a good person!” The designated driver’s eyes were filled with gratitude.

“It’s fine.”

Cheng Yue’s original intention was to solve the citizens’ problems.

Anyway, she had investigated Leng Qiankun so many times, but she did not find any useful information.

*

Cheng Yue is a member of the small police squad that follows Ning Yu around.

Chapter 414 Knocking Someone Away

So, Cheng Yue followed the designated driver to the place where he said there were a lot of rats.

When the designated driver saw the familiar license plate, he thanked Cheng Yue. “Thank you so much!”

Cheng Yue waved her hand. “It’s okay.”

Seeing that the passenger had not arrived yet, the designated driver called to urge her.

!!

Just as Cheng Yue was about to leave, she heard a rustling sound.

She realized that something was not right, so she walked over to take a closer look.

In the blind spot, Cheng Yue saw two men holding a girl with evil intentions.

“What are you doing?!” Cheng Yue shouted sternly.

The two men saw another beautiful girl, but they were not afraid. They threatened her, “Mind your own business, or else I’ll take care of you too!”

As the most outstanding graduate of the National Police Academy and a member of Team Zero, how could Cheng Yue turn a blind eye to this?

She kicked them!

The two men were no match for the National Police Academy’s champion of free combat.

When the designated driver heard the noise, he rushed over to take a look.

When he saw this situation, he immediately called the police.

When the two men saw that there were more and more people, their hearts wavered and they prepared to run away.

Cheng Yue subdued one man and watched the other man run away.

Cheng Yue said to the designated driver, “Hurry up and chase after him!”

The designated driver had never seen such a scene before. He stood rooted to the ground, not daring to move. The man who had run away had already rushed out of the underground garage and ran out.

Cheng Yue grabbed the handcuffs that she had brought with her and cuffed him. She looked at the bullied girl and asked, "Are you okay?"

Tao Yuxuan hugged her clothes tightly and sobbed softly.

At this moment, Leng Qiankun finally led his men to the underground garage.

When Cheng Yue saw Leng Qiankun, she finally remembered that this girl was a good friend of Leng Qiankun's: Tao Yuxuan.

*

Shi Xi and Xie Yunzhou were still on their way to charm.

When they saw the red light, Shi Xi only wanted to quickly remove the broken light.

The assistant knew it was urgent, but he didn't dare to run the red light.

After the red light passed, he slowly increased his speed.

However, just as he was about to reach charm, a person suddenly rushed out and rushed to the middle of the road regardless of the traffic lights.

The assistant didn't even have time to brake and crashed straight into the person, sending him flying.

This scene happened too suddenly, and none of them had expected it.

After the assistant realized that he had hit someone, his hands began to tremble. "Did I kill someone?"

Xie Yunzhou calmly analyzed, "He was the one who didn't see the red light and ran up. He's fully responsible."

Shi Xi sighed. "You guys handle this here first. I'll go and have a look at Charm."

A person's life was at stake, whether it was this pitiful person who had been hit or Tao Yuxuan.

The assistant looked at Xie Yunzhou.

However, Xie Yunzhou also followed Shi Xi out of the car.

The assistant called out to Xie Yunzhou, "President Xie, how should we handle this?"

Xie Yunzhou paused for a moment. "Send him to the hospital first, then get the traffic police to handle this matter."

The assistant looked at Xie Yunzhou's back and felt bitter in his heart.

He was originally a migrant worker, but after following Xie Yunzhou around, he had endured too many things that didn't belong to his age.

Was this society?

The assistant called the ambulance and asked them to come quickly.

During this time, the assistant went to the person who was hit and tested his breath.

He was still breathing. He was not dead.

As long as he was not dead, everything was fine.

The assistant wanted to inform the person's family, but the person's cell phone was hit in the middle of the road and crushed by other cars.

Looking at the traffic, the assistant gave up the impulse to pick up the cell phone.

He was afraid of death.

The ambulance quickly came to pick up the man.

The assistant, as the main person in charge, followed him to the hospital.

Chapter 415 Watch For Red Lights When Crossing the Road

Charm.

In the private room, Xu Ziqing was standing by the window. When she saw the police cars and ambulances appear, she felt uneasy.

She had seen Tao Yuxuan drinking in Charm at night, so she had asked someone to teach Tao Yuxuan a lesson.

It would be best if she lost her reputation and had no more strength to go against her.

However, the development of the matter was completely out of her control.

Why had the police car and the ambulance come?

When she recalled that someone had come to check on her, Xu Ziqing became even more nervous.

She wanted to call the person she had contacted to ask about the current situation, but she was afraid that she would be dragged into it.

After thinking for a while, Xu Ziqing walked into the bathroom and took out the cell phone card she had used to contact that person. She broke it and flushed it into the sewer.

As long as she did not admit it, the other party would not be able to do anything to her.

After everything was done, Xu Ziqing accompanied her friends as usual, singing and drinking.

She hoped that nothing would come knocking on her door.

*

At the hospital.

Although Tao Yuxuan was not violated, she was mentally stimulated.

Shi Xi and Leng Qiankun thanked Cheng Yue.

If Cheng Yue had not saved her in time, Tao Yuxuan might really have been assaulted.

Cheng Yue said, "There were two people involved in the crime. One was caught, and the other escaped. I've already sent someone to check the surveillance cameras in the garage. We'll catch him as soon as possible."

"Who on earth would want to harm Tao Tao over and over again?" Shi Xi could not understand.

Last time, Tao Yuxuan had almost been hit by a car. This time, she had been held hostage in the underground garage.

"Over and over again?" Cheng Yue asked from the side, "Has this happened before?"

Shi Xi said, "Last time, she was almost hit by a car."

Thinking of this, Shi Xi recalled the situation last time.

The person who hit Tao Yuxuan last time had already been caught, but the driver was one of Xu Ziqing's ex-boyfriends.

Could it be that this time, it was also Xu Ziqing's doing?

Because Tao Yuxuan had affected her path, so Xu Ziqing had made such a decision?

Shi Xi said, "I suspect that this matter has something to do with Xu Ziqing. You can start with her."

Although Tao Yuxuan had a bad personality, she still had quite a number of friends in the circle. Not many people dared to provoke her.

Recently, the only person who had a grudge against her was Xu Ziqing.

Cheng Yue nodded, and her phone rang at the right time. She picked it up and listened to a few sentences, then reported the latest progress to everyone. "The one who was caught is just a lackey. He said that everything was done by another person, including the fact that they did this, and that the criminal who escaped was also in contact with them."

Now, it was time to find the criminal who escaped.

..

In the hospital, the assistant was paying for the hospitalization of the person who was hit by the car when he saw Xie Yunzhou in the corridor.

The assistant seemed to see his family as he went forward and said, "The patient is still being treated, but his cell phone was broken. I can't contact his family. I can only wait for him to wake up before informing them."

Xie Yunzhou asked, "What did the traffic police say?"

The assistant said, "The traffic police saw the video and confirmed that it was the passersby who takes full responsibility."

Under such circumstances, the assistant and Xie Yunzhou didn't need to care anymore.

But after all, it was their car that hit the person, so the assistant felt uneasy.

Anyway, it was Xie Yunzhou's money that helped pay for the medical expenses.

"I got it. You can handle it yourself." Xie Yunzhou nodded casually and let the assistant continue to handle it. He then reminded, "Remember to send the car to be repaired."

People like this who ran a red light to seek death were hurting their cars.

It was not worth it for the assistant to rush over for the person who was hit.

You have to look at the red light when crossing the road!

Chapter 416 Eating Steamed Dumplings While Crying

The doctor prescribed some sleeping pills for Tao Yuxuan and let her rest.

Shi Xi heaved a sigh of relief when she saw Tao Yu Xuan sleeping soundly through the ward's glass.

It was good that she was fine.

Xie Yunzhou held her shoulder and said in a low voice, "Leave this to the police. Go back and rest."

Shi Xi said, "I don't have any scenes tomorrow morning. I'll stay here with her today."

Xie Yunzhou stroked the girl's head. "There are nurses guarding this place."

"There's still a bed in the ward. I'll rest well," Shi Xi said. "You go back first. I'm already very embarrassed that I caused your car to hit someone."

If she had not come to find Tao Yuxuan, Xie Yunzhou's assistant would not have gone to Charm and would not have hit someone.

"People who don't look at traffic lights will get into trouble sooner or later. Don't take it to heart," Xie Yunzhou comforted her.

Shi Xi forced a smile.

Leng Qiankun saw that the two of them were close and frowned slightly. "I'll stay with Tao Yuxuan too."

Cheng Yue interrupted, "Mr. Leng, you'd better come back to the police station with us to take a statement."

Leng Qiankun's eyes were gloomy. "Officer Cheng, I know you don't like me."

"But Tao Yuxuan is my friend. I won't hurt my friend."

Cheng Yue: "Let's save these words for the investigation."

She really didn't like Leng Qiankun.

After Leng Qiankun was taken away by Cheng Yue, Shi Xi looked at Xie Yunzhou who hadn't left yet, and asked, "Don't you have something to tell my brother?"

"It's just a small matter. There's no rush," Xie Yunzhou said. "Call your bodyguard over and have her accompany you."

“At the hospital... Alright, I’ll call her right away.” Shi Xi called Xiao Tian and asked her to come over to work overtime.

After hanging up the phone, Shi Xi looked at Xie Yunzhou who was sitting on the bench in the corridor and had no intention of leaving. She asked, “Are you going to stay here?”

Xie Yunzhou said, “I’ll leave when your bodyguard arrives.”

Shi Xi sat down beside him. “Alright.”

Tao Yuxuan was arranged to stay in the VIP ward, and the corridor was much quieter.

Too many things had happened during the day, and Shi Xi felt a little sleepy after sitting there for a while.

Xie Yunzhou felt his shoulder sink. He turned his head to take a look and realized that the girl had fallen asleep on his shoulder.

It was really easy to put on a brave front.

There was only one bed in the VIP ward, but there was a sofa.

Xie Yunzhou placed the girl on the sofa and found a blanket to cover her.

Looking at Shi Xi who was sleeping soundly, Xie Yunzhou could not help but reach out and pinch her face.

Tsk, she did not remove her makeup. It was all foundation.

*

When Tao Yuxuan woke up, she smelled the fragrance of flowers.

When she opened her eyes, the sky was already bright.

“You’re awake?” Shi Xi placed the flowers on the bedside and asked, “How are you? Are you feeling unwell?”

“Am I in the... hospital?” Tao Yuxuan was still a little confused.

“Yes,” Shi Xi said, “If you’re hungry, get up and brush your teeth and wash your face. I’ve already bought breakfast.”

Tao Yuxuan recalled what had happened last night. Everything seemed to be a dream.

After waking up, she was surrounded by her good friends, fresh flowers, and hot breakfast.

After washing up mechanically, Tao Yuxuan ate the steamed dumplings and cried, “Sob, sob, sob, sob. I thought I couldn’t escape yesterday. They’re so disgusting, I can’t beat them sob, sob, sob, sob, sob.”

Shi Xi sat beside her and patted her back, comforting her, “Don’t cry, don’t cry. Eat the steamed dumplings first before you cry, don’t choke.”

Tao Yuxuan cried as she ate the steamed dumplings.

Chapter 417 Shi Xi and Ruicong Tryst

Tao Yuxuan cried and ate breakfast before recovering.

There must be good fortune after surviving a great disaster.

Tao Yuxuan comforted herself.

“Have you caught those two trash?” Tao Yuxuan asked.

“Yes, one is in the police station and the other has a concussion after being hit. I don’t know if he will wake up.” Shi Xi poured herself a cup of flower tea and was momentarily speechless when she thought of the magical things that happened last night.

“A concussion from being hit? What happened?”

“There was a criminal who escaped and ran through a red light and was knocked into the hospital,” Shi Xi explained vaguely.

Last night, the police followed the surveillance footage and found the criminal who escaped.

He was also the pitiful person who was hit by Xie Yunzhou’s assistant.

The world was really small.

When Tao Yuxuan heard this, she pondered and said, “It’s really a good turn of events. I want to thank the person who hit him with a car!”

Shi Xi: “...Have some flower tea.”

According to what she knew, Xie Yunzhou had given his assistant double his salary this month to soothe his injured little heart.

The person who was hit with a concussion did not wake up, and his phone was smashed into pieces. For the time being, the mastermind could not be found.

However, Shi Xi felt that Xu Ziqing was the one who did this.

Tao Yuxuan was not injured. In the morning, she underwent a physical examination and a psychological test before she was discharged from the hospital.

When Shi Xi returned to the set, she saw that Lou Ruicong’s eyes were filled with joy.

“What good news?” Shi Xi asked casually.

“You and I have been trending.” Lou Ruicong showed his phone screen to Shi Xi and said, “I told you that there were paparazzi following me.”

Shi Xi looked at the ‘Top 46’ of the trending list and thought to herself, how could this be called trending?

It should at least be in the top three of to be trending, right?

“Let me see what the paparazzi have taken.” Shi Xi turned on her phone and browsed the top search rankings.

#Shi Xi Lou Ruicong Tryst#

The paparazzi’s topic was nothing new.

Accompanying it was an extremely blurry video. Shi Xi and Lou Ruicong could be seen having dinner together in the middle of the night.

The two of them chatted as they walked. From the video, it seemed to be somewhat intimate.

Below were the comments of Shi Xi’s fans: [It’s just a work gathering, there’s no love! I refuse to be tied up!]

[Partner, work gathering. I hope that everyone will pay attention to Shi Xi’s new drama, [Meeting You In the Depths of Time].]

[Who is this man? Why haven’t I heard of him before?]

Very quickly, there were people below who introduced Lou Ruicong to the public.

In short, he was an actor with good acting skills who worked in the same company as Shi Xi.

The trending searches were not very high. The two of them were filming together, and the photos taken by the paparazzi did not prove anything. The netizens all felt that the two of them were starting to hype up the new drama.

Han Chuan and Zhu Lin did not take it to heart.

Only Lou Ruicong, who had not been on the trending searches for a long time, was very happy to see his name appear on the trending searches.

As expected, there was meat to eat with Shi Xi!

Not only did he get a free dinner, but he also got on the hot searches!

The makeup artist put makeup on Shi Xi, Shi Xi scrolled through Weibo, and saw Nan Wan’s hot searches again.

#Nan Wan’s ‘Xianxia Fantasy’ Starts#

[Xianxia Fantasy is finally starting! Looking forward to Nan Wan’er’s [Xianxia Fantasy]~]

[Awww, it’s good to start. The clothes and makeup are online. Nan Wan is awesome!]

[A great beauty is a fairy! I’m looking forward to Nan Wan’s performance in [Xianxia Fantasy].]

Other than the fan-obsessed comments, there were also some discordant comments.

[If she’s dressed in white, she’s a fairy? Is this okay? She doesn’t even have two hairpins in her hair. How can this be called make-up online?]

[Nan Wan looks gentle and generous, but her looks are really not exquisite enough. Fans, stop embarrassing yourself by calling her a fairy. You're making me feel awkward.]

Chapter 418 White Skin, Slender Waist, And Long Legs. Can See Right Into Your Heart At a Glance

Shi Xi looked at the starting frame. Nan Wan's style was simple, and she was dressed in white. It wasn't as bad as the internet claimed, but it wasn't as good as the fans claimed.

The style of an ordinary ancient puppet couldn't reach the level of a 'fairy'.

Just as Shi Xi finished putting on her makeup, Zhu Lin came in with a bag.

Zhu Lin said excitedly, "Xi Xi, this is the dress that Chu Tang Workshop made for you. Do you want to try it on?"

Shi Xi checked her makeup and said, "Try it again tomorrow. I have to film later."

"But this dress looks so good! You can wear this for the afternoon scenes!" Zhu Lin said coquettishly.

Shi Xi was currently filming [Meeting You In the Depths of Time], a modern drama. The production team would provide clothes, but if the actors wanted to wear their own clothes, the director would not say anything.

Hence, after Shi Xi joined the production team, she would wear a set of clothes for almost every scene.

In any case, she had a lot of clothes.

"Let me see how good it looks." Seeing that Zhu Lin strongly recommended it, Shi Xi took out the clothes.

It was a purple floral long-sleeved blouse. It looked ordinary, but the cuffs and necklines were designed in the shape of petals. After cutting it by hand, it looked even more elegant. It was paired with a simple white A-line short skirt, which made people look even fairer.

Shi Xi looked at the clothes and said, "It's alright. It's just normal?"

Her clothes were all very good-looking. It wasn't any worse than this, right?

"Try it on and you'll know how good it looks!" Zhu Lin said, "Xi Xi's skin is fair and beautiful. She'll definitely look even better in this dress!"

Shi Xi listened to the compliment and happily accepted the clothes, ready to change.

The clothes that she had prepared were very simple and could not compare to this set.

After changing, everyone's eyes lit up.

Shi Xi was beautiful to begin with, but no matter how beautiful she was, after being in the same production crew for a long time, they had become immune to her beauty.

And today, when Shi Xi wore this, all of her strengths were revealed. Her skin was white, her waist was thin, and her legs were long.

Everyone's gaze could not help but follow Shi Xi.

Zhu Lin held a hair tie in her hand. It was the same purple floral hair band as Shi Xi's top. "Xi Xi, let me help you braid your hair."

Her long hair and the purple floral hair tie were twined together, forming a side twist.

Her slender neck was exposed, making her look even more charming and cute.

"So pretty!" Zhu Lin could not help but take out her phone to take a photo.

Shi Xi looked at herself in the mirror and said humbly, "It's not bad. It's just average pretty."

Lou Ruicong, who was beside her, said, "It would be great if your acting skills were as good as your looks."

Shi Xi: "..."

All the good feelings of seeing pretty clothes were extinguished by these words.

"Let's go. It's time for filming," Shi Xi said weakly.

She did not want to talk to this man outside of the show anymore.

However, during filming, a group of actors secretly recorded a short video of Shi Xi looking extremely beautiful. It was posted online.

[[Meeting You In the Depths of Time], Shi Xi's new drama. White skin, slender waist, long legs. I can see right into your heart!]

In the video, the girl was wearing a purple shirt, which made her skin look even whiter. Her shoulders and neck were straight, and her long neck was as graceful as a swan.

The braided braids on the side looked cute and elegant, and her long, slender legs were even more enviable.

With just a short video, #Shi Xi's New Drama, Meeting You In the Depths of Time#, was trending.

[Wow! What a beautiful look! Sister's modern outfit is the most beautiful!]

[Ah! Ah! Ah! I'm suddenly looking forward to this drama. Every time Sister Xi has a different outfit, it seems like I'm watching a little elf!]

[Funny, isn't this make-up better than the fairy next door?]

Chapter 419 Threesome

After Shi Xi's makeup was trending on the trending searches, the trending search rankings kept going up.

One had to admit that beauty was the number one productivity factor.

And Shi Xi's makeup was always online.

The trending search had reached number one, and the passersby were all sighing with emotion.

!!

[It was a tryst in the morning, but the styling came out in the afternoon. As expected, they started to promote the new drama.]

[That must be the case. When Nan Wan's drama started filming, Shi Xi couldn't help but want to buy the trending topic. It's not the first time these two people didn't get along.]

[Although it's a historical drama and a modern drama, it still feels like Shi Xi won.]

[It's hilarious. What low B-grade drama is Shi Xi filming? Our Nan Wan is filming a movie! How can we compare them?]

[No, Shi Xi's looks are better than Nan Wan's.]

The two fans started arguing again in the comments section.

Shi Xi's looks and makeup were overpowering, while Nan Wan's fans were using movie resources to mock Shi Xi for still acting in an online drama.

While the topic was heating up, someone found out that this dress was made by Chu Tang Workshop.

As a small clothing studio, to be able to design such a dress really made many people look at it in a new light.

Some netizens liked to buy the same clothes from celebrities, so there was a high probability that they would be right.

For a time, Chu Tang Workshop became famous.

There were even people who spoke up for Chu Tang Workshop on Weibo: [My favorite small studio has finally been seen! This is a treasure shop! The clothes are all very nice! It has a great sense of design!]

[The lady boss is called Chu Hua, she is a beautiful and kind clothing designer.]

[If you like it, you can go to the shop to support her. The other clothes are also very nice!]

The topic changed immediately.

However, Shi Xi's clothes were indeed bought from Chu Tang Workshop.

Therefore, when someone asked the source of the clothes, the names of Chu Tang Workshop and Chu Hua were frequently mentioned.

Shi Xi took some time to look at Weibo and found that the people below were all Chu Tang Workshop and Chu Hua.

"Chu Hua?" Shi Xi asked Zhu Lin with some doubt and said, "Aren't my clothes made by that something called Song Song? Why does it say that the designer is Chu Hua?"

Zhu Lin scrolled through Weibo and said, "If it's two people designing together, they're both from the same studio. If they don't care, then we don't have to care."

They were consumers and were only responsible for paying for the clothes.

Shi Xi realized that after being trended on Weibo, Chu Tang Workshop's Weibo fans had soared.

Moreover, their shop had also put up the clothes.

Even if it was only pre-sold, it had already sold 100,000+ in quantity.

Seeing so many sales, Shi Xi felt that she should ask the other party for money.

Thinking of this, Shi Xi thought of it again. These were actually the clothes that Xie Yunzhou brought her to order.

Xie Yunzhou and Chu Hua seemed to have a close relationship?

Shi Xi then sent a message to Xie Yunzhou. [You brought me to Chu Tang Workshop to buy clothes. Do you want to help Chu Tang Workshop advertise?]

Xie Yunzhou did not reply immediately. Shi Xi still had scenes to shoot, so she did not mind. She put down her phone and went back to continue filming.

After Shi Xi finished filming a few scenes, she saw Xie Yunzhou's reply when she returned.

Xie Yunzhou: [If I ask you to endorse them, how much is the endorsement fee?]

Shi Xi thought that the two of them were indeed very close. He had even asked her to endorse them.

However, the endorsement was not something that she could decide on her own.

Shi Xi replied: [If you want to endorse them, you have to tell my manager, Han Chuan, and the company needs to report it.]

This time, Xie Yunzhou replied very quickly. [Let's have dinner together as a thank-you gift for this promotion.]

Chapter 420 Chu Hua Was a Very Outstanding Fashion Designer

Shi Xi thought to herself, 'This thank you gift is really light, just a meal.'

But thinking about how Xie Yunzhou treated her so many times, Shi Xi felt embarrassed again.

Speaking of which, Xie Yunzhou treated her quite well.

Xie Yunzhou also paid for this dress for her.

Shi Xi: [Okay, after I finish filming, I'll go straight to Qingshui Restaurant.]

Xie Yunzhou: [I'll pick you up.]

Shi Xi didn't quite understand. Everyone had a chauffeur, so why did Xie Yunzhou like to pick her up?

Forget it.

After Shi Xi finished her work, Xie Yunzhou came over to pick Shi Xi up.

After getting into the car, Shi Xi asked directly, "Did you deliberately bring me to Chu Tang Workshop to order clothes that day?"

Xie Yunzhou looked at Shi Xi and said frankly, "It was just a spur of the moment."

Shi Xi's eyes were filled with doubt.

How could it be such a coincidence?

Xie Yunzhou continued, "I didn't know beforehand that you would look so beautiful in Chu Tang Workshop's clothes. You even made the trending searches."

Shi Xi said, "I can make the trending searches because of my good looks."

"However, since this topic was able to reach trending one and the shop was promoted, there must be someone in the middle who is adding fuel to the fire."

"Other than you, there's only Chu Tang Workshop."

"But a small shop like Chu Tang Workshop shouldn't be able to afford the number one trending search or hire a water army, right?"

The assistant driving in front looked at Shi Xi in the rearview mirror and couldn't help but sigh with emotion at Shi Xi's analytical ability.

Shi Xi's words were not far from the truth.

At that time, after Shi Xi wore Chu Tang Workshop's clothes and went on the trending search, Xie Yunzhou had his assistant buy the number one trending search and find a water army to promote Chu Tang Workshop's reputation.

Including the sales of 100,000 units of the clothes, 50,000 units were the numbers that they had compiled.

However, selling 50,000 units was still a very beautiful number.

Xie Yunzhou did not defend himself. He changed the topic and said, "You look very beautiful in that set of clothes."

Shi Xi: "That's because I look good!"

Xie Yunzhou: ...Shi Xi was right. He could not refute.

His phone vibrated, and Xie Yunzhou picked it up to take a look.

It was a call from Chu Hua.

Shi Xi was sitting next to Xie Yunzhou, and she immediately saw the note that he had given to his phone. She turned her head and waited for Xie Yunzhou to pick up the call.

Xie Yunzhou picked up the call.

Chu Hua called Xie Yunzhou, and her tone was filled with excitement. "Today, Chu Tang Workshop is trending, and the sales of all the clothes in the shop have soared. I want to treat you to a meal, and thank you for introducing Shi Xi to customize the clothes back then."

Xie Yunzhou immediately refused. "Now is the time for your shop to be busy. You can go ahead first."

Chu Hua said, "It's because of you that the shop has such good results. So, I must treat you to a meal first. You can't refuse."

Xie Yunzhou said indifferently, "I already have an appointment tonight."

Chu Hua was a little disappointed and said, "Alright then. Are you free tomorrow?"

Xie Yunzhou knew that he wouldn't be able to escape this meal, so he said, "I'm going to Qingshui Restaurant with Shi Xi tonight. Do you want to come along?"

Hearing this, Shi Xi and Chu Hua were both stunned.

However, they were both adults, so Chu Hua quickly agreed. "Then I'll bring a few more clothes over and give them to Miss Shi."

After hanging up the phone, Xie Yunzhou said to Shi Xi, "Chu Hua is a very outstanding fashion designer. You can work with her."

Shi Xi leaned against the car seat and said weakly, "If it's about endorsements and promotions, it's better to look for my assistant or manager."

After all, Zhu Lin helped her pick out most of the clothes.

Moreover, Shi Xi didn't like to interact with strangers. She usually bought them directly and didn't need to go through so much trouble.
