

The Fake 431

Chapter 431 Xie Yunzhou Likes Her

So, did Xie Yunzhou like her?

Shi Xi secretly looked at Xie Yunzhou.

'I can't tell!'

Shi Xi's feelings were complicated.

She wanted to ask directly, but she was afraid that she would be mistaken and be regarded as narcissistic by Xie Yunzhou.

It was so difficult.

Even when she was in Qingshui Restaurant, Shi Xi was still in a dilemma.

Fortunately, Xie Yunzhou was busy with his own things, so Shi Xi was not so constrained.

Just as she was thinking, Shi Xi received a call from her mother.

"Where did you go? Why aren't you at home?" Mother Shi asked, "Have you recovered from your cold? Are you running outside?"

"Uh, I came out to shop and eat outside." Shi Xi did not dare to say that she came back from the production team.

When she heard that Shi Xi was going out to shop, Mother Shi thought that she was with Tao Yuxuan, so she reminded, "Remember not to eat spicy food and come back early."

"Okay."

However, when Shi Xi arrived at Qingshui Restaurant, she met Shi Xu who came to eat.

Shi Xi: ...There's no need to be so coincidental, right?

Shi Xu and the people he was meeting for business came to eat. When he saw Shi Xi, he asked, "Why aren't you resting at home?"

Shi Xi said the same thing, "I'm out shopping and having a meal along the way."

"You're out shopping with President Xie?" Shi Xu looked at Xie Yunzhou who was beside Shi Xi.

Shi Xi: QAQ

Shi Xi didn't know what to say.

Xie Yunzhou replied calmly, "Can't I go shopping with Shi Xi?"

Shi Xu looked at the two of them and smiled as he rubbed Shi Xi's head. He reminded, "Remember, you're not allowed to drink."

Shi Xi immediately nodded. "I won't drink."

“Go home early after eating. Be good.” After Shi Xu finished his words, he looked at Xie Yunzhou. “I’ll have to trouble President Xie to send Xi Xi home.”

“I will.” Xie Yunzhou nodded slightly.

Shi Xi wanted to ask Shi Xu, ‘Brother, don’t you feel that something is wrong?!’

‘Your sister is eating with another man outside!!’

‘This is very likely a date!!’

‘Aren’t you worried?!’

However, Shi Xu couldn’t hear Shi Xi’s thoughts and had already entered the private room.

Because Shi Xi had a cold and her throat wasn’t feeling well, the two of them had a light dinner.

Shi Xi was in a daze as she ate, thinking about her relationship with Xie Yunzhou.

They used to get along very naturally.

Why did she suddenly feel that it wasn’t so natural?

“Are you not feeling well?” Xie Yunzhou saw that Shi Xi didn’t have any appetite, so his big hand landed on Shi Xi’s forehead. “You don’t have a fever. Why don’t you have an appetite?”

Shi Xi blurted out, “Do you have someone you like?”

Xie Yunzhou retracted his hand and his eyes were indifferent. “Why are you asking this?”

“It’s nothing. I’m just asking.” Shi Xi did not receive a reply and lowered her head to continue eating.

She shouldn’t have asked!

The best thing to do now was to quickly eat dinner and go home to have a good night’s sleep.

Keep a distance from Xie Yunzhou in the future!

Seeing that the girl had lost her appetite just now and was now engrossed in eating, looking as if she had seen the light, Xie Yunzhou sighed in his heart.

He wanted to take things slow with Shi Xi. He wanted to start as a friend and slowly develop their relationship.

He would confess to Shi Xi when she was a little older.

But now, it seemed that after Shi Xi knew of his intentions, she only wanted to retreat.

She really was a little troublemaker.

..

After eating, Shi Xi had already regained her composure.

She was so beautiful and smart. It was very normal for a man to like her.

There was no need to panic.

“Thank you for the wedding dress. If there’s anything I can help you with in the future, I will definitely do it.” The girl’s eyes were curved and bright like the stars.

Xie Yunzhou’s Adam’s apple bobbed. He said in a low voice, “There’s something I need your help with right now.”

Chapter 432 Why Did You Suddenly Confess!!!

Shi Xi looked up at him. “What’s the matter? If it’s about endorsements, I’ll talk to Brother Han and lower the price to the lowest possible.”

Xie Yunzhou’s eyes were deep. “I’ve opened a new amusement park in Pingle District. I want to bring you to take a look.”

Shi Xi thought for a moment and said, “The amusement park’s promotional ambassador? That sounds pretty good.”

“I’ll take you there to take a look.” Xie Yunzhou asked his assistant to change the direction and went to the amusement park.

“You can wait for the day. I can’t see it clearly at night,” Shi Xi said.

“There’s a fireworks show at night,” Xie Yunzhou said calmly.

Shi Xi looked at Xie Yunzhou in surprise and then asked, “Have you got the qualification to set off fireworks?”

It was forbidden to set off fireworks in Feng City.

Leng Qiankun had been arrested for setting off fireworks in the past.

Shi Xi kept this rule in mind.

She didn’t want to be arrested for no reason!

Especially since she was a female celebrity now.

Xie Yunzhou: “...I’ve already applied for the right to set off fireworks.”

The fun of chatting with Shi Xi was that you never knew what she would say next.

Shi Xi asked again, “Then from now on, you can set off fireworks at the amusement park every night? Will there be an amusement park? Similar to Disney?”

Xie Yunzhou said, “It will be linked to a few anime IP addresses.”

Shi Xi had originally thought that the amusement park Xie Yunzhou was talking about was a childish, cute, and boring children’s amusement park.

However, when she reached the front door, Shi Xi knew that she was wrong.

Just the huge and luxurious front door in front of her couldn't possibly be just an ordinary amusement park!

The sky was already dark, and the lights in the amusement park were flickering. It was different from the romantic day.

Under the dim sky, it was even more mysterious and ambiguous.

Shi Xi looked out of the car window and said, "This amusement park is very big."

"The amusement park covers an area of more than 500,000 square meters. There are three different theme parks," Xie Yunzhou said. "If you want to play, pick a day to play."

Shi Xi smiled faintly and said, "After the park opens, Tao Tao and I will play together."

She couldn't go out alone with Xie Yunzhou anymore!

After the car entered the amusement park, it continued to move forward.

Shi Xi asked, "Where are we going?"

"The Dream Castle."

"..."

It sounded like a very childish place.

However, this amusement park was really beautiful! There were many facilities that she wanted to try out.

After the park opened, she would definitely come and have a good time!

Seeing the girl's bright eyes looking at the paradise outside the car window, Xie Yunzhou's lips curled up slightly.

He knew that Shi Xi would like it.

He understood the little girl's thoughts clearly.

Finally, the car stopped in front of a towering and gorgeous castle.

Shi Xi got down from the car, her eyes shining. "It really looks like a fairy tale! As expected of a Dream Castle."

The Dream Castle in front of her was gorgeous and straight, towering into the clouds.

If it had been during the day, it would have been even more beautiful!

Shi Xi held back the thought of taking a photo.

She would do it again the next time she came!

Xiu—

Not far away, a cluster of fireworks rose into the sky and shattered at the highest point.

The beautiful purple fireworks were mysterious and enchanting.

Then, the colorful fireworks exploded, forming all kinds of shapes.

Shi Xi stared at them intently.

“Shi Xi.”

Xie Yunzhou called her name from behind.

Shi Xi turned around and saw Xie Yunzhou holding a bouquet of champagne roses.

The surrounding lights were flickering, looking dreamy and romantic.

Shi Xi’s heart began to beat faster.

Xie Yunzhou looked at Shi Xi and said, “Shi Xi, I’ve always wanted to wait for you to grow up, so we can be together.”

Shi Xi: Then why don’t you wait! Continue to wait!!

Why confess all of a sudden!!!

Chapter 433 Boss Is Finally Not Single!!

“I wanted to wait for you to grow up, but I was afraid that you would leave.” Xie Yunzhou stared into the girl’s eyes and said solemnly, “So I wanted to use marriage as my goal to ask you to date me.”

Shi Xi subconsciously took a step back. “I, I...”

Anyone who suddenly heard the word ‘marriage’ would be confused.

Xie Yunzhou said what he had always wanted to say. His heart suddenly relaxed and a smile appeared on his face. “It doesn’t matter. You can take your time to consider it.”

!!

Seeing the smile on Xie Yunzhou’s face, Shi Xi did not feel relaxed at all.

She only felt that she was being threatened.

Could she refuse?

The fireworks were still blooming.

Under the Dream Castle, rows of small lights were flashing.

Shi Xi’s heart was in a mess.

Her mind was also in a mess.

Was being with Xie Yunzhou the best solution for her to survive in this world?

Probably.

Xie Yunzhou was the biggest villain in the book. If she was really with him, she probably wouldn't have to worry about her little life.

But...

What other butts were there?

Shi Xi looked up and met Xie Yunzhou's eyes.

Love burned like fire, like fireworks.

But when it burned out, only ashes fell.

Shi Xi's heart slowly calmed down.

"I'm sorry."

Shi Xi heard herself reject Xie Yunzhou word by word.

"Thank you for your appreciation and love for me. At this stage, I don't have any plans to fall in love or even get married. If it's possible, I hope we can still be friends."

The sound of fireworks could be heard in the distance, but Xie Yunzhou could still hear Shi Xi's voice clearly.

The girl's voice was clear and shallow, like the cold spring water.

But the words she said were not as pleasant to the ear.

..

Not far away, Xie Yunzhou's assistant looked at the two from afar, feeling anxious.

Were they really together?!

He couldn't hear anything, so anxious!

What was she saying?

Could she speak a little louder?

..

Xie Yunzhou lowered his eyes and said with a faint smile, "Take the flowers."

Shi Xi was stunned. "I, I rejected you."

Xie Yunzhou said, "I knew that you might reject me."

He just didn't expect that the rejection would be so straightforward.

"Oh?" Shi Xi didn't understand.

“The reason you rejected me is because you don’t have any thoughts of falling in love at this stage.” Xie Yunzhou moved closer and said in a low voice, “I can wait. When you want to fall in love, I can be your number one candidate.”

Shi Xi widened her eyes in surprise. “You can do that?”

Xie Yunzhou asked, “Can I?”

Shi Xi said, “What if you don’t like me then?”

“So, you do like me a little. Are you already considering being together with me in the future?” Xie Yunzhou caught the loophole in Shi Xi’s words.

“!!!”

Shi Xi did not expect Xie Yunzhou to ask her this.

After calming down, the girl’s eyes were clear. “I don’t deny that I have a good impression of you.”

Xie Yunzhou had wanted to ask why they could not be together since she had a good impression of him.

However, he was afraid of startling the girl, so he could only take a step back. “Take the flowers.”

Shi Xi took the flowers and said warily, “Let me say this first. Just because I accept the flowers does not mean that I accept your confession.”

Xie Yunzhou nodded and asked, “Can you give me a hug?”

While Shi Xi was hesitating, she was gently hugged along with the flowers.

With a large bouquet of flowers in the middle, this hug was actually not very intimate.

Therefore, the deep feelings and love that were suppressed, as well as the unspeakable love, were all put into this shallow hug.

Xie Yunzhou gave Shi Xi a gentle hug and then released her. “Let’s go. I’ll send you home.”

“...Okay.”

The assistant saw that Shi Xi had received the flowers. The two of them hugged each other and almost jumped up in joy.

The boss was finally not single!!

Chapter 434 Who Sent the Flowers?

He had nothing to do with his boss being single.

However, his boss would be happy when he was not single, and his job would be very smooth.

The promotion and salary increase was right in front of his eyes!

Although he didn’t get a kiss, it wasn’t a big deal.

As long as they were together!

..

After Shi Xi and Xie Yunzhou's failed confession, they didn't feel awkward at all and got along as usual.

Xie Yunzhou sent Shi Xi back to the Shi family home.

After Shi Xi got out of the car, the assistant could not help but congratulate him, "Congratulations, President Xie, for bringing back a beauty!"

The smile on Xie Yunzhou's face disappeared, and his expression was cold and indifferent. "She didn't agree."

The assistant: !?!

Xie Yunzhou was gentle and considerate in front of Shi Xi, but in front of his subordinates, there was no need for him to put on such an act. "Tomorrow morning, place the Xin'an Technology acquisition proposal on my desk."

Wasn't that for next week?!

The assistant did not dare to resist. "Alright, President Xie."

He would have to stay up all night again when he went back

..

Shi Xi carried the flowers home and met Mother Shi when she entered the house.

Mother Shi asked casually, "Who sent the flowers?"

"Ah, this, this is, I..." Shi Xi could not explain it clearly.

"It's another gift from a fan, right?" Shi Xu sat in the living room and opened his mouth to help Shi Xi out of the predicament.

Shi Xi came back to her senses and nodded. "Yes, it's pretty, isn't it?"

"It's pretty, but it's not as pretty as Xi Xi." Mother Shi took the flowers and asked someone to put them in a vase. "What did you buy while shopping?"

"I didn't buy anything. I was just looking around." Shi Xi was afraid that she would make a mistake if she said too much, so she said, "Mom, I'm a little tired. I'm going upstairs to rest first."

"Take the cold medicine first."

Shi Xi stuck out her tongue and obediently took the cold medicine. Then, she quickly went upstairs.

When she thought of what she had experienced today, it felt like a dream.

Her phone vibrated. It was a message from Xie Yunzhou. [Are you free tomorrow?]

Tomorrow?

She had to film tomorrow, so she was not free.

Shi Xi asked, [What are you doing?]

If it was just eating, she could spare some time.

Xie Yunzhou: [I'll take you to the amusement park to play.]

Tonight was just a confession to the amusement park, so she didn't see many of the tricks in the amusement park.

It was hard for Xie Yunzhou, the CEO of a company, to even think of accompanying her to the amusement park to play.

Shi Xi looked at her schedule and said, [Next week. I might be a little busy in the next few days.]

Xie Yunzhou: [Okay, rest early.]

Shi Xi put away her phone, hummed a song, took a shower, and was ready to go to bed.

Just as she was lying on the bed, ready to go to bed, there was a knock on the door.

It was the same four gentle knocks on the door.

It was Shi Xu.

Her father never came to her room, and her mother called her name while knocking on the door.

Only Shi Xu knocked on the door two times, twice.

"The door isn't locked. Please come in," Shi Xi said.

Shi Xu pushed the door open and came in. He looked at Shi Xi, who was sitting on the bed, and asked, "Xie Yunzhou sent you flowers?"

Shi Xi answered vaguely, "Yes."

"Are you two together?" Shi Xu asked.

"Uh, no." Shi Xi explained weakly, "We're just friends."

"Friends send roses?" Shi Xu raised his eyebrows, and there was a hint of oppression in his gentle smile.

"Xi Xi, you can't lie to your brother."

Shi Xi thought to herself, 'You just lied in front of our mother!'

Two-faced brother!

Shi Xi had no choice but to tell the truth. "He confessed to me, but I refused."

Shi Xu paused for a moment, and his smile widened. He reached out to touch Shi Xi's head and said, "Well said."

I just dried my hair!

Clean and soft hair!

Don't touch it!

Shi Xi avoided his hand and said, "I told you, you can't tell anyone."

"Definitely not." Shi Xu looked at his sister and sighed, "In a blink of an eye, Xi Xi has grown up."

Chapter 435 Shi Xi Looks Absolutely Beautiful In a Wedding Dress

Shi Xi thanked Xie Yunzhou in her heart for saying that she was still young and that he would wait for her to grow up.

She had let the two of them talk about everything.

Could it be that I can't decide my own wedding by myself?!

I will always be a beautiful girl!

Shi Xu knew that the two of them weren't dating, so he felt relieved and said, "Rest early."

No matter how much he lamented, her younger sister still had to grow up.

When he returned to his room, Shi Xu was still tossing and turning, thinking that his sister was going to get married in the end.

He was sad.

Shi Xi did not think too much about it. When Shi Xu went out, she lay down and fell asleep.

She was too tired.

She had no dreams for the entire night.

..

The production team.

Shi Xi brought the wedding dress that Xie Yunzhou had given her to the set. Everyone's eyes were glued to it.

It was simply too beautiful.

Someone could not help but secretly record a small video and post it on the internet.

[Meeting You In the Depths of Time] was a small-budget web drama that was made by Kuai Xue. It was a little confidential.

When a portion of the style was leaked out, the director treated it as a publicity stunt.

And when the video of Shi Xi wearing a wedding dress was leaked out, the internet instantly exploded.

[Ah ah ah! My wife is so beautiful! Are you going to marry me today?]

[F*ck, Shi Xi is so gorgeous in a wedding dress. I really want to marry her.]

[What kind of drama is this? The style is so awesome.]

[I'm looking forward to Shi Xi's [Meeting You In the Depths of Time]. This little cookie, I can't wait anymore!]

[...]

On the other end of the internet, Nan Wan saw the trending hashtag #Shi Xi Is Gorgeous In a Wedding Dress#. She was so angry that she smashed the cup in her hand.

Nan Wan had previously seen the netizens asking the production crew to dress her up in a garish style after they said that they didn't want xianxia's funeral style.

The director agreed, but the complicated styling took a lot of time. Nan Wan had to get up at 4 o'clock every day to do the styling.

Although she was tired and sleepy, this way, her makeup was much better than before.

Nan Wan endured it.

In the end, she put in a lot of effort to expose her styling. She had just bought a #Nan Wan Xianxia Fantasy Beautiful Photos# trending search, and before the netizens could praise her, Shi Xi had turned against her!

Was Shi Xi purposely going against her?

Nan Wan gritted her teeth in anger.

It had to be said that Nan Wan had blamed Shi Xi wrongly.

Although Shi Xi did not like Nan Wan, she did not care about Nan Wan's progress at all.

And Nan Wan wanted to compare herself with Shi Xi everywhere. Shi Xi had changed her appearance and made it onto the trending searches. She had to wonder if Shi Xi was going against her.

Just as Nan Wan was about to change her account to blacken Shi Xi, the director came looking for her.

"Nan Wan, why was your style captured? And it's trending?" The director frowned.

"Ah? Maybe it was captured by accident. I'm not sure either." Nan Wan was clueless.

The director said coldly, "Remove the trending. This style that was leaked can no longer be used. Reshoot everything."

Nan Wan was shocked. "But I've already been shooting for a few days..."

She had woken up almost a week ago at 4 o'clock because of this lousy styling!

"The styling that was leaked out can no longer be used," the director said coldly. "We're shooting a movie, not some random online drama! Once the styling of a movie is leaked out, we can only reshoot it."

Some directors had strict confidentiality regarding the script and the styling of the actors. They banned all acting on their behalf.

Some online dramas did not have any restrictions on this.

This was Nan Wan's first time shooting a movie and also her first time working with this director. She did not expect him to be so strict.

The trending searches were removed, her scenes were reshot, and all the appearances were redone.

Nan Wan clenched her fists.

It was all Shi Xi's fault!

If it was not for Shi Xi, how could she be so miserable?!

..

Shi Xi, on the other hand, did not know anything about what had happened.

She was at ease filming, politely accepting compliments from the people around her.

Chapter 436 Shi Xi Went Back To School

There weren't any major changes until the filming of [Meeting You In the Depths of Time] was completed.

Shi Xi was serious about filming, and the production team's progress was fast.

Xie Yunzhou maintained his position as the number one spare tire. When he was dissatisfied, he would urge his subordinates to make acquisitions. He finished what he was supposed to do for the first quarter in a month.

Although it was tiring, everyone received a lot of bonuses. It could be considered a relief.

After Nan Wan was taught a lesson by the director, her manager reminded her to film quietly and no longer focus on the trending topics.

Xu Ziqing entered the Shi Corporation and did her job conscientiously. She did not dare to slack off.

The man who had hurt Tao Yuxuan had become a vegetable. Xu Ziqing was afraid that the man would wake up and did not dare to take any action.

Under the peaceful life, there was a turbulent undercurrent.

..

Shi Xi flipped through the professional book and felt a little helpless. "I'll go to school by myself. You can accompany Lou Ruicong."

Han Chuan said plainly, "I'm afraid that you'll cause trouble in school."

"You should be more worried about Lou Ruicong," Shi Xi said softly.

"This week is the exam week. I won't arrange any jobs for you. You can study in peace." Han Chuan ignored Shi Xi's whisper and said, "After you finish the exam, record the interviews, and shoot the commercials. I'll follow you."

“What do I have to worry about? Why don’t you follow Lou Ruicong?” Shi Xi put down the book and said, “He’s the one who needs to be worried about, right?”

Lou Ruicong’s EQ, saying that his EQ was zero was just a compliment.

“I didn’t arrange any assignments for him,” Han Chuan said straightforwardly. “When there’s a good script, I’ll send him in directly.”

“Are you afraid that he’ll offend someone?” Shi Xi asked.

The corner of Han Chuan’s mouth twitched slightly. “Yes.”

With Lou Ruicong’s personality of not drinking a toast, Han Chuan was really worried when he let Lou Ruicong go.

Shi Xi said thoughtfully, “Don’t you have any other artists under you?”

Han Chuan said, “When this show airs, if the response is good, I’ll take in two more.”

A top manager would not only bring one or two artists under them.

Shi Xi wanted to say something else, but was interrupted by Han Chuan.

“Read your book carefully. You are not allowed to fail the exam.”

Shi Xi continued reading.

How could she fail?

When she returned to Haicheng University and saw the busy people beside her, Shi Xi felt as if a lifetime had passed.

The last time she came to report was the last time.

Zhu Lin gave Shi Xi the things she needed for the exam and said, “The exam venue and seat number have been sent to you. We’ll go to the hotel first. Call us after you finish the exam.”

Shi Xi replied and looked at the exam venue.

Where was the big staircase classroom?

Shi Xi could only stop a classmate and ask, “Hello, may I know where the big staircase classroom is?”

The one who was stopped was a girl. She enthusiastically pointed the way to Shi Xi and said, “It’s that green building.”

“The green building.” Shi Xi looked over and smiled. “Thank you.”

“No problem.”

After pointing the way, the girl realized that the girl who asked for directions seemed to be Shi Xi?

That was impossible, right?

Why would Shi Xi appear here? Maybe they just looked alike.

In the huge Haicheng University, there were always some people who were interested in the entertainment industry. Soon, someone recognized Shi Xi.

However, because it was exam week, no one had time to pay attention to her.

However, the photo of Shi Xi appearing in Haicheng University had already been posted on the campus forum.

[Shocking! Shi Xi appeared in the green building!]

There was also a photo taken secretly in the post.

Although the angle was confusing, Shi Xi's beauty could still be seen.

[Why is Shi Xi here? Is she here to film? Or to play?]

[So I didn't see wrongly. It's really Shi Xi! She even asked me for directions. She's really beautiful!]

Chapter 437 Was Waiting To See Shi Xi Capsize

In a short while, someone who knew the situation stood up.

[Don't you guys know that Shi Xi got into Haicheng University?]

There were really many people who did not know.

Below this post was the voting post for Haicheng University's campus belle.

!!

[Haicheng University's Annual Campus Belle Selection]

Originally, Lu Zheng and Yan Qin were fighting for the position of Haicheng University's campus belle. However, the moment Shi Xi's photo was posted, the campus belle selection ended.

Yan Qin was a freshman beauty in the Music Department, while Lu Zheng was a senior who had occupied the position of campus belle of Haicheng University for three consecutive years.

The two of them were in different grades, but they were both the campus belle of their respective departments.

However, Haicheng University only had one campus belle.

Originally, everyone thought that the campus belle would be chosen from these two people.

In the end, Shi Xi arrived.

Immediately, someone uploaded Shi Xi's photo to the voting for the campus belle selection.

Because she was coming to school, Shi Xi didn't have any makeup and she was dressed very low-key. However, the exquisiteness of her brows and eyes couldn't be concealed no matter how hard she tried.

Even if it was a photo from the angle of death, one could still see that the girl's skin was whiter than snow and her facial features were exquisite.

Shi Xi's votes were outstanding.

She was worthy of being the campus belle of Haicheng University!

The various marketing accounts naturally wouldn't let go of this fresh gossip. They immediately started to post articles, sending Shi Xi onto the hot searches.

#Shi Xi, The Campus Belle of Haicheng University#

@Unkillable Rabbit: [Do you think it's okay for Shi Xi to be chosen as the campus belle of Haicheng University?]

@The Originator of Gossip: [So Shi Xi is actually the campus belle of Haicheng University. She's so beautiful, but she's actually so outstanding in her studies.]

@What's Wrong With the Marketing Account: [Shi Xi is the campus belle top student, right? Which girl doesn't want to become such a person?]

There were a lot of pictures attached to the marketing account, and there were even enough pictures of Shi Xi's stunning nine-palace style.

[...]

The praise from the marketing account made the fans flattered.

F*ck!

After getting used to the dark drafts, when they suddenly saw the marketing account praising Shi Xi, they actually felt a little uncomfortable.

[Our Xi Xi is just an ordinary student. The exam is approaching, so everyone should pay more attention to your studies!]

[Welcome to Shi Xi Xi! All-rounded artist, top student, top beauty! Every day of being a fan of Xi Zi's life is a surprise!]

[...]

In the midst of praise and the modesty of the fans, the black fans could not sit still.

[Isn't she just admitted to Haicheng University? The scores of the art students are already low, so she can't be considered a top student, right?]

[Shi Xi is always on the set, how would she have time to study? And she still has the nerve to market the character of a top student? Are the fans really not afraid of rolling over?]

[Let the fans brag. I'd like to see how many points Shi Xi can score in the end.]

[...]

After Ji Yin saw this comment, she was very worried for Shi Xi.

As the president of Shi Xi's support group, Ji Yin was very clear about Shi Xi's schedule.

Every day, she was either on the set or on the way to the set.

How could she have the time to study?

At this moment, Ji Yin instantly came to a realization.

How could the shabby marketing numbers be trying to praise Shi Xi?

This was trying to kill Shi Xi!

The marketing number would send out black drafts of Shi Xi every day. Could it be that they didn't know of Shi Xi's schedule?

Although university courses weren't considered difficult, there were very few who could possibly get high marks.

Right now, Shi Xi was the top student of the school. Once the results were out, she would immediately return to being a vase-like student of Shi Xi.

After thinking things through, Ji Yin immediately told her fans not to spread the 'top student of the school' persona.

But it was already too late.

The persona of Shi Xi as the top student of the school had already been fixed by all the big marketing numbers.

Many haters were rubbing their fists, waiting to see Shi Xi capsize.

Among all the people, the top student persona was tall and easy to attract fans, but it was also the easiest to capsize.

Chapter 438 Rose Petal

Meanwhile, Shi Xi was still taking her exams. She had no idea what was going on outside.

What top student?

She was just an ordinary female college student.

After she finished her exams, Shi Xi handed in her papers and left the examination venue early.

!!

Han Chuan came to pick up Shi Xi with a serious expression. "You're trending."

Shi Xi turned her phone on. "Isn't it normal for me to be trending? What's there to be surprised about?"

"It's different this time." Han Chuan frowned slightly and said, "I keep feeling like someone is adding fuel to the fire behind the scenes."

Shi Xi had already turned her phone on. Before she could open Weibo, she saw the entertainment news that was being sent.

[Shi Xi has appeared at Haicheng University. She will definitely get the top student's script!]

“Isn’t this pretty good?” Shi Xi clicked on it and quickly browsed through it. She said happily, “They didn’t slander me, they didn’t scold me. The entire article is praising me for being smart and good-looking.”

Han Chuan said affirmatively, “This is flattery.”

Shi Xi was puzzled. “Flattery?”

Zhu Lin explained, “It means praising you too much, making you vain and conceited, or making passersby dislike you.”

“I know what flattery means.” Shi Xi was puzzled. “But I’m a straight-A student! As for the campus belle... with my looks, being the campus belle is nothing, right?”

Zhu Lin said to Han Chuan, “They’ve already achieved their goal of making Shi Xi vain and conceited.”

Shi Xi: ...

Han Chuan looked at the comments and said calmly, “If you continue to be so conceited, the passersby will be even more disgusted with you.”

“No way? Don’t people like to be true to themselves?” Shi Xi asked.

“Everyone likes to be true to themselves, but they don’t like to be arrogant!” Han Chuan could not help but scold, “Go back and read your books properly. You have to get more than 80 points in every subject!”

Shi Xi: “That’s too easy.”

Han Chuan: “...”

It was already tiring enough to bring Lou Ruicong along.

Why were there so many narcissistic people in the entertainment industry?

He was so tired.

Were there not many normal people?

“I’ll go to the Public Relations Department and take down this trending topic.” Han Chuan was tired.

“There’s no need to take it down. It would be a pity to take down the trending topic that the fans painstakingly created.” Shi Xi was already thinking about whether to post on Weibo to increase the popularity.

The corner of Han Chuan’s mouth twitched slightly. “Your topic suddenly became the 7th trending topic. Anyone with eyes can see that this trending topic is bought.”

There were already quite a number of netizens in the comment section who were ridiculing Shi Xi as a hot search marketing celebrity. She did not know anything and only knew how to buy trending topics.

“You bought it?” Shi Xi asked.

“Of course I didn’t buy it!” Han Chuan suppressed his anger and said, “How could I possibly buy such a hot search?!”

Shi Xi could not understand why Han Chuan was so angry.

Just like how Han Chuan could not understand why Shi Xi was so relaxed.

Zhu Lin advised from the side, “Xi Xi is so smart, she will definitely do well in her exams. Besides, Xi Xi is already a top student since she can go to Haicheng University. Now that she has withdrawn from the trending topic, it seems like she is spending money to cover it up.”

Han Chuan looked at Shi Xi.

Shi Xi raised her hand. “I guarantee that I will score above 90 points in every subject.”

Han Chuan was expressionless. “It’s best that way.”

It wasn’t that he didn’t trust Shi Xi.

It was just that there were too many underachievers in the entertainment industry.

Han Chuan had seen too many ‘top students’ being ridiculed by passersby. He didn’t want Shi Xi to follow in their footsteps.

After returning to the hotel, Shi Xi was chased into her room to read.

Shi Xi swiped her room card and opened the door. There were scattered rose petals beneath her feet.

Huh?

The petals extended from the door all the way in.

Shi Xi walked along the petals and saw a large bouquet of red roses in the living room.

On the roses, there was a card.

Chapter 439 I Thought You Were In the Bedroom...

Shi Xi picked up the card.

The handwriting on it was strong and elegant.

There were only two short words:

[Open the door.]

It was Xie Yunzhou’s handwriting.

!!

Shi Xi walked to the bedroom door in confusion and opened the door.

There was nothing there.

Could it be in the bathroom?

It couldn't be that perverted, right?

The bathroom was made of transparent glass. Shi Xi glanced at it.

It was empty.

Wait, it can't be outside the door, right?

Shi Xi opened the door and indeed saw Xie Yunzhou outside.

"After considering it for so long, you don't want to open the door?" Xie Yunzhou looked at the girl with a faint smile in his eyes.

"No, I thought you were in the bedroom..." Shi Xi thought to herself, 'You already sent the flowers in, why didn't you come in?'

Shi . Romantic Insulator . Straight Woman . Xi.

"Do you want me to hide in the bedroom next time and wait for you to find me?" The smile in Xie Yunzhou's eyes deepened.

"Uh, just knock on the door next time." Shi Xi was glad that she didn't say that she thought he was in the bathroom, so she quickly changed the topic. "Why did you come to Sea City?"

Xie Yunzhou: "I'm on a business trip."

Shi Xi blinked and stared at Xie Yunzhou.

Xie Yunzhou: "There's a project that's cooperating with the people from Sea City. The company could have just sent a random person, but I wanted to see you, so I came alone."

The people from the company knew that President Xie was personally on a business trip, so they were very concerned about this 500,000 yuan project.

At the same time, they were very puzzled.

It was just 500,000 yuan, and the profit was only a few tens of thousands, yet President Xie was actually making a trip personally!

There was a knock on the door.

Xie Yunzhou said, "It should be the dinner I ordered."

"Let me go open the door. You can just sit there." Shi Xi was a little afraid that the person who knocked on the door would be an over-zealous fan or paparazzi.

If there was a man in her room, she would not be able to clear her name even if she jumped into the Yellow River.

When she opened the door, it was Han Chuan standing outside.

Han Chuan walked in and said calmly, "I'm here to supervise your studies."

Shi Xi: ?

I don't need supervision!

My studies aren't bad!

"I—" Shi Xi did not stop Han Chuan.

When Han Chuan walked in, he saw Xie Yunzhou sitting on the sofa.

He paused and asked, "President Xie, why are you looking for Shi Xi so late at night?"

Xie Yunzhou said calmly, "I'm looking for Xi Xi for dinner."

Han Chuan looked at the flower petals on the floor and the fresh flowers on the table and thought to himself, 'Like I would believe you!'

"Shi Xi, if you want to date, I won't stop you." Han Chuan lowered his voice and said to Shi Xi, "But you have to look at the time. There are two exams tomorrow. If you don't revise and date, do you want to fail?"

At the end of his sentence, Han Chuan could not help but raise his voice.

Shi Xi raised her hand and said sincerely, "I'll revise after dinner. I promise!"

Han Chuan said, "It'd better be like this."

When Xie Yunzhou heard the words 'revision', 'love', and 'failing', he looked up at Shi Xi and said, "You have to revise tonight?"

Actually, there was no need.

Shi Xi shrugged and said, "Yes."

In order to make Han Chuan feel at ease, she would continue reading.

"I'll help you revise," Xie Yunzhou said.

Han Chuan: "..."

Shi Xi: "..."

There was another knock on the door. This time, it was the waiter who delivered the food.

Seeing this, Han Chuan tactfully left.

With Xie Yunzhou teaching Shi Xi, it shouldn't be a problem, right?

Shi Xi looked at Xie Yunzhou and asked, "Are you really going to teach me?"

Xie Yunzhou narrowed his eyes. "You don't believe me?"

He was a top student after all.

“It’s nothing. Actually, I know everything. It’s just that Brother Han thinks I’m a bad student,” Shi Xi said. “Let’s eat first. I’m a little hungry.”

After eating, Xie Yunzhou took out Shi Xi’s book.

Shi Xi took out a cup and poured water for the two of them.

Seeing the cup that Shi Xi brought over, Xie Yunzhou’s eyes were filled with surprise. “This is the cup that was made before?”

Chapter 440 Didn’t Seem Very Smart

Xie Yunzhou naturally remembered that he and Shi Xi had once made cups together. But he didn’t expect that Shi Xi still had this cup.

“Yeah, I thought it was pretty good, so I kept using it,” Shi Xi said. “But the one you made was used by me. My assistant mixed up the cups, and I only recognized it after drinking water.”

They made the simplest cup, and both cups were very similar.

Only by looking at the bottom of the cup could one distinguish them.

!!

Shi Xi used the cup made by Xie Yunzhou.

Xie Yunzhou held the cup, and his heart warmed slightly.

He didn’t expect that after going around and around, the cup made by Shi Xi would still fall into his hands.

Xie Yunzhou smiled and said, “Go study. If you do well in this exam, I’ll give you a gift.”

Shi Xi said, “You can give it to me in advance.”

She would definitely do well in the exam.

“I’ll give it to you when the results are out.” Xie Yunzhou insisted on his principles.

Shi Xi could not help but ask, “What gift?”

Xie Yunzhou slapped the table. “Go study first.”

Shi Xi sat opposite him and said, “Feel free to ask any questions.”

Seeing the girl’s confident look, Xie Yunzhou raised his eyebrows and asked a simple question.

Shi Xi answered smoothly.

Xie Yunzhou flipped the book and continued to ask questions.

Even if it was a difficult question, Shi Xi only paused for a moment before she could answer it.

Xie Yunzhou closed the book.

There were no more questions.

The girl he liked didn't look very smart, but she was very smart.

"Do you know how smart I am?" Shi Xi blinked and said, "The fans call me the campus belle, the top student!"

Xie Yunzhou: "..."

She didn't seem to be very smart.

In the following days, Xie Yunzhou returned to Feng City because he finished his work too quickly.

Meanwhile, Shi Xi finished her exams for a few subjects and waited for the results to come out peacefully.

No, she wasn't at peace.

As soon as she finished her exams, Han Chuan arranged a red carpet for her at the Golden Jade Gala.

And it was with Lou Ruicong.

"Both of you should take this opportunity to promote the show. No one is allowed to make any mistakes, understand?" Han Chuan instructed.

Lou Ruicong was dressed in a suit and looked very handsome. He lifted his chin slightly and said, "Don't worry, I will help Shi Xi overcome the nervousness of walking on the red carpet."

Shi Xi glanced at him and thought to herself, 'The one Brother Han is worried about is you!'

What was there to worry about?

"The red carpet and interviews for the Golden Jade Gala will be broadcast live. Remember, don't talk nonsense." Han Chuan did not want to argue with Lou Ruicong anymore.

These two people did not have any peace of mind.

The car stopped at the red carpet and Lou Ruicong walked down first.

The lights flickered and were aimed at Lou Ruicong.

Because of Shi Xi's new drama, the media all knew about the male lead who acted with Shi Xi.

He was handsome, his acting skills were superb, and he was from the same company as Shi Xi.

However, he rarely appeared in front of the camera.

At this moment, Lou Ruicong's appearance attracted everyone's attention.

Shi Xi was in the car, speechless.

Don't you know how to help me get out of the car?!

These high heels are really high!!

Looking at the straight man outside the car, Shi Xi gave up on this idea. She held onto the car door and got out of the car.

In an instant, a gentle, sweet, and graceful smile hung on Shi Xi's face.

She was wearing a mermaid dress today. Layers of gauze were stacked on her shoulders, and the entire dress was made up of bling bling sequins. Her long hair was tied up, revealing her white, slender swan neck. She wore a diamond necklace around her neck, which made her face smaller and her collarbones more exquisite.

The two appeared on live television, raising the red carpet's average looks.
