

The Fake 471

Chapter 471 The Hua Family, Selton Manor

Shi Xi's fans were furious, but they were also envious of Nan Wan's ability to film a movie.

There was also a chain of contempt in the entertainment industry, and show fans and show people were always at the bottom.

The highest number of fans were the actors.

No matter what an idol who came from a talent show did, they would always be pointed at and discussed.

No matter what an actor did, there would always be someone protecting them.

However, even though they were sad, the fans started to pay attention to the release time of [The Top].

[The company said that the movie will start shooting after the talent show. Don't be sad!]

[That's right, Xi Xi Zi still has a web drama to broadcast, a movie to start filming, and then she's going to participate in a talent show jointly organized by the five countries! The target is fiery to the ocean!]

[Those who know how to climb walls can register for a foreign social media app now. When the time comes, you'll be full of recommendations~]

[...]

The fans cheered each other on and very quickly, they were full of confidence again.

After all, the person they liked was Shi Xi!

That was Shi Xi!

As long as she stood on the stage, she would be able to attract fans.

Just as the fans thought that Shi Xi would be overseas for a long time...

The start of the IW Fashion Show.

As the leading company in fashion, The fashion show this time was a grand event.

Some celebrities wanted to attend, but they were all tactfully rejected.

"Our fashion show this time is on an invitation-based system."

Other than models and reporters, the rest were all big shots in the fashion world.

There was even news from the black market that the price of an ill-gotten ticket reached 30,000.

Even so, it was rare to get tickets.

...

Shi Xi had initially thought that the IW Fashion Show would be a simple fashion show and that she would be done after watching it for a night.

However, after checking into the hotel, Shi Xi realized that the IW Fashion Show this time was no small matter.

Although it was called a hotel, it was more like a luxurious and elegant manor.

After Shi Xi flew to Yanjing, she was brought to Selton Manor.

The car entered the gate and saw an extremely beautiful glass greenhouse, like a garden in the air.

After another ten minutes of driving, they finally arrived at the castle.

They entered the room and found themselves in a large living room with white carpets and medieval-style chandeliers.

There were two bedrooms in the room, and even a wine cabinet.

Zhu Lin, who had accompanied Shi Xi, looked at the wine on the table and said in surprise, "No wonder Brother Han said that I'll be able to see the world this time. This is the best hotel I've ever stayed in, even better than the Wanhao Hotel!"

Shi Xi looked at the information she had just found on her phone and said, "This was originally the Hua family's manor, but it was later turned into a hotel open to the public. If you really want to stay, a normal room costs more than 30,000 per night."

Zhu Lin put down her suitcase. "I hope we can stay in a hotel like this when we go abroad."

"Don't think too much. A festival group is usually very stingy." Shi Xi finally understood the narcissism of capitalists.

Zhu Lin stuck out her tongue and took out the clothes that Shi Xi was going to wear tomorrow.

After a while, there was a knock on the door.

The person who came was Hua Wenying. After seeing Shi Xi, she smiled gently and said apologetically, "I'm sorry. I was going to pick you up, but I had something to deal with at the last minute, so I was delayed."

"It's okay, you can do your own thing. Thank you for inviting me here. This manor is very beautiful." Shi Xi did not seem to mind at all.

"I'll take you around," said Hua Wenying.

Shi Xi paused. "Won't it take up too much of your time?"

"It's alright, it's fine now. Let's take a walk in the yard, then we can go for lunch," said Hua Wenying gently.

Chapter 472 Trying To Match the Two

Shi Xi's eyes lit up at the mention of lunch. "Sure."

Hua Wenying brought Shi Xi to the courtyard and said, "That glass greenhouse was designed by my grandfather. Do you want to take a look?"

The moment Shi Xi entered, she saw the huge glass greenhouse and nodded. "Alright."

Hua Wenying would occasionally introduce them to Shi Xi.

When Shi Xi saw that there were not many people in the courtyard, she asked, "What about the other people who came to the exhibition?"

"I've arranged for them to stay in a hotel outside. You're an important guest, so of course you're different." Hua Wenying smiled.

Shi Xi thought to herself, 'It's quite expensive to stay for a night.'

The glass greenhouse was two or three stories high, and the flowers inside were in full bloom, so bright and beautiful.

As she was admiring it, a man walked toward her.

After seeing Hua Wenying, the man called out, "Aunt."

"Xuanhe is back." With a smile in her eyes, Hua Wenying introduced him to Shi Xi, "This is my nephew, Hua Xuanhe. Xuanhe, this is a friend I met outside, Shi Xi."

"I've met Miss Shi before," Hua Xuanhe said with a smile.

"Oh? Why didn't you mention it before?" Hua Wenying asked as she scanned the two of them.

"You didn't ask," Hua Xuanhe replied.

"..."

"You should have taken the initiative to tell me that you've met such a beautiful girl." Hua Wenying had the intention to match the two of them together. "I suddenly remembered that I still have something to do. Xuanhe, take Xi Xi around."

Hua Xuanhe, "... Did he not have anything to do?

However, the person in front of him was his aunt, so Hua Xuanhe could only say, "Alright, Aunt."

"If you're tired, take her to lunch. See you at lunch." After saying that, Hua Wenying left.

Hua Xuanhe was helpless.

"You can go ahead. I can walk around by myself," Shi Xi said.

"I'm not here for anything," Hua Xuanhe said gently. "I'll accompany you for a walk."

His aunt was just doing a mission.

Although Shi Xi felt that something was amiss, she couldn't tell.

Hua Xuanhe asked, "Are we going to see Swan Lake? There should be swans on the lake at this time."

“Alright.”

The two of them walked together, and their appearances were extremely beautiful. They were even more attractive than this garden.

“Did you come here to see the fashion show too?” Shi Xi asked.

“No,” Hua Xuanhe replied. “Grandfather lives here. I’m here to have dinner with him.”

“I see.”

They fell into silence.

Shi Xi and Hua Xuanhe weren’t close, so there wasn’t much to talk about.

“How’s the progress between you and Xie Yunzhou?” Hua Xuanhe suddenly asked.

“Eh? We didn’t make any progress, we’re just friends. I haven’t thought about dating yet.” Shi Xi blinked and smiled.

“18 years old. You can consider it.” Hua Xuanhe was deep in thought.

“President Hua, are you still single?” Shi Xi asked.

“I’m currently on a blind date,” Hua Xuanhe said generously. “If there’s a suitable one, we might be able to settle on one soon.”

“Remember to invite me when the time comes.” Shi Xi’s eyes curved.

“Alright,” he said.

They fell into silence again.

The two of them were not very familiar with each other to begin with, and they knew even less about each other.

It was already the limit to chat for a while.

“That’s Swan Lake, right?” Shi Xi asked as she pointed at the lake not far away.

“Yes.”

The cold wind blew across the lake, and a chill suddenly rose.

Shi Xi was a person who valued elegance over warmth and wasn’t used to such weather.

She wrapped her clothes tightly around herself and said, “I’ve already seen it. Let’s go eat.”

She didn’t want to suffer from the cold and hunger just to see the swans.

Chapter 473 Beautiful Women All Have Their Similarities

“When a swan flies, it’s very beautiful,” Hua Xuanhe said without moving.

‘I’m more beautiful!’ Shi Xi thought to herself.

"Do you want to wait for a while?" Shi Xi didn't really want to wait for the swan to take off.

She wanted to eat.

!!

Hua Xuanhe could see Shi Xi's reluctance, so he said, "We can look next time. Let's go eat first."

Shi Xi's eyes lit up instantly and she asked, "What's for lunch here?"

"A lot. What do you like to eat?"

"I'm not a picky eater. It's fine as long as I can eat."

Shi Xi thought that they were going to a restaurant to order.

She didn't expect Hua Xuanhe to take her to another castle.

The restaurant was luxuriously decorated. The long dining table could seat dozens of people.

At the end of the table, there was only one old man.

"Grandpa, I'm back." Hua Xuanhe stepped forward and greeted Hua Guangzhong.

"Hmm, who is this?" Hua Guangzhong's gaze fell on Shi Xi.

"This is Shi Xi. My aunt invited her to the fashion show," Hua Xuanhe introduced.

Hua Guangzhong sized Shi Xi up and suddenly said, "She looks a little like Wenying."

"Who looks like my aunt?" Hua Hengzhe came in from outside. When he saw Shi Xi, he immediately said, "Grandpa, you think so too? The first time I saw Shi Xi, I thought she looked like my aunt!"

"Shi Xi had pink hair back then," Hua Xuanhe said, "How do you know she looked like Aunt?"

"I feel it, I feel it!" Hua Hengzhe argued for a while before asking Shi Xi, "What are you doing here?"

"Wendy invited me to the exhibition, so I'm staying here. Did I disturb your meal?" The corners of Shi Xi's mouth twitched.

There was only one table in the restaurant, and it was obviously for the private use of the Hua family.

"Since you're already here, let's eat together." Hua Hengzhe pulled out a chair for Shi Xi and asked, "Aren't you going overseas to participate in that talent show? Why aren't you there yet?"

"Thank you," she said. "I'll leave the country after the exhibition," Shi Xi said as she sat down.

"Then I won't be able to see you for a long time," Hua Hengzhe said regretfully.

Shi Xi: ?

We don't usually see each other!

"You're quite concerned about Miss Shi," Hua Xuanhe said lightly.

Hua Hengzhe stared at Shi Xi and said, "I'm her fan! Of course I'm following her! Pink hair looks better!"

"I've been busy filming, so I didn't dye my hair."

If she was going to be an idol, she could consider dyeing it again.

Shi Xi was already thinking about what to dye her hair.

Soon, Hua Wenying returned. "What are you guys talking about?"

"Grandpa said that Shi Xi and Aunt look alike. What do you think, Aunt?" Hua Hengzhe said first.

Hua Wenying sized Shi Xi up and smiled gently. "I felt that Xi Xi was very kind when we first met."

"Maybe all beautiful women are similar," Shi Xi said boldly.

"If you look closely, there's still a difference between us. Xi Xi's pupils are light and beautiful." Hua Wenying smiled.

"You're also very beautiful." Shi Xi thought to herself that her light-colored contact lenses were really beautiful.

Hehe.

"Sit down and eat." Although Hua Guangzhong didn't speak much in front of the younger generation, he appeared to be very approachable.

He was much better than Grandpa Shi!

This was what Shi Xi thought.

There were only five people eating, but there were dozens of dishes.

The portion of each dish was very small, and in the end, they finished most of it without much waste.

It was really delicious!

The dessert after the meal was also delicious!

Shi Xi squinted her eyes in satisfaction.

Chapter 474 Don't Tell Me You're Here To Accompany Some Nouveau Riche

After lunch, Hua Guangzhong had his lunch break.

"Xuanhe, what are you doing in the afternoon?" asked Hua Wenying.

"President Huang asked me out to play golf," Hua Xuanhe said.

"Take Xi Xi with you." Hua Wenying started to type the couple and said, "The fashion show is tomorrow. Help me take care of Xi Xi."

!!

"No, my assistant will take care of me." The corners of Shi Xi's mouth twitched. "I should go back for my lunch break too."

"You can take a break in the morning in Xuanhe's car. You can go to the golf field and exercise." Hua Wenying tried her best to bring the two together.

Seeing how enthusiastic she was, Shi Xi had no choice but to agree.

Seeing the two of them leave together, Hua Wenying smiled like an aunt.

But seeing Hua Hengzhe sneakily follow, the smile on Hua Wenying's face disappeared.

"Hua Hengzhe, where are you going?"

"Cough, I'm just going out for a walk." Hua Hengzhe began to lie. "I'm going to feed the swans."

"You're not allowed to leave before you're done with the financial analysis. If you fail the make-up exam, don't blame me for cutting your living expenses by half for the next semester!" ordered Hua Wenying coldly.

"Then do I still live?" Hua Hengzhe asked in a low voice.

"Huh?"

"I said I'll go read now." Hua Hengzhe looked at his idol's back and felt very heartbroken.

If he had studied hard earlier, he would have been able to play golf with his idol.

He wouldn't have to go back to read now.

He was sad and in tears.

*

Hua Xuanhe brought Shi Xi into the car.

"Windy can't see anyway," Shi Xi said. "Why don't you just send me back to rest?"

"Take a morning break in the car. The security at the golf field is very good," Hua Xuanhe said gently.

"They won't let you be surrounded."

'That's not what I meant,' Shi Xi thought.

She really felt that when she was with Hua Xuanhe, she did not seem to have anything in common.

If the two of them were said to be friends, but it was very forced.

After all, Nan Wan was Hua Xuanhe's cousin, while Shi Xi and Nan Wan were enemies.

"Then I'll have to trouble you." Shi Xi was lying on the seat.

The seat was tilted backward, and it was very comfortable.

Hua Xuanhe thoughtfully covered her with a blanket.

Shi Xi's break was just an excuse.

She thought she wouldn't be able to fall asleep, but she fell asleep very quickly.

Lying in the car, it wasn't bumpy at all, and she slept very well.

It was indeed a luxury car.

When Shi Xi woke up, Hua Xuanhe was no longer in the car.

"President Hua is already playing golf. He didn't wake you up because you were still sleeping," the driver said.

"Mm, ah!" Shi Xi had just woken up and was still a little dazed.

She looked at the time and lay back down. "I'm going to lie down for a while."

It was so comfortable lying down.

Driver: "..."

Not long after, Shi Xi sat up and asked, "Where's the washroom?"

The driver pointed the way for Shi Xi and said, "President Hua is playing golf nearby. Since you're awake, you should go and see him."

"Alright," Shi Xi said helplessly.

After going to the bathroom, Shi Xi touched up her makeup and combed her hair.

It wasn't that she didn't like socializing.

She just felt that there was no benefit in being close to Hua Xuanhe.

Although Hua Xuanhe was rich and powerful, and had a large entertainment company under his banner, and he was a rich man...

But he was Nan Wan's cousin!

From the bottom of her heart, Shi Xi did not want to have much contact with Nan Wan.

She saw what she was thinking about.

Shi Xi looked up and saw Nan Wan in the mirror.

"Eh? Shi Xi?" Nan Wan had also seen Shi Xi in the mirror. She looked down at her with a condescending aura and smiled. "This place has a membership system. How did you get in? Are you here to accompany some nouveau riche?"

Chapter 475 I'm Already Here

When she thought of Hua Xuanhe, Shi Xi said indifferently, "It was indeed a rich man who brought me here, but I'm not sure if he's a nouveau riche."

The Hua family seemed like a family with deep roots, not like some nouveau riche.

Shi Xi wasn't from Yanjing, so she wasn't too familiar with the circle of rich people in Yanjing.

"Hehe, to be able to come in here, it means that the person who brought you here is quite rich." Nan Wan took out a lipstick to touch up her makeup and said disdainfully, "If the other party has a family, I'd advise you not to be a mistress."

!!

Shi Xi smiled. "I'm only here to have fun with my single friends. Miss Nan, you're overthinking things."

"After all, you're a fake heiress. I can understand your feelings of wanting to marry into a rich family." Nan Wan lifted her chin slightly, thinking that she had seen through Shi Xi's actions.

This kind of person was also the one that Nan Wan looked down on the most.

Shi Xi couldn't be bothered to chat with her. She ignored her and turned around to leave.

Nan Wan thought that she had seen through Shi Xi's thoughts and that she had run away, so she smiled disdainfully.

Looking at herself in the mirror, Nan Wan was very satisfied.

She was the only one who was a lady from a wealthy family. She was the real fair-skinned, rich, and beautiful girl. She was the little princess of the capital and a future big star.

Shi Xi?

She was just a clown on a beam, a daylily.

...

Shi Xi came out of the bathroom and went to look for Hua Xuanhe.

Hua Xuanhe was dressed in simple and comfortable clothes, which made him look even more approachable than a suit.

Beside him, a fat man with big ears smiled flatteringly. "President Hua, can you lower the price of Xin Tai's chips a little?"

"Uncle Huang, the price I'm offering you is the lowest I can offer." Hua Xuanhe's expression was still gentle, but his eyes were still indifferent.

President Huang was about to say something when he saw Shi Xi walking over. Surprise appeared in his eyes as he sized her up with a lustful gaze.

Hua Xuanhe waved his club and did not hear the people around him speak again. He looked over indifferently.

Hua Xuanhe frowned when he saw the lecherous look in President Huang's eyes.

After following his gaze and seeing Shi Xi, Hua Xuanhe became even more impatient, and the smile on his face instantly faded.

Hua Xuanhe blocked President Huang's line of sight and looked at Shi Xi. "You slept a little too long."

"I didn't sleep for long last night, so I'm a little sleepy." Shi Xi's eyes curved into a smile.

When President Huang heard their conversation, he immediately retracted his gaze.

So this was President Hua's little lover.

He was actually staring at her just now?

President Huang's fat head broke out in cold sweat.

President Hua didn't notice him staring at her just now, did he?

"Do you want to sleep a little longer?" Hua Xuanhe asked.

"No need. If I continue to sleep, I won't be able to sleep at night." Shi Xi paused and said in embarrassment, "Did I disturb you?"

"No, no. You're not disturbing you at all!" President Huang quickly replied.

Hua Xuanhe ignored President Huang and handed his golf club to Shi Xi. "Try it?"

"Sure."

...

On the other side, Nan Wan went to find Xie Yunzhou and said with a smile, "What a coincidence, you're here too."

"What a coincidence, I was just about to leave," Xie Yunzhou said, putting down his golf club.

The smile on Nan Wan's face froze.

One of Xie Yunzhou's friends said in surprise, "Didn't you just arrive? You're leaving now?"

Nan Wan: "..."

Xie Yunzhou had just arrived, and now he was leaving after seeing her?

"I just remembered that I have something to do," Xie Yunzhou said.

The friend looked at Nan Wan, then at Xie Yunzhou, and advised, "Since you're already here, let's play for a while before you leave."

Xie Yunzhou glanced at his friend.

The news of him coming here was probably sold to Nan Wan by a friend.

"Eh? Is that Shi Xi?" When his friend was trying to persuade Xie Yunzhou, he saw people from another area through the internet.

Chapter 476 It Turns Out That Rich People Can Also Play Like This

Shi Xi was very famous among the younger generation.

Even if they didn't pay attention, they could still recognize Shi Xi.

There were many times when the godly picture appeared in the circle, and people often used her photo as a profile picture.

Anyone who paid a little attention to the entertainment industry would know who Shi Xi was.

!!

Hearing this, Xie Yunzhou looked up.

From a distance, he could vaguely see a chubby man standing next to the girl.

Nan Wan's eyes were filled with disdain as she smiled, "So she's here to play golf with that Huang guy. It seems like she doesn't have any resources and wants to sell her body in exchange for them."

His friend disagreed and said, "Shi Xi isn't that kind of person, is she? She has quite a lot of resources. There's no need to do this."

"You can't judge a book by its cover. She doesn't have any background. What else can she do other than find a sugar daddy?" Nan Wan seemed to be very regretful.

When she said this, Nan Wan did not see Xie Yunzhou's expression. She only saw that Xie Yunzhou was about to walk out.

"Where are you going? Do you want to have a cup of coffee together?" Nan Wan hurriedly said.

Xie Yunzhou's eyes were indifferent. "I'm busy."

His friend looked at Shi Xi in the distance and said, "Then you guys go ahead. I'm going to have a chat with President Huang."

What do you mean by looking for President Huang? He clearly wanted to look for Shi Xi!

Nan Wan looked at her friend.

Her friend laughed without hiding it and said, "I've worked with President Huang's company before. Let's go and say hello."

The three of them had different thoughts.

Nan Wan, however, seemed to stick to Xie Yunzhou's side, not leaving his side.

By 'busy', Xie Yunzhou meant that he was looking for Shi Xi.

*

After playing for a while, Shi Xi was a little thirsty.

Hua Xuanhe went to get some water, and when he returned, he saw many people walking over.

"Cousin? What are you doing here?" When Nan Wan saw Hua Xuanhe, she was instantly surprised.

When she saw Hua Xuanhe pass the water to Shi Xi, her eyes were filled with even more jealousy.

Why did every man treat Shi Xi so well?

If Shi Xi had heard this, she would probably have said, "You're wrong. Women treat me very well too."

Cough cough.

"We're playing golf." Hua Xuanhe felt that Nan Wan's question was nonsense.

Xie Yunzhou ignored Hua Xuanhe and looked straight at Shi Xi. "Which hotel are you staying at?"

"Selton Manor, just for one night. I'll be going back after the fashion show tomorrow," Shi Xi said.

President Huang's friends were standing at the side. When they saw the two of them being so familiar with each other, their eyes widened.

President Huang looked at Hua Xuanhe in disbelief.

Wasn't Shi Xi President Hua's little lover?

Why was she so close to Young Master Xie?

Wasn't Shi Xi President Hua's little lover?

It turned out that rich people could also play this way.

His friend beside him was equally dumbfounded. "You know Shi Xi?"

"Yes," Xie Yunzhou replied.

Nan Wan stood beside Xie Yunzhou and said with a smile, "Yunzhou, don't you have something to do? Let's go."

Xie Yunzhou didn't move. "I'm fine now."

He was just perfunctory with Nan Wan.

President Huang saw that the people who came were all famous people in the Yanjing circle. He smiled and said, "It's rare for us to meet. Why don't we have a meal together?"

"No, I won't." Shi Xi was the first to reject.

Nan Wan looked at Shi Xi and smiled. "Xi Xi, President Huang brought you in. It's not very nice of you to reject him like this, right?"

Nan Wan had thought that it was President Huang who had brought Shi Xi here.

Shi Xi shot her a glance and suddenly laughed. "Windy asked Xuanhe to bring me out to play."

Windy was Hua Wenying's English name, so Nan Wan naturally knew about it.

Hearing this, Nan Wan's expression became ugly.

Could it be that Hua Wenying was trying to matchmake Shi Xi and Hua Xuanhe?

Xie Yunzhou thought of this as well, and his brows furrowed.

Chapter 477 Childhood Sweethearts?

“Miss Nan, if you don’t think it’s a good idea, why don’t you have dinner with President Huang?” Shi Xi smiled.

Nan Wan’s expression was extremely bad.

Looking at the fat President Huang, who would be able to eat?

“I, I have to have dinner with Yunzhou tonight.” Nan Wan found an excuse.

!!

Xie Yunzhou immediately exposed Nan Wan’s excuse. “I didn’t ask you out tonight.”

President Huang, who was standing at the side, felt a little uncomfortable after being rejected by two women in a row.

However, he still had to look up to others and did not dare to show it at all.

“Uncle Huang,” Hua Xuanhe said warmly, “Let’s call it a day. I should go back.”

“What about the chip’s price?” President Huang asked.

Hua Xuanhe had a distant smile on his face. “The price is not decided by me alone. Everyone in the company needs to eat, so I can’t lower it.”

He could have lowered the price a little.

However, the way Mr. Huang looked at Shi Xi was too perverted, which made Hua Xuanhe feel uncomfortable.

The Hua Corporation didn’t lack a partner anyway.

President Huang’s expression did not look too good. Since Hua Xuanhe had agreed to play golf with him, it meant that there was room for discussion about the cooperation.

But he actually didn’t surrender?

Hua Xuanhe looked at Shi Xi. “Let’s go back.”

Nan Wan had suffered a few losses in secret. She looked at Shi Xi’s back unhappily.

How could a fake heiress like Shi Xi be a good match for her cousin?

Shi Xi was about to agree when Xie Yunzhou interrupted her.

“Shi Xi,” Xie Yunzhou said, “I’m going to meet a producer. Do you want to come with me?”

“Who is it?” Shi Xi’s eyes lit up.

“Xia Siyan,” Xie Yunzhou said.

She was a very famous variety show producer in the industry and had done a series of popular variety shows such as [Star Idol], [Landscape Life], and [The Midsummer Promise].

"I'll go with you," Shi Xi immediately said.

She didn't know many people in the Yanjing circle, and she didn't know many variety show producers either, so she could expand her circle of friends.

More friends meant more paths.

Hua Xuanhe's eyes fell on Xie Yunzhou, deep in thought.

Xie Yunzhou did not back down. He met Hua Xuanhe's gaze and said, "I'll send Shi Xi back tonight."

Hua Xuanhe raised an eyebrow. "If that's the case, then I'll have to trouble Young Master Xie."

"Yunzhou," Nan Wan said anxiously, biting her lip, "I also want to meet Producer Xia. Let's go together."

"No," Xie Yunzhou said.

Nan Wan glared at Shi Xi. "If Shi Xi can do it, why can't I?" she asked.

"If I'm not mistaken, you offended Xia Siyan before," Xie Yunzhou said.

"During [Star Idol], you ran away before you went on stage," Shi Xi reminded her out of goodwill.

Because she had run away before going on stage, many live programs did not go to Nan Wan.

Everyone just wanted a safe and stable live broadcast program, not being on tenterhooks for fear that the artistes would run away before going on stage.

Nan Wan gritted her teeth.

She could only watch as Shi Xi left with Xie Yunzhou.

Xie Yunzhou's friend scratched his head.

He was completely ignored.

He had even forgotten to ask for Shi Xi's autographed photo.

'Forget it, next time.'

Nan Wan's eyes were cold. She looked at President Huang beside her and had a plan in mind.

*

After getting into Xie Yunzhou's car, Shi Xi asked, "How did you and Producer Xia meet?"

"We used to live very close to each other," Xie Yunzhou said, lowering his eyes.

"Childhood sweethearts?" Shi Xi guessed.

"I only know her. I spent most of my time in Feng City," Xie Yunzhou explained.

"Your home is in Yanjing City. Why are you always in Feng City?" Shi Xi asked, puzzled.

Xie Yunzhou paused for a moment, a cold glint in his eyes. "Because I was in poor health when I was young, I stayed in Feng City to recuperate."

Chapter 478 She Just Said That She Wasn't Used To Talking To Adults

"Feng City is indeed a good place to recuperate," Shi Xi agreed.

However, Shi Xi felt that something wasn't right.

If he was in poor health when he was young, he should be back in Yanjing now that he was grown up.

Xie Yunzhou was the young master of the Xie family. Why didn't he inherit the family business? Why did he start from scratch in Feng City?

!!

Shi Xi had wanted to ask more, but when she saw Xie Yunzhou's thin lips pursed, she stopped.

After spending so much time with Xie Yunzhou, she had almost forgotten that he had a bad temper!

Shi Xi quietly took out her phone and stopped talking.

Although she couldn't ask Xie Yunzhou, she could ask Shi Xu!

Shi Xi opened the conversation with Shi Xu and asked the question she wanted to ask, [Why didn't Xie Yunzhou develop his business in Yanjing? Why did he come to Feng City?]

Very quickly, Shi Xu sent a message explaining, [His position in the Xie family is a little awkward. It's not suitable for him to stay in Yanjing.]

[Illegitimate child?] Shi Xi guessed.

[No, it's a problem with the previous generation. Why are you asking this?]

[I'm just asking.]

[If he doesn't take the initiative to talk about it, try not to talk about his family background.]

An area that cannot be mentioned?

Shi Xi was even more curious.

novelusb.com

In retrospect, she had been reading novels for a long time, and many of the plots were vague.

The novel seemed to have mentioned Xie Yunzhou's tragic life.

But she couldn't remember how bad it was.

Forget it. No matter how miserable it was, it was illegal for him to throw her into the river to feed the fish.

She was the most miserable one when she was thrown into the river to feed the fish!

Shi Xi stopped thinking about this matter.

Xie Yunzhou calmed down and felt guilty when he saw the girl's shocked expression.

He handed her a strawberry pudding and said, "Do you want to eat?"

Shi Xi was surprised. "You like to eat this too?"

"It's alright," Xie Yunzhou replied.

He didn't eat it at all.

He had only bought them and placed them in the cabinet in the car because he saw that Shi Xi liked them.

Shi Xi instantly forgot about what had just happened and was happily eating her strawberry pudding.

It was really delicious.

Hehe.

A heartless person would be twice as happy.

Xia Siyan was a pretty, mature woman. When she saw Xie Yunzhou coming over with Shi Xi, her eyes lit up with curiosity.

"What wind has blown you here?" Xia Siyan invited the two of them in.

Xie Yunzhou entered the house.

"Hello, Teacher Xia," Shi Xi greeted politely.

"Just call me Sister Xia like Yunzhou does." Xia Siyan smiled and said, "What do you want to drink? Red wine or beer?"

Shi Xi wanted to speak but stopped.

"Is there no Cola or Sprite?"

"Other than wine and alcohol, there's only drinking water." Xia Siyan shrugged.

"I'll drink plain water." Shi Xi replied obediently.

Looking at the wine cabinet in front of the living room, Shi Xi thought to herself that she must have a lot to talk about with Sister Wine.

Xia Siyan poured Shi Xi a glass of water and smiled. "I didn't expect you to be so obedient in person. I thought you were just acting on camera."

Shi Xi: "..."

She couldn't continue.

The world of adults was so difficult to enter.

"What show have you been working on recently?" Xie Yunzhou asked Xia Siyan.

Xia Siyan sat on the sofa with her legs crossed and smiled lazily. "What's wrong? You want to introduce resources to your little girlfriend?"

"I'm not his girlfriend," Shi Xi denied.

"Huh?" Xia Siyan asked.

"Not yet," Xie Yunzhou added.

Shi Xi: "..."

She just said that she was not used to talking to adults.

Wuwuwu.

Xia Siyan opened a bottle of beer for herself and said, "If I'm not mistaken, Shi Xi is going overseas to participate in a variety show? Do you still have a free time?"

Chapter 479 Shi Xi Is Playing Golf With Her Sugar Daddy

"I'll be participating in [The Top] for the next three months," Shi Xi replied honestly. "I'll be joining the production team directly after I return to China and start filming."

"Not bad, the schedule is full." Xia Siyan looked at Xie Yunzhou. "She's been exposed for the past six months. There's no use looking for me," she said.

"What about half a year later? If I remember correctly, most of the projects started a few months ago," Xie Yunzhou said.

"That's true." Xia Siyan smiled and said to Shi Xi, "I'm currently preparing for [Star Idol 2]."

!!

"If you perform well in [The Top], I'll invite you back to be the coach of [Star Idol 2]. What do you think?"

Talent shows were held every year, and [Star Idol] was very popular, so [Star Idol 2] was put on the agenda.

As a popularity mentor, Shi Xi's singing and dancing weren't bad, and she could even bring popularity to the show.

Xia Siyan thought that she could continue to invite Shi Xi.

Shi Xi nodded. "Let's add each other on WeChat. If there's no conflict in our schedules, I can continue being a mentor."

Xia Siyan added her on WeChat and smiled. "You have to perform well in [The Top]. Otherwise, we'll have to consider other people."

Shi Xi blinked. "Don't worry, I'll definitely do a good job!"

As for singing and dancing, she had already made up her mind.

Xia Siyan knew Shi Xi, but they had never talked to each other before.

After chatting for a while, Xia Siyan knew that Shi Xi was an innocent and cute little girl.

Such an innocent personality was rare in the entertainment industry.

After Xie Yunzhou left with Shi Xi, Xia Siyan sent a message to Xie Yunzhou: [If you're going to do it, do it earlier. Be careful that she'll be snatched away by someone else. It'll be too late for you to regret it.]

Before Xie Yunzhou could reply, Xia Siyan sent another message.

[Drink some wine and have s*x after getting drunk, or drug her. This kind of little girl is easy to deceive. As long as she falls, she won't be able to leave.]

Xie Yunzhou tapped on the top right corner.

He deleted his friend.

Xia Siyan sent another message, [Are you unable to get it up?]

[System notification: The message was not sent successfully. Please add the other party as a friend first.]

Xia Siyan was speechless.

It was said to burn the bridge after crossing the river, but why did he destroy the bridge before crossing the river?

Xie Yunzhou looked at Shi Xi and said, "Keep your distance from Xia Siyan. She's not a good person."

Shi Xi nodded. "Alright, I'll get Brother Han to get in touch with her in the future."

She had to admit that Han Chuan's existence had saved her a lot of trouble.

After spending the entire afternoon outside, Xie Yunzhou sent Shi Xi back to the Selton Manor.

"I'm going home for a while. I'll come and find you tomorrow," Xie Yunzhou said.

"I have to watch a fashion show tomorrow. I'll leave after that. We're going straight to M Country," Shi Xi said awkwardly.

Xie Yunzhou was slightly taken aback, and his gaze on Shi Xi gradually deepened.

"It's okay. I'll call you when I get there. I'll be back soon." Shi Xi blinked and smiled.

Xie Yunzhou sighed softly and touched the girl's hair. "Take care of yourself outside."

"I will," Shi Xi replied.

Looking at the girl in front of him, Xie Yunzhou really wanted to stay and accompany her.

However, when he thought of the troubles in the Xie family, he had no choice but to go back and deal with them.

...

At night, Douban suddenly posted a thread.

[Shi Xi is playing golf with her sugar daddy.]

The attached picture was of Shi Xi playing golf with a chubby man.

They even thoughtfully added a brief introduction to the man: [President Huang, a computer businessman in Yanjing. He has a record of hiring a wild model and even used his money to shoot a video with the wild model.]

Chapter 480 Quit [The Top] and Don't Lose Face Overseas

After this post was posted, the anti fans immediately surrounded Shi Xi and scolded her for being shameless.

Most of the comments were saying that Shi Xi wasn't worthy of being an idol and that she should quit [The Top] so that she wouldn't embarrass herself overseas.

The fans naturally didn't believe it and had been looking for evidence for a long time.

In the end, Xie Yunzhou took the golf course's surveillance camera and released the panoramic photo.

Other than Shi Xi and President Huang, there were other people in the panoramic view.

They were playing golf together, not Shi Xi accompanying her sugar daddy.

Only then did the matter calm down.

However, the comments about Shi Xi online were still unfriendly.

[Every time Shi Xi is suspected of having a sugar daddy. Shouldn't she look for the problem herself?]

[That's right. Shi Xi has become popular so quickly. I don't believe that she doesn't have a sugar daddy.]

[She has such good resources. I'm guessing that she has a few sugar daddies behind her.]

[Are you crazy? Shi Xi is only slightly more popular, but she doesn't have a lot of resources. She's either a supporting character or the female lead of a web drama. You call that having good resources?]

[This is the first time I've seen such slander. Shi Xi is a clean and beautiful woman. The haters have been staring at her for half a year, but they can't find a single flaw in her.]

[Isn't it because they can't find any black spots that they started to spread rumors?]

[...]

When Nan Wan saw that it had cleared up so quickly, she was so angry that she threw a cup.

She had only wanted to make Shi Xi suffer for a few days and at the same time, make her unable to participate in [The Top]. She didn't expect her to clear her name so quickly!

To Shi Xi, this was just a small ripple.

The storm on the internet couldn't compare to the beautiful scenery in front of them.

The IW Fashion Show had officially begun.

The IW Fashion Show was arranged to be held at the Selton Manor. There was a T-shaped stage inside, and media photographers were all around it.

There were two rows of seats in the most front position with the best view.

Sitting in the middle, Shi Xi's lips twitched as she looked at the unfamiliar faces around her.

'Oh my god, I really don't know any of them!'

Shi Xi spent most of her time on set, so she didn't know much about the capital and the fashion industry.

She had no choice but to smile politely and sit down.

However, just because she didn't know the others didn't mean that they didn't know Shi Xi.

"You're Shi Xi, right? It's rare for celebrities to come to fashion shows," the short-haired girl asked.

"Why are you here?"

"Big Sis Windy invited me," Shi Xi replied.

Upon hearing Hua Wenying's name, the people around them perked up their ears.

"You're close to Windy?" the short-haired girl asked.

"Yeah, it's alright." Shi Xi wondered if they could be considered familiar.

"I'm Ai Xue, the chief editor of EIE Fashion Park." After the short-haired girl introduced herself, she asked, "Are you going to film with IW soon?"

"I'm going overseas to film a variety show," Shi Xi said.

Ai Xue thought for a moment and then smiled. "Let's add each other on WeChat. It'll be easier to contact each other in the future."

Shi Xi had been informed about fashion magazines by Han Chuan and knew that EIE was a top female magazine. Thus, she added her on WeChat.

Ai Xue was very understanding, so she even asked for Shi Xi's manager's WeChat.

Shi Xi's eyes curved and she pushed Han Chuan over.

Speaking of which, she really didn't seem to have any resources in the fashion industry.

However, she had the money and could afford these brands of clothes.

After adding each other on WeChat, Ai Xue and Shi Xi chatted for a while, and the fashion show just started.

The clothes in this fashion show were all the latest designs from IW, and Shi Xi thought that every one of them was pretty good.

Halfway through, Hua Wenying called Shi Xi and asked, "Xi Xi, do you have time?"

"Yes, why?" Shi Xi asked.

"Can you come backstage for a while?" asked Hua Wenying.

"Sure, I'll go over now."
