

The Fake 581

Chapter 581 Shi Xi Knows Three and Handles Three

"I don't need to report to you why I'm looking for him, do I?" Shi Xi asked indifferently.

"Why not? Do you know who I am?" The woman lifted her chin slightly, wanting to look down at Shi Xi.

Even though she was wearing high heels, she wasn't as tall as Shi Xi.

Shi Xi sized up the woman and had some impression of her. She said uncertainly, "Zhou Xiangyuan?"

Zhou Xiangyuan snorted and said in a weird tone, "I thought you wouldn't recognize your old friends after you became a big star!"

Shi Xi was speechless.

They couldn't really be considered friends.

However, they were all in Feng City, and Zhou Xiangyuan and the host had eaten and shopped together.

They were like fair-weather friends.

"I'm going to look for Leng Qiankun. Why are you stopping me?" Shi Xi asked.

Zhou Xiangyuan's eyes were filled with hostility. "Leng Qiankun is my fiancé. Can't I ask a beautiful woman who went to look for my fiancé?"

"You're engaged?" Shi Xi was surprised.

"You just found out?" Zhou Xiangyuan frowned. "Leng Qiankun and I have both posted it on our Moments."

Shi Xi paused for a moment. "I don't check my Moments often."

Ever since she had entered the entertainment industry, her circle of friends had all sorts of content. It was all over the place, so Shi Xi didn't really read it.

Zhou Xiangyuan gritted her teeth. "Didn't Tao Yuxuan tell you?"

Given Tao Yuxuan's gossipy nature, she would definitely report anything related to Shi Xi.

Shi Xi recalled that Tao Yuxuan seemed to have said something like "Why are there so many people getting engaged recently?"

Was she talking about Leng Qiankun?

"I'm here to talk to Leng Qiankun about serious business," Shi Xi said calmly.

"Tsk, what business does a woman have with a man?" Zhou Xiangyuan sized Shi Xi up with disdain and asked, "Is it because you've run out of money recently and you want Leng Qiankun to invest some money in you?"

"No," Shi Xi replied.

Zhou Xiangyuan rolled her eyes. "That's more or less the same. Why else would you look for your bootlicker number one?"

Shi Xi was speechless. Was it really appropriate for her to say that about Leng Qiankun?

"Why don't you go and find your good brother?" Zhou Xiangyuan continued to mock her and said in realization, "That's right. You're not the Shi family's biological daughter. They've already done their best to raise you for so many years. Come to think of it, you're just a country bumpkin's daughter. You can't help Leng Qiankun in his career."

Shi Xi was already immune to such words. After hearing that, she asked, "Are you done?"

Zhou Xiangyuan looked at Shi Xi and said exaggeratedly, "What's wrong? Did I hit your sore spot?"

"I'm really sorry, but I'm a straightforward person, and I don't use my brain when I speak. I'll say whatever I think of, so you won't mind, right?"

"I don't mind. After all, your rectum connects to your brain," Shi Xi replied.

Zhou Xiangyuan thought for a moment before she reacted and asked, "You're saying that my brain is filled with sh*t?"

Shi Xi put on an innocent expression. "You said it yourself."

Zhou Xiangyuan's face contorted. "You b*stard, how dare you scold me?"

Shi Xi took half a step back and said in surprise, "I didn't say a single curse!"

You were the one who said it!

Zhou Xiangyuan did not care about what Shi Xi or herself had said. She raised her hand to slap Shi Xi.

"If you can do it, then don't talk nonsense!"

Seeing her raise her hand, Shi Xi grabbed her wrist before her hand could land on her. "Miss Zhou, how did I offend you?"

Zhou Xiangyuan was even angrier now. She shouted, "You third party who meddles in other people's marriages! You're asking me how I've offended you? I'm going to beat you to death today, you shameless third party!"

Shi Xi: ?!?

You just said that Leng Qiankun is your fiancé.

Don't you know what it means to be unmarried?

Chapter 582 I Didn't Expect Shi Xu To Be So Gossipy!

There weren't many people in the hall, so when they saw the two beautiful women quarreling, they all took a few more glances.

Seeing that they were really going to fight, the security guard immediately came up and pulled the two apart.

He was mainly pulling Zhou Xiangyuan.

Zhou Xiangyuan was lifted into the air by the two security guards, and she was still kicking her legs and scolding, "Are you all blind? Don't you know who I am?"

"I'm your President Leng's fiancée, your future lady boss!"

The security guard hesitated.

But even if she was the lady boss, she shouldn't be such a shrew!

Standing not far away, Shi Xi saw that someone was already taking pictures with their cell phones. She knew that things had gone out of hand today and that she probably wouldn't be able to see Leng Qiankun. "I'll be leaving first."

Zhou Xiangyuan was still shouting, "Stop her! Beat this shameless third party to death!"

Shi Xi was speechless.

Fortunately, the security guards were smart enough not to stop Shi Xi.

When Shi Xi returned to the car, she was in a daze.

Leng Qiankun had such a shrewish fiancée.

It became difficult to meet.

Shi Xi had no choice but to call Leng Qiankun and explain the situation to him.

"Sure," Leng Qiankun said, "we'll make it more convenient for you to shoot the movie."

Shi Xi was speechless.

She didn't expect it to go so smoothly!

She didn't even mention lowering the endorsement fee!

Thinking about what had happened in the hall, Shi Xi apologized, "I wanted to talk to you face to face, but I met your fiancée. She seems to have misunderstood."

"Did she give you a hard time?" Leng Qiankun asked immediately.

Shi Xi, "...Uh, congratulations on your engagement."

"I didn't really look at my WeChat Moments and no one told me about it. I'll give you the engagement gift later."

"It's just a business marriage between us. We have no feelings for each other," Leng Qiankun explained.

"You don't have to explain."

"What did she say to you?" Leng Qiankun asked again. "Did she make you angry?"

Shi Xi didn't want to sow discord between the two of them, so she could only say, "It's nothing. You're already engaged. Just get along well."

With that, Shi Xi quickly found an excuse to hang up the phone, because she felt that she was becoming more and more like a white lotus.

Asking for help from one's own pursuer, it was really too wrong.

Especially when Leng Qiankun was engaged!

At that thought, Shi Xi gave Tao Yuxuan a call.

"Eh? You're not filming today?" Tao Yuxuan's tone was relaxed and she said happily, "Do you want to go shopping? I just got to know a cute little puppy. I'll show you."

"Leng Qiankun is engaged." Shi Xi went straight to the point.

The other side was silent for three seconds.

"How did you know? Didn't he block you from his posts on his Moments?" Tao Yuxuan asked.

Shi Xi was speechless.

So he had been hiding it from her on purpose?

"Shi Xu told you? I didn't expect him to be so gossipy!" Tao Yuxuan guessed.

Shi Xi: You still have the nerve to criticize others?

"Can't it be my mom who told me?" Shi Xi said.

"Aunty really cares about the younger generation." Tao Yuxuan immediately changed her tone.

Shi Xi: "..."

"I went to Leng Qiankun's office today and met Zhou Xiangyuan." Shi Xi leaned against the back of the car seat and massaged her temples.

"Zhou Xiangyuan is so jealous. Did she say something?" Tao Yuxuan immediately guessed it and gossiped, "I heard that she often scolds and disgraces you behind your back."

"I didn't offend her, did I?" Shi Xi asked innocently.

The host had even gone shopping and eaten with her before!

"Well, Leng Qiankun likes you!" Tao Yuxuan said confidently.

"I'd rather he didn't like me," Shi Xi replied.

Tao Yuxuan: "It doesn't matter if he likes you or not. He's already engaged. He's definitely going to walk all the way to the wedding."

Chapter 583 Are You Trying To Seduce Leng Qiankun

"How did they get engaged?" Shi Xi couldn't help but gossip.

With Leng Qiankun's judgment, why would he choose...

Forget it. Leng Qiankun liked the host.

The personality of the original owner of this body was not much better than Zhou Xiangyuan's.

!!

"Zhou Xiangyuan's father is the president of a bank. He borrowed a huge sum of money from the Leng family!" Tao Yuxuan explained.

The moment Shi Xi heard the words 'bank president', she understood.

"Is there anything else you're hiding from me?" Shi Xi asked.

"No more!" Tao Yuxuan promised.

Shi Xi didn't believe her.

A woman's mouth was a ghost that lied!

Fortunately, this matter was resolved smoothly.

In the future, she just had to keep a distance from Leng Qiankun – just like before.

Although Shi Xi had such thoughts, things were not going to develop as she had expected.

*

Zhou Xiangyuan only managed to calm down after Shi Xi left.

"Let go!" Zhou Xiangyuan ordered.

Seeing Shi Xi leave, the security guards let go of her.

The security guard's hand was bleeding from her nails.

Zhou Xiangyuan did not even look at him, nor did she apologize. She walked straight to the CEO's private elevator.

She left everyone in the hall with a beautiful back view.

In the elevator, Zhou Xiangyuan tidied up her hair and makeup and was ready to meet Leng Qiankun.

The elevator door opened, and the secretary stood up to stop her. "Miss Zhou, President Leng is busy."

"Busy with what? Busy flirting with a mistress?" Zhou Xiangyuan rolled her eyes.

"President Leng is alone in the office." The secretary smiled apologetically.

Zhou Xiangyuan sized up the secretary before her, and her eyes fell on her short skirt. "Are you trying to seduce your President Leng by dressing so s*xily?"

The female secretary's expression did not look too good. She said, "Miss Zhou, I'm already married."

"A hungry married woman. I understand." Zhou Xiangyuan stared at the secretary and said, "This is fake, right?"

The female secretary: "..."

"Go to the Human Resources Department and hand in your resignation letter. You don't have to come to work tomorrow," Zhou Xiangyuan said indifferently.

"I didn't make any mistakes at work. You can't let me leave."

"It won't look good if you make too much of a scene." Zhou Xiangyuan stared at the secretary's face.

"Your makeup is so white. Even people who have been dead for three days are not as white as you."

The female secretary, who was naturally fair: "..."

It wasn't that she couldn't find a way to retort.

She didn't dare to retort.

After feeling good for a while, she'd get fired.

As a social animal, the female secretary could only endure it and even smiled apologetically. "I'll talk to the Human Resources Department."

Zhou Xiangyuan looked at the secretary's bag and said in disdain, "You can only afford this LV if you follow Leng Qiankun, right?"

The female secretary with a monthly salary of over 10,000: "..."

It's just a bag, and I can't buy it myself?

After Zhou Xiangyuan was done with her disdain, she said, "I'm a very reasonable person. I'll let bygones be bygones. If you don't resign, don't blame me for making a scene."

The female secretary: TMD, you've already made a scene.

Even if Zhou Xiangyuan did not mention it, the female secretary wanted to change her position with the Human Resources Department.

Zhou Xiangyuan was about to enter the office after she finished scolding the female secretary.

The female secretary remembered her duty and said, "Miss Zhou, you can't go in."

"Get lost!" Zhou Xiangyuan pushed her aside and entered the CEO's office.

Leng Qiankun had just finished his call with Shi Xi. When he saw Zhou Xiangyuan enter, his face turned extremely dark. "Did you cause trouble for Shi Xi?"

Zhou Xiangyuan's anger immediately rose, and she said sarcastically, "Yo, that little mistress is really good. She's already complaining? She was the one who scolded me first! Why is she pretending to be a white lotus?"

Chapter 584 Shi Xi, Get Out of the Entertainment Industry

"Shi Xi is not that kind of person," Leng Qiankun said in a deep voice.

Zhou Xiangyuan was jealous of Shi Xi, so she didn't hold back at all. "You like her, so of course you think she's good in every way. Do you know what she's like in private?"

"I grew up with her. I know what kind of person she is the best."

"..."

The more Leng Qiankun defended Shi Xi, the more Zhou Xiangyuan believed that Shi Xi was a b*tch.

Quarreling would only make Zhou Xiangyuan angrier.

Finally, Leng Qiankun warned Zhou Xiangyuan, "Don't go looking for trouble with Shi Xi!"

Zhou Xiangyuan rushed out of the office in a huff.

The secretary had just poured the coffee and was about to bring it in when she saw Zhou Xiangyuan slam the door and come out.

Zhou Xiangyuan glared at the female secretary. "What are you looking at?! Even if I quarrel with Leng Qiankun, it's not your place to take the lead!"

"I'm here to deliver coffee to you and President Leng," the female secretary said, swallowing her anger.

Zhou Xiangyuan picked up a cup of coffee and said sarcastically, "Hot coffee, not bad."

The female secretary did not understand.

The next second, Zhou Xiangyuan splashed the coffee on the secretary.

The hot coffee spilled on her. The female secretary threw the tray in her hand away and wiped it with a tissue.

Zhou Xiangyuan rolled her eyes, turned around, and left in her high heels.

It was just a female secretary. She couldn't do much.

Her main enemy was Shi Xi.

*

Shi Xi did not expect Zhou Xiangyuan to bear a grudge against her so quickly.

She had thought that the matter would be over once she was far away from Leng Qiankun.

However, Shi Xi was bought off the trending list by noon.

#Shi Xi Mistress#

The topic was simple and clear, and Zhou Xiangyuan immediately bought this topic to be the number one trending topic.

She clicked on it and saw Zhou Xiangyuan's complaint.

@Zhouzhou Xiangyuan: [Miss Shi Xi knows that I'm engaged to Mr. Leng, but she's still entangled with him. She even found Mr. Leng's company.]

[After I made it clear that they weren't allowed to meet, Shi Xi insulted and beat me up. If the security guards hadn't stopped her, I might have already been beaten up.]

[...]

[I just want Miss Shi Xi to publicly apologize to me and not disturb my marriage with Mr. Leng.]

[I don't mean to take up public resources, but Miss Shi Xi has gone too far.]

Zhou Xiangyuan had written a long essay, portraying Shi Xi as a mistress who 'stole someone else's husband', 'knew what she had to do', and 'had no bottom line'.

As soon as this article was published, coupled with the fact that it was the top trending search topic, which cost hundreds of thousands of yuan, it immediately attracted the attention of netizens.

[F*ck! Shi Xi did this? This is too explosive, right?]

[People have long said that Shi Xi has a sugar daddy. Is this the one? Has anyone found out the identity of that Mr. Leng?]

[What's the point of keeping such a person? Hurry up and ban them all online!]

[Shi Xi, get out of the entertainment industry!]

[...]

The haters took advantage of the situation and boycotted Shi Xi, asking her to get out of the entertainment industry.

When the fans saw the news, they were so shocked that they couldn't believe their eyes.

[How is that possible? How could Xi Xi be a??Xi come out and explain.]

[That article didn't even have a picture, and you started making it up? If you have the hammer, then let it go, don't f*cking hide!]

[I've had enough of this slander. When has Xi Xi not been slandered? If you have a hammer, then quickly hammer it to death, or else I'll sue you until you doubt your life.]

[Shi Xi's fans are so unyielding. Aren't they afraid of getting hammered?]

[Ha? If she's the third party, I'm the first to stop being her fan. If she's spreading rumors, the anti-fans who spread the rumors don't have a household register.]

[@Zhouzhou Xiangyuan, if there's a hammer, then let it go. Otherwise, you'll have bought the hot one for nothing since it's so expensive.]

Chapter 585 Shi Xi, You're Eating a Melon On Your Own Head

As the end of the year approached, the celebrities' melon seeds were getting bigger and bigger, and the netizens were eating them with great relish.

Just a second ago, Shi Xi had been envious of someone else's watermelons, but in the next second, she saw herself as the mistress.

Shi Xi thought, 'F*ck, I'm eating a melon on myself.'

After reading Zhou Xiangyuan's complaint, Shi Xi was speechless.

There was nothing between her and Leng Qiankun.

Han Chuan was the first to call. He asked Shi Xi, "Have you seen Weibo?"

"Yes, I saw it. I went to look for Leng Qiankun to talk about the Academy," Shi Xi replied.

"Alright, I'll get the studio to make an announcement in response." Han Chuan still trusted Shi Xi.

Shi Xi was ambitious and willing to work hard to improve herself.

Such an outstanding artiste would never make the mistake of being a mistress.

How much money can you earn by being a third party?

How could it be more profitable than starting a business?

[@Shi Xi Studio: Shi Xi and Mr. Leng are just friends. They don't have an improper relationship as the rumors on the internet say. She is still single, thank you.]

The studio's positive response gave the fans a strong shot of reassurance.

[My Xi has already responded. What other moves does that @Zhouzhou Xiangyuan have?]

[If there's a hammer, then let it go. What's the point of just sending words and creating rumors?]

[Shi Xi is both beautiful and rich. What's the point of being a mistress????]

[...]

After Zhou Xiangyuan saw Shi Xifang's explanation, she snorted coldly and played the video.

Since she had bought the trending search, she had already made full preparations.

First, she sent a written complaint. After waiting for Shi Xi's reply, she brought out the crucial evidence.

[@Zhouzhou Xiangyuan: This is the video of Shi Xi hitting me when I went to the company to look for my fiancé.]

In the short video, it was obvious that Shi Xi had come to look for someone.

After that, Zhou Xiangyuan appeared and the two of them started arguing.

However, the video had been edited and the part where Zhou Xiangyuan had attacked first had been cut out.

They could only see the security guards stopping the two of them.

In the chaos, of course, the crying child would get candy.

Hence, the netizens were on Zhou Xiangyuan's side again.

[Shi Xi said that she's not a mistress, so why did she look for someone else's fiancé? Don't you know how to keep your distance?]

[Shi Xi's words are so sweet and innocent. On one hand, she says that she's not a mistress, but on the other hand, she's having an ambiguous relationship with another's fiancé.]

[Normal girls would keep a distance from other people's boyfriends, right? How could Shi Xi be so embarrassing?]

[Women know women best. Shixi just wants to be on the top. F*ck.]

Zhou Xiangyuan made herself out to be the victim on Weibo and accused Shi Xi instead.

People would always side with the weaker side.

Seeing how adorable Zhou Xiangyuan was, the netizens' hearts naturally ached for her, and their accusations against Shi Xi became even more severe.

[A person like Shi Xi should be banned from the internet!]

[I knew Shi Xi wasn't a good person.]

[Her background is so deep. She's already a third party. How can she continue to work in the industry?]

[Shi Xi, get out of the entertainment industry!]

[...]

After the video was edited, it was very directional. Even some fans couldn't help but jump out.

[I didn't expect Shi Xi to be this kind of person. Leaving silently is my last act of gentleness.]

[Why do you want to be a mistress?]

[...]

Han Chuan called Shi Xi again. "That surveillance video is not good for you."

Naturally, Shi Xi saw that and said with a headache, "If you want to clear my name, you'll have to go to Leng Qiankun."

"Or should I contact Mr. Leng?" Han Chuan asked.

Chapter 586 Did You Break Up With Shi Xi Because of This?

Shi Xi gave Han Chuan Leng Qiankun's contact information.

Shi Xi really did not want to keep in contact with Leng Qiankun anymore. If Zhou Xiangyuan found out about it, it would be troublesome.

After Han Chuan got Leng Qiankun's contact information, he started to deal with it.

~

!!

In the office.

Xie Yunzhou was reading some documents when he heard a knock on the door.

“Boss, Miss Ning Yu is outside. She said that Mr. Xie Chongshan asked her to look for you,” the assistant said, feeling troubled.

Xie Yunzhou didn't want to see Ning Yu, but when he heard his father's name, he put down his pen and compromised, “Let her in, the meeting will be moved to tomorrow morning.”

“Alright,” he said. The assistant nodded and went out to invite Ning Yu in.

Ning Yu was dressed very casually. Her top was a blue hoodie, matched with a pair of white casual pants, looking very relaxed.

Ning Yu sat directly across from Xie Yunzhou and said, “Xie Chongshan asked me to check on your injuries.”

“Thank you for your concern, but I'm fine now,” Xie Yunzhou replied coldly.

“The injuries on your body have already healed, but what about the trauma in your heart?” Ning Yu asked.

Xie Yunzhou's face was expressionless. “I don't know what you're talking about.”

Ning Yu leaned lazily against the back of the chair, her long eyelashes slightly raised, and her black and bright eyes looked straight at Xie Yunzhou. “You know.”

Xie Yunzhou's expression was a little impatient as he said, “I still have things to do.”

In other words, he was driving Ning Yu away.

It had always been the patients who needed Ning Yu's help, and Ning Yu had never forced anyone to treat her.

From Ning Yu's point of view, life and death were up to fate, and she could do whatever she wanted.

Let go of her desire to help others.

Respect the fate of others.

Hearing Xie Yunzhou's words, Ning Yu stood up and prepared to leave.

She wasn't the one who was afraid of being treated.

When they reached the office door, Ning Yu suddenly thought of something and turned around to ask, “Did you break up with Shi Xi because of this?”

Ning Yu didn't care about other people's love life, but she asked when she saw that Xie Yunzhou wasn't sticking to Shi Xi like he usually did.

Xie Yunzhou looked at Ning Yu, his dark and cold eyes like the deep sea.

...

While Han Chuan was dealing with the public opinion of Shi Xi being a mistress, Shi Xi was still filming. Because of her open heart, Shi Xi wasn't affected at all.

Other than the school venue, which was about to expire, nothing else could trouble Shi Xi.

Leng Qiankun had agreed, but there was a big problem.

Who should she look for after this?

Sheng Yan?

She hoped that Sheng Yan would not be so narcissistic as to think that she wanted to pursue him.

Shi Xi decided that she would look for Sheng Yan after she was done filming for the day.

'Let's make a reservation first.'

Shi Xi alighted from the car and sent a message to Sheng Yan to ask about the situation as she made her way to the filming location.

However, at that moment, a woman suddenly rushed out from the side with an unsealed plastic bottle in her hand. She splashed the liquid in the bottle on Shi Xi's face!

"Third-party! Go to h*ll!"

There were many people on this road, so Shi Xi didn't notice the woman suddenly rushing out.

However, another person reacted faster than Shi Xi.

Xie Yunzhou and Ning Yu spent the entire afternoon in treatment and were prepared to have a heart-to-heart chat with Shi Xi.

He didn't expect to see this scene when he arrived.

The body's reaction was much faster than the brain's.

A slightly chilly embrace wrapped around Shi Xi.

He protected her tightly.

Shi Xi was shocked.

She was shocked at the woman who had suddenly rushed out, and shocked at Xie Yunzhou who had suddenly disappeared and reappeared.

However, despite her surprise, Shi Xi's reaction speed was no slower than anyone else's due to her practice of ancient martial arts.

Chapter 587 Pants Are Torn

Xie Yunzhou hugged Shi Xi tightly, but the phone in her hand was still working.

Thinking about the trajectory of the bottle, Shi Xi threw her phone out like a hidden weapon.

“Ah!”

A shrill cry attracted the attention of everyone around.

!!

When the woman rushed out, she had already attracted some people’s attention.

However, this scream attracted everyone’s attention.

In an instant, there was chaos.

“Do you have water? Quickly find water!”

“Call 120!”

“Should we call the police?”

“...”

“You can let go of me now.” Shi Xi patted Xie Yunzhou’s shoulder.

Xie Yunzhou slowly released his grip and stared at Shi Xi as if he was trying to see through her. “Are you alright?”

“I’m fine,” Shi Xi said gloomily.

It was just that the phone was probably going to be scrapped.

The two of them then looked at the instigator.

However, they couldn’t see anything with so many people surrounding them.

Shi Xi looked at Zhu Lin, who had just recovered from the shock, and asked, “What just happened?”

Zhu Lin swallowed her saliva and said in disbelief, “The acid was all splashed on the woman’s face, and it immediately rotted...”

Zhu Lin didn’t want to recall the bloody mess.

The film crew was already calling the police and emergency.

“Acid?” Shi Xi suddenly thought of something and looked at Xie Yunzhou. “Did you get splashed?”

“No,” Xie Yunzhou retorted.

Zhu Lin exposed his shortcomings and said, “I just saw some of it land on President Xie.”

“Turn around,” Shi Xi said.

“I really didn’t,” Xie Yunzhou replied.

Shi Xi simply went behind him and sized him up.

Xie Yunzhou was wearing a suit, so the sulfuric acid splashed on him and corroded a hole in his clothes.

“There’s a hole in your pants,” Shi Xi said.

Xie Yunzhou: ?!?

“Where?” Xie Yunzhou said nervously.

Shi Xi considerately took off her coat and wrapped it around his waist. “Below the waist.”

Wasn’t that the butt?

Xie Yunzhou: ?!?

Why did it have to happen today?

This was ridiculous!

“Did the acid splash onto your ankle?” Shi Xi asked.

When the bottle of sulfuric acid hit the ground, part of it splashed out.

“I’m fine. It doesn’t hurt.” Xie Yunzhou’s heart was dead.

“I’m hurt,” Shi Xi replied.

Xie Yunzhou immediately became nervous. “Did you get splashed?”

Shi Xi sat down. “A little on my ankle.”

She didn’t notice it because of the socks.

When she took off her socks, she could see a small scar.

Zhu Lin quickly took a cloth and water.

Shi Xi looked at Xie Yunzhou’s ankle and asked, “Why are you wearing a pair of pants with short legs?”

If his trousers were a little longer, he would not have been splashed.

“Why aren’t you wearing a pair of long-legged pants?” Xie Yunzhou asked.

“This is a pair of cropped pants.” The female star, Shi Xi, who was at the forefront of fashion, would rather be frozen than be ugly.

Soon, the ambulance and the police arrived.

Shi Xi was the victim, so she followed them to the hospital.

A nail-sized scar was left on Shi Xi’s ankle, and it was an eyesore no matter how one looked at it.

This way, she couldn’t wear high heels and sandals directly.

The police took Shi Xi’s statement, but she didn’t know anything about the woman.

...

An undeserved calamity.

The woman who had poured the sulfuric acid on her was still in the emergency room. They could only wait for her to wake up before they took her statement.

Sitting in the hospital, Shi Xi tried her best to recall the hatred she or the original owner of the body had for this woman.

She didn't know her at all!

Chapter 588 #Shi Xi Disfigured a Woman By Splashing Sulfuric Acid#

Shi Xi simply treated her wound and the nurse gave her some medicine to apply.

"Will it leave a scar?" Zhu Lin was worried.

"Generally not," the nurse replied.

"What do you mean by 'generally won't'?" Zhu Lin asked.

!!

A female celebrity couldn't have a single scar on her body!

Shi Xi was wearing a short skirt today, revealing her long legs.

It was straight and fair, and very pleasing to the eye.

"Usually, it won't leave a scar," the nurse said. "If there really is, then we'll remove it."

Nonsense literature yysd.

"It's good that it's fine," Shi Xi said. "It's fine to have a little scar."

Moreover, it was on her ankle.

Which normal person would stare at someone else's ankle?

Zhu Lin sat beside Shi Xi and stared at her ankle. She reached out to touch her thigh and said regretfully, "Such a beautiful pair of legs, but there's actually a scar."

novelusb.com

Shi Xi's eyes were filled with fear as she covered her legs with her bag.

A pervert is actually by my side?!

Zhu Lin's phone rang. She looked at the caller and got up to answer the phone with a headache.

"Brother Han..."

When she heard Zhu Lin's address, Shi Xi no longer harbored over the matter of being a pervert. She took out her tablet and clicked on the Weibo hot search.

She hoped that she was not on the hot search.

The hot search came down, but there was nothing about her.

Shi Xi heaved a sigh of relief and changed her method.

She entered the search engine, searched for her name, and then clicked on real-time.

The real-time news in the square was not so simple.

[#Shi Xi disfigured a woman by splashing sulfuric acid# is this suppressing the hot search? If Shi Xi dares to do it, then she has to admit it. Why are you hiding and not responding?!!]

[The sulfuric acid was splashed by someone else. What's the meaning of this topic? Why did you have to throw dirty water on Shi Xi?]

[People call Shi Xi a mistress, but she deserves it! If Shi Xi wasn't the third party, would something like this have happened?]

[That woman seems to have been divorced. Her husband cheated on her. She's so miserable.]

[Wasn't the video clear? That woman was going to pour sulfuric acid on Shi Xi, and it was self-defense! If she didn't throw her phone out, Shi Xi would be the one who was disfigured.]

[There's someone protecting Shi Xi!]

[So, the person who protected Shi Xi deserved to be splashed with acid? Is that what you mean?]

[That's a man, and it's only on his back. It's better than that woman being disfigured, right?]

[hi Xi's actions are also very dangerous! She threw her phone out. What if the sulfuric acid splattered on the fans next to her?]

[I'm dying of laughter, where are the fans? It's not all on behalf of the crew?]

There was a lot of chaotic news in the square, and the discussion was very hot.

Shi Xi thought that the company had probably taken action to suppress the hot search, so this matter had never made it to the hot search.

Very quickly, Kuai Xue Entertainment replied.

[@Kuai Xue Entertainment: Regarding the accident that happened today, it has escalated to a criminal case. Our company will actively cooperate with the police to investigate this matter. I hope the netizens can follow our idol rationally, thank you.]

After the announcement was made, the black fans still did not give up.

Shi Xi looked at the comments and stopped reading them.

What the h*ll was this?

She was the victim here, alright?

If she had not dabbled in hidden weapons, no one would have been able to avoid it. Disfigurement was the least serious.

If it was splashed directly on Xie Yunzhou's back...

Just as she was thinking about this, Xie Yunzhou came out of the ward next door.

He was splashed with some acid, but it was nothing serious.

He changed his pants and came out.

When she suddenly saw Xie Yunzhou, Shi Xi was dazed for a moment. When she came back to her senses, she said in a daze, "Thank you for this."

Chapter 589 Looking For Leng Qiankun

"Even without me, you wouldn't have been hurt," Xie Yunzhou said after a pause.

In Xie Yunzhou's eyes, this small injury was not a big deal.

A scar?

So what if a man had a scar?

!!

All the injuries he had received were medals.

"Thank you for standing in front of me at such a dangerous time," Shi Xi sighed.

Xie Yunzhou sat beside Shi Xi.

Sensing the tense atmosphere, Shi Xi said, "Don't stand in front of me in the future. You'll be misunderstood."

"What misunderstanding?" Xie Yunzhou asked.

"I'll misunderstand that you like me." Shi Xi's eyes curved into crescents as she smiled. "You've already said it. Let's not contact each other anymore. Let's keep our distance from now on."

Xie Yunzhou's eyes darkened when he heard the girl's words.

Shi Xi stood up and said, "No matter what, thank you for protecting me today."

"If you need my help next time, you can contact my assistant or Brother Han. I won't refuse."

novelusb.com

"I'll be leaving first, goodbye."

Without giving Xie Yunzhou a chance to speak, Shi Xi dragged Zhu Lin, who was still on the phone, away.

There were more and more people at the hospital, and Shi Xi was afraid that it would be troublesome if she was recognized.

Also, she didn't want to be entangled with Xie Yunzhou anymore.

As for why Xie Yunzhou had appeared and come to find her...

Shi Xi didn't care at all.

After getting into the car, Zhu Lin hung up the phone and said to Shi Xi, "The public opinion is very unfriendly toward us. Many companies have gone down to buy fake reviewers just to trample you to death."

Shi Xi had been rather popular ever since she became a star. There were occasional waves in the entertainment industry, but overall, her popularity had been rising.

A rising star who was not even 20 years old would naturally attract the jealousy of other companies.

Shi Xi leaned against the back of the car seat and asked, "What did Brother Han say?"

Zhu Lin said, "Brother Han's looking for someone to suppress the trending searches and delete the words, so don't look at Weibo."

"Also, he said to give you three days off. You can start filming after three days."

Shi Xi lowered her gaze. "I'm fine. I don't need to take leave."

Seeing the fatigue in Shi Xi's eyes, Zhu Lin's heart ached. "There must be a lot of people who want to block you these few days. It's better to hide first."

"Sleep for a while, I'll call you if I need anything."

"If there's news from the hospital, let me know as well." Shi Xi wasn't tired, but she was mentally tired.

She lowered the seat a little and closed her eyes to review the whole matter.

The source of this matter was [Shi Xi Third Party].

When that woman had poured acid on her head, she had also shouted, "Third party, go to h*ll!"

Did Zhou Xiangyuan get someone to do this?

That was impossible. Although Zhou Xiangyuan hated her, her father was the president of a bank. She would not risk breaking the law by hiring a killer to hurt others.

Did she really just dislike her as a black fan?

Could there be such a coincidence?

Shi Xi opened her eyes and there was a hint of coldness in them.

No matter what, Zhou Xianhyuan had something to do with this.

It was already intolerable to label her as a 'third party'!

"To the Leng family," Shi Xi said.

"What are we going there for?" Zhu Lin asked, surprised.

"I'm looking for Leng Qiankun." Shi Xi's eyes were cold.

If she wanted to get rid of the label of 'third party,' she had to make it clear to Leng Qiankun.

"But what if we get photographed again? Why don't we make a phone call?" Zhu Lin suggested.

Shi Xi glanced at Zhu Lin. "Did you help me pick up my phone after I threw it out?"

Zhu Lin was stunned. "Uh, no."

It had been chaotic back then, and no one knew who had picked up Shi Xi's phone.

Chapter 590 Why Don't You Just Rob Someone?

"What if the phone is picked up by someone?" Zhu Lin quickly asked.

Shi Xi massaged her brows. "Let me change the password for my account first."

There was a backup phone in the car, and Zhu Lin quickly handed it over.

"What if someone finds it?" Zhu Lin was worried.

Shi Xi, who was changing the password, replied, "It's fine. I've already changed the password. I didn't lose any money."

"What if they see your chat history?" Zhu Lin asked anxiously.

"I've already changed the password for my social account. Besides, there's nothing other than some chit-chat," Shi Xi replied after some thought.

"You don't have any s*xual messages on your phone, do you?" Zhu Lin asked again.

"Aam I that kind of person?" Shi Xi was speechless.

Zhu Lin blinked. "You can't judge a book by its cover. Uh, I mean, you're so pretty. It's hard to say that you don't have a few boyfriends."

"My boyfriend may betray me, but money will never betray me." Shi Xi was clear-headed.

Zhu Lin was still worried about the loss of her phone, so she reported to Han Chuan again, asking if they should make an announcement.

However, he was also worried that after they made the announcement, everyone would say that they had picked up Shi Xi's phone.

Han Chuan told her to bide her time and look at the trend on the internet.

..

Shi Xi's phone was picked up by an old man who was passing by.

On the road where Shi Xi alighted from the car, there were not only paparazzi and fans but also nearby residents.

At that time, the old man was taking a stroll. When he saw the chaos, he went forward to join in the fun.

He saw a broken phone on the ground.

The old man grinned and ran away with his phone.

Looking at the tattered cell phone, the old man had no intention of using it for himself. He went directly to the cell phone store and wanted to sell it to a second-hand store.

However, the second-hand store didn't like this broken phone and was only willing to pay 20 yuan.

The grandpa thought that 20 yuan was still money, so he sold it.

After the old man took the money and left, the second-hand mobile phone shop owner directly formatted the phone and restored it to the factory setting, setting the price at 1800 yuan.

..

In the end, Shi Xi did not go to Leng Qiankun.

It was Han Chuan who had gone to Leng Qiankun and asked him to come forward and mediate so that Zhou Xiangyuan could make a statement again that she had misunderstood their relationship.

Naturally, Zhou Xiangyuan would not agree to this.

She couldn't wait for Shi Xi to be reviled by thousands of people.

Things were at a standstill.

Meanwhile, Shi Xi had been given three days off by the production team. She contacted Sheng Yan on WeChat to discuss the college.

After thinking about it, Sheng Yan replied, [If you can resolve the public opinion issue within this month and shoot two publicity advertisements for Shengshi Jewelry and three Weibo publicity posts next month, I'll agree.]

[Sure.]

Sheng Yan replied, [Don't reply so quickly. Sign the contract next month. You can't reveal any news of our cooperation during this period of time.]

Sheng Yan was afraid that such a big public opinion would burn Shengshi Jewelry.

[Okay.]

As long as there was a way to turn things around, it would be fine.

Shi Xi passed on the replies of the two to Shi Xu.

As Shi Xu listened to his sister's report, he couldn't help but nod in his heart.

It was already good enough that she could solve the problem by herself.

"I can agree to it. But if the box office exceeds 500 million, I want to exceed 10% of the revenue," Shi Xu said.

"Why don't you just go and rob someone?" Shi Xi couldn't help but ask.

She was the one who invested in this movie!

Alright, it was the funds allocated by Shi Xu.

However, if the company invested 5 million and the profit was within 500 million, all the profit would go to the company.

If the profit was less than 500 million, the company would bear the loss.
