

The Fake 61

Chapter 61: She Would Never Forget the Kindness of Delivering Medicine To Someone Who Was Sick!!

Shi Xi slept until 8 o'clock at night. She slept for four hours straight.

When she woke up, Shi Xi felt refreshed, as if she had been injected with stimulants.

"Xie Yunzhou? Why are you here?" Shi Xi sat up. When she saw the other person in the room, her eyes widened.

"It was you who called and said that you were dying of illness." Xie Yunzhou swiped his tablet and said in a cold voice, "Wake up and eat."

Shi Xi hugged the blanket and secretly looked at her clothes.

Fortunately, she wore her pajamas intact.

Shi Xi got out of bed to wash up and remembered her situation before she 'fainted'.

So, she called Xie Yunzhou that time?

Shi Xi brushed her teeth, picked up her phone as if to confirm, and looked at the call record.

Call record: Xie Yunzhou

Call duration: 49s

As expected, she called Xie Yunzhou!

She didn't expect that the big villain would actually come to save her!

.....

Shi Xi was grateful in her heart, and her fear of Xie Yunzhou lessened a little.

Although she might be thrown into the river to feed the fish in the future, she would never forget this kindness of delivering medicine to the sick!

After Shi Xi washed up, she saw that Xie Yunzhou was still sitting in her room, so she took her clothes to the bathroom to change.

A supporting actress and a villain should not be intimate.

Cough, cough.

After changing her clothes, Shi Xi took the initiative and said, "Let me treat you to a meal!"

Xie Yunzhou had treated her so many times and even saved her life this time, so Shi Xi should repay him.

"Let's go to the Crane Pavilion to eat." Xie Yunzhou put away his tablet and designated a restaurant.

When Shi Xi thought of yesterday's humiliation, the smile on her face froze.

She didn't want to see yesterday's waiter!

“Why?” Xie Yunzhou sensed that something was wrong with her and asked, “Can’t I?”

“No, no, of course you can.” Shi Xi smiled awkwardly. “Don’t you usually go to Qingshui Restaurant? Why do you suddenly want to go to the Crane Pavilion?”

“For a change.” Xie Yunzhou casually asked, “Who did you go to the Crane Pavilion with yesterday?”

Shi Xi said, “It’s my colleagues from the production team, Yun Guanghe and Wen Yao. They won an award yesterday and were fighting to treat a meal.”

Hearing that it was these two people, Xie Yunzhou nodded slightly.

It was fine as long as it wasn’t Sheng Yan and Leng Qiankun.

When they arrived at the Crane Pavilion, Shi Xi awkwardly realized that the person who led the way for the two of them was still the waiter from yesterday.

She hoped that the waiter would see a lot of people every day and wouldn’t be able to recognize her.

“Miss Shi.” The waiter smiled shyly and handed her a pen and paper. “I was too embarrassed to ask yesterday. Can you please give me your autograph today?”

Shi Xi: This is even more awkward. Not only did this person recognize her, but he also knew that she was Shi Xi.

“Sure.” Shi Xi quickly signed her autograph, hoping that she could go to Qingshui Restaurant next time.

Xie Yunzhou ordered a table of dishes, not even considering Shi Xi’s wallet.

If it was before yesterday, Shi Xi would still feel sorry for him.

But now, Shi Multimillionaire Xi did not care about money at all. She even took the initiative to lean over and recommend, “Their dessert is also very delicious. Don’t you want to order more? I want to eat ice cream puffs.”

The girl was too close to him. Xie Yunzhou could smell the fragrance of the girl. He closed the menu expressionlessly and said, “Order more if you don’t have enough.”

Shi Xi sat back down. She thought to herself, ‘I didn’t make this big shot angry, did I?’

‘He clearly has a good character. Why does he get angry so easily?’

‘No wonder he got dementia early.’

“Are you short of money recently?” Xie Yunzhou asked.

“No!” Shi Xi said seriously, “Don’t transfer money to me!”

Xie Yunzhou looked at her strangely. “Why should I transfer money to you?”

“Ah, this, I was just saying casually. It’s fine as long as you don’t transfer it.” Shi Xi lowered her head and drank her tea.

Too many people had transferred money to her yesterday.

Chapter 62: If She Were To Go Bankrupt, Would She Still Be Able To Withdraw the Money?

Thinking about it, it made sense. How could a big shot villain transfer money to her?

Shi Xi stuck out her tongue and said, "I'm just casually saying." So, you should just casually listen.

Xie Yunzhou sized up Shi Xi and said calmly, "Is your drama almost finished?"

Shi Xi nodded. "Yes."

Although she was the second female lead and her scenes were second only to the male and female lead, there was also the second, third, fourth male leads, third, fourth, fifth, and sixth female leads in the drama. Only the male and female lead's scenes would be carried out throughout the entire drama. As the second female lead, she would be heartbroken and go abroad to study. There would be new misunderstandings between the male and female lead, and other side characters would also appear.

Moreover, this school drama only had 24 episodes. Based on the current filming speed, Shi Xi's scenes would be finished in a week, and Yun Guanghe and Wen Yao would still need another month to film.

However, how did Xie Yunzhou know so much about her?

Before Shi Xi could think about it carefully, Xie Yunzhou spoke again.

"Do you still want to continue filming after it's finished?" Xie Yunzhou asked.

"Let's see what Brother Han has arranged for me," Shi Xi said. "He seems to be fighting for some resources for me."

Xie Yunzhou nodded slightly. "If you need help, you can look for me."

Shi Xi smiled politely. She thought to herself that if she wanted to die early, she would definitely look for him.

After the dishes were served, Shi Xi saw that Xie Yunzhou had even ordered bird's nest and brought it to her.

.....

Eh? Xie Yunzhou had ordered this just now?

Shi Xi only leaned over to take a look. She did not expect Xie Yunzhou to take care of a patient like her and even order bird's nest soup for her.

This was very expensive!

She was so touched.

Just as she was touched, Shi Xi remembered that she was the one paying for this table.

She was touched for nothing.

But this bird's nest soup was really delicious. Could she learn to cook it at home in the future?

Shi Xi's eyes were curved, and she ate happily.

When Xie Yunzhou saw the girl's lively and satisfied look, the corners of his mouth curled up slightly.

He often ate alone. Even if it was the food from the Crane Pavilion or Qingshui Restaurant, he had long been fed up with it and lost his appetite.

However, ever since he met Shi Xi, he felt that eating was the most relaxing time of the day.

At this time, he could relax and enjoy the delicious food and time.

He could enjoy the time he had with her.

After she was full, Shi Xi looked at the empty plates on the table and felt a lingering fear.

She had eaten so much. She wouldn't get fat, right?

Xie Yunzhou saw her expression and stood up. "Let's go. I'll send you back."

Shi Xi stood up as well. "Oh, okay."

When they reached the front desk, Shi Xi took out her phone and was about to pay, but she was told that the bill had already been paid.

"I've already paid the bill," Xie Yunzhou said and then said to the front desk, "Get her a membership card."

The front desk smiled and asked politely, "Miss, would you like to get a silver membership or a gold membership?"

Shi Xi's gaze fell on the sign next to her.

Silver member: you can apply if you charge 100,000 yuan

Gold member: you can apply if you charge 500,000 yuan

Diamond member: you can apply if you charge 2,000,000 yuan

No, who would come to your restaurant for so many meals?

How long can your restaurant last?

If it goes bankrupt, will you still be able to withdraw the money you charged?

Shi Xi couldn't understand how Crane Pavilion operated its membership system.

But thinking about the price of the meal just now, Shi Xi fell silent again.

That's right, this restaurant was very expensive.

Evil capitalism!

"Miss, please use WeChat to scan and activate your membership card." The voice of the front desk interrupted Shi Xi's thoughts.

Shi Xi came back to her senses. "Okay."

With the popularity of electronic membership cards, many people's wallets were less burdensome. Their wallets, which were already empty, became even emptier.

Chapter 63: Had Yet To Marry Into the Sheng family, And She Already Cared So Much

??

"Hello, I've already processed your membership card. You can just show me your QR code before you check out next time." The receptionist smiled gently and kindly, as if she had earned two million yuan.

Shi Xi put away her phone. "Okay, thank you."

Xie Yunzhou left with Shi Xi, just in time to meet Sheng Yan who came in through the main gate, as well as his friends.

"Brother Sheng, isn't that your fiancée?" His friend asked in a low voice, "Why is she with Xie Yunzhou?"

Sheng Yan looked over and frowned.

When did these two become familiar with each other? And they even ate together?

When Sheng Yan saw the two of them, they naturally saw Sheng Yan as well.

"Eh, Sheng Yan?" When Shi Xi saw Sheng Yan, she said with a smile, "Are you here to eat with your friends?"

Sheng Yan answered as if he didn't see Xie Yunzhou and asked, "By yourself?"

"I'm here with my friends." Shi Xi looked at Xie Yunzhou and reminded Sheng Yan, "You guys go and eat. Remember to drink less."

Sheng Yan smiled, but he said, "You really care too much."

Shi Xi thought to herself, 'I'm doing this for your own good.'

'If you were really despised by Ning Yu because of baldness, you wouldn't even have a place to cry.'

Although Sheng Yan cared about Xie Yunzhou in his heart, he knew that 'Shi Xi' loved him deeply and would never fall in love with someone else.

Therefore, Sheng Yan went to eat with his friends without worry.

When they were ordering dishes, his friends were still gossiping. "Brother Sheng, aren't you afraid that Shi Xi will cheat on you?"

"She's not my fiancée yet. What cheating?" Sheng Yan leaned against the back of his chair and pointed at the table. "Are you going to order or not?"

"Yes, yes!" His friends quickly changed the topic and began to order. "Brother Sheng, what would you like to drink?"

Sheng Yan said lightly, "Order me a cup of rose tea."

“Yes, a bottle of rose tea. Holy sh*t! Brother Sheng, you’re not drinking?”

“Because Shi Xi didn’t allow it?” another person guessed.

“I didn’t know that Brother Sheng was so obedient to his wife.”

Sheng Yan didn’t pay attention to this group of single people, but he thought that it wasn’t good for Shi Xi to be like this.

She hadn’t married into the Sheng family yet, and she already cared so much.

How bad would it sound if word got out?

He had to talk to Shi Xi properly next time.

At least he had to remind her in private to leave him some face in front of others.

..

Sheng Yan overthought things in the private room and didn’t pay any attention to Xie Yunzhou at all.

On the other hand, Xie Yunzhou was displeased when he saw Sheng Yan, this decent fiancé, appear.

Especially when Shi Xi reminded Sheng Yan, it was as if they were really husband and wife.

Xie Yunzhou’s emotions were hidden deep in his eyes and he did not reveal the slightest bit. “I’ll send you back to the hotel first.”

After sending Shi Xi back, Xie Yunzhou thought of something and said, “This is a gift for you.”

Shi Xi looked at the gift bag of Sheng Shi Jewelry in front of her and said in surprise, “You? For me?”

Xie Yunzhou: “Yes, you saved my life. This is a thank you gift for you.”

“It’s really a piece of cake. You don’t have to—” Shi Xi wanted to refuse, but when she saw Xie Yunzhou looking up, she instantly accepted the gift bag. “Thank you!”

Xie Yunzhou replied, closed the window, and left.

Shi Xi carried the gift bag into the hotel, thinking that it would be great if Xie Yunzhou brought her along to buy it.

If she went to Sheng Shi Jewelry now, Sheng Yan would give her a 50% discount.

When she returned to her room, Shi Xi opened the gift Xie Yunzhou gave her.

It was an exquisite, very shiny diamond hair clip.

There were three big diamonds at the end of the hair clip, and there were a lot of broken diamonds embedded around it, reflecting a dazzling light under the light.

“It looks pretty good.” Shi Xi used the hair clip to pin back her stray hair and went straight to take a shower.

Oh, it was so practical!

Chapter 64: I'm Actually a Person With a Good Personality. I Definitely Won't Talk Nonsense On Variety Shows

On the day that Shi Xi's scenes were completed, the production team specially ordered flowers for her, wishing her a happy ending.

The director was very satisfied with Shi Xi's acting and gave her a big red packet.

The fans also came to visit the production team and gave Shi Xi a big bouquet of flowers and various gift bags.

Shi Xi saw the logo on it. "I don't accept gifts. I only accept letters."

How expensive would that be!

When the president of the fan club, Ji Yin, heard Shi Xi's words, she said, "Don't worry, we have money."

Fans who could afford to give big-name gifts were not bad at earning money.

"I'm even richer." Shi Xi took the letters and said to the fans who were giving gifts, "Keep the things for your own use or return them."

The smile on Shi Xi's face could not be wiped away when she thought about her eight-figure balance.

Ji Yin: "...I bought it for you, you have to accept it!"

Shi Xi insisted on not accepting it.

In the end, Han Chuan stepped in and persuaded the gift-giving fans to leave.

After taking a group photo as a memento, Shi Xi was surrounded in the middle and began to sign autographs for the fans.

The fans with cameras kept taking pictures.

"Holy sh*t, she looks even better when I get closer."

Reading on Mybo xno vel. com ,Please!

"I thought the photos were photoshopped, but I didn't expect the real person to be even more beautiful."

"Isn't that right? Shi Xi is super beautiful!"

It had only been half an hour since she met the fans, but Han Chuan had already let the fans leave.

"It's a gift from a fan. Just accept it. It's not a big deal." Han Chuan had seen many gifts in this circle.

Not only were there big-name jewelry, but there were also gifts for clothes, various skincare products, cosmetics, and even shopping cards.

Shi Xi yawned and said, "I don't want to accept any more things. I've received too many recently."

Ever since everyone thought that she was short of money, Shi Xi had received too many transfers.

Tao Yuxuan reluctantly ceded the clothes she had reserved to Shi Xi. Shi Xu had given her a season's worth of clothes. When Sheng Yan saw that she had not gone to buy jewelry, he got someone to send a batch to Shi Xi...

The Leng family made clothes. Leng Qiankun almost moved the clothing store to the hotel she stayed in. She really did not need such a small gift from her fans.

Han Chuan obviously thought of Shi Xi's current treatment and was so jealous that he was expressionless.

"By the way, I talked to you about a variety show." Han Chuan's expression suddenly became a little uneasy.

"What variety show?" Shi Xi was curious. Ever since she met Han Chuan, she had rarely seen Han Chuan's cautious expression.

When had he not been high and mighty, giving pointers to the world?

Sure enough, after just a breath, Han Chuan raised his chin slightly, his eyes filled with arrogance. "I remember that you learned dance before? And you even won an award?"

Shi Xi subconsciously wanted to refute.

System: [The host learned ballet since childhood and won an award.]

"Yes." Shi Xi was expressionless. "What's the matter?"

Han Chuan pursed his lips. "If I remember correctly, you also know how to play the piano."

"Yes." Shi Xi nodded.

The original owner was not the only one who had learned how to play the piano. Shi Xi, who was an elegant person, had also learned how to play the piano.

"The new season of the talent show is about to begin," Han Chuan hinted.

"Talent show? Sure!" When Shi Xi thought about how she would be able to meet more than a hundred girls and live together, she instantly felt happy.

Most importantly, the recording of the talent show would take at least three months!

This meant that she could stay away from the main leads for three months!

When Han Chuan saw that Shi Xi was not angry, he heaved a sigh of relief. "It's good that you don't mind. I thought you only wanted to film."

Shi Xi's eyes curved as she assured him, "Don't worry, I'm actually a person with a good personality. I definitely won't talk nonsense on variety shows!"

Chapter 65: #Shi Xi Receives Gifts# Am I the Only One Who Discovered That Shi Xi Sheng's Picture Is Amazing

'I'm actually a person with a very good personality. I definitely won't speak nonsense on variety shows.'

Later on, when Han Chuan thought about what Shi Xi said, he only hated himself for being too naïve to still believe in women.

The more beautiful a woman was, the better she was at lying.

Why didn't he remember the advice that Zhang Wuji's mother gave him?

At this moment, Han Chuan signed the contract for Shi Xi and said, "It just so happens that you've finished filming recently, so you should practice your dance. Oh right, you can't tell anyone about your participation in [Star Idol]."

Shi Xi nodded. "Don't worry, I won't tell anyone!"

Only then did Han Chuan completely relax.

However, there seemed to be something that he had not said?

Han Chuan's phone rang. He took a call and left immediately.

Shi Xi stretched and returned to the hotel. She prepared to pack her things and return —

Return to where?

Shi Xi lay on the bed in the hotel and thought about whether she should return to the Shi family or Long Quan Village.

She would definitely not be able to return to Long Quan Village for her dance lessons.

.....

Even though the Shi family had Ning Yu, Ning Yu was so good to her. She wouldn't harm her, right?

The system couldn't help but say, [You've always been the one who framed Ning Yu, right?]

Hearing the system's words, Shi Xi suddenly understood. "Oh, right!"

System: [...]

The system was speechless.

Thinking of this, Shi Xi happily tidied up and said, "Then I'll go back to the Shi family right now! That bed is really big and soft, and I really like it!"

As long as she didn't frame Ning Yu, Ning Yu would definitely not be calculative with her!

#Shi Xi Receives Gifts#

[Today, Shi Xi is done filming. When the fans visited, they gave Shi Xi quite a number of big-name gifts.]

The accompanying picture was Shi Xi receiving a letter. The fans beside her handed over various gift bags.

When this topic was mentioned, many netizens started to feel jealous.

[CL/LV/GU, at a glance, all of them are big-name. There's not a single small-name brand.]

[Any one of them should be starting with five digits, right? It's so good to be a star. I want to be a star too.]

[Isn't Shi Xi rich? Why does she accept gifts from fans? How embarrassing.]

[So many. It's almost a million, right? The company doesn't care about it???]

The netizens below responded in all kinds of ways. Not only did they start to scold Shi Xi, they even scolded her fans as well.

[I heard that Shi Xi isn't some rich and beautiful girl. So those big brand names she wears are all gifts from her fans! She's really the number one person who relies on her fans to help her out.]

[These fans have given so many things to celebrities. They aren't so filial to their own parents, right?]

[...]

There were even more heated discussions. It was as if every 'righteous' netizen could guide others from above.

The topic of #Shi Xi Receives Gifts# instantly soared, directly entering the top ten of the entertainment rankings.

[It seems that receiving gifts is quite common. Since her fans are willing to give it to her, there's nothing wrong with that, right?]

[Am I the only one who discovered how amazing Shi Xi's pictures are?]

[Ditto. When Shi Xi smiles, she's really energetic and cute. It feels like my entire person has been healed by her.]

[This is a high-quality photo, right?]

The girl in the photo was surrounded by fans. Her long brown hair had two small fish bones woven into it, and she wore a diamond hair clip diagonally, reflecting a colorful light under the sunlight. Her eyebrows were curved, and her black eyes were as bright as the stars.

Even a super idol's smile was not as sweet as hers.

Even the sun at noon in August was not as bright as hers.

The topic gradually changed. [Do you have any high-definition photos? Does any sister have any other photos?]

[Every time, the photos are high-quality wallpapers. I'm in love with her.]

[I feel that this topic is out of the topic entirely because of Shi Xi's good looks.]

Chapter 66: Shi Xi Was Really Rude. She Didn't Accept the Gifts That Her Fans Had Meticulously Prepared!!

Initially, everyone was discussing the topic of #Shi Xi Receives Gifts#. In the end, the netizens went off topic one after another and started to praise Shi Xi's beauty.

There were even people who went to Shi Xi's post and sent retweets.

At this moment, the fans who went to see Shi Xi were still choosing pictures to edit or editing vlogs. They didn't expect that in just half a day, such a rumor would spread.

@Battle Sweet Milk Shake: [I'm dying of laughter. One picture at the beginning, and the rest are all made up? Those who said Shi Xi received gifts, did they see it with their own eyes??]

@Milkshake Yakult: [We did prepare a gift, but Xi Xi didn't receive it. Xi Xi only received letters.]

[Of course, the fans will whitewash Shi Xi. Do you have proof?]

@Harvest Your Skull With Sister Qiao's Fan: [Don't worry, there's a video of the whole process. It'll be released right away.]

Then @Harvest Your Skull With Sister Qiao's Fan and send out the video she shot.

She recorded the whole process, originally wanting to mute the video, add a filter, add music, and put it on a website.

But she didn't expect the rumor of #Shi Xi Received Gifts# to spread.

She was so angry that she didn't even take off her makeup and sent out the video.

In the video, it could be clearly seen that fans wanted to give gifts, but Shi Xi refused to accept them and only received letters.

There were also Shi Xi's clear and domineering words: "I'm even richer!"

.....

@Harvest Your Skull With Sister Qiao's Fan: [Open your eyes and take a good look at the whole video! If you don't need your eyes, you can donate them to those who need them!]

[Sister Skull is awesome!]

[Thank you, Sister Skull, for recording the whole thing. Otherwise, the black fans will be showing off again.]

[Where're the black fans? Where're the black fans? Why are they gone now?]

[Shi Xi is so pretentious. She didn't accept the gift that her fans prepared meticulously!!]

[Does she really think she's popular? Her attitude towards her fans is so bad.]

[She's acting like a big shot before she's even popular. How rude.]

The topic of #Shi Xi Received Gifts# was still on the list. Moreover, because of Sister Zhan's beautiful post, the topic kept on trending.

After Shi Xi's fans saw the anti-fans' comments, a question mark appeared on their heads.

@You Have a Problem With Your Genes, Right: [Sure enough, once a person is popular, no matter what they do, they will be criticized.]

The fans didn't go to visit, and the haters said she didn't have any fans. When the fans went to visit, and they didn't give gifts, the haters said the fans didn't have money. When the fans went to visit, and they gave gifts, when Shi Xi accepted them, they said Shi Xi accepted the gifts. When Shi Xi didn't accept them, they said Shi Xi acted like a big shot and was impolite.

[Fine, you said both the positive and negative words. As long as you're happy, that's good.]

@Harvest Your Skull With Sister Qiao's Fan: [Why are you paying so much attention to my tweets? Is it because you're confused?]

No matter how Shi Xi's fans tried to clarify, the haters would always find a point to criticize.

Fortunately, the president of the fan club, Ji Yin, was a longtime fan of the entertainment industry and was well aware of the haters' methods in the entertainment industry. She could only take the lead to comfort her fans: [The haters are just jealous of Xi Xi's popularity, that's why they're jumping up and down. Don't bother about these people. Just report them when you see insults. Don't argue with them.]

Shi Xi's looks were outstanding. The few times she was on the trending searches, it was all because of her beauty. Most of the fans she attracted were superficial fans.

Some fans felt that Shi Xi was impolite because of the black fans' provocation, so they quickly removed their fan status.

There were also some who didn't care at all.

They were just cosmetic dogs.

And this time, after the filming, Shi Xi gained many passersby and cosmetic fans. It also made many netizens have a deeper impression of Shi Xi.

..

At this time, Shi Xi didn't even look at Weibo.

Or rather, she didn't have time to look at Weibo.

She was participating in the wrapping up party that the director had organized for her.

Although it sounded nice, it was actually the director finding a reason to organize a team to let this group of people work hard and act well.

Chapter 67: Thank You, Director!

Shi Xi was not interested in this kind of gathering, but the others were having a good time and even sang with him.

After a while, Shi Xi blended into the gathering and sang with Yun Guanghe, "I'm dead! I want to love — Not to the best of my ability — Don't cut my song!"

*

Tao Yuxuan was basking in the sun on the beach, lazily looking at the handsome men passing by.

When there were no handsome men around, she would swipe her phone.

When she saw the #Shi Xi Received Gifts# trending, Tao Yuxuan felt very sad. She sent a sum of money to her sister and said, [Quickly accept it. Buy yourself more things. I have money.]

Tao Yuxuan felt wronged for her sister. She had always thought that Shi Xi was doing well, but she had never thought that she would have to rely on her fans to support her.

At this moment, Shi Xi collapsed on the sofa in the private room. "I can't, I can't. I can't sing anymore."

Her voice was almost hoarse.

*

Sheng Yan looked at the pictures on the trending searches and fell into deep thought.

Sure enough, it wasn't enough to just give her just a bit of jewelry. He should have given her some bags instead.

Sheng Yan waved his hand and sent a message to Shi Xi. [Come over to the Sheng family when you have time. My mom wants you to come over for dinner.]

.....

At this moment, Shi Xi sat up. "Pick a gentle song?"

Wen Yao: "The Qinghai-Tibet Plateau?"

Yun Guanghe: "Come, come, come, I know this song!"

Shi Xi seemed to hear her cell phone ring, but the room was instantly filled with the wails of ghosts and howls of wolves. Shi Xi used her hands to cover her ears.

When she put her hands down, Shi Xi seemed to be able to hear the echoes in her ears.

She would never sing with them again.

Singers needed money to sing, but actors needed to die to sing!

*

When Shi Xu heard his assistant's report, he did not expect the two people before him to be so rash.

His assistant said, "Miss Shi Xi still has a balance of 10 million yuan in her account. She is currently having a gathering with her colleagues from the production team today."

Shi Xu leaned back in his chair and thought for a moment. "Go and find out where they are having a gathering. After work, go and pick her up."

His assistant said, "Alright."

"Wait," Shi Xu called out to his assistant who was about to leave. "I'll go pick her up."

His assistant said, "...Alright."

Shi Xu looked out of the window and fell into deep thought.

Did Xi Xi not want to spend his money anymore?

At that moment, Shi Xi was holding up her phone. "I've finished filming today. I'll settle the bill!"

Yun Guanghe used half of his body to get in front of Shi Xi. "No, no, no. How can I let you pay? Put it on my tab!"

Wen Yao tugged at the two of them. "I'll do it, I'll do it! No one is allowed to snatch it from me!!"

The director saw them rushing to pay and pretended to be polite. "Let me do it."

The three of them immediately stopped and said in unison, "Alright! Thank you, Director!"

Director: "!!!"

'I knew you guys were here to act in front of me!!'

After the joyous party ended, everyone prepared to return to the hotel to rest.

Shi Xi had just walked outside when she saw Xie Yunzhou's car.

The two of them often ate together, and she had already memorized the license plate number of this villain.

Xie Yunzhou was in the car? Or was he here to eat?

Shi Xi was just about to walk over to greet him when she was stopped by Shi Xu.

"Xi Xi." Shi Xu got out of the car, held onto the door, and looked at Shi Xi.

As the eldest son of the Shi family, Shi Xi had always received the most attention. Standing under the night sky, his figure was straight, with a gentle breeze blowing against the moon and a thousand miles of silver light.

"Big Brother? Why are you here?" Shi Xi immediately put down the villain and ran towards Shi Xi.

"I heard that you've finished filming, so I'm here to bring you home." Shi Xi's smile was gentle as he raised his hand to rub Shi Xi's hair. "Get in the car."

Shi Xi avoided his big hand. "Hair! It's messed up!"

Chapter 68: I Thought That You Only Remembered Shi Xi As Your Daughter

??

On the black Maybach, Xie Yunzhou watched as Shi Xi left with another man, his thin lips pursed tightly.

The assistant sitting in the front row said, "Looks like Miss Shi is going home."

With the eldest young master personally coming out to pick up Shi Xi, Shi Xi definitely wouldn't need to worry about a place to stay.

The assistant looked at the house gift agreement next to him and thought to himself that President Xie was still one step too late.

"Let's go back." Xie Yunzhou retracted his gaze and closed his eyes to rest.

There were still many days to come.

*

When Shi Xi returned to the Shi family home, she was pulled by her mother to sit on the sofa in the living room and ask about her well-being.

novelusb.com

"What did you eat on the set? Did you live well? Are you used to it? Did anyone bully you? Did you suffer any grievances?"

A series of questions bombarded Shi Xi, and her ears, which had been damaged by 'The Qinghai-Tibet Plateau', started buzzing again.

"That's enough. It's not easy for Xi Xi to come back. Let her have a good rest," Father Shi, who was sitting on the sofa on the other side, said.

Mother Shi nodded and said to Shi Xi, "I've asked someone to prepare the hot water for you. Take a good bath and I'll cook something delicious for you tomorrow!"

"Okay, thank you, Mom!" Shi Xi was in a relaxed and happy mood.

At this happy moment, Ning Yu came back from the outside.

She saw that there was an extra person in the living room. Her eyes stayed on Shi Xi for two seconds, then she moved her gaze away and went upstairs.

"Stop," Mother Shi called out to Ning Yu and said unhappily, "Can't you see that your father and I are in the living room? Don't you know how to call us? Why are you so rude?"

Ning Yu laughed lightly. Her eyes were cold and her voice was filled with mockery. "I thought that you only remembered Shi Xi as your daughter."

"How can you talk like that? Is this how you talk to your elders?" Mother Shi frowned and was very dissatisfied with Ning Yu's attitude.

"Mom, Ning Yu is probably tired." Shi Xi stopped Mother Shi who was about to get angry and said softly, "She hasn't grown up in the Shi family since she was young. You should speak less."

'At least don't stir up a conflict between me and the female lead!!!'

Mother Shi said angrily, "Ning Yu, learn more from Shi Xi! All you do is go out and play all day long, and you don't look like a socialite at all!"

Shi Xi: "..."

Ning Yu's gaze swept past Shi Xi. "Oh? You mean, you want me to go and film too?"

"I want you to study hard!" Mother Shi was exasperated. "I'm hiring a teacher for you, but you're not at home every day. You never go to the repeaters class that you signed up for! The results will be out soon. If you don't find it embarrassing, I'll find it embarrassing!"

Shi Xi thought to herself, 'The female lead scored higher than her, so don't think it's embarrassing.'

'When the time comes, the most likely person to be embarrassed will be me.'

"If there's anything, we'll talk about it when the results are out." Ning Yu originally wanted to say that she could get into a university, but when she thought that they wouldn't believe her even if she said it, she was too lazy to say anything more.

After leaving a vague sentence, Ning Yu went upstairs.

Mother Shi wanted to say something else, but she was held back by Shi Xi.

"Don't be angry, don't be angry. If you're angry, you'll get wrinkles." Shi Xi held Mother Shi back and advised, "It's summer vacation now, let Ning Yu have fun! If you're so meddlesome, she'll be unhappy."

"Isn't it for her own good? If she hangs out with a bunch of hooligans all day long, what's her future? What will people think of her?" Mother Shi had an expression that was filled with resentment.

Father Shi said from the side, "At the very most, we can ask her to go abroad and become a gold digger. It's not like our family can't afford to raise a girl like her."

Shi Xu did not mention Ning Yu. Instead, he said to Shi Xi, "Xi Xi, study hard. When the time comes, come to the company and help your brother, okay?"

Chapter 69: Don't Make Video Calls While She's Taking a Bath

When Shi Xu asked Shi Xi such a question, it was actually because he wanted Shi Xi to inherit the shares of the Shi family.

If he let Shi Xi work under him, Shi Xu would always be able to protect her.

In this way, no one would look down on Shi Xi.

It was just that Shi Xi was unwilling to inherit the shares, so Shi Xu had changed to a more tactful way.

To let Shi Xi go to the company to help him...

He didn't need Shi Xi's help. He just needed to find an excuse to let Shi Xi stay by his side.

Shi Xi's eyes were filled with a smile. "Big Brother is so amazing, why do you need my help? Besides, there's nothing I can do."

She only wanted to make money in the entertainment industry.

Mother Shi said from the side, "The bigger the business, the harder it is to keep the business. On the surface, they're diligent and respectful, but in private, who knows how much money they've stolen!!"

Father Shi nodded in agreement. "Even if they are family members, they can't be trusted."

“You are still young now. Let’s talk about it after you graduate.” Shi Xu changed the topic and asked, “After this drama is finished, do you have any plans for the future?”

Perhaps in a few years, Shi Xi would know his good intentions.

Not mentioning the shares, Shi Xi heaved a sigh of relief. Her eyes were black and bright. “There will be a variety show in a while.”

.....

“Will it delay your studies?” Mother Shi was worried about Shi Xi’s studies.

Shi Xi calculated the time and said, “Don’t worry, it won’t be delayed.”

She had told Han Chuan that no matter what, her studies would be prioritized.

“As long as it doesn’t delay your studies.”

The Shi family did not have much of a barrier against Shi Xi going into the entertainment industry.

After chatting for a while in the living room, Shi Xi went upstairs to rest.

While she was taking a bath, her phone vibrated. It was a video call from Tao Yuxuan.

Shi Xi immediately switched to voice and asked, “What’s wrong?”

“I’m asking about your recent situation!” Tao Yuxuan asked, “Where are you?”

“At home.” After saying that, Shi Xi added, “The Shi family.”

“Yo! You’re finally back!” Tao Yuxuan said in surprise, “I told you. You’ve been in the Shi family for 18 years. Even if you’re not the biological daughter of the Shi family, you should still receive some compensation. Now that you’re back, that Ning Yu didn’t bully you, right?”

Shi Xi said helplessly, “No one bullied me.”

Everyone treated her very well.

Them treating her so well made her feel that she was the worst.

“Then you have to be careful. That Ning Yu person seems to be very scheming. She might be planning some kind of scheme!” Tao Yuxuan had never been afraid of thinking others had the worst intentions, especially when it came to Ning Yu.

Shi Xi changed the topic. “Where are you? When are you coming back?”

“I just got to know a tall and handsome guy with eight-pack abs at Neapolis Beach! I don’t think I’ll be able to go back anytime soon.” Tao Yuxuan’s tone became infatuated. “He’s really handsome. His voice is especially charming and he even plays the guitar! I’ll go watch his bar performance tomorrow.”

Shi Xi: “Bar... Don’t drink too much.”

“Don’t worry, I’m just going to drink one glass. I’ll pretend to be drunk then. Hehe.” Tao Yuxuan smiled tacitly and said, “Oh right, I might not be able to make it in time for your birthday. Don’t be angry, I’ll bring you a present!”

Shi Xi was ecstatic. “It’s alright, it’s alright. You just stay outside and have fun for a few more days!”

It would be best if she didn’t come back!

Without Tao Yuxuan as a troublemaker, her birthday party would definitely be peaceful.

Tao Yuxuan: “If I can make it in time, I’ll try my best to go back.”

Shi Xi: “Try your best to get to know more handsome guys.”

‘Don’t come back and stir up trouble.’

Chapter 70: World of Martial Arts Dream, Forgetting Grudges and Grievances

??

After hanging up, Shi Xi wanted to make use of Tao Yuxuan’s absence to hold the birthday party as soon as possible.

In the original plot, Tao Yuxuan played an important role in promoting the face-smacking plot during the birthday party.

With this thought in mind, Han Chuan called as well.

Shi Xi: “...”

Why did everyone like to call while she was bathing?

Shi Xi picked up the call and asked, “Brother Han, what’s wrong?”

Han Chuan asked, “Are you going to celebrate your birthday soon?”

Shi Xi: “Yeah, I’ll send you an invitation when the time comes. If you have time, come over.”

Han Chuan: “I wanted to ask you, do you want to hold a birthday party?”

Shi Xi: “Ah?”

Birthday party?

Han Chuan explained, “It’s just like the fan meet-and-greet party when you finished filming.”

“However, the birthday party will be a little bigger. Prepare a few songs and dances. When the time comes, go onstage and perform them. Then, invite the fans to go onstage and play a game.”

Shi Xi thought about it seriously for ten seconds before asking, “...Can we not do it?”

“Sure, then you should properly prepare for the variety show for the talent show.” Han Chuan had only asked casually. Seeing that Shi Xi was not interested, he did not continue.

Kuai Xue Entertainment that Shi Xi signed with was the Shi family's Film and Television Department.

It could be said that Shi Xi was the eldest daughter of their company.

When Shi Xi first arrived at the company, she could be said to be full of vigor. It was only after the matter of the real and fake daughters that Shi Xi became much quieter.

Han Chuan originally thought that after the matter of the real and fake daughters, Shi Xi wouldn't be able to continue in the entertainment industry. He didn't expect that Shi Xi would actually finish acting in this show.

Moreover, judging from the situation, it seemed that they still liked Shi Xi very much, so Han Chuan took care of her a little more.

After a few long words, Han Chuan told Shi Xi to pay attention to her figure before hanging up the phone.

Shi Xi was unhappy.

She had wanted to have some supper.

After taking a bath, Shi Xi saw that she still had a lot of time. She was bored as she browsed through her phone and saw the advertisement for [World of Martial Arts Dream].

[Laugh while watching world of martial arts dream, forget your grudges and grievances.]

The advertisement for this game was overwhelming. The number of players had already exceeded 200 million, and the number of downloads was increasing day by day.

Shi Xi remembered that when she went to look for Ning Yu the last time, Ning Yu was also playing this game.

Was it that fun?

Shi Xi downloaded the game with suspicion.

The next morning.

Shi Xi, who had stayed up late playing the game, sat in front of the dining table with a sleepy face.

"Why are you so lethargic? Did you not sleep well yesterday?" Mother Shi saw the dark circles under Shi Xi's eyes, and her heart ached terribly.

Shi Xi sniffled. "No, I just played games too late, so I'm a little sleepy."

Ning Yu, who had just come down from upstairs, heard this and looked at Shi Xi.

Mother Shi said with heartache, "Can't you play games during the day? Why do you have to stay up late playing games? Look at your dark circles. After breakfast, go back to sleep, do you understand?"

Shi Xi nodded obediently.

"Come, this papaya bird's nest is made by me personally. Try it." Mother Shi scooped a bowl of bird's nest for Shi Xi and said, "I took this bird's nest from your grandfather. Remember to finish it."

Shi Xi had just taken it when she saw Ning Yu sitting down.

“Good morning!” Shi Xi took the initiative to greet her.

Ning Yu’s voice was cold. “Good morning.”

Mother Shi also served Ning Yu a bowl of papaya bird’s nest without saying a word.

Although Ning Yu was the real daughter of the Shi family, she was already 18 years old when she returned to Ning Yu. Her personality had already been shaped.

Ning Yu had always been cold and aloof. She did not like to be close to others. Her relationship with the Shi family had always been neither too far nor too close.
