

## The Fake 621

Chapter 621 Start To Give Out Candy

Shi Xi removed her shoes and walked to the beach. She used the seawater to wash the sand off her face and hands.

The cute and clean little dinosaur pajamas had become dirty.

Shi Xi returned to the shore and poured the sand and stones out of her shoes.

Then, she knocked off the sole of her shoe.

Shi Xi was speechless.

She could no longer wear it.

[Ah, Xi Xi is so pitiful. Can you give the child a pair of shoes?]

[After walking for so long, the child's feet are all red. Give her a pair of shoes.]

[I'll pay for the shoes. Don't let Xi Xi walk barefoot, sob sob sob.]

[Xi Xi still has to dance. She can't be barefooted.]

Even the photographer felt tender love for Shi Xi.

Shi Xi looked at the seaside villa not far away, hoping that there was someone inside.

It would be best if it was a girl with a similar figure to her, so that she could lend her a set of clothes and shoes.

Shi Xi walked toward the seaside villa.

She pressed the doorbell.

"Is anyone there?" Shi Xi asked.

There was no sound.

"Is anyone there?" Shi Xi pressed the doorbell again.

Just when Shi Xi thought that there was no one inside, an auntie in an apron opened the door and asked affectionately, "What's the matter, young lady?"

Shi Xi's eyes curved into crescents as she said sweetly, "Hello, Auntie. We're here to film [Wilderness Survival]. May I stay here for a night?"

"I'm here to clean, not the owner," the housekeeper said hesitantly.

"Can you help me ask then?" Shi Xi asked politely.

"Give me a moment," the housekeeper said.

Shi Xi looked up at the sky. "It really looks like it's going to rain."

As soon as she finished speaking, it started to rain.

Shi Xi: "..."

[Hahaha, good things don't work, bad things work. Xi Xi Zi, stop talking!]

[It's so bad. The weather on the island is unpredictable. They might really get wet.]

[She can't help it. She hasn't been able to find the tents given by the program team, and she hasn't built a house either. She's definitely in the rain.]

[...]

In the villa.

The nanny boiled some milk and carefully knocked on the master's door. "Sir, I'm here to deliver the milk."

After a long while, the man's cold and indifferent voice rang out in the room. "Come in."

The nanny pushed the door open and placed the milk on the table. "Sir, there's a girl outside ringing the doorbell. She says she wants to stay the night."

The man's eyebrows furrowed impatiently. "Ask her to get lost."

The housekeeper was worried and asked again, "Can I let her stay in my room? She definitely won't disturb you."

"No." The man gave a firm response.

The nanny had no choice but to leave.

This villa wasn't hers, so she couldn't make the decision.

The man reached out for the milk. Thunder rumbled outside the window, and the rain poured.

The nanny sighed in her heart.

The poor girl was so thin and her body was still wet. She wondered if she would spend the night outside.

Xie Yunzhou looked out the window.

The first time he had met Shi Xi, it had been a rainy day with lightning and thunder.

Back then, he had been hunted down and had fainted in the middle of the road.

It was Shi Xi who had saved him.

Xie Yunzhou's eyes softened at the thought of the girl.

Before the housekeeper left, Xie Yunzhou said, "Arrange a guest room for her and let her be quiet."

"Thank you, Sir," the housekeeper said happily.

..

Shi Xi wanted to stand under the roof, but the wind and rain were heavy. She would be drenched wherever she stood.

The cameraman quickly put on his raincoat and put something over the camera to protect it from the rain.

Shi Xi's large eyes were filled with envy.

Even the camera had a raincoat.

...

She didn't have any.

This was probably life.

Chapter 622 Wearing Men's Pajamas

The nanny invited Shi Xi in. "Sir has agreed to let you stay the night. I'll bring you to the guest room."

Shi Xi's eyes curved into crescents. "Thank you, Auntie. You're such a good person."

The nanny who was given the good person card: "..."

After entering the guest room, Shi Xi prepared to take a shower first.

She had fallen outside and was drenched in the rain, so she felt that sand was everywhere.

The nanny found a set of men's pajamas and said, "This is the pajamas I bought for Sir, but it's too small. It's a new set of pajamas."

Shi Xi's eyes were brimming with tears. "Thank you so much!"

"You take a shower first, I'll go make dinner." The nanny paused and said, "Sir likes peace and quiet. You can stay in the room and go out tomorrow. I'll bring the food in later."

Shi Xi nodded.

She was already very grateful that he allowed her to stay for a night.

Shi Xi took a shower and changed into loose pajamas.

Emmm...

It was better than having no clothes to wear.

Shi Xi sighed as she watched the storm outside the window.

It was useless to set up a tent in such a heavy rain, right?

Shi Xi was right.

When Nan Wan was setting up the tent, it had collapsed due to the rain because she was too lazy to do it properly.

Moreover, after the heavy rain, the makeup that had been maintained for a day had also fallen off and become dark.

The bullet screen was filled with question marks.

[Without makeup?? Did she take off her makeup???]

[Nature's way of removing makeup. Hahahaha Nan Wan's bare face really won't work.]

[Nan Wan with makeup doesn't even look as pretty as Shi Xi without makeup. Don't compare her to Shi Xi.]

They didn't know if the koi image of Nan Wan was established or not.

However, the topic #Nan Wan's bare face, ugly# was deeply rooted in their hearts.

\*

After dinner, Shi Xi prepared to rest.

However, not long after she laid down, Shi Xi felt that something wasn't right.

She felt cold and weak.

She seemed to have a fever.

However, she didn't have a phone with her, so she couldn't even find someone.

Shi Xi came out of the room and wanted to look for the auntie to get some fever medicine.

The lights in the corridor lit up, and Shi Xi looked left and right in confusion.

She had no idea where the auntie lived.

She could only knock on the doors one by one.

"Auntie? Are you there?"

"Is anyone there?"

The girl's voice was weak, and she didn't knock with much strength.

When she reached the living room, Shi Xi switched on the lights and sat down on the sofa.

She was cold and tired, thirsty, and in pain.

She had been walking in her slippers for a day, and the soles of her feet were blistered by the stones.

It was as if she was walking on the tip of a knife.

With every step she took, the pain deepened.

Forget it, she would just lie here.

If she died here, she would still be discovered the next morning.

Shi Xi gave up and started to play the game.

Who would have thought that instead of being fed to the fish by Xie Yunzhou, she would lose her life from a fever in the rain?

The movie she shot had not been released yet.

She had not spent the money he had earned.

If she had known that she was going to die so soon, she would have eaten a seafood feast.

What was an allergy?

She was going to be gone anyway.

As she thought about it, Shi Xi felt so aggrieved that tears fell from her eyes.

Sob, sob, sob.

What lousy variety show was this!

...

\*

In the bedroom on the second floor.

Xie Yunzhou opened his eyes and sat up on the bed.

He accepted Ning Yu's treatment suggestion and came here to calm down.

But it was useless.

Whenever he closed his eyes, he would think of Shi Xi.

He thought of the bits and pieces of his time with the girl in the past, and he thought of the decisiveness he had when they separated.

He couldn't calm his heart and calm down!

After another failed sleep, Xie Yunzhou went downstairs to get some water.

Seeing that the lights in the living room were on, Xie Yunzhou did not mind.

But when he saw the girl on the sofa, he was stunned.

...

Ning Yu had never mentioned that he would see illusions with this illness of his!

Chapter 623 She Was Lying On a Huge Bed

Xie Yunzhou hesitated for a moment before walking to the sofa. "Shi Xi?"

The girl's face was red, and she had lost consciousness.

Xie Yunzhou thought of what the nanny had said, that there would be a girl coming to stay the night.

Was it Shi Xi?

Had Shi Xi come to find him?

Xie Yunzhou's feelings were complicated.

Xie Yunzhou could tell that something was wrong with the girl, so he tested Shi Xi's fever.

The temperature had already reached 39 degrees.

Xie Yunzhou carried the girl to his room, covered her with a blanket, and fed her some fever medicine.

When he was covering her with the blanket, Xie Yunzhou even saw the red and swollen patch on her feet.

How did she end up like this?

Xie Yunzhou found some medicine and applied it on her.

The slight pain was obviously not comparable to her deep sleep.

After applying the medicine, Shi Xi clutched the blanket and felt much more at ease.

Xie Yunzhou sat on the edge of the bed, watching the girl sleep. "Are you here to find me?"

There was no reply.

In her unconscious state, Shi Xi only vaguely knew that someone was talking beside her.

"Yes..." Stop talking.

Shi Xi wanted to speak, but her eyelids were heavy and she could not open them.

When Xie Yunzhou heard the reply, his originally restless heart calmed down.

He sat by the bed and waited for two hours until the girl's fever went down before he fell asleep.

..

The sky brightened.

The sky after the rain was clear and bright, reflecting the blue of the sea.

Seagulls flew past, adding a sense of dreaminess to the silence.

Shi Xi slowly opened her eyes.

Eh?

Where was she?

Shi Xi recalled the events of the previous night.

She fainted in the living room and forgot everything that happened after that.

In her daze, it seemed like a man had picked her up and fed her medicine?

Shi Xi sat up and the soft silk blanket slipped off her body.

She was lying on a large bed. The room was luxurious and neat. It was obviously not a guest room arranged for her.

Shi Xi was speechless.

Where was she sleeping?

Did she sleep in that 'Mister's' room?

Shi Xi sucked in a cold breath and carefully lifted the blanket.

She was all alone on the bed, and her clothes were still intact.

Shi Xi heaved a sigh of relief.

However, she had to do something.

There seemed to be another person's breathing in the room?

Shi Xi was about to get off the bed when she saw the red liquid on her feet. Her heart softened.

He was really a good person.

Shi Xi looked in the direction of the voice.

Xie Yunzhou?

Why was he here?

Shi Xi's memories instantly connected.

Yesterday, a man had carried her into the room, fed her medicine, and even applied medicine to her feet.

She felt like she could hear Xie Yunzhou's voice!

She thought she was dreaming!

Wasn't this too awkward?

Shi Xi blinked and made a decision in an instant.

She ran.

Thank you very much, but she had to run.

...

Shi Xi got out of bed carefully and prepared to leave.

She had just taken a step when Xie Yunzhou woke up from his light sleep.

“You’re awake.” Xie Yunzhou got up from the sofa and asked, “Do you still have a fever?”

Shi Xi stood awkwardly on the spot and shook her head. “No fever.”

Xie Yunzhou walked up to her and touched her forehead.

Shi Xi’s entire body stiffened. She raised her head to look at his actions, not knowing how to react.

Xie Yunzhou nodded. “I’ll sleep a little longer. Do as you please.”

“Alright,” Shi Xi said softly.

With that, Xie Yunzhou lay back on the bed.

The sofa in the bedroom was really too small for him.

Shi Xi heaved a sigh of relief when she saw that Xie Yunzhou was going back to sleep.

...

She still did not know how to face Xie Yunzhou.

She had mixed feelings.

It was really a little strange.

Shi Xi continued to walk out.

However, her feet were in too much pain. Her legs gave way and she fell onto the carpet.

Shi Xi was speechless.

This was ridiculous!

Chapter 624 It’s Too Painful

Not only did she fall, but she also fell face down.

Shi Xi just wanted to stay in bed forever.

She would rather faint.

Xie Yunzhou, who was just about to lie down, heard the sound and turned to look.

The floor was carpeted, so she didn’t fall too hard.

“Does it hurt?” Xie Yunzhou asked, trying to hold back his laughter.

It didn’t hurt.

Her face was burning red.

Just as Shi Xi was about to get up, she felt something light on her waist.

The man had already picked her up.

“I’ll send you down,” Xie Yunzhou said as he picked up the girl.

\*

The nanny had just woken up and was about to prepare breakfast when she saw Sir carrying the young lady who had asked to stay the day before down the stairs.

Their clothes were in a mess. The little girl's face was red, and the Mister's eyes were sleepy, as if he was too tired from yesterday.

The nanny's eyes widened.

Xie Yunzhou sent Shi Xi to the guest room and asked, "Where are your clothes?"

Shi Xi was speechless.

Xie Yunzhou caressed the girl's chubby cheeks. "I'll get my assistant to bring a set of clothes over."

"And shoes," Shi Xi reminded him.

"Alright," Xie Yunzhou said.

After Xie Yunzhou left, Shi Xi washed up and thought about their strange relationship.

She really couldn't avoid it.

Forget it, since she was already here, she would just take it.

After washing up, Shi Xi went to the living room.

On the table in the living room, there was an open medicine box.

Xie Yunzhou had left it open when he was looking for medicine yesterday.

Shi Xi took a look. There were fever and cold medicine as well as some other medicine that she didn't recognize. However, when she opened them up, a lot of it was gone.

Eh?

Shi Xi had no intention of prying into other people's privacy. However, hadn't Xie Yunzhou recovered?

Was he still taking medicine?

Shi Xi picked up a medicine box that had a long list of names on it. She looked at the effects of the medicine.

Medicine to treat mental illnesses?

Shi Xi then went to grab another box of medicine that had already been opened.

Half of the medicine in the box was for treating mental illnesses.

Many of them had already been unsealed and used.

Judging from the old and new appearance of the medicine box, it was several years old. Some were from a long time ago, and some were from the latest period.

Xie Yunzhou was mentally ill?

“Miss, it’s time for breakfast,” the housekeeper said as she brought out the breakfast.

Shi Xi placed the medicine back into the distance. She didn’t show it on her face. “I’ll be right there.”

When the nanny saw the open medicine box, she didn’t ask much. She just put the medicine in place skillfully and put the medicine box back in its original place.

As Shi Xi ate her breakfast, her heart was in a mess.

She was in the entertainment industry and knew that many artistes had some psychological problems.

When Zhu Lin was under a lot of pressure, she would rely on taking medicine to get through it.

According to Zhu Lin, Han Chuan was the one who recommended the medicine to her.

Previously, in [Star Idol], many trainees would also eat it.

But she had never thought that Xie Yunzhou...

Mental illness and psychological problems should be similar?

Shi Xi had learned ancient martial arts before and knew how to treat some external injuries. She was good at bandaging and setting bones.

However, she knew nothing about the mental state.

As Shi Xi ate her breakfast, she suddenly thought of someone.

Ning Yu!

That’s right, she could ask Ning Yu!

Ning Yu was a godly doctor, so she would definitely be clear about this.

At this thought, Shi Xi realized that her phone had been taken away by the program team.

...

Forget it, she would think about it after the show was done recording.

After breakfast, Xie Yunzhou’s assistant arrived.

When the assistant saw that Shi Xi was there in men’s pajamas, the look in his eyes changed immediately.

The boss was indeed the boss.

He was so fast!

Shi Xi didn’t care about the assistant’s thoughts and returned to her room to change.

She finally had shoes to wear!

However, after she put on her shoes, she couldn’t smile anymore.

It was too painful!

...

Chapter 625 I Only Want To Date Shi Xi Xi

Sob, sob, sob.

It was more comfortable to wear slippers.

Shi Xi changed into her slippers.

When she came out of her room, Shi Xi saw Xie Yunzhou eating breakfast.

Xie Yunzhou saw the girl limping and asked, "Your feet still hurt?"

As he said that, he walked forward and carried the girl in his arms. He then carried her to the chair.

Shi Xi pretended to be calm and said, "It's just a little painful."

Xie Yunzhou chuckled. "If it hurts a little, continue wearing slippers."

Shi Xi looked at him angrily.

So what if she couldn't take the hardship?

The girl's eyes were bright, and her little face was puffed up with anger. She looked extremely cute.

Xie Yunzhou felt his body and mind relax. "Just sit down and rest, or go to bed and lie down?"

"I'll just sit here," Shi Xi said.

"What are you doing here?" Xie Yunzhou finally had the time to ask.

"I'm here to film."

"Recording?" Xie Yunzhou's eyebrows twitched.

Shi Xi gave a simple explanation before adding, "I didn't expect you to be the owner of the villa."

She had not expected Xie Yunzhou to be here.

***novelusb.com***

Xie Yunzhou's lips quivered, and his expression became much calmer.

Yeah, that's right.

Why would Shi Xi suddenly look for him?

"What a coincidence," Shi Xi said drily when she sensed that the atmosphere had turned cold.

"En." Xie Yunzhou looked at the girl and wanted to say something, but he shut his mouth.

His repeated failed confessions had let him know Shi Xi's attitude toward him.

Even in the beginning, when they were in love with each other, Shi Xi had never agreed to be with him.

Shi Xi's long eyelashes drooped slightly, as if she was thinking about something.

"How many days will you be recording here?" Xie Yunzhou asked bitterly.

"Three days and two nights. We'll finish recording tomorrow. The cameraman should be here soon, so I'm going back to the forest to continue filming," Shi Xi said after some thought.

"But your feet..." Xie Yunzhou stopped mid-sentence and said, "You can continue to stay here tonight."

"Thank you," Shi Xi said sincerely.

Living in a tent was not as comfortable as living in a real house.

Shi Xi was here to film a survival variety show, not to suffer.

However, Shi Xi sat on the sofa and waited the entire morning, but the cameraman still didn't show up.

Without her phone to play with, she lay on the sofa and almost fell asleep.

Xie Yunzhou saw the girl lying on the sofa and covered Shi Xi with the blanket.

Shi Xi, who was resting with her eyes closed, was speechless.

She wasn't asleep!

Forget it, she would just pretend to be sleeping.

However, after Xie Yunzhou covered her with the blanket, he did not leave immediately. Instead, he reached out and poked Shi Xi's face.

She was a little thinner than the last time they met.

Shi Xi opened her eyes and looked at Xie Yunzhou.

Xie Yunzhou's hand froze and he retracted it. "I thought you were asleep."

Shi Xi sat up. "Let's talk."

Xie Yunzhou's eyes were indifferent. "What do you want to say?"

If she wanted him to keep his distance...

Then, he would do his best.

The girl's voice was soft. "Everyone has their secrets."

Xie Yunzhou was a little confused when he heard the girl's words.

Shi Xi looked straight into his eyes. "I'm not going to ask you about your secret. I'll listen to you whenever you want to tell me."

Xie Yunzhou's heart softened.

That was right. This was the Shi Xi he liked.

She was always so understanding, always so gentle and sweet.

“Then we-” Xie Yunzhou wanted to step forward.

“We’re still friends. Love is out of the question,” Shi Xi said, gripping the blanket tightly.

...

Shi Xi indicated the boundaries.

Xie Yunzhou’s eyes darkened.

If they didn’t date, what should they talk about?

The only thing he wanted was to be in a relationship with Shi Xi Xi.

Chapter 626 Would An Ordinary Friend Hug You Like This?

After all the hardships, they had finally returned to the starting point.

Xie Yunzhou thought that it would be better to go back to the time when they didn’t know each other. That way, it would be more convenient for him to pursue Shi Xi.

“The cameraman probably won’t be coming. Let’s get ready for lunch.” Shi Xi looked at the time and realized that it was already noon.

She was hungry, but the cameraman had not arrived.

!!

This was none of her business.

The cameraman whose car had broken down in the middle of the road: “...”

Xie Yunzhou looked at the lunch that had been prepared, then at Shi Xi.

“Huh?”

“We’re just ordinary friends now,” Xie Yunzhou said. “Is it a good idea for me to carry you over?”

Shi Xi: ?!

“I’ll walk over myself.” Shi Xi’s eyes widened.

He had clearly carried her so easily just now, but now he was starting to get out of hand!

This was too much!

Seeing that the girl was really going to walk over by herself, Xie Yunzhou stepped forward and hugged her.

“It’s just a joke. You took it seriously?” As Xie Yunzhou walked, he asked, “Would a normal friend hug you like this?”

Shi Xi glared at him without saying a word.

The two of them were too close.

No matter what she said, it was so ambiguous.

Xie Yunzhou's mood turned for the better. "Admit it, Shi Xi. Your feelings for me are different."

**novelusb.com**

After Shi Xi was put down, she reached out and pinched his waist.

She just didn't like Xie Yunzhou's arrogant and smug look.

Xie Yunzhou thought, 'Xi Xi is so cute when she's angry.'

The cameraman finally arrived in the evening.

"Do you still want to go for the recording?"

"I'm already here."

The other four groups had been surviving in the wilderness for an entire day.

Shi Xi was the only one who was enjoying life in the huge villa.

The cameraman thought to himself, 'The tables have really turned.'

The one who suffered the most yesterday was Shi Xi.

"Let's go to the beach and roast some fish for dinner," Shi Xi suggested after some thought.

"Sure," the cameraman replied.

It was fine as long as there was material.

"Xie Yunzhou, let's go to the beach to grill fish tonight. Let's go to the beach to catch some fish first," Shi Xi instructed.

"This is your job," Xie Yunzhou said.

Shi Xi blinked. "I'll go catch some fish then."

As she spoke, Shi Xi pretended to get up.

Xie Yunzhou couldn't stand it anymore. He pushed Shi Xi back. "I'll go get it."

There was a smile in Shi Xi's eyes.

She knew that Xie Yunzhou couldn't bear to hurt her.

The cameraman tried to guess their relationship.

Xie Yunzhou moved the barbeque rack, fishing rods, and nets to the beach and set them up.

Shi Xi was lying on a beach chair with a large glass of coke beside her.

As the cameraman filmed, he felt that Shi Xi wasn't here to survive in the wilderness.

She was on vacation at the beach.

Then, he looked at Xie Yunzhou, who was fishing non-stop.

It was so tragic.

An hour later, Shi Xi moved to the barbecue rack and looked at the meat.

“Stop fishing, come and eat something,” Shi Xi advised.

“I can catch fish.” Xie Yunzhou was at loggerheads with the fish.

Shi Xi spread the sauce on the meat skewers and ate gracefully.

Dusk, beach, young lady, and roasted meat.

Every word was so beautiful.

When it was broadcast, all of Xie Yunzhou’s scenes had been cut out in the post-production.

He only left one sentence, “warm-hearted villa owner.”

...

When the cameraman got off work, Xie Yunzhou had not caught any fish yet.

“Come over and have some barbecue. I can’t eat the fish you caught anyway,” Shi Xi said.

“Huh?” Xie Yunzhou asked.

“I’m allergic to seafood. I don’t usually eat saltwater fish,” Shi Xi replied.

Although she didn’t know if she would get an allergic reaction.

However, who would test the cause of their allergy for no reason?

Xie Yunzhou gave up.

“I didn’t catch any fish, but I found this,” he said as he sat beside the girl.

Chapter 627 You Have Someone You Liked Before?

Xie Yunzhou opened his palm, revealing a pearl.

Shi Xi: Just this?

“It’s rare to find natural pearls this round,” Xie Yunzhou said.

“How do you know that it’s not an artificial pearl?” Shi Xi asked.

!!

Xie Yunzhou’s face was expressionless. “Since I’m giving it to you, you should keep it.”

Shi Xi stuck out her tongue, took the pearl, and looked at it in the night sky.

It was indeed a beautiful and round pearl. It was a little uncomfortable to touch, but the pearl still had a beautiful glow.

“Thank you,” she said. Shi Xi put it in her pocket and handed over the meat she had roasted. “I’ll treat you to some meat.”

Although these were all from Xie Yunzhou’s villa.

Xie Yunzhou didn’t take it. Instead, he bit off the meat in the girl’s hand.

It looked like she was feeding Xie Yunzhou.

Shi Xi’s face slowly turned red.

Xie Yunzhou did not seem to notice what he was doing. He asked, “Do you want to drink?”

Shi Xi was still thinking about the meat she had just fed and hadn’t come back to her senses. “What?”

“Do you want some beer? It’s best to eat barbecued meat with beer.” Xie Yunzhou took out a can of beer from the bag next to him, opened it, and handed it over.

“Alright.” Shi Xi put down the roasted meat, took the beer, and took a big gulp as if she was trying to cover it up.

*novelusb.com*

She successfully choked.

Xie Yunzhou patted the girl’s back and said with a smile, “Why are you in such a hurry? No one’s snatching it from you.”

Shi Xi coughed for a long while before pushing all the blame onto the beer. “This doesn’t taste good.”

Xie Yunzhou picked up the beer she had just drunk. “Then I’ll help you continue drinking.”

As he spoke, Xie Yunzhou raised his head and finished the rest of her beer.

Shi Xi didn’t even manage to finish her sentence.

Xie Yunzhou opened another can of beer.

Shi Xi thought, ‘Forget it. If I say it now, it’ll seem like I care a lot.’

As she continued to roast the mushrooms, Shi Xi couldn’t help but glance at Xie Yunzhou.

She felt that he was much more cowardly than before.

Was it an illusion?

Shi Xi slowly sipped on her coke.

She knew that she was a lot slower when it came to relationships.

But that didn’t mean she didn’t know what it meant to pick up girls.

Xie Yunzhou picked up the meat and looked at the girl. “What are you thinking about?”

"I'm thinking..." Shi Xi dragged out her words and said softly, "I'm wondering why the stars are so bright."

"Because most of the stars are fixed stars," Xie Yunzhou replied. "They shine far away from us, and most of them are brighter than the sun."

"And because it's far away, it looks small, so the light it gives off will look very bright."

Shi Xi was speechless.

She thought that Xie Yunzhou would say that it was because the stars were fighting to see her, a beautiful sister.

As expected, it was impossible.

Shi Xi looked at Xie Yunzhou, who had devoured a huge pile of roast meat in an instant, and continued to roast the meat for him.

The stars, the sea breeze, and beer.

It was indeed relaxing.

"Have you ever liked anyone before?" Shi Xi asked.

"No," Xie Yunzhou replied.

"What?" Shi Xi was in slight disbelief.

She was Xie Yunzhou's first love?

As Xie Yunzhou talked about the past, he said, "I've been transferring schools since elementary school."

Shi Xi was deep in thought.

"I went to school early, so I didn't have anyone of my age around me," Xie Yunzhou replied.

Shi Xi: "..."

"You've liked someone before?" Xie Yunzhou asked.

"Ah, no," Shi Xi immediately retorted.

"Really?" This time, it was Xie Yunzhou's turn to doubt.

"I'm so beautiful, who's worthy of me?" Shi Xi said confidently.

"You were engaged to Sheng Yan, but have you never been in love?" Xie Yunzhou asked.

"No, he only sees me as a younger sister. I'll definitely not have anything to do with him," Shi Xi said firmly after some thought.

...

She didn't want to marry a male lead who would go bald in the future.

## Chapter 628 Are You Jealous?

"I heard that when you were in school, you always claimed to be fiancée of Sheng Yan," Xie Yunzhou said.

"Who did you hear that from?" Shi Xi asked hatefully.

Xie Yunzhou fell silent.

He couldn't say that he had specially investigated it, right?

"Don't you have an engagement?" Shi Xi asked.

For wealthy families like them, many people liked to arrange marriage contracts.

For example, she and Sheng Yan.

At that time, parents didn't care about their children's lives and wanted to arrange marriages.

"No," Xie Yunzhou replied.

"Or childhood sweethearts or something?"

"No," Xie Yunzhou replied.

"Didn't that Chu Hua grow up with you?" Shi Xi picked up the grilled mushroom and twirled it slowly.

"When I moved to Feng City, I lived near the Chu family. They moved away after that." Xie Yunzhou explained.

Shi Xi snorted softly. "She made clothes for you."

"Something happened to the Chu family," Xie Yunzhou explained. "Chu Tang Workshop wasn't well managed and was on the verge of bankruptcy."

"Uncle Chu took good care of my grandma when he was alive. I just want to return the favor so that his daughter's life won't be so hard."

There was such a relationship in between?

Shi Xi didn't expect this.

"Are you jealous?" Xie Yunzhou asked, belatedly.

Shi Xi naturally denied it. "No way. It's just that we don't have anything to talk about, so we're just casually chatting."

There was a smile in Xie Yunzhou's eyes. "I haven't been to Chu Tang Workshop since I helped it reopen. The last time I brought you there, it was just a sudden thought."

After all, the clothes made by Chu Tang Workshop were indeed beautiful.

Shi Xi continued to be stubborn. "What does it have to do with me whether you go to Chu Tang Workshop or not?"

“Then tell me about you and Leng Qiankun,” Xie Yunzhou asked nonchalantly.

“He’s about to get married. What does that have to do with me? Are you jealous?” Shi Xi blinked and asked.

“Yes.” Xie Yunzhou nodded and admitted, “You have too many men of the opposite s\*x around you. It’s normal for me to be jealous.”

Shi Xi was dumbfounded.

He, he admitted it just like that?

Xie Yunzhou took the mushrooms from Shi Xi’s hands and said, “Not only Leng Qiankun and Sheng Yan, but also the men you know in the entertainment industry. I’m annoyed just by looking at them.”

“That’s work...” Shi Xi said dryly.

Xie Yunzhou took a sip of his beer and said softly, “Yes, that’s your job, so I can only watch you talk about love with them.”

Whether it was the stage where Shi Xi and the others were on or the emotional scenes during the filming.

It was all about work.

After a moment of silence, Shi Xi replied, “Those are all fake.”

Xie Yunzhou looked at her. “Can’t I be jealous if it’s fake?”

Xie Yunzhou spoke his mind so frankly that Shi Xi didn’t know what to do.

She even felt a little guilty.

She was like a scumbag who had been hanging on to Xie Yunzhou and flirting with other men at the same time.

“Sometimes, I think that I might as well shut you out, so that you won’t be able to get any more jobs in the entertainment industry,” Xie Yunzhou said.

Shi Xi raised her eyes in surprise and looked at Xie Yunzhou.

Xie Yunzhou chuckled. “People always have dark thoughts. Have you never thought of locking me in a cage and not letting me go out to keep you company?”

The shock in Shi Xi’s eyes deepened. “Isn’t that illegal?”

Xie Yunzhou: “...”

“I’m just thinking about it. It’s not illegal to think about it,” Xie Yunzhou said, unconcerned.

Shi Xi decided to stay away from Xie Yunzhou in the future.

Deep down, Xie Yunzhou was a villain who killed without blinking an eye!

However...

If Xie Yunzhou was locked in a cage...

Wow!

It was so exciting just thinking about it!

Chapter 629 Xi Xi and I Will Go Back To Rest Then

Shi Xi stole a glance at Xie Yunzhou and blushed unconsciously.

Wouldn't she be able to do whatever she wanted if he was locked up in a cage?

Xie Yunzhou clutched the can of beer and continued, "I was just thinking about it. I don't want you to be angry."

The one he liked was Shi Xi, who had a bright smile, and was lively and adorable.

It was the fresh and bright Shi Xi.

He wasn't like Shi Xi, who was bound by all sorts of rules and couldn't breathe.

"Aren't you afraid that I'll be angry at you for telling me this?"

"A little," Xie Yunzhou answered frankly.

"What?" Then why did you still say it?

Shi Xi did not understand.

Xie Yunzhou didn't answer, but continued drinking his beer.

He probably wanted to give the girl a little warning by suddenly saying this.

Shi Xi wouldn't be too surprised if he were to use such methods in the future.

He had warned her before.

Xie Yunzhou lowered his eyes, trying to hide all the emotions in them.

Seeing that he didn't answer, Shi Xi stopped asking.

Sealing and imprisoning others was too dramatic.

It could happen in a novel.

But would it happen to her?

Shi Xi's expression instantly stiffened.

She was in a novel!

However, forced love was the treatment of a female protagonist, so she probably wouldn't encounter it.

Shi Xi's thoughts changed.

Xie Yunzhou looked at Shi Xi and saw that her expression alternated between relaxed, nervous, and relieved.

It was as if she was changing her face.

"I'm going back." Xie Yunzhou finished the last can of beer and headed back.

"Oh, okay." Subconsciously, Shi Xi reached out for Xie Yunzhou to carry her.

Xie Yunzhou looked down at the girl, pursed his thin lips, and picked her up.

It only took a few minutes to walk from the beach to the villa.

Xie Yunzhou thought, 'How good would it be if we could just keep going like this?'

"Wait," Shi Xi suddenly called out to Xie Yunzhou.

Xie Yunzhou stopped in his tracks. "What's wrong?"

"There seems to be someone over there?"

Xie Yunzhou held the girl in his arms and looked in the direction she was pointing.

There was indeed someone.

It was a man.

"It looks like Teacher Chu Yuan? Put me down first," Shi Xi said, patting Xie Yunzhou's shoulder.

"Your feet don't hurt anymore?" Xie Yunzhou didn't listen to Shi Xi. Instead, he tightened his grip.

"Uh, then you'll carry me over?" Shi Xi discussed.

Xie Yunzhou knew everything about Shi Xi, so he naturally knew who Chu Yuan was.

He was a pretty boy in the entertainment industry who often flirted with Shi Xi.

Xie Yunzhou's expression was unfriendly.

However, when he thought of how he was holding Shi Xi in front of Chu Yuan, Xie Yunzhou's mood suddenly improved. He walked toward Chu Yuan.

As he walked closer, he could see it more clearly.

It was indeed Chu Yuan.

"Teacher Chu Yuan?" Shi Xi asked in surprise. "What are you doing here?"

When Chu Yuan saw Shi Xi in Xie Yunzhou's arms, he was as surprised as Shi Xi.

He suppressed the shock in his heart. "I saw smoke here, so I came over to take a look."

"Oh," Shi Xi replied. "I see."

There was smoke when they were barbecuing just now.

“Have you eaten? We’re eating barbecued meat and a lot of other ingredients.” Shi Xi pointed at the barbeque rack by the beach. “Do you want to join us for some food?”

“Aren’t we going back to rest?” Xie Yunzhou asked directly.

They had already finished their meal, but Shi Xi was going back to barbecue because of this man?

Shi Xi’s beautiful eyes widened. ‘Will you die if you don’t speak?’

...

Xie Yunzhou pretended not to notice.

“Thank you. I’ve already had dinner.” Chu Yuan’s gaze swept between the two of them.

“Then I’ll go back with Xi Xi to rest,” Xie Yunzhou said bluntly.

With that said, he wanted to carry Shi Xi back.

“Wait a moment!” Shi Xi made Xie Yunzhou stop and asked Chu Yuan, “Did Teacher Chu Yuan encounter any trouble?”

“My tent has collapsed. I’m looking for a place to rest.”

Chapter 630 It Still Hurts

It sounded like he saw people here, so he wanted to stay for the night.

“If that’s the case, I won’t hold you up from looking for a place to stay,” Xie Yunzhou said indifferently.

Shi Xi looked at Xie Yunzhou.

Xie Yunzhou’s expression did not change.

He didn’t want his love rival to appear in front of him.

He was already being merciful by not kicking Chu Yuan into the sea.

Chu Yuan did not get angry. “Is that Mr. Xie’s villa?”

Mr. Xie: “En.”

“Can I stay for a night?” Chu Yuan requested politely.

Xie Yunzhou refused again. “No, you can’t.”

He didn’t like to live under the same roof as others.

With the exception of Shi Xi.

“Xie Yunzhou?” Shi Xi threatened.

Hearing the girl’s voice, Xie Yunzhou took a step back. “There are no rooms in the villa, so I’ll have to force Mr. Chu to sleep on the sofa.”

Shi Xi looked at Chu Yuan and said eagerly, "Teacher Chu Yuan, you can sleep in my guest room. I'll sleep on the sofa."

Xie Yunzhou was jealous.

She was so good to Chu Yuan?

Back in the villa, Xie Yunzhou asked the nanny to take Chu Yuan to the guest room.

Sleeping on the sofa was just an excuse.

Chu Yuan looked at Shi Xi. "Which room will you be sleeping in?"

Before Shi Xi could speak, Xie Yunzhou replied, "She's sleeping with me."

Shi Xi was speechless.

"Didn't we sleep in the same room last night?" Xie Yunzhou asked directly.

Shi Xi: "... " But that didn't mean they were going to sleep in the same room tonight!

She was sick yesterday, and Xie Yunzhou...

Xie Yunzhou carried Shi Xi up the stairs. "Don't move. You're covered in sand. Wash yourself clean first."

"Hey! Xie Yunzhou! We're sleeping in the same room, but not together!"

"En," Xie Yunzhou replied.

Shi Xi looked over and saw that Chu Yuan had already followed the nanny to the guest room.

She didn't know if he had heard her explanation.

Shi Xi: We're the meat on the chopping block.

When they entered the room, Xie Yunzhou put the girl in the bathtub and asked, "Do you need my help?"

"Please leave my room and close the door," Shi Xi said.

"This is my bedroom," Xie Yunzhou said.

Shi Xi pointed at the door. "Out!"

Xie Yunzhou walked out.

Shi Xi heaved a sigh of relief and prepared to take off her clothes to shower.

At night, they roasted meat on the beach, and their bodies would be covered in sand.

She could only hope that it wasn't in her hair.

After taking a shower, Shi Xi tried to take a few steps.

It still hurt, but it was much better than yesterday.

However, she had to do something.

She didn't bring any clothes with her.

How to get out?

"Xie Yunzhou?" Shi Xi called out softly.

There was no reply.

Shi Xi looked at the old clothes she had worn.

She washed herself clean because she didn't want to get any sand on her.

Shi Xi wrapped a towel around herself and quietly came out of the bathroom.

There was no one in the bedroom.

"Xie Yunzhou?" Shi Xi called out again.

There was still no answer.

Shi Xi hesitated.

She couldn't possibly wrap herself in a bath towel and go out to ask for clothes from the auntie, right?

...

What if she accidentally bumped into Chu Yuan?

Shi Xi's gaze swept across the bedroom and finally stopped at Xie Yunzhou's wardrobe.

She was just borrowing some clothes to wear for a while.

Xie Yunzhou took a shower in another room, then went to the study to work overtime.

Even though he was out to relax, he couldn't let go of all his work.

After estimating the time, Xie Yunzhou prepared to return to his room.

He wanted to discuss with Shi Xi how they were going to sleep at night.

Pushing the door open, Xie Yunzhou saw the girl wrapped in a bath towel, standing in front of the wardrobe, looking for something.

"What are you looking for?" Xie Yunzhou asked.

"Ah!" Shi Xi had been sneakily looking for clothes. She was startled by the noise behind her and almost jumped up.
