

## The Fake 631

### Chapter 631 Xie Yunzhou, Come Over and Sleep With Me

Shi Xi leaned against the wardrobe and tightened her towel around her neck. "W-why didn't you knock before you came in?"

"This is my room," Xie Yunzhou replied after some thought.

Shi Xi was speechless. That was right, this was Xie Yunzhou's room.

"I'm looking for a change of clothes," Shi Xi said softly.

"Do you think I have women's clothes in my closet?" Xie Yunzhou's feelings were complicated.

He was a clean and honest man and would never do anything out of line.

"I can also find your clothes. I can't just be like this, right?" Shi Xi thought to herself, 'You weren't here when I shouted at you just now, but you appeared when I stole your clothes.'

What a coincidence.

"Help me find a set of pajamas." Shi Xi's eyes curved.

Hearing the girl's request, Xie Yunzhou naturally could not refuse.

But what clothes did he have that would be suitable for a girl to wear?

Xie Yunzhou looked at his wardrobe.

In the end, he gave Shi Xi a set of clean pajamas.

Shi Xi took the clothes and looked at Xie Yunzhou.

"This is the only one left," Xie Yunzhou said.

"How am I supposed to change if you don't go out?"

"This is my room," Xie Yunzhou said.

"Well said. You're not allowed to say anything else. Go out."

Xie Yunzhou was speechless.

He could only go out and wait for Shi Xi to change into her pajamas before coming back in.

Shi Xi was lying on the bed, flipping through a book.

Xie Yunzhou's eyes narrowed. "Where did you find the book?"

"It was on the table. I'm just taking a look." Shi Xi's phone had been confiscated by the program team, so she was bored to death without any entertainment. "I thought you'd read some finance books. Turns out you're reading psychology books as well."

"Just taking a look," Xie Yunzhou said calmly, pursing his lips.

Shi Xi was deep in thought.

“What movie do you want to watch?” Xie Yunzhou changed the subject and turned on the projector in the room.

The white wall opposite the bed instantly turned into a large screen.

Shi Xi put down the book in her hand and said, “I want to watch Tom and Jerry.”

Xie Yunzhou’s hand stopped in its tracks.

“You don’t have it?”

Xie Yunzhou was silent for a moment. “I’ll check.”

As expected.

“You want to see this?” Xie Yunzhou asked.

“Yup,” Shi Xi glanced at Xie Yunzhou and said, “If you don’t like it, you can find your own room to rest.”

“This is my room,” Xie Yunzhou reiterated for the third time.

With a smile on her face, Shi Xi lifted the blanket a little. “Do you want to come over and sleep together?”

Xie Yunzhou held his breath.

He really wanted to pounce on her.

The girl had already invited him, so he could just climb into bed smoothly and naturally.

Xie Yunzhou shifted his gaze. “Don’t watch too late.”

After he finished speaking, he left the room as if he was escaping.

Shi Xi looked at Xie Yunzhou’s back in confusion. “Don’t you like me? You don’t even dare to sleep with me?”

And this was Xie Yunzhou’s bed.

She really didn’t understand.

Forget it.

Shi Xi glanced at the ‘cat and mouse’ on her screen before turning to the psychology book beside her bed.

She picked up the book and continued reading.

There were signs of pages being flipped.

Did Xie Yunzhou read psychology books because he had some kind of mental illness, or was it just for fun?

After reading a few pages, Shi Xi put down the book.

What fun was there in reading such a boring theory book?

How could it be as good as Tom and Jerry?

Shi Xi chose to watch Tom and Jerry.

This high-definition projector was really useful. Although it wasn't as clear as the home theater, you could still lie on the bed!

...

It would be even better if there was popcorn.

Shi Xi recalled that there seemed to be an air fryer in the kitchen.

Oh, there should also be little corn.

Since she had nothing to do, Shi Xi prepared to make some popcorn.

Chapter 632 Cooking Noodles For Chu Yuan

Shi Xi walked downstairs.

Her leg still hurt a little, but compared to her desire to eat popcorn, Shi Xi could still bear with it.

The auntie had retrieved the barbecue rack and was tidying up the kitchen when she saw Shi Xi coming down.

"Auntie, do you have an air fryer and little corn? I want to eat popcorn," Shi Xi asked.

!!

"Yes, I'll make it for you now," the auntie said.

"I'll do it myself. Help me find the little corn." Shi Xi's eyes curved into crescents. "Auntie, do you want to eat?"

The nanny was obviously past the age where she loved to eat snacks. "I've already had dinner."

"Auntie, please rest early. I'll put the pot away after I'm done," Shi Xi said.

The nanny saw that Shi Xi's movements were familiar and felt relieved. "Then I'll go back and rest."

"Good night, Auntie."

"Good night," she said.

Who didn't like pretty and cute little girls?

After the fragrant popcorn was taken out of the pot, Shi Xi placed it in a large bowl.

Even though she had eaten barbecue that night, snacks were just snacks.

Shi Xi was about to return to her room with the popcorn when she heard footsteps.

Eh?

Shi Xi tilted her head and saw Chu Yuan.

“Teacher Chu Yuan? What are you looking for, Teacher Chu Yuan?” Shi Xi asked.

“I came out to drink some water.” Chu Yuan looked at the popcorn in Shi Xi’s arms.

“I made the popcorn myself. Teacher Chu Yuan, do you want to have some?” Shi Xi happily shared her snacks.

Chu Yuan shook his head. “No, thank you.”

“I’ll get you some water first,” Shi Xi said as she put down the popcorn.

After finding a cup, Shi Xi poured Chu Yuan a cup of warm water.

Just as she was passing the cup over, Shi Xi heard a series of ‘gulu, gulu, gulu’ sounds.

“What’s that sound?” Shi Xi asked, puzzled.

“What?” Chu Yuan took the cup, looking puzzled.

Shi Xi described, “It’s a ‘gulu, gulu’ sound, like...” the sound of hunger.

Chu Yuan was about to argue, but his stomach growled again.

Shi Xi looked in the direction of the voice and exclaimed in surprise, “You’re hungry?”

“A little,” Chu Yuan said helplessly.

Shi Xi: How is this just a little hungry?

During this period, water entered Chu Yuan’s tent at night. The compressed biscuits he found the day before were also filled with water and could not be eaten.

He had been looking for food for the whole day and met Nan Wan on the way. Chu Yuan gave his food to Nan Wan.

He had not eaten for almost a day, and his tent was also in tatters.

Chu Yuan was thinking about how to get through the day when he saw smoke rising.

He wanted to find a place to stay and ask if he could get some food.

He had not expected to meet Shi Xi.

He had not expected this to be Xie Yunzhou’s villa.

It was already on Shi Xi’s account that he was able to stay.

Chu Yuan did not want to ask Xie Yunzhou for food, so he had been hungry.

Naturally, Shi Xi didn’t know what Chu Yuan had gone through today. When she heard his stomach growling, she said, “Have some popcorn first, I’ll cook you a bowl of noodles.”

"It's too much trouble for you," Chu Yuan said.

"It's just a few minutes, don't worry." As Shi Xi spoke, she began to boil water and was ready to cut the tomatoes.

When they were preparing for the barbecue at night, Shi Xi had a rough idea of where the ingredients were.

Chu Yuan stood at the side, drinking water slowly, and asked, "You and Mr. Xie are dating?"

"No, I'm just friends with him." Shi Xi was cutting the tomatoes.

Chu Yuan thought about how Xie Yunzhou and Shi Xi had interacted.

They really didn't seem like friends.

They were more like lovers.

What kind of friends would hug each other and even sleep in the same room?

Chapter 633 Watch a Movie Together, Sleep Together

They were not a couple.

Were they s\*x friends?

Or a sugar daddy?

The relationships between men and women in the circle were much more complicated, so Chu Yuan was not surprised.

"I won't tell anyone," Chu Yuan said.

Shi Xi wanted to tell him that it was fine even if he told others. She and Xie Yunzhou did not have any improper relationship to begin with.

However, it was better to avoid unnecessary trouble.

Her relationship with Chu Yuan was not so good that she had to make everything clear.

"Thank you," she said. There was a smile in Shi Xi's eyes.

Seeing that Shi Xi did not explain, Chu Yuan thought that she had silently agreed to her relationship with Xie Yunzhou.

Shi Xi finished cooking the noodles and brought it to Chu Yuan. "Try it."

Chu Yuan said, "It looks good."

"I'm pretty good at cooking!" Shi Xi blinked her eyes and boasted.

Although she could only cook noodles.

\*

After being teased by Shi Xi, Xie Yunzhou could not fall asleep in the room next door.

His mind was filled with the image of the girl patting the bed and smiling as she said, "Do you want to come over and sleep together?"

Why did he escape?

He should have gone in!

What was there to be afraid of?

Xie Yunzhou tossed and turned, unable to fall asleep. He came out of his room to find Shi Xi for a chat.

Even watching 'Tom and Jerry' together was better than staying alone in an empty room.

Xie Yunzhou knocked on the door, but there was no response.

She fell asleep?

Xie Yunzhou was a little disappointed.

Just as he was about to head back, he heard the sound of conversation downstairs.

Was there someone downstairs?

Puzzled, Xie Yunzhou went downstairs and followed the sound.

He saw Shi Xi handing the noodles to Chu Yuan with a smile.

Xie Yunzhou's heart ached with anger.

Did he let Chu Yuan in just to see this?

Xie Yunzhou's footsteps were heavy.

Shi Xi looked at Chu Yuan with a very relaxed gaze.

She didn't even look at anyone else.

This discovery made Xie Yunzhou very unhappy.

Shi Xi had never been so happy when she looked at him, even when they were the most intimate.

When Shi Xi heard the commotion, she looked up the stairs. "Xie Yunzhou? You're still awake?"

Xie Yunzhou chuckled. "I heard a rat stealing food, so I came down to take a look. I didn't expect it to be Mr. Chu."

Chu Yuan, who was being scolded, and eating his noodles: "..."

Shi Xi frowned. "Xie Yunzhou!"

Chu Yuan ate his noodles slowly and said, "Mr. Xie's house is so clean, there shouldn't be any rats."

"Maybe it's a rat from the outside," Xie Yunzhou said lightly. "There are delicious snacks in the house, and it will always attract some dirty things."

The invisible glints of blades and swords.

Taking a deep breath, Shi Xi asked, "Xie Yunzhou, do you want some noodles? I've cooked a lot."

"No," Xie Yunzhou replied.

"Want some popcorn?"

"No," Xie Yunzhou replied.

He was angry, the kind that could not be coaxed.

Chu Yuan continued to eat his noodles, as if the conversation just now had no effect on him.

Seeing that Chu Yuan wasn't angry, Shi Xi heaved a sigh of relief. "Teacher Chu Yuan, take your time. I'll head upstairs first."

Chu Yuan smiled. "Okay, thank you for the noodles you specially made for me. It's delicious."

Chu Yuan's appearance was outstanding, and he was one of the top existences in the entertainment industry.

Even without makeup, he could easily defeat a bunch of male idols with heavy makeup.

Such an otherworldly man praised Shi Xi with a smile.

...

Shi Xi's eyes wavered.

Xie Yunzhou gritted his teeth. "Xi Xi? Didn't we agree to watch a movie together and then sleep together?"

Xie Yunzhou had deliberately emphasized the word 'together.'

Shi Xi was confused. "I thought you didn't want to watch it together?"

"Can't I do it now?" Xie Yunzhou said lightly.

Chapter 634 Do You Want To See Me Change My Clothes?

Shi Xi: What woman's heart is like a needle in the ocean? A man's heart is also like a needle in the ocean.

He was really fickle.

Shi Xi carried the popcorn and went upstairs slowly.

Xie Yunzhou remembered that the girl's foot was still injured, so he went up and picked her up.

"Ah!" Shi Xi protected her popcorn from falling out. "Can't you tell me before you hug me?"

"I will definitely do it next time."

Xie Yunzhou was not in a good mood. He carried the girl back to his room.

Chu Yuan's smile slowly faded when he saw the two of them getting along so naturally.

\*

Xie Yunzhou carried Shi Xi back to her room and placed her on the bed.

He had wanted to throw the girl onto the bed.

However, when he saw the popcorn in Shi Xi's arms, he didn't want his blanket to be filled with popcorn.

This was really...

Shi Xi sat on the bed and asked, "Do you want to watch it together?"

'Tom and Jerry' was still playing.

Xie Yunzhou narrowed his eyes and leaned forward. "Aren't you afraid that I'll do something to you?"

"What?" Shi Xi was chewing on her popcorn. When she saw the handsome face in front of her, her heart beat faster.

If Chu Yuan was flawlessly handsome, then Xie Yunzhou was resolute and handsome.

When he was angry, the man's eyes would be cold and he would never hide it.

She had clearly teased him so smoothly just now.

However, Shi Xi couldn't say anything at this moment.

"I, I was just joking." Shi Xi took a few steps back and her heartbeat gradually calmed down. "Why are you suddenly leaning over?"

Xie Yunzhou sat by the bed. "You think you're the only one allowed to tease me, but I can't fight back?"

Shi Xi: Yes.

However, it was better for her to think about such overbearing words and forget about it.

Xie Yunzhou leaned against the edge of the bed, accompanying the girl to watch the Tom and Jerry movie.

They were just a stupid cat and a mouse.

What was there to see?

Xie Yunzhou looked at her for a while, then turned to look at Shi Xi.

The girl had popcorn in her hand, but she had already fallen asleep against the bed.

Xie Yunzhou was speechless.

If you're tired, then go to bed early. Why are you still forcing yourself to watch a movie?

Xie Yunzhou: "..."

He wanted to take the popcorn away from the girl's hand, but the girl held the bowl of popcorn tightly and refused to let go.

Xie Yunzhou: ...Outrageous.

He wouldn't come back tomorrow morning with a bed full of popcorn, would he?

Xie Yunzhou felt helpless.

However, looking at the girl who was sleeping soundly, he couldn't bear to wake her up.

Forget it.

Xie Yunzhou covered Shi Xi with the blanket, paused, and kissed her gently on the forehead.

Good night, my girl.

..

When Shi Xi woke up in the morning, she realized that there was something on her face.

She opened her eyes sleepily and found herself sleeping on popcorn.

Eh?

Shi Xi got up in a daze and realized that the bowl with the popcorn was beside her pillow. It had been knocked over and the unfinished popcorn had spilled all over the bed.

Shi Xi instantly sobered up.

This was bad.

This was Xie Yunzhou's bed!

Although he was not a clean freak, he loved cleanliness.

If he knew that the bed was filled with popcorn...

Shi Xi immediately got up and started to clean the bed and pillow.

Shi Xi's heart was filled with pity as she put all the popcorn into the trash can.

She actually didn't finish it.

...

The fragrance of popcorn still lingered on the pillow.

Shi Xi: Let Auntie wash them all.

Just as she was about to look for the nanny, the bedroom door was pushed open.

Xie Yunzhou entered the room. "Morning."

"Uh, morning, morning."

Xie Yunzhou went straight to his wardrobe and found a set of clothes.

Shi Xi looked at him without blinking.

Xie Yunzhou turned to look at her. "Do you want to see me change?"

Chapter 635 Clear Abdominal Muscles Under a Strong Chest

Shi Xi remained motionless and taunted, "What? You don't want to show me? Your figure isn't good?"

Xie Yunzhou was expressionless as he began to undress.

The man's well-defined hands fell on the buttons of his pajamas and undid them one by one.

Under his strong chest, his abdominal muscles were clearly defined. There was not a trace of fat, and he was full of strength.

She continued to look down...

Before Xie Yunzhou could change his pants, Shi Xi opened the door and ran out.

Xie Yunzhou chuckled.

Ha, she still wanted to flirt with him.

\*

Today was the last day of filming, so Shi Xi had to go home.

Shi Xi was absent-minded as she left the seaside villa reluctantly.

The first day of filming was very tough. She was hungry and tired, and her feet were injured.

However, after staying in the seaside villa, the wilderness instantly turned into a seaside vacation.

Who wouldn't like-vacation?

When she arrived at the recording location, Shuo Nan and Chu Yuan were already waiting.

The two of them put together the things they had collected and were roasting sweet potatoes for their last lunch.

"Shi Xi is here." Shuo Nan and Shi Xi had recorded [Star Idol] together, so they were familiar with each other. He greeted, "Are you here to eat roasted sweet potatoes?"

"Where did you get the roasted sweet potatoes?" When Shi Xi saw the two of them sitting around the fire, she stuck her head out to take a look.

"I dug it out from the ground," Chu Yuan replied.

When Shi Xi saw that there wasn't much firewood left, she took the initiative and said, "I'll go and pick up some more firewood."

Chu Yuan stood up. "I'll go with you."

“I’ll go too,” Shuo Nan said.

“Someone has to stay here to watch the fire,” Chu Yuan said.

“Shi Xi, you stay behind to watch the fire,” Shuo Nan said as he looked at Shi Xi.

Compared to picking up firewood, the task of staying behind to watch the fire was much easier.

Shi Xi was a little embarrassed. “I’ll go and pick some firewood.”

In the entertainment industry, the two people in front of her were both seniors.

“Your leg is injured. You can stay,” Chu Yuan said.

“Injured? What’s going on?” Shuo Nan asked, puzzled.

Shi Xi explained, “It’s nothing. There were just a few blisters. They’ve burst.”

Just thinking about it hurt.

Shuo Nan passed the stick to Shi Xi. “You stay here and watch the fire. I’ll go pick up some firewood with Mr. Chu and see if there’s anything to eat. We’ll bring some back.”

“Thank you, teachers,” Shi Xi said.

Of course, it was much better to stay here and guard the base than to go out and look for things.

When the bullet comments saw this scene, all kinds of speculations arose.

[Wow, how did Chu Yuan know that Shi Xi’s foot was injured?]

[Chu Yuan originally wanted to pick up firewood with Shi Xi, but he thought of her foot injury and let her stay behind. Ah, XiYuan is the sweetest!]

[XiYuan is the sweetest in the world. Hehehe.]

XiYuan: Shi Xi x Chu Yuan

As early as when the two of them worked together, they had already gathered a group of CP fans and had continued to this day.

..

Shi Xi continued to roast the sweet potatoes and waited for Nan Wan.

Nan Wan couldn’t stand being on camera without makeup and asked the production team to give her the box of cosmetics with a dark face. She was only willing to continue filming after she dressed up beautifully.

But when she saw Shi Xi, Nan Wan felt a sense of defeat.

She had put on such exquisite makeup, but it still couldn’t compare to Shi Xi’s bare face.

“Xi Xi? You’re back so quickly. How have you been these few days?” With a smile on her face, Nan Wan walked up to Shi Xi.

“I’m doing pretty well. What about you?” Shi Xi replied casually.

Other than the foot injury on the first day, the rest of the time was too good.

The two of them didn’t get along, but they wouldn’t show it in front of the camera.

“It’s not bad,” Nan Wan grumbled. “I found a tent and kitchenware on the first day. I also found a lot of food.”

“I found more than a dozen boxes. I was exhausted from rummaging through them.”

Chapter 636 Where Are Your Clothes?

There were a total of 20 boxes. Nan Wan had gotten the map from the production team and touched more than ten boxes.

Hence, she earned the title of ‘koi fish in games’.

[My Nan Wan Zi is the best!]

[Koi Wan Wan is so cute! She actually found more than ten boxes.]

[Let’s pay our respects. I hope the final exam goes well.]

[Respect the koi fish. Good New Year, luck up.]

[...]

The fans naturally had to support the koi fish character that Nan Wan had worked so hard to create.

Nan Yan really liked this character setting.

Who didn’t like this kind of lucky character setting where they got it without working?

As Shi Xi listened to Nan Wan’s boasting, she did not feel any waves in her heart. She agreed perfunctorily, “Yes, there were only 20 boxes in total, and you found more than a dozen.”

“How many boxes did you find?” Nan Wan asked.

“I found a few boxes, but they were all empty,” Shi Xi replied.

Nan Wan pretended to be surprised. “Then how have you been these past few days?”

“I found a house and stayed there for two days.” At the thought of Xie Yunzhou, Shi Xi couldn’t help but laugh.

When she heard Shi Xi’s words, the smile on Nan Wan’s face instantly froze.

No matter how many boxes she had found, she was still sleeping in a tent.

Not to mention the storm on the first night, when the tent collapsed, not only was her makeup ruined, but she was also caught in the rain all night.

Shi Xi actually had shelter?

“We’re here for survival. We can’t stay overnight, right?” Nan Wan’s words started to sound sour.

“But it was raining heavily that day, and I couldn’t find a tent.” Shi Xi blinked and smiled. “The program team dropped us here. They didn’t say that we can’t stay here.”

This program threw the people on the island and let them be independent.

Nan Wan looked at Shi Xi’s delicate little face and gritted her teeth in anger.

Seeing Shi Xi leading a good life was even more unbearable than seeing herself in a bad state.

After roasting it for a while, Shi Xi poked the sweet potato until it was almost done and pulled it out.

Nan Wan looked at the black mass and frowned. “What is this?”

“We’re baking sweet potatoes,” Shi Xi replied.

“It’s so dirty. Can it be eaten?” Nan Wan said in disdain.

Shi Xi was silent.

She did not know how to respond to Nan Wan’s words.

The sweet potatoes in the countryside were all roasted like this. They either found some branches and dead leaves, or directly threw them into the pothole to roast.

The roasted sweet potatoes in the city were all in the roasting pot, so they were naturally clean.

You’re already out in the wilderness to survive, and you’re still complaining about this and that?

Lou Ruicong returned to the gathering point.

“Eh? Baked sweet potatoes?” Lou Ruicong’s eyes lit up. “Where did you steal the sweet potatoes?”

“Teacher Chu Yuan and Shuo Nan poached these,” Shi Xi replied.

What steal? Don’t you know how to speak?

Nan Wan turned around to greet him and exclaimed, “Ah! Where are your clothes?”

Lou Ruicong’s shirt had been stolen by monkey, so he was only wearing a pair of pants.

He found some leaves to cover his upper body, like a savage.

“Aren’t I wearing it?” Lou Ruicong didn’t care.

Shi Xi didn’t even look.

Lou Ruicong looked at the roasted sweet potatoes and drooled. “These sweet potatoes are already cooked. Aren’t you going to eat it?”

The little princess of Nan Wan’s temper rose. She said disdainfully, “I’m not eating.”

“Teacher Chu Yuan and Shuo Nan roasted this. We’ll eat it when they come back,” Shi Xi said.

Lou Ruicong put two more into the fire and said, “I’ll roast two big ones for them. I’ll eat this first.”

He was really hungry.

After two days of fighting with the monkey, he finally managed to protect his pants.

However, as long as he started a fire to cook, the monkey would definitely come and steal.

Chapter 637 The Character Setting of the Koi

Lou Ruicong couldn't beat the monkey.

Shi Xi pushed the roasted sweet potato to Lou Ruicong's feet and said, "If you're hungry, eat first. They're still looking for firewood. They'll probably only be back after a while."

Hearing that, Lou Ruicong picked up a sweet potato and started to gnaw on it.

Lou Ruicong picked up the hot sweet potato from the fire with his left hand and his right hand. He carefully peeled off the outer layer of the sweet potato, revealing the golden flesh inside.

!!

The unique sweet fragrance of the roasted sweet potato spread.

Nan Wan had originally despised it, but now that she smelled the fragrance, she instantly wanted to eat it.

The sweet potatoes that were roasted in an open fire were much more fragrant and sweet than those that were roasted in a pan.

Nan Wan swallowed her saliva and looked at Shi Xi. She started to pick a fight again. "Brother Chu and Shuo Nan went to pick some firewood and food, and you're just waiting here to eat?"

"I'm watching the fire," Shi Xi replied indifferently.

The meaning of her words was that they were the ones waiting for food.

Nan Wan's face instantly turned red.

Luckily, Lou Ruicong was also waiting for food like her.

Lou Ruicong, who was eating roasted sweet potatoes, said, "Aowuwuwuwu."

[I'm hungry after watching this. Lou Lou, leave some for me.]

*novelusb.com*

[Lou Lou, eat slowly. No monkey is snatching it from you. Hahaha.]

[Can't Nan Wan use her brain before she speaks? Always targeting Shi Xi?]

[Nan Wan just asked one question, and this is targeting? Shi Xi's fans really have glass hearts.]

[Don't participate in variety shows with a fragile heart. Can't you even take a joke?]

[...]

There was no way the two groups of fans could live in harmony.

Nan Wan was not as thick-skinned as Lou Ruicong. She stood up and said, "I'll go find something to eat."

"Sure," Shi Xi replied.

Nan Wan pursed her lips and got up in a fit of pique to find something to eat.

She was just being polite.

She didn't expect Shi Xi to agree to it so easily.

She agreed?

Nan Wan went to find food in a huff and was lucky to find some fruits.

Nan Wan's face was filled with surprise. "I'm so lucky to have found a fruit."

The koi character that she had been prepared had actually come true.

Nan Wan was naturally very happy.

Nan Wan's fans were also happy.

[As expected of the koi princess!]

[Koi Wan Wan, please bless me to pass the end of the semester!]

Nan Wan picked up the fruits and suddenly realized that she didn't have a basket for them.

The smart Nan Wan decided to use her skirt to hold the fruits.

The fruit was yellow and Nan Wan's skirt was white. If the fruit was broken, the juice would flow onto the skirt.

Nan Wan's heart ached for a while, but in the end, she still wanted to carry out her koi character.

After picking up a skirt full of fruits, Nan Wan prepared to go back.

She had used a dress as a stepping stone for her koi character!

Just as Nan Wan was about to return to the gathering point, a monkey suddenly appeared and grabbed her skirt, grabbing the fruit from inside!

"Ah!" Nan Wan exclaimed, "What's that?!"

The furry monkey suddenly appeared. Nan Wan was too frightened and her hand loosened. The fruits in her skirt started falling to the ground.

"Help me!" Nan Wan was alive and kicking, jumping up and down, trying to get away from the monkey.

The monkey was even more afraid. It jumped up and down, trying to get away from Nan Wan.

Lou Ruicong glanced in their direction. "Xiao Jin, come here."

Shi Xi: ?

Hearing Lou Ruicong's voice, the monkey ran over with two fruits.

Shi Xi: ??

The monkey sat next to Lou Ruicong and handed him a fruit. Lou Ruicong took it naturally.

Shi Xi's eyes widened in shock: ???

Chapter 638 These Scenes Won't Be Broadcasted, Right?

Shi Xi's eyes widened in shock.

What was happening?

What kind of deal did Lou Ruicong and this monkey make?

The bullet comments were used to this and greeted Xiao Jin.

[My Xiao Jin, you didn't forget to give one to Lou Lou.]

[Jin Bao is so cute! I really want to kiss it.]

"Thank you." Lou Ruicong took the fruit and gave the monkey half of his roasted sweet potato. "Eat this."

The monkey took the roasted sweet potato and took a bite.

"You?" Shi Xi was surprised. "This monkey?"

"This is my friend, Xiao Jin," Lou Ruicong introduced. "It's been with me for the past two days."

Shi Xi's almond-shaped eyes widened.

Friend?

Interracial friendship?

It can even be like this?

"Xiao Jin, say hello to Shi Xi," Lou Ruicong said.

Xiao Jin waved its hand.

Shi Xi waved at Xiao Jin. "How? How are you?"

Xiao Jin ate the fruit in two or three bites and started to eat the roasted sweet potato.

Xiao Jin was good at learning. When it saw Lou Ruicong peel the skin of the sweet potato, it followed suit and ate the flesh inside.

Nan Wan walked back in a huff. "Lou Ruicong!"

Lou Ruicong, "What's wrong?"

"Is this a monkey you're raising?" Nan Wan had experienced the monkey's robbery and was instantly in a sorry state. Her clothes were dirty and messy, and her hair was also a mess.

She looked like she had just crawled out of a mud pit.

Lou Ruicong said, "That's what I think. The monkey is from the island."

Nan Wan wanted to say something, but when she thought of the camera next to her, she could not say anything.

Fortunately, Chu Yuan and Shuo Nan had returned.

Seeing Nan Wan in such a sorry state, Chu Yuan and Shuo Nan felt it was strange.

However, their professionalism allowed them to hold back.

The five of them finally gathered and cooked lunch together.

While they were cooking, Shi Xi looked at Lou Ruicong and hesitated.

The others looked at Lou Ruicong and hesitated.

"What's wrong?" Lou Ruicong asked.

"Ah, nothing," Shi Xi replied.

..

Before leaving the island, everyone had an individual interview.

Chu Yuan and Shuo Nan replied in a neutral manner.

Shi Xi thought back to the past two days at the seaside villa and was extremely happy. Her eyes were filled with joy.

Nan Wan was still in a sorry state. Her image as a koi fish was on the verge of collapse. She didn't look as good as Shi Xi without makeup, which made her feel even more defeated. She didn't even have the energy to be interviewed.

Lou Ruicong and Xiao Jin had formed an unbreakable bond. When he left, he almost cried and asked the program team if he could take the monkey away.

The program team: You should ask the animal protection organization for this kind of thing.

In the end, Lou Ruicong waved goodbye to Xiao Jin and cried in the car.

Until Lou Ruicong found out that the back of his pants had been scratched by Xiao Jin, and he had been wearing this pair of pants for the past two days.

Lou Ruicong, "Stupid monkey! Don't let me catch you!"

He finally knew why everyone had been looking at him so strangely during the gathering.

Lou Ruicong felt lucky. "These scenes won't be broadcasted, right?"

[Hahahaha! Lou Lou is too na?ve! It's just a hole, not all of it.]

[It should be boxer shorts inside, right? Very manly.]

[Xiao Jin: You've given me your shirt, so give me your pants too.]

[I finally know why Xiao Jin didn't want his pants. It's because his pants are torn.]

[Lou Lou is the funniest person in this episode. Hahahaha, a natural comedian.]

[I'm looking forward to the next variety show~]

Lou Ruicong returned to the company and said to Han Chuan angrily, "I don't want to go on any variety shows ever again!"

Han Chuan was speechless.

Looking at Shi Xi who had returned with him, Han Chuan asked, "What happened to him?"

...

Shi Xi held back her laughter. "You'll know why after watching this episode of the show."

Chapter 639 Trampling On Shi Xi To Become An Internet Celebrity

Han Chuan only hoped that Lou Ruicong would not cause any trouble.

He didn't expect Lou Ruicong to be given the title of 'natural comedian' because of this variety show.

Compared to the 'koi' character that Nan Wan's team had painstakingly created, it was much more outstanding.

In fact, he attracted even more fans than Shi Xi.

Good-looking skins could be found everywhere, and interesting souls were one in a million.

Lou Ruicong had a good appearance and his performance in variety shows was too interesting. He was like a clear stream in the entertainment industry.

Then, Lou Ruicong was invited to variety shows like snowflakes falling down.

Han Chuan was speechless.

This worked too?

Shi Xi had always been the one who others kept inviting, but Lou Ruicong had also made a big deal out of it.

Han Chuan sighed in his heart. Indeed, in the entertainment industry, luck was more important than ability.

He didn't know when others would suddenly become popular.

However, Lou Ruicong's heart was broken by wilderness survival, so he refused to go on variety shows. He directly rejected all the jobs and went to ski to relax.

Han Chuan was furious.

Lou Ruicong replied, "My boss is working, so I'm skiing. I'm angry so I'm on vacation."

What rubbish artiste was this?

(ノ`□´)ノ┌┐┌

..

Other than the comedian Lou Ruicong, Shi Xi was the second most popular person.

During the show, Shi Xi was bare-faced throughout, which made the anti-fans so angry that they couldn't sleep.

[Shi Xi must've had plastic surgery. Look, her nose is going to collapse.]

[Her cheekbones must have been cut off.]

[Her chin must be sharp, right?]

[Isn't it normal for female celebrities to get face-slimmer injections? Seeing that she's in such a good condition without makeup, did she get a water light injection before going on the show?]

When the anti-fans saw how beautiful Shi Xi was without makeup, they felt even more uncomfortable than when she was uglier.

Shi Xi's fans: [Xi Xi can fight so well without makeup. Whose heart did she stab?]

[Xi Xi, who relied on her looks to get out of the industry, must be superior without makeup. Ordinary people can improve their looks with makeup, but beautiful women can improve even more without makeup!]

[To be honest, I think Shi Xi looks pretty good without makeup.]

[Shi Xi: I've been doing my makeup for two hours. Do you think it's about the same??]

Shi Xi's fans were overjoyed.

The koi image that Nan Wan had carefully maintained disappeared after the show ended.

In the midst of the commotion, the movie [The Tale of Xianxia] went offline.

The box office of [The Tale of Xianxia] broke 200 million on the first day, 450 million on the next day, and 1.26 billion on the last day.

When it broke the 1 billion mark, the film's official Weibo even specially posted a big poster, and the Nan Wan fans felt like they were celebrating the New Year.

1.26 billion at the box office was a good result for a new actress like Nan Wan.

Even Nan Wan herself felt a little smug. When she went on the show, she was full of smiles and would mention her movie from time to time.

Nan Wan fans would also step on Shi Xi.

[Our Wan Wan is already a big star with a box office of 1.2 billion yuan. She can't be compared to a small internet celebrity who only acts in web dramas.]

[No matter how much a certain internet celebrity pranks around, she's still a small internet celebrity who can't be put on the stage.]

Shi Xi immediately became an internet celebrity.

Nan Wan had even bought a water army to work with all the platforms to accurately attack Shi Xi and position her as an unrepresentable internet celebrity.

There were too many such comments. The passers-by had seen too many of them and all accepted this statement.

[Shi Xi is so pretty. She's an internet celebrity because she's always acting in web dramas.]

[She doesn't have any works and only relies on her looks to survive in the entertainment industry. Isn't that just an internet celebrity? Does Shi Xi really think she's a big star?]

[Who's Shi Xi? Compared to Nan Wan? Isn't that a case of jumping levels to scam someone?]

[She's quite pretty, but there are plenty of pretty female artistes in the entertainment industry. It's not like she's the only one.]

[There are so many beautiful people in the entertainment industry. It's a pity that Nan Wan isn't there.]

Chapter 640 This Is the Style That a Xianxia Female Lead Should Have

Shi Xi's fans knew where the knife hurt the most.

Nan Wan's shortcomings, weren't they her popularity and appearance?

However, Shi Xi didn't seem to care about the dispute online.

So what if she was an internet celebrity?

The money that an internet celebrity could earn was much more than what an actor could earn!

An internet celebrity could offer 100,000 yuan for a short voice promotional video, earning tens of millions a year every minute.

An actor's income?

Pfft, there were even actors who paid for themselves.

Shi Xi didn't care about these things and even helped to promote Mu Zhao's latest web drama.

[@Shi Xi: [I'm starting to watch my drama~]

[I'm dying of laughter. It's so chaotic outside, but the beauty is still watching a web drama.]

[Hahahaha, Shi Xi's too stubborn. So what if it's a web drama? There are many people who watch web dramas. Shi Xi's web series has over 100 million views on average and topped the V-list during the broadcast period. Isn't that something to brag about?]

[As expected, beautiful women play with beautiful women. She's watching Mu Zhao's web drama.]

**novelusb.com**

[New fans can watch the web drama [Meeting You In the Depths of Time] that Xi Xi is starring in. It's the number one web drama in the same period and the number one annual ranking with an average episode of over 100 million.]

[...]

As Shi Xi and Lou Ruicong kept being mentioned, [Meeting You In the Depths of Time], which they had starred in, was brought up again.

Their acting skills were impeccable, the plot was layered, and they were even crowned gods in the finale.

From being a silly sweet pet at the beginning, he suddenly attacked in the last episode, catching countless viewers off guard.

[You said you were going to make a stupid cookie, why did you suddenly put a blade in it?!]

[Wuwuwu screenwriter, come out and get beaten! Can't you just let them be together?]

[The comedic Lou Lou's acting skills are really good. He's a completely different person from the variety show.]

[...]

As a web drama, [Meeting You In the Depths of Time] had good results and was worthy of praise.

Many people who wanted to watch the show acted by 'internet celebrity' Shi Xi fell into the trap.

Even the Annual Web Drama Awards ceremony at the end of the year was directly named 'time award'.

Nowadays, fewer and fewer people watched TV, and more people chose to watch movies and dramas online.

Only a small number of actors would be obsessed with star dramas (referring to the TV series broadcasted on various satellite channels).

Web series had low cost, short shooting period, and fast release. However, the shortcomings were also very obvious. The quality of the things shot in just a few months could not be guaranteed, and the good and bad were mixed.

The cost of star dramas was high, and most of the actors invited were old actors. Their acting skills were guaranteed, the shooting cycle was long, and the approval process was slow. However, because of this, the quality would be relatively high.

Therefore, some actors would think that they were better than others by 'acting in a star drama' or 'acting in a movie.'

For example, Nan Wan.

In the midst of the war, the xianxia idol web drama 'The Distant Galaxy', which Mu Zhao was starring in, started broadcasting.

Although the plot was a mess, Mu Zhao's appearance was pure and innocent. Each of her styles in the show was more beautiful than the other.

She was directly cut off by fans and they criticized Nan Wan's style in the movie.

[This is the style that a xianxia heroine should have!]

[As we all know, immortal cultivation is not for wearing white clothes and disheveled hair.]

[I'm dying of laughter. Even the style of the servant girl in 'The Distant Galaxy' is a hundred times better than Nan Wan's.]

[Even fairies have strength when casting spells!]

Nan Wan was pulled and stepped on until she was useless.

Her appearance was not outstanding, and she could not get up to do styling. Her acting skills were also average, and she was beaten by the female artistes in the same period in all aspects.

At this time, the 'Time Awards' awards ceremony invited many artistes from the entertainment industry.

All the popular A-list and B-list celebrities were invited, and even Mu Zhao had received an invitation.

They did not invite Nan Wan.
