

The Fake 641

Chapter 641 Can't Borrow Suitable Clothes To Attend the Gala

The official account of the Time Awards released a notice of guests one after another, from B-list flowers to popular fried chicken, and even Chu Yuan was invited.

It could be said that almost all the famous artists had been invited by the Time Awards.

But Nan Wan was not there.

[I'm dying of laughter. The Time Awards is too vengeful. Nan Wan's family doesn't like web dramas, so they didn't invite Nan Wan.]

[The Time Awards has always been vengeful. I don't think Nan Wan will be able to go on any of their shows in the future.]

[Nan Wan and her fans can't watch web dramas, so naturally, they can't watch this Time Awards ceremony.]

[Looking forward to Chu Yuan's performance at the gala~]

[Aowu! They even invited the singer Zheng Feicai! I can finally hear Big Sister's heavenly voice!]

[Looking forward to the all-rounded singer and dancer: Shi Xi!]

[...]

On Weibo, those who ridiculed Nan Wan were at the top of the likes list, and what was left were the comments from various companies.

When Shi Xi received the invitation, she was naturally prepared to attend the gala.

Han Chuan was going to let Shi Xi and Lou Ruicong walk the red carpet together.

The two of them were artistes from the same company and they worked on [Meeting You In the Depths of Time] together. If they could support each other, that would be the best.

"No, I want to go skiing," Lou Ruicong said.

Han Chuan was speechless.

'D*mn it, this guy deserves it for not being popular!'

As Han Chuan contacted the artistes who would be walking the red carpet with Shi Xi, he thought about signing a new male artiste as soon as possible in case he was angered to death by Lou Ruicong.

"Why don't we get Pei Jie to walk the red carpet together?" Shi Xi suggested after some thought.

The movie [Energetic Girl] that she and Pei Jie were acting in was about to be released.

She could use this opportunity to promote it.

"Pei Jie wasn't invited to the Time Awards."

Shi Xi was silent.

Emmm..

Pei Jie was from a talent show and was still in a boy group. Even though he had appeared on a few variety shows and acted in a movie with Shi Xi, his true popularity was not at the level where he could attend a gala alone, even if the Time Awards was just an award ceremony for web series.

“Their group wasn’t invited?” Shi Xi asked.

Shi Xi couldn’t remember the name of the boy band.

“Only Bai Cangyang was invited from the NDH Team,” Han Chuan replied.

Shi Xi admired Han Chuan’s good memory.

He remembered it so clearly.

Back then, she was still on the stage of the finals, but she could barely remember who the nine people were.

“They invited Lou Ruicong. Can Pei Jie take his place?” Shi Xi asked.

Although Lou Ruicong wasn’t a very good actor, his and Shi Xi’s time was a hit. After going on variety shows, his natural-born comedian image had emerged and he had obviously stepped into the second-tier.

Unfortunately, he insisted on going skiing.

Han Chuan frowned. “Are you using our resources to support the people from other companies?”

“He’s the male lead of my movie,” Shi Xi replied.

Han Chuan was upset.

He would rather leave this resource empty than give it to an artiste from another company.

However, Han Chuan knew that this gala would be a good opportunity to promote the movie.

“Alright, I’ll go and contact them.” Han Chuan finally gave in.

At the same time, Han Chuan was even more determined to sign a few more artists.

There would always be one who would be obedient and not like to ski.

*

After receiving Han Chuan’s message, the Time Awards agreed very quickly.

Pei Jie was also an artiste trained by Xunteng, so it was not bad to be able to make an appearance at the gala.

When Pei Jie received the news, he was completely shocked.

He didn’t expect that he would be able to attend a gala that his teammates couldn’t!

Then, Pei Jie felt awkward again.

He couldn't borrow any suitable clothes to attend the gala...

Chapter 642 The Wheel of Fortune

When female celebrities attended galas and walked the red carpet, they were always competing for beauty.

As for male celebrities, they only needed to wear a suit.

Pei Jie had wanted to borrow a suit from a brand, but he was too low in popularity and the brand ignored him.

In the end, it was Li Jinfan who saw that Pei Jie's mood was not right. After asking, he lent his suit to Pei Jie.

"You're going to walk the red carpet with Sister Xi?" Li Jinfan could not hide the jealousy in his tone.

"Yes." Pei Jie tried on the suit and said solemnly, "Thank you for lending me your clothes."

"It's fine. I don't have many chances to wear it anyway." Li Jinfan was not invited, so he turned sour.

What was there to be envious of? Wouldn't he still be alive without it?

*

Pei Jie could not borrow clothes.

Shi Xi was dazzled by the clothes she was picking.

Zhu Lin placed the tablet in front of Shi Xi and swiped it left and right. She asked excitedly, "How about this one? Not a single female celebrity, both at home and abroad, has worn this super-season's new LV model!"

"This is a new custom-made item by GU. The designer has just finished it and the model has never worn it before!"

"Take a look at this one..."

"I'll take this." Shi Xi randomly picked one.

"I think the flower petal dress from GU looks better." Zhu Lin was having difficulty choosing.

"The petal dress, then," Shi Xi said.

Zhu Lin was even more conflicted. "But that's the Star Light series from LV! Are we going to reject LV?"

"Then let's go with the Star Light series."

"But GU's petal dress is beautiful and elegant. You'll definitely look great in it!"

Shi Xi couldn't speak.

Zhu Lin continued to struggle with happiness. “The tables have really turned! We were even stood up by the brand before, but now we can pick and choose.”

Shi Xi leaned back on the sofa, hoping that she could be quiet for a while.

“Eh?” Zhu Lin received a message and said, “Chu Tang Workshop heard that you’re going to attend the Time Awards and wanted to give you a gown.”

Chu Tang Workshop?

Chu Hua?

“No need,” Shi Xi said with a slight frown.

Zhu Lin rejected Chu Tang Workshop.

After a while, Zhu Lin said, “Chu Tang Workshop said that the gown is ready and insisted on letting you try it on.”

“Just say that we’ve already decided,” Shi Xi replied.

Zhu Lin’s eyes lit up. “Have you decided which one you want to wear?”

“Sister Wendy said that she made a dress for me.” Shi Xi handed her phone to Zhu Lin. “Here, this is the one.”

Shi Xi had previously added Hua Wenying on WeChat and would occasionally chat with her.

Knowing that Shi Xi was going to a gala, Hua Wenying took a picture of the clothes she had just designed and showed them to her.

When Zhu Lin saw the clothes in the photo, she was instantly convinced. “This one then!”

The dress in the photo was a light green long dress with a little flower embellishment. It was dignified and elegant, but it also did not lose its playfulness and liveliness.

Compared to the haute couture clothes of other brands, the clothes that Hua Wenying had tailored for Shi Xi were fresher and could highlight her beauty.

Zhu Lin was very satisfied. “Xi Xi, don’t eat too much these few days. You can’t walk the red carpet with a double chin.”

Shi Xi: I hate red carpets.

Finally, it was time for the Time Awards.

All the female celebrities were dressed in gaudy clothes, with hundreds of flowers blooming.

On the day of the time award, Nan Wan posted a set of photos early in the morning.

[@Nan Wan: “I’m going shopping [picture].]

In the photo, Nan Wan was dressed in luxury goods from head to toe, and the bag in her hand was a classic model that cost hundreds of thousands.

In the comments section, the fans were very happy.

[The fair, rich, and beautiful Wan Zi is in business again ~ the bags are so pretty.]

[Other female celebrities, it's time to borrow clothes for the red carpet.]

[Wan Zi, "A random set of clothes is worth a million."]

Chapter 643 You Didn't Expect This, Right? There's Still Another Chapter, Hahaha

[Our Wan Wan never needs to borrow clothes to walk the red carpet.]

[Yeah, Nan Wan doesn't even have a red carpet. Of course, she doesn't need to borrow clothes.]

[Gowns are all one-time use. Which spendthrift would spend millions just to wear one? Is it because you can't borrow clothes, so you can only buy them?]

[The way Nan Wan fans are trying to save their dignity is really funny. Are they afraid that their master will walk the red carpet?]

[Then Nan Wan should stop borrowing clothes in the future. Every time she walks the red carpet, she should draw a few million to buy clothes! Cupped my fists and smile.]

[Our Nan Wan movie's box office has broken a hundred million!]

Nan Wan's fans were anxious and would only bring up the film's results.

[Nan Wan, ugly.]

GAME OVER.

At the start of the red carpet event, the artistes were all wearing all kinds of haute couture gowns.

Among them, Mu Zhao wore a dress decorated with rose petals. Her makeup was different from her usual innocent and cute look. She had heavy makeup on and was stunning. She immediately went on the hot search.

On the other hand, Shi Xi was dressed in a light green, elegant long dress. Her long hair was let down in front of her chest and she wore a green headdress on her head. She looked extremely exquisite and grand.

Her skin was white as snow, her hair was long and wavy, and her red lips were like a red glow. Her long eyelashes covered her lower eyelids, like the wings of a butterfly.

The moment Shi Xi stepped onto the red carpet, the media began snapping away at her.

The girl's eyes were light, and there seemed to be a stream of light in her eyes. The smile on her lips was just right.

Pei Jie, who was walking the red carpet with Shi Xi, was a little stiff.

It was his first time walking the red carpet, and he was wearing a suit that didn't fit him well. He felt out of place.

Fortunately, Pei Jie had always been silent and had no expression on his face, so he did not show any fear.

The live comments read: [Pei Jie's cold face and Shi Xi's smiling face. They actually look quite compatible!]

[Indeed, handsome men and beautiful women are the best match!]

[Oh my JieShi in regular script! It's been a long time since they've given out candy, and they're actually walking the red carpet together. I'm so excited!]

[With sincerity, JieShi becomes regular script! This scene is like a cold and bright lady and her cold butler. It's so sweet!]

[Why did Xi Xi and Pei Jie walk the red carpet together? Shouldn't you be walking with Lou Lou?]

[Lou Lou didn't seem to have participated in the Time Awards...]

The bullet comments were quite tolerant of the two. After all, the two of them didn't have much opposition.

On the other hand, Pei Jie's fan count was far less than that of Shi Xi's. His fans did not dare to say anything when he was called a 'cold butler'.

They could only silently endure it.

At the end of the red carpet, the two of them picked up a pen and signed in front of the camera.

Shi Xi walked forward and the camera pounced on her face.

However, the closer the camera got, the more it captured Shi Xi's beauty.

Her makeup was exquisite and flawless. Her eyebrows were curved, and her almond-shaped eyes were watery. Her eyes seemed to contain a planet, making people unable to help but stare at them.

The hot search #Shi Xi mei is crazy# was immediately arranged.

The video of her walking on the red carpet was edited out with the caption 'The closer the camera, the more beautiful I am' and was forwarded by netizens.

In less than ten minutes, there were more than 10,000 shares.

[Ah, I'm dead! Xi Xi Zi's beauty is killing me!]

[Although I don't like this sister, her beauty is unquestionable.]

[Fans of heaven!]

[I really want to experience living with this face for a day!]

[Wifey, wifey, kiss, wifey, kiss.]

There were the scenes of the fans going crazy.

After signing her name, the emcee asked Shi Xi two questions as usual.

Shi Xi's eyes curved. "The new movie, [Energetic Girl], is about to be released in the theaters. I hope that everyone can give us your support!"

Pei Jie nodded at the side, agreeing with Shi Xi.

The host said, "Congratulations, Xi Xi! We hope your movie becomes a hit! Xi Xi, please come in."

Chapter 644 Surprise

Pei Jie held the microphone at the side and felt even more uneasy.

He just introduced himself and the host didn't even ask him a question.

However, Shi Xi had already returned the microphone to the emcee.

Pei Jie could only return the microphone and say in a low voice, "Thank you."

!!

The host didn't mind. He just felt that this little boy was quite polite.

Pei Jie was not on the invitation list, so the host was not prepared to ask him any questions.

After showing their faces, promoting the movie, and taking a photo, they could enter.

Pei Jie's fans were extremely frustrated. [There wasn't even a question. Did the host just ignore Jie Jie?]

What was even more frustrating was that no one responded to this reply.

*

There were sofas in the front row. Lou Ruicong had originally been sitting in the same seat as Shi Xi, so Pei Jie sat next to her.

As Shi Xi was a rising star of the new generation, many artistes took the initiative to greet her.

Even Chu Yuan came over and praised, "Today's clothes look very nice."

Chu Yuan was dressed in a haute couture suit. His figure was straight and there was a faint smile on his handsome face.

novelusb.com

Shi Xi's eyes curved into crescents. "Are only the clothes nice?"

Chu Yuan sat beside Shi Xi and said helplessly, "You're good-looking too."

Only then did Shi Xi nod in satisfaction. "Mr. Chu Yuan is also very handsome today!"

There were still people entering the venue, so everyone was casually chatting.

When Wen Yao saw Shi Xi, she lifted her dress and walked over with a big smile on her face. "Xi Xi, long time no see!"

“Elder Sister Yao Yao.” Shi Xi looked at Wen Yao, whom she had not seen for a long time. “Elder Sister Yao Yao, you look even prettier today!”

Wen Yao’s appearance was more like a little white flower. Today, her long hair was tied up, and she was wearing a big red dress, looking like a royal big sister.

“What a sweet little mouth.” Wen Yao looked over. “You’re here too, Teacher Chu.”

Chu Yuan nodded slightly. “Hello, Miss Wen.”

Wen Yao’s eyes swept over the sofa.

Pei Jie consciously sat at the edge of the table so that Wen Yao could sit next to Shi Xi.

Wen Yao’s eyes were smiling. “Thank you, little friend. Little friends nowadays are so polite.”

Pei Jie smiled politely.

Shi Xi took the opportunity to introduce Pei Jie. “His name is Pei Jie. He’s from a boy band. He’s pretty good at singing, dancing, and acting. If you have any suitable jobs, you can help introduce him.”

Chu Yuan + Wen Yao: “Sure! Sure!”

If it was Li Jinfan, he would have already called them brother and sister and added them on WeChat to get close to them.

If it was Bai Cangyang, he would have at least added them on WeChat so that they could contact each other in the future.

But this was Pei Jie.

“Thank you,” Pei Jie said.

And that was it.

Shi Xi changed the topic. “Sis Yao Yao, didn’t you just film a drama?”

“Yeah, I just finished filming. I’m going to join the next production team.” Wen Yao asked, “Are you going to join the crew soon? Do you want to come to my set for a visit?”

“No, I’m just taking a break. I’ll probably join the crew after the New Year.” Shi Xi smiled.

Wen Yao leaned close to Shi Xi’s ear and whispered, “I have a surprise for you today.”

“What surprise?” Shi Xi quickly thought about things that were related to her.

It wasn’t her birthday, and it wasn’t any anniversary either.

“You just wait and see.” Wen Yao smiled mysteriously.

Shi Xi didn’t quite understand.

Wen Yao stood up. “I’m going back now. See you next time.”

Even after Wen Yao left, Shi Xi still didn’t understand what she meant.

"I heard that Wen Yao knows a friend from the TV station," Chu Yuan said slowly. "It's good to be friends with her."

"I see." Shi Xi chimed in and didn't pay much attention to it.

Chu Yuan was speechless when he saw that Shi Xi did not take it to heart.

Had Shi Xi never heard of the gossip about Wen Yao?

Chapter 645 Hubby Chu Yuan Is So Handsome

"What happened to your hand?" Shi Xi saw the faint traces of gauze on Chu Yuan's wrist and asked, "You're injured?"

"The crew used an explosion, and I accidentally scraped it." Chu Yuan pulled down his sleeve without a care.

Shi Xi was impressed. "Be more careful when you're filming. You can use special effects for explosions later."

"I'm fine. It's just a small injury," Chu Yuan replied.

The admiration in Shi Xi's eyes deepened.

When they encountered dangerous scenes, many actors would request post-production special effects or substitute actors.

Chu Yuan was so famous, but he still did an explosion scene.

He deserved it!

Just as everyone was chatting, the Time Awards ceremony officially began.

Many well-known artistes from the entertainment industry had been invited to the party. It was only during the award ceremony that Shi Xi realized that there were so many celebrities acting in web dramas.

The fans watching the livestream were also desperately spamming the bullet screen, hoping that more people would recognize their idol.

The emcee went on stage and announced the winners one by one.

There were many awards, such as New Artiste, New Singer, Best Supporting Actor of the Year, Best Web Drama of the Year...

Every award winner was someone who had achieved small results in the web drama industry this year.

As they were clapping, the host began to announce the annual newcomer web drama award.

"The nominated Best Newcomer Actors are: Shi Xi, Yan Xueluo, Mu Zhao, and Yue Xinyi."

The camera was aimed at the four of them, and their reactions were shown on the big screen.

Shi Xi had not expected to be nominated and was a little surprised.

Although it was only the Best Newcomer Award, it was still very impressive!

There were so many actors shooting web series every year, and the new artistes were like stars, but she was actually nominated?

Not bad, not bad.

The host continued, "Let's invite our special guest, Best Actor Chu Yuan, to announce the Best Newcomer of the Year and present the award!"

Chu Yuan was a special guest of the organizer. He had not filmed web dramas for a long time. He only took on movies and TV series.

Even if he attended the Time Awards, he wouldn't win an award.

He was here to give the award.

The fans who were watching the live broadcast were screaming, [Hubby is so handsome!]

[Is my Brother Chu just here to give out an award? Hahahaha, you're really a deity.]

[I saw the bandage on his wrist. Brother Chu, take good care of yourself on set. Don't get hurt!]

[If you're injured, then don't come to work. Is the studio dead? You didn't let Chu Yuan recuperate when he was injured, and you even let him come out to earn money?]

[I'm dying of laughter. Just a small injury and the fans are already so distressed. Those who don't know better would think that his arms are broken.]

[This wave of abuse is really amazing. Chu Yuan is indeed a popular star. He knows how to abuse his fans.]

Chu Yuan's popularity was high and he had many fans, which meant that he also had many anti-fans.

The live comments started arguing again.

Chu Yuan stood up, straightened his back, and strode up to the stage with his long legs. He took the envelope.

The camera was aimed at Chu Yuan's hand.

The man's slender hands were as white as jade, and each of his joints was distinct. He slowly opened the envelope.

Seeing the name in the letter, a smile appeared on Chu Yuan's handsome face as he announced, "The winner of the Best Newcomer in Web Series of the Year is-"

"Shi Xi."

The stage lit up, and the camera was pointed at Shi Xi.

The girl's pretty little face was filled with surprise, like a deer that had suddenly found a water source. She was happy and lively, energetic and cute.

Shi Xi stood up and blinked at the camera.

On the bullet screen, Shi Xi's fans didn't care about the war between Chu Yuan's fans and the anti-fans, and they all scattered flowers to congratulate her.

[The beautiful goose has finally become a big star under the lights!]

Chapter 646 Rushing To Hug Chu Yuan?

[My Xi Bao is the most outstanding!]

[Shi Xi is walking on a flowery path~]

[Top 1 in singing and dancing: Sweet girl actress, Shi Xi Xi!]

On the stage, Chu Yuan continued to read the introduction in the letter, "She's an excellent idol who can sing and dance on stage. She's also a sweet and gentle actress on screen. Whether it's work or life, she takes it seriously. Congratulations, Shi Xi!"

Shi Xi's tail was about to curl up when she heard these praises.

The camera panned to the girl's face, and it was easy to see her happiness.

Her eyes were bright, brighter than the stage lights.

Chu Yuan picked up the trophy and handed it to Shi Xi.

The trophy was made of glass and had an iron base, so it was a little heavy.

Chu Yuan's wrist was injured and he could not hold heavy objects. He almost lost his grip.

Shi Xi reacted quickly and took it.

However, in this way, the distance between the two of them was a little closer.

[F*ck, what is Shi Xi doing? Rushing to hug Chu Yuan?]

[Are you fighting to get the trophy? She's too impatient.]

novelusb.com

[This is what it means to be unrepresentable. Tsk, tsk. How petty. I heard that Shi Xi is a fake heiress? Haha.]

[...]

After the video was taken, Shi Xi's fans looked at it for a long time and made a connection. They speculated, [Chu Yuan's wrist is injured. That's why Shi Xi went to get the trophy, right?]

[Is there any meaning in talking about Shi Xi's fake identity all the time? Even a real daughter of a rich family would think that you're a busybody.]

[Haters are always so sour. Our Xi Xi won the Best Newcomer in Web Series of the Year, so it's no use being angry!]

[...]

Shi Xi's fans had already honed their big hearts.

Most of the people who scolded Shi Xi were jealous.

They ignored the anti-fans.

After receiving the award, Shi Xi gave a speech of thanks and walked off the stage with curved eyes.

Chu Yuan and Shi Xi got off the stage together and he even helped her lift her skirt.

[My XiYuan CP! Let's advance together, hand in hand, in a place filled with esteemed friends!]

[Chu Yuan and Shi Xi have always been good friends. Don't try to sow discord.]

[Chu Yuan and Shi Xi are sitting at the same table. Black fans, stop spreading rumors about their relationship.]

[...]

Shi Xi returned to her seat and sat down. Holding the trophy in her hand, she felt even happier.

Hehehe, the trophy was intact.

The awards ceremony continued.

With [The Overbearing School Bully Fell In Love With Me], Wen Yao won the Best Female Lead of the Year for web series.

It was only then that Shi Xi realized that the web drama she had just filmed was actually the runner-up of the year for the Time Awards web drama series. Moreover, it was already preparing to be aired on Apple TV during winter vacation.

Thinking of the awkward plot and lines in [The Overbearing School Bully Fell In Love With Me], Shi Xi scratched the ground with her toes.

Why would people like to watch this kind of drama!?

It could actually go up to the stars?

Oh my god!

Unlike Shi Xi's awkwardness, Wen Yao was very magnanimous as she walked onto the stage to receive her award.

As the lead actress of [The Overbearing School Bully Fell In Love With Me], Wen Yao undoubtedly benefited the most from the drama.

After knowing that [The Overbearing School Bully Fell In Love With Me] had made it onto the star charts, Shi Xi's fans were also elated.

[Xi Xi Zi on star dramas +1!]

[Who said Xi Xi only works in web dramas? She's already acted in two dramas that are on the stars!]

[Don't say anymore, someone's fans are about to jump.]

[They'll definitely say that it's not considered a star drama, right? Hahahaha, open your eyes and look at the world. Online dramas are still star dramas!]

[[The Overbearing School Bully Fell In Love With Me] has an average of over 100 million episodes, with a maximum of 320 million views per episode. It's the runner-up of the year's web series at Xun Teng. Isn't this better than some of the top-rated series?]

[Don't give a certain someone a look. I've never heard of a certain someone's drama that's popular.]

[Shi Xi's fans: Lacking in moral literature. Don't pay attention, don't give a look.]

Chapter 647 Sister Xi Is Awesome

The Time Awards came to an end.

However, the disputes between the fans had only just begun.

Shi Xi had won the Best Newcomer Award for Web Series. After she got off the stage, she took a photo with the award and posted on Weibo.

The fans' comments below had changed.

!!

[Congratulations, Xi Xi Zi, for your second drama that's going to the stars~ It's waiting to be broadcast on Apple TV~~]

[I'm looking forward to Shi Xi's [Energetic Girl]. It's going to be on the cinema chain soon! Ahwooh, I can see a new daughter again!]

[Shi Xi Xi's future is bright!]

[...]

Nan Wan watched the live broadcast and threw her phone in anger.

She turned on the television.

However, the TV was also showing the Time Awards.

Nan Wan smashed the remote control on the screen.

Why was Shi Xi everywhere?

Nan Wan found her spare phone and contacted her manager. "You can't even get a gala invite? Are there no jobs looking for me? She's about to join the crew, and there's no script for me? You're just going to let me lie at home?"

The manager was already used to hearing Nan Wan's complaints.

After listening, the manager said, "I've been in contact with a popular drama recently. It's about psychology. I'll send you the script."

novelusb.com

Nan Wan: "Hurry up and send me the script. What are you doing all day?"

The manager hung up the phone.

Nan Wan wanted to continue speaking, but her manager had already sent the script over.

A highly efficient manager.

After Nan Wan got the e-script, she took a picture with her phone and posted it on Weibo.

[@I'm putting on a mask and starting to read the script!]

[Wan Wan's joining the crew again? Big Sister is so fast!]

[I'm looking forward to Wan Wan's new drama!]

[Another star drama? [starry eyes].]

Nan Wan picked a reply: [It's a star drama. We're still discussing it.]

The fans were instantly happy.

On the other side, Xunteng released its annual summary.

The Annual Web Series Champion, [Meeting You In the Depths of Time.] Shi Xi and Lou Ruicong.

The Runner-Up for Web Series of the Year, [The Overbearing School Bully Fell In Love With Me.] Wen Yao, Yun Guanghe, and Shi Xi.

..

Following that, Xunteng released another Weibo post.

[[Meeting You In the Depths of Time] will be broadcast on five local satellite channels at the same time!]

After this Weibo post was posted, the fan circle was shocked.

[What the f*ck? It's not common for web dramas to be on the stars, but to be on five satellite channels at the same time, what the f*ck is going on?]

[Isn't this too terrifying? And they're all on the most popular satellite channels. Oh my god, isn't Shi Xi's life a little too good?]

[Shi Xi has only acted in three dramas, and all three of them are on the stars? There's still another movie to be aired? The movie is also in theaters. Sister Xi, you're awesome!]

[...]

Many of the people who spoke weren't even Shi Xi's fans.

However, this didn't stop them from admiring Shi Xi's operation.

Nan Wan's fans, who were originally happy, instantly became unhappy.

Nan Wan was still looking at the script, and they didn't know what drama it was!

Shi Xi's drama was already set to be a star drama!

This was the difference...

*

When Shi Xi saw the news, she was instantly shocked and called Han Chuan to report the good news.

"I know," Han Chuan said.

Shi Xi was even more puzzled. "Why are you so calm?"

"I already knew about it," Han Chuan replied.

He had already been happy.

"Ah? When did you find out?" Shi Xi was puzzled.

Han Chuan didn't want to explain. "Is there anything else?"

"I'm fine," Shi Xi replied obediently. "Thank you, Brother Han. I'm hanging up."

"Wait," Han Chuan said. "Ask Wen Yao out for a meal and thank her."

...

"Huh?"

Chapter 648 Parent-Child Variety Show

"Wen Yao helped a lot in the process of the online drama's popularity," Han Chuan said briefly.

Shi Xi thought of Chu Yuan's warning and asked, "Does Wen Yao have some connections with the people from the TV station?"

"She helped to introduce me to the upper star. I was busy with this a few weeks ago," Han Chuan said.

There were many applications and reviews in the process of getting online dramas to star, as well as building connections.

Kuai Xue was only a small entertainment company. Han Chuan was Shi Xi's manager and held many positions in Kuai Xue.

"Then why didn't you tell me?" Shi Xi asked.

Shouldn't he have told her in advance about such a good thing?

"The matter hasn't been settled yet, so I didn't inform you." Han Chuan thought that it was because there was no point in telling her, and she could not help.

"Thank you, Brother Han. If I'm treating Sister Yao Yao to a meal, do you want to come?" Shi Xi no longer felt conflicted and changed the topic.

“No, you guys go ahead,” Han Chuan said.

Unlike Lou Ruicong, Han Chuan trusted Shi Xi more.

After hanging up the phone, Han Chuan glanced at the introduction in front of him and said coldly, “Introduce yourself.”

“...”

novelusb.com

Kuai Xue Entertainment was an entertainment company that the Shi Corporation had founded for Shi Xi, and the entire company revolved around her.

Han Chuan found Lou Ruicong by chance and signed him.

Now that the company had too many offers and too few artists, Han Chuan thought of expanding the company and signing a few more artists.

Han Chuan was interviewing them when Shi Xi called.

*

Shi Xi planned to ask Wen Yao out for a meal, but Wen Yao had already returned to the set.

The matter of treating her to a meal could only be put on hold.

Zhu Lin handed Shi Xi an orange. “I didn’t expect Wen Yao to have such a powerful backer.”

Anyone who could get into the television station was not a simple person.

Shi Xi was peeling an orange. “She seems to come from a good family.”

“Then why did she ask you to lend her a gown?” Zhu Lin’s expression was complicated.

“The jewelry she wore back then was all made of bright jade. Even if her family has declined, she’s still better than ordinary people.” Shi Xi recalled the time when she first entered the industry and felt that she was lucky.

She had just entered the entertainment industry and she could already meet such a good crew and such a powerful female lead.

Just this point alone made her luckier than many newcomers in the entertainment industry.

Zhu Lin was even more emotional. “Did you see the dress she’s wearing today? That was the latest model of the season, and ordinary people don’t even have the right to buy it.”

Shi Xi had no interest in luxury goods and had spent almost all her money on movies.

She only had a little money saved up now that the movie had been released.

“By the way, did Brother Han arrange any jobs for me?” The thought of money made Shi Xi want to work.

If the movie failed, she would have to go back to school!

Before that, let's get more money first!

Zhu Lin opened the tablet, clicked on the schedule, and said, "There's a parent-child variety show to be recorded next week. You can be a flying guest for two episodes first. If the results are good, we'll talk about the long term."

"Parent-child variety show?" Shi Xi had a look of confusion on her face. "Have I fallen so low that I'm going on such a variety show?"

"The program team gave this price." Zhu Lin gestured a number.

All of Shi Xi's dissatisfaction disappeared in an instant. "Do I have to look for the child myself or do the program team have to prepare it?"

Zhu Lin was speechless.

The Shi Xi who would bend over for money was just too adorable.

Although Shi Xi didn't manage to get Wen Yao on a date, many people did.

After knowing that Shi Xi had won a Best Newcome Award, her friends in the industry congratulated her and wanted to hold a celebration party for her.

Shi Xi didn't want to be too high-profile, so she rejected all of them.

However, some people could be rejected.

And some she couldn't.

Chapter 649 Perhaps He's Meeting Some Shameful Friend

Shi Xi sighed when she saw Xie Yunzhou's car.

"Miss Shi, please get in the car." The assistant opened the car door and invited Shi Xi into the car.

Xie Yunzhou went straight to her door to find her.

Shi Xi couldn't even think of an excuse.

!!

She was going out to eat anyway.

"Do you know my schedule?" Shi Xi asked after they got into the car.

Otherwise, how could he appear at such a precise time every time?

He just happened to appear when she was fine.

Xie Yunzhou did not answer. "To Qingshui Restaurant. What do you want to eat?"

Shi Xi didn't stand on ceremony and started ordering. "Translucent beef slices and crispy steak."

Xie Yunzhou wasn't very likable, but the Qingshui Restaurant was innocent!

Qingshui Restaurant No. 1 yyds!

Xie Yunzhou sighed inwardly when he saw the girl's face still full of indifference after she had told him what she wanted to eat.

It was his sudden departure that had hurt Shi Xi.

But...

"Congratulations on winning the award. This is a gift for you." Xie Yunzhou handed her a bag and said, "Let's see if you like it."

Shi Xi looked at Burberry bag and could roughly guess what was inside.

As expected, it was a bag.

It was said that it could cure all diseases, but this method didn't work on Shi Xi.

Shi Xi glanced at the assistant in the seat in front of her and asked Xie Yunzhou, "The assistant chose it, didn't he?"

The assistant was speechless. How did Miss Shi know about this?

Wait, if Miss Shi already knew, why did she have to point it out?

Xie Yunzhou coughed. "It was my card."

Shi Xi placed her bag back into the bag. "If you want to apologize sincerely, you should prepare your own gift."

The assistant thought to himself, 'You might as well accept this bag.'

The boss had initially chosen a revolving crystal bluetooth music box.

Only high school students would give such things!

The assistant only dared to complain in his heart and did not dare to say it out loud.

"I'm sorry," Xie Yunzhou said apologetically. "It was my oversight. I'll personally prepare a gift for you next time."

Shi Xi's eyes curved.

She didn't really want any gifts.

She just wanted to see what Xie Yunzhou would give her.

Oh, it couldn't be something like a crystal ball, right?

When they arrived at the Qingshui Restaurant, Shi Xi saw a familiar face again.

"Sheng Yan? Are you alone?" Shi Xi greeted him.

"I came here with a friend." Sheng Yan was a little nervous, which was rare for him. He didn't even care about Xie Yunzhou. "I'm going to find my friend now. Talk to you next time."

After saying that, Sheng Yan went into the private room.

"What friend is he so nervous about?" Shi Xi asked curiously.

Xie Yunzhou didn't have a good impression of Shi Xi's ex-fiancé, so he said, "Maybe he's meeting some shameful friend."

Shi Xi was speechless.

"Don't worry about him, our dishes are about to be served." Xie Yunzhou did not think there was anything wrong with his words.

Before Shi Xi entered the private room, she took another look at Sheng Yan's room.

Even though it had nothing to do with her, Sheng Yan was the male lead! Ning Yu's future husband!

Who was he sneakily meeting here?

When Xie Yunzhou saw Shi Xi's expression, he suddenly asked, "What are you thinking about?"

"I'm thinking about the person he wants to meet," Shi Xi replied subconsciously.

"Your engagement with him has been called off. He is free to see whoever he wants to," Xie Yunzhou said, seemingly unconcerned.

"But he..." Shi Xi wanted to say that Sheng Yan was Ning Yu's official match, but she felt that it was unnecessary. "Forget it. Let's not care about him. Let's eat."

Xie Yunzhou studied Shi Xi's expression.

If she didn't have any feelings for Sheng Yan, did that mean she didn't like him anymore?

If that was the case, why did she still pay so much attention to Sheng Yan?

Chapter 650 Xie Yunzhou's Sudden Departure

Shi Xi didn't think too much about it. She had already ordered the food in the car. Now that the food was served, she began to eat without a care.

The food in Qingshui Restaurant was indeed more delicious than the food outside!

Compared to Shi Xi's appetite, Xie Yunzhou was a little apathetic.

Shi Xi had too many men by her side.

!!

Annoying.

Xie Yunzhou pursed his lips. His good mood from having a meal out with Shi Xi was instantly replaced by frustration.

He just wanted to find something to vent his anger and vent the displeasure in his heart.

“What’s wrong with you?” Shi Xi noticed that Xie Yunzhou had not touched his chopsticks, so she asked worriedly, “Is the company not going well?”

“Yes.” Xie Yunzhou loosened his tie and said, “I just remembered that I have something to do at the company, so I’ll be leaving first.”

“Ah?”

Xie Yunzhou stood up. “I’m sorry. I’ll keep you company next time.”

Shi Xi was confused.

What was going on?

Wasn’t he just fine just now?

With Xie Yunzhou’s sudden departure, Shi Xi lost her appetite.

Thinking about the change in his mood, Shi Xi recalled the mental drug in the first aid box in the seaside villa.

There was also Xie Yunzhou’s bedside psychology book.

Could it be that Xie Yunzhou had a mental illness?

Shi Xi kept guessing in her heart.

She picked up her phone and was about to call Xie Yunzhou.

Just as she was about to dial the number, Shi Xi deleted it again.

Xie Yunzhou had not told her, and had chosen to leave because he did not want her to know.

Shi Xi, who had no experience in relationships, couldn’t figure it out.

When she came out of the private room, Shi Xi saw Ning Yu, whom she had not seen in a long time.

“Sister?” Shi Xi’s eyes lit up.

Ning Yu was a divine doctor, she should be able to cure Xie Yunzhou.

Ning Yu was on the phone when she saw Shi Xi. She nodded slightly and walked past her.

Shi Xi was speechless.

As she watched Ning Yu exit the private room, Shi Xi suddenly recalled that it was the same room Sheng Yan had entered.

So, the friend Sheng Yan was talking about was Ning Yu?

In a place without her, the male and female lead’s plot was still ongoing!

Shi Xi decided that she would ask Ning Yu on WeChat later.

The female lead sister seemed to be very busy.

When they came out of the Qingshui Restaurant, Shi Xi sensed something and turned around.

“Why didn’t you get in the car?”

“I feel like someone is taking a picture of me.” Shi Xi’s gaze swept across the room and she smiled.

“Maybe it’s the paparazzi,”

In the darkness, a phone screen lit up, and Shi Xi’s photo was displayed on it.

They scrolled through the photo album and saw photos of Shi Xi from different angles. There was even a video.

The phone screen dimmed and returned to darkness.

..

When Shi Xi returned to the car, she recalled the name of the medicine she had seen before and started searching.

The search results made Shi Xi want to set up a grave for Xie Yunzhou immediately.

Sure enough, cancer was the first thing to be found online.

Seeing Shi Xi’s angry and frowning expression, Zhu Lin asked, “What’s wrong? Did President Xie make you angry again?”

Shi Xi hesitated. “No, I just don’t understand men.”

Zhu Lin nodded in agreement. “The hearts of rich men are all complicated. It’s normal that you can’t understand.”

Shi Xi thought, ‘Then Xie Yunzhou is too difficult to understand.’

It was hard to resist.

Zhu Lin picked up the Burberry bag and asked, “President Xie gave this to you? Can I take a look?”

“Go ahead.” Shi Xi didn’t care about that. She was thinking about whether she should ask a doctor.

However, she felt that this was not a good idea.

“Burberry’s New Year’s special. I don’t remember this bag being sold in China!” Zhu Lin, who knew more about luxury goods than Shi Xi, said in surprise, “There are only 200 of this model. Only the shops in M Country sell it!”
