

## The Fake 651

Chapter 651 This Money Was Spent In Vain

Zhu Lin touched the bag, her eyes full of envy. "President Xie is so good to you."

Shi Xi was speechless. Being Xie Yunzhou's assistant must have been tiring.

"Is this bag really that good?" No matter how Shi Xi looked at it, she felt that it was just an ordinary bag.

She couldn't understand the artistic sense in the bag.

"Of course! The meaning of this bag is to accompany you through every year in the future." Zhu Lin held her face, her eyes filled with infatuation. "How romantic."

"Romantic?" Shi Xi asked.

Wasn't it just a gimmick for the merchants to cut leeks, oh no, sell their goods?

For the time being, she would just take it that Xie Yunzhou had feelings for her.

Even though the assistant had bought it.

"Help me make an appointment with a psychologist," Shi Xi said.

"A psychologist?" Zhu Lin instantly walked out of the dreamy romance and said nervously, "Why are you suddenly asking for a psychologist? You can't take the criticism?"

"No, I just want to ask them a few questions. Just help me make an appointment," Shi Xi said.

"Is it really not because you can't take it?" Zhu Lin asked hesitantly.

"It's really not."

Zhu Lin made an appointment with the psychiatrist and said nervously, "Xi Xi, if you're really upset, you can go to a boxing club or somewhere to vent your emotions. Don't keep holding it in."

Zhu Lin had seen many cases of artistes having mental breakdowns in the industry and was afraid that Shi Xi might look strong on the surface, but her heart was fragile.

Shi Xi's head ached. "You're overthinking it. I'm just curious about a few things and I want to know more about them."

"Can't you ask them online?" Zhu Lin asked.

Shi Xi: "...Good idea."

Zhu Lin pushed her psychiatrist's WeChat to Shi Xi and said, "I said you're a friend of mine. Don't expose your identity."

After all, Shi Xi was an artiste.

Most psychologists would help their patients keep their secrets, but what if they happened to meet a doctor with a big mouth?

Shi Xi added the other party, transferred the money over, and began to ask her questions.

The psychiatrist wanted Shi Xi to describe more.

However, Shi Xi only knew about the medicine Xie Yunzhou had taken and the changes in his emotions.

That was all.

The psychiatrist replied, [His condition is too vague, but from your description, he's receiving treatment and is developing in a good direction.]

[What should I do then?]

[Don't expose him as a patient. Pretend you don't know. Get along with him and treat him normally. Those with mental illness are very sensitive and don't want to be treated specially.]

[Alright, thank you, doctor.]

All in all, he didn't want her to do anything.

This money was wasted.

Shi Xi leaned back in her chair, her mind in a mess.

Zhu Lin: "The official Weibo account of [Adventures of Adorable Babies] has already announced you. Remember to repost it on Weibo."

"Yes," Shi Xi replied. She picked up her phone and scrolled through Weibo.

No matter how hard life was, she had to earn money.

"Eh? Chu Yuan will also be participating?" When Shi Xi reposted the Weibo post, she saw that Chu Yuan was among the invited guests.

"Yup,"

Shi Xi was puzzled. "Isn't he filming? He's still going to take on a variety show when his hand is injured?"

"He seems to be in need of money recently. He's taking on activities while filming. I heard that it's because someone has something on him," Zhu Lin whispered.

"What's it?" Shi Xi asked.

Zhu Lin shook her head. "Who knows?"

Shi Xi reposted the post and looked at the enthusiastic likes from her fans. She picked a few familiar fans and replied.

Day after day.

It was too difficult.

Shi Xi took a closer look at the lineup and checked the other guests.

Chapter 652 Who Doesn't Want To Reap Without Sowing?

Half of the guests participating in [The Adventures of Adorable Babies] were artists who already had children and brought their children on the show.

The other half were single artistes like Shi Xi who was childless and had to take care of children in a hurry. It was a stark contrast to married artistes.

Shi Xi watched the previous two episodes of [The Adventures of Adorable Babies] at triple speed and asked Zhu Lin, "Can't you just let me take on a normal variety show? For example, a variety show that can make money by lying down?"

Zhu Lin: ?

Zhu Lin was speechless when she heard Shi Xi's words.

A variety show that can earn money while lying down?

Are you dreaming?

"I'll let Brother Han know," Zhu Lin said.

Let Brother Han see Xi Xi's unprofessional moment!

Shi Xi leaned back in her chair. "The movie is over. I'm almost done resting. You can help me get the scripts now."

"Brother Han is currently looking at some scripts, but most of them are second-hand scripts. He's still in the midst of negotiation." Zhu Lin thought for a moment. "What kind of script does Xi Xi want to act in next?"

Speaking of this, Shi Xi seemed to be deep in thought. "It'd be best if it's not too tiring and don't need to wake up early or sleep late."

Other people's work was 996, but hers was totally 007!

Zhu Lin nodded in agreement and wrote down Shi Xi's request on her tablet.

She wanted to continue resting.

Shi Xi: Who doesn't want to reap without sowing?

..

After the news of Shi Xi participating in [The Adventures of Adorable Babies] was released, there were many different opinions on the internet.

[Is Shi Xi going to develop into a variety star? Variety shows continue without the production team?]

[She's just a little girl who can't stand hardship. Isn't it more profitable for her to go on variety shows and sell her character than to work hard and film?]

[Didn't you see Shi Xi's three star dramas? Didn't you see it when you were killing a gangster at the film set? You can interpret so much meaning just by taking a break from two variety shows? The black fans really think too much.]

[[Meeting You In the Depths of Time] is the annual champion of the online drama series, and [Energetic Girl] is about to be released. Do you want Shi Xi to stay in the production team for a year? The black fans are really stricter with Shi Xi than fans.]

[When did Shi Xi's variety shows have an easy time? When she was in the wilderness, she didn't eat for a day and walked in slippers the whole day. You call that relaxing?]

[What a joke. Shi Xi is earning millions a day, and her fans are even empathizing with her.]

[When you're helping Shi Xi, you'd better think about how much money you're making and how much Shi Xi is making! And your heart aches for Shi Xi? Feel bad for yourself! ]

[We're different from the black fans. The anti-fans will only be jealous when they see Shi Xi making money. We will think that our daughter is worth it!]

[...]

The battle between the fans and the haters continued.

Any incident that involved Shi Xi would not end easily.

Just as the pink and black hair-pulling flower was about to end, someone suddenly pulled Chu Yuan.

[Why do you keep talking about Shi Xi? Why didn't they mention that Chu Yuan had been on variety shows recently? He has to take time out to give awards and appear on variety shows even when he's filming. Is he so poor that he's gone crazy?]

Chu Yuan's fans were not as gentle as Shi Xi's fans.

Chu Yuan's fans exploded as soon as the doubts were voiced.

[Our Brother Chu is a double Best Actor, the male lead of Director Jiang, and the total box office sales of the movie are over 10 billion. Do you think he needs you to point fingers at him?]

[Chu Yuan became the male lead of a star drama and the ratings broke 4.5. The box office hit 1 billion on his first movie, and he's made 6 movies as a male lead. Do you have the right to question these achievements?]

[Ha? Why can't Chu Yuan go on variety shows? Only popular idols who have no good looks or good acting skills are allowed on variety shows?]

[Why doesn't Shi Xi have good looks and acting skills? This beautiful goddess got famous because of her face. She's the Best Female Lead in Xunteng web drama.]

[I'm dying of laughter. She's just a web drama shooter who landed on the moon to scam our Brother Chu.]

Chapter 653 Bad Woman! Vixen! Check Out the Gun!

Chu Yuan's fans felt that they were superior to others and would never admit that Chu Yuan had taken on variety shows to earn money.

However, Chu Yuan just had to keep taking on bad work.

The fans could only use 'it's not shabby to earn money' to wash the floor.

After all, Chu Yuan was injured and had to participate in a variety show.

!!

\*

As the president of Shi Xi's fan club, Ji Yin saw that the situation was getting worse, so she immediately ordered them not to provoke Chu Yuan's fans.

Chu Yuan was a senior in the industry. If Shi Xi wanted to survive in the film industry, it would be best not to offend him.

Shi Xi and Chu Yuan happened to be participating in the new variety show, [The Adventures of Adorable Babies] so neither of the two families' fans liked the other.

Chu Yuan's fans felt that Shi Xi was just a green tea female artiste who freeloaded on traffic.

Shi Xi's fans felt that Chu Yuan was just a sanctimonious male artiste who might go berserk one day.

It was a world where only XiYuan fans were happy.

[Xi Xi and Yuan Yuan are going to be on the same variety show again!]

[Ah, I can see them taking care of the baby together! Have a family of three! A family portrait!]

**novelusb.com**

[Love before XiYuan, the world is the sweetest!]

[As long as you drink XiYuan, we'll be good friends~]

The existence of the CP's fans made the fans of the two companies start to promote variety shows in tacit agreement and stop the conflict.

So annoying, who would want to be a CP like this?

The entertainment industry's warm and gentle senior movie king x beautiful, sweet voice, new flower...

It was a character set that no one liked hundreds of years ago!

No matter what the fans thought, [The Adventures of Adorable Babies] was about to officially start recording.

On the day of recording.

As soon as Shi Xi got out of the car, a little boy rushed out with a water gun in his hand and aimed it at her.

"Bad woman!" The little boy shouted. "Vixen! Look at my gun! Pew pew pew!"

Zhu Lin was holding an umbrella, which was just enough to block a portion of the water.

When the little boy saw that Zhu Lin was holding up the umbrella, he aimed at Shi Xi's pants and fired.

The water gun was filled with diluted red ink, and Shi Xi's pants were instantly stained.

Shi Xi took two steps back.

The driver, Xiao Tian, got out of the car and strode forward. She picked up the little boy by the back of his collar and snatched his water gun away. "What are you doing?!"

When the little boy saw that the water gun had been snatched away, he instantly burst into tears. "Boohoo, adults are bullying children! Wuwuwu, an adult hit a child! Help!"

Xiao Tian had never encountered such a situation before. She said in a panic, "What are you talking about? I didn't hit you!"

She just picked up the little boy.

Zhu Lin closed her umbrella and looked at Shi Xi worriedly. "How are you? Is the water corrosive?"

"It should be just normal water." Shi Xi frowned. "I'm going back to the car to change my clothes."

In order to deal with emergencies, the nanny van would always have spare clothes prepared.

Zhu Lin looked at the situation in front of her and had a headache. "You're so young. Why are you so naughty? Where are the adults in your family?"

The little boy continued to wipe his tears and glared at his feet in the air. "Wuwuwu, the adults are bullying the children!!"

Zhu Lin looked at the camera representatives and fans not far away and said to Xiao Tian, "Let him down first."

After the little boy landed safely on the ground, he stretched out his hand and said, "My gun! Give it back to me!"

"I won't." Xiao Tian didn't want to see Shi Xi's clothes get dirty again after she changed.

"Wahhhhhhhh! The adults are bullying the children!" The little boy began to cry again.

Zhu Lin was annoyed. She interrupted him. "I can give it back to you. But first, tell me, where are your parents?"

The little boy: "Wuwuwuwu!"

Xiao Tian couldn't stand the soundwave attack, so she emptied the water gun and returned it to the little boy.

Human cubs are too noisy, aren't they?

The little boy took the gun and ran away.

Chapter 654 An Cheng

"Where's the kid?" Shi Xi asked after changing her clothes.

Zhu Lin touched her nose. "He ran away."

“Forget it. Let’s go to the recording studio first. Maybe he’s the cute baby that’s recording today.” Shi Xi didn’t want to argue with a child.

She wanted to make a fuss and teach this kind of naughty child a lesson.

!!

However, if she really did that and word got out, her reputation would be completely ruined.

Ai.

Shi Xi could only hope that this child was not the cute child in [The Adventures of Adorable Babies].

Adorable baby?

It was more like a bear baby!

When they arrived at the recording point, Shi Xi saw that many people had already arrived.

Fortunately, Shi Xi had arrived early. Even though she had changed her clothes in the middle of the day, she was not late.

“Hello, Teacher Chu Yuan.” Shi Xi greeted Chu Yuan, who she was most familiar with, and asked, “How’s your hand? Does it still hurt?”

Chu Yuan rubbed his wrist. “I’m fine.”

In their line of work, it was normal for them to be injured.

“Where do you get the children who participate in the variety show from?” Shi Xi asked in a low voice.

***novelusb.com***

Chu Yuan was speechless. “Get?”

Why did this word sound so indecent?

“They’re child stars that their parents are preparing to nurture. There are also some parents who are artistes and have sent their children in,” Chu Yuan said a few simple words before he took out a few lollipops from his pocket and handed them to Shi Xi.

“Thank you, Teacher Chu Yuan.” Shi Xi took one and unwrapped the wrapper.

It was so sweet!

“Take them all,” Chu Yuan said.

“I can’t eat that much.” When Shi Xi saw so many lollipops, she was a little overwhelmed by the favor.

“This is for children. If the child is crying, use this to comfort them,” Chu Yuan said helplessly.

Shi Xi’s eyes lit up. “Mr. Chu Yuan is so smart!”

Chu Yuan chuckled. “I’ll give them all to you. I still have candy in my pocket.”

There were a total of four groups in [The Adventures of Adorable Babies], and two of the artistes had brought their children to the show.

Shi Xi and Chu Yuan had to draw lots to pick the children they needed to bring.

Chu Yuan had drawn a cute little girl in a doll dress.

The little girl's black grape-sized eyes were clear and bright, with the unique innocence and cuteness of human kids. She was wearing a pink dress and pink fox ears. She had a fluffy pink fox tail behind her and was holding a small doll in her arms.

She was simply like a doll!

Shi Xi was envious.

It was so cute!

Chu Yuan walked to the little girl, squatted down, and spoke to her softly.

They looked very harmonious.

Tears of envy trickled down the corners of Shi Xi's lips.

"Do you want to bring her along?" Chu Yuan asked as he looked at Shi Xi.

Shi Xi immediately nodded her head vigorously.

"No," the program team replied.

Shi Xi: "..."

When it was time for Shi Xi to draw lots, she prayed in her heart that it would not be the bear child who had shot her with the water gun.

The revolving door opened, and a little boy with big eyes and curly hair walked in with a rose in his arms.

Shi Xi heaved a sigh of relief.

It wasn't the water gun bear baby!

That was great!

The curly-haired handsome boy handed the flowers to Shi Xi. "My princess."

"Thank you~" Shi Xi squatted down and took the flowers. In an instant, she no longer envied Chu Yuan.

What a cute little knight!

"Hello, Sister Shi Xi. I'm An Cheng. You can call me Cheng Cheng." When An Cheng saw Shi Xi accept the flowers, he smiled shyly.

"Thank you, Cheng Cheng!" Shi Xi hugged An Cheng. "Why are you so obedient? You're so cute!"

An Cheng said in a childish voice that he thought was mature, "Sister Shi Xi is the cutest person!"

Shi Xi's little heart was struck.

Human cubs are so cute!

Chapter 655 Gatlin Bubble Machine

It was infuriating to compare.

They were so cute that she could explode.

Initially, Shi Xi didn't really like variety shows with children. However, after seeing the two adorable children, her heart instantly melted.

This was the correct way to open a human baby!

!!

[Wow! What a cute little boy! I really want to hug!]

[He even prepared roses for Xi Xi. It's so warm.]

[Thank you, handsome and polite little knight~]

An Cheng was not only polite and cute, but he was also very hands-on.

[The Adventures of Adorable Babies] was said to be an adventure, but in fact, it was an artiste taking their children to various places to play.

For example, the task that Chu Yuan received was to take the child to the amusement park. In the middle, he had to do all kinds of small tasks, such as obtaining snacks, lunch, fruits, and so on.

The mission that Shi Xi had received was to bring An Cheng to Ocean Park.

"We have to go see the merfolk show first." Shi Xi held An Cheng's hand and asked gently, "Cheng Cheng, have you ever heard of the fairy tale of the mermaid princess?"

An Cheng nodded. "I've heard of it."

When Shi Xi saw a stall selling all sorts of toys by the roadside, she took the initiative to ask, "Cheng Cheng, what do you want?"

novelusb.com

An Cheng looked at the toys, his eyes full of love, but he restrained himself. "Nothing."

So obedient!

Shi Xi ruffled the little boy's head and said, "I'll give you this sword, okay?"

The little boy was a little hesitant. "Mommy said I can't take things from others."

"You'll record with me. I'll give you a toy." Shi Xi bought the toy lightsaber and passed it to An Cheng.

No matter how cute and sensible he was, he was still a child and had no resistance to toys.

After getting the toy lightsaber, press the button, and the blade would light up with a special sound.

Holding the sword, An Cheng looked more like a Knight.

Shi Xi bought another gatling water bubble machine and fired bubbles as she ran.

Under the sunlight, the transparent bubbles became colorful and looked very dreamy.

[Our daughter is so beautiful! So cute!]

[A little kid bringing her little brother out on a trip. Both of them are so nice!]

[Xi Xi is still a little kid!]

[I'm dying of laughter. Could it be that Xi Xi wants to buy a toy but is too embarrassed to do so, so she's using it as an excuse to buy a toy for the little boy?]

After the two children watched the merfolk show, they went to feed the dolphins.

It was An Cheng's first time seeing a dolphin. He was very scared and didn't dare to feed it.

Shi Xi thought, 'It's a simple task for adults, but it's very difficult for children.'

No wonder this show was called [The Adventures of Adorable Babies].

An Cheng held back his tears and fed the dolphin. After realizing that the dolphin wouldn't hurt him, he boldly touched it.

The next step was to take a photo with the penguins.

Shi Xi was afraid that An Cheng would catch a cold, so she gave him two cotton jackets and even put on a tiger head hat, only revealing his eyes.

It was very cute.

After they were done, Shi Xi took An Cheng to the drifting boat.

However, the boat was out of control in the water and hit the shore. An Cheng's knee was slightly injured.

Shi Xi's heart ached as she blew on the bandage for him. "Does it hurt?" she asked.

"It doesn't hurt." An Cheng sniffled, tears falling as he denied it.

"Let's go eat ice cream, okay?" Shi Xi coaxed the little boy.

An Cheng nodded.

The two children were eating ice cream, one more healthier than the other.

It was milky and sweet.

After the show ended, Shi Xi was still thinking that the variety show was not bad.

"If there's a similar program looking for me next time, I can take it," Shi Xi said to Zhu Lin.

Zhu Lin was speechless.

After the episode of [The Adventures of Adorable Babies] that Shi Xi had participated in was aired, the number of views quickly surpassed the previous episodes.

And it was still growing.

Chapter 656 My Mother Doesn't Want Me Anymore, Be My Mother

No one would dislike gentle girls.

Shi Xi's gentleness toward An Cheng won her a lot of good feelings from passers-by.

At this moment, a Weibo video was posted.

It was a picture of a little boy who came to look for Shi Xi after she got out of the car. He was then picked up by Xiao Tian and lectured.

The negative news about Shi Xi immediately became the top trending topic.

The passers-by were instantly displeased when such negative news broke out as soon as Shi Xi appeared on [The Adventures of Adorable Babies].

[Shi Xi doesn't like children at all. She's just trying to build her character in the show, right?]

[Three adults are bullying a child. Do you have any shame?]

[I didn't expect Shi Xi to be such a person...]

In an instant, rumors spread.

Zhu Lin looked at the video and said angrily, "It was clearly that child who shot you with the water gun first!"

Shi Xi was also very angry. "Who shot this video? Why do I look so short in the photo?"

novelusb.com

Zhu Lin was speechless.

Aren't you focusing on the wrong thing?

"Also," Zhu Lin said unwillingly, "we didn't teach that brat a lesson at all. We just picked him up."

"Who's so bored to be staring at me every day?" Shi Xi frowned in confusion.

Who did she offend and whose path was she in?

"All three of your shows are on the stars. The paparazzi are probably following you every day." Zhu Lin watched the video again and said, "I'll go ask the station that day if they have the entire video."

"There's a dashcam in the car. You can go directly to Xiao Tian and see if you can get all the videos," Shi Xi said.

"Alright," she said.

Shi Xi watched the video again and said, "If I really got angry that day, or scolded that child in a fit of anger..."

Zhu Lin paused, and a chill ran down her spine. "You're saying that someone deliberately made that brat splash water on you just to film this video?"

Shi Xi nodded. "We can't rule out that possibility."

"This is too sinister!" Zhu Lin tried her best to recall. "We didn't do anything to that brat that day, did we?"

"He ran away before I could do it." Shi Xi leaned back on the sofa. "Let's find the complete video first."

Zhu Lin contacted Xiao Tian and complained, "Isn't this kind of person living an unhappy life? They even found a child to frame you! It's so disgusting!"

Fortunately, the car's driving recorder had recorded it, and Zhu Lin sent the complete video of the entire process.

[@Shi Xi's Starlight House: The video is as follows. We didn't do anything to 'teach' the little boy a lesson. We only stopped his inappropriate behavior.]

[As for the boy dirtying the clothes, after some discussion, Shi Xi said that there's no need for compensation.]

[After watching the video, it's the brat's fault! Xi Xi isn't someone who acts one way on the surface and does another behind her back.]

[Who doesn't like cute little boys? I'll kick one of these brats to death.]

[If it were me, I'd like little angel An Cheng too. I'm annoyed just by looking at this kind of naughty child!]

[...]

After the entire video was broadcasted, the entire situation was reversed and Shi Xi's innocence was successfully cleared.

Another anti-fan popped up. [Shi Xi deliberately bought this kind of hot search to attract attention, right?]

[How did she clear things up so quickly? It's as if everything was arranged.]

[Isn't it good to clarify things quickly? It means that Xi Xi has no black spots to begin with!]

[Haters, you're really interesting. Both the truth and the irony have been spoken by you.]

Even though this incident didn't blow up, the program team of [The Adventures of Adorable Babies] didn't continue to invite Shi Xi.

Since she didn't have any work for the next few days, Shi Xi decided to go home and rest for two days.

As soon as she got out of the car, Shi Xi saw a child sitting at the entrance.

## Chapter 657 Being a Mother Without Pain? I Don't Want To Be Your Mother!

Shi Xi's memory had always been good, so she instantly recalled that this was the brat who had splashed water on her previously.

The brat who had just sent her to the hot search. How could Shi Xi possibly forget?

"What are you doing here?" Shi Xi stared at the brat cautiously, afraid that he would splash water at her again.

"My mother doesn't want me anymore." The devilish brat's eyes turned red, and he pouted his lips, preparing to cry.

"Don't cry, don't cry!" Afraid of the brat, Shi Xi looked around carefully for the camera. "Where's your mother? I'll take you to your mother, okay?"

The brat sobbed. "My mother asked me to... Asked me to get lost."

Shi Xi looked around and didn't find any surveillance cameras. Feeling helpless, she said gently, "What about your father? I'll take you to your father."

The brat shook his head. "I can't find my father."

"Where do you live?" Shi Xi asked.

"There's no one at home." The brat looked at Shi Xi with teary eyes. "My mother doesn't want me anymore. Can you be my mother?"

Shi Xi was speechless.

Painless mother?

I still don't want to be your mother!

"Big sister is not married yet, so she can't be a mother." The corners of Shi Xi's mouth twitched. "I'll send you to the police station. Can you ask the police for help?"

novelusb.com

"No!" The brat immediately refused, "Mommy will be angry!"

Shi Xi: You're really thoughtful. Why don't you consider if I'll be angry?

Gugugugu-

"What's that sound?" Shi Xi asked subconsciously.

"I'm hungry." The devilish brat raised his head. "I haven't eaten yet."

Looking at the door in front of her, Shi Xi said, "I'll take you to my house to eat something. You're not allowed to talk nonsense and be rude, do you understand?"

The devilish brat nodded. "Alright."

It was only then that Shi Xi realized that the brat had delicate features and was even more handsome than An Cheng.

But he was too naughty.

After walking through the door, Mother Shi saw the brat and asked in surprise, "Whose child is this?"

"I picked him up at the door," Shi Xi replied.

Mother Shi was speechless.

The brat was polite and well-behaved. "Hello, Auntie. My name is Jia Mu. 'Jia' meaning 'reward' and 'Mu' meaning 'envy'."

"Good boy," Mother Shi praised.

Shi Xi was speechless.

Obedient?

Would an obedient child shoot her with a water gun?

However, it was only then that Shi Xi realized that the brat's name was Jia Mu.

It sounded elegant, but why didn't it sound like a human name?

Shi Xi got the nanny to prepare Jia Mu's dinner. She also told Mother Shi that the kid had run away from home and asked her to send Jia Mu to the police station later.

She had wanted to send Jia Mu to the police station herself.

However, she was afraid that if she was photographed, there would be all kinds of speculations.

"Why did Jia Mu run away from home?" Mother Shi was a mother herself and she doted on her children. She could not understand why children would run away from home.

"Dad and Mom don't want me anymore." Jia Mu pursed his lips and was about to cry again.

"Don't cry, don't cry," Mother Shi coaxed Jia Mu and asked, "Do you remember Mom or Dad's phone number?"

"Yes." Jia Mu showed his child's watch. "I have Mom and Dad's numbers saved in it."

Shi Xi was speechless. It was actually that simple?

"Make a call. Don't let your family worry." Shi Xi was eating the strawberries on the table.

It was sweet and sour. It was delicious.

"I don't want to fight," Jia Mu said, feeling aggrieved.

"Are you afraid that Mom will scold you? I'll do it." As Mother Shi was making the call, she said, "Mom must have said it in a fit of anger. She might be looking for you right now."

However, after the call was made, it rang twice before being hung up.

Shi Xi + Mother Shi: ???

Chapter 658 I Can Only Let You Be My Mother

Shi Xi was so shocked that she forgot to eat her strawberries. "You don't even pick up your own child's phone?"

"Maybe she pressed the wrong button." Mother Shi looked at the number on the screen and dialed it with her own phone.

The call was picked up very quickly. It was a young woman's voice. "Hello?"

"Are you Jia Mu's mother?" Mother Shi asked on the loudspeaker.

"I don't want this child anymore," the young woman said coldly. "Whoever wants him can have him!"

The young woman hung up the phone.

Shi Xi + Mother Shi: ?

Watching as Jia Mu plopped down on the sofa, Mother Shi regretted turning on the speaker. "Don't cry, Jia Mu. She's just angry. She'll come and pick you up once she's done."

When Shi Xi recalled how the brat had splashed water on her, she thought to herself that the mother must have been annoyed to the point of losing her child.

But why did she throw him to her?

Shi Xi was puzzled.

"Ask his father," Shi Xi said.

Men should be more tolerant of their sons.

However, Jia Mu's father's phone was off, and they couldn't get through.

He could not be contacted.

"Do you know where you live?" Mother Shi asked, unwilling to give up.

Jia Mu: "I live in Yanjing's Haiqian District, 1103, Block 5, Shun'an Road."

Shi Xi was munching on a strawberry. "Yanjing? Are you sending him over overnight?"

The flight from Feng City to Yanjing took two to three hours, and it was hard to tell when they would leave even if they bought the tickets now.

"He's probably here to play. Then, why don't you stay over at Auntie's house for today?" Mother Shi guessed. "I'll have a good chat with your mother tomorrow, okay?"

"Thank you, Auntie."

Shi Xi looked at the brat who was suddenly so polite and felt a little uncomfortable.

Why did this brat suddenly become so sensible that it made one's heart ache?

Sure enough, some children with bad tempers could easily arouse the overflowing maternal love of women.

Shi Xi took the strawberries away. "Mom, I'm going back to my room to rest."

Jia Mu immediately stood up and followed Shi Xi. "You don't want me anymore too?"

Shi Xi was speechless.

I'm not your mother!

"I'm just going to take a bath. Eat first. Be good." Shi Xi stuffed a strawberry into Jia Mu's hand.

Jia Mu could only listen and follow Mother Shi to wash his hands and face.

They didn't know how long he had been crying outside, but there were tear stains on his face.

Even so, he was still very handsome.

There was no justice.

Shi Xi didn't take this matter to heart. After taking a shower, she came downstairs in her pajamas.

Shi Xu had just gotten off work. When he saw Shi Xi, he smiled. "It's been a long time since you've been home."

"I was busy a while ago." When Shi Xi walked down the stairs, she was hugged by Jia Mu.

Jia Mu hugged Shi Xi's leg and looked at her warily. "Mommy, who is he?"

Shi Xi: ?!

Shi Xu: ??!

"You were busy giving birth?" Shi Xu looked at the little boy in front of him and was instantly shocked.

Shi Xi pushed Jia Mu away and said seriously, "Give birth my ass! This isn't my child! Don't shout!"

He called them "Mom," and "Auntie Shi."

Wasn't this a mess?

Jia Mu felt wronged. "But my mother doesn't want me anymore, so I can only let you be my mother."

"What kind of logic is that?" Shi Xi couldn't get through to this child, so she looked at Shi Xu and explained, "This is a child I picked up at the entrance. He's not my son!"

Shi Xu's heartbeat calmed down. "This child looks to be at least three or four years old. At that time, you were only in junior high. You didn't have the time to get pregnant."

Shi Xi: "..."

"Be good, Jia Mu. Call me big sister, not mommy." Shi Xi squatted down. "Otherwise, Big Sister will be angry."

“Okay, Mom.”

Chapter 659 I Don't Sleep With Men

Shi Xi: “...”

Jia Mu tugged at Shi Xi's clothes and asked warily, “You still haven't told me who this man is.”

“This is my brother, not my boyfriend.” Shi Xi felt that this little brat was quite thoughtful despite his young age.

“Hello, Uncle.” When Jia Mu heard that Shi Xu was Shi Xi's relative, he let down his guard.

!!

“You're calling my mom 'Auntie' and my brother 'Uncle',” Shi Xi mumbled softly. “You're really a mess of seniority.”

Jia Mu looked up and asked Shi Xi, “Mommy, what did you say?”

“I said, if you call me mom again, I'll throw you out!” Shi Xi picked up Jia Mu by the back of his collar and carried him to the sofa. “Call me Big Sister, not Mommy!”

Jia Mu pouted. “But if you don't become my mother, I won't have a mother anymore.”

After so many twists and turns, he had returned to the starting point.

“Who's his mother?” Shi Xu asked.

“I don't know, she's quite fierce.” Shi Xi was already tired. “Let's eat and rest first. We'll look for his mother tomorrow.”

It was so f\*cking annoying.

Mother Shi loved and pampered children, so she found her son's childhood clothes and gave them to Jia Mu to change into.

Jia Mu adapted to the new environment very quickly and quickly understood the relationship. “Thank you, Grandma.”

“Aiya, our Jia Mu is really a handsome little boy. If only I had a grandson like him.” As she spoke, Mother Shi looked at Shi Xu with a thoughtful expression.

“I still have work to do,” Shi Xu replied.

Of the thirty-six stratagems, running was the best.

When Shi Xi thought of the brat's past, she thought to herself that if she really had such a grandson, she would definitely be annoyed to death.

Just as Shi Xi was about to fall asleep, there was a knock on the door.

The sound of knocking came from below the door. At that height, it was either a child or someone knocking with their knees.

Shi Xi took off her eye mask. "Come in."

Jia Mu came in wearing his pajamas. "Mommy, I'm scared to sleep alone."

"First, I'm not your mother." Shi Xi sat up helplessly. "Secondly, you're already a young man. What's there to be afraid of?"

He even dared to shoot her with a water gun.

Now, he was afraid of sleeping alone?

Shi Xi couldn't believe it.

Jia Mu stood helplessly by Shi Xi's bed.

Shi Xi wanted to chase Jia Mu out, but when she saw the little handsome boy's teary eyes, she couldn't bear to do it.

She was too kind.

Shi Xi stood up. "Let's go to your room. I'll tell you a bedtime story."

When they reached the guest room, Jia Mu climbed onto the bed and lifted the blanket. "Mommy, come up too."

"I don't sleep with men," Shi Xi declined politely. She took out a fairy tale from her phone and said, "Once upon a time, there was a girl called Cinderella..."

"I want to hear the story of the mermaid princess." Jia Mu looked at Shi Xi.

Shi Xi thought to herself, 'This brat is so troublesome.' She returned to searching for the mermaid princess' fairy tale.

Afraid that the child would cry, Shi Xi had changed the ending.

"..The Little Mermaid had become an angel and could play happily in the clouds forever."

"Didn't the Little Mermaid die and turn into bubbles?" Jia Mu asked, puzzled.

Shi Xi: & ¥ #%...!

Why did she have to take care of this brat's feelings?

"No, the Little Mermaid has become an angel." Shi Xi didn't want to go along with the brat and said, "I'm done with the fairy tale. Go to sleep."

Jia Mu pulled the blanket up to his nose, only revealing a pair of pitiful deer-like eyes.

Shi Xi felt helpless. "Then, I'll sing you a lullaby, okay?"

"Mommy, sleep with me, okay?" Jia Mu asked boldly.

Shi Xi was speechless.

Three minutes later, Shi Xi knocked on a door.

Shi Xi carried Jia Mu and handed him over to Shi Xu. "I'll leave him to you. He can't sleep on his own."

Chapter 660 [Sky Blue]

After throwing Jia Mu to her brother, Shi Xi finally had a good night's sleep.

The next morning, Han Chuan came to see Shi Xi.

"There's a script for a female lead that's looking for you. I'll go with you for the interview today." The fact that Han Chuan had come to pick Shi Xi up in person meant that the production this time was not small.

"What kind of script is it?" Shi Xi asked while eating her porridge.

"It's a professional urban drama produced by Hai Le," Han Chuan explained briefly. "The female lead is a psychologist, and the male lead is a mechanic."

"A mechanic?" Shi Xi was puzzled.

"He's actually a rich second-generation racer who ran away from home and loves racing," Han Chuan added.

Shi Xi was speechless.

As expected, ordinary people were not worthy of being in love.

As they were talking, Jia Mu came down from upstairs while rubbing his eyes. "Mommy, I can't find my toothbrush."

Han Chuan was shocked.

What did this kid call Shi Xi?

Shi Xi couldn't be bothered to correct him and asked the nanny to take Jia Mu to wash up.

"When did you have a son?" Han Chuan's face, which had always been calm, showed a rare look of shock.

The artiste that he had always been assured of actually had a child?

Wasn't this even more suffocating than being in love?

"Did he get the wrong person?" Han Chuan was shocked for a few seconds and immediately started to analyze. "That child looks a few years old. He can't be your child."

Shi Xi wanted to tease him and said deliberately, "His father is divorced. I'm going to marry his father and be his stepmother."

Han Chuan was speechless.

"Who's his father? Is it President Xie?" Han Chuan guessed.

"What does it have to do with him?" Shi Xi mumbled softly and finally said out of kindness, "I was just joking. This is a child I picked up. I'm going to send him home."

“Shi Xi, don’t make such a joke. I can’t stand this,” Han Chuan said as he sat down and clutched his chest.

He watched as Shi Xi went from an 18th-tier actress to a C-list actress. Now that she had produced three star dramas, she was about to stand firm in her position as a B-list actress.

If the building collapsed, all their previous efforts would be in vain.

“There’s a lot of professional vocabulary in this script,” Shi Xi said after taking a look at the script.

“It’s a professional drama, so we hired a professional psychologist to polish the plot in the middle. We’ll pick a few lines from the middle. Try to memorize as much as you can,” Han Chuan said.

Shi Xi’s head began to hurt as she read the long explanation of the terms.

She had a good memory, but that didn’t mean she liked to memorize these boring things.

“Oh, that’s right. Send that child away as soon as possible. Don’t cause any trouble,” Han Chuan said seriously.

“I know.” What trouble could he cause?

She had no relationship with this child, so how could the news report anything?

To be safe, Shi Xi asked Mother Shi to send the child home.

His parents would definitely be worried if such a young child was lost.

Right?

Thinking back to the phone call last night, Shi Xi wasn’t too sure.

Anyway, this was other people’s family matter, so she didn’t care.

Han Chuan brought Shi Xi to the office building where the interview would be held.

On the waiting chairs, there were many beautiful women.

There were at least a hundred people as far as the eye could see.

Han Chuan helped Shi Xi get a number plate for the interview and said, “This is your number. When you’re called, you can go in for the interview.”

“These are all here for the interview? So many people?” Shi Xi’s eyes were filled with surprise as she held the number plate of 1689.

“[Sky Blue] is a big production,” Han Chuan said lightly. “This is just a group of people who came for the interview.”

A dark mass of beautiful women was just one of them?

Shi Xi was shocked.

Han Chuan was not surprised. "How many people are there? If it's a film audition for amateurs, there will be more people coming for the audition."

"It really isn't easy." Shi Xi sighed with emotion.
