

## The Fake 691

Chapter 691 You Guys Aren't That Popular, Are You?

Pei Jie's emotions were complicated as he watched the news on Weibo jump.

He used to have a lot of fans on Weibo, but they slowly left.

Now, he had even more fans.

Shi Xi's message box fell from the top.

Pei Jie was speechless.

Why was Teacher Shi Xi looking for him?

Did he say something wrong just now?

Shi Xi: [Don't mind the comments online. As fans, they might be more aggressive in their comments. Just block them and block them.]

Pei Jie heaved a sigh of relief and replied, [It's my fans who are too aggressive. I'm sorry to have troubled you.]

After all, Shi Xi was his mentor, although he didn't stay there for long.

Shi Xi replied, [It's fine, it's fine. Don't take it to heart~ Also, you can record the unlocked voice chat and send it to your official Weibo. The official Weibo account said that they couldn't contact your agent, so they put Lou Lou's account first.]

Pei Jie sighed. [Okay.]

His manager had never cared about him. He would ignore any jobs that came to him.

[By the way, I've received an advertisement for [Endless Joy] on Friday. Did you get it?]

Pei Jie replied, [No.]

[Endless Joy] was a very popular variety show on Apple TV. Only very popular artistes would be invited to participate.

[Ah? The program team has invited you. Why don't you ask your manager?]

[Alright, thank you, Teacher Shi Xi.]

After the chat, Pei Jie went to ask his manager.

"The fee was too low, so I rejected it!" the manager said fiercely.

"But I think it's good as long as there's exposure. It's fine if there's less money," Pei Jie said.

"Are you a manager?" The manager was displeased. "Do you know how to become popular in the entertainment industry?"

"Do you think you're famous just because you're the male lead of a movie?"

“No way, no way? You can’t be that stupid, right?”

“Shi Xi is the one who raised the box office for all the movies! What are you?”

“With your wooden brain, you want to go on a variety show? If you go on variety shows, you’ll only attract more fans and waste your time!”

Pei Jie pursed his lips. “Then, what jobs have you arranged for me?”

“Oh, there’s a shopping mall opening. Prepare a show and perform there,” the manager said.

“I don’t want to take this job. I want to go to [Endless Joy].” Pei Jie took a deep breath.

The manager, “You can get whatever you want? How can you be so naive?”

In the end, the manager did not agree to let Pei Jie go to [Endless Joy].

..

On the way to record [Endless Joy], Shi Xi was constantly reminded by Han Chuan.

“Don’t let Lou Ruicong talk too much,” Han Chuan said. “If he does anything out of line, remember to stop him.”

“Brother Han,” Lou Ruicong said unhappily, “I’m not a kid. I know what to say!”

Han Chuan looked at him and said to Shi Xi, “If you can’t save him, just take care of yourself.”

Han Chuan was in a very subtle mood when it came to Lou Ruicong.

After the production team of [Energetic Girl] was finished, Han Chuan wanted to find a script for the two.

Shi Xi had a good personality and many works, so many scripts came up. Han Chuan just had to slowly pick a good one.

Lou Ruicong had offended many directors, and the friends of the directors were also directors, so few people invited Lou Ruicong.

In fact, Lou Ruicong even told the director directly at the last audition, “Your script isn’t good! This is your first time directing a film, right?”

The director’s face darkened. “Then you’ll be the director?”

Lou Ruicong didn’t hear the irony in his words. “Sure, give me the pen. I’ll teach you how to change it.”

In the end, Lou Ruicong was asked to leave by the staff.

When Han Chuan found out about this, his head hurt. He asked, “If you thought the script wasn’t good, why didn’t you say so before the audition?”

In this case, he wouldn’t have let Lou Ruicong go for the audition.

“I think the script is good,” Lou Ruicong said. “But I need to teach the director so that he can do better.”

“You think you know more about acting than the director?” Han Chuan asked.

Lou Ruicong didn't hear the sarcasm in his words. “I've never been a director, but if I were, I'd definitely be better than him.”

Han Chuan: “...”

He gave up on communication.

Shi Xi had heard about Lou Ruicong's glorious deeds from Zhu Lin.

Shi Xi could only give him a thumbs up and think: Awesome, ruthless.

Before entering the recording studio, Han Chuan lit a cigarette, his face full of vicissitudes.

...

Taking care of Lou Ruicong was more tiring than taking care of other people.

Lou Ruicong would offend others sooner or later.

\*

[Endless Joy] was recorded indoors, and the host was happy family.

The hosts were very warm and welcoming to Shi Xi and Lou Ruicong.

Together with Shi Xi was a small group of girls, the Snow Flower Dance.

“Because we three girls have Hua, Xue, and Wu in our names, so we got this name.”

Lou Ruicong couldn't help but ask, “Why not call it the snowflake dance? It sounds better.”

“Snowflake dance. It sounds like a dance,” the emcee said.

“Yes.” Xiao Xue nodded. “We think snowflakes are too common, so we named it ‘Snow Flower Dance’.

“It sounds awkward. You guys aren't popular, are you?” Lou Ruicong said directly.

...

Lou Ruicong's words were regarded as a preview.

You guys aren't popular, are you?

Next to it were the big words, [Emotional intelligence is touching!]

Seeing Lou Ruicong's wise post, the netizens immediately started to attack Lou Ruicong.

[Some people aren't even popular themselves, right? You still have the cheek to criticize others?]

[You're already so muddled that no one cares, and you're still talking about others? An honest man is really funny.]

[How can such a rude person be in the entertainment industry?]

The scene instantly fell into silence.

Everyone was confused.

The group felt embarrassed.

How were they supposed to answer?

In particular, they were indeed not very popular.

It was only because they had filmed a short video that they had gained some popularity. They had been lucky enough to be signed by a big company.

However, when compared to Lou Ruicong and Shi Xi, there was no such person in the entertainment industry.

The company was big enough to get on [Endless Joy].

“We’re indeed not very popular now, but I believe that it’ll get better and better in the future!” Xiao Xue said honestly.

Shi Xi looked at Lou Ruicong and asked, “Why do you think they’re not popular?”

Lou Ruicong was brainless, but he wouldn’t attack someone for no reason and embarrass them.

“Because my name was also very difficult to pronounce, I wasn’t popular before. Even my fans couldn’t get my name right.” Lou Ruicong said, “Now that my input method has improved, you can think of my name directly. They even gave me a nickname, ‘Lou Lou.’ That’s why I’m remembered by everyone.”

Everyone came to a realization.

Shi Xi understood what Lou Ruicong meant. “You mean, there’s a certain connection between one’s name and success?”

“It’s easier to remember with a clear name.” Lou Ruicong looked at Shi Xi. “Your name is easy to remember.”

“Thank you,” Shi Xi replied.

But I’m not famous because my name is easy to remember!

F\*ck.

The audience was speechless when they saw the program.

[It’s not that Lou Lou is impolite. He’s just asking a question.]

[Believe me, Lou Lou is just brainless.]

[I’ll apologize on Lou Lou’s behalf first. The three little sisters are very good! I wish the younger sisters better and better in the future!]

[Please pay more attention to Lou Lou and Xi Xi’s movie, [Energetic Girl]~]

Fortunately, Lou Ruicong was a comedian. He didn't seem to have a good brain. Because he was handsome, he wasn't famous, so this matter was over for the time being.

At the scene.

Shi Xi finally heaved a sigh of relief.

The introduction segment finally passed smoothly!

Next, it was time for the game of crossing the railing.

The host introduced the rules of the game. "The game is two people in a group. The boys will carry or carry the girls over the railing, but they can't touch the railing."

"Each person has three chances. The group with the lowest number of people crossing the railing without touching the railing wins."

Lou Ruicong asked, "Only boys can carry girls? Can't girls carry boys?"

The host: Why do you like to pick on me so much?

Shi Xi dissolved the awkwardness and asked in a half-joking manner, "Do you want me to piggyback you? Is it because you piggybacked me in the movie, and now you want to take revenge?"

"No," Lou Ruicong replied honestly, "I saw more girls on the field."

As he spoke, Lou Ruicong looked at the three members of the Snow Flower Dance girl group.

Snow Flower Dance: We're redundant, right?

Chapter 692 Operational Error

When the host saw this, he said, "It doesn't matter. Boys carrying girls, or if the girls are in the same group, the girl will carry the girl on her back."

"Then let's start with Lou Lou and Xi Xi?"

Lou Ruicong rolled up his sleeves. "Sure, lower the railing to the lowest level."

Shi Xi was speechless.

!!

Can't you have some self-awareness?

"Let's start with 1m," Shi Xi suggested.

"Be bolder. Directly 0.5m." Lou Ruicong was too bold.

Bullet comments: [Lou Lou, do you know how high 0.5m is? Your legs can't even get through!]

[How many steps does Lou Lou need to advance from a comedian to an ordinary man?]

[Lou Lou, grow some brains!]

Shi Xi raised her hand. "Can I change my teammate?"

Although she didn't care about winning or losing the game.

However, she didn't really want to lose.

"Are you afraid that I can't carry you?" Lou Ruicong asked.

Shi Xi really wanted to smile and say yes.

Looking at the cameras in front of her, Shi Xi held back and cooperated. "How can you not carry me?"

[Haha, I can see that Shi Xi is forcing a smile!]

[Daughter: I'm begging you, grow some brains!]

[As we all know, Lou Ruicong has no brain.]

Looking at the 0.5-meter tall railing in front of her, Shi Xi told herself not to mind it.

Lou Ruicong picked Shi Xi up and carefully moved over.

But the railing was too low. Lou Ruicong was hiding behind the railing and lost his balance.

Everyone present was on tenterhooks.

They were afraid that Lou Ruicong would throw Shi Xi out.

Lou Ruicong didn't let them down. He staggered and threw Shi Xi away.

Shi Xi knelt on the stage, doubting her life.

Why did she trust Lou Ruicong?

Shi Xi, who had been thrown to the ground: If I'm angry, no one can help me if I fall sick from anger.

The bullet comments were also feeling sorry for Shi Xi. [Xi Xi is so pitiful hahaha.]

They didn't feel the slightest heartache.

On the other side, Lou Ruicong had not only thrown Shi Xi out, but he had also landed face-first on the stage.

The audience laughed even louder.

Lou Ruicong felt that the floor was a little slippery when he got up.

A second fall.

He fell prostrate in front of Snow Flower Dance.

Everyone was speechless.

The Snow Flower Dance group wanted to laugh but didn't dare to.

The live recording audience laughed to death, "Hahahaha!"

The bullet screen was even more unkind. [Hahaha] filled the screen.

[Snow Flower Dance: Who asked you to say we're not popular?]

[Karma came too quickly, like a tornado.]

[Snow Flower Dance: Three years west, three years east, don't bully the young for being poor!]

[It's ignited!]

In the end, Snow Flower Dance's team won with a time of 0.5m.

Lou Ruicong complained about the unfairness of the rules. "They're all girls, they have an advantage!"

"Yes, that's right," Shi Xi agreed.

She was tired and didn't want to go to work with Lou Ruicong.

After the game over the railing ended, everyone played another game of 'Who's the Spy.'

The host began to introduce the rules of 'Who's the Spy'. Among the six people present, five people got the same word, and the remaining one got another related word.

Each person could only say one sentence per round to describe the word they had received, but they could not directly say the word.

They couldn't let the spy find out, but they also had to give their companions a hint. After each round of description, the six of them would vote for the person who was suspected to be the spy, and the person with the most votes would be eliminated. If it was tied, it entered the next round of description.

If there were only three people left (including the spy), the spy will win; if not, the others will win.

'Who's the Spy' was a game that [Endless Joy] often played, and everyone knew the rules.

The game soon began.

...

In the first round, Shi Xi got the mirror.

Xiao Xue started describing..

"The house has them all," Xiao Xue said after some thought.

As Shi Xi thought about this, she realized that almost every house had a mirror.

"It can be made into many things," the host said.

Shi Xi felt that the host was a spy.

"I don't like it," Lou Ruicong replied.

Shi Xi was speechless.

What was the meaning of this?

“There’s also some in the car,” Xiao Hua from Snow Flower Dance described.

Shi Xi had a vague feeling that they were describing a mirror, but at the same time, they were not.

...

“It’s transparent,” Xiao Wu replied.

It was glass!

Shi Xi finally reacted. She had received a mirror while everyone else had received glass.

Wasn’t this simple?

It was Shi Xi’s turn.

Filled with confidence, Shi Xi began to hide her answer. “It can be used as a door.”

The glass door.

After the first round of description, everyone voted for Lou Ruicong.

He didn’t like it.

Lou Ruicong, who got glass, looked innocent.

He didn’t know what he had done wrong.

Following that, Shi Xi was also very cautious. She hid her actions and successfully survived until the end.

When there were only three people left, she opened the note.

As expected, Shi Xi had gotten a mirror while the others were all glass.

The spy won.

Shi Xi’s eyes were smiling. Happy!

Sure enough, without Lou Ruicong, she would be the king of games!

Chapter 693 Nan Wan Feigning Illness

After the recording, Lou Ruicong said he had a lot of fun.

Shi Xi: I don’t want to record with Lou Ruicong anymore!

It was as if she was taking care of a child!

After the news #Shi Xi Lou Ruicong recording Endless Joy # came out, it immediately became a hot search.

Among them, some sharp-eyed fans noticed that Shi Xi was holding a heating pad but was wearing a short skirt. They started nagging.

[You can’t wear such a short skirt in winter! Remember to wear a down jacket when you get out of the car! Take off your down jacket when you’re in the room and warm up!]

[Your ears are red from the cold, you're holding a heating pad in your hand, and your dress is below your knees? Xi Xi, do you want to go to heaven?]

[Her legs are so thin.]

When Shi Xi saw the comments from her mother fans, she was half amused and half warm.

Baby fans are so cute!

I won't show off my legs next time!

I'll show off when it's warm!

\*

Nan Wan had been keeping an eye on Shi Xi. When she saw that her fans could even discuss such a small matter, she felt sour and jealous.

Nan Wan opened a side account and commented, [She's really good at putting on a show. So what if the artiste is freezing? She's not the only one who's freezing. Disgusting.]

When she saw that there were still people saying that Shi Xi was miserable, Nan Wan retorted, [Do you know how much Shi Xi earns in a day? Don't you think that you're miserable? Do you think that Shi Xi, who lives in luxury, is miserable?]

Nan Wan's reply quickly attracted the attention of Shi Xi's fans.

[Are you sick? What does Shi Xi's income have to do with my love for her?]

[She's pretty, hardworking, and motivated. She deserves to earn so much money. Are you jealous?]

[...]

Nan Wan wanted to reply, but she realized that the other party had blocked her.

F\*ck!

Wasn't it just acting pitiful?

Who couldn't do it?

Nan Wan's eyes turned and she thought of a good idea.

The assistant walked in and saw that Nan Wan was still lying on the sofa. She said anxiously, "Sister Nan Wan, you're going for the audition in the afternoon. Why haven't you changed your clothes and put on makeup?"

"I'm going to go for the interview without any makeup." Nan Wan sat up.

The assistant wanted to say that she didn't look good without makeup, so she might as well put on makeup.

However, the assistant didn't dare to say this out loud.

"No, I still need to put on makeup," Nan Wan said.

The assistant heaved a sigh of relief.

“Give me ten minutes.”

Half an hour later, Nan Wan finally got into the car and was ready to go for the audition.

The assistant looked at the time and urged the driver, “Hurry up, we have to get to the audition point in half an hour.”

“What’s the hurry? Let’s go to the hospital first.”

The assistant was shocked. “Why are we going to the hospital? You’re sick?”

“No, I told you to go, so go.” Nan Wan’s eyes were filled with impatience as she said to the driver, “To the hospital.”

The driver naturally listened to Nan Wan and went to the hospital first.

When they arrived at the hospital, Nan Wan asked her assistant to go to the emergency room.

The assistant panicked and said, “Emergency? Sister Nan Wan, what’s wrong with you?”

Nan Wan was wearing a mask and holding her stomach, she said in a low voice, “I’m not feeling well. Use your ID card to get a number. Hurry up!”

“Didn’t you just do it last week?” The assistant looked at Nan Wan’s eyes and did not say anything else. She obediently went to get a number.

After a long while, they finally arrived at Nan Wan.

The doctor glanced at Nan Wan. “Where do you feel uncomfortable?”

Nan Wan: “I’m not sick. Just prescribe me a bottle of glucose drip.”

The doctor looked at Nan Wan like she was an idiot.

“I have money,” Nan Wan replied.

The doctor pressed the internal line. “Security, come here.”

When Nan Wan was escorted out by the security guards, the patients in the corridor had different looks in their eyes.

“Sister Nan Wan,” the assistant asked, trembling, “Shall we go to another hospital?”

Nan Wan thought that the hospital might not give her an IV drip, so she said, “No need, just find a small clinic.”

Chapter 694 Nan Wan Is Really Dedicated To Her Work, She Went For An Audition Even When She Was On a Drip, No Wonder She’s So Popular

When Nan Wan arrived at the audition point, she was already three hours late.

However, when Nan Wan appeared, she shocked everyone.

They saw two people supporting the weak-looking Nan Wan, who was still on an IV drip.

There was a person beside her who was holding an IV drip for her.

!!

The other artistes who were preparing for the audition were dumbfounded.

They had never seen anything like this!

Nan Wan secretly observed the expressions of the people around her, feeling smug.

Who didn't know how to act pitiful?

Ha.

Moreover, before she came in, she had already contacted the paparazzi and sent out the photos of her 'auditioning while she was sick'.

Her expression was dazed, her lips were pale, and she was weak.

Of course, this was the effect of makeup.

#Nan Wan auditioned for [Sky Blue] while she was sick#

[What's wrong with Wan Wan? Doesn't the studio know to let her rest? Is money more important than health?]

[If you're sick, rest well. Baby be worried sick.]

[Audition for [Sky Blue]? Didn't she go there once before? Why are you going again?]

[There's been too many hot searches about Nan Wan recently, right? Another marketing?]

[If you're talking about marketing, who would feign illness for marketing? Wouldn't that be cursing herself to get sick? Did the person who said this not have a horse? Don't you have any sympathy at all?]

[Wan Wan came for an audition even though she's on a drip. How can she be criticized for marketing? I'd rather she didn't come for the audition.]

Nan Wan's fans naturally protected Nan Wan. Anything that said something bad about Nan Wan was focused on by the fans.

Even those who initially suspected Nan Wan doing marketing had their information dug out.

..

At the audition point.

The incident of Nan Wan auditioning while she was sick was not only spread on the internet, but also quickly at the audition site.

The director, who was sitting in the audition room, had heard about the situation outside.

“Nan Wan came for the audition with an IV drip?” The director’s face twisted. “Can’t she come back after she’s done hanging? Or come for the audition tomorrow?”

The casting for [Sky Blue] was expected to last for a month, and there were interviews arranged during this month.

For an artiste with a status like Nan Wan, the director would not mind if Nan Wan said to postpone it for one or two days.

But what did she do?

“Director,” Lu Zheng said with a smile, “she didn’t make it the last time she came. She must be well-prepared this time since she’s sick.”

The director had been in the industry for many years and naturally understood what Lu Zheng meant. He immediately opened his Weibo.

Sure enough, the topic #Nan Wan auditioned for [Sky Blue] while sick# was getting more and more popular.

Not only were there fans below, but there were also many sympathetic workers.

[Nan Wan is really dedicated to her work. She went for an audition even when she was on a drip. No wonder she’s so popular.]

[I’m reminded of the time when I was on an IV drip with one hand and did the test papers with the other.]

[It’s not easy to work. It’s so hard to earn money.]

The director’s mouth twitched. “What does she mean by this?”

“She’s making such a big scene just to get a role, right?” Lu Zheng guessed.

With her identity as the little princess of the Yanjing circle, why would she go to the hospital while she was sick?

She was already being very professional by not skipping work.

“Let’s see her acting first. Wait, let her finish the drip first,” the director said with a headache.

There were many artistes who came for the audition. When the staff received the news, they asked Nan Wan to wait in the waiting area to finish the IV drip before going in for the audition.

Nan Wan was not sick to begin with. After waiting for two hours, she was finally done with her IV drip and entered the audition room weakly.

“Good day, director and teachers. I would like to audition for the second female lead in [Sky Blue].”

The setting of the second female lead was that of a hypocritical little white flower.

Nan Wan acted very well.

The director: “...”

\*

After Nan Wan entered the audition spot, some curious people picked up the bottles and needles that Nan Wan had thrown away and put them in a separate bag.

Chapter 695 The Female Lead of [Sky Blue]

Sensing the gazes of the people around him, this person didn't feel embarrassed and directly said, "Medical waste can't be dealt with together with normal waste. It will cause pollution."

Everyone: Oh.

Some artistes who did not like Nan Wan immediately opened a side account to expose Nan Wan.

[Nan Wan's medicine bottle belongs to medical trash. She threw it into the trash can.]

!!

[Luckily, a warm-hearted person picked it up.]

But below this post, everyone was speaking up for Nan Wan.

[I just found out about this too. In the past, when I had a drip at home, I would just throw it away.]

[Nan Wan probably doesn't know?]

[Seeing that Nan Wan is popular, they're picking on her all kinds of times. You're jealous!]

[Someone already picked it up, what else is there to say?]

Only a small number of people criticized Nan Wan's actions, but they still expressed their understanding.

After all, most people lacked medical knowledge.

[Poster: Motherf\*cker, a bunch of double-standard dogs.]

\*

After Nan Wan's audition, she felt very good about herself.

***novelusb.com***

It was not just an audition, but also a pitiful look.

Everything was good.

Seeing the comments about her on the internet, Nan Wan was in a good mood.

..

After the 15G surfer, Zhu Lin, saw Nan Wan's hot search, she clicked on it with a look of disdain and commented with a look of disdain, "She's definitely acting! If she's really sick, why would she still go for the audition?"

"Eh? Who's sick?" Shi Xi was lying on the sofa and playing.

“Nan Wan!” Zhu Lin told Shi Xi about Nan Wan’s hot search.

“How can you be so sure? Maybe she’s really sick?” Shi Xi said casually.

Zhu Lin rolled her eyes. “Then she’s also deliberately acting pitiful. Five comments on the hot search. She definitely bought it!”

“Which artiste wouldn’t get injured? She’s the only one who wants to make it known to the world, as if she’s the only professional in the world!”

Shi Xi: “Don’t bother about her. Focus on the publicity for [Energetic Girl]!”

She did not care about Nan Wan.

“Wait, Nan Wan auditioned for [Sky Blue]? Didn’t you say that she wouldn’t be locked in?” Zhu Lin said after realizing it.

“I’m not sure,” Shi Xi turned her phone around. “I’ll ask Xie Yunzhou.”

Zhu Lin chuckled. “That’s right. With President Xie around, what’s Nan Wan? I won’t disturb you guys anymore~”

Shi Xi: ...I’m just making a phone call!

What was there to disturb?

Just as Shi Xi was about to call Xie Yunzhou, she received a message from him.

Xie Yunzhou: [Congratulations!]

Shi Xi replied: [?]

What was there to congratulate her on?

Seeing that Shi Xi had replied within seconds, Xie Yunzhou dialed her number. “Not busy?”

“Oh, I’ve finished recording. I’m already back. What are you congratulating me for?” Shi Xi asked.

“The director of [Sky Blue] just called me to say that they’ve already decided on you as the female lead.” Xie Yunzhou’s voice carried a hint of a smile.

Shi Xi sat up straight. “Really?!”

“Of course it’s true,”

“Because you’re the one who invested in it, you’ve decided on me?” Shi Xi asked, feeling conflicted.

Even though she was very happy...

However, when she thought about how it was internally set...

“No,” Xie Yunzhou denied.

“Huh?” Shi Xi was puzzled.

Xie Yunzhou said, "I invested in it because I wanted the female lead to have the right to decide."

"However, the director and the producer had never agreed with each other."

"The producer agreed to give the female lead role and the director wants to choose the role himself."

"So, the reason they decided on the female lead role now is because I passed the audition?" Shi Xi asked.

"Yes, the director said you're very suitable." Xie Yunzhou found it a little funny when he thought about the mess that had happened.

Chapter 696 Buying a Hundred Million Points of Psychology Books

Upon hearing this, Shi Xi's eyes lit up. "So, the director approved of me and chose me as the female lead of [Sky Blue]?!"

"Yes," Xie Yunzhou replied.

Shi Xi's heart leaped and she wanted to jump on the sofa.

"However," Xie Yunzhou said, "I did put in a lot of effort in this."

"What did you do?" Shi Xi asked.

She wasn't being sarcastic, she just wanted to know.

Xie Yunzhou leaned back in his chair. "Oh, I did reserve the female lead role. Because of my investment, the female lead has been chosen."

Although it was a big circle, he had achieved his goal in the end.

"Thank you, Mr. Xie. I'll do my best and not let your investment go to waste~" Shi Xi said on purpose.

"Just a verbal thanks?" Hearing the girl's voice, Xie Yunzhou wanted to see her more.

"Shall I treat you to a meal then?"

"Sure," Xie Yunzhou replied.

Shi Xi was speechless. You're so rich, do you still lack a meal from me?

"Tomorrow then, at the Qingshui Restaurant. My treat." After Shi Xi said that, she recalled that Xie Yunzhou was the one who had topped up her credit card at Qingshui Restaurant.

She instantly felt much happier.

"Let's go to another place," Xie Yunzhou said.

Shi Xi's originally happy mood immediately fell. "What do you want to eat? Japanese food? Western food? French food? Hotpot?"

After listening to Shi Xi's choice, Xie Yunzhou was silent for a moment before he asked, "You want to eat hotpot?"

“Who doesn’t want to eat a warm hotpot in winter?” Shi Xi asked.

Seeing that the girl liked it so much, Xie Yunzhou said, “Hotpot, then.”

“Ah? Are we really having hotpot?” Shi Xi did not expect Xie Yunzhou to agree to it and hesitated.

“What’s wrong? Can’t I?”

“No, I just feel that you don’t fit in with the hot pot...” Thinking about it, Shi Xi felt that it was quite fun, so she said, “Then let’s have hotpot!”

She wanted to eat it.

“See you tomorrow,”

After hanging up, Shi Xi wanted to call the director of [Sky Blue] to confirm.

However, after thinking about it, Shi Xi suppressed it again.

It was better to let the director inform her!

Hehe.

The female lead of [Sky Blue]!

Shi Xi picked up the script for the audition of [Sky Blue] and prepared to continue studying it.

The script for the audition was only a small part of the script, which was only used for the audition. It might not even appear in the drama.

The complete script would only be sent to the actors after it was finalized.

Even during the shooting, they would constantly make changes.

After some thought, Shi Xi decided to buy some psychology books.

After all, in [Sky Blue], the female lead, Fu Tianlan, was a psychologist.

Even if she didn’t understand, she had to pretend to understand.

Shi Xi immediately opened the Orange app and bought one psychology book after another.

Just when everyone was happy...

Shi Chen sent a message.

Shi Chen: [I heard that my dear little sister’s movie has been released. How much is the box office?]

Shi Xi gritted her teeth.

This kind of number, he could just check it himself!

Shi Chen: [Aiya, it’s already over 200 million. My dear sister is so amazing!! [Thumbs up!]]

Shi Chen: [It doesn’t look like it’s going up. It can’t be less than 500 million, right?]

Most of the movies had the highest box office sales in the first two days of screening.

Shi Xi didn't want to pay any attention to this scamming Second Brother.

However, if the box office did not hit 500 million...

It wasn't just Shi Chen. Many people were saying that [Energetic Girl] wasn't good enough. At most, it would only get 300 million at the box office.

They wondered how much credit was given to such a high box office performance two days ago.

Shi Xi stared at the ceiling.

In the end, she decided to struggle a little and promote herself.

Chapter 697 This Is An S+Tier Production!

[@Shi Xi: New movie [Energetic Girl] seeking support! If the box office can't exceed 500 million, I can only go back and inherit my hundred-billion-yuan family fortune QAQ]

[Stop dreaming and wake up!]

[Don't you want to go home and inherit the family fortune? What are you doing in the entertainment industry?]

[500 million at the box office versus 100 billion in assets. Any normal person would know which to choose, right?!]

!!

The comments section was filled with excitement.

The anti-fans also rushed over.

[I'm dying of laughter. A fake heiress wants to inherit the family fortune? I'm afraid she's still dreaming.]

[How much did Shi Xi buy at the box office? There's no one around me watching it. It's so embarrassing to buy all day.]

[It's already 270 million at the box office. I'm guessing that 250 million at the box office was bought. How sad.]

Shi Xi picked the good comments to read.

As for the negative comments...

She directly turned a blind eye.

Shi Xi was also very worried that the movie would be lacking in power.

If they really could not reach 500 million at the box office...

\*

Just as the netizens were in a heated discussion...

Nan Wan posted on Weibo.

[@Nan Wan: Getting ready to join the group. It's my last French meal!]

Attached were photos of the food in the restaurant and Nan Wan's selfie.

The netizens congratulated her. [Congratulations on joining the crew! Wan Wan is so skinny. You can eat more!!]

[Even if you join the crew, you can't starve yourself! Baby, take care of your health!]

[Congratulations to Wan Wan for joining the group!]

[Which crew did Wan Wan join? [Sky Blue]?]

Once Nan Wan posted on Weibo, it immediately attracted the attention of the netizens.

The only audition Nan Wan had attended recently was for the crew of [Sky Blue]!

So, Nan Wan's audition was a success?

[So the previous gossip was true. Nan Wan is the predetermined female lead of [Sky Blue].]

[I posted on Weibo so seriously before and thought that the female lead of [Sky Blue] would be someone else. I didn't expect that Nan Wan would really be internally decided.]

[No wonder she's been acting pitiful for the past two days. She was waiting for this!]

In addition to the fans' compliments, there were also many haters discussing below.

There were many netizens who did not like Nan Wan.

The fans immediately retorted, [Our Wan Wan got the female lead role with her own strength!]

[Wan Wan went to the audition while she was sick. How could she be criticized? Can't the netizens just let Wan Wan off?]

[What did Wan Wan do wrong? Just because she's too outstanding?]

Wave after wave of comments, everyone's eyes were on Nan Wan.

Many people thought that Nan Wan was the predetermined female lead.

Even Shi Xi was dumbfounded when she saw the message.

Didn't they agree that she would be the female lead of [Sky Blue]?

Shi Xi was perplexed.

Just as Shi Xi was puzzled and was about to ask the director, Nan Wan replied.

[@Nan Wan: I'm not the female lead. After reading the script, I felt that I was more suitable for the role of the second female lead, so I auditioned for the second female lead and got the role of the second female lead!]

[Ah, Wan Wan is the female lead of a 1.2 billion movie, but she's going to play the second female lead! Wan Wan's resources are so bad.]

[My heart aches for Wan Wan. She's still being scolded?]

[All of you, get in here and apologize to Wan Wan!]

Seeing that Nan Wan was actually playing the second female lead, the fans were both distressed and angry.

Their heart ached for Nan Wan playing the second female lead and they were angry that Nan Wan was scolded.

After Nan Wan revealed that she was the second female lead in [Blue Sky], the netizens' criticism had decreased a lot.

They were all looking forward to seeing who would be the female lead of [Sky Blue].

[It can't be Shi Xi, right?]

This guess was immediately denied by everyone.

[Impossible!]

[How could it be Shi Xi?]

[I'm dying of laughter. Is Shi Xi worthy? This is an S+ production that Central TV wants. How is Shi Xi going to be the female lead?]

...

Chapter 698 Nan Wan Is Shi Xi's Partner

When Shi Xi saw Nan Wan's message, she started to feel complicated.

She did not expect Nan Wan to be the second female lead in [Sky Blue].

In that case, she would be in Nan Wan's crew in the future?

The corners of Shi Xi's mouth twitched.

Did Nan Wan not know who would play the female lead?

Shi Xi's guess was right. Nan Wan did not know who the female lead of [Sky Blue] was.

Nan Wan was even finding excuses for herself.

[@Nan Wan: The script for [Sky Blue] is excellent. I think the second female lead's character is very suitable, so I went to audition for the second female lead.]

[I hope everyone doesn't mind too much. No matter what the position is, I'll do my best!]

As soon as this was said, even the passers-by felt that Nan Wan was a good female artiste!

Nan Wan instantly gained many passerby fans.

Seeing these positive comments, Nan Wan was in a good mood.

As for being a supporting role?

Nan Wan had already thought it through. Anyway, this drama was a big production. It didn't matter if she was a supporting role once.

As for the online speculations that Shi Xi would play the female lead, Nan Wan looked and smiled.

How was that possible?

During the audition, Shi Xi had revealed her secret on the spot.

How could the director give Shi Xi another chance?

\*

***novelusb.com***

Shi Xi didn't know what expression to make.

Anyone could say such nice words.

Just as she was thinking about this, Shi Xi received a call from Han Chuan.

"You're the female lead of [Sky Blue]!"

Even someone as calm as Han Chuan couldn't help but feel happy for Shi Xi.

Shi Xi's resources had never been good, and she had always been acting in a self-made drama by Kuai Xue.

Now, they could finally film outside!

And it was an S+ script!

She could very well be the future Best Actress!

Online drama was a star drama, the movie was popular, and she was about to join the crew.

Good things really came one after another.

"You've already confirmed that it's me?" Shi Xi confirmed again.

"Nonsense, the contract has already been drafted. We're just waiting for you to sign it!"

It could be said that this was already a matter of course!

After deciding on the female lead and the second female lead, the other characters were also confirmed.

As a result, many well-informed people began to spread the news.

Douban group.

[Gourd: The female lead of [Sky Blue] is Shi Xi, the male lead is Lu Zheng, and the second female lead is Nan Wan.]

Once the news came out, the whole internet was shocked.

[F\*ck! It's that exciting!?!]

[Shi Xi is the female lead? Nan Wan is her partner? How is that possible?]

[I'm just a passerby, but I know that they don't get along. Why would Nan Wan be willing to be Shi Xi's partner?]

The internet was abuzz with discussions. Everyone felt that it was impossible.

In the eyes of the netizens, Nan Wan was much more famous than Shi Xi.

After all, Nan Wan's previous movie had a box office of 1.2 billion and she even acted in a Hollywood movie.

As for Shi Xi, other than being good looking and having filmed a few web dramas, what else did she have?

How could she be Shi Xi's partner?

When Nan Wan saw the news, she also felt that it was impossible.

Shi Xi as the female lead?

Hehe.

It didn't sound possible!

The incident fermented all night.

The next day.

Han Chuan took Shi Xi to sign the contract.

Only by signing the contract would the matter be settled.

...

In the conference room.

Shi Xi was signing the contract when Nan Wan walked in.

Seeing that Shi Xi was there as well, Nan Wan was instantly shocked and cried out, "W-why are you here?"

After signing her name, Shi Xi looked up and smiled. "I'm here to sign the contract!"

Nan Wan thought of the melon she had seen before she went to bed last night and her eyes widened. "You're the female lead of [Blue Sky]?!"

There were two copies of the contract. After Shi Xi signed it, she picked up one and said, "Yes, I've already signed the contract."

"Let's have a meal after everyone has signed the contract," the director said.

Chapter 699 Nan Wan Strikes

Other than the director and Shi Xi, the scriptwriter, the male lead Lu Zheng, and the supporting male actor were also in the meeting room.

All the important roles would have to sign a contract.

The director looked at Nan Wan. "Nan Wan, this is your contract. Take a look and sign it if there are no problems."

Nan Wan did not move.

How was that possible?

How could it be Shi Xi?

It was impossible!

"Thank you, give it to me." The manager beside Nan Wan took the stack of contracts, pushed her glasses up, and started to read the regulations.

They had already discussed the contract before. The manager went through it and passed the script to Nan Wan, saying, "No problem, sign it."

Nan Wan came back to her senses and looked at the contract in front of her.

"Do you have questions?"

Nan Wan took the contract.

She raised her hand and threw the contract into the air.

The papers fell one after another. Nan Wan's eyes were red like a mad cow, looking very terrifying. "You want me to be Shi Xi's partner?! It would be impossible in this lifetime! It's impossible even in the next life!"

Everyone was stunned by her words.

They didn't expect Nan Wan to be so unyielding.

Directly?

At the scene of the signing of the contract, she tore it apart.

Everyone looked at Shi Xi.

Shi Xi was sitting on a chair, leaning against the back of the chair as she spun a pen in her hand. There was a faint smile on her face.

There wasn't the slightest hint of awkwardness on Shi Xi's face.

It was as if she was an outsider watching a show.

“This drama, I’m not acting!” Nan Wan glared at Shi Xi fiercely and turned around to leave.

The manager pulled Nan Wan back. “What are you doing?”

Nan Wan flung her manager’s hand away and roared in anger, “I said I’m not acting anymore! Didn’t you hear me clearly? The contract hasn’t been signed yet, so I have the right to say no!”

With that, Nan Wan strode out in her high heels.

The manager had no choice but to apologize to the director. “I’ll try to persuade her.”

The director was speechless. This didn’t look like she could be persuaded.

After Nan Wan and her manager left, the meeting room fell into a brief silence.

An actress broke the silence and gloated, “Shi Xi, did Nan Wan refuse to sign the contract because of you?”

“I don’t know,” Shi Xi said calmly. “If Sister An knows, why don’t you tell me more about it?”

The girl was young and had a cute appearance. Even if she didn’t deliberately act coquettishly, her voice had a hint of sweetness.

The actress who was called ‘Sister An’ was called An Zhilan. She was the third female lead in [Blue Sky].

When An Zhilan heard Shi Xi’s words, she pursed her lips and her eyes were filled with disdain.

There was no way she would say such offensive words!

“Director, if Nan Wan doesn’t sign the contract, what about the second female lead?” An Zhilan’s eyes turned.

If Nan Wan did not act, would she be able to move up a seat?

The director was a little annoyed by Nan Wan’s actions and frowned. “There’s a spare second female lead. I’ll contact her. Let’s go eat first.”

There were many artistes who came for auditions.

He chose Nan Wan because she had a good background and acting skills, so she was the most worth it.

However, the director did not expect that Nan Wan and Shi Xi would be at odds with each other.

The news of Nan Wan slamming the door and leaving did not spread.

However, the news that [Sky Blue] was about to start filming had already spread.

[@Sky Blue Official Weibo: Welcome, [Sky Blue]’s little friends @Lu Zheng, @Shi Xi!]

There was a photo of the crew having dinner together.

It was equivalent to an official announcement of the members of [Sky Blue].

[Ah! Xi Xi Zi had grown up! I'm looking forward to Shi Xi's [Sky Blue]!]

[The handsome Lu Zheng is joining the crew again! Congratulations~~]

Chapter 700 Climbing Into a Big Boss's Bed

[Wow, Shi Xi? Nan Wan the female supporting role? How exciting!]

[Eh? Why isn't Nan Wan in this photo?]

While the main actors were overjoyed, only the Nan Wan family was unhappy.

As a supporting role for Shi Xi?

Just like Nan Wan said, it was impossible in the next life.

Those with sharp eyes had already noticed that Nan Wan was not in the photo.

[Nan Wan didn't go to the gathering?]

[It can't be, right? Nan Wan had already said that she wanted to go to Sky Blue, but she didn't? It can't be because of Shi Xi, right?]

[How is that possible? Nan Wan is not someone who acts on impulse. Nan Wan probably had something to do and didn't go to the gathering. Don't make wild guesses!]

[Yeah, Nan Wan was on an IV drip a few days ago. It should be a physical problem.]

Fans could always find the most reasonable excuse for the suspicion of the outside world.

However, the netizens were not so easy to fool.

[Didn't you say a few days ago that Nan Wan wouldn't be Shi Xi's match?]

[Hahaha, what a good play. Even novels wouldn't dare to write like this, right?]

When the Nan Wan fans saw this news, they felt extremely aggrieved.

They had always felt that Nan Wan was superior to Shi Xi.

But now, reality had slapped them in the face.

[Shi Xi must have climbed into a big shot's bed to get the female lead.]

[This kind of S+ production can't be touched without some background. I wonder how many people Shi Xi slept with to get this female lead.]

[It's disgusting just thinking about it. Shi Xi looks innocent, but who knows how much fun she's having behind our backs!]

If she couldn't convince them, then they would start a rumor and frame her.

The incompetent and furious black fans could not bear to see Shi Xi doing well.

Curses and insults were also added layer by layer.

However, these were all ineffective attacks against Shi Xi.

Sleep?

She would not be so depraved!

Thinking of this, Shi Xi suddenly thought of Xie Yunzhou.

Speaking of which, Xie Yunzhou had helped a lot to get the female lead this time.

How should she thank him?

When Shi Xi saw the words 'sleep with', some images that were not suitable for children appeared in her mind.

What, what kind of joke was this?

Just as her heart was beating wildly, Xie Yunzhou called.

Shi Xi seemed to be holding a hot potato as she threw her phone onto the sofa.

She took two deep breaths, but the ringtone was still ringing.

Shi Xi picked up her phone again and answered the call.

"What are you doing?" asked Xie Yunzhou.

"Oh, I just finished a dinner with the crew." Shi Xi calmed her breathing. "I'm going to read the script."

After signing the contract, Shi Xi received the complete script.

She wanted to study the script carefully before entering the production team.

"The newly built snow park is about to open. Do you have time?" Xie Yunzhou asked directly.

"Snow park?"

"There's a ski resort, an ice sculpture exhibition, and some ice amusement machines. Do you know how to ski?" asked Xie Yunzhou.

"No, but I think it's very fun." Shi Xi yearned to glide freely on the snow.

"When do you have time?" Xie Yunzhou asked with a smile. "I'll bring you along."

"Just the two of us?" Shi Xi asked hesitantly.

"You can bring your friends if you want."

"Alright~"

At the thought of going skiing, Shi Xi instantly threw the matter of the script to the back of her mind.

There was still half a month to go before she could join the cast!

Let's play first!

Shi Xi clicked on the ski tutorial video and excitedly took the air and pretended to ski.

\*

While the internet was still discussing the female lead and supporting actress of [Sky Blue], Nan Wan's studio released a message.

@Nan Wan Studio: [Notice: Our artiste Nan Wan has withdrawn from the filming of 'Sky Blue' due to a conflict in her schedule. Thank you for your understanding.]

...
