Chapter 7: Dirtied His Pants

The car finally stopped outside the set.

Xie Yunzhou looked at Shi Xi, who was still sleeping, and could only lament that Shi Xi was sleeping really well.

Seeing that Xie Yunzhou did not say anything, his assistant also pretended not to know anything.

Not long after, Shi Xi woke up and realized that something was wrong.

She seemed to have fallen asleep?

Moreover, she seemed to have fallen asleep in a place that she shouldn't have?

Shi Xi raised his head and forced a smile. "Xie, Xie Yunzhou?"

Xie Yunzhou said plainly, "I just happened to pass by the production team and dropped you off."

"Thank you, Boss!" Shi Xi got up from his lap and realized that something was wrong.

Why was she drooling when she was sleeping?!

Shi Xi stared at Xie Yunzhou's pants and her face turned red.

Xie Yunzhou followed the girl's gaze and his face slowly turned cold.

Although it was a black suit, the trace of saliva was very obvious.

.....

Shi Xi said sincerely, "I'm sorry, I'm sorry. I really didn't do it on purpose." Don't throw me into the river to feed the fish!

Xie Yunzhou was expressionless. "I know you didn't do it on purpose. You were snoring just now."

Shi Xi: ...Even more awkward.

The car drove away, leaving Shi Xi alone in a mess in the wind.

Shi Xi looked at the car that had gone far away and wanted to apologize sincerely again, but she had already been chased out of the car.

She hoped that the big boss villain would not throw her into the river and feed her to the fishes in a fit of anger.

“Miss Shi, you’re finally here.” The staff of the production team came forward and said respectfully while panting, “Please go and do your makeup and hair first.”

Shi Xi retracted her thoughts and went to do her makeup and hair in peace.

While she was doing her makeup and hair, Shi Xi took out the script and prepared to recite the lines.

When she saw the script for ‘The Overbearing School Bully Fell In Love With Me’, Shi Xi fell silent.

Was there still time to run?

She flipped open the script and saw that this was a school drama. The content and the title of the drama were very compatible. A silly white and sweet Cinderella had provoked the overbearing school bully on her first day of school and even accidentally kissed him. The two of them couldn’t stand each other, and later they started to fall in love with each other.

Meanwhile, Shi Xi was playing the school belle supporting role. She had a crush on the domineering school bully, but the school bully only had silly white and sweet Cinderella in her heart. Shi Xi could only use all sorts of tricks to frame silly white and sweet Cinderella.

Shi Xi had never expected that in real life, when she was a vicious supporting role, the role she played would also be a vicious supporting role.

Forget it, forget it. For the sake of the pay, she had to endure it.

As long as she earned money, she would be able to get rid of the female lead, get a promotion and raise her salary, marry a rich and beautiful husband, and walk to the peak of her life!

After finishing her makeup and hair, Shi Xi looked at herself in the mirror and felt that she was too beautiful.

She had looked at herself in the mirror yesterday and was already in a very beautiful state without makeup. She was like a hibiscus flower emerging from the water and did not need to be decorated. However, after putting on makeup, she was as bright as fire and could not be ignored in the crowd.

No wonder the host had such a bad personality and was able to make it to the second-rate starlet in the entertainment industry.

Looking at her face, it was as if god was feeding her with a spoon!

Shi Xi was full of confidence in her career in the entertainment industry!

“For the next scene, Shi Xi. Is Shi Xi ready?” The director held a cigarette in his mouth and shouted through the loudspeaker.

Shi Xi got up and walked out of the dressing room.

For a moment, everyone in the production team followed this beautiful woman.

Her long brown hair was tied into a single ponytail, and her skin was as white as jade, with a hint of pink. Her eyebrows were curved, and under her long and narrow eyelashes, her black and bright eyes were like the twinkling stars in the night sky.

Her confidence was shining, as if the place she was at had become a scenery of its own.

The director looked at Shi Xi and waited for the ashes to fall on his hand before he came back to his senses. He said to the loudspeaker, “All departments, get ready for the fourth scene.”

The crew members also came back to their senses and did their own things.

What was the use of looking good?

She had a bad temper and bad acting skills. She was late every day and delayed the progress.

There were even some people who patted the male lead's shoulder sympathetically.
