

## The Fake 711

Chapter 711 None of the Rich Men Are Good!

Shi Shuo frowned and put on the airs of an older brother. "I'm just worried about you. I'm afraid that you've been deceived by an old man!"

"Let me tell you, none of the rich men are good!"

"You're not a good person either?" Shi Xi asked back.

"I don't have money!"

Shi Xi: "..."

Why did he say it so confidently?

"Then Big Brother and Second Brother aren't good people?" Shi Xi learned how to draw inferences from one instance.

"Of course! When they saw me in trouble, none of them lent a helping hand!" Shi Shuo gritted his teeth, clearly displeased with his two brothers.

Seeing that Xie Yunzhou was coming over, Shi Xi warned in a low voice, "Don't target Xie Yunzhou anymore! Otherwise, I won't call you brother!"

"Xi Xi, you're treating me like this for a man?" Shi Shuo was very sad.

Shi Xi: There are so many dramas.

Seeing that the siblings had already sat down, Xie Yunzhou went forward and asked, "Sorry, I'm late. Have you ordered?"

"Of course we've ordered. Do we have to wait for you?" Shi Shuo continued to dislike Xie Yunzhou.

Shi Xi kicked him under the table and smiled. "Hmm?"

Shi Shuo retracted his leg and sat up straight. "I mean, I'm afraid Xi Xi will starve, so I've already ordered."

Shi Shuo, who was dominated by his sister, lowered his noble head.

The waiter served the appetizer and ice cream. "Here's the ice cream you ordered."

Shi Xi saw Xie Yunzhou's gaze and immediately pushed the ice cream in front of Shi Shuo. She said obediently, "Brother, this is for you."

Even serving ice cream was so slow!

Bad review!

Shi Shuo was not interested in sweets. "Didn't you say you wanted to eat? Why aren't you eating?"

"Are you the one who wants to eat?"

"I wanted to order it and eat it after the meal." Shi Xi started to quibble.

"Xi Xi wants to eat ice cream, and you want to interfere?" The more Shi Shuo looked at Xie Yunzhou, the more he disliked him. He pushed the ice cream in front of Shi Xi. "Eat it if you want! I'll pay for you!"

"She has gastric problems. She can't eat such cold food," said Xie Yunzhou.

Shi Shuo looked at Shi Xi. "Stomach problems?"

"It's a small problem. I haven't had a stomachache in a long time!" Shi Xi quickly clarified. "I'm very healthy."

"You're so skinny, but you're still healthy?" When Shi Shuo heard that Shi Xi had stomach problems, he took the ice cream in front of her and ate it himself.

Shi Xi could not explain why a female celebrity had to be as thin as lightning on camera, so she could only remain silent.

At this moment, the members of the JS Team came out to eat.

Seeing Shi Shuo sitting with someone else, his teammates walked over to greet him.

"God Shuo!" Fatty was the first to walk up. When he saw Shi Xi, his eyes widened. "Shi Xi?!"

Shi Xi smiled lightly. "Hi~"

Fatty quickly confessed, "Hello, Goddess. I'm your fan. I've watched all the dramas you acted in more than once! I've watched [Energetic Girl] three times in the cinema!"

Shi Shuo got up and held the fatty's shoulder as he left. "Don't disturb me while I'm eating!"

"God Shuo, do you know Goddess Shi Xi?" Fatty asked reluctantly.

Shi Shuo immediately distanced himself from the two of them. "I don't know him!"

"Then you were sitting together just now?"

"I'm just saying hello."

In order to prevent his teammates from harassing Shi Xi, Shi Shuo tearfully gave Shi Xi and Xie Yunzhou some private time.

The waiter considerably lowered the beaded curtain, isolating the two parties from each other.

Shi Shuo's mood instantly turned sour.

"Who's the man who ate with Shi Xi?" The fatty stroked his chin and pondered. "Her boyfriend?"

Shi Shuo looked over coldly, "What does it have to do with you?"

"I'm just gossiping."

"Shut up and order."

Shi Shuo's expression was cold.

Who are you to gossip about my sister?

Chapter 712 I Want to Sleep With Xi Xi

After the meal, Xie Yunzhou sent Shi Xi back to her room.

"I'm sorry. My brother misunderstood our relationship," Shi Xi apologized.

"It's nothing. I'm pursuing you," Xie Yunzhou said gently.

"I..." Shi Xi looked at Xie Yunzhou and was a little shaken.

"What? Do you want to accept my confession?" Xie Yunzhou's eyes were as black as ink, like an endless whirlpool.

Shi Xi came back to her senses. "I said, the dessert after the meal is very delicious."

There was a small portion of ice cream for dessert.

Although the amount was small, it was delicious.

"Rest early. Goodnight." Shi Xi opened the door and ran in, then immediately closed the door.

It was really easy to fall for a normal Xie Yunzhou.

Shi Xi leaned against the door. After calming her breathing, she prepared to wash up and rest.

While she was brushing her teeth, an irregular knock on the door sounded.

Shi Xi glanced through the peephole.

It was Shi Shuo.

"Hmm?" Shi Xi opened the door.

"Are you staying in this room alone?" Shi Shuo looked around.

Shi Xi nodded.

"Oh, it's pretty good." Shi Shuo was relieved.

Shi Xi rinsed her mouth and asked, "It's so late. Why are you looking for me?"

"Nothing, I just came to take a look." Seeing that Shi Xi was staying alone, Shi Shuo was fine. "Rest early. Also, you can't open the door at night!"

"I opened the door because I saw that it was you outside." Shi Xi opened the door and invited Shi Shuo to leave. "Goodnight."

Just as Shi Shuo was about to leave, he saw Xie Yunzhou standing outside the door with a glass of hot milk in his hand, ready to knock on the door.

"It's so late. What are you doing here?" Shi Shuo was like a hedgehog that had its spikes raised, instantly becoming alert.

"Xi Xi has the habit of drinking warm milk before going to bed. I'm bringing it over for her." Xie Yunzhou handed the cup over.

"Thank you~" Shi Xi took the milk happily.

Shi Shuo snatched the cup from her and said warily, "Wait, you brushed your teeth just now."

"I'll just brush it again after drinking it." Shi Xi did not think that this was a big deal.

Shi Shuo felt... sending warm milk to a girl alone in the middle of the night?

Something must have been added to it!

"I want to drink milk too." Shi Shuo looked at Xie Yunzhou's expression and said, "Do you mind if I drink this?"

"This cup is for Xi Xi," said Xie Yunzhou.

"Can't I drink it? Could it be that something was added to it?" Shi Shuo stared at Xie Yunzhou.

He had heard too many stories about girls being drugged and men doing whatever they wanted.

"I'll get someone to pour you a new cup," said Xie Yunzhou.

"Can't I drink this?" The more Xie Yunzhou tried to stop him, the more doubts Shi Shuo had.

"This cup is 70% sugar. It's sweeter."

Shi Shuo took a sip in disbelief.

His face twisted.

He almost vomited.

"Isn't there too much sugar in this?" Shi Shuo frowned.

"Little Brother, can you go back and rest?" Shi Xi leaned against the wall beside her, hoping that the two of them would return to their respective rooms.

"No, I have to stay here to protect you." Shi Shuo put the cup down.

"Huh?"

"Xi Xi has already grown up," Xie Yunzhou said unhappily. "Even if you're her brother, you still have to consider the differences between men and women, don't you?"

"I should be worried about you the most." Shi Shuo snorted. "With me here, don't even think about touching Xi Xi!"

"You came to Xixi's room so late at night. Do you think you're trustworthy?" Xie Yunzhou suppressed the dissatisfaction in his heart.

"I'm her brother!" Shi Shuo stomped his feet.

Xie Yunzhou looked at Shi Xi. "Xi Xi, who do you choose?"

Chapter 713 I'll Go With You!

Shi Xi kicked both of them out.

Who should she choose?

She chose to sleep!

The two men who were chased out of the room looked at each other and saw resistance in each other's eyes.

!!

Xie Yunzhou lived opposite Shi Xi. He pushed the door open and was about to enter.

"You live here?" Shi Shuo called out to Xie Yunzhou.

"Can't I?"

Shi Shuo frowned. "No! Unless I sleep with you!"

Xie Yunzhou raised his guard. "What?"

He was not gay!

Shi Shuo was expressionless. "Don't think too much about it. I just don't want you to look for my sister at night!"

He was not gay!

What responded to Shi Shuo was a tightly shut door.

Boys had to protect themselves outside.

He had no idea what kind of person he would meet.

Shi Shuo wanted to go back, but he was afraid that Xie Yunzhou would harass Shi Xi again.

He simply sat on the ground and played games while keeping his guard up.

After a while, the attendant came over with milk.

Seeing Shi Shuo sitting on the ground and playing games, the attendant looked at him as if she was looking at a perverted stalker. "Sir, may I ask what are you doing here?"

"Playing games."

The attendant was about to call security to take him away.

"Wait, who is this milk for?" When Shi Shuo saw the milk in the attendant's hand, he immediately put down the game in his hand.

The chattering of his teammates came from his earpiece.

"F\*ck! God Shuo, why aren't you moving?"

“The bushes, the bushes! The opposing archer is going through the bushes!”

“God Shuo, why aren’t you doing anything?!”

Shi Shuo took off his headphones and stared at the attendant.

The attendant took a step back and said warily, “It’s not for you.”

Shi Shuo thought of Xie Yunzhou’s words and sat down again, “You send him.”

Seeing Shi Shuo’s abnormal behavior, the attendant was in a dilemma.

This young man was so handsome, and he didn’t seem to lack money.

Why are you squatting at the door like a dog?

The attendant knocked on Shi Xi’s room door and reminded her before he opened the door, “Miss Shi, there’s a young man playing games sitting at the door of your room.”

Shi Xi opened the door and drank the milk on the tray. “Thank you. I’ll make him leave.”

“Do you need security?” the attendant asked in a low voice.

“No need.”

The attendant turned around and left.

Shi Shuo didn’t even lift his head. “Don’t worry about me. I’ll stay here and play games. Just guard the door.”

What responded to Shi Shuo was a tightly shut door.

Shi Shuo: Sister is so fierce QAQ

\*

Shi Xi returned to her room, opened Weibo, and looked at the trending searches today.

There was no name.

Nice, a quiet day.

The top trending topic was #JS 2nd finals #

Seeing that it was extremely popular, Shi Xi clicked on it to take a look.

It was the KPL Asian Competition.

Well, they got second place in the group in the regular season and entered the playoffs.

JS?

It seemed to be the team that Shi Shuo was in?

That wasn’t bad!

Shi Xi was not interested in games and had only filmed a promotional video for Martial Arts Dream before.

She was scolded very badly.

Of course, there were also many compliments.

...

Shi Xi still remembered that cosplay.

When she clicked on the trending searches, Shi Xi realized that there were actually many people scolding them.

[Has JS gone crazy this year? Playing blindly without listening to instructions?]

[Put a handful of rice on the screen. Even a chicken is better than JS!]

[They lost with such a huge advantage in the early stages? Did you guys take money to fake the match?]

There were also all kinds of insults directed at the team members. Shi Xi was dumbfounded.

No wonder Zhu Lin told her not to provoke the gaming circle.

The fans in the gaming circle were really ruthless!

Chapter 714 [Energetic Girl] Total Box Office Revenue of 660 Million

In the gaming circle, especially in the eSports circle, strength was the only thing that mattered.

A loss was a loss, and second place was second place.

In the entertainment industry, fans would feel sorry for them. "He's already working very hard. Everyone, don't scold him."

However, in the eSports circle, strength was the most important.

[What trash.]

[If you can't, don't go. If you can't, you'll be scolded.]

[It's you @#¥ \*\*\*#@.]

Most of the words could not be broadcasted.

Even God Shuo, who had the best statistics in the regular season, was scolded badly.

Shi Xi sighed.

Her little brother must be feeling terrible after losing the competition.

She was worried that he would be at a disadvantage. She had actually locked him outside the door.

Shi Xi opened the door.

She saw Shi Shuo leaning against the wall, already asleep.

Shi Xi called the front desk. "Please arrange for two security guards to come over and send the person at my door to his room to rest."

..

**novelusb.com**

After sending Shi Shuo back, Shi Xi looked into the KPL Asian League.

The league was divided into the regular season, playoffs, and finals.

A total of 20 teams would participate in the regular season, and the top 8 teams would enter the playoffs.

The top four would then be decided to participate in the finals.

Fighting for the first place in the KPL Asian League.

Shi Xi was speechless.

Seeing how the trending searches were so heated, she thought that JS was the runner-up.

Unexpectedly, the match was not over yet.

Worrying for nothing.

Shi Xi casually scrolled through the trending searches. She thought that there were no more trending searches for her, but she realized that [Energetic Girl] was still on the trending searches.

#Energetic Girl's Box Office Floods#

[How could there be 500 million box office earnings? More than half of them were bought!]

[They've already dug it out to buy the box office. Tsk, tsk, tsk, Shi Xi is just pretending not to respond!]

[How many big shots did Shi Xi sleep with to get this 500 million box office earnings?]

The words of abuse behind were even more unsightly.

Shi Xi: I'm sorry, but all the idiots in the industry who curse are disgusting.

The fans were scolded at first, but later on, they had already trained their hearts to be strong.

[Yo, why don't you buy the box office for your movie? Is it because you don't like it?]

[If that's the case, I'll treat my company friends to a movie, and I'll also buy 10,000 yuan at the box office.]

[Haha, my family has opened more than ten cinemas, and every day, [Energetic Girl] is always full. Let's not even talk about filling up the seats, [Energetic Girl] will be full for the next week!]

[Shut up if you don't have money to support the box office~ I'm willing to spend money on the female goose~~]

The fans would not indulge the haters.

After the movie was broadcast, publicity and marketing were all normal methods.

The latest box office results were also out.

[Energetic Girl] box office the day before yesterday: 240 million, total box office: 760 million

[Bio-Human] box office the day before yesterday: 30 million, total box office: 335 million

When Shi Xi's fans saw this result, they were elated.

[Oh my, the total box office earnings have reached 760 million! Who's so sour?]

[If you have time, watch more of your steamed movies. I'm worried about you guys!]

[The attendance rate of [Bio-Human] is getting worse by the day. All the major cinemas are about to cancel the screening schedule.]

However, the black fans did not think so.

[Shi Xi's fans work in the cinema and never schedule a screening for [Bio-Human]. That's why [Bio-Human]'s box office is so bad!]

After such comments were released, all the fans would laugh to death.

[Hahaha, I never expected Shi Xi's fans to be so ridiculous. They can actually affect the cinema's cable!]

[I'm the little princess of the capital. On the first day of screening, all the cinemas in Yanjing were showing [Bio-Human] from morning till night. There weren't many cinemas showing [Energetic Girl].]

[At that time, the fans didn't dare to say anything, afraid that they would offend the big shots in Yanjing.]

#### Chapter 715 Men Are Reliable-Like Sows

[Those who say that Shi Xi has a big shot really make me laugh every time I see it. If Shi Xi really has a big shot, would she still be suppressed to this extent?]

[Those who say that the movie is overrated might as well check the situation of [Bio-Human].]

[[Bio-Human] didn't break 100 million on the first day, but it reached 1.8 on the second day. I don't believe there's no water in it.]

With this topic, someone immediately went to check on the situation of [Bio-Human].

Shi Xi had many fans and someone quickly found the direction.

[On the second day of the screening of [Bio-Human], the box office sales of the same IP increased by 110 million yuan.]

There was even a photo of the real hammer in the post.

[I'm dying of laughter. It's only a total of 300 million yuan at the box office, but there's still a 110 million yuan injection.]

[This is the black fans' backlash, right? You didn't get any results even if you poured water!]

[Why didn't you continue buying water? Do you have no money?]

[I'm dying of laughter. [Energetic Girl]'s box office earnings are steadily improving. They're jealous, right?]

The Nan Wan fans could still condescendingly mock Shi Xi, but now that they saw that [Bio-Human] had bought the box office and had such poor results, they were furious.

When Nan Wan's manager saw these comments, he felt helpless.

He had already told Nan Wan not to fight Shi Xi head-on.

What good result could there be?

The manager had no choice but to let the big fans go down to guide the comments.

[Nan Wan is just a supporting role. It doesn't matter at the box office.]

[Nan Wan's [The Tale of the Xianxia] has a box office of 1.2 billion. I'm not going to go to the moon to scam you.]

[...]

Under the manager's guidance, the Nan Wan fans finally calmed down.

But even so, it could not change the fact that Nan Wan's fans were running away.

After being slapped in the face again and again, Nan Wan kept losing fans.

If this continued, Nan Wan's popularity toward passersby would be ruined sooner or later.

..

It was six in the morning.

Shi Xi was still sleeping when she was woken up by Han Chuan's call.

He told her to hurry back and do her styling. There was a live broadcast that was looking for her to save the scene.

Shi Xi, who had stayed up late to watch a drama, struggled to ask, "What live broadcast?"

"There are many A-list celebrities present for the live variety show. You'll know when you come over! I've asked Zhu Lin to match the clothes."

Han Chuan was obviously very busy. He gave a few simple instructions and hung up the phone.

Shi Xi woke up drowsily. What was the use of breaking 700 million at the box office?

She still had to be called around by her manager.

When could she retire?

Shi Xi wanted to retire at such a young age.

In the car.

Shi Xi narrowed her eyes and yawned, looking as if she had not woken up yet.

“Didn’t sleep well?”

Shi Xi felt sleepy. “I slept well. I was just woken up in the morning.”

She thought that she would wake up naturally, so she stayed up all night.

She didn’t expect to be woken up so early in the morning to rush to work.

“Sleep for a while. I’ll wake you up when we get there,” said Xie Yunzhou as he reclined the seat.

Shi Xi thought to herself that luxury cars were indeed different. Not only did they have pillows when lying down, but they also had waist pillows.

It was even more comfortable than a hotel bed.

“Remember to call me when we arrive.” Shi Xi closed her eyes.

“Alright.”

Three hours later, Shi Xi woke up naturally.

It was so happy to wake up naturally.

Hmm?

Did she forget something?

Shi Xi picked up her phone and looked at the time.

Why was it already 10:30?

Shi Xi widened her eyes and looked at Xie Yunzhou. “Why didn’t you call me?”

“The live broadcast hasn’t started yet.”

“I still have to do my makeup and styling. Of course, I have to come early.” Shi Xi could not explain clearly and hurriedly got out of the car to look for Zhu Lin.

...

She knew men couldn’t be trusted!

A man could be trusted, but a sow could climb a tree!

Xie Yunzhou wanted to say something, but when he saw Shi Xi running so fast, he felt helpless.

Why didn’t she hear him out?

Chapter 716 A Well-Deserved A-list Female Star

When Shi Xi saw Zhu Lin, she asked, “What time does the livestream start? Can we make it in time?”

Zhu Lin: "There's still time. The livestream starts at 7 pm."

Shi Xi was speechless.

The live broadcast at seven in the evening was announced at six in the morning.

Alright, no problem.

Thinking of how she had been fierce to Xie Yunzhou just now, Shi Xi felt guilty.

She didn't do it on purpose.

She had clearly told Xie Yunzhou to call her when they arrived.

Brother Han was still unreliable.

He did not specify the time of the live broadcast.

When the makeup artist was putting on Shi Xi's makeup, Shi Xi wondered if she should apologize to Xie Yunzhou.

Xie Yunzhou taught her how to ski and took her to the hot springs.

In the end, he was even scolded.

Just thinking about it made her feel miserable.

Shi Xi typed and deleted it several times.

Finally, she sent out a message.

Shi Xi, [Are you free tomorrow? Treat you to a meal.]

Xie Yunzhou replied very quickly. [Yes.]

Xie Yunzhou: [The livestream will only start tonight. Remember to eat before you go on the livestream.]

Shi Xi, [Okay~]

Seeing that Xie Yunzhou did not seem angry, Shi Xi heaved a sigh of relief.

Let's do the live broadcast first.

Zhu Lin sent the script of the live broadcast over and said, "Xi Xi, tonight's livestream is King of Kings. Take a look first."

Shi Xi held the script and asked in surprise, "King of Kings?"

"Yeah," Zhu Lin asked, "Xi Xi, do you know how to play?"

"I can learn." Shi Xi took the script and was dumbfounded when she saw who had chosen which hero and which position.

She couldn't understand a single word!

When Zhu Lin heard Shi Xi's answer, she was completely stunned.

Thinking back, she did not seem to have seen Shi Xi play King of Kings before.

"It's okay. You're playing the support hero, Yao. I'll teach you how to play this." Zhu Lin contributed her account and taught Shi Xi how to familiarize herself with the game.

Half a day was enough.

As Shi Xi familiarized himself with the rules of the game, she asked, "Why did you give me this live broadcast?"

"The person who was originally scheduled had something to do at the last minute, so a seat was vacated. After Brother Han found out, he sent you to save the day and promote the movie," Zhu Lin whispered.

Even though the box office earnings of [Energetic Girl] had already exceeded 500 million, who would complain about having too much money?

"Who was it originally?" Shi Xi asked.

"Yi Xuanzi."

Shi Xi looked confused. "Is she a foreigner?"

Zhu Lin was speechless. "She's a female gaming streamer. She's considered an internet celebrity."

"Sister Yun is also participating in this game's livestream?" asked Shi Xi.

Qin Yun debuted as the female lead and became hot as soon as she debuted. She started acting at the age of 16 and immediately won the Best Actress Award.

In the next few years, despite the cold winter in the film industry, Qin Yun still carried the viewership ratings and box office. She was also the first female celebrity to reach the 10 billion box office.

She was a well-deserved A-list celebrity.

"She likes to play games. If you can take this opportunity to get close to Qin Yun, that would be even better." Zhu Lin did not hide her thoughts at all.

From Zhu Lin's point of view, all the friends Shi Xi knew in the entertainment industry were too weak.

Each and every one of them was like life-sucking Shi Xi.

Shi Xi blinked when she saw that there were popular singers in the script.

It seemed like everyone liked to play games.

Eh? Shen Hanquan was here too.

When Shi Xi saw Shen Hanquan's name, she heaved a sigh of relief.

Finally, there was someone she knew!

\*

On the eve of the live broadcast, the official Weibo released a notice.

@King Entertainment Bureau: [Welcome to our new friend. Can everyone guess who she is?]

Below the post was a silhouette.

...

There was also a note that said, [Appearance and strength coexist.]

Chapter 717 The Strapless Short Black Dress Chu Hua Sent

The netizens who were familiar with the entertainment industry quickly guessed that it was Shi Xi.

The fans even found the corresponding photos.

[Ahhhh, Xi Xi is going to broadcast live! I look forward to the live broadcast of the female goose!]

[F\*ck! A sudden live broadcast! Surprise!]

[Xi Xi, you're beautiful and kind. We can eat fried chicken, drink beer, and watch the live broadcast tonight~]

Other than the cheers of the fans, there were also the doubts of the fans.

[Does Shi Xi know how to play games? Although they're both entertainment departments, everyone is at the level of a king. Shi Xi won't be a burden, right?]

[Previously, Shi Xi was still in a daze when she played mini games. How could she possibly play this kind of game?]

[Can you not invite some celebrities who only know how to put on a show?]

Without asking why, the black fans began to mock Shi Xi for being crazy about becoming famous.

At this moment, Shi Xi was learning how to play this game.

By the time the makeup artist finished applying makeup on Shi Xi, Shi Xi was already pretty familiar with the game.

"Xi Xi, I've contacted Nan Wan's manager," Zhu Lin said sheepishly.

"Oh? Is he willing to jump ship?" Shi Xi looked up with a serious expression.

At this moment, only the two of them were left in the dressing room.

"Brother Han is still talking to him," Zhu Lin muttered. "If he jumps over, he'll probably cost a lot of money."

Shi Xi leaned against the back of the chair and said calmly, "Nan Wan has always been unreasonable. It has always been this manager who has helped her deal with her funeral. As long as we poach her manager, Nan Wan is nothing to be afraid of."

Shi Xi had thought of digging up dirt on Nan Wan, but Nan Wan's manager was very good at public relations.

Moreover, it cost money to buy dirt.

Shi Xi did not want to spend too much money on Nan Wan, so she thought of this tactic.

“Xi Xi,” Zhu Lin said uncertainly. “If we really poach Nan Wan’s manager, do we really have to use him?”

“Kuai Xue is currently in the development stage. It’s not bad to have a steady and experienced manager in charge.” Shi Xi looked at the game screen and wondered why this lousy game was so difficult to operate.

It was clearly a human-machine.

How did she die again?

Before Zhu Lin could say anything, someone knocked on the door.

The two of them stopped talking.

Zhu Lin stepped forward to open the door. “What’s wrong?”

“I’m here to deliver today’s clothes. Long time no see, Miss Shi.” Chu Hua smiled when she saw Shi Xi.

“Yes.” Shi Xi looked up at her and said, “Put down the clothes. I’ll change after this game.”

Chu Hua urged, “Miss Shi, please change into your clothes now. The others have already changed into their clothes and are waiting for the publicity photos.”

“If there’s anything that doesn’t suit you, I’ll help you change it directly.”

Coincidentally, Shi Xi’s game character died again.

Shi Xi smiled faintly. “If you’re in such a hurry, why didn’t Miss Chu send the clothes over in advance?”

Chu Hua’s expression stiffened.

Zhu Lin also reacted and questioned, “The others have already changed their clothes before you sent clothes to our Xi Xi? What are you doing?”

Chu Hua took a deep breath. “I was altering the clothes of other artistes just now...”

Shi Xi threw her phone on the table, making a sound that was neither light nor heavy.

It didn’t matter whether she was a teammate or not.

“Thank you for the clothes, Miss Chu. I’ll change now.” Shi Xi picked up the clothes and sized them up. “I rarely wear this style.”

It was a strapless short black dress, and it was indeed very beautiful.

Her long hair was tied up, revealing her slender swan neck. Her collarbone was clearly visible, and her snow-white shoulders were exposed. Below her was a black tube top, pure and lustful.

She had a waist design below her chest, making her waist look slender. The skirt was very short, and she had a pair of long legs paired with silver high heels.

Extremely beautiful.

Chapter 718 This Is Yunzhou's Secret, I Won't Say It

Zhu Lin's eyes lit up. "So beautiful! If the dress was a little longer, you could walk the red carpet!"

Shi Xi spun around in front of the mirror and said, "There's no need to change it. Thank you, Miss Chu."

Seeing that Shi Xi was satisfied, Chu Hua heaved a sigh of relief. "Then go and take the publicity photos."

"Wait, your neck is empty." Zhu Lin saw that Shi Xi's neck was blank and said, "I remember there's a necklace in the car. I'll go get it."

"Alright." Shi Xi sat down. "I'll wait for you."

Chu Hua raised her eyebrows slightly. "But they're already going to take publicity photos."

"Then let them wait for a while. If they want our Xi Xi to save the situation, they should have the attitude of saving the situation." Zhu Lin wouldn't spoil others.

"Go get the necklace. It's only five minutes from here to the garage," Shi Xi said.

After Zhu Lin left, only Chu Hua and Shi Xi were left in the dressing room.

Shi Xi looked at Chu Hua. "Miss Chu, are you so worried that I won't be able to make it in time for the promotional photos?"

***novelusb.com***

"I just don't want to waste everyone's time." Chu Hua's eyelids twitched.

"Is that so..." Shi Xi sat down and leaned against the back of the chair. She picked up her phone and tapped on it as she said, "Don't worry. They'll shoot a round of promotional notices. If I don't arrive, they'll shoot the person who gets it first."

Chu Hua wanted to say something but hesitated.

Shi Xi could see Chu Hua's expression in the mirror and said bluntly, "Just say what you want to say. There's no one else here."

"Miss Shi, is Xie Yunzhou the person who invested in your movie and bought you tickets for the movie?" Chu Hua mustered up his courage and asked.

Shi Xi paused for a moment, and there was a smile in her eyes. "Miss Chu, I don't understand what you're trying to say."

Chu Hua bit her lip. "You should know very well what I want to say."

"No, I don't know at all." Shi Xi met her gaze in the mirror.

Thinking of what he wanted to say, Chu Hua straightened her back and said condescendingly, "Shi Xi, it's not easy for Yunzhou to earn money."

"Don't you feel uneasy spending his money so extravagantly?"

Shi Xi's eyes were smiling. "Oh? He told you that I spent his money extravagantly?"

Chu Hua pursed her lips and did not answer directly. Instead, she said, "This is the truth."

"Miss Chu, it's not your place to interfere in the matters between Xie Yunzhou and me, right?" Shi Xi lowered her eyes and continued to tap on her phone.

She did not take Chu Hua's words to heart at all.

"You're so beautiful. If you want to find a man to spend money on you, you can easily find one. Just let Yunzhou go," Chu Hua said anxiously. "He's always been troubled by his heart disease. He treats relationships more seriously than anyone else. Aren't you afraid of retribution for playing with his feelings like this?"

"Heart disease? What is it?" Shi Xi caught the main point.

"Didn't Yunzhou tell you? I thought he would have told you long ago since you're dating him," Chu Hua said apologetically.

Shi Xi raised her long eyelashes, her eyes cold.

"It seems that you two are not that close." Chu Hua seemed to be relieved. She smiled and said, "This is a secret of Yunzhou. I promised him that I wouldn't tell anyone."

Shi Xi took a deep breath. "Miss Chu, if there's nothing else, please leave."

Chu Hua wanted to say something, but seeing that Shi Xi had given the order to leave, she could only open the door of the dressing room and prepare to leave.

Before she left, Chu Hua turned around as if she was giving some advice. "Miss Shi, it won't last long if you serve others with your beauty."

Shi Xi's lips curled into a bright smile. "That's still better than not having any looks."

Chu Hua's eyes turned cold as she slammed the door shut and left.

## Chapter 719 Malicious Clash

Zhu Lin came back with a bag and asked, "Eh? Where's Miss Chu?"

"Let's go." Shi Xi threw her phone on the table and said impatiently, "Why do I see her everywhere?"

"This is the costume that the production team specially arranged. Chu Tang Workshop is quite famous now, and the price is cheap." Zhu Lin spoke the truth. Seeing that Shi Xi was not satisfied, she said, "If there are any other jobs in the future, I'll ask about the clothes in advance."

Shi Xi exhaled.

There were always people who came to make things difficult for her.

In the studio.

The one who was taking the promotional photos was the show's main guest, Qin Yun.

Qin Yun walked the path of a mature older sister, and her makeup was mature and grand. She was wearing a black velvet strapless dress that was very similar to the one Chu Hua had given Shi Xi.

Other than the photographer, the staff beside her also sighed. "Sister Yun is too charming! I really want to do it with her!"

"Yeah, she can be a cool and aloof lady!"

"I feel like she's the type of person who's cold under the bed and a little wild cat on the bed. I really want to sleep with her."

As far as the eye could see, it was all female employees talking dirty.

The male employee only dared to speak in private.

Chu Hua stood not far away, silently waiting for Shi Xi's arrival.

This level of clashing...

Who would be embarrassed?

Shi Xi's status was far inferior to Qin Yun's. No matter who dressed better, Qin Yun's team would bear a grudge against them.

She thought about how Shi Xi had embarrassed herself in public, how she would be taught a lesson by Qin Yun, and how she would be ordered back by the director to go back and change her clothes.

Chu Hua could not help but want to laugh.

If Shi Xi blamed her, she would say that she had prepared two sets of clothes and that Shi Xi wanted the black one.

She had already brought the clothes that she had prepared.

Everything was ready and she was just waiting for Shi Xi.

After taking Qin Yun's promotional photos, the director asked, "Is Shi Xi here yet? Shi Xi?"

A staff member beside him said, "She's here, she's here. Shi Xi is almost here!"

Chu Hua quickly looked over.

The staff couldn't help but exclaim, "Wow!"

The girl who walked in had her hair tied into a low double ponytail. Her long hair was braided with some bright hair that reflected light with her movements.

The girl's face was exquisite, and under her black and clear eyes, there were still bright shards.

She was wearing a simple black sweater and a purple checkered skirt, revealing her long legs.

"So energetic!"

"She really looks like a student."

“She’s so beautiful. She’s even more beautiful in person than her fans’ photoshopped photos.”

Shi Xi went to the green screen and started to pose for photos.

Everything was normal.

Only Chu Hua was stunned on the spot.

She had not prepared this set of clothes for Shi Xi.

How could this be?

Just as Chu Hua’s mind was in a mess, Zhu Lin walked to her side.

“Eh? Sister Yun is also wearing a strapless black dress!” Zhu Lin seemed to be extremely surprised as she rejoiced, “Fortunately, our Xi Xi didn’t wear the clothes provided by Miss Chu.”

“Why?” Chu Hua stared at Shi Xi, who was taking photos.

Zhu Lin: “When I went down to get the necklace, Xi Xi asked me to bring a set of clothes up. I guessed it.”

“There are many people in the industry who have the same outfit. Your methods are too low-end.”

Chu Hua glared at Zhu Lin.

“I’ve already contacted the person in charge of the clothing department. You’ll receive the notice of the contract being canceled very soon,” Zhu Lin said with a smile.

As soon as she finished speaking, Chu Hua received a call.

Chu Hua tried her best to explain, but the other party did not stop.

He only informed Chu Hua that the collaboration was canceled, then hung up the phone and blocked the other party.

Zhu Lin pinched her fingers. “It wasn’t easy to find a collaboration, right? Now that the cooperation has been canceled, you’ve lost a lot of money, right?”

Chu Hua glared fiercely at Zhu Lin. “Just you wait!”

Chapter 720 Forced to Eat Candy

Zhu Lin snorted as she watched Chu Hua leave.

No wonder Xi Xi didn’t like this woman.

She looked like a white lotus and even used underhanded methods.

It was not presentable.

!!

Shi Xi, who was taking photos, was given a few poses. The photographer even gave Shi Xi a lollipop and asked her to take photos while eating it.

Shi Xi thought, 'I'm not a child anymore!'

Forced to eat candy.

After the photoshoot, Shi Xi thought that everyone would go back to their dressing rooms to rest.

However, she did not expect that the few artistes would go to the big resting room to play games together.

Seeing that Shen Hanquan was there, Shi Xi walked forward to greet him. "Hello, Teacher Shen~"

"You can just call me Hanquan. Why are you being so polite?" Shen Hanquan gave up his seat to Shi Xi and said to the others, "This is the first time you've met, right?"

"Let me introduce you to Qin Yun, Sister Yun. She's very good at gaming! Zhou Qing, Peng Teng."

"This is Shi Xi, who participated in the show with me previously. She's a very good person."

Shi Xi's eyes curved as she greeted them one by one.

Qin Yun was the main guest of the show, and she was also the most popular among this group of people.

Peng Teng was a singer. He had sung many famous songs and often held concerts.

Zhou Qing was a female singer of the new generation. She seemed to have been selected from a singing program and had a lot of traffic.

Everyone was extremely friendly toward Shi Xi's arrival.

"Shall we play a game together? You'll get familiar with it after playing games," Peng Teng said.

"Sure," the others echoed.

Anyway, everyone chose to be here to socialize.

Otherwise, why didn't they rest in the dressing room?

Shi Xi was still thinking about how to enter the game with everyone.

Shen Hanquan sat beside Shi Xi and considerately handed the blanket to Shi Xi to cover her legs. He reminded her, "There are also cameras here. Occasionally, they will take some behind-the-scenes footage."

Shi Xi nodded. "Thank you. I don't really know how to play this game."

"It's okay. None of us know how to do it." When Peng Teng heard this, he said, "I was just fooling around. I don't even know how I played!"

"That's why you make us lose every day!" Zhou Qing patted Peng Teng's shoulder and spoke with a smile.

Seeing that they were all ready, Shi Xi looked at Shen Hanquan. "How can I play with you guys?"

Shen Hanquan replied, "I've sent you the link to the room. You can just click on it."

Shi Xi clicked on the link and entered.

When Zhou Qing saw Shi Xi's rank, he exclaimed, "Shi Xi, you're so humble. You're almost 100 stars, and you call this not knowing how to play?"

"This isn't my own account."

It was Zhu Lin's account.

Shi Xi had also just learned this ranking system.

Shi Xi was already confused when they entered the CPR stage. She asked Shen Hanquan how to operate it.

"You haven't played it before, have you?" Zhou Qing was surprised.

"I'm learning."

"Although we're playing in the entertainment bureau, the people who are playing with us are all official members of the eSports team. You..." Zhou Qing clicked her tongue. "It would be better if Xuan'zi came!"

"It's fine," Shen Hanquan said. "You can choose a support and follow me."

Zhou Qing saw that Shen Hanquan had been guiding Shi Xi and asked, "Shen Hanquan, do you like Shi Xi?"

Shen Hanquan: "..."

Shi Xi: "..."

"I'm taking care of the newcomer. Didn't I take care of you when you first arrived?" Shen Hanquan retorted.

"Aiya, I didn't receive a blanket to cover my legs, nor did I receive such considerate one-on-one guidance," Zhou Qing said deliberately.

"Yeah, being pretty has its advantages." The straight man Peng Teng began to speak and said bluntly, "If you're as beautiful as Shi Xi, I'll teach you one-on-one too."
