

The Fake 731

Chapter 731 It's Still Snow Outside, Stay Tonight

Looking at him, Shi Xi could guess that he was reluctant to use it.

She took out an identical candle stick from her pocket and said, "I know you can't bear to use it. Order this one!"

"Two?" Xie Yunzhou received two heart-shaped candles.

Although they were identical, he could save one and use another.

!!

But he wanted to save them all.

Candles were consumable items.

It was gone after being used.

Shi Xi snatched the lighter from his hand and lit the candle.

"This is a magic candle." After Shi Xi lit the candles, she turned off the lights.

Magic candles?

Xie Yunzhou found it funny.

He knew that young people nowadays had many chuunibyou problems, but he did not expect Shi Xi to be so chuunibyou.

However, such a girl was very cute.

"What magic is there?" Although Xie Yunzhou was heartbroken that the candle had been lit, it was still intact.

He had used all that he could use.

"This candle will never be ignited!" Shi Xi smiled faintly.

The girl's eyes were black and bright, like dazzling stars in the darkness.

"Did the shop owner say that it will never ignite?" Even though the girl said so, Xie Yunzhou still found it funny.

He also felt that Shi Xi who believed such words was very cute.

"I said it." Shi Xi's eyes were shallow. "Do you know why it can't be ignited?"

"Because of magic?" Xie Yunzhou held back his laughter.

Shi Xi rolled her eyes. "You're already so old. Why are you still so childish? Do you believe in magic?"

Xie Yunzhou: "..."

Didn't you say so yourself?

A woman's heart was like a needle at the bottom of the sea.

It was really unpredictable.

It was clearly the 'magic candle' that Shi Xi had mentioned.

She said that he was childish?

He should have mocked Shi Xi first.

"Then why can't it be ignited?" Xie Yunzhou sized up the candle.

It had a melted cotton wick, unlike an electronic candle.

"Because I'll give you a new candle after this candle burns out," Shi Xi said.

Xie Yunzhou paused and looked at Shi Xi.

The girl's eyes curved into crescents. "This is a magic candle that can be changed indefinitely."

"You want to give me candles for the rest of my life?" Xie Yunzhou said in a low voice.

"Oh, not just candles." Shi Xi thought that Xie Yunzhou had helped her earn so much money, so she definitely did not just give him candles.

In other words, she had to be with him for the rest of her life?

Xie Yunzhou's eyes gradually burned with passion.

Under the light, the girl's eyes reflected the light, shining brightly.

Xie Yunzhou couldn't help but kiss the girl's forehead. "Okay, when I ask you to change the candles, you can't refuse."

Shi Xi's heart raced when she was suddenly kissed.

Why, why did he suddenly kiss her?

She wasn't prepared.

"I, I'll turn on the lights." Shi Xi turned around to turn on the lights when she tripped over a chair.

She fell into Xie Yunzhou's arms.

Shi Xi blushed instantly.

She was not acting in an idol drama!

How could she trigger a plot that would definitely lead her to fall into a man's embrace!

Xie Yunzhou hugged the girl. "Sit down, I'll turn on the lights."

"Yes." Shi Xi lowered her head and took a sip of the flower tea.

Shi Xi thought that the atmosphere would return to normal after the lights were turned on.

However, a man and a woman were alone in the same room.

“How’s the fragrance of this scented candle?” Shi Xi asked. “Do you like it?”

Xie Yunzhou nodded. “The fragrance is very light. I like it very much.”

...

There was a calming sandalwood fragrance and a faint floral fragrance.

It smelled much better than the sandalwood he burned.

“It’s good that you like it. I’ve been adjusting it for the entire afternoon.” Shi Xi stood up. “Erm, rest early. I’m going back.”

“It’s still snowing outside. Stay here tonight.”

Chapter 732 She Doesn’t Want to Send Me Out Too!

Shi Xi’s eyes fluttered and her cheeks were strangely red. “No.”

Xie Yunzhou thought of something and explained, “You stay in the guest room.”

He wanted something to happen between him and Shi Xi as soon as possible.

But the situation did not allow it.

Shi Xi knew that she had misunderstood and said stubbornly, “Xiao Tian is waiting for me outside. I’m leaving.”

She braved the heavy snow to give gifts.

She had no intention of sending herself!

After sending Shi Xi off, Xie Yunzhou placed the candle in his bedroom.

The scent of sandalwood mixed with the faint fragrance of flowers made it seem as if Shi Xi was right beside him.

Xie Yunzhou, who had never slept well, had a peaceful sleep.

*

Kuai Xue Entertainment.

Shi Xi looked at the bespectacled man in front of her and said, “Mr. Lu, this should be our first official meeting, right?”

Lu Ming was Nan Wan’s manager. The two of them had met at work before.

But they had never crossed paths.

“I’ve been paying attention to Miss Shi,” Lu Ming said indifferently.

“And then think of ways to defame and frame me?” Shi Xi added.

Lu Ming did not deny it. “It’s normal behavior in the industry.”

Buying news articles, pulling and stepping on them, smearing them, and stepping on them...

Such methods were indeed normal in the entertainment industry.

“As far as I know, you were Nan Wan’s manager when she debuted. You made her famous. Why do you want to jump ship now?” Shi Xi asked slowly.

“Nan Wan’s current achievements are all due to her own hard work. Although Kuai Xue is a small entertainment company, it has a bright future,” Lu Ming said modestly. “I want to change my environment and start over.”

Shi Xi stared into his eyes.

Lu Ming was not afraid at all as he looked at Shi Xi.

After a few seconds, Shi Xi said, “Kuai Xue is a small company. It can’t give you a high basic salary.”

“If you want to achieve results, you have to bring the newbies out yourself.”

“Take a look at this contract. If you can accept it, sign it.”

Lu Ming took the contract and read it carefully.

Shi Xi saw that he was reading the contract at a speed that was almost word by word. He said, “Take your time. I’ll go out for a while.”

“Alright.”

After coming out of the meeting room, Shi Xi went to look for Han Chuan.

“You really want to use him?” Han Chuan asked.

Shi Xi was deep in thought. “To be able to raise Nan Wan up is enough to show that he has the ability and means.”

“Let’s wait and see. Let him take care of the two rookies. Hey, I remember that you signed a few newcomers some time ago?”

“They’re all good seedlings that I picked,” Han Chuan said reluctantly.

“Can you bring them over?” Shi Xi said rudely.

“...”

“Why don’t we let him take care of Lou Lou?” asked Shi Xi as if she had thought of something.

Lou Ruicong’s existence often gave Han Chuan a headache.

“Give him two newbies.” Han Chuan brought Shi Xi to the glass wall of the dance studio. He raised his chin slightly and said grandly, “These are the trainees who will be sent to the talent show. I can let him choose two.”

“Let him choose? Aren’t you afraid that he will pick the person you want to bring away?” Shi Xi did not expect Han Chuan to be so magnanimous.

“The person I brought isn’t inside,” Han Chuan said calmly.

Shi Xi: “...”

“Eh? The girl with two ponytails?” Shi Xi stared at one of the girls, her eyes thoughtful. “Why do I feel like she looks a little familiar?”

“Do you think she looks like you?” Han Chuan asked directly.

Shi Xi came to a realization. “Ah, yes, the eyes look a little alike.”

“I saw that her eyes were a little similar to yours, so I was soft-hearted and signed her,” Han Chuan said with disdain.

“Soft-hearted?” Shi Xi was puzzled.

“She didn’t come from a professional background, and she doesn’t have any singing and dancing skills. She’s been in school for a month, but she hasn’t made any progress.” Han Chuan shook his head, clearly dissatisfied with this person.

Chapter 733 Lu Ming Chose Yan YINUO

Just as they were talking, Shi Xi saw the girl slip and fall to the ground.

Her basic skills were not good enough.

*

Shi Xi and Han Chuan returned to the meeting room together.

“I’ve already read the contract. I agree to sign with Kuai Xue Entertainment,” Lu Ming stood up and said.

After signing the contract, Shi Xi said, “It’s been a pleasure working with you. This is my manager, Han Chuan.”

“We know each other.” Lu Ming looked at Han Chuan.

The two of them were both managers, so they naturally knew each other.

“The company has just signed a new batch of newcomers. I’ll bring you to take a look,” Han Chuan said calmly.

Shi Xi had wanted to go with them, but the production team of [Sky Blue] had arranged for them to read the script in advance, so she had no choice but to rush over.

After going through many casting sessions, [Sky Blue] had finally decided on all the roles.

When Shi Xi arrived, she saw that the director and the male lead, Lu Zheng, had already arrived.

“Sorry, I’m late.” Shi Xi walked to her seat and sat down.

“It’s not too late, it’s not too late. We came too early. Xi Xi,” the director chuckled. “How’s your script?”

"I've already memorized it. We can directly rehearse the scene," Shi Xi said.

During filming, memorizing lines was the most basic thing.

Reading the script was to design a series of subtle performances such as everyone's tone, movements, and positioning when the drama was officially filmed.

"Since everyone is here, let's start with the first scene."

Just as the director was about to get into character, the assistant quickly came over and whispered something into the director's ear.

The director's eyes were filled with impatience. "What happened? Didn't they say they'll be there at 2 o'clock sharp?"

An Zhilan, who played the third female lead, glanced around and asked, "Director, is the second female lead not here yet?"

Shi Xi also swept her gaze across the entire table.

As expected, the second female lead's seat was empty.

It was originally set to be Nan Wan.

Later, Nan Wan stopped performing.

She did not know who they had found to make up for it.

Shi Xi did not pay attention to the follow-up of the second female lead. She was a little curious now.

After all, she had a lot of scenes with the second female lead.

"She'll be here soon," said the director with a dark face.

"Who's the new second female lead?" An Zhilan asked. "Do we know each other?"

"You'll know when they get there," the director said calmly.

An Zhilan continued to stir up trouble. "She's late for her first time reading the script. Looks like she's a big shot?"

No matter how big her wrist was, could it be as big as Lu Zheng or Shi Xi's wrist?

No one answered An Zhilan.

Everyone lowered their heads to read the script.

"Let's skip the second female lead first."

The director nodded and picked up the script. "Fu Tianlan walked into the office..."

After getting into character, everyone was very serious.

Even An Zhilan, who was causing trouble, was reading the script seriously.

When the director was choosing the actors, he paid great attention to acting skills.

The script was read very smoothly, and the reading was getting better.

An hour later.

“Alright, let’s take a break.”

He would get tired and thirsty if he kept reading lines and pondering over the plot.

Everyone heaved a sigh of relief when they heard that it was a break. They stretched and leaned back in their chairs.

The sound of high heels stepping on the ground could be heard outside the door.

Accompanied by a woman’s voice.

“I’m not late, am I? There was a traffic jam on the way.”

Nan Wan came in from outside and scanned the room. Seeing that no one was reading the script, she smiled and said, “Thank goodness you guys haven’t started yet. I bought milk tea. I’ll treat everyone to milk tea.”

You don’t hit a smiling face.

The director’s anger had subsided by half. “We’ve already read the script for an hour. Don’t be late again.”

“There won’t be a next time. The snow is too heavy today, and there was a traffic jam on the road.” Nan Wan took off her fur coat and sat in the empty seat.

Chapter 734 | Only Want to Make Money

When Shi Xi saw Nan Wan appear, she was a little confused.

Didn’t Nan Wan announce that she wouldn’t be acting in [Sky Blue]?

Why did she appear again?

Nan Wan handed a cup of milk tea to Shi Xi. “Xi Xi, have some milk tea.”

Shi Xi took it. “Thank you.”

Even though the two of them didn’t like each other in their hearts, they had always maintained superficial peace.

An Zhilan quickly asked the question she wanted to ask.

“Eh? Nan Wan? Didn’t you say that you’re not coming to [Sky Blue] anymore because of the crash? Why are you here again?”

Nan Wan smiled lightly without any awkwardness. “It was a coincidence, but the director strongly invited me. I saw that the script was excellent, so I rejected another job.”

An Zhilan looked at the director. “Director, is that true?”

The director did not say anything.

She couldn't tell if Nan Wan was telling the truth.

An Zhilan couldn't hold back her temper and asked Nan Wan, "Nan Wan, what job did you reject?"

The smile on Nan Wan's face froze.

That was the excuse she made up.

How could there be any rejected jobs?

"I'm not going anymore, so I won't say anything." Nan Wan took a sip of milk tea and changed the topic. "Where do I start reading the script?"

An Zhilan wanted to continue asking, but Nan Wan never answered directly.

The director did not say anything and let everyone continue reading the script.

With Nan Wan's participation, there was no need to skip the second female lead's scenes. It was easier to read the script.

When they were resting again, Shi Xi was drinking water as she sized up Nan Wan.

Nan Wan had obviously studied the script carefully.

When she was reading the script just now, she actually didn't do anything.

This was really strange.

Nan Wan seemed to sense Shi Xi's gaze and looked over. "Xi Xi, why aren't you drinking milk tea?"

Shi Xi held her thermos flask and smiled. "I'll drink some hot water first."

Nan Wan replied with an "oh" and said with concern, "Milk tea should still be drunk while it's hot. It won't taste good if it's cold."

Shi Xi's eyes were shallow. "I understand."

She would not drink the milk tea that Nan Wan gave her.

Especially when Nan Wan had specially given it to her.

Nan Wan retracted her gaze, her eyes cold.

After reading today's script, the director said, "Everyone has worked hard today."

"After the New Year, we will officially start filming. I hope everyone will be in their best condition."

"Alright."

"That's for sure!"

"..."

The actors responded in unison.

Director: "It's getting late. Let's have a meal together. My treat!"

"Sure!"

"The director is treating us! Yay!"

"Then I want something expensive!"

If the production team wanted to progress quickly and have a good atmosphere, they had to be united and friendly.

Everyone went to Midsummer Lightyear's private room together.

Shi Xi did not want to go to such a social event, but this was her first time in an external team and she was the female lead.

Even Lu Zheng was there.

Shi Xi could only follow them, thinking that she could drink less and pretend to be drunk halfway.

When they went out, Nan Wan walked beside Shi Xi.

"How scheming." Nan Wan suddenly spoke in a voice that only the two of them could hear,

"Do you think you can take me down just because you poached my manager?"

Shi Xi looked straight ahead. "I just think that Lu Ming is a good manager."

Nan Wan smiled contemptuously. "Stop pretending. Lu Ming signed a confidentiality agreement. He won't dare to reveal anything about me."

Shi Xi looked at Nan Wan and said seriously, "Looks like you're mistaken. I don't care about you at all."

Nan Wan was startled.

"I just want to earn money," Shi Xi said with a faint smile.

...

Chapter 735 Drunken Chaos

Shi Xi's meaning was very simple.

She only wanted money.

And Lu Ming could help her get the money.

After saying that, Shi Xi walked out first.

Nan Wan's eyes were filled with madness.

How could this be?

Shi Xi was actually not concerned about her matters?

She treated Shi Xi as her lifelong enemy!

Shi Xi actually did not care about her!

Nan Wan felt humiliated.

Nan Wan didn't feel humiliated when the number of online dramas was suppressed.

When the movie's box office earnings were suppressed, Nan Wan did not feel humiliated.

But at this moment...

When Shi Xi said that she did not care about her...

Nan Wan felt that she had lost completely.

What Shi Xi meant was that she had never taken her seriously!

Heh.

Shi Xi!

Nan Wan took a deep breath and strode out.

*

After getting into the car, Zhu Lin knew that they were going to Midsummer Lightyear, so she asked, "Is it a dinner party for the production team? Do you want to drink?"

Shi Xi shook her head. "I don't know yet."

She rarely attended such gatherings before.

In the past, she had acted in self-made dramas. She was the invisible boss. Even if she went to a gathering, no one dared to force her to drink.

"Why don't you just say that you're not feeling well and not go?" Zhu Lin was worried that Shi Xi would be bullied during the drinking game.

She knew that Shi Xi was allergic to seafood and did not like to drink.

However, she was not sure about Shi Xi's alcohol tolerance.

"Let's go and take a look. Lu Zheng is already there." Shi Xi set a time and said, "Xiao Tian, wait at the door. I'll report to you every ten minutes. If I don't report, I'm drunk."

Shi Xi did not like to drink and did not know how much she could hold her liquor.

She wouldn't collapse after one cup, right?

Shi Xi felt uneasy.

When they arrived at Midsummer Lightyear, the director asked for a big box.

Shi Xi was the female lead and was arranged to sit beside the director.

According to the order, Nan Wan was sitting on the other side of Shi Xi.

Shi Xi: "..."

This was not a good spot.

The others also knew that the two of them were not on good terms, and they all looked like they were watching a good show.

"Shi Xi, you don't know how to drink. Sit by my side," said Lu Zheng.

Shi Xi was suddenly rescued and was at a loss for a moment. "Ah? Sure."

She didn't want to sit next to Nan Wan!

The director looked at Lu Zheng. "How do you know that Shi Xi doesn't drink?"

"Are you two dating?" An Zhilan followed up with gossip.

"You're thinking too much. We just interacted a little more because of filming." Lu Zheng smiled. "Let's order."

Shi Xi did not expect Lu Zheng to speak up for her. She said in a low voice, "Thank you."

Lu Zheng: "It's fine. Just drink some drinks later. Don't drink alcohol."

Shi Xi had only heard that Lu Zheng was a good person.

She didn't expect him to be so good.

Shi Xi had not guessed wrongly. Indeed, the wine was served.

Regardless of whether they were actors or actresses, they all started drinking.

Even Nan Wan had drunk two cups and her face was flushed.

Lu Zheng accompanied the director for a few drinks.

Shi Xi wondered if she should give the director a toast.

The director gave Shi Xi a toast first.

"I really like you, the female lead! It's true! And the movie you acted in, it's f*cking great! Let's have a drink!" the director said with a big tongue.

...

Shi Xi: %!#@

Why was the director suddenly drunk?

Shi Xi held up her drink glass. "Here's to you."

The director was already drunk and did not care what was in Shi Xi's glass.

Nan Wan said, "The director is drinking alcohol. Xi Xi, are you only drinking beverages?"

Everyone was using glasses, and the orange juice in Shi Xi's glass was especially obvious.

Shi Xi retorted impatiently, "The director is magnanimous. He knows that I can't drink, so he let me drink."

"The director doesn't even care. Why are you saying so much?"

Chapter 736 The Drunken Shi Xi

Nan Wan looked at the director before looking at Shi Xi. "You have a sharp tongue!"

Shi Xi sat down and wondered when she should leave.

However, when the dinner was over, the director dragged everyone to sing again.

There was a singing event in Midsummer Lightyear, so everyone just changed floors.

Sitting in the dimly lit private room, the lights were flickering and the smoke and alcohol were all around her. Shi Xi did not want to say a word.

She felt dizzy.

Shi Xi decided to run.

But just as she stood up, the director called out to her. "Xi Xi, come on. Let's sing this song together."

Shi Xi had a fake smile on her face as she accompanied the director to the end of the song.

Just as Shi Xi thought that she could finally leave...

Nan Wan picked up the microphone. "Xi Xi, congratulations on your movie's box office sales breaking 1 billion!"

The box office sales of [Energetic Girl] were increasing day by day.

Although Shi Xi did not pay much attention to it, she knew that this result was not bad.

"Thank you." When Shi Xi saw Nan Wan, she became vigilant.

"To congratulate Xi Xi, let's open a bottle of royal champagne, shall we?" Nan Wan asked again.

The people in the private room were half-drunk and half-awake. They jeered, "Good!"

A new bottle of royal champagne was opened and Nan Wan poured half a glass for Shi Xi. "I know you can't drink, so I'll pour you a little."

"Come, let's congratulate Shi Xi together." Nan Wan raised her voice.

The crowd swayed as they stood up to celebrate.

Shi Xi looked at the wine glass in her hand.

Nan Wan was trying to force her to drink in the name of congratulating her.

"Give it to me. I'll drink it for you." Lu Zheng walked up to Shi Xi.

Nan Wan stopped Lu Zheng. "Hey, this is the wine to celebrate Shi Xi's movie's box office earnings. Lu Zheng, if you want to drink, I'll toast you!"

Lu Zheng frowned. "Shi Xi doesn't know how to drink."

"Then learn! Are you afraid that I'll drug you?" Nan Wan asked bluntly. "Everyone is here, how could I drug you? I'll drink first as a toast!"

The glass was just taken, and everyone drank together.

Shi Xi lowered her eyes slightly.

"Thank you. I'll go back after drinking this glass." Seeing that everyone had drunk, Shi Xi also drank.

It was only half a glass of royal champagne.

It was nothing.

When Nan Wan saw Shi Xi drink, a hint of success flashed across her eyes.

"Didn't you drink it? Drink some more." Nan Wan continued to pour wine for Shi Xi and said, "This is 70,000 yuan per bottle of champagne."

Shi Xi did not know if this wine was good.

She only knew that the world in front of her was gradually turning upside down.

Pinching her palm hard, Shi Xi said, "I'm a little dizzy. I'll leave first."

As she spoke, Shi Xi walked toward the door of the private room.

The corners of Nan Wan's mouth curled up.

Want to leave?

How could there be such a good thing?

Nan Wan also felt a little dizzy.

She did not drug Shi Xi.

If she drugged Shi Xi alone, it would be too easy to be discovered.

She only changed the royal champagne to high-concentration golden cherries.

An ordinary person would be drunk after just one glass.

As for Shi Xi, she did not know how to drink.

Half a cup was enough.

*

Shi Xi felt as if she had lost control after drinking this glass of wine.

Every step she took felt like she was on top of the clouds.

'No, let's go find Xiao Tian first.'

Using all her strength, Shi Xi finally pushed open the door of the private room.

However, it was a waitress called by Nan Wan outside the door.

The waitress supported Shi Xi and asked, "Miss, what's wrong?"

Shi Xi was speechless.

...

However, she could not push the waitress away.

The waitress was half supporting and half dragging Shi Xi out as she said, "I'll help you upstairs to rest."

"Let go of me! I-I-I can walk on my own."

Chapter 737 Of Course I'm Pretending

Xiao Tian and Zhu Lin were waiting outside. When they saw Shi Xi come out, they went up to help her.

"Miss Shi said that she's drunk and won't go home. She wants to rest here. The room has already been booked." The waitress took out the room card and said expressionlessly, "I'll send her up."

"Aren't you going home?" Zhu Lin asked Shi Xi curiously.

Shi Xi shook her head. "I'm not going home."

!!

Zhu Lin did not understand, but she still brought Shi Xi to her room to rest. She muttered softly, "When did you get a room? Why didn't I know?"

Looking at the half-drunk Shi Xi, Zhu Lin thought that Shi Xi was probably afraid that the Shi family would nag at her, so she did not think too much about it. She gave Shi Xi a simple wash and left.

After they left, Zhu Lin thought about the drinking and told Xie Yunzhou.

..

Midsummer Lightyear.

The hotel room was pitch black.

After a long time...

A man swiped the key card and opened the door.

The man turned on the lights and chuckled when he saw Shi Xi lying on the bed, dead drunk.

He put down his bag and took out the camera. He aimed the camera at the bed and adjusted it for a while.

Just as he was about to touch the girl with his perverted eyes...

The girl opened her eyes and saw the unfamiliar man in front of her. She said in panic and fear, "W-what are you doing?"

"You're awake? Hehe, it's good that you're awake. If you go along with me, I'll make you comfortable," the man said lecherously. "Otherwise, don't blame me for being rude."

As he spoke, the man took out a knife.

The girl bit her lower lip, looking drunk and charming. "What do you want to do to me? I can give you money, don't hurt me..."

The man's gaze wandered over Shi Xi's body. "What do I want to do to you? I got you drunk, so of course I want to f*ck you."

Shi Xi retreated slowly and said in fear, "I have no enmity with you. Why did you do this? Who told you to do this? It was Nan Wan who forced me to drink. Did she order you to do it?"

"I'll tell you when you've served me well." The man began to undo his belt.

Just as the man took off his clothes and was about to make his move...

Shi Xi grabbed the man's wrist accurately and twisted it hard.

"Ah! It hurts!" the man cried out in pain.

Shi Xi took out the belt that he had unbuckled and tied the man's hands and feet together.

The girl who was afraid of getting drunk just now instantly disappeared.

"Tell me, did Nan Wan instigate you?" Shi Xi asked.

If she couldn't get anything out of him by pretending to be weak and pitiful, then she would be more ruthless.

"No, I saw that you were drunk, so I sneaked in." The man would not give up Nan Wan even if he was beaten to death.

"Heh, I hope you'll be as stubborn when you see the police." Shi Xi started to call the police.

"You dare to call the police? Aren't you afraid of the media reporting it?" When the man heard that Shi Xi was going to call the police, he said in a panic, "I'm a scumbag and I'm not afraid of going to jail, but if you're in trouble, everyone else will spread the word that you've been r*ped, a broken shoe!"

Shi Xi hung up the phone and said thoughtfully, "That's right. If I call the police, everyone will talk about me."

"As long as you let go of me, I can pretend I never came."

Shi Xi's eyes lit up. "I know!"

"This is the 17th floor. As long as I push you down from here, no one will know that someone is trying to harass me." Shi Xi's eyes curved into crescents. "Don't worry, you're a rotten person. No one will help you appeal."

The scumbag: "..."

When he saw Shi Xi starting to wipe the fingerprints on the belt with a towel, the man instantly panicked. "What are you doing? Let go of me! I don't want to die, I don't want to die!"

Chapter 738 Nan Wan Jail

Shi Xi wiped the fingerprints off the belt and said leisurely, "Don't worry. Falling from the 17th floor won't hurt at all."

The man became more and more panicked. "If you kill me, you'll go to jail too!"

Shi Xi's eyes curved. "I was drunk today and didn't know anything."

"I'm a glamorous star, and you're just a rotten person that no one knows."

"Do you think the law will protect you or me?"

After wiping the fingerprints clean, Shi Xi dragged the man to the balcony.

"Don't kill me, it's not that I want to r*pe you! It was Nan Wan! She gave me 10,000 yuan and said that if I slept with you and took a video, she would give me another 90,000 yuan!" The man confessed everything about Nan Wan.

Shi Xi smiled. "How is that possible? Nan Wan and I are good friends. Why would she find someone to harm me?"

When the man saw Shi Xi's smile, he felt terrified. "I have evidence. I recorded all my calls with her!"

Shi Xi narrowed her eyes. "Where's the recording?"

"It's in my phone!"

Shi Xi reached for the man's phone.

At this moment, the door opened again.

Xie Yunzhou came in from outside and saw the situation in the room.

Xie Yunzhou: ?

Shi Xi waved his phone and greeted, "You're just in time. Help me call the police."

After Xie Yunzhou understood the cause and effect, he could not help but say, "You're taking too much of a risk! What if you can't beat the other party? What if the other party has a gun?"

Shi Xi is as obedient as a rabbit.

"Don't do this again!" Xie Yunzhou knocked the girl's head. "If you don't want to drink, then don't drink. With me protecting you, who would dare to make things difficult for you?"

"I just drank a little. It's fine." Shi Xi pursed her lips.

"What if it was drugged?" Xie Yunzhou looked at the man on the ground. He was both scared and angry.

“If it’s drugged, I won’t be able to avoid it no matter what I drink,” Shi Xi said sincerely.

Xie Yunzhou: “...”

Shi Xi: I want to fight.

“I can’t take it anymore. I’m too dizzy.” Shi Xi had already drunk wine and had been holding on just now to not let herself faint. Now, the aftertaste of the wine had risen.

Shi Xi was still rational, but she felt that she could not control herself.

“I want to sleep,” Shi Xi said.

“You still have to go to the police station to give your statement,” said Xie Yunzhou.

Shi Xi shook her head. “I want to sleep!”

Xie Yunzhou looked at the girl’s dazed expression and said helplessly, “Go to sleep first. You can go and record your statement tomorrow.”

Shi Xi pulled Xie Yunzhou. “I want to hear a bedtime story.”

Xie Yunzhou: ?

“I want to hear a bedtime story!” Shi Xi’s eyes widened.

Hence, the man who was tied up by the belt also heard Xie Yunzhou’s bedtime story.

..

With the video and audio evidence provided by the man, everything would be easy to handle.

Xie Yunzhou immediately sent the man and Nan Wan to court.

It was not appropriate for Shi Xi to step forward, so Xie Yunzhou and the lawyer were in charge of the lawsuit.

Thanks to the perfect legal protection system, this matter had not been exposed.

Even the people from Nan Wan felt that this matter was too embarrassing and did not want to publicize it.

Nan Wan instigated criminals to harm Shi Xi, and the evidence was conclusive.

*

After Nan Wan went to jail, the role of the second female lead in [Sky Blue] was vacant again.

This time, the director finally made up his mind and changed the actress for the second female lead.

He couldn’t take any more blows.

As for Shi Xi, the victim, it was as if nothing had happened and she was living her life as usual.

She had long wanted to teach Nan Wan a lesson, but she had never found a chance. She did not expect Nan Wan to come knocking on her door.

Chapter 739 The Blue-Tailed Fish's Name Is Little Green

After sending Nan Wan to prison, she would probably be able to have some peace and quiet for a while.

While feeding the fish, Shi Xi thought of how she had pulled Xie Yunzhou along and asked him to tell her a bedtime story.

Shi Xi did not like to drink and did not know how much she could drink.

However, she knew that she must have drunk too much that time. Moreover, even after she was drunk, she could still remember every bit of it.

!!

But why was Xie Yunzhou telling her a bedtime story?

Every time she thought of this, Shi Xi did not dare to contact Xie Yunzhou.

Just as she was distracted, her phone suddenly vibrated.

Shi Xi picked up her phone.

It was Xie Yunzhou.

Shi Xi took a deep breath and picked up the call.

"The trial of the Nan Wan case is next month. Now that the evidence is conclusive, the lawyer said that she will be sentenced to at least three years in prison," Xie Yunzhou said.

The court had many cases to deal with.

It was already very fast for the trial to take place in a month.

Shi Xi listened to Xie Yunzhou's voice and recalled the time when he told her bedtime stories. His voice was gentle and unusually patient.

"Don't you want others to know about this?" Xie Yunzhou asked.

Sometimes, going to court was a very quiet thing.

The Shi family and the Nan family did not have any connections and were in different cities.

After this matter came out, no one in the Shi family knew about it.

"I don't want my family to worry." Shi Xi had wanted to handle it herself, but she did not expect Xie Yunzhou to interfere. "Did the Nan family look for you?"

Shi Xi was worried about Xie Yunzhou.

Nan Wan and Xie Yunzhou knew each other, and the two families might have been friends in the previous generation.

“No, they haven’t. Don’t worry. Don’t worry about the Nan family. They won’t be able to cause any trouble,” said Xie Yunzhou.

“If they make things difficult for you, let my lawyer take over everything,” Shi Xi said.

She was not afraid of Nan Wan.

“There will never be any difficulties when I work for you.” Xie Yunzhou’s voice was low. He seemed to have thought of something and asked, “Do you still want to hear a bedtime story? I bought a set of bedtime stories.”

“No, thank you. I still have something to do. I’ll contact you next time.” Shi Xi hung up the phone within three seconds.

How embarrassing!

She was already 19 years old!

She actually wanted to listen to a bedtime story!

Ahhhh!

If she were to go back to that night, she definitely wouldn’t have drunk that glass of wine.

The price of sending Nan Wan to prison was too high.

Life was not easy. Xi Xi sighed.

“What are you doing?” Shi Shuo interrupted Shi Xi.

“To feed the fish.” Shi Xi scattered a handful of fish food.

Shi Shuo looked at the blue-tailed fish in the tank. “This little fish is quite pretty.”

“Of course.” Speaking of her little fish, Shi Xi immediately straightened her back and introduced, “It’s called Little Green.”

“Little Green?” Shi Shuo looked at the blue fish and asked, “Why don’t you call it Little Blue?”

“Because Little Green sounds good.”

Shi Shuo was speechless. The reason was too strong to refute.

“You want to go out?” Shi Xi asked casually.

“There’s a program recording.” Shi Shuo patted Shi Xi’s shoulder. “I’m going.”

Shi Xi was stunned.

She was a starlet in the entertainment industry, but she was not even as good as him.

Even Shi Shuo had an announcement!

Wuwuwu!

Shi Xi turned around and called Han Chuan.

“You’ll be joining the crew soon, so I didn’t take on those messy jobs. I wanted you to read the script in peace.”

“Why? Do you want to take on any jobs?”

“Are there any jobs with more money than money?”

“You wish.” Han Chuan couldn’t help it.

“Have there been many people looking for me recently?” Shi Xi asked again.

Chapter 740 Ning Yu and Xie Yunzhou

“The response to [Energetic Girl] is very good,” Han Chuan said seriously. “The number of people looking for you has increased several times.”

“Now, not only are there people praising you, but there are also more people who want to catch your mistakes.”

“At times like this, you have to stabilize your state and not float around.”

Han Chuan had been in the entertainment industry for more than ten years. He had seen countless people become famous overnight and then go silent overnight.

!!

He did not want Shi Xi to be one of them.

Shi Xi: “I know. I’ll read the script carefully.”

She had never been arrogant.

After hanging up, Shi Xi read the script for a while.

Ning Yu came down from upstairs and prepared to go out.

“Sister is going out too?” Shi Xi asked casually when she saw Ning Yu.

“Yes,” Ning Yu replied coldly.

She was still not used to having so many people at home.

“It’s cold outside,” Shi Xi instructed. “Wear more. Remember to wear a scarf.”

Previously, Shi Xi had knitted a white scarf for Ning Yu.

It had already been washed and placed on the coat rack at the door.

Ning Yu looked at the scarf with messy stitches.

Then, she looked at Shi Xi, who had a sincere expression on her face.

‘Forget it, I’ll wear it around my neck and roll it into a ball. No one will notice what this scarf looks like.’

Ning Yu put on her scarf and went out.

She did not have the habit of wearing a scarf, so she felt a little uncomfortable when she first put it on.

However, without the cold wind blowing, it warmed up in a short while.

Ugly, but practical.

..

After Shi Xi sent Ning Yu off, she thought of something and found the needles and yarn for knitting a scarf, preparing to knit another scarf.

Mother Shi, who had returned from playing mahjong, saw Shi Xi knitting a scarf and asked, "Didn't you make a few? Why are you doing it again?"

"I have nothing better to do, so I hooked it for fun." Shi Xi responded.

"Are you going to knit one for your little brother because he doesn't have one?" Mother Shi guessed casually.

Shi Xi blinked. "Yes, it's for Little Brother."

Mother Shi nagged. "It's a waste to knit any scarf for him. He's been pretending to be cool since he was young. The colder the weather, the thinner he wears."

Thinking of her little brother's attire, Shi Xi agreed.

That's right, so she didn't give it to Shi Shuo.

Ning Yu entered Xie Yunzhou's house and found that the lights were bright and the living room was as warm as spring.

It was completely different from the coldness from before.

Ning Yu took off her coat and scarf and placed them on the coat rack at the door.

"Have you been sick recently?" Ning Yu was here for Xie Yunzhou's regular check-up.

"After returning from the coastal island, the illness hasn't acted up." Xie Yunzhou thought of Shi Xi and smiled. "I didn't take my medicine either."

As long as he thought of Shi Xi, he could endure all the pain.

Ning Yu nodded slightly. "If there's no relapse, you don't have to take the medicine."

This medicine was 30% poisonous.

"How's your sleep recently? Do you still have nightmares?" Ning Yu asked.

Xie Yunzhou said, "I had nightmares occasionally. Recently, I received an aromatic candle. I light it before I go to bed every day. I've slept very well these few days."

“Aromatic candles?”

“Let me show you.”

It was the scented candle that Shi Xi had given him.

Even if he ordered it every night, there was still plenty left.

“Where did you buy this?” Ning Yu asked after smelling it.

“Shi Xi made it personally.” At the mention of Shi Xi, the corners of Xie Yunzhou’s mouth curled up unconsciously.

“Stretch out your hand and feel my pulse.”

After looking, hearing, and asking, Ning Yu gave Xie Yunzhou a prescription again and said calmly, “Your condition is gradually improving. If you continue like this, you will be back to normal in half a year.”

“Will it relapse after I return to normal?” asked Xie Yunzhou.
